systematic desensitization, tolerance of blacks, Caucasian high school students, 56:1051
systematic training program presented in handbook format, change in racist attitudes & behavior, White students, 58:12519

tape- vs counselor-directed encounter groups, social perceptions & verbal interactions, black & white college students, 55:2660
target age & race, invasion of personal space, male vs female White vs Black Ss, 57:3192
teacher & student & O's sex & race, perceptions of teacher's verbal & nonverbal behaviors toward Black vs White students in school for adjudicated delinquents, Black vs White Os, implications for teacher education, 58:8212
teacher & student ethnic group, visually perceived teacher nonverbal behavior & subsequent affective responses to teachers, Chicano vs black vs white 5th–8th graders, 56:1440
teacher & student race, mathematics & vocabulary achievement, Black & White 1st grade teachers & students, 58:4310
teacher characteristics & stereotyped attitudes toward ethnic groups & academic expectations, attitudes toward & ratings of speech samples of black & Anglo- & Mexican-American children, 54:9670
teacher expectancy, student achievement, 3rd & 4th grade Mexican American & Negro & white students, 55:1423
teacher skin color & use of neutral vs affective group-related language during teaching, test scores, black male 11th graders, replication of I. D. Glick's study, 56:10727
teacher's race, prevention of dropouts & maintenance of attendance, black adults in basic education programs, 55:8207
teaching machine procedure using operant learning principles vs classroom curriculum procedure & teacher race, modification of pro-Euro American & anti-Afro American racial bias, kindergartners, 55:7988
teaching unit on Black culture, racial beliefs & authoritarianism & openmindedness, White high school students, 57:11307
television program viewing behavior, Black vs White 10th–12th graders, 57:12443
test taking experience simulation, WISC subtest performance scores, Black disadvantaged vs White nondisadvantaged children, 57:6987
test validity, symbolic & nonverbal measure of authoritarianism, male & female & black & white college & graduate students, 55:3522
test- vs game-like task context & socioeconomic status & S's & E's race, divergent thinking quality & independence from intelligence, black vs white male 11–13 yr olds, 55:9455
test-retest reliability & validity, test of contrasting proverbs as measure of attitudes toward curiosity-related behavior, Black vs White college students, 58:6695
test-wiseness, performance on standardized scholastic achievement & general mental ability measures, Mexican American & Black & White 11th graders, 58:10616
token reinforcement, self concept, Black vs Caucasian vs Puerto Rican vs Japanese college students, 58:4446
token system, reading achievement & attitude toward reading, Anglo & Mexican American surnamed 2nd & 4th & 6th graders, 58:10285
traditional class instruction vs computer-managed instruction program & age & intelligence & sex & ethnic group, Peabody Individual Achievement Test performance, learning disabled students, 57:6924
traditional vs nontraditional instructional methods, self concept & English/Language Arts achievement, black vs white 7th vs 8th graders, 56:10597
training of original responses to word problems, other classroom performance, Caucasian vs Hawaiian 5th graders, 56:1389
training program, accuracy of black adolescent personality simulation as measured by Personality Research Form responses, white male adolescents, 56:8047
trait anxiety & sex & ethnicity & socioeconomic status & school, state anxiety arousal levels in selected school situations, Mexican American vs Anglo American elementary school students, 57:6900
trait anxiety, error in perceived GPA, Black vs White male vs female 1st-yr college students, 58:10488
transactional model of analysis, confirming white ethnic stereotype, Polish-American Catholic high school students, 53:9361
transfer from regular to continuation high school, attendance patterns & achievement scores, White vs minority students, 58:6325
treatments at different scientific verbal levels, conceptual development in science education, male vs female Anglo Saxon vs Negro vs Mexican American 8th graders, 55:13132
trends in distance of interstate movement, Black vs White migrants, 57:12593
trust & interpersonal perception & activism, black vs white college students, 53:5232
type & onset of father absence & stepfather presence, cognitive development, white lower-class 3rd & 6th graders, 53:7121
university climate & academic ability, academic performance & persistence to degree, black vs white college students, 55:5576
university climate perceptions, black & white college students, 53:6125
use of alternative living plans for developmentally disabled children, White vs minority families eligible for services, 58:5964
use of fantasy & holidays alone with wife, marital satisfaction during 1st yr of fatherhood, Black vs White 1st-time fathers, 57:10122
utility & responsiveness of data collecting instruments for measurement of cognitive & affective development, white & Mexican American & other nonwhite preschoolers, 56:10797
validation of instrument measuring racial attitudes, Black vs White 4th graders, 58:178
validation of sense of control & racial separatism construct, black & white southern high school students, 54:9700
validity for identification of mentally retarded, Otis-Lennon Mental Ability Test Elementary II Level & WISC, white 4th–6th graders, 56:6838
validity of Home Index, measurement of family socioeconomic status, black & white 10–16 yr old pairs of same-sex twins, 54:10824
validity of selected preschool screening tests, Black vs White 3–4 yr olds, 58:4415
validity, test battery for employee selection of blacks & whites, 54:4311
validity, test battery for employee selection of blacks & whites, methodological criticism of H. Fox & J. Lefkowitz's study, 56:6897
validity, test battery for employee selection of blacks & whites, reply to W. Kirchner's criticism, 56:6898
verbal ability & sex & grade & age, prediction of Piagetian classification & seriation task performance, Mexican American vs Anglo American kindergartners through 3rd graders, 58:9314
verbal comment patterns during supervision of racially mixed groups, black vs white supervisors of Southern college students vs US Navy recruits, 56:10861
verbal communication bias in T-groups, white & black male & female graduate students, 53:5178
verbal operant conditioning paradigm, racial effects on verbal behavior in counseling interview, Black & White female college students, 57:10781
vicarious vs direct threats, direct vs indirect aggression, black & white college students, 55:9773
vicarious vs experiential techniques, development of moral judgment & lessening of prejudicial attitudes, male vs female black vs white 6th graders, 56:2851
victim's race & pain expression & potential to retaliate, reduction of interracial aggression, White male college students, 58:5331
viewing bilingual multicultural television, empirical analysis of behaviors during television viewing, male vs female 1st vs 2nd vs 3rd grade Mexican Americans vs Puerto Ricans vs Cuban Americans vs Anglo Americans, 56:2874
viewing of Black vs White & male vs female photographs of faces, analysis of picture descriptions, adolescent male Bantus vs British Army entrants, 57:3232
viewing of videotapes of Black vs White peer models receiving teacher praise for academic task performance, expectations & actual performance on reading & answering task, male vs female Black vs White 5th graders, 57:13788
viewing positive interaction between whites & blacks in commercially-produced films, attitudes toward blacks, development of instrument to measure attitudes, white 10th & 12 graders, 55:613
viewing slides of human faces, identification of average faces & attractiveness & companion choices for social interaction situations, Blacks vs Whites, 57:3248
visitation to apartment house managers, racial discrimination in apartment rentals, black & white confederates, 54:7304
vividness of mental imagery across different sensory modalities, Filipino vs Anglo-American college students, 53:11482
vocabulary of communicative gestures, white middle class males in western US, 56:9615
vocational choice realism, low socioeconomic status black & white male high school students, 55:8274
Vocational Preference Inventory profiles, Black vs White college students, 57:2050
vowel letter–sound relationship perceptions, black & white 1st graders, 53:1953
Watergate incidents, view of US Presidency & policy, black vs white 3rd & 5th & 7th & 9th graders, 56:3926
welfare payments & socioeconomic factors, age-specific illegitimate birth rates, White vs non-White females, 57:3099
white research in black community, 53:2928
white teacher attitudes & teacher-student interactions, student achievement & attitudes toward school, black 1st graders, 55:13457
white vs black & male vs female Es, quality & quantity of speech elicited, black kindergartners, 55:707
white vs black & middle vs lower class & urban vs rural environment & sex of child, child discipline, mothers of 3 yr olds, 54:863
white vs black target person, completion of interracial acquaintance chains started by whites, criticism of C. Korte & S. Milgram's study, 53:5037
White vs Black vs American Indian recipients & value of donation, sharing behavior, White preschoolers vs school age children, 57:8049
White vs native American test administrator, Koppitz scores on Bender Gestalt, 5–10 yr old Sioux, 58:2522
white-preference behavior in Blacks, critique of paradigm, 58:1037
wife's employment, income & satisfaction with housing & neighborhood & social class & marriage & division of family decision making & household chores, Black vs White families in lower working class neighborhood, 57:10145
WISC & Wide Range Achievement Test scores & differences between subtest scores, Negro & white 6–15 yr olds referred for school work difficulties, 55:5726
WISC IQ & race & sex & socioeconomic status, prediction of high school GPA, Black & White students tested at pre-1st & 1st & 3rd & 5th grade levels, 58:12734
WISC IQs, male & female White vs Black low achievers, 58:8300
WISC, validity as predictor of school performance, black vs white vs Mexican American primary graders, 56:4962
work attitudes & job satisfaction & perceived discrimination, whites vs Negroes in South Africa, 53:2922
work attitudes, job performance, black vs white blue-collar airline employees, 54:6462
working class mothers' attitudes toward education, educational achievement, black vs white male vs female 3rd graders in urban vs suburban residences, 55:13285
working patterns, White & Black wives, literature review, implications for social casework with families where wives are working, 58:2311

Cauda Equina [See Spinal Nerves]

Caudate Nucleus
ablations of frontal cortical areas & caudate nuclei & cortical hemispherectomy & dextroamphetamine, impairment & recovery of limb-placing reactions, cats, 57:9786
amantadine vs dopamine & amphetamine, single cells in cerebral cortex & caudate nucleus, male rats, 55:470
amphetamine & benactyzine & chlorpromazine & haloperidol & caffeine, cortical effects of low frequency stimulation of caudate nucleus, cats, 55:2121
amphetamine & caffeine, responses of neocortex neurons to electrical stimulation of reticular formation & caudate nucleus, cats, 58:2896
amphetamine & chlorpromazine & clonidine doses, caudate vs amygdaloid vs hypothalamic self stimulation, monkeys, 57:9783
amphetamine vs chlorpromazine vs clonidine, caudate vs hypothalamic self stimulation, squirrel monkeys, 58:629
amygdaloid & dorsal hippocampal & anterior cortical & olfactory bulb & anterodorsal caudate nucleus & septal lesions, rearing behavior, male rats, 57:7737
anterodorsal caudate nucleus lesions, 1- & 2-way active avoidance learning, rats, reply to criticism by G. Winocur, 56:5617
bilateral lesions of caudate nucleus, mixed FR differential reinforcement of other behavior performance, rats, 58:652
biochemical characterization, dopamine receptor in mammalian caudate nucleus, 54:2473
caudate lesions, recovery of function & changes in sensitivity to amphetamine, female rats, 53:11122
caudate nuclear stimulation, disruption of conditioned emotional response development, rats, 55:11710
caudate nuclei ablation at young vs older age, formation & extinction of avoidance reactions, rats, 55:9238
caudate nuclei ablation or frontal cortex removal, percentages of wakefulness & sleep stages & spontaneous motor activity & EEG, cats, 58:2967
caudate nuclei or frontal cortex ablations, barpressing & maze learning & passive avoidance acquisition, cats, 58:656
caudate nucleus function & avoidance conditioning, comments on R. J. Kirkby & S. Polgar's position, 55:6404
caudate nucleus lesions by bilateral stereotaxic injection of 6-hydroxydopamine, stereotypy response to amphetamine, male rats, 53:11080
caudate nucleus lesions, dominance behavior, male rats, 54:2496
caudate nucleus lesions, morphine dependence, male rats, 58:619
caudate nucleus lesions, morphine self administration & morphine dependence, female rats, 54:4744
caudate nucleus lesions, paradoxical sleep episodes, rats, 54:2495
caudate nucleus lesions, rearing responses, male rats, 55:11734
caudate nucleus neostriatal lesions, delayed alternation, cats & rats, 57:692
caudate nucleus stimulation following ablations of caudate nucleus, aggressive-defensive reactions & evoked potentials, cats, 55:2007
caudate nucleus stimulation, reactivity to painful stimuli, female monkeys, 55:4047
chemical stimulation of dorsal & ventral segments of caudate nucleus head, alimentary conditioned reflexes, dogs, 55:2114
choline, tyrosine hydroxylase in dopaminergic neurons of caudate nuclei, rats, 57:12434
cholinergic stimulation, seizure development pattern & sensitivities of amygdala & caudate & hippocampus, male rats, 54:2521
chronic & reversible lesions in corpus striatum, learning deficits in acquisition & retention of 1-trial passive avoidance task, male rats, 55:11744
continuous vs programed stimulation & stimulus intensity & reserpine vs haloperidol vs imipramine vs cocaine, fatigability of caudate nucleus motor response, cats, 56:3625
dextroamphetamine sulphate, potentiation & depression of spontaneous neural activity in caudate nucleus & substantia nigra & mesencephalic reticular formation, rats, 54:4845
diisopropyl fluorophosphate, acetylcholinesterase activity in anterior preoptic area & lateral hypothalamus & caudate nucleus & deep body temperature & drinking & alternation behaviors, male rats, 56:5680
direct electrical stimulation of neocortex & caudate nucleus, conditioned motor reflexes, dogs, 55:9215
dopamine-sensitive adenylyl cyclase activity in caudate nucleus, schizophrenic vs nonschizophrenic Ss, 54:11223
dorsal vs ventral caudate nucleus lesions, active avoidance learning, male rats, 53:4648
dorsolateral frontal cortex vs anterdorsal caudate nuclei lesions, startle responsivity, male rats, 57:9808
electrical stimulation of anterodorsal vs posteroventral caudate-putamen, spatial & form discrimination learning, male rats, 56:341
electrical stimulation of aortic & vagal nerves & septal & caudate nuclei, unit recordings from dorsal motor nucleus & hypothalamus & nucleus solitarius & blood pressure & heart rate, conscious rabbits, 55:9212
electrical stimulation of caudate nucleus, delayed alternation learning, cats, 53:8995
electrical stimulation of septum & caudate nucleus, behavior inhibition & relation to hippocampal EEG, rabbits, 55:9207
frequency-temporal structure of background activity & changes in extinction process, orienting reflex to sound, lesioned cats, role of caudate nucleus, 55:2039
frontal pole vs anterior median cortex vs caudate nucleus lesions, activity & spatial reversal & delayed response learning, male rats, 53:6779
graded intensities of caudate nucleus stimulation, complex motor task performance, cats, 56:349
haloperidol in repeated administration, supersensitivity of caudate neurons to dopamine & apomorphine, rats, 54:7074
haloperidol injection into caudate nucleus & nucleus accumbens, antagonism of apomorphine- & dextroamphetamine-induced stereotyped behavior, male rats, 56:2066
intracaudate chlorpromazine injections, conditioned avoidance & self stimulation behavior, rats, 55:6600
intracaudate microinjection of tranylcypromine & harmaline, physostigmine-induced cholinergic tremors & baseline caudate functioning, cats, 54:580
lesion in caudate nucleus & prefrontal lobe vs ablation of prefrontal lobe, relearning delayed alternation, cats, 53:4622
lesion of caudate nuclei, differentiation & extinction inhibition, dogs, 53:8978
lesions of dopaminergic nigro-neostriatal bundle, previously established rates of intracranial self stimulation of caudate-putamen, male rats, 56:1968
lesions of prefrontal cortex & caudate nucleus, time discrimination task, cats, 56:1992
lesions of striato-nigral pathway, dextroamphetamine-induced inhibition of central dopaminergic neurons, rats, 58:9079
long term dextroamphetamine pretreatment, enhancement of amphetamine- vs apomorphine-induced changes in caudate-putamen neurons, male rats, 57:7816
manganese injection into caudate nucleus, locomotor behavior, male rats, 55:2081
medial thalamic lesions, morphine tolerance as reflected in caudate nucleus & medial thalamus & cortex EEG, rats, 53:584
morphine & naloxone, sensory evoked responses from caudate nucleus & substantia nigra & hypothalamus & pineal body, male rats, 58:677
morphine, blockade of acetylcholine release from caudate nucleus, midpontine pretrigeminal cats, 55:381
morphine, dopamine-sensitive adenylate cyclase of caudate nucleus, male rats, 54:9136
morphine, nigrostriatal neurons & locomotor responses, C58 vs DBA male mice, 57:7769
morphine, turnover rate of acetylcholine in nucleus caudatus & nucleus accumbens receiving dopaminergic afferents & turnover rate of dopamine & norepinephrine, rats, 54:9137
morphine vs haloperidol, dopamine receptor-associated adenylate cyclase activity in caudate nucleus, male cats, 56:3726
neuroleptics & sedative, content of dopamine & 3,4-dihydroxyphenylacetic acid in caudate nucleus, rats, 53:11180
nigrostriatal pathway lesions by 6-hydroxydopamine injection, nonspecific supersensitivity of striatal dopamine receptors, male rats, 56:3623
nitrazepam & haloperidol & pentobarbital, oxygen pressure of nuclei amygdalae lateralis & reticularis pontis caudalis during sleep–wakefulness cycles, cats with chronically implanted oxygen cathodes, 53:11207
nucleus linearis intermedius raphe lesions, behavior evoked by direct & indirect stimulation of dopamine-sensitive sites in caudate nucleus, cats, 53:4618
optical isomers of dextroamphetamine sulfate & levoamphetamine sulfate, differential effects on firing rate of reticular formation & caudate nucleus neurons, rats, 54:6972
parachlorophenylalanine, self stimulation in caudate-putamen vs lateral hypothalamus, male rats, 58:11187
postnatal development of acetylcholinesterase & nicotinamide adenine dinucleotide-H-diaphorase in caudate putamen nucleus & substantia nigra, rats, 56:7378
removal of caudate nuclei vs frontal cortical areas, neurology & gross behavior, cats, 57:2714
simultaneous vs seriatim lesions of caudate nucleus, acquisition of spatial alternation & passive avoidance behavior, male rats, 53:11140
spreading depression in cortex & striatum & hippocampus, Pavlovian conditioning of eating, male rats, 55:6634
stimulation of caudate nucleus, initiation & performance of complex motor task, cats, 53:6795
strychnine, blockade of caudate & hippocampal inhibition of extralemniscal thalamic unitary responses, cats, 58:2915
tooth pulp stimulation, responses of units in marginal rim of trigeminal subnucleus caudalis, cats, 55:1984
unilateral electrical stimulation of caudate nucleus, side preference changes, female rats, 55:388
unilateral vs bilateral caudate nucleus lesion, side preferences & timing behavior in barpress situation, female rats, 56:5612
unilateral vs bilateral caudate nucleus lesions, side preferences & passive avoidance learning & locomotor activity, female rats, 57:12359

Celiac Plexus [See Autonomic Ganglia]

Celibacy [See Sexual Abstinence]

Cell Nucleus
selective breeding & immediate & long term effects of escape from noise training, cells of nucleus of trapezoid body, rats, 55:9118
water deprivation & voluntary rehydration, changes in medial & lateral cell groups of paraventricular nucleus, male rats, 57:2684

Cells (Biology) [See Also Auditory Neurons, Axons, Blood Cells, Chromosomes, Cones (Eye), Dendrites, Erythrocytes, Leucocytes, Lymphocytes, Motor Neurons, Neurons, Rods (Eye), Sensory Neurons, Sperm]
binocular competitive interaction, development of geniculate Y cells in lateral geniculate nucleus, cats, 55:11630
brisk-sustained & brisk-transient classes of retinal ganglion cells, crossed & uncrossed representation of visual field, cats, 56:1925

cellular & subcellular aspects & neural control, posterior pituitary & neuroendocrine cells & neurohypophysics, review, 54:9012
chronic lithium treatment, microvillous processes of choroid plexus cell surface, male rats, 56:2050
corticosteroids & thyroid & gonadal hormones during early life, cell formation & brain maturation & neuroendocrine circuits, rats & mice, literature review, 56:9452
crossed or uncrossed destination of axons of slowly conducting concentric & nonconcentric retinal ganglion cells, patterns of representation of visual field, cats, 56:1924
development of barbiturate tolerance & dependence in glial cells in culture, hamsters, 56:2074
enzymatic activities in mitochondria isolated from brain during development, rats, 55:3989
functional classes of cells & their laminar distributions in striate cortex, rhesus monkeys, 53:4577
hair cell types & distributions in otolithic & auditory organs, bullfrogs, 54:8922
hippocampal granule cell deficits due to localized X-irradiation, activity & dyadic behavior, male rats, 56:323
histopathology, roundcell infiltration around skin segments, schizophrenics & mentally retarded, 53:3486
housing of bisexual pairs vs groups, interrenal cell nuclei & body weight & testicular function & ovarian development, male & female blue gourami, 58:9014
hypodiploidy & mental status in elderly, critical review of biobehavioral hypothesis & suggestions for future research, 57:2853
induced temporary circulatory arrest, electron microscope evaluations of ultrastructural changes in neurons & astroglial & oligodendroglial & capillary endothelial & ischemic Purkinje cells, cats, 57:9784
intra-arterial injection of bradykinin into limbs, spinothalamic cell activity during intense nociceptive stimulation, monkeys, 55:2089
lithium responsiveness, abnormality in cell membrane properties normally regulating movement of electrolytes across plasma membrane, depressed patients, 53:5873
marihuana smoking & tetrahydrocannabinol quantity, T-cell function, chronic marihuana smokers, 57:2778
mean plasma prolactin & leuteinizing hormone, emaciated women with anorexia nervosa, 53:1329
microtransplant of living embryonal cells, revitalization of human organism, 57:3747
model of Cajal-Retzius cells as electrostatic guides for migrating neurons, 57:12261
motion-sensitive cells having center-surround antagonisms, dependence of target's apparent velocity on its immediate surround, 53:8717
motion-sensitive cells in visual system operating on optical flow over retina & link to convexity cell hypothesis, 53:8722
para-chloroamphetamine vs electrolytic lesions of B-9 cell group, synaptosomal uptake & levels of serotonin in brain areas, male rats, 55:4023
person-plant communications & cellular responses, 54:8925
pharmacological agents, electrical properties of Nitella cells, 55:4159
repeated experimental brain concussions, incorporation of labeled thymidines, rabbits, 58:2931
Schwann cells over cranial nerves, mice with muscular dystrophy, 54:6882
statistical analysis, spontaneous activity of hippocampal pyramidal cells, rabbits, 56:3545
stimulation of striatum, unitary activity of substantia nigra, awake monkeys, 55:2027
transformation of energy within cellular structures, 54:8920
visual stimulation combined with horizontal head rotation, impulse discharges from flocculus Purkinje cells, rabbits, 55:315
water deprivation & voluntary rehydration, changes in medial & lateral cell groups of paraventricular nucleus, male rats, 57:2684

Central America
beginnings of psychology, Nicaragua, 56:8595
client status role, behavior toward client, postal clerks in US vs Costa Rica, 56:6905
cognitive development, rural Guatemalan 5–8 yr olds, 54:9352
community psychiatry, Latin America, 58:10007
cross cultural differences, child's cognitive test performance & adult judgments of child's intelligence, 8 yr olds & adults, rural villages in Guatemala vs small town in US, 56:9758
cultural & structural & organizational & current theoretical developments in study of Latin American compadrazgo, 54:11514
culture, color & emotion synthesia, Guatamalan Spanish vs Mayan Izutujil, 56:568
culture fairness, Raven's Coloured Progressive Matrices & IPAT Culture-Fair Intelligence Test & WAIS, Costa Rican males, 56:3212
demographic characteristics & psychiatric treatment & drug research, Argentina & Costa Rica & Mexico & Panama, 53:10082
epidemiology, alcoholism, Latin America, 53:7671
experiences during maturation, US vs Panama adolescents, 54:9319
family structure & social position of S, beliefs in God & Virgin Mary & Devil, 10–18 yr old non-Indian Guatemalans, 54:2770
field dependence-independence & mothers' traditionalism-modernity & intellectual stimulation provision in home, preschoolers, rural Guatemala, 57:12561
instructional TV, school learning, 7th–9th graders in El Salvador, 55:1361
legal & professional status & training, psychotherapy & psychology, Nicaragua, 56:8561
legal status & training & theoretical orientations, psychotherapists, Guatemala, 56:8555
legal status & training, psychotherapists, Costa Rica, 56:8565
malnourishment vs adequate nourishment, cognitive functioning, 5–6 yr olds, Guatemala, 57:12521
nonrepresentational drawings, aesthetic quality vs action level vs uniqueness preferences, Navaho Indian vs suburban US vs Israeli vs Costa Rican 11–12 yr olds, 56:7780
object & place recall task, 5–7 yr olds in US vs Guatemala, 53:7032
professional problems & training, psychologists & psychotherapists, Guatemala, 56:8568
prognostic & ritual performance & professional nature & role of San Pedro midwives, 55:6895
psychotherapy training & development of psychotherapy, El Salvador, 56:8564
recruitment & ritual role & status, midwives in Maya community, 55:9588
sex-typical book carrying behavior, male vs female high school & college students & adults, US & Canada & Central America, 57:5731
sexual magical practices, women, Belize, 53:9339
social & cultural pressures, organization of health care systems, Latin America, 54:5696
social & cultural roots, political violence, Central America, 58:3187
social & cultural variables, perception of psychiatric disorder, British Honduras, 55:4364
social constraints & family structure & machismo cult, paucity of vasectomy programs, Latin America, 53:9392
sociocultural perspective, alcohol use & meaning, Latin America, literature review, 53:7204
status of psychotherapy, Panama, 56:8324
theoretical & practical aspects of behavioral psychology, Latin American psychologists, book, 54:4394
trance-based upheaval in Apostolic Church, Yucatan, 53:5029
treatment effectiveness & extent & consequences, alcoholism in Guatemala, 54:3394
urbanization & industrialization, presence vs absence of nuclear & extended family units, Latin American cities, 55:4390

Central Nervous System [See Also Amygdaloid Body, Auditory Cortex, Basal Ganglia, Brain, Brain Stem, Caudate Nucleus, Cerebellum, Cerebral Cortex, Cerebral Ventricles, Corpus Callosum, Cranial Spinal Cord, Diencephalon, Dorsal Roots, Extrapyramidal Tracts, Frontal Lobe, Geniculate Bodies (Thalamus), Globus Pallidus, Gyrus Cinguli, Hippocampus, Hypothalamo Hypophyseal System, Hypothalamus, Inferior Colliculus, Limbic System, Lumbar Spinal Cord, Medulla Oblongata, Meninges, Mesencephalon, Motor Cortex, Neural Analyzers, Occipital Lobe, Optic Chiasm, Optic Lobe, Parietal Lobe, Pons, Pyramidal Tracts, Reticular Formation, Somatosensory Cortex, Spinal Cord, Spinothalamic Tracts, Superior Colliculus, Telencephalon, Temporal Lobe, Thalamic Nuclei, Thalamus, Visual Cortex]
ablation of portions of CNS & their inhibitory or facilitative effects, physiological mediation on segmental plexus fissioning system, isolated vs grouped planarians, 55:390
acetylcholine, kinins formed in CNS, rats, 55:2125
acetylcholinesterase & butyrylcholinesterase activity, 14- & 20-day-old chick embryo cerebellar explants cultured in levodopa vs estradiol, implications for central nervous system development & function, 53:6746
acupuncture, mechanisms for regulation of energy transformation in central nervous system, 53:10302
age & genotype differences, jaw-jerk reflex to assess shock-sensitivity of CNS, inbred mice, 57:7726
amine fluorescence histochemistry, study of drugs & especially morphine on CNS, 56:1608
anatomy, central nervous system, book, 53:8860
antipsychotic drug action, dopamine-sensitive adenylate cyclase receptors in mammalian CNS, 56:5676
application of biomedical engineering concepts to signal analysis & pattern recognition & information processing by human CNS, book of papers, 57:5180
audiometric determination of hearing threshold & RT to sound stimuli, auditory analyzer, 57:4694
auditory evoked potentials during sleep, 10 day to 3 yr olds, usefulness in study of CNS development, 55:303
azacytidine-induced lesions of CNS, weight & rate of development, mice, 55:4152
behavior modification & changes in CNS biochemistry, annotated bibliography, 1971–74, 56:1905
behavior modification & changes in CNS biochemistry, annotated bibliography, 1960–70, 56:1906
brain cellular tissue culture models, central nervous system development, 53:4535
central & peripheral processes, localization of body parts, college students, evidence for central body schema, 53:2202
central nervous system biogenic amine metabolism, 3–11 yr olds with autism & atypical development & epilepsy & movement disorders, 53:9746
central nervous system development indexes, discrimination learning differences, tree shrews & monkeys & college students, 53:4541
cerebral evolution & dissolution, vocal communication & behavioral similarities & differences, humans vs squirrel monkeys, 53:9280
cerebral functioning in offspring of schizophrenics, Israeli school age children, 55:851
changes in brain electrical activity & development of latency of goal-directed motor response induced by pup vocalization, CNS mechanisms in development of maternal behavior, rats, 57:12257
CNS hierarhical principle of recruitment of lower level activities for use by subsequently evolved functions, analysis of speech behavior as foundation of language, 56:9675
CNS involvement, recognition of tactile stimulus, dogs, 57:578
CNS regulation of pituitary-adrenal complex, book, 54:2387
concepts & definition, autokinesis & schizokinesis & centrokinesis & organ-system responsibility, 53:9131
cross-sensory auditory & visual stimulation, auditory cortex & cochlear nucleus & round window electrical activity, cats, 53:11022
cytidine diphosphate choline administration into lateral ventricle & intrathecal space & on cerebral cortex & peripheral nerve, nervous system, cats, 53:4661
development of behavioral sensitivity to strychnine, chick embryo, evidence for onset of CNS inhibition, 55:6608
diazepam & imipramine & phthoracizine over prolonged period, summation of impulses of central nervous system, rabbits, 53:11247
direct electrophoretic applications vs iv administration of angiotensin II, CNS neurons, rats, 57:5369
drugs & normal stimuli, CNS & brain's adaptive response, 56:9604
electromagnetic & electrostatic fields, effects on CNS, 54:8933
encephabol, CNS development & maturation & somatic symptom reduction & side effects, children with dyslexia & dyscalculia & dysorthography, 57:10962
ethanol infused intravenously, threshold levels of thalamic recruiting & augmenting & reticular activating system responses, paralyzed cats, 53:4741
fenfluramine hydrochloride, CNS effects, mice & rats, 55:9324
fetal androgens & human central nervous system differentiation, behavior sex differences, genetic adrenogenital syndrome, females & males & unaffected siblings, 53:11986
forebrain mechanisms, sleep onset, 53:2522
functional state of CNS, inhibitory effects of micropolarization of cerebral structures, monkeys, 58:11201
generation of spike trains in central nervous system neurons, literature review, 54:6847
growth hormone-release inhibiting hormone, behavioral effects, male mice, support for central nervous system actions of peptides, 53:6863
haloperidol withdrawal after long term treatment, adrenergic receptor sensitivity in CNS, male mice, 58:9116
high affinity binding of estrogen by neonatal brain cytosol, estrogen receptors in sexual differentiation of CNS, neonatal rats, 54:6877
horizontal & vertical conjugate eye movements evoked by vestibular or visual stimuli, discharge patterns of medial longitudinal fasciculus, monkeys, 57:12255
human operant heart rate conditioning, patterns of autonomic & CNS responding, 57:7688
human sex hormones, central nervous system & affect variability, 53:8893
hypothalamic lesions & CNS maturation & neuropharmacologic treatment & ether & immobilization, stress & rhythm functions of pituitary adrenal gland, rats, 57:653
incorporation of radioactive methionine into protein in various cerebral areas during 1st 60 days of life, male & female & neonatally androgenized rats, 55:297
increase vs decrease in dopamine vs serotonin vs noradrenaline transmission in central nervous system, sexual behavior & receptivity, estrogen- vs estrogen- & progesterone-treated female rats, 53:6820
individual differences, heart rate deceleration & contingent negative variation during performance of signaled RT task, 64–77 yr old males, 58:5096
insulin-induced hypoglycemia & growth hormone release vs catecholamines, neurotransmission abnormalities, 20–64 yr old patients with affective disease, 55:12398
intermodality relationship of auditory & vision perception, developmental aspects of information processing in CNS, 57:12481
law of initial values of J. Wilder, applicability to Pavlov's theory of CNS excitation-inhibition & H. J. Eysenck's personality theory of extraversion-introversion, 56:4105
learning task vs spontaneous background activity in central nervous system, autoregressive process during conditioned avoidance response, rats, 53:9163
lithium carbonate therapy, CSN toxicity, case reports, 56:6443
lithium chloride, acetylcholine content & synthesis in CNS, rats, 55:6619
macromolecular mechanisms & psychobiological organization, CNS neurotransmitter pharmacology, 54:9024
maprotiline vs imipramine vs methamphetamine vs chlorpromazine, antidepressant & tranquilizing action on CNS, male mice & rats & dogs & cats, 58:3031
maternal antenatal decompression treatment, intelligence & neurological & electrocortical measures of CNS functioning, 3 & 4 yr old children of treated vs non-treated mothers, 56:5758
mathematical representation of spatial-frequency analysis mechanism of human visual nervous system, 53:11008
mobility of CNS in motor reactions, monozygotic & dizygotic pairs of twins, 54:6928
moderate to heavy doses of alcohol for 6–72 hrs, withdrawal hyperexcitability in neural substrate for affective defense, cats, 55:9284
morphine tolerance & dependence, pharmacological alterations in myenteric plexus & central nervous system, guinea pigs, 53:11231
nerve-growth factor, role in growth & maintenance of central nervous system, literature review, 57:7650
neuroleptic agents, CNS, 55:7673
neurophysiological model of low CNS arousal & inhibition, response to stimulant medication, 6–9 yr old hyperactive males, 53:9970
neurotrophic relations in central & peripheral nervous system, 57:571
nutrition & CNS development, book, 56:2108
ontogenic development of central nervous system, 53:902
perinatal changes in cortical potential & primary evoked responses in cortex, neural development, precocial mammals, 53:4562
peripheral ethanol metabolism as related to CNS & direct ethanol effects in CNS, biochemical aspects of alcoholism, literature review, 57:10520
pharmacological & experimental data on central nervous activity of beta-blocking agents in neuropsychiatric therapy, 58:9977
postneurotic changes in higher nervous activity using method of motor alimentary conditioned reflexes, baboons, 54:8944
prenatal hormones, differentiation of CNS mediating gonadotropin release & adult sexual behavior, primates, 54:2487
principle & mechanisms of the "dominant" in nervous system activity, 57:5133
propranolol, behavioral responses to increased 5-hydroxytryptamine in CNS, male rats, 57:737
proprioceptive & CNS events, regulation of discrete arm movements, 55:103
psychotropic drugs, regulatory mechanism of systemic nervous processes in acoustic rhythmical-mosaic stereotype, dogs, 54:9183
quantitative evaluation of human brain functional state, probability parameters of visual-motor RT, healthy Ss, 57:5150
rate of cell growth in 2 areas of nervous system, male vs female rats, 55:6377
regeneration, brain & spinal cord & central nervous system, 53:435
relationship of endocrine gland activity to CNS via hypothalamic hormones & neurotransmitters, 55:290
relaxation response, central nervous system response & applied practices of autogenic training & hypnosis & Zen & yoga & transcendental meditation, 54:469
respiration deprivation, anoxic lesions of CNS, guinea pigs, 54:6969
retinal vs CNS theories, saccadic suppression, 55:6363
ritual trance, alteration of CNS mechanisms & psychophysiological effects, 56:179
somatosensory receptors & CNS connections of afferents, 54:8951
staining technique for study of normal axons in central nervous system, 53:8859
stress & central nervous system lesions, thymus-derived lymphocytes & cell–cell interaction & release of mediators from reacting lymphocytes, 53:2520
stress & emotional distress, dysfunction & hypofunction of immunologic system via CNS & endocrine mediation, 57:3732
structural qualities of elements & networks transferring information in CNS, explanation of psychopathological phenomena typical of emotional disorders, 55:9951
sympathetic nervous system & 2 functions of vasomotor activity, psychopathology & global sensory psychic experience, 58:6991
tetraethylammonium, autonomic & central nervous system & emotional behavior, conscious cats, 53:9032
transitions between wakefulness & sleep & statistical evaluation, CNS influences on rhythms of endocrine hormones, 56:9425
use of biofeedback, control of autonomic nervous system & CNS events & muscle relaxation in stress situations, 57:7687
weak lead stimulation, modification of human startle reflex, implications for identification of different levels of central processing, 54:6890

Central Nervous System Disorders [See Also Acalculia, Agraphia, Alcoholic Hallucinosis, Alcoholic Psychosis, Alzheimers Disease, Anencephaly, Aphasia, Ataxia, Athetosis, Brain Concussion, Brain Damage, Brain Disorders, Brain Lesions, Brain Neoplasms, Cerebral Palsy, Cerebrovascular Accidents, Chorea, Delirium Tremens, Encephalitis, Epilepsy, Epileptic Seizures, Grand Mal Epilepsy, Huntingtons Chorea, Hydrocephaly, Hypothalamus Lesions, Korsakoffs Psychosis, Meningitis, Minimal Brain Disorders, Neurosyphilis, Organic Brain Syndromes, Parkinsons Disease, Petit Mal Epilepsy, Picks Disease, Poliomyelitis, Presenile Dementia, Senile Dementia, Senile Psychosis, Toxic Psychoses]
analogy between "failure-to-thrive" syndrome of childhood & symptoms complex in adult neurology, adults with CNS diseases, 56:6271
Angel's Trumpet intoxication, alkaloid-induced CNS anticholinergic syndrome, 2 15 yr old males, 58:5288
Arthur Adaptation of Leiter International Performance Scale vs Stanford Binet form L-M, diagnosis of CNS dysfunction, 4–8 yr olds, 56:4323
audiovisual sensory feedback from muscles, volitional control of motor activity, patients with CNS disorders of voluntary movement, 53:7932
birth weights & infantile growth rates, congenital defects of central nervous system associated with hyperendemic goiter, Mulia society, New Guinea, 53:3489
carbamazepine, dyscontrol syndrome associated with limbic system dysfunction, 58:1701
causes & mechanisms & prevention, high pressure nervous syndrome, literature review, 53:5719
characteristics of left vs mixed handedness, 4–9 yr olds with myelomeningocele & hydrocephalus, 58:5695
CNS & neuropsychological impairment, divers with vs without episodes of CNS decompression illness, 58:5706
CNS damage as possible component in sudden & unexpected death, infants, 57:6134
CNS involvement, performance on Administration A vs D of Benton Visual Retention Test, 12–14 yr olds with learning disabilities, 58:5607
continence & friendship & incidence of marriage & childbearing & child's health, 17–56 yr olds with spina bifida, 57:8536

critical flicker frequency in perifoveal area & periphery of visual field, eccentricity-specific dissociation of visual functions, patients with injuries of central visual pathways, 56:944
cyclic adenosine 3 prime, 5 prime-monophosphate concentrations in ventricular vs lumbar cerebrospinal fluid & effects of pretreatment with phenobarbitone & promethazine, patients with hepatic comas vs undergoing radiological vs neurosurgical procedures, 58:9797
degree of physical handicap & educational level & occupations, Welsh 18–56 yr olds with spina bifida, 57:6160
diagnosis with cranial computed tomography & neuropsychological & psychological tests before & after ventricular shunting, 2.5–13.5 yr old myelomeningocele patients, 58:5966
dichloroethane poisoning with myoclonic syndrome & seizures & irreversible cerebral defects, 48 yr old male, 55:12549
ear asymmetry, screening for congenital central nervous system defects, mentally retarded & learning disabled & delinquent children, 53:7698
emotional trauma & CNS dysfunction, language & speech development, visually handicapped preschool age children, 57:13062
faith healer's emphasis on symbolic significances of child's condition vs physician's scientific analysis, perception of condition, mother of encephalopathic child, 57:6168
Functional Activities scoring system, quantitative assessment of development of daily living skills, patients with spina bifida, 58:4654
hand function & tactile perception, 6–8 yr olds with myelomenigocele, 57:1481
hand preference & thumb-to-finger opposition performance, female manic depressives & schizophrenics vs nonpsychotic patients with CNS diseases vs normal Ss, 58:11785
impairment of motor skill, 7–10 yr olds with spina bifida cystica & hydrocephalus, 58:11939
insidon treatment, EEGs & clinical improvement, patients with neurotic symptoms with vs without CNS lesions or abnormal EEGs, 57:10903
intellectual ability & hemispheric cerebral dominance & psychomotor & somatosensory characteristics, 48 yr old female & her 16 & 18 & 20 yr old children with hereditary mirror movements, 58:5716
intellectual defense of inequality, formulation of theories of organic damage & CNS dysfunction among low-status groups, 54:1257
intelligence & visual perception & school attainment, children with spina bifida only vs with hydrocephalus tested at 5 & 7 yrs of age, 57:8562
levodopa therapy & clinical symptomology & differential diagnosis, Hallervorden-Spatz, sisters, 53:3640
long term chlorpromazine treatment, permanence of subsequent CNS impairment, 17–58 yr old organic vs schizophrenic inpatients, 56:8468
medical rehabilitation, chronically ill patients with physiological neuropathology, book, 57:4041
mercurous chloride laxatives, dementia & erethism & colitis & renal failure & cerebellar granular cell loss, 56 yr old man & 63 yr old woman, 54:1449
methylphenidate & diazepam, modification of clinical & electroencephalographic activity, Jakob-Creutzfeldt disease patients, 53:10095
neuroleptics, side effects & pathology with emphasis on CNS disorders, 58:5016
neuropsychiatric profile, 20–59 yr old male drinkers of denatured alcohol, 58:5553
number of hospital admissions & surgical procedures, intellectual status, male vs female children with spinal bifida, 58:5722
olivo-ponto-cerebellar atrophy, 56-yr-old miner & 62-yr-old woman, 53:7774
physical handicaps & social status, adults with spina bifida cystica, 53:7735
piribedil & pimozide, dopaminergic mechanism in mania, 47 yr old male with primary affective disorder, 57:6393
pseudoneurotic syndrome & CNS impairment, inpatients with brucellosis, 57:3658
scalp needle acupuncture, treatment of syndromes from chorea & parkinsonism & peripheral vascular injury & encephalitis, 54:3856
sensory integrative disorders, 5–9 yr olds in child guidance clinic for behavior problems, 53:11932
sensory level of lesion & thickness of pallium, intellectual development, 7–13 yr olds with spina bifida cystica treated vs not treated with shunt, 57:8531
social class & ethnicity, visual-motor malfunction, Afro vs Spanish vs Anglo American 4th & 5th graders, 56:4308
speech & language development, children with myelomeningocele & hydrocephalus, 53:9972
symptoms of explosive personality, patients with CNS lesions, 57:3714
temporal lobe epilepsy as manifestation of limbic system dysfunction, 55:2539
tests of lateral asymmetry & determination of constitutional predisposition to CNS disease, right handed college students, 58:11940
toilet training method of N. H. Azrin & R. M. Foxx, bladder control & responsibility for bowel accidents, 4.5 yr old male with spina bifida meningomyelocele, 56:8385
traumatic experiences during injury & concomitant injury to central nervous system & premorbid inadequate & psychopathic personality, anxiety & phobic fear in patients hospitalized for burns, 53:7761
validity of Hovey's 5-item MMPI, identification of CNS disorders, adult psychiatric patients, 56:8261

Central Nervous System Drugs [See CNS Affecting Drugs]

Central Tendency Measures [See Also Mean, Median]
central tendency & variability measures, pleasantness ratings of 60 English words, college students, 56:7560
computer program, creation of population with desired size & centroid & covariance matrix, 55:3467
formulas & computational procedures, estimation of mean & central moments of universe scores & standard errors in multiple matrix sampling for item-scoring procedures, 55:3563
Hotelling's T-2 hypothesis, multivariate hypothesis regarding centroid of single population, 53:103
support tests for dispersion & location differences in frequency distributions, 55:8689

CER (Conditioning) [See Conditioned Emotional Responses]

Cerebellar Cortex [See Cerebellum]

Cerebellar Nuclei [See Cerebellum]

Cerebellopontie Angle [See Cerebellum]

Cerebellum
ablation of motor cortex vs cerebellum, postural & kinetic coordination, cats, 57:2711
ablations of cerebellar cortical tissue, acquisition rates & performance levels during force regulation task, rats, 58:2947
acetylcholinesterase & butyrylcholinesterase activity, 14- & 20-day-old chick embryo cerebellar explants cultured in levodopa vs estradiol, implications for central nervous system development & function, 53:6746
acute & chronic paleocerebellar stimulation, experimental models of epilepsy, cats, 54:9113
amplitude of oxygen pressure in cerebellum & cortex, sleep-waking cycle, rats, 58:7006
associative memory framework, mathematical model for cerebellar cortex, 58:6997
brain motor control systems, monkeys, literature review, implications for research, 53:8872
brain stem vs cerebellar lesions, lordosis reflex, ovariectomized female rats, 56:7485
brain stem vs cerebellar lesions, postures & movement, female rats, 56:7484
callosal & cerebellar division in absence of vision, bimanual motor performance, monkeys, 55:11729
cerebellar control, electrical activity in lateral geniculate bodies & hippocampus & lateral rectus muscles of eyes during sleep-waking cycle, cats, 56:3547
cerebellar cortical & nuclear stimulation, generalized penicillin epilepsy, cats, 58:11175
cerebellar damage, lordosis, female rats, 54:2526
cerebellar lesions, instrumental responses executed against resistance, cats, 57:696
cerebellar stimulation, complex oral behaviors & self-stimulation, rats, 53:2549
cerebellar stimulation, tail shock pain perception, monkeys, 53:583
cerebellar vermis single unit responses to click stimulus, cats under chloralose &/or Nembutal, 55:442
cerebellar vermis single unit responses to click stimulus, cats under chloralose &/or Nembutal anesthesia, 55:443
cerebellum microelectrode implantation technique, awake & unrestrained cats, 58:8608
cerebral blood flow distribution abnormalities, adult vs aged chronic schizophrenic patients, 53:11872
chronic ethanol, cerebellar development, preweanling rats, 58:666
cortex vs cerebellum & conversion of short to long term memory, movement learning, 56:5386
electrical stimulation of cerebellum, excitation & inhibition of hypothalamic neurons, rabbits, 53:11108
electrical stimulation of medulla & cerebellum & telencephalic lesions & telencephalon removal, eating & grooming & stereotyped gagging & thermoregulation, opossums, 57:2677
ethanol & cerebellar Purkinje cell loss, production of ataxia, mice, 58:11327
evoked potential & histological techniques, ascending projections of cerebellar fastigial nucleus to hippocampus & amygdala & temporal lobe sites, monkeys & cats, 53:4549
high- & low-frequency cerebellar stimulation, cortical seizures, monkeys, 54:4746
intense auditory & visual stimuli, cerebellar responses, alert monkeys, 55:326
interstimulus intervals, extracellular spike neurons of cerebellar cortex during electrical stimulation of forelimbs, cats, 58:9058
locus coeruleus & alterations in phosphorylation within cerebellum, learning & memory of movements, implications for P. F. Gilbert's model, 56:1818
maternal food deprivation, motor coordination & forebrain & cerebellum weight, rats, 54:7171
maternal teratogenic dose of excess vitamin A during pregnancy, S-100 in cerebellum, neonatal rats, 58:5049
mercurous chloride laxatives, dementia & erethism & colitis & renal failure & cerebellar granular cell loss, 56 yr old man & 63 yr old woman, 54:1449
monaural & binaural tone stimuli, responses of single units in cerebellar vermis, cats, 54:4625
neocortical vs cerebellar vs limbic forebrain lesions, card displacement response, male rats, 57:9817
postnatal cerebellar development & development of balance & locomotor behavior, cats, 58:543
prenatal undernourishment, cerebellum DNA & brain cell growth, rats, 58:4934
processing of electroreceptive information related to object detection in caudal lobe of cerebellum, gymnotid fish, 54:4626
removal of cerebellum & frontal lobes, ponto-geniculo-occipital waves during paradoxical sleep, cats, 58:2953
response of cerebellar Purkinje cells to stimulation of nerves to extrinsic eye muscles, peripheral pathway for proprioceptive fibers, cats, 53:4543
schematic atlas, cerebellum, albino rats, 53:2465
stimulation of different cerebellar nuclei as CS, electrophysiological analysis of conditioned reflexes, cats, 54:529
stimuli simulating sound source movement & visual moving stimuli, responses of cerebellar units, cats, 55:9089
structural genetic defect in cerebellum & relationship to behavioral change, heterozygote Lurcher mouse, 55:1954
structure & organization, nerve elements of cerebellum, 54:450
tetrabenazine-induced behavioral excitation, amino acid levels in telencephalon & diencephalon-mesencephalon & cerebellum & pons-medulla oblongata, male rats, 56:5520
velocity of voluntary movement of elbow joint, interpositus neuron discharge, cats, implications for role of cerebellum, 58:2820
vestibulo-ocular tests, eye movement abnormalities, patients with cerebellar atrophy, 54:3461

Cerebral Aqueduct [See Cerebral Ventricles]

Cerebral Arteriosclerosis
autopsy findings, cerebral proteins & enzyme systems, 62–89 yr old cases of Alzheimer's presenile & senile dementia & Pick's disease & cerebral arteriosclerosis, 55:10139
performance & comprehension of temporal patterns, aged Ss suffering from degenerative dementia due to cerebral arteriosclerosis, 55:12544

Cerebral Cortex [See Also Amygdaloid Body, Auditory Cortex, Basal Ganglia, Caudate Nucleus, Cerebral Ventricles, Corpus Callosum, Frontal Lobe, Globus Pallidus, Gyrus Cinguli, Hippocampus, Limbic System, Motor Cortex, Occipital Lobe, Parietal Lobe, Somatosensory Cortex, Temporal Lobe, Visual Cortex]
ablation of cortical projection areas of mediodorsal thalamic nucleus & lesions in neostriatum associated with anteromedial cortex, taste aversion interference, male albino rats, 54:9095
ablation of prefrontal cortex, learning task performance & anatomico-behavioral interrelations, cats, literature review, 57:9810
ablations of frontal cortical areas & caudate nuclei & cortical hemispherectomy & dextroamphetamine, impairment & recovery of limb-placing reactions, cats, 57:9786
acetylcholine & atropine, central cortical neurons, chronically morphine-treated rats, 53:9125
acoustic & prefrontal stimulation in superior temporal gyrus & ipsilateral prefrontal cortex, single unit recordings in prefrontal cortex & nucleus medialis dorsalis, monkeys, 57:12338
ACTH injections in ventricular system vs neostriatum vs substantia nigra, dopamine component in excessive grooming behavior, rats, 58:3040
acute & chronic single doses of LSD-25, performance on increasingly difficult visual discrimination trials following frontal cortex lesion, rats, 58:609
acute lesions in area 17 of cerebral cortex, visual receptive field properties of cells in area 18, cats, 54:11184
age & stimulus modality, response properties neurons in posterior association cortex, kittens, 56:3553
alimentary self-reinforcement, inhibition of striate area of cerebral cortex, cats, 55:9139
alpha activity in 2 cortical hemispheres during learning & overlearning of verbal & visuospatial task, 18–30 yr olds, 55:11616
amantadine vs dopamine & amphetamine, single cells in cerebral cortex & caudate nucleus, male rats, 55:470
amitriptyline following olfactory bulb ablation, avoidance learning & cortical norepinephrine, male rats, 57:628
amnesia-inducing electroconvulsive shock, cortical hypothermia, rats, 53:9002
amplitude of oxygen pressure in cerebellum & cortex, sleep-waking cycle, rats, 58:7006
amygdaloid & dorsal hippocampal & anterior cortical & olfactory bulb & anterodorsal caudate nucleus & septal lesions, rearing behavior, male rats, 57:7737
amylobarbitone vs desipramine vs diphenylhydantoin vs chlorpromazine vs pyridlisatogen, output of adenine derivatives from superfused brain tissues, guinea pigs, 56:2068
analysis of circulation of neuronal impulses & cortical waves, freely moving & immobilized cats, 57:9735
anesthetisation of sulcal prefrontal cortex, flinch & jump responses to aversive footshock, rats, 56:5644
anisomycin, interaction with cholinergic system by inhibition of acetycholinesterase in human corpus striation & bovine erythrocytes, 57:841
anodal polarization of cerebral cortex, classical conditioning & visual evoked potentials, rats, 56:9496
anteromedial ablations, DRL performance, male rats, 55:2058
apomorphine dosages, prefrontal cortex & neostriatum self stimulation, male rats, 57:9864
appearance of ocular dominance cortical stripes when transposed into visual fields, monkeys, 58:2828
application of serotonin & adrenalin & acetylcholine & eserine to hypothalamus, cortical activity, cats, 53:8986
atropine vs physostigmine, spontaneous behavior & cortical or hippocampal EEG, rats, 57:5338
avoidance conditioning & pseudoconditioning, RNA metabolism of hippocampus & neocortex, rats, 53:2494
behavioral avoidance conditioning & extinction & footshock & light flash & click stimulation, changes in unit response characteristics of cerebral cortex association regions, cats & rabbits, interpretation based on neuronal coding of past behaviorally relevant signal value, 58:7009
bemegride, neuronal activity characteristics of gyrus sigmiodeus posterior & gyrus proreus of cortex, cats, 54:4857
bilateral aspirative removal of frontal cortical areas using 1- vs 2-stage procedures, severity of delayed-response conflict, female monkeys, 53:9019
bilateral cingulate cortex lesions, morphine withdrawal symptoms & dependence, male rats, 56:5628
bilateral cingulum ablation, distal ileum motility during chronic avoidance conditioning, monkeys, 58:9087
bilateral hippocampal vs cortical lesions, single alternation, rats, 55:6501
blood flow in association cortex, patients with organic dementia, 55:7442
brain bisection, independence of cortico-hypothalamic feeding mechanisms, monkeys, 55:9226
brain function & structure & revival of dilemma of Darwin vs Church, discussion of books by J. E. Eccles & R. E. Ornstein & R. L. & R. K. S. Schwitzgebel, 56:5481
caudate nuclei ablation or frontal cortex removal, percentages of wakefulness & sleep stages & spontaneous motor activity & EEG, cats, 58:2967
caudate nuclei or frontal cortex ablations, barpressing & maze learning & passive avoidance acquisition, cats, 58:656
cerebral cortex, human sexual behavior & disorders, implications for research, literature review, 53:1022
cerebral cortex neurons with extra spikes, role in epileptogenic cerebral cortex, 55:305
cerebral cortical lesions at 2.5 vs 15–18 mo of age, sex-dependent behavior, male vs female rhesus monkeys, 53:4630
cerebral frontal & temporal lobectomies & occipital & parietal lobectomies & brain stem lesions, behavior & consciousness, 54:517
cerebral hemidecortication & left-hemisphere superiority, syntax comprehension, 8–28 yr infantile hemiplegics, 55:10104
cerebral neocortex development, rats, literature review, 53:4534
chlorpromazine & benactyzine, primary responses of cerebral cortex & role of reticular formation, cats, 54:4771
cholinesterase inhibition presence vs absence, output per stimulus of acetylcholine from cerebral cortex slices using electrical stimulation, rats, 54:2465
classical & contemporary aspects, formation of motor dominants & significance of driving phenomena, 57:5165
coding of information as fequency of nerve action potentials, brain as information handling device, 56:277
collateral inhibition in sensorimotor cortex, neuronal discharge control, cats & squirrel monkeys, 53:6713
command functions for operations within extrapersonal space, posterior parietal association cortex, monkeys, 54:11091
computerized tomography, assessment of intellectual impairment & degree of cortical atrophy, 62–90 yr old mentally normal patients, 57:13082
contralateral forepaw stimulation, evoked short latency response & involvement of intracortical spread, rats, 54:438
cortex vs cerebellum & conversion of short to long term memory, movement learning, 56:5386
cortical & brain stem projections to spinal cord, American opossums, 56:3552
cortical & collicular spreading depression, optokinetic & reverse postoptokinetic nystagmus, rabbits, 57:9778
cortical ablation vs spreading depression, sensitivity to footshock, male rats, implications for role of cortex in learning, 54:11178
cortical ablations vs brain extirpation & conditioned neurosis, conditioned activity & vegetative processes, baboons, 55:9230
cortical lesions, relearning of light/no light discrimination, monkeys, 53:11135
cortical punctures, surface potential & spreading depression, cats, 57:695
cortical seizure patterns, equipotential maps, rabbits, 53:8882
cortical sources & intracerebral distribution of auditory evoked potentials, male alert rhesus monkeys, 54:8932
cortical spreading depression, habituation & sensitization of acoustic startle response, male rats, 56:9487
corticofrontal connections, monkeys, 58:542
cue location vs direction of response, prefrontal unit activity, monkeys, 56:7398
cytidine diphosphate choline administration into lateral ventricle & intrathecal space & on cerebral cortex & peripheral nerve, nervous system, cats, 53:4661
depletion of cortical & hippocampal noradrenaline by 6-hydroxydopamine, acquisition & extinction of runway response & leverpressing & successive light-dark discrimination task, rats, 58:3008
desipramine, cortex slices incubated with 3-H-dopamine, male rats, 53:2536
development & performance of cortically reinforced CR, changes in cortical excitability, cats, 55:6472
dextro- vs levoamphetamine & food deprivation & current intensity, self stimulation of lateral hypothalamus vs substantia nigra vs medial frontal cortex, rats, 55:11688
dextroamphetamine tartrate, noradrenaline-stimulated cyclic adenosine monophosphate accumulation in brain slices, male mice, 56:5685
diazepam & clomipramine & chlorpromazine, cerebral metabolism & blood flow & EEG, dogs, 55:6626

different activation levels in brain, theta rhythm in neocortex & hippocampus following sound stimulation, rabbits, 57:5145
differential avoidance conditioning & reversal, multiple-unit activity in cingulate cortex & anteroventral thalamus, rabbits, 58:8986
differential conditioning, reversal of behavioral avoidance response, neuronal activity of anterior cingulate cortex, rabbits, 58:8987
dimethylaminoethanol & acetylcholine, cerebral cortical neurons, rats, 57:759
direct electrical stimulation of neocortex & caudate nucleus, conditioned motor reflexes, dogs, 55:9215
dopamine & norepinephrine, use of microiontophoretic techniques to determine prefrontal cortex cell sensitivity, rats, 57:12370
dorsolateral frontal cortex lesions, social behavior, male & female stump tailed macaques, 55:6513
drowsiness & sleep stages, electrical events in isolated cortex, cats, 58:11128
drugs activating or blocking dopamine receptors or increasing release of endogenous dopamine, spontaneous firing rate of neurons from dopaminergic input in prefrontal cortex, male rats, 57:7810
early epigenesis of cortical evoked responses in neocortex, sheep fetuses, 53:4555
early exposure to halothane, learning deficits in shock-motivated light–dark discrimination & food-motivated maze pattern & enduring synaptic membrane malformation in cerebral cortex, rats, 53:621
EEG arousal, cortical potassium, unrestrained cats, 58:6996
EEG frequency, differences between simultaneous cortex & scalp recordings, 54:458
electrical stimulation of lateral aspect of prefrontal cortex, biting attack behavior, cats, 55:4052
electrical stimulation of posterior orbital cortex, plasma cortisol levels, conscious monkeys, 55:2030
electrical stimulation of speech cortex during neurosurgical treatment, mapping cerebral zones supporting language & recent memory, epileptic patients, 54:2498
electrical tooth pulp stimulation, cerebral responses, adult volunteers, 55:382
electroconvulsive shock, tardive seizures elicited from amygdala & septum & sensorimotor cortex, rats, 55:2025
electrolytic or 6-hydroxydopamine lesions of locus coeruleus & dorsal tegmental noradrenergic projection, maze learning, male rats, 56:1991
electrophoretic application of ethyl alcohol in brain neurons, neuronal sensitivity in lateral hypothalamus & zona incerta & thalamus & cerebral cortex, female rats, 54:11217
electrophysiological analysis, cortex-tectal connections, turtles, 55:11620
electrophysiological analysis, projection from contralateral entorhinal cortex to dentate gyrus, male rats, 57:5275
emotional behavior & personality changes, cognitive reduction & regional cerebral blood flow, presenile dementia patients, 55:10114
entorhinal cortex lesions, time course of reinnervation of dentate gyrus synapses, rats, 57:5285
epileptogenic implants in anteromedial temporal cortex, learning & retention of visual & somesthetic discriminations & delayed alternation, monkeys, 57:654
excessive currents used for intracortical microstimulation, noxious effects, cats, 55:9199
firing patterns of normal & epileptic cells of chronic epileptogenic alumina foci in precentral cortex, rhesus monkeys, 55:4030
fluorescence histochemical study, dopaminergic innervation of prefrontal cortex, male rats, 56:7374
formation of precision movements, bioelectrical processes in cerebral cortex & antagonist muscles, dogs, 53:8870
frontal & posterior association cortex lesions, Maze III learning retention, male rats, replication & extension of K. S. Lashley's law of equipotentiality, 55:6524
frontal ablations, visual discrimination, rats, 53:6784
frontal cortex lesions, sensitivity to apomorphine vs clonidine, female rats, 57:680
frontal cortex lesions, shock avoidance & spatial alternation tasks, male old-age rats, 56:9523
frontal polar cortical lesions & cycloheximide, ethanol tolerance, male rats, 57:644
frontal pole vs anterior median cortex vs caudate nucleus lesions, activity & spatial reversal & delayed response learning, male rats, 53:6779
functional organization of hemispheres with brain stem & each other, monkeys & humans, 54:426
habituation of orienting & motor responses elicited by stimulation of cortex, cats, 56:347
hemidecortication, avoidance & brightness discrimination & reversal learning tasks, rats, 58:9092
hemidecortication or neodecortication, acquisition of Pavlovian conditioned responses of nictitating membrane, rabbits, 58:7060
hemispheric & regional cerebral blood flow values & correlation with neuropsychological test scores, aphasic patients, 58:3643
hemispheric disconnection, cerebral function, book, 54:539
hippocampal self stimulation during simultaneous stimulation of positive & negative emotional centers in cortex, rats, 55:9208
hippocampal vs neocortical lesions, open field locomotor activity & plasma corticosterone levels, male rats, 56:5615
hippocampus vs cortical lesions, inhibitory control of attention, rats, 55:9228
histological evaluation, progressive dendritic changes in cortex, 58–96 yr olds, 54:6869
hypothalamus vs septal rewarding area vs cortex electrical stimulation, duration variability of barpressing response, rats, 53:4678
idiopathic orthostatic hypotension, measurement of regional cerebral blood flow by gamma camera & stochastic method, 56:925
induced temporary circulatory arrest, electron microscope evaluations of ultrastructural changes in neurons & astroglial & oligodendroglial & capillary endothelial & ischemic Purkinje cells, cats, 57:9784
intrastriatal 6-hydroxydopamine, hypothalamic self stimulation & locomotor activity & sexual receptivity & food intake changes, rats, 58:2992
left vs right hemispheric cortical lesions, modalities of apraxia & visuoconstructive functions, right-handed patients, 53:9926
lesions of entorhinal cortex, magnitude & time course of degeneration of synapses of dentate gyrus, rats, 57:5284
lesions of frontal cortex vs superior colliculus, visual learning deficits, cats, 54:9123
lesions of large mystacial vibrissa follicles on 1st vs 5th postnatal day, development of central neural organization, mice, 55:407
lesions of medial frontal vs orbital frontal projection fields of prefrontal cortex, regulation of food & water intake, male rats, 54:542
lesions of occipital cortex, subsequent anterograde degeneration, monkeys, 53:11113
lesions of prefrontal cortex & caudate nucleus, time discrimination task, cats, 56:1992
lesions of prefrontal system, tactile-visual cross modal matching, monkeys, 56:3673
levodopa doses, average evoked potentials to light flashes in visual & association & cerebellar vermal cortices, cats, 57:9845
limbic system, interface between cerebral isocortex & thalamus, 53:4557
lithium carbonate, locomotor activity & plasma & red blood cells & cortex concentrations, male inbred mice, 58:716
localization of 3,4-dihydroxyphenylacetic acid & homovanillic acid in cortical areas of brain & changes of metabolite levels after drug treatments, rats, 57:5415
long-term electrical brain stimulation, morphological changes in pyramidal cells of neocortex, adult cats, 53:578
mapping parts of frontal dorsolateral cortex & frontal poles for sites where electrical stimulation will suppress barpress response for food, male rats, 57:7727
medial prefrontal cortex lesions, fiber degeneration routing to hippocampus, monkeys, implications for learning & memory, 56:9514
medial thalamic lesions, morphine tolerance as reflected in caudate nucleus & medial thalamus & cortex EEG, rats, 53:584
medial vs sulcal prefrontal cortex stimulation during passive avoidance learning, retention, male rats, 56:344
meridional differences in orientation sensitivity as reflected in properties of striate cortex neurons, monkeys, 56:5480
mesencephalic reticular formation &/or frontal cortex lesions, acquisition & extinction of classically conditioned nictitating membrane response & photically evoked potentials in visual cortex, rabbits, 57:2706
modified ECS therapy, cerebral blood flow, psychotic patients, 57:10653
morphine, acetylcholine output from cerebral cortex, male rats with septal lesions, 55:9192
morphine, medial frontal cortex & hypothalamic self stimulation, male rats, 58:11306
morphine, potassium-induced change in level of reduced pyridine nucleotides & cytochromes in brain slices, rats, 57:720
morphological changes in cerebral cortex & hippocampus & diencephalon & hemispheric dominance, rats, 54:6852
motor disorders, patients with right vs left hemisphere focal cerebral lesions, 54:3512
multiunit activity of subcortical structures during drowsiness & sleep, parkinsonian patients & patients with myoclonic epilepsy, 57:12259
narcotic analgesic, decreased synthesis & inhibition of release of acetylcholine from cerebral cortex, literature review, 56:2055
neocortical & dorsal hippocampal biopotentials, internal inhibition, rabbits, 55:9099
neocortical projection regions & measurements of brain subdivisions, capybaras vs guinea pigs, 58:2821
neocortical stimulation, single unit recording of amygdaloid neurons, cats, 57:669
neocortical vs cerebellar vs limbic forebrain lesions, card displacement response, male rats, 57:9817
neodecortication, Pavlovian discrimination learning using nictitating membrane response, rabbits, 55:11741
nicotine, stimulus properties & evidence for cortical locus, male rats, 55:4154
norepinephrine & dopamine concentrations in cerebral cortex, male humans & rats & cats & monkeys, 53:10991
number of cells in trace in cortex model, redundant connections & loops in neural nets, 57:2634
olfactory bulb removal, axonal patterns in olfactory cortex, newborn rats, 54:6978
ontogenics of hemispheric functional specialization, acquired aphasia, children with cortical lesions at ages 3–15 yrs, 56:2532
operant responding, cortical acetylcholine release, rabbits, 54:2442
orbital & medial frontal cortex lesions, species-typical behavioral patterns, rats, support for rodent homologue of frontal granular cortex of primates, 55:9232
paleocortical & subcortical & anterior neocortical electrical stimulation, electrographic & motor seizures, rats, 54:552
partial prefrontal leisons, go–no go avoidance reflex differentiation & reversal learning, dogs, 57:684
penicillin injection into right sensorimotor cortex, regional cerebral blood flow during focal epileptiform seizures, monkeys, 54:2518
penicillin-induced cerebral cortical epileptiform discharge, cerebellar response, cats, 53:2562
pentobarbital, cortical epileptogenic focus, paralyzed male rats, 57:9855
pentobarbital pellet implantation & ip injection, brain protein synthesis in subcellular fractions of cortex & subcortex, male rats, 57:5332
perinatal changes in cortical potential & primary evoked responses in cortex, neural development, precocial mammals, 53:4562
phenothiazine neuroleptic drugs & tricyclic antidepressants, phosphodiesterase activity in cerebral cortex, rats, 53:2646
photic or tonic stimulation vs bilateral lesions of cerebral cortex, flurothyl-induced seizures, male rats, 53:4604
planimetric volumetry of cerebral hemispheres, normals vs Parkinson's syndrome vs Pick's disease cases, 57:3716
posterior cortical ablations, direct vs reversal crossmodal transfer, rats, 57:9821
posterior extramarginal cortex ablations, visual learning, cats, 53:4636
posterior neocortex lesion, cross-modal transfer of rate discrimination, bushbabies, 56:5630
posterior neocortex lesions, light aversion behavior in 2-choice brightness card discrimination task, female rats, 57:699
prefrontal cortex ablations, manipulation go left-go right differentiation to acoustic directional cues, dogs, 56:9524
prefrontal lesions, dissociation of deficits on previously learned auditory Pavlovian differentiation vs positive tasks, monkeys, 57:688
prefrontal neocortex, delayed alternation behavior, primitive primates vs primitive eutherian mammals, 57:7597
prenatal porcine growth hormone, cortical neuron number & learning ability, offspring of female rats, 53:9106
preparation of chronic intracerebral cannula from disposable regular & dental needles, 55:3469
prestriate & striate cortex lesions, object location & discrimination & retrieval, adolescent monkeys, 54:2502
primate frontal cortex & organization of central brain states, review of recent research trends, 57:579
production of torsional rotation of right eye & suturing closed of left eye & craniotomy, directional selectivity in cortical neurons with stimulation of inverted eye, cats, 58:2969
psychic factors & cerebral cortex & limbic systems & hypothalamus, puberty & ovulation & menstrual cycle & genital functions, human females, 56:7380
radioactive proline injections & lesions of posterior cingulate & presubicular cortex, retrograde perikaryal changes in lateralis dorsalis & anteroventral nucleus, rats, 55:2044
range of neuronal firing frequency of single cortical neurons, operant conditioning of firing rate, monkeys, 58:8999
reduced sleep time, ponto-geniculate-occipital spikes during & shortly preceding REM sleep, cats, 53:8883
relationship of cerebral centers to sensorimotor functions of face, neurobiological correlates of basic behavior types, 55:11623
removal of normal eye after critical period in monocular deprivation, responsiveness of striate cortex cells, kittens, 56:5570
repeated presentation of series of sensory stimuli, neuronal activity in cingulate cortex, rabbits, 55:9140
reversal of conditioned reactions, comparative analysis of electrical activity of cortex and subcortical formations, rabbits, 54:8969
reversible cooling blockade of thalamic area, evoked potentials to ipsi & contra paw stimulation & visual-somatic evoked potentials in postcruciate cortex, cats, 55:11698
rheoencephalography, cerebral circulation during NREM sleep, psychiatric patients vs healthy Ss, 54:11105
self administration of dextroamphetamine, food intake & locomotor activity & incorporation of labeled leucine into cerebral cortex proteins, rats, 56:2049
serial vs single state bilateral removal of sectors of posterior association cortex, visual discrimination performance, monkeys, 57:7748
sexual behavior, hippocampal & cortical activity, female rats, 54:4640
spatial reversal learning task & contingent reward, single-unit neural activity in association cortex, cats, 56:7397
spectrum-correlation analysis, alert vs awake vs somnolent patterns in neocortex spontaneous electric activity, dogs, 57:5128
spiroperidol, self stimulation of orbitofrontal cortex & hypothalamus & locus coeruleus, monkeys, 57:789
spreading depression in cortex & striatum & hippocampus, Pavlovian conditioning of eating, male rats, 55:6634
stable & plastic unit discharge patterns in thalamus & cortex during behavior generalization to same neutral stimulus, cats, 58:8997
stable single cell recording from pulsating human cortex, apparatus, 55:5884
stereopsis, normal vs Siamese cats vs cats raised with alternating monocular occluders, support for disparity sensitive cells in striate cortex as neural substrate for stereopsis, 58:11135
stimulation of different cerebellar nuclei as CS, electrophysiological analysis of conditioned reflexes, cats, 54:529
stimulation of lateral vs medial septum vs cingulate cortex, suppression of bilateral ventromedial hypothalamic lesion-induced reactivity & aggressiveness, male rats, 58:9040
stimulation of thalamic nuclei & homotopic points in contralateral cortex & mesencephalic reticular formation, synaptic inputs of parietal associative cortex, cats, 55:4042
striate cortex lesions & forebrain commissure sections, visual response of neurons in inferotemporal cortex, monkeys, 56:9499
striate cortex lesions, simultaneous discrimination between lines of vertical vs non-vertical orientation, rats, 58:645
striate cortex vs superior colliculus lesions, detection of visual stimuli & accuracy of saccadic eye movements, monkeys, 58:2960
striatectomy vs colliculectomy, achromatic thresholds, monkeys, 56:363
subtotal neocortical ablations, differential instrumental learning, rats, 54:6954
superior colliculus vs cortical ablations, acquisition of form discriminations & role of localization & memory deficits, cats, 58:662
synthetic enkephalin, firing rates of neurons in cerebral cortex, naive vs morphine tolerant/dependent rats, 57:5421
temporal cortex ablation, time interval count in alimentary conditioning, dogs, 55:2053
thermoelectric probe, focal cortical hypothermia, small animals, 56:3200
time course for development of supersensitivity to topical acetylcholine in partially isolated cortex, monkeys, 54:527
tongue usage, use as measure of cerebral cortical localization, male rats, 54:4631
trace processes, EEG & unit activity of neuronally isolated cerebral cortex of 1 hemisphere, cats, 57:575
transcortical polarizing current, electrophysical & behavioral effects compared with those in learning, rats, 56:1979
transmitter substances & enzymes, storage of information in human cortex & basal ganglions, 53:2489
tricyclic antidepressants, labeled dopamine uptake into striatal & mesolimbic cortical area synaptosomes, male rats, 58:7089
tritiated leucine & proline injections into dorsal bank of principal sulcus, autoradiographic demonstration of projection from prefrontal association cortex to superior colliculus, rhesus monkeys, 57:5241
unilateral anterior cortical lesions in infancy, preference for paw contralateral to intact hemisphere, rats, 54:569
unilateral cortical & collicular lesions, monocular relearning of dark–light discrimination, cats, 54:9124
unilateral cortical lesions in medial-anterior vs lateral-anterior vs posterior cortex, deficit in pattern discrimination & sensitivity of "interocularly conflicting discrimination" baseline for detecting lesions, male rats, 55:6506
unilateral stimulation of left prefrontal cortex during 1st vs final 2 sec of delay period, lateralization of response during delayed-response performance, monkeys, 57:7724
unit activity in posterior association cortex, cats, 54:11094
uptake & metabolism of delta-9-tetrahydrocannabinol in choroid plexus & brain cortex in vitro & in vivo, rabbits, 56:5635
uptake inhibitors, potassium-induced taurine vs gamma-aminobutyric release from synaptosomal fractions of cerebral cortex, rats, 57:7825
visual & auditory & tactile stimuli, response characteristics of single cells in frontal cortex, monkeys, 55:11628
visual & somatic & auditory stimuli, interactions of evoked responses in polysensory areas of cortex, cats, 53:4561
visual capacity & experience & cortical development, review, 56:1913
visual discrimination task performance, relationship between electrical activity in cortical & subcortical areas, female cats, 58:8992
visual field eccentricity, receptive-field properties of neurons in striate cortex, cats, 56:5503
water deprivation & potassium chloride applied to cortex after access to saccharin, EEG verification of cortical spreading depression-induced aversion to saccharin, rats, 58:4978

Cerebral Dominance [See Also Lateral Dominance]

administration & scoring & reliability & validity data, Torque Test for measurement of cerebral dominance, 57:11785
age & horizontal linear arrays, right-to-left vs left-to-right visual scanning & hemispheric asymmetry, 3–7 yr olds, 54:9326
age & IQ & monaural vs dichotic & reticular formation & auditory stimulation & hemispheric dominance considerations, selection of sensitized verbal tests for deafness diagnosis, 54:6647
age & left vs right half-field presentation of letters, discrimination capacity, 8 & 9 yr olds vs adults, 58:11479
age & sex & laterality & cerebral dominance, motor coordination development, 5–11 yr olds, 54:793
age & stimulus presentation to 1 or both hemispheres, physical-name matching & simple discrimination RT task performance, 20–26 vs 34–44 vs 55–67 yr olds, 57:992
age, degree of laterality in motor strength & speed & psychomotor problem solving, 5–15 yr olds, implications for development of interhemispheric transfer of learning, 58:5135
age trends, demand for certainty & cerebral dominance, 7–13 yr olds, 57:5490
alcohol & task, hemispheric asymmetry of visually evoked potentials, graduate students, 54:7046
alcohol & task modality, hemispheric functional asymmetry in sensory or cognitive functions & inhibitory motor control, human Ss, 57:12427
alcohol, left vs right hemispheric functioning measured by visual search task, 58:2981
alpha asymmetry over right & left hemispheres preceding massed oral readings, male stutterers vs nonstutterers, 58:9755
analysis of speech perception, 37 yr old male patient with word deafness, implications for mechanism of word deafness, 56:907
analytical perceptual task performance, consistency of lateral eye shift, 4.5–6 yr olds, implications for role of field dependence & incomplete cerebral dominance, 58:6759
anatomical asymmetry of cerebral hemispheres of brain, cats, 54:11100
aphasias as levels in normal language destructuring & correspondence to anatomo-physiological systems, application to aphasic typology & development of lateralization, 57:8505
apparent size of stimuli presented to dominant vs nondominant eye, right- & left-eyed Ss, 56:3333
appearance & function matches of tachistoscopically presented stimuli with free vision pictures, hemispheric function, split-brain patients, 57:8539

artefact influences, brain potentials preceding speech & phonation, 54:8942
associative & nonassociative stimuli & interstimulus delay & emphasis & number of items, visual sequential recall, aphasic vs nonaphasic unilaterally brain damaged adults vs normal adults, 57:3741
asymmetrical encoding of problem between hemispheres, inconsistent problem solving responses, college students, 54:4575
asymmetry on dichotic listening procedure, cross-modal correlations with visual half-field test, right-handed college students with vs without family history of left-handedness, 53:178
attention & relative stimulus intensity & lateralization in cerebral hemispheric processing of verbal & nonverbal material, 55:8698
auditory evoked responses to verbal & nonverbal stimuli, lateralization of language function, infants vs children vs adults, 55:4265
auditory specialization in right & left hemispheres, 54:444
auditory stimulation in left vs right vs both ears, evoked potentials & hemispheric amplitude asymmetries, students, 55:1961
auditory vocabulary of right hemisphere, 13–39 yr old hemispherectomy & commissurotomy patients, 58:5730
average evoked potentials to line drawings for left & right hemispheres, 9–13 yr old normals vs congenitally deaf Ss, 57:3712
averaged visually evoked potential, information processing & cerebral lateralization of function, 55:9131
biased electrode configurations & innate hemispheric dominance & overtraining with contralateral hand, prefrontal cortical slow potential shifts during delayed response performance, monkeys, 56:7387
bilateral asymmetry of bioelectrical skin reactivity, 24–46 yr old schizophrenics vs normals, 56:8148
bilateral intracranial arteriogram evaluation, right & left handed patients, 54:2400
bilateral letter presentation & partial report, recall of letters in right visual field, right handed adults, 55:8709
bilateral neural involvement in spatial processing, proposed interference with left hemisphere processing of specialized functions & resultant deficiency in linguistic sequential cognitive processing, 6–14 yr old right handed males with developmental dyslexia, 58:4790
bilateral tachistoscopic presentation of visual half field stimuli, visual half field asymmetry, college students & university employees, 55:8699
bilateral tachistoscopic procedures, visual half-field preferences, 19–27 yr old stutterers vs normal controls, 56:10163
bilateral vs unilateral tachistoscopic presentation & required direction of report order & position of fixation, recognition in left vs right visual field, college students, 56:7124
brain's organization & dominance & disorders, control & regulation of human behavior, book, 53:6708
burst cues & transition cues, hemispheric specialization with real speech sounds, college students, 54:10873
categorical perception in nonlinguistic mode, uniqueness of speech analyzing mechanism & relationship to left hemisphere dominance, 53:6531
central-moments technique of EEG period analysis, analysis of left/right hemispheric derivations from homologous areas in verbal & nonverbal tasks, right handed 5–11 yr old males, 57:9737
cerebral asymmetry dimension, limb & ocular preference measures, dextrals & nonfamilial & familial sinistrals, 53:6710
cerebral dominance & consciousness development, discussion of R. W. Sperry's studies, 57:2632
cerebral dominance & reading habits, errors in questions relating to left-right orientation, right handed Israeli & non-Israeli high school & college students, 56:1681
cerebral dominance & sensory integration skills & dichotic listening task performance, good vs poor readers vs reading disabled kindergartners vs 2nd vs 4th graders, 58:1406
cerebral dominance function disorders, reading & writing achievement, learning disabled children, 58:9728
cerebral dominance genotype, lateral specialization & spatial-perceptual ability, 56:5489
cerebral dominance, handedness & speech development, 55:3973
cerebral dominance in visual perception, annotated bibliography, 56:1720
cerebral dominance, language vs nonlanguage auditory perception, normal-hearing Japanese & Indo-Europeans vs aphasics, 54:5654
cerebral dominance patterns & hearing losses, adult stutterers, 53:9915
cerebral dominance, time sharing between speaking & finger tapping, kindergartners, 57:876
cerebral dominance, visual discrimination, split-brain monkeys, 53:559
cerebral hemidecortication & left-hemisphere superiority, syntax comprehension, 8–28 yr infantile hemiplegics, 55:10104
cerebral hemispheres' function, controlled replication of learning curves, split-brain cats, 54:9105
cerebral hemispheric lateralization, concurrent verbal & unimanual performance, right handed Ss, 55:9104
cerebral interhemispheric relations, analyses of preparatory cortical activity during right & left hand movement, 57:9733
cerebral laterality & visual & tactile interference, memory for abstract vs concrete words, right vs left handed college students, support for dual systems memory approach, 57:7493
cerebral lateralization, separate modes of consciousness, 54:2391
cerebral lateralization, sex differences in cognitive skills in motor & spatial & linguistic areas, 57:7384
cerebral lateralization/manual-praxis measures, left hemispheric perceptual asymmetry for nonverbal rhythms, right handed college students, 58:4734
cerebral localization of central processing in ESP & psi syndrome, 55:5861
cerebrally lateralized visual input of concrete vs abstract words & imagery strategy, information coding, 58:10955
chlorpromazine & subsequent placebo & drug reinstatement, evidence for lateralized temporal-limbic dysfunction in auditory & electrodermal responses & WAIS performance, 35–57 yr old chronic schizophrenics, 57:1686
cognitive mode or cerebral dominance, counseling practicum success, college students, 58:10125
cognitive skills & style as measured by specialized brain hemisphere processing abilities, learning disabled vs normal male 7–12 yr olds, 57:8490
cognitive strategy manipulation utilizing name vs shape instructions, hemispheric dominance in letter memory performance, 57:12056
cognitive style & affect communication, left vs right temporal lobe epileptic young adults, 58:3645
cognitive style, analysis of EEG activity during verbal & gestalt & analytic perceptual tasks, normal Ss, implications for hemispheric differentiation, 58:7005
color specific adaptation effects on visual persistence & orientation & spatial frequency tuning functions for left & right cortical hemisphere, 57:2319
colored & grey stimuli presented to left & right visual fields, perception of lightness, right- vs left-handed college students, 53:10825
commissurotomy & hemispherectomy, linguistic competence & related functions in right cerebral hemisphere, patients, 55:7708
commissurotomy, cognition of figural transformation, 20–48 yr olds, 57:8535
comparison of studies of dysphasia in right & left handers, origins of hand preferences & implications for distribution of cerebral speech in handedness groups, 57:1458
concurrent verbal memory loads, recognition of stimuli from left & right visual fields, college students, 57:175
conflicting command dichotic listening task performance, development of interhemispheric transfer of information, male vs female 3 vs 4 vs 5 yr olds, 58:11445
conjugate lateral eye movement, verbal vs spatial ability performance, right handed college students, 57:11840
consciousness level, right- vs left-brain-damaged patients, 56:6241
contralateral & ipsilateral tactile–perceptual difficulty & overall performance, patients with lateralized brain lesions, 53:1525
contralateral vs ipsilateral acoustic stimulation, cortical single units, unanesthetized chinchillas, 56:259
cortical activity of dominant hemisphere, short term memory trace formation, rabbits, 55:9116
crossed aphasia in illiterate dextral following right cerebral infarction, female right-handed 83 yr old, 56:952
cued vs uncued stimuli presented to right vs left visual fields, hemispheric asymmetry, college students, 55:6029
cumulative & arithmetic & repetitive tasks to potentiate expectancy, contingent negative variation, left- vs right-handed medical students, 53:2439
development of morphological asymmetry of frontal operculum & temporal planum, cerebral speech dominance, adult & infant brains, 54:2415
development of right hemispheric specialization, spatial processing, 6–13 yr old boys vs girls, 56:9709
developmental changes, dichotic right ear advantage & language laterality, 54:4624
dichotic listening of digits & visual half-field presentation of Arabic numerals & digits written as words, 5th–7th grade good- & poor readers, 53:11970
dichotic listening paradigm, dominance of left vs right hemisphere during simultaneous processing of verbal & musical stimuli, music students, 58:10917
dichotic listening task, cerebral speech lateralization, 3–5 yr olds, 53:11016
dichotic listening task performance as measure of incomplete cerebral lateralization or reversed lateralization of speed function or both, rightsided stutterers vs nonstutterers, 56:4302
dichotic listening task performance, partial & complete split brain male Ss, 54:12148
dichotic presentation of verbal sounds vs nonlanguage sounds, left vs right ear sound recognition, female college students, 57:7365
dichotic word & sentence listening tests, cerebral auditory laterality & language proficiency, Montessori school vs Model Cities vs language &/or speech impaired 3–6 yr olds, 56:9678
dichotomous stimulation with nonsense shapes vs letters, hemispheric specialization for linguistic & nonlinguistic tactile perception, 8–16 yr old right-handed boys, 53:10794
differential classical eyelid conditioning & RT performance, right vs left cerebral hemisphere information processing, 57:11978
differential use of brain hemispheres & cross cultural differences in cognition, comment on J. A. Paredes & M. J. Hepburn's article, 58:300
diotic delayed & undelayed auditory feedback to left or right ear, role of cerebral hemispheric asymmetry in speech disruption, normal hearing Ss, 58:4931
direction of gaze as index of cerebral lateralization of cognitive function, literature review, 53:282
divided visual field test, cerebral dominance for process of arithmetic calculation, 9–11 yr old right handed boys, 58:10953
dominant eye, definition & ocular dominance patterns & generalized laterality & perceptual processing & basic mechanism, literature review, 57:7351
dominant vs nondominant hemispherectomy, 54:559
dominant vs nondominant lobectomy vs implantation of depth electrodes, speech & memory, psychomotor epileptics, 56:912
double brain & mind-brain relationship & psychophysiology, 57:5122
EEG & evoked potential asymmetry, index of hemispheric specialization of cognitive processes, right-handed Ss, 53:11007
EEG analysis, visual attention, split-brain monkeys, 56:5631
EEG parietal symmetry/asymmetry training using pattern biofeedback, cognitive concomitants, right handed Ss, 57:12301
emotional disturbance reactions, right vs left brain damaged patients with unilateral lesions, 58:5672
environmental pressures, imbalance in integration of complementary cognitive modes of 2 cerebral hemispheres, 56:7174
errors in halving a horizontal line binocularly, right vs left hemisphere damaged patients with cerebral focal lesions with vs without visual field defects vs right vs left handed normals, 58:5658
experimental validation & personality correlates, conjugate lateral eye movements during problem solving as index of contralateral hemispheric activation, right handed males, 56:7392
experimenter location, cerebral activation measured by eye movements during problem-solving, right- & left-handed male college students, 53:11011
exploration of space with hand & with vs without visual control, visual dependency of unilateral spatial neglect, right handed patients with unilateral brain lesions, 58:5662
exposure duration, matching of abstract shapes across cerebral hemispheres, right-handed & non-right-handed college students, 54:11067
eye dominance & preferred handedness, monocular perception in tachistoscopic word recognition, 53:8695
facing questioner vs questioner sitting behind Ss & solving spatial vs verbal problems, conjugate lateral eye movements as index of hemispheric activation, right handed male college students, 55:2310
familial left handedness, EEG asymmetry during self generated cognitive & affective tasks & biofeedback training, male vs female college students, 56:5535
family history of handedness, language lateralization measured by recognition of meaningful vs meaningless trigrams & vowel vs consonant strings presented to right vs left visual field, college students, 58:2585
filtering, phonemic perception, Ss with right vs left vs damaged vs intact cerebral hemispheres, 57:6184
focal hemisphere, visuoperceptual categorization, patients with unilateral brain damage, 55:10091
forced practice & functional depression of hemisphere contralateral to preferred paw, subsequent paw preference shifts, male rats with vs without sections of corpus callosum, 53:8957
frequency analysis, hemispheric EEG asymmetries during cognitive task performance, right-handed adults, 53:2443
frequency of pure tones &/vs congruent &/vs noncongruent words, hemispheric differences in Stroop effect in pitch discrimination, right-handed students, 53:10799
functional & morphological analysis, cerebral hemispheres, 53:2434
functional asymmetry of great hemispheres & differential psychophysiology, literature review, 58:4929
functional localization model of cerebral organization of language, reply to O. Selnes' criticism of evidence comparing neurologically intact with split-brain patients & case reports, 57:7656
functional localization model of cerebral organization of language, criticism of M. Moscovitch's evidence comparing neurologically intact with split-brain patients & case reports, 57:7662
functional organization of hemispheres with brain stem & each other, monkeys & humans, 54:426
fundamental frequency information, left vs right hemisphere components of auditory memory & temporal characteristics, college students, 58:4766
genetic & behavioral & neuropsychological analysis, relationship between lateral preference & hemisphere lateralization & reading, 56:3550
habitual response suppression in verbal categorical behavior, patients with circumscribed cerebral lesions, 53:3513
habituation of cardiac responses to dichotic speech syllables vs music notes, differential recovery to novel stimulus presented to left vs right ear as measure of cerebral asymmetries, 3 mo olds, 58:5141
handedness & eyedness & speech lateralization, visual perceptual asymmetry, 53:6535
handedness & hand posture during writing, cerebral lateralization, 57:5149
handedness & hemisphere localization, perceptual skills of right hemisphere, 55:8724
handedness & sex & familial history of sinistrality, hemispheric asymmetry in dichotic listening task, college students, review of clinical literature, 56:125
hemidecortication for infantile hemiplegia, patterns of hemispheric specialization, 54:1755
hemisphere & ear asymmetry in auditory evoked response to musical chord stimuli, college students, 57:585
hemisphere differences, response time to simple auditory stimuli, right & left handed male college students, 54:2388
hemispherectomy or callosal section, competitive & cooperative interactions between hemispheres, 54:540
hemispheric asymmetries in human infants, spectral analysis of flash & click evoked potentials, 2–10 wk old infants, 58:5131
hemispheric asymmetry, drug sensitivity & efficacy, therapeutic considerations, 57:12404
hemispheric asymmetry of manual reaction times in dichotic verbal discrimination task, 53:10862
hemispheric asymmetry, tactile forgetting induced by tactually-guided movement, 58:8714
hemispheric asymmetry, visual processing of linguistic items, 55:9117
hemispheric differences in processing visual patterns, analysis & test of verbal-visuospatial & serial-parallel & analytic-holistic distinctions, students, 57:11838
hemispheric differences in synapses of visual cortex, ocular dominance, rabbits, 58:11148
hemispheric dominance & lateral eye movement preference, dichotic listening task performance, college students, 56:9139
hemispheric dominance, time estimation, college students, 54:6874
hemispheric function, parallel-serial processing for geometric shapes & sets of letters, right-handed Ss, 54:10936
hemispheric laterality of brain lesion & auditory vs visual stimulus presentations, attention span for verbal material, patients, 58:9774
hemispheric lateralization for speech, adult right handed moderate-to-severe stutterers, 55:10083
hemispheric specialization & bilateral integration of cognitive processes, paranoid vs nonparanoid schizophrenics vs nonpsychotic psychiatric inpatients, 58:3518
hemispheric specialization for speech perception, white & black 6 yr olds from low & middle socioeconomic classes, 54:4518
hemispheric specialization for speech production & speech perception, right- & left-handed 16–41 yr old stutterers, 53:12028
hemispheric specialization, speech-related auditory–sensorimotor integration mechanism, right handed normals vs stutterers, 54:5588
Hirakana letters presented initially to right vs left visual field & stimulus interval, matching judgments, right handed students, 56:9098
hypothesis of cerebral dominance as continuous process, age-dependent forms of aphasia, 53:11941
impact site, cognitive impairment persistence, right-handed males with severe closed head injury, 53:1570
impaired visual & auditory language processing associated with normal hemispheric lateralization & visual responsivity, 11–18 yr old right handed male dyslexics, 57:1464
impulsivity-reflectivity & tendency toward hostile &/or aggressive behavior, right vs left temporal lobe epileptics, 58:11970
individual differences in normal side preferences & locomotor activity & amphetamine-enhanced locomotor activity, mice, implications for striatal asymmetry, 56:5484
intellectual ability & hemispheric cerebral dominance & psychomotor & somatosensory characteristics, 48 yr old female & her 16 & 18 & 20 yr old children with hereditary mirror movements, 58:5716
interhemispheric disconnection, constructional apraxia, split-brain patients & patients with left- or right-sided cerebral lesions, 55:4929
interhemispheric EEG activity during word-word vs picture-picture vs word-picture matching tasks, 46–73 yr old aphasics vs 43–82 yr old normals, 56:8242
intrahemispheric response competition between vocal & unimanual performance, right handed male college students, 54:418
ipsilateral alpha enhancement in EEGs, left-temporal abnormalities, neuropsychiatric patients, 54:7926
ipsilateral vs contralateral fiber systems, monocular acquisition & interocular transfer of horizontal-vertical discrimination task, male guinea pigs with unilateral lesions of striate cortex, 56:9518
language acquisition, 55:6661
language-task assessment using RT, language representation in right hemisphere, right handed college students, 56:1766
lateral cerebral dominance, discrepancy between verbal & performance scores on Wechsler intelligence scales, 55:9107
lateral effects in ESP, 55:5860
lateral preferences & visual & auditory perceptual preferences with verbal & nonverbal stimuli, high school students, 56:9066
lateral stimulus response compatibility effects in oculomotor system, eye movement RT to monaural tones to left vs right ear, right handed 22–39 yr old males, 55:1791
laterality & developmental problems of cognitive & motor functions, review of studies, 56:7601
lateralization & localization for language representation, aphasia in left handers vs anomalous dextrals vs aphasia in childhood, 56:911
lateralization for perception of consonant-vowel syllables, hemispheric specialization for contextual inferences from content altered speech, male vs female college students, implications for communication theory & intuition, 57:7302
lateralization in perception of intonation contours, 54:4514
lateralization of information processing vs response strategy, dichotic task performance, male college students, 58:10918
lateralized colored stimuli, hemispheric hue & saturation sensitivity differences, right handed Ss, 57:2309
lateralized input & dual system of information flow, cerebral hemispheres, 54:2379
lateralized visual presentations in RT paradigm, hemispheric asymmetry function, 6 vs 8 vs 9 vs 10 vs 12 yr olds, 57:7866
left vs right cerebral lesions, scores on Raven's Coloured Progressive Matrices & interest patterns, patients, implications for analysis of ability deficits, 56:914
left vs right frontal vs posterior lesions, cognitive & verbal & nonverbal performance, patients with penetrating missile wounds of brain, 57:3665
left vs right hemisphere vs midline cerebral lesions, psychopathological manifestations, research review, 53:9932
left vs right hemispheric brain damage, MMPI-reflected psychoticism/neuroticism, male patients referred for neuropsychological testing, 57:8408
left vs right hemispheric cortical lesions, modalities of apraxia & visuoconstructive functions, right-handed patients, 53:9926

left vs right hemispheric projection of digit & shape stimuli & test probe, RT in memory scanning task, college students, application of dual processing notion, 57:11964
left vs right sided hemispheric lesions, strength of Mueller-Lyer & Ponzo illusions, right handed Ss, 58:5678
left &/vs right visual field presentation of stimulus contours, contour-contrast effects & asymmetrical cerebral hemispheric processing, 58:253
left vs right visual field presentation of facial photograph or caricature pairs & interstimulus interval & field masking, perceptual asymmetries in recognition RT to pair members, college students, 57:272
left- vs right-sided brain functioning, affective vs thinking disturbance, psychiatric patients, 56:2481
left-hemisphere mechanisms of speech transitions & speech processing, dichotic listening for different phoneme classes, college students, 53:10802
letter vs dot stimuli, vocal RT for detection in left vs right visual field, left vs right handed college students, 54:10914
linear length discrimination & susceptibility to Mueller-Lyer illusion, right vs left brain-damaged patients, 53:11980
linear vs nonlinear stimulation in spatial & word recognition task, differential hemispheric functioning, junior college 16–53 yr olds, 57:5132
location of stimulus presentation, hemispheric asymmetrics in visual cortical evoked potentials, male & female Ss, 54:11076
low vs middle socioeconomic status, hemispheric specialization for speech perception, 4 yr old girls vs boys, 56:123
magnitude & relative orientation of torsional disparities, hemispheric interactions during fusional response to cyclofusional stimuli, right handed Ss, 54:10925
mechanism of perceptual asymmetries & language hemisphere, dichotic listening studies, 54:4522
memory of structure of serial material, patients with right vs left sided lobectomy, 54:3489
minor hemisphere dominance in perception of part–whole relationships, commissurotomized man, 54:548
MMPI correlates, Ss with lateralized lesions, 53:9931
MMPI performance, patients with right- vs left-hemisphere brain damage secondary to missile wounds, 54:1443
modified card sorting test, measurement of perseverative errors & detection of frontal lobe lesions, patients with unilateral cerebral lesions, 58:5705
monaural presentation of musical chords, EEG from left & right hemispheres & RT asymmetries during performance of task directing attention to stimulus, right handed college students, 58:7004
monocular viewing, recall using visual half-field presentation of letter stimuli, right handed Ss, 56:162
morphological changes in cerebral cortex & hippocampus & diencephalon & hemispheric dominance, rats, 54:6852
music proficiency vs nonproficiency, EEG asymmetry response to musical vs nonmusical task performance, right handed college students, 58:2823
musical experience vs nonexperience, 2 note presence discrimination in right vs left vs both ears, 15–30 yr olds, 53:169
musical vs mathematical problem solving, lateral eye movement, high school & college students, significance for utilization "appropriate" hemisphere, 56:9169
neural efficiency analyzer, discrimination of efficiency of left & right cerebral hemispheres, reading disabled vs normally reading vs academically superior children, 58:3576
neuroanatomy underlying language function, modern views on localization & lateralization of language, 57:12254
neurophysiological aspects, laterality, 57:2631
neurophysiological mechanism for unconscious processes, cerebral hemispheric specialization, implications for psychiatry, 53:4536
neurophysiological processes in binocular interaction in interhemispheric symmetry & asymmetry, rats, 54:9034
neuropsychological techniques, use of left hemisphere in learning to read, learning disabled adolescents, 58:4396
nonverbal mode of consciousness related to right cerebral hemisphere, learning to pray, 55:6944
normally oriented & mirror-image English words in right vs left visual fields, reaction time differences, right-handed college students, support for cerebral dominance hypothesis, 53:221
noun-class & visual half-field presentation, word recognition, adults, 53:2242
occupation & task & task difficulty, EEG asymmetry, male artists & engineers, 54:2397
ocular-manual laterality, dual hemisphere specialization & learning ability, healthy adults, 54:4639
ontogenics of hemispheric functional specialization, acquired aphasia, children with cortical lesions at ages 3–15 yrs, 56:2532
perceptual training with TAT cards & imaging practice under relaxation, depression level & imagery production, right handed depressives with symptomatology of psychomotor retardation, 57:5972
phonemic discrimination, Ss with unilateral cerebral left & right lesions, 53:3474
piracetam, interhemispheric transfer of visual information, male rats, 56:2011
postexposural directional scanning & cerebral dominance, lateral differences in tachistoscopic recognition, 58:4747
practice & stimulus quality, accuracy & RT of same-different judgments of letter & form pairs presented to center vs left vs right visual field, college students, 57:11899
practice & strategy, monitoring of dichotically presented diphthong sounds for occurrence of particular sound on either channel as measure of cerebral dominance, female hospital ancillary & nursing staff members, 54:10885
predominantly left vs right cerebral damage, visual construction & spatial integration of human figures drawing, patients, 55:12553
presence vs absence of hereditary left handedness in family, visual cerebral dominance in language processing, right vs left handed junior high school students, 57:9488
presentation of spatial aspects to right hemisphere & verbal aspects to left hemisphere, facilitation of perceptual matching in spatio-verbal problem solving, 53:8639
preservation of archaic symbolic meanings through cortico-hemispheric specialization, 57:2814
random forms presented to right vs left visual field, functional hemispheric asymmetry in perception, 55:3631
reading & writing habits, asymmetry of visual perception, right vs left handed German & Israeli students, 58:6782
recall of memorized words, patients with lesions in convexital region of left frontal lobe, 54:5615
reciprocal relations between opponent systems & role of corpus callosum in mediation of interhemispheric opposition, 54:421
regional incorporation of tritiated uracil into brains, monocular imprinting, intact & split-brain chicks, 53:11046
rehearsal vs imagery coding strategy & sex, RT to hemispheric probes in recognition tasks, college students, 57:407
relationship between hemispheric brain functions & thought & physiological & psychological explanations of human behavior, presidential address to British Psychological Society, 1975, 56:9405
removal of left hemisphere arteriovenous congenital malformation, maintenance of right hemisphere language dominance, 31 yr old left handed male, 58:5728
research findings on plasticity of brain organization & educational & societal neglect of right hemisphere & concept of mind as part of causal system of decision making, significance for social change, 58:67
response accuracy in pointing task, contralateral & ipsilateral eye-hand combinations, split brain monkeys, 54:11177
response bias & hemispheric differences, dot localization, right handed college students, 56:9084
retinal location of nonfixated stimulus, choice RT & visual evoked responses to fixated stimulus, implications for role of topographic & attentional factors & direction preferences in processing, 57:9466
review & integration of problems, laterality, book, 57:5127
right cerebral hemisphere role, bilateral tachistoscopic word perception, normal vs aphasic adults due to left cerebral lesions, 53:9955
right hemispheric damage, verbal problem solving behavior, male patients, 56:2528
right vs left field CS signaling differential interstimulus intervals, eyelid response topography & latency, right handed college students, 58:10996
right vs left hemisphere vs no lesions & auditory vs visual stimulus presentation, reproduction of temporal sequencing of digits & words & geometric forms, right handed patients, 57:8534
right vs left temporal lobe damage, identification of nonsense words & figures presented at rapid exposure speeds, epileptics vs non-brain-damaged Ss, 57:1502
right-hemispheric dominance, spatial competence & left-handedness, architecture students & teachers, 53:127
right-left EEG amplitude variance ratios, 16–72 yr old patients with neurotic depression vs schizophrenia vs personality disorders vs normal Ss, 57:6021
rod-&-frame test performance, timed calculation of serial sevens, 15–50 yr old right handed psychiatric inpatients, 56:9988
role of right cerebral hemisphere following left cerebral insult resulting in aphasia, linguistic processing, 55:12571
Rorschach assessment, laterality of brain damage, 13–19 yr olds, 58:11952
RT task involving verbal naming of visually presented materials, transfer of cerebral dominance from right to left hemisphere, adults, 57:4921
scoring & assessment & age correction procedures, synchrocephalograph, screening of learning disabled children, 55:11279
sex & age difference & brain damage & hemispheric dominance, handedness & reading ability, literature review, 54:6525
sex & eye dominance, color discrimination, right handed college students, 58:10904
sex differences, rate of physical maturation & verbal & spatial abilities & mediation by hemispheric lateralization, early vs late maturing 10–16 yr olds, 58:876
sexual orgasm through self stimulation, left & right parietal EEGs, 21–32 yr old males & females, 56:5510
shift in gaze during answering affective questions, right hemisphere lateralization for emotion, right handed college students, 55:3970
sign language aphasia after left-hemisphere stroke, male deaf 74 yr old, 57:8361
signal detection analysis & right hand effects & right ear advantage, development of hemispheric specialization for speech perception, right handed 5 vs 7 yr olds, 58:5139
simultaneous bilateral presentation of different word pairs, word recognition, 10 yr old disabled vs good readers of average intelligence vs gifted Ss, test of cerebral dominance, 58:6864
simultaneous bilateral presentation, tachistoscopic word recognition, right-handed college students, 53:10840
simultaneous bilateral task performance, interhemispheric rivalry, commissurotomized patients, 54:5651
sodium amylobarbitone intracarotid injection & subsequent transient hemiplegia, hemispheric lateralization of singing, epileptic patients being considered for cerebral commissurotomy, 53:1538
speaking vs nonspeaking condition & motor task performed by right vs left hand, interference caused by intra-hemispheric interaction, right handed adults, 56:3300
specialized hemispheric functions, commissurotomy patient, 54:1465
speech processing prior to overt act of speech, slow potential shifts in brain hemispheres, 56:7415
speech processing, slow potentials of brain, male stutterers vs normal speakers, 53:11977
speech sounds stimuli, hemispheric differences in evoked potentials, Ss, 55:314
spelling ability, bimanual response asymmetry as indicator of speech dysfunction, college students & faculty, 54:6837
stimulus material type, asymmetry in visual half-field recall superiority, 56:149
stimulus numerosity, cerebral asymmetry in estimation of duration of dot patterns, male college students, application of E. A. Thomas & W. B. Weaver's time perception model, 58:6773
stimulus presentation first to left vs right visual field, functional hemispheric asymmetries in perception of digit & line orientation, right handed Ss, 58:2618
stimulus presentation to same vs contralateral hemispheres, recognition of mirror-image reversals of complex novel stimuli, Ss, 53:8828
syntax & hemispheric dominance, representation in propositional & operational memory, 55:204
tasks demanding broad vs optional exploration, visual neglect for contralateral space, right vs left hemisphere brain damaged patients, 58:5663
temporal lobe lesions, odor recognition & detection thresholds, right & left lobectomized Ss, 57:694
test of S. G. Meyer's hypothesis of right cerebral hemispheric specialization regarding spiritual factors, differential neuropsychological test performance, Christian vs non-Christian adults, 58:3192
test stimulus & memory items differing in schematic faces of 3 features, role of left vs right hemisphere in discriminations & Gestalt matches, college students, 55:115
tones in tonal background & signal onset & offset & right vs left ear perception, RT comparison, college students, implications for hemispheric specialization, 57:9473
type & degree of psychosis, regional cerebral blood flow in dominant hemisphere, chronic schizophrenic patients, 56:786
typeface, visual hemifield differences, college students, 56:93
unilateral anterior cortical lesions in infancy, preference for paw contralateral to intact hemisphere, rats, 54:569
unilateral control of bilaterally symmetrical movement, application of model to lateralization of speech, 56:7400
unilateral dominant vs nondominant ECS therapy, verbal & nonverbal memory, depressive inpatients, 57:1522
unilateral ECS therapy on left or right side of head, scores on Word Associate Learning subtest of Wechsler Memory Scale & cerebral dominance, left- & right-handed psychiatric patients, 54:12170
unilateral injection of morphine sulfate, bilateral EEG response & unilateral tolerance, rats, 56:2088
unilateral tachistoscopic presentations of verbal & nonverbal stimuli in right & left half visual fields, RT analysis of hemispheric asymmetries, right handed White male 7th grade above average vs disabled readers, 57:3640
unilateral tectal lesions, anatomical basis for behavioral observation of interhemispheric reversal of left-right mirror-image patterns in optic tectum, pigeons, 55:6526
unilateral vs bilateral electroconvulsive therapy, confusion & memory loss, literature review, 53:3848
unilateral vs bilateral presentation, short term memory recall of letters from left vs right visual half-fields, college students, 58:4702
unilateral vs contralateral cortical spreading depression, lateralization & interhemispheric transfer of extinction in active avoidance responses, rats, 54:11192
verbal & nonverbal short term memory impairment, patients with left vs right hemisphere brain damage, 57:1476
verbal & nonverbal subtests of WISC, lateral dominance & development of cerebral specialization, left- vs right-handed 5–6 yr olds, 53:11400
verbal vs nonverbal memory performance, Ss with right vs left temporal lobe epilepsy, 58:3653
verbal vs spatial questioning & high vs low anxiety situation & face-to-face questioning, lateral eye movement direction, males, implications for trait & state approaches, 58:2587
verbal-numerical analytical tasks vs visual imagery tasks, electrodermal activity in right vs left hand, male graduate students, 55:6435
visual & auditory stimuli & cross stimulation of opposite side receptors & interstimulus interval, perception of temporal order, 57:4852
visual field of presentation, differential conditioning & RT performance, 56:1922
visual half-field stimulation, response latency & movement time on bimanual motor control task, patients with unilateral cerebral hemisphere lesions, 56:928
visual localization, patients with unilateral brain lesions, 56:6260
visual presentation of verbally meaningful vs nonmeaningful stimuli under subliminal & supraliminal exposure time, averaged evoked potentials & hemispheric asymmetry & verbal associations, 21–49 yr old volunteer firemen, 58:4919
visual similarity judgments among rectangles varying in form & area, right handed controls & right vs left brain damaged patients, 58:5657
visuospatial performance, ratio of right-hemispheric alpha to left-hemisphere alpha activity, college students, 56:1920
within- & cross-modal reliabilities, dichotic listening & visual half-field recall tasks using concrete words & letters, college students, implications for speech laterality predictions, 58:4720
words & music & arithmetic problems & abstract pictures, EEG activation in right vs left hemispheres, 21–50 yr olds, 57:5216
writings of S. Orton on cerebral dominance & effects of neurological anomalies on learning, approach to remediation of reading disabilities, children, 54:8451

Cerebral Hemorrhage
electrode implantation, hemorrhagic vascular damage & bleeding, mice, 56:1601
pre- vs postoperative arterial spasm, neurological impairment or risk to survival, patients with subarachnoid hemorrahage due to ruptured intracranial aneurysm, 58:5710
presence of ocular bobbing, 46 yr old female patient with acute cerebellar hemorrhage & no intrapontine lesions, 55:7431

Cerebral Ischemia
cerebral ischemia, sleep-waking cycle, rabbits, 55:6462
sleep EEG alterations in relation to neurological & psychopathological changes, 30–74 yr olds with ischemic lesions in cerebral hemispheres, 58:11981
transient left hemisphere ischemia, "pure" alexia associated with right homonymous homianopia & color anomia, case report, 53:7737

Cerebral Lesions [See Brain Lesions]

Cerebral Palsy
adult adjustment, followup study of cerebral palsied Ss over age 21, 57:3737
analeptic preparation 1694, 1–9 yr olds with cerebral palsy or psychomotor disorders, 58:3917
auditory frequency & intensity discrimination ability, cerebral palsied 7–11 yr olds vs normals, 56:4318
augmented feedback training, muscular contraction regulation & sensory event interpretation, patients with cerebral palsy, 58:10067
automatic 2-choice audio feedback system, evaluation of auditory perception & processing capacities, 10–27 mo olds with cerebral palsy, 54:12111
changes in somesthetic evoked responses & EEG & affected side of body, children with hemiplegic cerebral palsy, 57:6158
contingent music reinforcement of head posture, cerebral palsied retarded nonambulatory 9 yr old boy & 17 yr old girl unable to communicate verbally, 54:9812
course of schooling & vocational career, nonoligophrenic spastic adolescents & young adults, followup of H. Nielson's analysis of personality & cognitive & visuomotor functions, 55:7457
diurnal temperature cycles, cognitive ability performance, 5–14 yr olds with cerebral palsy living in residential school, 58:6356
dynamic group psychotherapy, parents of cerebral palsied children, 54:1666
E praise & feedback, block design performance accuracy, 6–14 yr olds of normal intelligence with cerebral palsy, 53:1556
early diagnosis & management, treatment of cerebral palsy, 53:3521
EMG biofeedback, development of voluntary muscle control, spastic cerebral palsied children, 58:9940
facilitation vs functional occupational therapy treatment approaches, 1–5 yr old cerebral palsied children, 54:8188
FR vs VR schedules of punishment, control & suppression of self stimulation, 7 yr old male with psychomotor retardation & 8 yr old female with shudder artheroid-type cerebral palsy, 58:1664
gross motor skills & play in adventure playground, application of therapy in play & contribution of playground to therapy, cerebral palsied children, 56:4356
group therapy using operant approaches, attention to tasks & social interaction, 5–6 yr old males with cerebral palsy or mental retardation in residential school, 55:5122
habituation, stimulus bound behavior in concept formation, minimally brain damaged vs cerebral palsied children, 55:10134
home treatment program, normal postural tone & movement, 2 yr old athetoid cerebral palsied boy, 56:10456
implantation of brain pacemaker, muscular hypertonia & seizure related to stroke & cerebral palsy & brain injuries & epilepsy, 56:4358
internal conflicts in relationship with mother & communication of intrapsychic process through symbolism of drawings in psychotherapy, 10 yr old boy with cerebral palsy & infantile & psychotic behavior, 54:5784
interpersonal behavior constructs as revised approach to defining dyadic interaction styles, videotapes of cerebral palsied & nonhandicapped children in play & therapeutic sessions with their mothers, 54:10051
interpersonal components of therapy, cerebral-palsied preschoolers & their mothers & therapists, 2-yr longitudinal study, 53:3879
maternal age at birth & sex ratio & number of siblings & birth order & age interval between S & closest younger sibling, incidence of disorders, preschoolers with autism vs cerebral palsy vs mongolism vs normal Ss, Japan, 57:1283
medical & psychological aspects & treatment & educational & vocational guidance & family assistance, cerebral palsy, book, 55:12547
ministering using structured interviews & sorting of statements, parents having cerebral palsied preschool age child, 55:1146
mistaken diagnosis of cerebral palsy, 10.5 & 11 yr old children with tumor of cervical cord, 55:915
mother-child interaction, mothers & their cerebral palsied children, 53:9945
motor & mental development, cerebral palsied infants in home training program who did vs did not undergo surgery, 58:8058

multivariate analysis, personal independence, normal vs deaf vs educable vs trainable mentally retarded vs cerebral palsied children, 58:9624
need for adjunct psychological assistance with physical rehabilitation, cerebral palsied children, 58:1524
nonlinguistic visual discrimination, reading ability, brain injured children with cerebral palsy, 56:6287
observational learning techniques, social interactive skills improvement, cerebral palsied children, 57:6919
parent meeting project in day care for preschoolers with cerebral palsy & spina bifida & other congenital diseases, balance of parent & social worker contributions to care, 56:10401
past outcome & future needs, care of cerebral palsied, presidential address delivered at 28th annual meeting of American Academy for Cerebral Palsy, 54:12137
perceptions of emotional & social stresses experienced by families with children suffering from spina bifida or cerebral palsy or limb deficiency, mothers of 5–10 yr olds, 56:10198
perceptive & emotional & intellectual development, cerebral palsied children, 53:1537
Peto method of conductive education, active hand movements in cerebral palsy patients, 53:10292
Pictorial Test of Intelligence, prediction of classroom achievement, 4–6 yr old cerebral-palsied students, 55:3193
precision teaching techniques & tangible reinforcement, improvement in typing performance, 7 yr old cerebral palsied female, 56:10363
premarital counseling, sexuality & pregnancy & childrearing, mildly cerebral palsied woman, 58:3990
Preschool Attainment Record validity as measure of social maturity, multiply handicapped cerebral palsied children, 58:156
psychometric & psychoaffective analyses, spastic vs nonspastic cerebral palsy children, 53:11990
school life & performance & psychological growth, teachers & parents of cerebral palsied children attending regular schools, survey, 53:4062
sitting posture in standard chair vs straddling apparatus, 2 yr old spastic cerebral palsied child, 54:8190
speech development & characteristics, children with cerebral palsy, 55:7446
strabismus & cerebral palsy & adiposogenital dystrophy, 20 yr old with cutis verticis gyrata, 54:1486
symbol communication training, expressive communication, 11–16 yr old nonvocal mentally retarded children with cerebral palsy, 54:4219
visual origin of writing difficulty, 9 yr old male with cerebral palsy, 54:1440
visual perception, cerebral palsied & physically disabled & minimally brain-injured & learning disabled 7–10 yr olds, 53:7769

Cerebral Vascular Disorders [See Cerebrovascular Disorders]

Cerebral Ventricles
ACTH injections in ventricular system vs neostriatum vs substantia nigra, dopamine component in excessive grooming behavior, rats, 58:3040
angiotensin II & carbachol injections in brain ventricles, independent receptors or cholinergic circuit for blood pressure or drinking behavior effects, rats, 58:9125
anteroventral 3rd ventricle central cite of action for angiotensin-induced thirst, rats, 57:2725
biological systems analysis method, component analysis of circulatory system & evoked potentials of brain, 54:6836
carbachol & angiotensin-II injections into preoptic areas & anterior hypothalamus, water balance & lateral ventricular thresholds for drinking, male rats, 58:5036
cerebral ventricles, injections of dextroamphetamine & desmethylimipramine & isocarboxazid vs morphine & cyclazocine & naloxone, body temperature & locomotor activity & reserpine- or tetrabenazine-induced depression, mice, 54:9096
cholinomimetic agents in 3rd cerebral ventricle & hypothalamus, adult fowl & young chickens, 53:9082
cortisol or corticosterone-induced circulatory adrenal steroid level, tyrosine & tryptophan brain uptake & transport across blood-brain barrier, rats, 54:6914
dual cerebroventricular & vascular cannulation technique, plasma hormone levels, unanesthetized rats, 58:8615
enkephalins injected into lateral ventricle or implanted into ventral thalamus, stereotyped behavior & gnawing, rats, 58:7072
intracerebral microinjections of morphine, self stimulation, male rats, 56:3689
intracranial angiotensin, thirst elicitation & analysis sites within 3rd ventricle, rats, 58:5012
intraventricular & intrahypothalamic cholera toxin, motor activity & electrocortical activity & body temperature, chicks, 56:3750
levallorphan vs naloxone vs SH-254 administration to restricted parts of ventricular system vs midbrain vs lower brain stem vs thalamic nuclei, morphine withdrawal, male rats, 57:766
nicotine into 3rd cerebral ventricle & various brain sites, adult fowl & young chickens, 53:9081
pretreatment of ventricles or subfornical organ with saralasin acetate & angling of cannulae to bypass lateral ventricles, drinking induced by administration of angiotensin II to preoptic region, male rats, 58:11226
uptake & metabolism of delta-9-tetrahydrocannabinol in choroid plexus & brain cortex in vitro & in vivo, rabbits, 56:5635

Cerebrospinal Fluid
anion & concentration & molecular structure, cerebrospinal fluid, 58:2814
antipsychotic drugs, mass fragmentometric determination of homovanillic acid in lumbar cerebrospinal fluid, acute schizophrenics, 54:3701
baseline & probenecid-induced cyclic adenosine monophosphate & cyclic guanosine monophosphate in cerebrospinal fluid, 18–66 yr old depressed vs manic vs schizophrenic patients vs normals, 57:1385
benserazide, level of homovanillic acid & 5-hydroxyindoleacetic acid in cerebrospinal fluid, manic & depressed 40–66 yr old patients, 58:11260
cerebrospinal fluid & plasma cortisol concentrations, depressed vs nondepressed psychiatric patients, 57:3439
cerebrospinal fluid & serum activity of lactic dehydrogenase & glutamic oxaloacetic transaminase, short term vs chronic schizophrenics, 55:2450
cerebrospinal fluid amine metabolites homovanillic acid & 5-hydroxyindoleacetic acid pre- & post-probenecid administration, central serotonin & dopamine metabolism, patients with affective illness & methadone treated heroin addicts, 53:3338
cerebrospinal fluid analysis, patients with psycho-organic disorders, 57:8395
cerebrospinal fluid concentrations of 5-hydroxyindoleacetic & homovanillic acid & probenecid, 6 mo–17 yr olds with epilepsy, 54:1478
chlorpromazine treatment, chlorpromazine & its metabolite levels in cerebrospinal fluid, schizophrenic good vs poor responder, 56:1102
clinical response to flupentixol decanoate & blood & cerebrospinal fluid levels of labeled drug, 57:13347
concentrations of 5-hydroxyindoleacetic acid & homovanillic acid in lumbar cerebrospinal fluid, use as indexes of central nervous system metabolism, neurological & psychiatric patients, 53:11836
conjugated 3,4 dehydroxy phenyl acetic acid in cerebrospinal fluid & brain before & after probenecid treatment, psychiatric patients & rats & monkeys, 56:9565
creatine phosphokinase in spinal fluid, 16–60 yr old schizophrenics & affective & paranoid psychotics, 53:3359
cyclic adenosine monophosphate in cerebrospinal fluid, schizophrenia patients, 58:5479
cyclic adenosine 3 prime, 5 prime-monophosphate concentrations in ventricular vs lumbar cerebrospinal fluid & effects of pretreatment with phenobarbitone & promethazine, patients with hepatic comas vs undergoing radiological vs neurosurgical procedures, 58:9797
depression & anxiety & agitation, precursors & metabolites of 5-hydroxytryptamine & dopamine in ventricular cerebrospinal fluid, psychiatric patients undergoing stereotactic subcaudate tractotomy, 57:5968
dimethylaminoethanol, serum & cerebrospinal fluid acetylcholine & symptom improvement, patients with oral hyperkinesia, 57:10892
ECS & imipramine treatment, effect of probenecid on cerebrospinal fluid 5-hydroxyindoleacetic & homovanillic acid levels, 25–63 yr old depressed patients, 55:7484
ECS therapy vs lithium vs neuroleptics vs tricyclic antidepressants, cyclic adenosine monophosphate in cerebrospinal fluid, manic melancholic patients, 58:12003
EEG analysis & visual averaged evoked responses, homovanillic acid & 5-hydroxyindoleacetic acid & tryptophan levels in cerebrospinal fluid, psychiatric patients, 58:11809
ethanol ingestion, cyclic adenosine monophosphate levels & homovanillic acid & 5-hydroxyindoleacetic acid in cerebrospinal fluid, 28–58 yr olds volunteers in VA detoxification-rehabilitation ward, 57:12406
free vs total serum tryptophan levels vs ratio of free serum tryptophan neutral amino acids, ventricular cerebrospinal fluid tryptophan, 59 & 21 yr old males, 57:611
gas chromatography, assessment of cerebrospinal fluid levels of dopamine metabolites, 54:6915
haloperidol & clozapine treatment, extrapyramidal reactions & amine metabolites in cerebrospinal fluid, male schizophrenic inpatients, 54:1576
homovanillic acid & 5-hydroxyindoleacetic acid in cerebrospinal fluid during slow wave sleep, cats, 55:6369
infusion of sleep producing factor extracted from cerebrospinal fluid & brain tissue of sleep deprived animals, increased slow wave sleep, non-sleep-deprived animals, 57:12409
level of 5-hydroxyindoleacetic acid in cerebrospinal fluid, prediction of suicide attempt, endogenous or reactive depressive patients, 57:5961
levels of imipramine hydrochloride & desipramine hydrochloride in plasma & cerebrospinal fluid, endogenous depressive vs schizoaffective patients, 57:6419
levodopa & dopamine receptor stimulant & theophylline, cisternal cyclic adenosine monophosphate in cerebrospinal fluid, male rats, 55:11790
levodopa, psychiatric & neurological symptoms & cerebrospinal fluid, 2 female patients with Huntington's chorea, 57:13330
lithium acetate vs sulfate therapy, lithium levels in cerebrospinal fluid, manic depressive patients, 54:3687
lithium treatment, manic symptoms & monoamine metabolite levels in cerebrospinal fluid, 18–69 yr old manic depressive patients, 55:10402
long term diazepam treatment, cumulation of N-desmethyl metabolite in cerebrospinal fluid, patients, 54:12287
LSD & probenecid, cerebrospinal fluid 5-hydroxyindoleacetic acid & serotonergic neuronal activity, measured activity & rated agitation, schizophrenic patients, 56:780
magnesium deficiency, nonspecific excitability level & audiogenic seizure susceptibility & cerebrospinal fluid & serum magnesium concentration, male weanling rats, 58:4933
mass fragmentographic method, determination of chlorpromazine & its active metabolites in human plasma & cerebrospinal fluid, psychotic patients, 58:12133
mass fragmentography, simultaneous quantification of homovanillic acid & 5-hydroxyindoleacetic acid in cerebrospinal fluid, 53:477
membrane influence of simultaneous osmotic diffusion of certain cations, cerebrospinal fluid, 58:2815
metabolites of serotonin & dopamine & norepinephrine & 5-hydroxyindoleacetic acid & homovanillic acid & 3-methoxy-4-hydroxy-phenylethylene glycol in cerebrospinal fluid, acute schizophrenics, 54:11992
neuroleptic treatment, cyclic guanosine monophosphate in cerebrospinal fluid, schizophrenic inpatients, 58:12150
neuroleptic treatment, cytologic study of cerebrospinal fluid, chronic schizophrenics & mild to moderate oligophrenics, 54:12301
physical activity & pharmacological treatments, cerebrospinal fluid amine metabolites, patients with affective illnesses & schizophrenia, 56:790
pneumoencephalography, cellular changes in cerebrospinal fluid, mentally retarded patients, 54:480
probenecid & biogenic amines, accumulation of cyclic adenosine monophosphate in cerebrospinal fluid, rabbits & chinchillas, 53:11233
probenecid & subsequent measurement of cerebrospinal fluid amine metabolites, estimation of brain amine metabolism, patients with affective disorders, 53:7608
probenecid administration, homovanillic acid & 5-hydroxyindoleacetic acid & acetylcholine concentrations in cerebrospinal fluid, catatonic akinesia patients, 53:613
probenecid, free & conjugated 3-methoxy-4-hydroxyphenylglycol in lumbar cerebrospinal fluid, schizophrenic patients, clinical use for estimation of norepinephrine turnover, 57:5343
probenecid, tryptophan in serum & cerebrospinal fluid, patients with hepatic cirrhosis, 54:7076
probenecid, 5-hydroxyindoles in cerebrospinal fluid, Down's syndrome patients, 53:9882
quantitative analysis, cerebrospinal fluid immunoglobulins, patients with multiple sclerosis & other neurologic diseases, 54:10028
reserpine vs levodopa vs 5-hydroxytryptophan, cerebrospinal 5-hydroxyindoleacetic & homovanillic acids & behavior & EEG, cats, 56:9541
rhythm of dopamine-beta-hydroxylase activity in serum & cerebrospinal fluid, chronic schizophrenic patients with vs without sleep disturbances & neuropsychiatric patients, 58:11834
sleep promoting factor S extracted from cerebrospinal fluid of sleep-deprived goats & sheep, nocturnal locomotor activity & amplitude of slow-wave cortical EEG, rats & rabbits, 55:6611
starvation & lithium & glucose, correlations between tryptophan concentrations in brain & cisternal fluid, rats, 56:1937
vanillylmandelic acid levels in cerebrospinal fluid, diagnostic groups of psychiatric patients, 55:7294
ventriculoatrial shunting, cerebrospinal fluid pressure in internal hydrocephalus, measurements & variations, 54:10313

Cerebrovascular Accidents
acute onset of nightmare like episodes as sequel of stroke responsive to diphenylhydantoin, discussion of epileptic pathogenesis, 65 yr old male, 55:7430
auditory modality-specific anomia, 49 yr old male with pure word deafness following cerebrovascular accidents, 57:1461
communications problems between patient & therapist & public attitudes & isolation & independence, stroke victim deprived of speech but not rational thought, 54:10134
crossed aphasia in illiterate dextral following right cerebral infarction, female right-handed 83 yr old, 56:952
drawing task performance, measurement of cognitive & perceptual abilities, stroke patients, 56:8259
experimental cerebral lesions, behavior & brain catecholamines, male rats, implications for study of stroke effects, 55:11746
functional disconnection in pure alexia & color-naming deficit, 67 yr old male with hemianopia resulting from cerebrovascular accident, 56:950
goals & methods of speech therapy, aphasic stroke patients, 54:10047
hemianopic color blindness, 59 yr old male recovered from cerebral infarction, 54:12101
implantation of brain pacemaker, muscular hypertonia & seizure related to stroke & cerebral palsy & brain injuries & epilepsy, 56:4358
intra-modal & cross-modal matching tasks presented sequentially & simultaneously, pattern perception, left vs right hemisphere damaged stroke patients, 57:3674
lithium carbonate, hypomania following organic brain dysfunction, 57 yr old male, 55:7670
measures of left visuo-spatial neglect & performance on visuo-spatial & perceptual tasks 3–4 wks & 5 mo after right hemisphere stroke, patients, 58:5661
neuroanatomical findings at autopsy, cerebrosvascular accident patient with severe Wernicke's aphasia, 53:7753
occupational therapy in rehabilitation, geriatric stroke patients, 57:13449
open ended group technique, needs of hospitalized stroke patients, 54:10360
pastoral conversation as rehabilitation tool, stroke victims, 53:5977
patients' premorbid personality & social setting information, procedures for hospital conferences with families of stroke patients, 54:6131
problem-oriented multidisciplinary team approach, stroke rehabilitation of hemiplegic patients, book, 58:1807
psycho-organic syndrome, rehabilitation of language & speech disorders caused by cerebrovascular lesions, 57:13354
real & ideal self before and after illness, use of denial, 20–74 yr old male stroke & lung cancer & heart disease patients, 55:10126
sign language aphasia after left-hemisphere stroke, male deaf 74 yr old, 57:8361
singing as therapy, apraxia of speech & aphasia, 48 yr old female stroke patient, 55:10429
structured practice material for speech pathologists & untrained family members, recovery of speech & language skills, stroke patients with aphasia, book, 55:2719
transformation of visually presented verbal material into acoustic-articulatory code, 72 yr old female stroke patient with aphemia, 55:10136
transient cerebral ischemic attacks & completed strokes & other neurological disorders, survey of elderly living at home, 56:6246

Cerebrovascular Disorders [See Also Cerebral Arteriosclerosis, Cerebral Hemorrhage, Cerebral Ischemia, Cerebrovascular Accidents]
cerebral blood flow distribution abnormalities, adult vs aged chronic schizophrenic patients, 53:11872
cerebral dysfunction in alcohol & drug abusers, literature review, 55:864
cerebrovascular insufficiency, body image alterations, male aged patients, 53:9965
course & prognosis without anticoagulant or surgical therapy, patients with unilateral carotid artery occlusions with neurological symptoms, 55:4916
German form of WAIS, diagnosis of organic brain groups, patients with cerebrovascular disease vs degenerative brain processes vs physical injury of brain, 56:4336
hyperbaric oxygen, psychological & EEG & cerebral blood flow measures, 50–80 yr old demented patients, 55:12603
independent neurological diagnosis vs diagnosis based on Halstead Neuropsychological Test Battery, concordance in detection & localization of cerebral impairment, 56:6283
intellectual & cognitive performance, patients with multi-infarct dementia & Alzheimer's disease dementia & vertebrobasilar insufficiency with dementia, 54:12140
neurological & pathological characteristics, dementia due to cerebrovascular disease in persenium, 58–59 yr old females & 54–55 yr old males, 55:927
regional abnormalities of cerebral blood flow, cognitive reduction in presenile dementia, adults, 57:1484

Cerebrum Affecting Drugs [See Chlorpromazine]

Certification (Professional) [See Professional Certification]

Certified Public Accountants [See Accountants]

Cervical Plexus [See Spinal Nerves]

Cervix
demographic characteristics, response to & recall of computer-generated recall letter for repeat cervical smear, women receiving normal cervical smear, 3 yr followup, 54:7991
vaginal cervix stimulation & treatment with estradiol benzoate &/vs progesterone or oil, vocalizations in response to varying intensities of tail shock, ovariectomized rats, 56:5565

Chains (Markov) [See Markov Chains]

Chance (Fortune) [See Also Binomial Distribution, Probability, Response Probability, Statistical Probability]
actor vs O status & task difficulty vs luck vs ability vs effort, attribution of success & failure, college students, 56:7946
attribution of responsibility in campus stabbing incident, college students, list of defensive attribution interpretation, 56:4044
attribution of S's success & supplicant's failure to chance vs ability, giving of monetary help, male college students, 57:1205
choice of & persistence at games whose outcomes depend on skill vs chance, male vs female college students & fairgoers, 57:2483
choice of symbol set & shuffling of symbol deck & discussion of technique, sender & receiver belief in personal success at mental telepathy, college students, 56:7274
cognitive processes during developmental stages, comprehension of chance, children, translation of Piaget's 1951 work, book, 56:3838
consensus & consistency & distinctiveness information & previous successes or failures, ability & effect & task difficulty & luck attributions of performance on sensory discrimination tasks, male college students, utilization of H. H. Kelley's model, 57:12794
descending vs ascending vs random sequence of outcomes & observation of other's performance vs own performance of task, attributions in chance task of coin toss prediction, male college students, 55:7038
development of chance & probability & cognitive operations, book, 53:9279
disposition to relate ability vs effort vs luck causes to effects, demographic or personality commonalities & consistency of attributions over time, 58:5374
equal & unequal outcome distributions in skill vs chance situations, satisfaction ratings, 4-person groups of college students, adaptation level theory analysis, 57:3227
escape by chance vs efforts from unpleasant sensory discrimination task, empathy & volunteering to help others, 57:3249
FR vs FI reinforcement schedules, ability vs effort vs task difficulty vs luck causal interpretations of reinforcements & relationship to response rate, adult males, 57:9557
implicit theories of chance, perception of personal control, 55:8715
internal vs external control of reinforcement & chance vs skill instructions, decision time in angle matching task, college students, 57:11969
introduction of skill related factors of competition & choice & stimulus & response & familiarity involvement into chance situations, illusion of control or inappropriate success expectations, adults, implications for risk taking, 57:2492

introduction of skill situation factors into chance situations, illusion of control or inappropriate success expectations, adults, 57:3333
Likert-type scales measuring belief in chance separate from expectancy for control by powerful others & perceived mastery over personal life, multidimensionality of internal–external control, 53:1204
locus of control & self vs other perception conditions, attribution of importance to ability vs effort vs task difficulty vs luck in simulated story situation, 57:8239
locus of control & skill vs chance conditions, information seeking in social influence & problem solving situations, college students, 55:8700
locus of control, attribution for positive accident, college students, 56:7954
logical inferences drawn from temporal & interpersonal consistency of outcomes vs ego-oriented considerations as basis, causal attribution in simulated vs real stiuations, college students, 55:9852
personality-situation locus of control congruence vs incongruence, cheating, college students, 57:3180
sex differences, skill & chance risk taking behavior, Black vs White inner city vs White suburban children, 57:5771
situational difference variables & achievement motivation & locus of control, behavioral responses to chance-determined activities in terms of approach-avoidance tendency, male college students, 57:10292
skill vs chance task with changing probabilities, probability estimation, college students, 54:8814
standardized success vs failure feedback & test vs game instructions, risk taking in skill vs chance tasks, male 17–18 yr olds, 57:5831
stress-chance vs stress-skill, performance, normal- vs high-anxious college students, 53:2288
success vs failure, causal attributions to effort vs luck vs ability vs task difficulty, 53:8842
temporal setting of event, judgments of likelihood, college students, implication for "sure past" hypothesis, 56:5251
test anxiety & sex, self esteem & fear of negative evaluation & task performance under skill & chance & difficulty conditions, school age children, 57:8322
utility-uncertainty trade-off structures, 57:2274

Chaplains
crisis intervention treatment carried out by hospital chaplains & ministers, recovery from elective surgery, patients, 55:10496
participatory group process training, self actualization & personal orientations, US Army student chaplains, 56:2602

Character [See Personality]

Character Development [See Personality Development]

Character Disorders [See Personality Disorders]

Character Formation [See Personality Development]

Character Traits [See Personality Traits]

Charitable Behavior
adult warmth, donation & rescue behavior, reflective vs impulsive 1st grade suburban males, 55:9755
altruism & social responsibility & pressure & incentives & costs & perceptibility of effects & free-rider tendency, blood donor motivation, donor vs nondonor college students, 56:670
attitude toward human organ transplantation & perceived consequences of act & position of others & death anxiety, behavioral commitment to sign organ donor card, technical institute students, 58:1047
attitudes & personality factors, human tissue donors vs nondonors, 53:9502
attitudes regarding human tissue donation as measured by Organ Transplant Questionnaire, 1969 vs 1974 donors vs nondonors, 54:11549
attitudes toward donating body organs for transplantation after death, high school students, 57:6197
beliefs & attitudes & intentions regarding blood donation, donating behavior, college students, 56:4064
charity request technique implying acceptability but less desirability of small donations, compliance patterns among contributors, adult suburban residents, 58:1135
church attendance, altruistic behavior, national survey, 53:964
concession procedure, inducement of verbal & behavioral & further compliance with request to donate blood, college students, 56:668
confession, altruism measured by amount of donations, adults, 55:750
costs for helping & not helping & presentation order, donation of blood to hemophiliac, pedestrians near health center, implications for cost-reward model of helping behavior, 56:7939
degree of inequity & socioeconomic status, inequity reduction behavior, upper vs lower class 6th graders, 53:11610
demographics at graduation, prediction of financial donation, donor vs nondonor alumni, 53:6085
deserving & altruism & age, sharing behavior, kindergartners & 1st & 4th grade students, 55:4510
development of role taking & moral judgment & sex & grade level & deservedness of reward, sharing behavior, kindergartners & 1st–3rd graders, 55:9501
embarrassment, compliance behavior & motivation to help others, male college students, 54:5226
emotional arousal & sharing & out-of-role behavior, facilitation of interpersonal attraction, college students, 54:5187
emotional stability & psychopathological traits on MMPI & Maudsley Personality Inventory, fainting & nonfainting student blood donors, 54:5338
equity vs equality of distribution, moral judgments of thefts & charity & 3rd party transfers, 5th & 6th graders, 57:12765
evolution & role of UNICEF, India , 55:1107
evolution of human aggressivity, development of philanthropic drive, 57:3034
face-to-face vs impersonal appeal & sex of solicitor, streetcorner donations, pedestrians, 58:9526
familiarity with supplicant, charity & attraction, 54:3028
generosity & legitimacy of model, determinants of helpful behavior, 54:5241
group discussion vs individual situation, generosity concerning relief fund donation, female college students, 53:3007
handicapped adult vs child recipient of potential donor's earned vs nonearned acquisition of money, age differences in generosity, 5–6 vs 8–9 yr olds, 58:5214
humanitarian motives vs fear of unknown & apathy, motivation of blood donors vs nondonors, British college students, replication of R. M. Oswalt & M. Napoliello's study, 54:3040
increase vs decrease of equality of distribution of goods by 3rd-party transfers, moral judgments of charity & theft, 5th graders, 53:9499
Kohlberg's cognitive-developmental stages of moral reasoning, classification of sharing decisions, 5–13 yr olds, 55:9386
labeling as charitable vs uncharitable, contributions to charities, Ss, 55:2394
modeled generosity & instructions & age, private & public charitability, 4th & 5th grade girls, implications for social learning theory & moral development, 57:3013
need & receipt vs denial of aid, attitudes toward benefactor, college students, attempted replication of S. J. Morse & K. J. Gergen's simulation study, 55:9779
noncontingent warmth from adult & impulsivity-reflectivity, imitative donation & rescue effort behavior, male 1st graders, 56:7987
norm strength, charitable helping behavior, 53:9519
observation of model performance vs verbalization of donation vs sharing behavior vs aggressive behavior, sharing & imitative & novel aggression, 7–10 yr olds, 56:695
perceived relative deservedness of potential recipients' fate, charitable behavior, male 4th & 5th graders, 55:549
perceptual cues & magnitude of work input, reward allocation, 1st & 2nd graders & kindergartners, 54:1021
personality & motivation for donation & psychological risks in decision, 16–20 yr old potential & actual kidney donors, 53:10290
personality traits & body image & social attitudes, 22–55 yr old organ transplant donors vs nondonors, 54:11548
personality traits & body image & social attitudes, human tissue donation, adult Jehovah's Witnesses vs donors vs nondonors, 57:3303
personality traits & body image & socioeconomic factors, human tissue donors vs nondonors, replication of S. E. Cleveland & D. L. Johnson, 53:9503
presence & cessation of verbal prompts &/vs praise, rates of donation to needy peer, low income kindergartners & 1st graders, 57:8022
psychological implications of organ transplantation, recipient & family & living donor & surgeon & psychiatrist, 54:12411
public vs anonymous disclosure of reward allocations by team members, equality vs equity of distributions, male vs female college students, 58:3295
rates of offers to share, controlling sharing, preschoolers, 57:12735
reciprocity, gift-giving practices, Japanese Americans, Hawaii, 54:11581
salience of altruism vs personal benefit donor motivation immediately prior to donation, likelihood of future blood donation, "veteran" vs 1st time blood donors, 58:7521
self-attributions formed from previous behavior, helping behavior, women, 54:5177
severity of exertion in service of goal, attraction to cause & citing of charity as behavior justification, 10–15 yr olds in charity march, 56:7936
sex, helping behavior in assisting younger child & donation behavior, White middle class 5th graders, 57:10031
shifting cost conditions & time to consider ramifications, donation behavior, school age children, 58:7428
stress from psychic conflict, renal function, healthy potential kidney donors, 56:7428
verbal modeling & reasons given for contributing, contributions to charity, residential Ss, 58:1044
viewing sad vs neutral movies & attention level, donation rates, adult movie goers, replication of findings of B. S. Moore et al, 58:7539
White vs Black vs American Indian recipients & value of donation, sharing behavior, White preschoolers vs school age children, 57:8049
White vs Black vs Indian recipients & value of shared items & situations varying in social distance, sharing behavior, White preschoolers vs 2nd graders, 57:10337

Cheating
anticipated success-failure & confidence & test importance, classroom examination cheating behavior, college students, 58:6310
anxiety level, resistance to temptation measured by difference between self scoring & teacher's scoring on mid-term exam, veterans in college, 54:12637
Arrow-Dot measures of impulse & ego & superego functions, resistance to temptation, male college students classified as cheaters vs noncheaters vs supercheaters, 53:11747
attribution of cheating vs errors on Shackleton ESP experiment, criticism of C. Scott & P. Haskell's paper, 54:2233
cheating on ESP experiments on B. Shackleton, contribution of J. R. Smythies, 54:2236
cheating, personality tests for employment, 53:4177
cheating possibilities in Soal-Goldney ESP experiments with B. Shackleton, 54:2230
cognitive complexity & impulsivity-reflectivity & present-future time perspective & cheating behavior, predictions of subtype differences of "I" level classification system, institutionalized delinquent girls, 55:7350
competency based teacher education vs traditional education program & attitudes toward cheating & self actualization & achievement & scholastic aptitude & sex & age & academic classification, cheating behavior, college students, 55:13453
credibility of G. Albert's testimony against ESP experiments on B. Shackleton, 54:2237
fear communication & objective self awareness & internal-external focus, attitude change & behavior regarding cheating, 58:11692
Gretl Albert's observation of alleged cheating during ESP experiments on B. Schackleton, 54:4495
high vs moderate vs low interpersonal trust expectancy score, cheating in situation with presumably low risk of detection, 5th graders, 56:3971
internal-external locus of control, resistance to temptation & guilt after transgression in cheating situation, females, 57:8316
Interpersonal Trust Scale, prediction of untrustworthy behavior, cheating vs noncheating male college students, 58:9707
knowledge of intended recipient of reward, punitive evaluation of cheating behavior, college students, 57:1178
manipulation of data, ESP card-guessing experiments of S. G. Soal & K. M. Goldney on B. Shackleton, 54:2235
need for approval score components, cheating following success & failure, college students, 53:11734
opportunity to cheat & amount of reward, learning, college students, 58:12606
parental Machiavellianism, cheating, preschool age children, Japan, 53:7091
personal accounts of C. Scott & P. Haskell about Shackleton ESP experiments, 54:2222
personality & parent behavior, male vs female cheating vs noncheating college students, 58:11875
personality & situation differences in locus of control, cheating behavior, college students, 56:750
personality-situation locus of control congruence vs incongruence, cheating, college students, 57:3180
praise & token reinforcement & punishment, cheating & admission of cheating, elementary school males in behavior modification classroom, 58:10392
presentation of model cheating on task & type of subsequent punishment & model's reaction, reaction to carrying out same task with threat of punishment, 2nd & 3rd graders, 54:9609
relationship between R. Hogan's & L. Kohlberg's moral development theories & prediction of resistance to influence of punishment during ethical decision making & cheating, college students, 58:7264
resistance to temptation to cheat & altruistic behavior, male vs female Jesus people vs religious vs nonreligious vs atheist college students, 57:1069
reward contingencies & increases in task difficulty, performance scores & cheating, academic underachievers & normal achievers, 58:12627
self awareness, antinormative behavior, college students, 57:1242
self reports of cheating by self grading examination, actual deviance from direct observation, male vs female college students, 55:13551
socioeconomic status & maternal aspiration for child, aspiration level & cheating, 1st graders, 55:13376
spacing of students & use of alternate test forms, amount & loci of multiple-choice examination answer copying, college students, 57:11476
study phase distraction, free recall list learning & cheating during testing, college students, 56:10673
success-failure on initial free recall task, cheating on subsequent test, college students, 56:7258
trait guilt, impression of character & prescriptions of punishment & guilt for male vs female student caught cheating, male vs female students, typing & role-expectation interpretations, 56:9859
unauthorized availability of publishers' test manuals accompanying college textbooks, need for precautions & impairment of test validity, 55:13593
validity of Measure of Social Self-Esteem, correlation between Delinquent Behavior Checklist & self esteem scores & cheating scores on puzzle solving task, male adolescents, 58:138

Chemical Brain Stimulation
acetylcholine levels in developing brain, biochemical findings & active & passive avoidance performance, rats, 58:11312
ACTH & glucose injections into lateral forebrain ventricles, displacement activities in stressful conflict situations, pigeons, 57:12374
actinomycin D infusion into preoptic area, reversible inhibition of lordosis behavior & correlated changes in nucleolar morphology, ovariectomized rats, 53:8953
Actinomycin-D vs cycloheximide administered to preoptic area, estrogen- & progesterone-induced sexual & maternal behaviors & ovulation, ovariectomized female rats, 58:3000
adrenal demedullation & chemical sympathectomy, acquisition of 1-way active avoidance response, rats, 58:647
adrenergic agonists & antagonists, neural activity within hypothalamus, male rats, 55:11772
alpha-adrenergic agonists & antagonist intraventricular injections, food intake, sheep & steers, support for neurochemical coding & feeding, 53:9013
alpha-methyl-para-tyrosine & 6-hydroxydopamine, acoustic startle response, male rats, 54:11172
alpha-methylparatyrosine pretreatment vs anterior diencephalic lesions, inhibition of neuronal activity induced by dextroamphetamine sulphate infusions into substantia nigra, male rats, 58:2911
alterations of neuronal activity during induction of penicillin epileptic focus in visual cortex, cats, 54:4741
aluminum intracranial injections with no neurofibrillary degeneration, weight & conditioned avoidance response acquisition, male rats, 57:757
amphetamine into neostriatum & nucleus accumbens, electrical self stimulation, male rats, 54:6956
amygdaloid lesions, eating induced by single waves of cortical spreading depression, male rats, 56:3633
anesthetic injected into brain stem sites, body temperature & behavioral thermoregulation, male rats, 57:12389
anesthetisation of sulcal prefrontal cortex, flinch & jump responses to aversive footshock, rats, 56:5644
angiotensin II injected into dorsal neostriatum after learning, retention of passive avoidance task, male rats, 58:11323
angiotensin receptor antagonist vs converting enzyme inhibitor by intracerebroventricular vs peripheral routes, drinking responses following thirst induced by cellular dehydration or hypovolemia, male rats, 53:2687
angiotensin-II vs hypertonic sodium chloride vs 5-ion solution vs serotonin injections in medial brain regions, drinking, cats, 53:4675
anodal vs cathodal lesions & microinjection of metal ions in hypothalamic loci, postoperative locomotion, male rats, 53:6794
antagonists, locomotor stimulation induced by dopamine & noradrenaline injection into nucleus accumbens, nialamide pretreated rats, 54:4721
anterolateral hypothalamic injection of 6-hydroxydopamine, open field behavior & plasma corticosterone, male rats, 58:5053
antiestrogen, estrogenic effects on eating & body weight, female gerbils vs rats, 58:9161
antisera injections to brain constituents, EEG patterns & learning & response behavior, male rats, 57:807
antiserum to synaptic membrane fraction & erythrocytes, behavioral & electrophysiological alterations, male rats, 53:2539
apomorphine & morphine & methadone implantation in thalamus, compulsive gnawing, rats, 53:9034
apomorphine alkaloids & 6-hydroxydopamine lesions of nucleus accumbens, locomotor activity, male rats, 56:9470
apomorphine, restoration of drinking to thirst challenges following 6-hydroxydopamine lateral hypothalamic electrocoagulation, rats, 58:4966
apomorphine stimulation of central noradrenergic & dopaminergic receptors, avoidance behavior induced by 6-hydroxydopamine, male rats, 55:11792
application of gamma-aminobutyric acid & noradrenaline & serotonin & their antagonists to dorsal hippocampus, latency of avoidance reaction, rats, 53:9017
application of serotonin & adrenalin & acetylcholine & eserine to hypothalamus, cortical activity, cats, 53:8986
behavioral & immunological aspects, chemical transfer of color discrimination performance, goldfish, 58:2910
bilateral application of 6-hydroxydopamine to ventral anterior head of corpus striatum, responding for electrical stimulation of lateral hypothalamus, male rats, 54:11205
bilateral hippocampal administration of carbachol & diisopropyl fluorophosphate & arachis oil, single trial alternation performance, male rats, 53:9003
bilateral intrastriatal dopamine, precise motor responding, male rats, 53:8973
bilateral 6-hydroxydopamine injected into substantia nigra vs lesion of dorsal or ventral noradrenergic pathways, locomotor & stereotyped responses induced by amphetamine & sensitivity to apomorphine & levodopa & response to cocaine, male rats, 55:364
bilateral 6-hydroxydopamine lesions to the substantia nigra, spontaneous locomotor behavior & loss of striatal dopamine & eating, rats, 54:522
bipolar chemitrodes, simultaneous electrical & chemical stimulation & localized perfusion of brain, 54:4753
brain extracts from donors exposed to inescapable stress, shock avoidance learning in recipients, goldfish, criticism of results of P. V. Laird et al, 53:2559
brain extracts from Ss trained for taking smooth balls, tactile preference for rough vs smooth balls, naive Octopus vulgaris, 57:5234
brain site & mode of action of amphetamine, production of anorexia, male rats, 54:6963
brain stem piperidine, hypnogenic effect in CNS, cats, 55:2072
brain tissue homogenate injection from trained rats, memory transfer of escape response, mice, 57:5262
caffeine, puromycin-induced suppression of memory, mice, 53:11176
cannula for intracerebral administration of experimental substances, 57:54
cannula system, local brain stimulation, rats, 56:3190
carbachol & angiotensin-II injections into preoptic areas & anterior hypothalamus, water balance & lateral ventricular thresholds for drinking, male rats, 58:5036
carbachol injection into anterior hypothalamus or thalamus & hippocampus & amygdala & pretreatment with atropine & nicotine & noradrenaline, alimentary conditioned reflex performance, cats, 56:2059
carbachol injection into pontine brainstem, sleep cycle control & cholinergic mechanisms, male cats, 55:6529

carbachol stimulation of amygdala, gross behavior & EEG & hypothalamic emotional reaction, implanted awake cats, 53:9050
carbachol vs histamine vs isoproterenol application to medial septal area, drinking & eating & brightness discrimination task performance, rats, 53:4645
catecholamine depletion by intracisternal 6-hydroxydopamine injection at 5 vs 14 days old, body growth & drinking behavior & avoidance response, male rats, 57:714
caudate nucleus lesions by bilateral stereotaxic injection of 6-hydroxydopamine, stereotypy response to amphetamine, male rats, 53:11080
central administration of norepinephrine, facilitation of consolidation of passive avoidance repsonse, male rats, 54:11213
central administration of RX72601 dosages, hypothermia & behavior, unanesthetized cats, 57:782
central anticholinergic blockade of cholinergically-induced drinking, neural activity changes, male rats, 53:11101
central nervous system depressant & stimulant drugs, sleeping time following intracerebroventricular pentobarbitone, rats, 53:2544
central vs systemic injection of amphetamine, hypothalamic activity, male rats, 54:6996
centrally administered norepinephrine vs dopamine, retention of inhibitory avoidance task training, male mice, support for central catecholamine modulation of memory storage processes, 58:9123
cerebral administration of somatotropin release inhibiting factor & analogs into hippocampus, stereotyped behavior & sleep-waking cycle & EEG, male rats, 56:9594
cerebral dopaminergic denervation by 6-hydroxydopamine, behavioral supersensitivity to apomorphine, male mice, 54:6938
cerebral ventricles, injections of dextroamphetamine & desmethylimipramine & isocarboxazid vs morphine & cyclazocine & naloxone, body temperature & locomotor activity & reserpine- or tetrabenazine-induced depression, mice, 54:9096
chemical & electrical stimulation of thalamic region, conditioned reflex behavior, cats, 55:2107
chemical stimulation of dorsal & ventral segments of caudate nucleus head, alimentary conditioned reflexes, dogs, 55:2114
chemistor as reusable telestimulation device for direct chemical stimulation of brain, freely moving primates, 54:4735
chlorpromazine vs haloperidol vs dopamine injections into corticomedial amygdala, role of amygdaloid catecholamines in control of shock-induced aggression & pain sensitivity, male rats, 57:9877
choline esters & peripheral muscarinic action substances in cerebral ventricles, emotional behavior & autonomic & motor systems & gross behavior, unanesthetized cats, 53:9031
cholinergic & monoaminergic mechanisms, hypothalamic thermoregulation, rabbits, 53:2545
cholinomimetic & cholinolytic agents, posterior hypothalamic self stimulation, rats, 55:2122
cholinomimetic agents in 3rd cerebral ventricle & hypothalamus, adult fowl & young chickens, 53:9082
chronic intraventricular delta-9-tetrahydrocannabinol, endocrine system, prepuberal vs adult male rats, 56:388
chronic intraventricular vs iv dextroamphetamine self administration doses, drug intake rate, rats, 57:2751
cobalt experimental epilepsy, appearance of wet dog shake behavior & its suppression by reserpine, female rats, 55:6546
cobalt wire vs powder implantations in neocortex, epileptic focus of visual evoked potentials, male rats, 58:2907
conditioned emotional response training followed by intracranial injections of KCl, EEG activity & response retrieval, rats, 57:774
consummatory behavior elicited by electrical stimulation or norepinephrine stimulation of neocortex or hippocampus, EEG & direct current activity & cortical spreading depression, male rats, 58:2927
cortical administration of somatostatin & hypophysectomy, motor & sleep-waking cycle, rats, 57:2784
cortical application of potassium chloride & estradiol benzoate injections, feminine sexual responses, castrated male rats, 54:9073
cortical spreading depression, prolonged slow potential variation, male rats, 53:4640
cortical spreading depression, transfer of learning in escape pretraining & original learning & relearning, male rats, 57:12328
cyclic analog of dopamine, injections into brain, stereotyped behavior & locomotor stimulation & behavioral pharmacology, rats, 54:9098
cycloheximide vs anisomycin & subcutaneous vs bitemporal injection, performance at 10 min after passive avoidance training, male mice, 56:5651
cycloheximide-induced inhibition of brain protein synthesis, acquisition & retention of brightness discriminated shock avoidance, rats & mice, 55:9295
cytidine diphosphate choline administration into lateral ventricle & intrathecal space & on cerebral cortex & peripheral nerve, nervous system, cats, 53:4661
dactinomycin applied intrahippocampally, acquisition & retention of shock-motivated brightness discrimination, male rats, 56:7550
delta-9-tetrahydrocannabinol & morphine & ethanol infusion into hippocampus & caudate nucleus vs ip injections, induction of conditioned taste aversion, male rats, 58:7070
depletion of brain norepinephrine due to bilateral 6-hydroxydopamine injections into mesencephalic trajectory of dorsal tegmental noradrenergic bundle, intracranial self stimulation, male rats, 57:5231
depletion of brain serotonin after intraventricular 5,7-dehydroxytryptamine, slow wave sleep & paradoxical sleep & wakefulness, rats, 57:2787
depletion of cortical & hippocampal noradrenaline by 6-hydroxydopamine, acquisition & extinction of runway response & leverpressing & successive light-dark discrimination task, rats, 58:3008
depression of visual cortex by potassium chloride, averaged evoked potentials in response to electrical stimulation of optic nerve & photic stimulation of eye, rabbits, 57:648
destruction of brain norepinephrine or dopamine or both catecholamine neural systems using various 6-hydroxydopamine treatments, anorexia produced by amphetamine & related compounds, male rats, 55:9277
destruction of central serotonin nerve terminals by 5,7-dihydroxytryptamine, behavioral supersensitivity to serotonin precursors & agonists, male rats, 56:9606
destruction of noradrenergic or serotonergic brain fibers by 6-hydroxydopamine or 5, 6-dihydroxytryptamine, social behavior, mice, 57:9873
dextroamphetamine vs 2,5-dimethoxy-4-methylamphetamine, in vivo efflux of catecholamines from brain, male rats, 53:11105
dopamine, properties of adenylate cyclase activity in homogenates of anterior limbic cortex & subcortical limbic regions, monkeys, 55:4000
dopamine receptor stimulants & electrolytic or 6-hydroxydopamine-induced lesions of nucleus accumbens, locomotor activity, male rats, 58:11192
dopamine vs scopolamine vs dextroamphetamine vs norepinephrine vs eserine application to ventral anterior region of corpus striatum vs electrolytic resins of ventrolateral section, response rates on DRL-30-sec schedule, male rats, 56:7453
dopamine-sensitive adenylyl cyclase activity in caudate nucleus, schizophrenic vs nonschizophrenic Ss, 54:11223
drug injections into lateral hypothalamus, roles of dopaminergic & noradrenergic systems in modulation of normally motivated consummatory behavior, 57:7829
drugs with antidepressant activity, pimozide- or noradrenaline-induced hypothermia & behavioral depression, mice, 54:505
early vs later postinjection test trials, transfer of acquired information in Y maze shock escape situation by brain extract, male CBA/1-J recipient mice, 57:5233
ECS & intracranial puromycin, anterograde & retrograde effects on memory formation, goldfish, 54:2515
electrolytic & 6-hydroxydopamine lesions of ventral noradrenergic bundle, body weight, female rats, 56:365
electrolytic & 6-hydroxydopamine lesions of ascending dopamine systems of brain, striatal & mesolimbic dopamine dysfunction & nature of circling responses, male rats, 57:12312
electrolytic lesions & 6-hydroxydopamine induced destruction of ventral noradrenergic bundle with vs without pretreatment with desmethylimipramine, brain norepinephrine & regulation of food consumption, rats, 56:308
electrolytic or 6-hydroxydopamine lesions of locus coeruleus & dorsal tegmental noradrenergic projection, maze learning, male rats, 56:1991
electrophoretic application of ethyl alcohol in brain neurons, neuronal sensitivity in lateral hypothalamus & zona incerta & thalamus & cerebral cortex, female rats, 54:11217
elevation of gamma-aminobutyric acid levels in nucleus accumbens region by ethanolamine, dopamine-dependent behavioral effects, rats, 58:11337
enkephalins injected into lateral ventricle or implanted into ventral thalamus, stereotyped behavior & gnawing, rats, 58:7072
environmental stimuli, restoration of sensorimotor functions following striatal dopamine depletion induced by lateral hypothalamic lesions or intraventricular 6-hydroxydopamine, male rats, 56:5572
epileptic focus, discrete skilled movements, rats, 55:6584
epileptogenic implants in anteromedial temporal cortex, learning & retention of visual & somesthetic discriminations & delayed alternation, monkeys, 57:654
estradiol benzoate priming & intracerebral implantation of progesterone or cholesterol, sexual receptivity, ovariectomized female rats, 58:5032
estradiol metabolite, sexual receptivity after progesterone priming, ovariectomized female rats, 58:7102
ethanolamine-O-sulphate injected into globus pallidus, gamma-aminobutyric acid concentrations & spontaneous & amphetamine-induced motor behavior, rats, 57:12415
etiology of aphagia & reinstatement of eating by dopamine agonists, male rats with adipsia & aphagia after bilateral intracerebral injections of 6-hydroxydopamine, 56:420
exposure to novel sodium saccharin solution & subsequent KCl-induced spreading depression vs Ringer's solution exposure, conditioned aversion to subsequent saccharin presentations, male rats, 58:2908
firing patterns of normal & epileptic cells of chronic epileptogenic alumina foci in precentral cortex, rhesus monkeys, 55:4030
first exposure to light & labeled uridine given intraventricularly, uridine nucleotides in visual cortex, newly weaned rats, 53:6776
FLA-63-& U14624-induced inhibition of dopamine-beta-hydroxylase, puromycin effects on memory, mice, implications for establishing locus of memory trace, 58:685
gamma-aminobutyric acid release from forebrain synaptosomes with repeated calcium stimulation, stimulation-dependent depression of readily releasable neurotransmitter pools in brain, male mice, 57:9852
glucose-6-phosphate, ventromedial hypothalamic electrical activity, male rats, 55:9186
haloperidol & dopamine & angiotensin analog, dipsogenic action of intraseptal angiotensin II, male rats, 53:6862
haloperidol & spiroperidol & pimozide & nigrostriatal bundle lesions induced by intracerebral 6-hydroxydopamine, tail pinch induced eating, satiated male rats, 54:11155
haloperidol application to cortical surface, reticular inhibition of I-waves of pyramidal tract response, rats, 56:5694
haloperidol injection into caudate nucleus & nucleus accumbens, antagonism of apomorphine- & dextroamphetamine-induced stereotyped behavior, male rats, 56:2066
haloperidol injection into nucleus accumbens, inhibition of dextroamphetamine-induced locomotor activity, rats, 54:4762
handling, taming effects on 6-hydroxydopamine induced rage, male rats, 54:11182
high frequency electrical stimulation of diffusely & more restricted projecting brain regions, penicillin-induced cortical epileptiform focal activity, cats, 55:9216
hippocampal microinjections of dextroamphetamine & scopolamine, active avoidance behavior, male rats, 53:8993
hippocampal or intrahypothalamic injections of anticholinergic compounds, operant responding in schedule of reinforced & punished & nonreinforced components, male rats, 55:4153
horseradish peroxidase injection in frontal & parietal cortex, connections to basal forebrain & hypothalamus, monkeys, 54:537
hydroxydopamine-induced chronic central adrenergic denervation, learning & memory of aversive discrimination Y maze task, mice, 58:5004
hypothalamic adrenergic stimulation, ingestion during satiation & role of alpha & beta receptors, male rats, 54:11199
hypothalamic cholinergic & adrenergic stimulation, eating behavior, male rats, 55:4138
hypothalamic injections of 5,6-dihydroxtryptamine, thermoregulatory deficits, monkey, 56:451
hypothalamic injections of 5,6-dihydroxytryptamine, body temperature & weight & food & water intakes, male rats, 55:2097
hypothalamic norepinephrine injection, feeding & drinking patterns, male rats, 54:11200
hypothalamic temperature & injections of norepinephrine into preoptic region & anterior hypothalamus, rate of behaviorally obtaining radiant heat & body temperature, cold-exposed male monkeys, 58:11182
hypothalamically administered reserpine, sexual behavior when introduced to sexually vigorous male, ovariectomized female cats, 58:11167
in vivo perfusion of topographically localized area of brain by push-pull cannula, drug-induced modifications of 5-hydroxytryptamine at central serotonergic effector sites, rats, 55:6568
injection of angiotensin into neuroanatomical structures of brain, water ingestion, cats, 57:2801
injection of brain homogenate from mantids trained not to attack black star in movement, behavioral transfer, naive praying mantis, 56:9476
injections of brain homogenate supernatant from kindled rats, development of clonic convulsions, recipient male rats, 57:728
interaction of synthetic metenkephalin & leu-enkephalin with brain opiate receptors, analgesia & immobility, male rats, 56:9544
intra-amygdaloid injections of 6-hydroxydopamine, passive avoidance acquisition, rats, 56:9450
intracaudate chlorpromazine injections, conditioned avoidance & self stimulation behavior, rats, 55:6600
intracaudate microinjection of tranylcypromine & harmaline, physostigmine-induced cholinergic tremors & baseline caudate functioning, cats, 54:580
intracerebral acetylcholine & norepinephrine & propranolol hydrochloride & regitine hydrochloride & atropine sulfate & cinanserin, mating behavior, castrated vs noncastrated male rat copulators vs noncopulators, 58:4977
intracerebral actinomycin D implants, estrogen-induced receptivity, ovariectomized female rats, 53:8968
intracerebral chemitrode for electrical & chemical brain stimulation, rats, 56:8946
intracerebral dihydroxylated tryptamine derivatives, behavior & cerebral bioamine content, mice, 53:11131
intracerebral dopamine applied to dopamine-containing areas of mesolimbic system, behavioral effects, male rats, 54:6958
intracerebral hemicholinium, morphine analgesia & tolerance & physical dependence & brain acetylcholine, male mice, 53:11115
intracerebral injections of glutamic acid, acquisition & performance & extinction of operant barpress response & behavioral activity, food-deprived male rats, 58:11255
intracerebral levo-proline 1 min vs 1 vs 4 hrs after avoidance training, memory 24 hrs later, cockerels, 56:7499
intracerebral microinjections of morphine, self stimulation, male rats, 56:3689
intracerebral vs intraperitoneal injections of brain homogenate supernatant, shock-induced clonic convulsions, rats, 55:6445
intracerebral vs subcutaneous injections of estradiol vs testosterone, nuclear binding of estradiol in hypothalamic/amygdaloid region, neonatal brain of male vs female rats, 58:726
intracerebral 6-hydroxydopamine, reduction in morphine tolerance & opioid-seeking behavior, 58:9138
intracerebral 6-hydroxydopamine, self-stimulation & enhanced behavioral depressive effects of alpha-methylparatyrosine, male rats, 53:11102
intracerebroventricular administration of antivasopressin serum, modulation of passive-avoidance behavior, male rats, 58:724
intracerebroventricular injection of biogenic amines, antinociceptive activity of narcotic agonists & partial agonists, male mice, 54:6945
intracerebroventricular nialamide & 6-hydroxydopamine, feeding behavior, sheep, 54:523
intracerebroventricular noradrenaline vs dopamine vs acetylcholine vs 5-hydroxytryptamine, locomotor & exploratory behavior, conscious mice, 57:743
intracisternal & hypnotic doses of salsolinol, locomotor activity, mice selected for sensitivity to alcohol, 58:11236
intracisternal administration of hypothalamic peptide neurotensin, hypothermia & intolerance to cold, male mice, 57:709
intracisternal administration of 5,7-dihydroxytryptamine, behavioral & biochemical interaction with other drugs, rats, 55:6537
intracisternal gamma-aminobutyric acid vs glutamic acid, behavioral activity in novel environment, male rats, 57:2741
intracisternal injection of prostaglandin E sub 1, waking & paradoxical phase of sleep, 6-hydroxydopamine-treated rats, 56:9582
intracisternal 6-hydroxydopamine, growth & behavior changes during development, immature rats, evidence for involvement of brain dopamine, 55:468
intracisternal 6-hydroxydopamine, sleep, rats, 54:544
intracollicular horseradish peroxidase injections, identification of corticotectal cells of visual cortex, cats, 55:453
intracortical ouabain & phenobarbital, oxidative metabolic activity due to spreading cortical depression, cats, 55:2087
intracranial actinomycin D & dosage amounts, acquisition of avoidance responses & role of ribonucleic acid synthesis, goldfish, 53:2576
intracranial alpha-methylparatyrosine, response rate for intracranial brain self stimulation, male rats, 55:4084
intracranial angiotensin, thirst elicitation & analysis sites within 3rd ventricle, rats, 58:5012
intracranial cycloheximide, reversible inhibition of steroid-induced sexual behavior, ovariectomized rats, 54:2486
intracranial cycloheximide, sexual behavior & plasma testosterone, male mice, 57:806
intracranial implants of tin cylinders, local tissue reaction & behavioral manifestations, male mice, 57:625
intracranial injections of angiotensin amine dosages, water consumption & analysis, cats, 58:5011
intracranial injections of atropine, puromycin-induced amnesia, rats, 55:9052
intracranial injections of 6-hydroxydopamine vs guanethidine, consummatory behavior & temperature regulation & monoamine level & damage to neurons, rats, 55:2108
intracranial morphine microinjections, analgesia & hyperreactivity, male rats, 53:580
intracranial or systemic hormone administration, lordosis behavior, ovariectomized guinea pigs, 57:2692
intracranial penicillin, deficient brightness discrimination acquisition, male rats, 53:9027
intracranial vs intravenous vs subcutaneous injections of 3-H-levofucose, incorporation into brain glycoproteins during environmental stimulation, male mice, 53:8950
intrahippocampal & ip imipramine hydrochloride, neurotransmitter activity at noradrenergic & serotinergic synapses & time-dependent memory retrieval effects, rats, 55:9282
intrahippocampal atropine, acquisition & consolidation & extinction of brightness discrimination, male rats, 53:4673
intrahippocampal injection of potassium chloride & labeled-H-orotic acid, spreading of solutions, rats, 53:11134
intrahippocampal methylscopolamine, exploratory behavior, lines of mice selectively bred for frequent vs less frequent rearing responses, 54:4769
intrahypothalamic acetylcholine, heat escape behavior & hypothalamic temperature, male rats, 56:9579
intrahypothalamic norepinephrine, feeding response under light & dark conditions, male rats, 53:11109
intramesencephalic 6-hydroxydopamine injection into brain noradrenergic pathways, feeding responses to insulin vs saccharin vs quinine vs cheese vs caloric manipulation, hyperphagic female rats, 57:12364
intranigral injections of acetylcholine vs methacholine vs neostigmine vs systemic injections of dopamine receptor stimulating & blocking agents, EEG & behavioral effects, rabbits, 53:4681
intranigral picrotoxin, induction of rotational behavior, male rats, 55:2115
intraperitoneal vs intraventricular diallyl-nor-morphinium-bromide vs levallorphan vs nalorphine vs SH-254, morphine withdrawal, male rats, 57:765
intraperitoneal vs parenteral vs intracerebroventricular administration, antinociceptive action of alpha-sympathomimetic agents, rats & mice, 53:2680
intraseptal injections of adrenergic drugs, response rate & number of shocks on free operant avoidance schedule & rate of anticipatory errors & number of reinforcements on DRL schedule, male rats, 58:3002
intrastriatal 6-hydroxydopamine, hypothalamic self stimulation & locomotor activity & sexual receptivity & food intake changes, rats, 58:2992
intraventricular & intrahypothalamic cholera toxin, motor activity & electrocortical activity & body temperature, chicks, 56:3750
intraventricular acetylmethylcholine, writhing induced by ip-administered acetylcholine, mice, 54:9062
intraventricular administration of tryptolines, spontaneous motor activity, male rats, 58:691
intraventricular anticholinergics, cholinergic hippocampal rhythmical slow activity & neocortical desynchronization, male rabbits & rats, 57:5417
intraventricular application of peptides derived from ACTH, induction of excessive grooming, male rats, 55:2073
intraventricular clonidine vs norepinephrine vs dopamine vs apomorphine, neurochemical regulation of feeding, male rats, 54:553
intraventricular ethanol, ethanol uptake, male rats, 54:11187

intraventricular hemicholinium-3, prevention & reversal of tolerance to barbiturates, male rats, 56:5641
intraventricular imipramine & 5-hydroxytryptamine, tonic immobility & relationship to raphe electrical activity, chickens, 57:12384
intraventricular infusion of norepinephrine, differential behavioral responsiveness, inbred Buff vs F344 strains of rats, role of catecholamine receptor sensitivity, 54:11210
intraventricular infusions of norepinephrine & methoxamine with vs without 6-hydroxydopamine pretreatment, pre- & postjunctional supersensitivity & behavioral activity, male rats, 58:11353
intraventricular injection of ACTH analogs vs lysine vasopressin vs amino acid mixture, behavioral & biochemical responses, male mice, 56:9592
intraventricular injection of 6-hydroxydopamine, long term deficits in stimulation-induced behaviors & self stimulation, male rats with electrodes implanted in lateral hypothalamus, 56:3639
intraventricular injections of dialyzed brain extracts, avoidance of footshock performance, naive recipient mice, 57:5235
intraventricular injections of 6-hydroxydopamine, physiological & behavioral effects, cats, 53:6783
intraventricular methoxy-indolealkylamines, behavior, male rats, 53:11133
intraventricular self administration of morphine, male rats, 58:9100
intraventricular serotonin dosages, spontaneous motor activity, male rats, 58:11269
intraventricular somatostatin & thyrotropin hormone, motor system & sleep-waking pattern, rats, 56:9571
intraventricular vasopressin & vasopressin fragments, extinction of pole jumping avoidance response, male rats, 57:2737
intraventricular vs intrahypothalamic 6-hydroxydopamine, food & water intake & body weight, male rats, 57:7826
intraventricular 3-H-para-chloramphetamine, time-dependent cerebral metabolism, rats, 58:3030
intraventricular 6-hydroxydopamine & pretreatment with pargyline, avoidance & escape responding, male rats, 55:11793
intraventricular 6-hydroxydopamine, isolation-induced fighting behavior & brain norepinephrine levels, male mice, 56:9548
intraventricular 6-hydroxydopamine, relationship of brain levels of norepinephrine & dopamine to avoidance behavior, male rats, 55:11794
iontophoretic administration of acetylcholine, evoked neuronal activity in visual cortex, cats, 57:651
iontophoretic application of opiate antagonists & opiate agonists to locus coeruleus, neuronal sensitivity to opiates, rats, 58:7073
ipsilateral lesions of dopaminergic nigro-striatal bundle with 6-hydroxydopamine, mediation of retrograde amnesia after electrical stimulation of substantia nigra, male rats, 57:5238
kainic acid injections in corpus striatum & substantia nigra, neurons in cell bodies near injection site, rats, 58:7045
lateral & 3rd ventricle administration of LSD, rapid development of tolerance, male rabbits, 58:2979
lateral hypothalamic injections of 6-hydroxydopamine, loss of avoidance responding, male rats, 55:2110
lesions induced in locus coeruleus by 6-hydroxydopamine & diethyldithiocarbamate, acquisition & retention of passive avoidance response, female rats, 57:5232
lesions of & estradiol benzoate implants in medial preoptic area, onset of maternal behavior, pregnant & hysterectomized & ovariectomized female rats, 58:2920
lesions of mesencephalo-cortico limbic dopaminergic A10 group, locomotor activity & passive avoidance learning, rats, 58:7056
levallorphan vs naloxone vs SH-254 administration to restricted parts of ventricular system vs midbrain vs lower brain stem vs thalamic nuclei, morphine withdrawal, male rats, 57:766
levels of water deprivation & carbachol stimulation of dorsal hippocampus, conditioned saccharin aversions, rats, 55:11805
levodopa & intracranially injected dopamine & haloperidol, suppression of ethanol withdrawal, mice, 57:9829
levodopa & peripheral decarboxylase inhibitor, reversal of impaired learning due to destruction of dopaminergic nigro-neostriatal projection, male rats, 53:2702
lidocaine infusion into lateral septum or surrounding structures, hyperactivity & aggressiveness, male rats, 57:7766
light flashes, visual evoked potentials & excitability cycles during development of spiking cobalt focus in neocortex, male rats, 56:5566
lithium carbonate injections into cisterna magna, brain tissue concentration, dogs, 58:5026
localized perfusion of glucose & insulin & 2-deoxy-D-glucose, noradrenergic feeding system in hypothalamus, monkeys, 58:622
low dosages of noradrenergic drugs, spontaneous ingestive behavior, rats, 57:9876
LSD following neurotoxic unilateral lesioning of nigro-striatal dopamine system, circling behavior, male rats, support for activation of striatal dopamine receptors, 57:9871
mechanical vs chemical damage to ipsilateral noradrenergic pathways vs pharmacological inhibition of norepinephrine synthesis, substantia nigra self-stimulation, male rats, 53:8945
medial ventral tegmentum injections of 6-hydroxydopamine, nocturnal locomotor activity & passive avoidance, male rats, 55:2088
microapplication of free fatty acid, lateral hypothalamic neurons & eating, rats, 54:9114
microinjections of 5-hydroxytryptophan & 5-hydroxytryptamine into superior colliculus, abnormal grooming behavior, adult male cats with frontal neocortical lesions, 58:9044
microiontophoretic applications of norepinephrine & gamma-aminobutyric acid & acetylcholine, neuronal activity in auditory cortex, male monkeys, 55:427
microiontophoresis method for direct chemical brain stimulation, application to carbachol-induced drinking, male rats, 53:11107
morphine dosages, rotation behavior, naive nonlesioned rats, 56:411
morphine microinjected bilaterally into periaqueductal gray matter, profound paradoxical & concurrent hyper- & hyporeactivity, rats, 53:2561
morphine microinjection into brain, analgesia & hyperreactivity, mice, 56:5646
morphine pellet types, time course & duration of physical dependence & severity of naloxone-induced withdrawal, male rats, 58:11317
morphine pretreatment & periaqueductal gray vs intraperitoneal injection, analgesia & tolerance, male rats, 56:2035
morphine sulfate administration to ventral norepinephrine bundle, development of tolerance to physical dependence & opioid-seeking behavior, female rats, 56:2046
morphine vs norepinephrine, central pharmacological activities measured by antinociception test based on ability of chemicals to inhibit shaking response to noxious stimuli, rats, 54:9084
neonatal 6-hydroxydopamine injections, development of response to continuous auditory stimulation, rats, 56:2005
neuroleptics, dyskinetic movements induced by intrastriatal dopamine administration, guinea pigs, 55:4092
nicotine into 3rd cerebral ventricle & various brain sites, adult fowl & young chickens, 53:9081
nigrostriatal pathway lesions by 6-hydroxydopamine injection, nonspecific supersensitivity of striatal dopamine receptors, male rats, 56:3623
noradrenaline centrally administered into locus coeruleus, dose-related behavioral arousal in open field, male rats, 56:2083
noradrenaline vs phenoxybenzamine vs tolazine stimulation of lateral hypothalamus vs amygdala, control of eating, male rats, 55:11798
noradrenaline vs serotonin vs dopamine injections into septum, spontaneous motor activity & conditioned response patterns, rats, 57:826
noradrenergic receptor agonists, reversal of attenuation of self stimulation by inhibition of norepinephrine synthesis, male rats, 56:7538
norepinephrine application to lateral hypothalamus, schedule-induced polydipsia, rats, 55:11811
norepinephrine depletion by intraventricular 6-hydroxydopamine, FR performance & differential levo- & dextroamphetamine, rats, 56:2065
norepinephrine or dopamine brain injections & drug dosages & food deprivation, anatomical mapping of release sites during feeding & cerebral release under food reinforcement & effects of 6-hydroxydopamine & desmethylimipramine, rats, 58:3007
nucleus linearis intermedius raphe lesions, behavior evoked by direct & indirect stimulation of dopamine-sensitive sites in caudate nucleus, cats, 53:4618
optical isomers of dextroamphetamine sulfate & levoamphetamine sulfate, differential effects on firing rate of reticular formation & caudate nucleus neurons, rats, 54:6972
oxotremorine, activity of tyrosine hydroxylase in noradrenergic neurones of locus coeruleus, rats, 56:2045
para-bromomethamphetamine, convulsive seizure excitability threshold, male mice, 58:2993
pargyline & desipramine pretreatment & selective 6-hydroxydopamine induced destruction of mesolimbic dopamine neurons, abolition of dextroamphetamine- & cocaine-induced locomotor activity, rats, 57:5247
partial recovery from central norepinephrine lesions made with 6-hydroxydopamine, avoidance of novel visual stimulation, rats, 56:3665
penicillin injection into right sensorimotor cortex, regional cerebral blood flow during focal epileptiform seizures, monkeys, 54:2518
penicillin-induced cerebral cortical epileptiform discharge, cerebellar response, cats, 53:2562
penicillin-induced neocortical epileptogenic focus, bioelectrical activity, male rats, 53:11130
pentylenetetrazol, REM sleep, naive & cobalt-epileptic female rats, 53:2533
peripheral & central administration of angiotensin II, drinking response, chicks, 57:2797
pharmacological intervention & brain lesions, role of superior colliculus serotonin in grooming behavior, adult male cats, 57:659
pheniprazine vs tropolone, attribution of components of dyskinetic activity to dopamine or 3-methoxy-tyramine, male rats, 56:7509
piperidine administration into hippocampus of amygdalae vs pontine reticular formation vs cerebellum, resting & seizure discharge with hyperemotionality vs slow- & fast-wave sleep vs extrapyramidal function changes, cats, 53:4659
posttrial picrotoxin injection to substantia nigra, retention disruption for passive avoidance behavior, male rats, 57:2761
potassium chloride applied topically to neocortex, lordosis, rats, 54:655
pretreatment of ventricles or subfornical organ with saralasin acetate & angling of cannulae to bypass lateral ventricles, drinking induced by administration of angiotensin II to preoptic region, male rats, 58:11226
pretreatment with dextroamphetamine & desmethylimipramine & isocarboxazid & morphine & cyclazocine & naloxone, interaction with 5-hydroxytryptamine, mice, 54:596
priming with estradiol benzoate & progesterone & intracerebral implantation of antiestrogen CN-69, 725-27, sexual receptivity, ovariectomized female rats, 57:2691
prior exposure of mesencephalic reticular formation vs preoptic area to estrogen, progesterone facilitation of sexual behavior, female rats, conceptual model of regulation of lordosis behavior, 57:9774
procaine in lateral hypothalamic medial forebrain bundle, suppression of self stimulation & discriminated vs nondiscriminated escape learning, rats, 56:7442
progesterone implants in forebrain, suppression of precocial copulation, male chicks, 54:545
progesterone metabolites vs pregnene steroids & 3-H-progestins & brain implants of progestins & neocortical application of potassium chloride & p-chlorophenylalanine, progesterone-involved neural mechanisms facilitating sexual receptivity, estrogen-primed & adrenalectomized rats & mice, 58:7092
progesterone vs serotonergic vs beta-adrenergic receptor blockers applied to telencephalic vs anterior hypothalamus-medial preoptic vs anterior hypothalamic sites, female sexual behavior, rats, 53:9022
prostaglandin E & norepinephrine & serotonin & noradrenergic blocking agents, hypothalamic sensitivity mapping & amine & prostaglandin interactions in body temperature regulation & antipyretic drug responses, monkeys, 57:5412
puromycin & puromycin aminonucleoside & cycloheximide & diphenylhydantoin & dextroamphetamine, priming-induced audiogenic seizures, mice, 56:9474
reperfusion of neurotransmitter perfusates from donors, REM sleep latencies, cats, 53:4623
serotonergic vs beta-adrenergic receptor blockers applied to anterior vs posterior hypothalamic areas, lordosis, male rats, 53:8975
serotonin implantation in amygdaloid complex, avoidance reaction, rats, 53:9010
serotonin injections into hypothalamic sites at which electrical stimulation produced aversive responses, avoidance responding, male rats, 54:9109
single antiserum injection to brain ganglioside & sensorimotor cortex, recurrent spiking in cortical EEG, male rats, 57:7707
stereotactic 5,7-dihydroxytryptamine lesions of ascending 5-hydroxytryptamine pathways, behavioral effects, male rats, 56:315
stereotaxically injected cycloheximide protein synthesis & memory, mice, 55:6559
subcortical injections of morphine sulfate, localization of antinociceptive action in brain using shock titration technique, monkeys, 53:11136
subdural injection of brain extracts from trained aggressor Ss, diminished aggression in recipients, male mice, 53:9023
subthreshold vs higher intensity amygdaloid stimulations & pentylenetetrazol, kindling-related changes in after discharge thresholds, male rats, 58:9052
sulpiride, failure to block dopamine receptors in neostriatum & limbic forebrain, male rats, 56:3771
surgical & chemical interference with neural connections of pineals, circadian control of activity, house sparrow, 55:4031
systemic vs superior colliculi injections of 5-hydroxytryptophan & dihydroxyphenylalanine & para-chlorphenylalanine & superior colliculi lesions, abnormal grooming behavior, thyroidectomized male cats vs cats with CNS lesions, 57:5260
testosterone implants in midbrain nucleus intercollicularis, vocalization patterns, castrated male capons, 58:3014
testosterone propionate implants into anterior hypothalamus/preoptic area, sexual behavior, adrenalectomized & ovariectomized female monkeys, 54:9100
tetraethylammonium, autonomic & central nervous system & emotional behavior, conscious cats, 53:9032
thioridazine & clozapine & sulpiride & metoclopramide & typical neuroleptic agents, hyperactivity induced by intracerebral dopamine to extrapyramidal &/or mesolimbic systems, male rats, 57:5308
thyrotropin releasing hormone administered intracerebroventricularly, pentobarbital-induced narcosis & hyperthermia, male rabbits, 58:11284
thyrotropin-releasing hormone, shaking behavior, male rats, 56:3777
time course for development of supersensitivity to topical acetylcholi in partially isolated cortex, monkeys, 54:527
tricyclic antidepressants, in vitro binding potency to muscarir acetylcholine brain & ileum receptor sites, rats & guinea pi implications for drug therapy, 58:9167
tritiated leucine & proline injections into dorsal bank of princip sulcus, autoradiographic demonstration of projection from prefron association cortex to superior colliculus, rhesus monkeys, 57:5241
tryptamine & alpha-methyltryptamine injections into cerebral ventri or infusions into hypothalamus, waking & sleep & antagonism effects by noradrenaline & alpha-methylnoradrenaline, fow 54:6966
typical neuroleptics & clozapine & sulpiride & thioridazine, antagonis of hyperactivity induced by intracerebrally-administered dopami to nucleus accumbens septi, male rats, 56:9547
unilateral removal of ascending dopamine neurons by 6-hydroxydop mine injection is substantia nigra, orienting ability toward visual auditory & olfactory & tactile stimuli, animals, 54:2519
unilateral vs bilateral hypothalamus lesions vs intrastitial injection of hydroxydopamine along nigrostriatal bundle, sensorimotor deficits feeding & drinking behavior, rats, 55:9189
unilateral 6-hydroxydopamine lesions of mesolimbic dopaminergic nigrostriatal system, drug-induced circling, male rats, 55:9231
unilateral 6-hydroxydopamine lesions of striatum, neuroleptic dru circling behavior, male mice, 56:433
uridine-5-monophosphate, incorporation of radioactive leucine inject into hippocampal neurons during brightness discrimination, ma rats, 56:2067
ventricular & hippocampal microinjections of dextroamphetamine scopolamine, active avoidance behavior, rats, 57:767
ventricular obstruction, drinking induced by intracranial angiotens injection, rats, 55:2009
ventromedial & lateral hypothalamus lesions, short term feedi suppression by caerulein, male rats, 56:3645
ventromedial hypothalamic procaine injections, feeding & lever pres ing, rats, 55:11791
voluntary consumption of glucose & injection of glucose into ventrom dial hypothalamus, food intake & calorie retention, normal diabetic rats, 56:9481
water deprivation & potassium chloride applied to cortex after access saccharin, EEG verification of cortical spreading depression-induc aversion to saccharin, rats, 58:4978
water deprivation &/vs carbachol or angiotensin brain stimulatio drinking behavior, male rats, 53:2567
2-deoxy-D-glucose intracranial vs intravenous administration, feedi behavior, rabbits, 53:4632
6-hydroxydopamine & norepinephrine & dibutyrylcyclic 3 prime prime adenosine monophosphate, locomotor activity & irritabili centrally sympathectomized rats, 53:11116
6-hydroxydopamine given intraventricularly, conditioned avoidan response, male rats, 57:805
6-hydroxydopamine infusion into central catecholamine pathway avoidance & ingestive behavior, male rats, 53:6774
6-hydroxydopamine lesions of nucleus accumbens septi or cauda nucleus, dextroamphetamine- & apomorphine-induced stereotyped locomotor behavior, male rats, 55:2045
6-hydroxydopamine lesions of substantia nigra, apomorphine & ar phetamine stereotypy, male rats, 53:11137
6-hydroxydopamine lesions of substantia nigra, nomifensine-induc stereotypy, male rats, 58:625
6-hydroxydopamine lesions of ventral tegmental areas of midbrai behavioral & neurochemical changes, rats, 56:7487
6-hydroxydopamine, shock elicited aggression & emotionality maternal behavior, female rats, 54:11211
6-hydroxydopamine-induced degeneration of ascending dopamir neurons, orientation toward sensory stimuli, male rats, 58:620

Chemical Elements [See Also Barium, Calcium, Calcium Ions, Carbo Chloride Ions, Cobalt, Copper, Helium, Hydrogen, Iron, Lea (Metal), Lithium, Magnesium, Mercury (Metal), Metallic Element Nitrogen, Oxygen, Phosphorus, Potassium, Potassium Ions, Sodiur Sodium Ions]
changes in partition coefficient & interphase potential for calcium phosphate ions in erythrocyte/plasma system, children with diagnos of mental retardation & dissociative process & epileptic seizure 57:5944
chemical attributes, food taste preferences, black vs Japanese Mexican Americans, 55:6941
chronic carbonic disulphide exposure, intellectual state, industri workers, 58:10740
cyanamide, treatment of chronic alcoholism in Antabuse-type alcoho ism control program, chronic alcoholics, 57:11092
deuterium oxide, suppression of spontaneous locomotor activity, mic 57:9838
hypertonic vs physiological saline vs angiotensin II injections, sing unit activity in lateral hypothalamic & preoptic area & cardia responses, rats, implications for osmoreceptor functions, 58:632
inhalation of nitrous oxide concentrations, time estimation, rat 57:9896
intranasal vs ip injections of zinc sulfate vs intranasal injections of salir or air, open field maternal & locomotor & sniffing & groomir behavior, nulliparous rats, 58:9140
labeled cyclazocine & sustained administration for morphine antag nism, plasma levels & distribution & excretion of tritium & effect implant site on drug release rate & tissue biocompatibility, naive morphine-addicted female rats, 58:5044
lithium chloride & parathyroidectomy & thyroparathyroidectom serum calcium & magnesium & phosphate, female rats, 58:11189
manganese & niacin & niacinamide treatment, alleviation of drug induced withdrawal & tardive dyskinesia, 18–70 yr old psychiatr inpatients, 58:3692
mechanism for psychotogenic effect of nitrous oxide inhalatio development of psychotic & toxic-organic features, 32 yr old mal 56:4312
multiple intranasal applications of zinc sulfate solution, prolonge peripheral anosmia, rats, 57:828
oral ingestion of commercial caustic solution, oral sensory stage development complications & subsequent oral dependent behavior, yr old female with disfigurement of mouth, 57:3694
perception of differences in concentration of chemicals in vapor phas by smell, untrained humans, 58:4717
pretreatment with chronic lithium or rubidium, resultant hyperactivit response & role of noradrenaline & dopamine & 5-hydroxytrypta mine, male rats, 54:7018

Chemistry [See Also Biochemistry, Neurochemistry]
chemistry of kairomones, host-finding process, parasitic insects, 56:353
chemistry of mood & motivation & memory, book, 54:8923
dynamic patterns in physical sciences & chemistry & biological system book, 54:2380
educational level & concept maturation & intelligence, levels of concep acquisition in terms of concrete/abstract attribute perception, 14–1 yr old secondary school students of chemistry, 57:13803
epidemiology & history & human pharmacology & chemistry & toxicit & use, cocaine, 56:400
galacto-sucrose derivative, sweetness enhancement without unpleasan aftertaste & low caloric content, 57:7636

history & chemistry & pharmacology & clinical effects, narcotic antagonists, 53:11209
instrument development as measure of student's comprehension of physics & chemistry concepts, high school students, 55:1570
intelligence & CA & measures of acquired learning sets in chemistry, prediction of achievement in self instructional chemistry, 15–19 yr old students, 54:1997
mescaline, pharmacology & chemistry & clinical effects & treatment use & history & legal status, 53:6855
phencyclidine, pharmacology & chemistry & clinical effects & uses & treatment uses & history & legal status & treatment of acute intoxication, 53:6856
psyche & psychoanalysis & Jungian concepts, alchemy, 55:8580
reactivity & toxicity of phenothiazine derivatives with oxygen & oxygen radicals, beneficial &/or adverse effects of phenothiazines, 53:11185
teacher- vs student-centered vs CHEM study method of teaching high school chemistry, achievement in chemistry & critical thinking abilities & scientific interest, high school students, 55:13192
verbal vs pictorial versions of computer assisted instruction in interactive graphic analogies, learning of concepts in electro-chemistry as measured by recall tests of knowledge & comprehension & application, college students, 56:4789

Chemoreceptors
absence of specific protein in olfactory epithelium for detection of odorant family in some individuals, evidence for chemical olfactory code in man, 53:11032
antennular nerve responses, antennule chemoreception, lobsters, 53:457
chemoreception, elicitation of displaying reaction of conspecific, Siamese fighting fish, 56:3538
chemosensory mechanisms, detection & location & recognition of food, juvenile prawns, 56:184
chemosensory tracking of scent trails, planktonic shrimp, 58:6917
electrophysiological study, qualitative & quantitative discrimination in olfactory receptors, frogs, 53:11014
external salinity, behavior & dactyl chemoreceptors, rock crabs, 55:6360
immunofluorescence localization of olfactory marker protein, mouse & rat brain, 55:9086
ionizing radiation, escape & avoidance behavior & electrophysiological investigations of compound eye & antennule & swimmeret, shrimp, 55:6449
LSD-induced behavioral syndrome reflecting increased central serotonin receptor activation, male rats with destroyed serotonin nerve terminals, 57:5407
pollutants, chemical senses, aquatic animals, literature review, 56:192
presynaptic electrical coupling in large cholinergic interneuron in abdominal ganglion, postsynaptic chemical transmission, Aplysia, 58:4959
rhinophores & tentacles, behavioral localization of distance chemoreceptors used in food finding, Aplysia californica, 55:223
single unit activity of olfactory receptors to simple odorants, frogs, 56:263

Chemotherapy [See Drug Therapy]

Chess
eye movements & verbalization during solving 2-move chess problems & conscious & unconscious process in thinking, chess masters, 54:4588
heuristic devices & step-like procedure of P. J. Galperin's learning theory, learning to play chess, 54:4589
interpolated tasks & exposure to chess positions vs nonsense trigrams using Brown-Peterson paradigm, recall performance & interference effects, support for chunk encoding & storage & retrieval basis for interference, 57:7430
specificity of visual display information & meaningful/nonmeaningful information chunks & sequential presentation & chess skill, recall memory for chess positions, chess club members, 57:7451
structure & experience in matching & reproduction of chess positions, strong & weak chess players, 55:6098
task difficulty & goal setting, performance on chess problems, college students, 56:167
visual neglect in chess game, patient with right parietal lobe lesion, 53:3480

Chest [See Thorax]

Cheyenne Indians [See American Indians]

Chi Square Test
chi square procedure, mean IQ scores of twins from 4 studies of separated identical twins, criticism of A. R. Jensen's claim, 57:7998
FORTRAN IV computer program, partitioning chi-square contingency tables, 57:7151
partitioning Pearson chi-square statistic from contingency tables, categorical variables in repeated measures design in gerontological research, 57:140

Chickens
ablation of peripheral ends of vestibular & visual analyzer, functions of visual & proprioceptive & tactile analyzers & recovery of spatial-motor conditioned reflexes, hens, 55:2046
acetylcholinesterase & butyrylcholinesterase activity, 14- & 20-day-old chick embryo cerebellar explants cultured in levodopa vs estradiol, implications for central nervous system development & function, 53:6746
age, immobility reactions, chicks up to 9 days old, 53:677
age variability, spatial task performance, 3 & 6 & 13–14 day old chicks, 53:11276
age-dependent changes, learned stimulus inhibitory control using combined-cue test, domestic chicks, 57:9611
amphetamine & norepinephrine & alpha & beta noradrenergic stimulants & receptor blockers, forebrain adenosine triphosphatase activity & cycloheximide-induced amnesia, chickens, 58:5027
analysis of cues in visual depth perception, avoidance of visual pitfalls, male chicks, 54:762
angiotensin-induced dipsogenesis, male chickens, 58:3027
atmosphere pressure during incubation, post-hatch behavior, chickens, 53:9137
atropine, cholinergic activity & habituation as measured by spontaneous alternation & response suppression to auditory startle stimulus, chickens, 56:7495
atropine sulfate vs scopolamine hydrobromide vs methylscopolamine dosages, tonic immobility & habituation, chickens, 58:11278
atropine vs scopolamine, habituation of tonic immobility, chickens, 57:7792
auditory stimulation, termination of tonic immobility, chicks, 54:660
availability of spontaneous peck response, cockerels, implications for study of age-independent general model of memory, 57:5023
aversive properties of immobility induction due to physical restraint, chickens, 54:704
bidirectional breeding, tonic immobility, chickens, 53:503
biogenic amines, involvement in drug-induced aggressive pecking, chicks, 55:439
cage floor modification, prelaying behavior, hens, 56:7369
chick vocalizations, ongoing keypecking behavior for food on variable interval reinforcement schedule, red jungle-fowl chicks, 53:771
cholinomimetic agents in 3rd cerebral ventricle & hypothalamus, adult fowl & young chickens, 53:9082
clock hour of induction of simulated predation, periodicity & duration of death feigning, chicks, 58:6976
cohabitation with conspecific vs with other species member, reversibility of imprinting attachments & development of selected behaviors, chicks, 57:12111
color of rearing compartment & testing environment, color preference testing with stationary objects vs moving stimulus & following behavior & emotional responses, young chicks, 55:11545
color pecking preferences, chicks, 53:9222
communal vs isolation rearing, passive avoidance performance, chickens tested at ages of 12 hrs to 5 days, 57:2551
computerized monitoring of multiple unit activity & EEG & electromyographic recordings, paradoxical sleep & wakefulness, chicks, 53:2469
conjoint-measurement analysis, stimulus control by compound stimuli dimensions in discrimination learning, barnyard chickens, 53:730
correspondence between multiunit burst activity occurring in spinal cord & sciatic nerve, chick embryos, behavioral implications, 57:584
defensive distance hypothesis, tonic immobility reaction, 3 day old domestic fowl, 55:11530
degree of arousal, brain temperature as measure, chickens, 54:2450
delta-3- vs delta-8- vs delta-9-tetrahydrocannabinol, duration of tonic immobility, chickens, 57:777
development of behavioral sensitivity to strychnine, chick embryo, evidence for onset of CNS inhibition, 55:6608
development of food recognition, discrimination between food & sand, young chicks, 54:4875
dextroamphetamine dosages & subsequent parachlorophenylalanine, attenuation of tonic immobility, chickens, 58:2975
dextroamphetamine sulfate, short term memory independent of protein synthesis, cycloheximide pretreated day-old chickens, 56:3712
dextro-LSD & pargyline & proniazid & 5-hydroxytryptophan & parachlorophenylalanine & atropine, monoaminergic system, tonic immobility, chickens, 54:7028
diencephalic lesions, gustatory hyposensitivity to quinine hydrochloride, hens, 54:4743
diethyldithiocarbamate, neural norepinephrine depletion & passive avoidance learning, chicks, 58:9119
diphenylhydantoin, ouabain- & cycloheximide-induced amnesia on passive avoidance learning, chicks, test of hypothesis of initial labile memory, 57:734
disjunctive analysis, age-dependent change in attractiveness of auditory vs visual stimulation, neonatal chicks, 58:11066
dorsal midline hyperstriatal lesions, persistence of trained pattern of feeding chicks, 57:7746
dorsal vs lateral vs posterior hyperstriatal lesions, distractibility by novel stimulus from trained runway response, chicks, 57:7745
duration of early visual experiences, visual cliff behavior, chicks, 56:1848
early exposure to peers, subsequent breed discriminatory behavior, chickens, 53:9211
early pecking experiences, dustbathing development, chicks, 55:3831
early posthatch exposure to intermittent light, visual flicker rate preference & locomotor activity & distress calling, chicks, 53:798
early social isolation & separation, disturbance reactions & exploratory activities & consummatory behavior & grooming & inactivity, domestic chicks, 58:6974
electric shock parameters, tonic immobility, chickens, 54:11204
electrical brain stimulation, repetitive vocalizations & evoked activity in tracheal muscles, chickens, 54:570
embryonic exposure to testosterone propionate, heritable traits of tonic immobility & flocking & distress calling, chickens, 58:11324
embryonic neurophysiological implantation & chorioallantoic membrane injection, bioelectric activity & neurochemistry during pre- & posthatch stages, chickens, 57:12332
environmental factors, coordination of activity cycles of exploration & resting behavior following hatching, brood of chicks, 57:12104
experimental vs conventional battery cages, behavior & egg production, laying hens, 57:12100
exposure duration of new stimulus, adaptation to new object after having established strong preferences, chicks, 55:6261
exposure to flashing rotating light during imprinting stages, subsequent preference for novel color stimulus, 14–22 hr old chicks, 57:5058
exposure to imprinting stimulus vs diffuse light, activity of brain RNA polymerase, 1-day old chicks, 55:1990
exposure to imprinting stimulus, enzyme activity involved in acetylcholine brain metabolism, 1-day old chicks, 55:1989
exposure to shape or colored stimuli in imprinting situation, subsequent discriminative learning, chicks, 57:12177
eye-opening response decline over repeated auditory stimulus presentations & habituation to 1 frequency & stimulus generalization, 9–10 day old chickens, 55:3893
fear & arousal, peep vocalization, group-reared chicks, 53:715
flash rate & interflash interval, differential attraction toward intermittent light, chicks, 56:9340
form & orientation pecking preferences, successive discrimination learning, 1 & 3 day old chicks, 55:6319
free movement vs confinement during 1st exposure, following latency & duration & frequency, 14–20 hr old chicks, 53:2744
green light presented at full intensity vs slowly faded in, errorless red-green discrimination learning, newborn chicks, 57:2578
group size & area per bird, agonistic activity, chickens, 56:5423
habituation periods & food deprivation & setting contrast, choice between novel vs familiar environments, 14 & 55 day old chickens, 54:9281
habituation training, long term retention of habituation of tonic immobility, chickens, 56:5402
halothane anesthesia after imprinting session, following behavior, chicks, 56:3737
halothane anesthesia after imprinting, following behavior, chicks, 56:3785
heat reinforcement, stimulus-directed pecking in Pavlovian conditioning, chicks, criticism of E. A. Wasserman's conclusion, 53:4790
imitation vs arousal vs disinhibition explanations, socially enhanced consummatory behavior, chickens, 54:11331
imprinting, correlations between activities during training & testing, chicks, 54:2595
imprinting development & preference for & avoidance of imprinting objects & modification of preferences, leghorn chicks, 55:11553
imprinting exposure to dam, breed discriminatory behavior, chickens, 53:9210
imprinting strength, stimulus generalization, chicks, 53:9153
incubatory photic stimuli, visual intensity preference for approach behavior, chicks, 56:1851
intensity levels of maternal clucks, approach responses & acoustical communication, chicks, 58:496
intercollicular lesions, properties of calling phases of behavior & associated behavior with calling, deaf & normal male Warren sex-link chicks, 54:6951
intercollicular lesions, visual responsiveness & attack & avoidance, Warren sex-link chicks, 54:6952
interstimulus intervals & stimulus preexposure, discrimination learning, domestic chicks, 53:2729
intertrial interval, passive avoidance conditioning, young chicks, 57:7556
intracerebral levo-proline 1 min vs 1 vs 4 hrs after avoidance training, memory 24 hrs later, cockerels, 56:7499
intracranial injection of ouabain or cycloheximide to trained hemisphere, unifateral storage & interocular transfer of 1-trial passive avoidance task, day old chicks, 58:9107
intraventricular & intrahypothalamic cholera toxin, motor activity & electrocortical activity & body temperature, chicks, 56:3750
intraventricular imipramine & 5-hydroxytryptamine, tonic immobility & relationship to raphe electrical activity, chickens, 57:12384
lesions of mammilaris lateralis & ruber nuclei & testosterone propionate cannulas in hypothalamus, mating behavior, male chickens, 55:11685
lesions of posterior paraventricularis magnocellularis or its tract or anterior tegmentum, facilitation of copulation by testosterone, chicks, 56:5574
light-dark cycles, brain temperature, unanesthetized Cornish hens, 55:6406
lithium chloride, development of conditioned food aversion, 25 vs 35 vs 45 day old chicks, 58:11285
long term prehatch exposure to fetal heart beat vs intermittent auditory signal, differential attraction toward intermittent sound, chicks, 58:4885
LSD-25 & BOL-148 & imipramine & l-LSD & parachlorophenylalanine & atropine & reserpine & chlorpromazine, chemical correlates of tonic immobility, chickens, 56:397
mathematical model, temporal control of behavior, pigeons & hens & rats, 54:7115
medial preoptic region lesions, precocial copulation, male chicks, 53:9000
mepireserpate, stereotyped movements induced by frustration, hens, 56:394
mescaline before vs during embryogenesis, hatchability & open field behavior, chicks, 55:6534
methylmercury dicyandiamide during embryogenesis, development, young chickens, 56:436
methylmercury injections into yolk sac prior to incubation, percentage hatched & detour learning, chicks, 56:7517
mild flurothyl treatment, retrograde enhancement of memory, chicks, 54:4781
mirror-image response function to spectral stimuli in approach & pecking behavior, chicks, attempted replication of H. H. Schaefer & E. H. Hess's experiment, 56:188
monocular vs binocular vision, avoidance of visual pitfalls, male chicks, 55:3838
morphine & serotonin blockade, serotonergic mediation of tonic immobility, chickens, 54:7010
movement variables, subsequent following response, chicks, 54:2607
nialamide injection during active chemical & neurophysiological development, paradoxical sleep, newborn chicks, 55:6636
nicotine into 3rd cerebral ventricle & various brain sites, adult fowl & young chickens, 53:9081
noncontingent light presentation, activation in operant situation, chicks, 54:700
norepinephrine & methoxamine & isoprenaline & piperoxane & propranolol & amphetamine, cycloheximide-resistant memory, day old chickens, 57:2746
number of exposures to manual restraint & response durations & strain differences, habituation of tonic immobility, chickens, 57:2573
number of food only presentations, subsequent autoshaping of keypeck response to keylight-grain airings, chickens & pigeons, 58:429
observational study, hatching movements, chicks, 53:4572
obstructed & unobstructed imprinting approach, subsequent instrumental responding, chicks, 53:11307
obstructed & unobstructed imprinting stimulus approach behaviors, subsequent resistance to extinction of food-motivated running response, domestic chicks, 57:2580
ouabain vs cycloheximide vs saline, retention for avoidance conditioning, young chickens, 57:2745
paired rotation & auditory stimulation, neonatal following response, Common Murre embryos, 56:9354
peck order, behavior in food competition situations, pullets, 53:11353
peripheral & central administration of angiotensin II, drinking response, chicks, 57:2797
plasma from psychotic vs emotionally disturbed children, tryptophan uptake by red blood cells, chickens, 58:11188
polygraphic study, vigilance states in 1st wk after hatching, chickens, 54:461
post-exposure anesthesia, retention of imprinting, chicks, 53:6844
postural behavior & direction faced, motion sickness, adults & chickens, 56:1693
prehatch color stimulation, color pecking preferences & color discrimination learning, chicks, 55:6230
prenatal auditory or visual stimulation, postnatal distress vocalizations, chicks, 53:2817
presence of companions vs strangers vs isolation, social mediation of consummatory responses, newly hatched chicks, 56:5450
previous experience with wire or litter floors & feeding & strain differences & time of day, floor preferences, light vs medium hybrid strain of laying hens, 56:7357
previous exposure to novel moving stimulus at 30 vs 78 hrs posthatch, responsiveness to same or differently colored stimulus when presented as looming figure, chicks, 58:11063
prior heterosexual & unisexual contact & low- vs high-mating lines, mating behavior, male chickens, 53:2789
proximate vs dissociated auditory signal, responsiveness to visual/auditory stimulus, 14–48 hr old chicks, 58:4851
pupil to eye size ratio, duration of tonic immobility, chickens, significance of eye contact in predator-prey encounters, 57:462
pupillary reflex technique, measurement of onset of visual system function, domestic chick vs wild red jungle fowl embryos, 57:464
radioactive uracil, imprinting & incorporation of radioactive uracil in brain, 1 day old chicks, 54:11157
rearing in restricted environment, attachment & sexual & aggressive behaviors, chickens, 54:752
rearing in small vs large cages, behavior in novel situation, chicks, 54:677
red tennis ball vs flashing light as surrogates, isolation-related death rates, 4–7 day old chicks, 57:469
regional incorporation of tritiated uracil into brains, monocular imprinting, intact & split-brain chicks, 53:11046
regular loud clicks as stimulation, stereotyped & coordinated embryonic activity, chicks, 56:291
reinforcing properties of rates of intermittent light, newly hatched chicks, 55:3894
repetitive photic stimulation, EEG response in various areas of brain, chickens, 56:3575
scopolamine vs methylscopolamine & dosages vs physostigmine, tonic immobility duration, chickens, 53:2523
selection for mating behavior in male chickens, sexual responses, female pullets, 56:1898
short term changes in incubation temperature, behavioral & physiological effects in embryo from 6–20 days, chicks, 54:486
shriek of seized hen vs tone of equal intensity to shriek, responses of hippocampal neurons, hens, 55:1958
social & physical environments, agonistic & mating behavior, adult chickens, 56:229
social facilitation, drinking, satiated & deprived chickens, 56:9369
social grouping, antibody titres, young male chickens, 54:11137
social interactions & dominance, performance in battery cages, laying hens, 56:239
social rearing vs isolation & developmental age trends, aggressive pecking, chicks, 56:3537
sodium levoglutamate, spontaneous electrical activity in cerebrum, chick embryos, 53:598

speed of object's visual angle in retinal stimulation, approach to object responses, neonatal chicks, 53:752
stationary wheel method, measuring generalization of imprinting effects, young chicks, 53:11283
stimulation of midbrain call region & region ventral to nucleus ovoidalis & subsequent radio-frequency lesions, evoked vocalizations, chickens, 53:577
stimulus- & response-reinforcer relations, keypeck autoshaping, chicks, 54:723
stochastic modeling, describing predictably changing behavior, application to pecking decisions, chicks, 54:681
strain differences, emotionality & tonic immobility, chickens, 57:7633
testosterone & rearing environment, behavioral arousal in novel environment, chicks, 53:9046
testosterone enanthate & stimulus novelty & irrelevance, running & feeding time & distractibility, male chicks, 53:2597
testosterone, extinction of runway response for food reward & accompanying changes in attention & motor processes, 2 wk old male Warren chicks, 57:9823
testosterone, fear reactions to bell inside vs outside open field, male chicks, 57:12366
testosterone implants in midbrain nucleus intercollicularis, vocalization patterns, castrated male capons, 58:3014
testosterone vs oil injections, emergence time from home cage & runway start-box, male chickens, 56:5637
tonic immobility, heart rate & respiration & body temperature, chickens, 57:12286
transection of crossed dorsal cochlear tract, rapid dendritic atrophy, chickens, 58:2946
visual & auditory & somesthetic stimulation, unit activity recorded from optic tectum, chickens, 57:9719
visual attention, rate of brain blood flow, chicks, 53:8896
water deprivation & crop loading, arousal changes in EEG to distilled water stimulation, hens, 53:2451
6-hydroxydopamine treatment of fertile eggs, retinal development, chickens, 53:11245

Child Abuse [See Also Battered Child Syndrome]
personality & emotions & scapegoating behavior & treatment, 8 & 10 yr old battered boys, 56:10231
acute functional symptoms development, clue to impending child abuse, adult patients, 58:7632
analysis of & prevention, individual vs collective child abuse, 55:4795
applications of psychology of learning, understanding & rehabilitation of abandoned child of Colombian cities, 55:12809
behavior techniques, communication in interview with abusing parent, social workers, 54:6068
behavioral techniques, dealing with child control problems, child abusing parents, 54:10245
causes & treatment, physical & sexual abuse of children, book, 57:1439
child abuse & protection of children of life-threatening parents, 53:5598
child abuse by parents, theoretical approaches & treatment programs, 58:5584
child abuse, cognitive development, physically abused vs neglected vs nonabused children, 53:9726
child abuse, multidisciplinary approach to developmental issues & treatment, book of readings, 58:3544
child abuse recognition & treatment & prevention, book, 58:3538
child development knowledge & mother-child interaction, self identified child abusers, implications for dealing with child abuse, 57:6051
child neglect in US, survey, book, 54:11618
child's role in abuse & identification of children at risk, literature review, 57:8448
coordinator role of medical social worker, identification & management of child abuse cases, 55:5240
cultural attitudes & institutions, definition of child abuse, 54:9915
degree of socioeconomic stress without adequate support systems, child abuse-maltreatment, mothers, 56:8168
developing treatment relationship & defining precipitating factors & understanding rage & behavior modification, treatment of child-abusing parents, social caseworkers, 54:6073
development of child abuse intervention model, school board policies & administrative rules & regulations & inservice training, 58:12416
differential attitudes toward punishment & child abuse, pediatricians vs social workers vs policemen vs teachers vs middle class working adults vs high school students, 58:11528
differentiation of gender identity, case histories regarding endocrine malfunction & child abuse & injury & deprivation & sex-organ birth defects, 57:10412
diphenylhydantoin, anxiety & depression & somatic symptoms, child-abusing parents, 57:1700
ego functioning & personality structure, filicidal vs physically child-abusing mothers, 57:6064
epidemiology & family characteristics, severely-abused children, England, longitudinal study, 55:12457
evolution of interdisciplinary committee for management of child abuse, 58:5989
family dynamics of maternal violence & maternal filicidal impulses, 54:5526
group & individual psychotherapy, changes in personality factors, child abusers, 58:9858
history & theory & family concomitants & community intervention, child abuse, 55:12490
identification of families with abused child & modification of parental behavior, child abuse project followup, 55:5126
identification system & delivery of services & treatment, child abuse cases, 54:5547
incidence & characteristics, child-battering mothers, 55:10026
incidence of verbal & physical aggression in resolution of family conflicts, 18–30 yr olds, implications for child abuse, 58:7368
Infant Development Distress syndrome, subsequent impaired development reflecting disturbed mother-infant relationship, infants, follow-up for 6.75 yrs, 56:2534
institutional neglect & oppression, children & child advocacy, 57:8879
interaction with & reeducation of abusing parents & dealing with psychological effects on abused child & involvement of school in child abuse council, counselor's role in combatting child abuse, 54:8480
internal vs external control & social isolation & acceptability to others & powerlessness & empathy & dogmatism & self esteem & assertiveness & ego strength, abusive vs nonabusive fathers, 57:3596
IQ change following domicile change, patients with reversible hyposomatotropinism occurring with suspected or proven child abuse, 57:10619
maternal deprivation following birth, neglect & abuse of infants, monkey mothers, implications for human child abuse, 58:11116
metropolitan school district program, recognition & reporting of abuse of school age children, 54:9938
MMPI, identification of "at risk" abusive parents, 54:9941
MMPI profiles, identification of child abusers & differentiation of degree of psychopathology, child abusing vs nonabusing parents, 56:4252
MMPI scales, differentiation & psychological understanding of abusive vs nonabusive outpatient parents, 57:3504
multidisciplinary group therapy approach to life-threatening behavior, parents of battered children, 53:1753
multidisciplinary team treatment approach, abusive families, 54:8081
myths & definitions & causes & prevention & treatment, child abuse, 56:844
need for special education & speech therapy & psychological counseling & institutional placement & behaviors indicating psychological problems & academic achievement, abused school age children, 58:12709
outpatient preventive treatment, mothers & battered children, 53:10193
parental inadequacy & misinformation & abuse as children, hypothesis of child abuse, child abusers, literature review, 58:5573
pathological family interaction patterns, child abuse, 53:1352
patterns of role dominance-submission & conflict, parents of abused children, 57:6065
personality & background characteristics, child abusing parents, 58:9694
personality characteristics & related disorders & case histories from personal experience, child abusing parents, literature review, 57:10555
personality characteristics, abusing vs neglecting mothers, 58:9684
phenomenonological report of child abuse, 21-yr-old suicidal woman, 53:1422
physical abuse of children by parents & other adults, epidemiological data for use in model for public health intervention, 57:12958
physically abused children, 54:1248
prevalence & need for cottage homes & foster parent services, kidnapped Indian children forced to become beggars, 58:1733
prevention & consequences of child abuse, 57:3587
procedure for training various professionals to manage child abuse cases, coordination by social worker, 55:5366
procedures & issues, operation of 24-hr crisis service dealing with child abuse, 53:3838
psychosocial characteristics, adult child abusers, 58:9682
role of occupational therapy in community-based research & demonstration project to treat abusive parents & their children, 54:12377
sexual trauma, blind children, 55:10105
"sick but slick syndrome" as personality component, child abuse, convicted child batterers vs nonbatterers, 56:8199
social & psychological aspects, child abuse, bibliography, 55:10009
social history indicators of early childhood attachment experiences & subsequent adolescent & adult affiliative & parental behavior, mothers of abused vs nonabused children, 58:1379
suburban community's approach, prevention of child abuse, 54:10285
susceptibility to abuse & mental health consequences, handicapped children, 55:10152
total-family multiple-modality approach, treatment of child abuse in families, book, 57:13411
transactional analysis approach, couples legally charged with child abuse, 55:999
typical pattern of "yo-yo syndrome" & typical family pattern in parental violence, 1–17 yr olds & their parents, 58:11551

Child Day Care
adult–child ratios, infant development, implications for provision of day care services, 55:2155
attitudes toward curriculum strategies & teaching behaviors, day care vs cooperative vs traditional vs Montessori preschool teachers, 57:13662
attitudes toward day care services, mothers of school age children, 55:4397
behavior modification procedures applied by teacher, management of problem behaviors in child care setting, 57:13867
characteristics & interactions with social vs nonsocial behavior objects, 3–9 yr olds in evening care setting, 57:5585
college student tutors & parent participation in behavior modification workshop, deficient language & social behavior, children in day treatment program, 53:12280
comprehensive guide, planning model child care programs & services, book of articles, 57:13389
contingent observation combined with brief timeout, disruptive behaviors, 1–3 yr olds, 57:1651
cost effectiveness applied behavior analysis for evaluation of treatment procedures, application to group problem behaviors in child care setting, 58:3676
cross-cultural perspective, group child-care, Austria & Great Britain & Israel & Mexico & Poland & Soviet Union & Yugoslavia & US, book, 53:1030
curriculum, infant development, infants in day care, 54:9484
daily separation from mother during 1st 3 years of life, identification & development of behaviors & distress behavior, infants in infant day care unit, 57:5491
day care enrollment age, attachment behaviors & stranger reactions, 30 vs 40 mo olds in full-time day care vs reared at home, 55:4297
day care, intellectual & social skill acquisition & physical & emotional development, young children, 53:2824
day care intervention during 1st yr of life, maternal attitudes & mother-infant interaction patterns, developmentally high risk infants & their mothers, 57:7897
day care program development, disturbed children in child guidance clinic, 53:3816
degree of integration & mother's attitude toward whites & cultural awareness level, self concept, black preschoolers in day care centers, 56:7729
demographic & sociological & educational & psychological components, early child care, Britain, 54:2680
demographic characteristics & parents' attitudes & day care center benefits, day care center staff & parents & children, 53:12303
development of creative family day care program, 54:10306
development, 5–30 mo old day care vs home care children, 55:509
developmental issues during 2nd yr of life, implications for day care practices, 53:4848
early child care, Sweden, 54:903
early day-care intervention, intellectual development, 7 & 18 mo old infants at-risk for mental retardation, 58:5986
early identification of children with emotional-behavioral problems, female caretakers in day care homes, educational implications, 58:12015
early intervention in day care program, children under 3 yrs old from multiple-problem lower lower class families, 53:5996
educational innovation of playcenter movement, liberation of women from home, New Zealand, 54:12468
educational-therapeutic groups, day care program, disadvantaged 3–6 yr olds, 53:4065
emotional factors in learning disabilities & counseling of parents, children with minimal brain dysfunction in day care center, 54:10019
family separation, group day care program, children, 53:4990
family structure changes & poverty & lack of infant & maternal care & isolation of child & family from others & separation of children from adults in working world, alienation, young people, 53:7178
feminine identity congruence & attitudes toward women's roles & self actualization, female child care workers, 58:9581
focus on child development & child development services, community mental health services, 55:7712
food preference & spoon use, menu development in toddler daycare, 13–30 mo olds, 54:10467
group developmental counseling in nursery school or day care center, child development & guidelines for normal behavior, parents, 55:10999
history & ongoing programs & training & public feeling, child care programs, France, 54:5107
history of & economic factors in child care & education & communication in adult–child relationship, 54:8282
home visiting program, evaluation of agency sponsored family day care programs & providers, 55:7732
identification of skills for providing quality child care for presch Chicano children, teachers, 54:12491
incidental teaching during free play, beginning reading, preschool children in day care center, 57:13743
infant & early childhood development & supplemental child c comparative review of basic & applied research, 58:11419
institutional & daycare treatment of children, book, 53:1841
instructional & maternal & therapeutic role behavior, teacher inter tions, day care & nursery school teachers, 55:2945
instructional activities, listening behaviors, preschool children in care center, 55:8083
interdisciplinary day treatment program, emotionally disturbed behavior disordered children, 54:5698
knowledge & acceptance of culture & language by child care person upgrading of child care, minority Spanish-speaking children, 54:5
length of time in day care program, peer relations & problem solving abstraction ability & planfulness, 2 yr olds, 56:2116
level of education & income & age & sex of child & S age & religi preference & family size, attitudes toward child care & mar adjustment & satisfaction, dual-employed parents, 58:11581
long vs short term day care enrollment, vocabulary & langua comprehension & production, low income children, 57:12514
Louise Child Care Center guidelines, screening of prospective fam day care personnel, 56:1178
maternal work satisfaction & satisfaction with child care, quality mother-child interaction, mothers with children in or on waiting for day-care centers, 56:3910
mental & social & motor development, children from day care center family homes, 53:9245
mental health consultation, primary prevention of mental hea problems, day care teachers, 58:12017
multiple mothering, ability to maintain stable relationships, implicatio for day care, 53:4984
open environment, visibility of children to staff & staff–child intera tions to supervisor, infant & toddler day care center, 53:10413
parent meeting project in day care for preschoolers with cerebral pal & spina bifida & other congenital diseases, balance of parent & soc worker contributions to care, 56:10401
participation vs no participation in community day care program intellectual performance & academic achievement, elementary scho students, 58:2099
personal vs impersonal methods of recruitment for research on day ca sample size & dropout rate, participant families, 53:8582
preferred resource for day care outside family & attitudes toward da care centers & staff, residents of Polish & Italian working cla neighborhoods, 57:13394
preschool attention & classification curriculum, facilitation of thinki skills, day care & early childhood centers, 54:6235
preschool experience type, indices of school achievement, black 1st–3 graders, 55:13287
presence of black nanny for more vs less than 1 yr, color conce attitudes, Indian middle & upper class preschoolers, 57:2850
presence vs absence of mother's own preschool child in group, chil mother & mother-children interaction, mothers in parent cooperati day care center, 58:10447
previous enrollment in structured vs traditional day care vs Head Sta preschool programs, social & emotional adjustment & academ achievement, disadvantaged 2nd graders, 56:1369
program evaluation, Montessori vs day care programs, disadvantage 3–5 yr olds, 53:10470
programs vs politics, comprehensive guide to child care, book, 57:403
proximity seeking & attention seeking measures of dependency, da care vs home care 4 & 5 yr old boys vs girls, 55:554
reliability & validity data for Preschool Screener, evaluation of schoo related skills & daycare, 3–5 yr olds, 53:7010
research strategies, day care effects on child & family, 54:9325
role analysis, parents as indigenous paraprofessional communi workers in child care/child development program, 55:7710
role of social worker in child day care center for public assistanc families, 54:6093
sex & day care, mother-child attachment, 21–36 mo olds, 56:527
sex differences & adult interaction, aggressive behavior, children i nursery schools & play groups & day nurseries, England, 57:102
sex differences & day care & poverty & compensatory education father's role & parental absence, child development, book, 53:484
sex differences, dominance behavior, young children in day care center comparison with data on nonhuman primates, 55:6700
socioeconomic status, spontaneous play with objects, 2–5 yr olds in da care center, 56:5812
strengths & weaknesses, family day care system, multiracial & working class area, 53:2964
supervisor's duties, day care center for children under walking ag 55:10685
systematic method development, selection of gestural imitation curricu lum procedures for individual infants, day care staff, 54:1896
teacher-child verbal interaction in Spanish & English, languag competences, 3–5 yr olds in day care centers, 55:1512
training program for work with young children, specialized outreac workers & caretakers of high risk infants, 53:5418
triadic interaction, performance & perseverance on construction tas male vs female disadvantaged 5 yr olds in day care center, 56:145
verbal behavior & knowledge & attitudes, day care teachers, 53:822

Child Discipline [See Also Parental Permissiveness]
acceptance & control & training components of discipline in relation t reward & coercive power of parents, self esteem, children, 56:972
activity level of child & labeling child as emotionally disturbed & cue to abnormality, disciplinary practice & affect, mothers & fathers o elementary school children, 53:936
analysis of child-mother & child-father home interactions, child' attachment behavior & speech & compliance & disciplinary roles o parent, parents & their male 2 yr old twins & only children, 57:789
analysis of disciplinary patterns, family disciplinary configuration middle-class families with antisocial offspring, 53:9874
child's age & sex & mother's need involvement, mothers' responses i hypothetical problem situations & children's perceptions & fantasie of discipline procedures, mothers & their 1st & 3rd & 5th grad children, implications for adult-child communication training pro grams, 56:5908
coercive vs noncoercive parental discipline, need for immediat gratification vs ability to delay gratification, Israeli 7th graders 56:5829
color discrimination RTs & semantic differential ratings & Children' Reports of Parental Behavior Inventory, schizophrenics & nonpsy chotic patients & normals, test of censure deficit model, 56:805
consistency of parental discipline & sex of disciplining parent durin childhood, complexity of adult affective & analytic styles, colleg students, 56:9641
contingent application of negative attention vs repeated commands noncompliant behavior of children, 4–6 yr olds & their mothers 56:529
developmental study, parental leadership as source of affection & discipline, children from kindergarten to high school & mothers 53:11450
differential attitudes toward punishment & child abuse, pediatricians v social workers vs policemen vs teachers vs middle class workin adults vs high school students, 58:11528
differential release from timeout, disruption & noncompliance, 4–6 y olds & their mothers, 55:10345

disciplining hearing impaired children, content of parent discussion group, 54:9984
elimination of multiple-request pattern from child discipline methods, elicitation of positive home environment, parents, 56:2619
family structure & maternal behavior, moral development, preadolescent lower class boys from early vs late divorced vs parentally intact homes, 55:9507
father absence, home & school behavior, 8–16 yr old males with vs without absent fathers, 53:7081
father's work integration, types & frequencies of rewards & punishments administered by mothers vs fathers, male vs female adolescents, 58:3211
inductive vs power assertive vs love withdrawal discipline techniques, consideration of others, parochial school 4th & 5th graders, 56:5822
interactions between perceived parental acceptance & control, hostile-aggressive & neurotic & withdrawn-dependent classroom behavior, 5th & 6th graders, test of predictive validity of Schaeffer's configurational model, 57:6877
laissez faire vs restrictive vs stimulating maternal techniques & positive vs negative maternal effects, locomotor & manipulative & visual abilities, infants & mothers, longitudinal study from 12–20 mos of age, 56:5765
marital satisfaction & conjugal power, intensity & frequency of rewards & punishments administered by mothers vs fathers, male vs female college student offspring, 58:3212
maternal discipline in situations of intention & damage & child's level of intentionality, 1st & 3rd & 6th graders & mothers, 55:4308
maternal regulation & S regulation of action & fantasy aggressive behaviors in absence vs presence of mother, 6–10 yr old asthmatic vs diabetic vs non-ill males, 56:10171
method of discipline & timing of punishment & immediacy of test for resistance to temptation, acquisition & resistance to temptation, children, 57:1012
moral development & perceived maternal discipline & affection, male 5th & 6th graders from early vs late divorced vs parentally intact homes, 57:8043
over-rigid control by parents, resultant syndromes in childhood, 54:1245
parent discipline practices, children's reports of shame & guilt, middle & lower class 7th graders, 58:7298
parent upbringing, teacher or peer dependence, 5th & 6th graders, 55:575
parental altruism & use of victim-centered discipline techniques & expression of affection, altruistic behavior, middle class white firstborn male & female 5th graders of above average IQ, 54:7238
parental discipline & moral internalization, parent–child interaction, 54:841
parental love-oriented vs power-assertive discipline, hostility & guilt & conflict over hostility, male graduate students, India, 56:5923
perceived socialization & childrearing practices of parents vs teachers vs peers vs care givers, 5th & 6th graders from kibbutzim vs urban 6th graders, Israel, 57:3050
perceptions of parental childrearing practices & self & environment, adolescent runaways vs nonrunaways, 58:3525
perceptions of paternal behavior & childrearing practices & discipline, 9–15 yr olds with muscular dystrophy vs their younger vs older siblings vs mother vs father, 57:10620
role playing vs lecture-discussion parent education approaches, opinions about child discipline methods, fathers, 58:10336
scale construction, measurement of perceived parental punishment, 11–13 yr olds, Thailand, 58:3209
sex & class differences, parent–child interaction & discipline, white vs blue collar parents of 3rd graders, 55:639
social class, child punishment practices, lower vs upper class West German parents, 54:9446
token economy & family interactions & graduate students as cotherapists, managing misbehaved children, case report, 54:12336
TV viewing patterns & perceived parental discipline & media intervention & peer mode of conflict resolution, pro- vs antisocial modes of conflict resolution, high school students, 58:11679
white vs black & middle vs lower class & urban vs rural environment & sex of child, child discipline, mothers of 3 yr olds, 54:863
written vs lecture vs videotaped presentation in parental training, knowledge of time out procedures, mothers of 1–10 yr olds, 54:1685

Child Guidance Clinics
child guidance clinic vs school psychological services, educational psychologists, Great Britain, 53:5374
child guidance clinics, family behavior patterns, 53:3812
cognitive tutoring, remediation of maladaptive & deficient cognitive skills used to cope with environment, school age children with learning problems referred to mental health clinic, 57:13392
community mental health center financing, operation & staff & service of university child guidance center, 55:10470
cultural differences, symptomatology & family characteristics & therapeutic treatment, Mexican- vs Anglo-American children at child guidance clinics, 54:3834
day care program development, disturbed children in child guidance clinic, 53:3816
descriptive statistical data from child guidance center clientele, age & sex of children & reasons for referral & agent of referral & father's profession & neighborhood, 54:1731
development of psychiatric treatment program, emotionally disturbed inner-city children, book, 53:8049
diagnostic findings, twins referred to children's psychiatric clinic during 6-yr period, 54:1307
ego-oriented guidance vs development of insight approach, treatment of parents in group psychotherapy at child guidance clinic, parent & therapist treatment evaluation, 53:7951
factor analysis, symptoms of behavior disorders, 9–16 yr old patients of child guidance clinic, 54:5550
family therapy techniques, child guidance clinic & institute of family counseling, 54:5917
fiscal problems & clinical issues & decisions regarding treatment modalities as areas of conflict at intake in child guidance clinics, 55:10478
geographic mobility & expectations, referrals to child guidance clinics, children of military families, 54:7815
grant application development for children's psychiatric services, mental health center staff & community advisory board members, 53:3797
incidence of mental retardation in children attending child guidance clinics, parental acceptance & encouragement of self-help skills, 53:9906
law's relationship to child & family, 54:8156
long term assessment in outpatient or residential centers by interdisciplinary treatment staff, therapeutic effects, children with severe learning difficulties, 57:13368
low-cost 1-way vision screen, observation of children in child guidance clinics, 53:6080
microtraining behavioral rehearsal program in group counseling, parent-child communication, parents of children awaiting treatment at child guidance clinic, 56:6364
movement in art therapy program at Hillcrest Children's Center, 53:3598
perceptual & self concept differentiation, Black vs White male vs female 8–15 yr olds with vs without father present at initial child guidance clinic visit, 57:5989
preliminary considerations, establishment of outpatient psychology screening clinic in pediatric hospital, 55:12782
problems & procedures in development & consultation & new manpower resources, child mental health clinics, book, 53:5988
psychiatrist's role in preventive programs, community mental health child guidance clinic, 54:3794
reasons for self termination from child guidance center, families, 55:5197
roles of school as substitute parent, types of children treated at child therapy clinic's nursery school, 54:8482
scoring parental responses to application form, method to discriminate unilateral from bilateral terminations at child guidance clinic, 57:6240
sensory integrative disorders, 5–9 yr olds in child guidance clinic for behavior problems, 53:11932
suggested professional replacement of Child Guidance Clinics, Great Britain, 54:1749
transition of child guidance clinic to community mental health center, 5-yr report, 53:8051
undergraduate seminar on services available for children, relation of psychological developmental theory to historical & current treatment of children, 54:10488

social world of playground, development of children's social competence, 57:10015
sociocultural & economic deprivations of migrant workers, physical & psychological development of children & efforts in parental education, Europe, 55:9603
somatophysic & pseudosomatic & psychosomatic sequences, classification of physical symptoms in childhood disorder, 53:3337
stages of childhood development, understanding of nature of psychotherapy in treating neuroses & borderline states & psychoses, 57:3858
strengths & weakness of ghetto life & problem development, black children in ghetto, book, 56:2127
structural analysis of fantasy narratives, differentiation of stories freely told by children of different levels, 2–12 yr olds, examination of paradigms of C. Levi-Strauss & V. Propp & Piaget, 57:12499
success at school & work & intellectual development & social integration, patients who suffered from severe to moderately severe brain trauma before age of 15 yrs, 10-yr followup, 58:11964
symbiosis & separation-individuation stages, summary of M. S. Mahler's concepts & usefulness for clinical practice, 54:5994
teaching approach requiring reorganization of educational process, observation & intellectual performance & practical tasks, USSR, 53:10477
television & socialization processes in children & adolescents, 1975 Prix Jeunesse Seminar, book of papers, 57:5449
tendency of childhood nervous symptoms to persist into adulthood, 21–44 yr old Japanese parents, 58:5455
thematic components of childhood experiences, analysis of Dicken's novels, 53:1128
theory of natural concepts in human languages & development of logical abilities, children & adolescents, book, 58:5162
variations in IQ test performance & association with developmental level & life events & adjustment reactions, limitations of standard IQ tests, adopted & nonadopted & boarding home children, 16-yr longitudinal study, 56:5168
verbal control of behavior, theoretical & treatment implications of development research, 54:5006
verbal thinking ability & memory ability & cognitive development, structural change of intelligence, children, reanalysis of H. Kano's 9 yr followup study, 55:2184
viewing videotaped modeled task & race of model & presence vs absence of vicarious reinforcement, performance of modeled task & recall of film circumstances & racial group preferences & self identification & self esteem, 1st vs 3rd vs 5th graders, 58:9236
Wallon, H., contribution to development of theories of imitation & emotions & syncretic thought in children & his influence on psychologists & philosophers, 53:10700
weight & height, development of abilities, children, longitudinal study, 53:840
wholistic approach to development of children in school psychology, Turkey, 54:8240
workbook activities, child & adolescent development, textbook, 53:4845

Childhood Neurosis

brain damage, reactive behavior disturbances, neuroses & psychoses, children & adolescents, 56:8121
childhood neurosis, adult mental health, lower & middle class young adults, followup, implications for treatment & prognosis, 56:834
childhood neurosis symptomology, 21–27 yr olds, followup, 54:9836
childhood psychopathology & adult psychoses, book, 55:12392
cognitive dissonance, neurotic 9–13 yr olds, 55:2474
diagnosis of psychopathology, comparative utility of Stanford-Binet Intelligence Scale & Raven Progressive Matrices & Draw-A-Man Test, mentally retarded vs neurotic 4–8 vs 8–12 yr olds, 58:9631
differential diagnosis, true innumeracy vs number difficulties related to neurosis or poor motor coordination, children, 58:3582
dynamic mother–child relationship, children with neurotic behavior disorders, 53:5543
experiences in psychoanalytic treatment, etiology of infantile neurosis, 55:12413
factor analytic study, childhood symptoms antecedent to schizophrenia, longitudinal study of child guidance clinic patients, 57:10493
identification & symptoms, childhood anxiety, 5 yr old boy, 57:5970
infantile neurosis, implications for diagnosis & treatment, 55:12438
laterality, motor activity & intelligence & mnemonic performance & affectivity & Rorschach organic syndromes, 6–20 yr olds with brain damage vs neurosis, 57:8363
Morita therapy, application to neuroses among modern youth, 54:3614
neurotic development of failure, childhood, 54:7751
neurotic vs character disorder symptomatology, children in therapy presently vs previous years, 54:3619
parent's interpersonal response styles, child's emotional development, parents of schizophrenic vs antisocial vs neurotic vs normal son, 58:1287
personality profiles & intelligence levels & intensity of overt & covert anxiety, 8–11 yr old males with anxiety neuroses, 58:5513
preventive psychotherapy to counteract development of severe neurosis, male beginning 8-yr treatment program at age 9, 58:12052
rapprochement crisis of separation-individuation, infantile neurosis, 58:3475
sex & etiology, epidemiology of neurosis, 3–7 yr old kindergartners, 58:1305
somatic neurotic & psychoneurotic & antisocial symptoms & symptoms showing immaturity of personality & changes in ward behavior, normally talented 11–15 yr olds treated in child psychiatry ward, 4-yr longitudinal study, 57:3393
therapeutic success & outcome, neurotic children in therapy, 9–13 yr followup, 58:1557
types of mother-child & family interactions within home, families with child in psychotherapy, 55:2484

Childhood Play Development

abilities & control features & interaction formats, dyadic social play, 3–5 yr olds, 54:9381
ability & motivation aspects, peer conflict in play situations, kindergartners, 3-yr longitudinal study, 53:11459
adaptability scores & behavioral change in unstructured free play & structured test taking, twin children, longitudinal study from 9–30 mos of age, 55:6841
adult-child interaction during child's fantasy activities, clinic-referred children & young adults, implications for child psychotherapy & parent- & teacher-child relations, 58:3433
age & complexity of materials used in unstructured play, play activities & classification learning, 3–6 yr olds, 55:4211
age & self concept & sex & father absence, sociodramatic play, low socioeconomic status black 2nd graders vs kindergartners, 55:9498
age & sex & IQ, measurement of play, 3–4 yr olds in preschool centers, implications for preschool education, 57:5614
age & sex & socioeconomic status & community & region, play development & competitive behavior & toy preferences, Filipino 2–6 yr olds, 55:2214
age & sex, nonverbal behavior in standardized play situation with same- & opposite-sex pairs, 3–5 yr olds, 55:6828
age & sex, observational study of spontaneous play & categorizational preference, categorical behavior, 3 vs 4 vs 5 yr old children, 55:4216
age & sex, patterns of proxemic behavior, preschool children dyads, 55:9508
age & sex, play behavior, disadvantaged rural 3–5 yr olds, 53:4973
animal & human exploration & play, concept review & outline & research direction, 57:4611
anthropological & psychological & pedagogical aspects, childhood play development, 55:2221
availability of particular toys, social play, 4–5 yr olds, implications for role of toys in social development, 58:3157
child-mother attachment, exploration & play & cognitive functioning, infants, 56:474
children's play as reflecting misdirected goals & life style & concept of social interest, 55:2223
children's play in school setting, implications for teacher training in psychology & group dynamics, 55:13368
coaching in social skills, peer acceptance during play, 3rd & 4th graders, 58:11672
cognitive structure as informational content of warnings against playing with favorite toy & reprimand timing, response inhibition & affective behaviors & immediate & delayed reprimand effects, children, 58:5085
concept of play & playful approach to activities, implications of function of play in education, 58:12363
contribution of adults, parent–child fantasy play, 54:9402
contributions of B. Bornstein, emphasis on central role of play in child psychoanalysis, 55:12615
contributions of play research to human development, literature review, 57:12485
creative play, language development, disadvantaged nursery school students, 53:10445
criticism of institutionalization of play & effects on development of relationship, 54:9391
degree of acquaintance & high vs low spatial density conditions, free play social behaviors, preschoolers, 58:7288
development of clustering & socially directed playgroup behaviors over 3-mo period, male 1st born 1 yr olds, 57:8037
development of manipulative play, 7 vs 9 vs 13 vs 20 mo olds, 56:7595
development of play & logical thinking, 4 & 5 & 8 yr olds, 58:7173
development of representational play, infants at 12 & 15 & 18 & 21 & 24 & 30 & 36 mo, 54:5005
development of role play & sex-appropriate roles, 3.5–5.5 yr olds, 55:6830
developmental age & play materials & modelled play, validity of observation scheme for recording frequency & duration & diversity of imaginative doll play, special education nursery school vs normal 57–103 mo olds, 56:8941
developmental aspects of play, reading achievement, school age children, 55:10884
developmental-play group counseling, classroom disturbance behavior & self concept & school attitudes, disadvantaged 2nd graders with behavior problems, 58:6412
dramatic play, cognitive development & role taking ability, 3–5 yr olds, 58:795
ecological analysis, free play activities, nursery school students, 55:8261
educational & cultural & creative concepts of play, 54:9303
effectiveness-motivation in free activity, 4 yr olds attending a preschool, 57:2876
egocentrism & popularity & classification skills, play preference, 4 yr olds, 55:9505
ethological study, free play behavior & participation in group & peer contexts, developmentally delayed & nondelayed toddler-age children, 58:903
exposure to & educational objectives of social learning scenes from "Sesame Street", imagination content & play behavior, German 4–7 yr olds, 58:3136
familiarity & attributes of stimulus & age & sex & individual differences, exploratory manipulation & play behavior, 7.5–11.5 mo olds, 57:12488
field dependence, social behavior, preschoolers, 55:9490
filmed peer models & reinforced practice, social play behavior, trainable vs educable mentally retarded 5–9 yr olds, 57:6344
free play & modeling conditions & toy familiarity & sex, sex stereotypes & preferences in toy choices, 20 mo olds, 54:5025
free play activities analysis, nursery school children, 55:4324
frequency & length of speech during uninfluenced free play, middle- vs working- vs immigrant working class 4–5 yr olds, 54:11452
Freud's psychodynamic vs Piaget's developmental vs A. Ellis's arousal-seeking theories of play, applications for exceptional children, 57:9960
gross motor skills & play in adventure playground, application of therapy in play & contribution of playground to therapy, cerebral palsied children, 56:4356
group training in imaginative play vs extra free-play activity vs control, social role conservation & understanding of kinship relation & imaginativeness of free play, kindergartners, 58:766
heuristic approach, phenomenon of play, deficit children, book, 53:931
hierarchical complexity & interruption & role change structural principles, difficulty of strategy in building modeled construction, 2–6 yr olds, implications for cognitive organization common to play & language development, 57:7883
imaginary companions, social development, 4–7 yr old children, 55:4328
initial reading ability, developmental aspects of play, 1st-grade boys, 53:9315
instructions to imitate vs attend vs to engage in joint vs isolated play, subsequent imitation during same E behavior, 1st graders, 55:6844
intelligence & divergent thinking test scores & sex, social vs nonsocial make-believe play, socially & economically disadvantaged preschoolers, 58:769
interaction of conceptual development of parents & teachers, creativity & home play conditions, 4–5 yr olds, 55:12006
intrinsic motivation, play, criticism of M. Csikszentmihalyi's formulations, 58:882
length of observation time of free play, frequency of mother-child attachment behaviors, 1 yr olds & their mothers, 57:2982
level of complexity & novelty of environmental conditions, play behavior, 4–5 yr olds, 55:12037
level of symbolic play & use of spontaneous vocal imitation & development of multi-word utterances, 14–19 mo olds, 1-yr longitudinal study, 58:9299
low vs high socioeconomic status, sociodramatic play activity, Black male vs female school age children, 58:889
mechanically recorded activity level, varieties of play behavior, 2.5 yr olds, 53:818
observation method development & application, patterns of mother-child interactions during play & maternal language & child solitary play at home vs in laboratory, working vs middle class mothers & their 12–16 mo olds, 58:3217
observational system, coding & scoring of spontaneous play with objects, infants, 57:9950
observations of children at play, mastering art of teaching, 54:10430
parent behavior during family play, imaginativeness, 3 1/2 yr old sons, 58:5205
patterns & functions of play, 1–10 yr olds, 54:9403
peer presence, interaction with mother & toys during free play at home, 19 mo olds, 57:5605
phases & analysis of behavioral action patterns, handling technical-educational toys, 3–6 yr olds, 54:11355
physical size & birth variables & sex & parent income & education & mental & psychomotor development, tempo & sophistication of toy play & exploratory & locomotor activity, black infants, 57:883
planned educational play activities focusing on auditory & tactile sensory system stimulation, perceptual & cognitive development, blind retarded children, 58:2205
play & games & interaction, childhood socialization, 3–8 yr olds, 55:9482
play & learning interrelationship, book, 56:5741
play actions & play objects, role in child development, 53:11371
play activities, elicited language functions & structure & development, British 5 yr olds in infant schools, 58:5180
play activities, Eskimos, 54:9373
play activities, nursery vs primary school children, 53:4025
play as arousal drive motivated stimulus seeking behavior, 54:9310
play as variability training in school, preparation for nonschool world, children, 54:6284
play disturbances as precursors to learning difficulties, children, 53:7709
play, emotional development, blind children, 53:5752
play instruction with kindergarten partners, creativity & self concept, 4th graders, 58:6254
play, literature review, book, 54:9395
play materials, social behavior & interaction, 18 mo olds in peer playgroup, 57:8019
play materials with varying degrees of arousal value for sensory & motor activity, preferences & play activity & motivation, kindergartners, 57:12564
play, social & emotional & cognitive development functions, 54:9380
playing differences, blind vs sighted children, 53:3528
playtime activities & game patterns, sex differences & development of organizational & social skills useful in adult roles, 5th graders, 58:895
preschool masculinity scores based on sex-typed play choices, subsequent Embedded Figures Test scores & teacher rated intellectual performance, male vs female 6 & 10 yr olds, 58:2083
presence of mother vs blanket vs favorite hard toy vs no object, play performance & exploration, blanket-attached vs nonattached 2–3.5 yr olds, 54:851
presence of mother vs stranger in novel environment, behavior, 36–47 mo olds, examination of findings of D. K. Routh et al, 54:2748
presence vs absence of adult nonverbal approval, activity level during play, 1–2 yr olds, 54:7254
presence vs absence of nursery toys, social contacts with adults & other infants, 6–11 mo olds, 58:3159
prior exposures to familiarized stimulus, object meaning & play behavior, kindergartners, 58:5083
quality of play & intellectual functioning, 4–6 yr olds, 55:4233
quantitative method of analysis, dramatic play behavior, children, 53:11464
ratings of typicality & acceptability of sex appropriate & inappropriate play behavior of mentally retarded vs nonretarded children, teachers vs caretakers of mentally retarded children vs teachers of nonretarded children, 58:4164
recipient's behavior & familiarity of toys, sharing, Ss 18 mo of age & younger, 58:904
reinforcement contingency & training sequences using saying then doing vs doing then saying, development of correspondence between

verbal & nonverbal behaviors in free-play situation, preschoolers, 53:821
relationship between playfulness & creativity measured by creative thinking vs associative creativity, kindergartners, 58:11500
repeated exposure to & interaction with play settings differing in complexity, preference for play objects & peers, 4–5 yr olds, 54:5052
role of play & emotions, psychological development of child, 53:11385
role taking skill & associative & cooperative play, preschoolers, 58:906
sequence & context, nonverbal behaviors in outdoor free play interactions, 24–36 mo olds, 58:11521
sex & age & location & season, free play fantasy behavior, 3–5 yr olds in preschool setting, 58:907
sex & age & socioeconomic status & conceptual tempo & play settings, choice & use of toys, Montessori preschoolers, 55:5527
sex & birth order, solitary play patterns, kindergartners, 53:4982
sex & culture, individual play behavior, Navaho & Anglo 1–3 yr olds, 58:3142
sex & distance & orientation & position & visual regard, nonverbal communication during free play, triads of 4 & 5 yr olds, 53:915
sex & social class, mother-infant interaction & attachment in home & playroom laboratory situations, mothers & infants at 3 & 12 mo of age, longitudinal study, 58:5078
sex differences & social interaction & sex of peer playmate, toy novelty exploration of & play with novel toys, 35–62 mo olds, 57:1021
sex differences, outdoor vs indoor free-play activities, 3–5 yr olds, 53:7099
sex role & play interests, stability from preschool to elementary school, 54:838
sex role play preference behavior, social competence, Head Start vs non-Head Start preschool children, 55:6853
sex, use of indoor space in play, 4 yr olds, 58:9334
shaping procedures, cooperative play, severely retarded 4–12 yr olds, 53:10529
social class & educational orientation of center, play, working vs middle class 3–4 yr olds in preschool centers, implications for preschool education, 57:5613
social functions & types of play, Janken play, Japanese 3–5 yr olds, 54:2781
social play with unfamiliar peers, pairs of 10–12 & 16–18 & 22–24 mo olds, 53:7092
social stimulus situation & required type of play response, discriminative stimulus control over sex-typed play behaviors, male 5–8 yr olds with cross-gender identification, 55:5120
sociodramatic play, male vs female Black 3 vs 4 yr olds, 58:11523
socioeconomic status, sociodramatic play, male & female 5 & 6 yr olds, 54:9382
socioeconomic status, spontaneous play with objects, 2–5 yr olds in day care center, 56:5812
spontaneous play, importance in fundamental learning of handicapped children, criticism of M. D. Sheridan's article & her reply, 56:9980
structural & content analysis, naturally occurring fantasy during free play, 4 yr olds, 58:3151
structure of preschool high activity levels, later cognitive & social functioning, children tested at 2.5 & 7.5 yrs of age, longitudinal study, 55:11875
suppression of self-stimulation, spontaneous play, autistic 8-yr-old boy & 6-yr-old girl, 53:10184
symbolic elaboration & thematic context & integration of affect & intellect & enactment of idealized self & distinction between reality & fantasy & modes of interpersonal transaction, cognitive implications in children's spontaneous role play, 54:9332
taxonomy of toddler play & play development, 55:9409
thematics in fantasy play training, social & cognitive development, culturally disadvantaged preschoolers, 53:1925
token-praise-feedback procedure, development of cooperative & competitive social play, educable mentally retarded 8–10 yr olds, 55:10357
training mother as teacher, child self concept & achievement, black inner city mother–preschool child dyads, 54:9401
training procedure for cooperative chained responses & adult cuing & physical prompting & reinforcement types, development & maintenance of cooperative play, autistic children, 58:12100
transitional objects of childhood, later attitudes & dreaming & creativity & cultural experiences, book, 53:7011
type & amount of teacher-child interaction, child-child interaction during free play, behaviorally handicapped preschoolers, 57:1993
types & functions & developmental stages in spontaneous play, early fundamental learning, handicapped children, 56:4160
validation, laboratory play measure of child aggression, 4 yr olds, 58:6643
videotaped observations, patterns & processes & facilitating & disrupting conditions & toy preferences of play interaction, 3 yr olds in dyads, 54:861
viewing & performing play aggression, interpersonal aggression in laboratory & classroom, girls vs boys, 55:4307
visual habituation & sensorimotor development & play tempo & motor activity, male vs female Black 1 yr olds, 58:7155

Childhood Psychosis [See Also Childhood Schizophrenia, Early Infantile Autism, Symbiotic Infantile Psychosis]
analysis through countertransference process, role of family in genesis & development of childhood psychosis, 55:12658
attention to visual & auditory & human stimuli, psychotic & nonpsychotic institutionalized children, test comparison of human audience & primary language disorder & Goldfarb's hypotheses, 57:10454
barpressing response rate to positive reinforcement, assessment of general level of functioning & classification & grouping practices & differential teaching & therapeutic intervention & prognosis, 4–15 yr old psychotics, 55:7318
biochemical parameters, etiology of childhood psychosis, review of biochemical studies, 55:4738
biological etiology of childhood psychoses, 57:3430
biological vulnerability & brain pathology & psychological determinants, Heller's syndrome, case report & review of literature, 55:12375
blood serotonin levels, psychotic & brain damaged children, 56:9965
borderline condition with episodes of infantile psychoses, Wolf Man, 54:7758
brain damage, reactive behavior disturbances, neuroses & psychoses, children & adolescents, 56:8121
catechol-O-methyltransferase activity, institutionalized schizophrenic & chronic psychotic & acting out children, 57:10511
characteristics & symptoms of optical "hallucinosis" in organic psychosis, 3–9 yr olds, 58:3454
childhood psychopathology, psychotic delusions & fantasies & psychomotor phenomena & affective disturbances, adults, 53:1343
classification of psychoses by childhood stage, review of formulation of Group for Advancement of Psychiatry, 57:3470
clinical diagnosis of infantile psychoses, 57:3467
clinical symptoms & structural etiology & onset age, early evolutive psychotic disharmony, 54:3329
computer analysis of EEGs, 5–15 yr old psychotic males before & after pharmacotherapy vs normal Ss of schizophrenic mothers vs normal Ss of normal parents, 57:1383
content analysis of language behavior, psychotic vs nonpsychotic adolescent boys, 57:1393
development of early detection & referral & treatment services, survey of problems of childhood psychosis, professionals & institutions, 54:7816
development of object relations, classification of psychological disturbances, children, 54:11964
early home movies of nonverbal behavior, diagnosis of childhood psychosis, 55:9976
early somatic episodes, children with infantile psychosis, 56:4179
effectiveness evaluation of Diagnostic Check List for Behavior-Disturbed Children, differential diagnosis, autistic vs other psychotic vs nonpsychotic disturbed children, followup study, 57:1315
ego strengthening use of wit & humor & laughing behavior, borderline psychotic 9–12 yr old boy in psychotherapy, 54:12216
epidemiology & behavioral & etiological characteristics, autistic & psychotic children, 4 eastern states of Australia, 57:6019
evolution of normalization principle & application to human service delivery systems, implications for treatment of psychotic children, 58:3976
extraverbal dimensions in analytic psychodrama, psychotic children & adolescents, 57:6266
factor analysis, differential cognitive abilities, psychotic 3–7 yr olds in part-time educational program, 57:13918
family characteristics & relations, families with psychotic children, 57:3516
family characteristics, etiology of childhood psychosis, review, 55:9967
family communication centered therapy, 11-yr-old female with infantile psychosis, 53:7811
family pathology & adult schizophrenia & age of onset of disorder & presence vs absence of neurological impairment, psychotic children, 57:3469
frequency of psychiatric illness & treatment in childhood, psychotic & borderline psychotic adolescents, longitudinal study, 55:4695
High School Personality Questionnaire profile, psychotic adolescents, 57:10503
history of incidence & epidemiology & definition & general concepts, childhood psychosis, Mexico & South America, 57:3512
hospital treatment using drugs & therapeutic community & education & psychotherapy for mother, psychotic non-autistic child, 53:3900
individualized & well-planned educational program with interdisciplinary support, academic & vocational placement & social & emotional growth, autistic & schizophrenic & psychotic children, 56:10743
infantile psychoses, review of M. Mahler's psychodynamic theory, 57:3458
infantile psychosis & Schilder's encephalitis, 13 yr old male, 57:3394
intelligence & motor & perceptual & personality organization, infantile prepsychotic personality, 5–11 yr olds, 54:3343
internal conflicts in relationship with mother & communication of intrapsychic process through symbolism of drawings in psychotherapy, 10 yr old boy with cerebral palsy & infantile & psychotic behavior, 54:5784
learning theory views of psychopathology & nature of behavior modification & treatment of neuroses & schizophrenia & depression & alcoholism & drug dependence & sexual disorders & child psychopathology & mental retardation, 56:2632
linguistic deficits & importance of language in diagnosis & prognosis & mother-child linguistic interaction & intervention programs, language in childhood psychosis, 55:7271
multidisciplinary approach & long term chemotherapy & psychotherapy, childhood psychosis, 53:3613
neuropathologic changes in childhood autism or psychosis, literature review, 58:3451
nocturnal imagery in dreams, psychotic children, 55:9957
numerical taxonomy, classification of childhood psychosis, 55:7313
objectives of pedagogical methods based on psychoanalytic & C. Freinet's theories, psychotic children, 58:4375
organic factors & family pathogenesis & childhood psychoses, adult psychotic behavior, 55:12421
Parent Training Technology System, behavior modification & development of academic & language & motor & social skills, mentally retarded & emotionally disturbed children, 53:5950
parental characteristics, symptomatic state & neurological status, psychotic children, 55:12425
pedophrenia, onset & principal features illustrated through 15 case histories, 57:10424
personality development theory of D. Winnicott, analysis of psychotherapeutic treatment of severe emotional inhibition & speech retardation, 9 yr old male, 54:3633
personality structure & clinical assessment vs etiology, theory of infantile psychosis, 53:7543
phenomena of childhood psychoses, conclusions based on observation & interview data, 58:5517
plasma from psychotic vs emotionally disturbed children, tryptophan uptake by red blood cells, chickens, 58:11188
play therapy, transition to secondary process thinking & reflective & conceptual & communicative speech, borderline psychotic children, 54:5814
practical problems & issues, teaching behavior modification procedures to parents of retarded & psychotic children, 57:6356
preferences for natural intelligible speech vs distorted speech, psychotic vs language handicapped vs linguistically normal 7 yr olds, 57:12860
project using college student companions, avoidance of hospitalization, 3–11 yr old psychotic children, 4-yr longitudinal study, 55:12450
projective techniques, diagnosis of prepsychotic personality, 5–11 yr old normal vs psychotic children, 54:3285
psychiatric history & hospitalization, child psychiatric clientele, 20-yr followup, 57:5981
psychoanalytic theories & treatment of childhood psychoses, autistic 3 yr old male with mutism, 57:3795
psychodiagnosis using psychometrics, infantile psychoses, 57:3800
psychopharmacology, treatment of psychotic children, literature review, 55:2689
psychotherapeutic treatment program based on A. des Lauriers' individual psychotherapeutic approach, psychotic children, 58:1586
psychotic regression & body image changes, 12 yr old male with anorexia nervosa, 54:3278
rediagnosis of chronic brain syndrome with various reactions, children originally diagnosed as being psychotic, 57:1370
relationship of childhood schizophrenia to other childhood mental disorders as leukoencephalitis & Heller's disease & early infantile autism & manic depressive psychosis, 55:843
research & theory changes, psychotic children, 53:5563
research & treatment, psychopathology & child development, book, 56:2478
self-protection from mother separation, therapeutic communication, psychotic children & psychotherapists, 53:7874
social class & sex, intellectual level, parents of psychotic children, 56:10009
social vs nonsocial stimuli, attention & learning, psychotic children, 53:11852
structure & techniques, psychomotor & intellectual & emotional developmental groups, psychotic & mentally deficient 5–10 yr olds, 57:6285
systematic structured psychiatric interview, psychopathology assessment, parents of psychotic children, 58:3460
technique for identification of prerequisite skills for new skill achievement, psychotic children, 53:11897
theory & clinical characteristics, prepsychotic states, children, 54:3357
therapeutic milieu, establishment & expansion of receptive & expressive language skills, psychotic 5–6 yr olds, 57:3883
therapist as auxiliary ego in psychotherapy, 6 yr old female borderline psychotic, 57:8615
treatment approaches & effectiveness & prognosis, infantile psychoses, 57:3825
types of mother-child & family interactions within home, families with child in psychotherapy, 55:2484
unstructured group interaction & verbalization & expression of feelings, therapeutic treatment program, 6–12 yr old psychotic children, 56:989
visual evaluation & analog frequency & digital computer period analyses of EEG, hospitalized psychotic boys vs normal Ss, 56:4188
wishes & fantasies & psychosomatic manifestations during pregnancy, child's experiences & development of psychosis, clinical analysis of 2 mothers, 56:6173

Childhood Schizophrenia
age & IQ & reduction of stimulus competition, concept usage as measured by sorting task performance, schizophrenic vs brain damaged vs normal 8–12 yr olds, 57:1398
age groups & age at onset & type of onset & course & outcome of illness, childhood & adolescent schizophrenia, Soviet view, 55:4755
allopurinol, psychiatric symptoms, 11 yr old schizophrenic male, 56:8438
animistic beliefs as revealed on test based on Piaget's research, schizophrenic vs normal 11–15 yr olds, 55:12410
auditory monitoring model approach, family communication patterns & communication therapy approach, childhood schizophrenia, 55:2488
behavior modification program, autistic or schizophrenic children in public school, 53:1966
behavior therapy, speech construction & social behavior, 12-yr-old schizophrenic female, 53:3730
catechol-O-methyltransferase activity, institutionalized schizophrenic & chronic psychotic & acting out children, 57:10511
childhood schizophrenia, review of literature, 55:852
compulsive behavior, children whose preschool age diagnosis was early infantile autism or childhood schizophrenia, 56:10060
contemporary concepts, autism & autismus infantum, 54:11977
cotherapy method directed at autonomous development within family & resolution of separation & loss, families with schizophrenic child, 58:3776
developmental feedback therapeutic model, production of awareness state for modification of speech & language disorders, schizophrenic children, 54:3648
diagnosis & classification & prognosis, infantile schizophrenia, 53:7549
diagnostic problems, schizophrenic children & adolescents, 57:12923
differential etiological antecedents & life history factors & symptom picture, organic & genetic & traumatic environmental pathways & severity of illness, adult schizophrenics with childhood vs poor premorbid vs good premorbid onsets, 57:5967
divergent concepts of childhood & adolescent schizophrenia & methodological problems in psychiatric & medical diagnosis, USSR, 58:3497
double bind relationship with mother & demographic & dynamic factors, early infantile autism & childhood schizophrenia, 55:9965
ethical & empirical & theoretical issues, response-contingent punishment for control of self injurious behavior, schizophrenic children, 56:10309
ethical & legal considerations of research concerning children believed at high risk for schizophrenia, 54:5446
ethnic & religious derivation & socioeconomic status of parents & family history of mental illness & family patterns, schizophrenic traits & vulnerability, 2.5–12 yr old schizophrenics, followup study at 22–46 yrs old, 56:8104
facial screening & positive reinforcement, disruptive hand clapping during language training class & correct verbal responses, 7 yr old schizophrenic boy, 58:3890
factorial study of GSR conditioning, diagnostic classification & equivocal neurological signs in childhood schizophrenia & minimal brain dysfunction, 55:9926
family physician as source of continuing guidance & help with problems, parents of autistic & schizophrenic & brain damaged children, 56:10405
genetic factors, early infantile autism & childhood schizophrenia, 57:10449
group play therapy, verbal communication & self-destructive behavior decrease, 8–13 yr old boys with childhood schizophrenia or infantile autism, 53:1756
incidence of emotional & thought disorders in parents, preschool schizophrenic children, followup 14–16 yrs later, 58:11813
incidence of schizophrenia among relatives & nonspecific genetic & exogenous prenatal & perinatal factors & postnatal traumata or illnesses, early manifestation of schizophrenia, genealogical study of relatives of childhood schizophrenics & clinical-statistical analysis of schizophrenic children & adolescents, 58:3482
individualized & well-planned educational program with interdisciplinary support, academic & vocational placement & social & emotional growth, autistic & schizophrenic & psychotic children, 56:10743
language behavior & hierarchic integration, schizophrenic boy, longitudinal study, 56:10057
levodopa vs levoamphetamine, 3–6 yr old schizophrenic patients, 55:10396
long vs short verbal commands & IQ, correct responses to teachers' commands, 3 7–8 yr old schizophrenics, 56:8762
loxapine vs haloperidol, side effects & symptom change, 13–18 yr old acute & chronic schizophrenics, 55:10411
MAO activity in blood platelets, schizophrenic 2.5–19 yr olds & their parents, 58:11794
methods for evaluating diagnostic signs, children with high vs low risk for schizophrenia, 55:9942
motor conditional reflex & autonomic conditioning & word association tests, childhood vs adult schizophrenics, 53:3372
nondirective humanistic treatment approach, schizophrenic mildly retarded 12 yr old male, 56:4421
operant & respondent paradigms in acquisition & maintenance of self injurious behavior & its treatment, schizophrenic & retarded children, 56:6194
optometric training, improvement of visual behavior & eye control characteristics, male 5 yr old schizophrenic with autistic tendencies, 56:4537
paired associate & serial learning performance, 8–13 yr old male hospitalized "organic" vs "non-organic" schizophrenics, 58:7676
parental deviant thinking & schizophrenic family history, offspring neurological impairment & prediction of age of illness onset & quality of illness, families with schizophrenic offspring, 57:5988
parent's interpersonal response styles, child's emotional development, parents of schizophrenic vs antisocial vs neurotic vs normal son, 58:1287
patterns of intellectual functioning, schizophrenic vs brain damaged vs emotionally disturbed vs normal 10–15 yr olds, 56:10072
peculiarities of depression & differential diagnostic difficulties, childhood schizophrenia, 55:4790
personality traits, fathers of schizophrenic children, 58:9664
prior contextual information defined by topic vs picture cue vs categorical information, free recall & recognition performance, schizophrenic vs normal children, 58:9680
psychological growth & self regulative behavior, 7–10 yr old schizophrenics, longitudinal study, book, 54:1283
psychotherapy using symbolic drawing & metaphor & illusion, 5 yr old extremely disturbed schizophrenic female, 55:7541
relationship of childhood schizophrenia to other childhood mental disorders as leukoencephalitis & Heller's disease & early infantile autism & manic depressive psychosis, 55:843

schizophrenia in childhood, 53:11880
schizophrenia in childhood & adolescence, reply to criticism, 58:9678
serum creatine phosphokinase levels, children with atypical personality development vs autism vs schizophrenia vs aphasia vs severe personality disorders vs parents vs siblings of psychotic children, 56:6113
social class & sex, intellectual level, parents of psychotic children, 56:10009
special education as early intervention & treatment, childhood schizophrenia, 53:8365
speech morphology & function, 2–7 yr old normal vs schizophrenic children, 53:9814
symbiosis & confirmation in relationships, families of schizophrenics vs nonschizophrenic mental patients vs normals, 58:9674
vulnerability to schizophrenia in children, theory & research designs & intervention strategies, 57:10441
word associations, 10–11 yr old schizophrenic & nonschizophrenics in residential treatment vs normal children, 53:7578

Childrearing Attitudes
activities & attitudes concerning rearing of their 3–5 yr old daughters, Caucasian fathers, 58:11569
Adlerian parent study group participation, children's reading achievement & classroom behavior & parents' childrearing attitudes, 4th graders & their parents, 58:10587
Adlerian vs behavioral study groups, parent attitudes toward children's freedom & childrearing & perceptions of children's behavior, parents of elementary school students, 56:2585
age & education & husband's occupation & parity, childrearing attitudes, mothers of newborns, 58:979
age & marital status & sex & religion & ethnic background, attitudes toward childbearing, college students who have not borne children, 55:12135
age, food preferences & perceived patterns of mothering, obese vs normal 18–59 yr olds, 58:9796
agency vs independent adoptions, childrearing practices & attitudes & home conditions & child's behavior, adoptive parents, 56:9771
aims & concepts & methodology & major findings & policy implications, Value of Children project, Asian countries & Hawaii, book, 56:5891
altruistic & fatalistic & narcissistic & instrumental types of motivation for childbearing, childless vs parental student couples, 58:11577
analysis of adolescent developmental tasks & problems & prospects associated with actual societal provisions, New Zealand, 58:792
attitudes & practices of childrearing, people of Menz, Ethiopia, 58:5236
attitudes toward childrearing & teaching strategies with children, Japanese mothers, 58:3221
attitudes toward concepts of disease & own children & childrearing, mother-child relations, mothers of epileptic children, 57:10627
attitudes toward fertility & reproduction, England, 53:7181
attitudes toward socialization of children in 19th century English children's literature, 57:12469
child status & family demographics, childrearing attitudes at child's birth & 1 yr later, mothers, 56:9772
childlessness, childless couples of fertile age, Netherlands, 54:9461
child-rearing attitudes & philosophy of human nature, general population vs residential treatment parents, 53:7122
child-rearing attitudes & practices, Switzerland, 53:5040
childrearing attitudes & practices, foreign- & American-born Chinese mothers, 55:6930
childrearing attitudes, "Japanese" mothers from 3 cultural backgrounds, 54:882
childrearing attitudes, 23–66 yr old licensed foster home mothers vs biological mothers, 56:7802
cognitive complexity & acquiescence & maternal childrearing attitudes, college students, 57:10352
cognitive role playing, attitudes toward use of power to control children, 55:12218
cross cultural view, parental goals of infant survival & later economic success, 54:5137
day care intervention during 1st yr of life, maternal attitudes & mother-infant interaction patterns, developmentally high risk infants & their mothers, 57:7897
definition & implications of childism, 57:3115
demographics, marriage & family formation & dissolution patterns, 57:1090
differential attitudes toward punishment & child abuse, pediatricians vs social workers vs policemen vs teachers vs middle class working adults vs high school students, 58:11528
discussion groups co-led by school counselor & learning disabilities specialist, childrearing attitudes & parent-child relationships & personality traits of parents & children, school age children & parents, 56:2601
early childrearing attitudes & practices in US, book, 54:966
educational interests & attitudes toward adult learning & family life & childrearing involvement, mothers vs fathers of school- vs teen-age families, 58:11553
evaluation & effectiveness of parent education programs, changes in childrearing techniques & attitudes, parents, 57:13766
family atmosphere & identification & birth order & maternal employment & father absence, development of career vs homemaker orientations & accompanying motivations, female college students, 58:4483
family intervention program focusing on changes in child-care practices & home-care activities & education level & number of children of S, childrearing mothers of emotionally disturbed children, 57:8861
guilt, childrearing attitudes, college students, 57:3368
illness duration & severity & emotional precipitants, negative personality adjustment in child & negative maternal childrearing attitudes, asthmatic 6–16 yr olds & their mothers, 57:6139
indirect/open vs direct/closed home & classroom environment, divergent thinking, girls vs boys, 57:4336
individuation in occupational setting, childrearing attitudes, entrepreneurial vs bureaucratic Ss with children in preschool, 56:3911
Lamaze training & anxiety level & coping style & conflict levels, mental preparation & identification with perceived authority in coping with childbirth, primiparous married women, 57:1081
lessons in values analysis in social studies program, views on childrearing, high school students, 56:8693
locus of control & perceived maternal childrearing attitudes & delay of reinforcement, 54:9398
locus of control orientation, recalled maternal & paternal childrearing attitudes, college students, 56:4114
maternal & teacher childrearing attitudes, teacher-child & child-teacher preferences, student teachers & nursery school students, 56:2991
maternal attitudes toward individuation, behavior upon entry into kindergarten, kindergartners, 57:8026
maternal child-rearing attitudes & authoritarian personality & punitiveness, anxiety, 3rd & 4th graders, 53:3265
maternal childrearing attitudes, developmental growth, deaf-blind rubella children, 55:7459
maternal childrearing values & competence perception & employment & self esteem & career aspirations & desired family size, self perceptions of competence, White middle class female 5th–10th graders, 58:11718
nature & meaning of parenthood, androgynous parents, 58:11559
parent characteristics & parent-child relations, child's dependent & independent behavior, families, 57:8099
parental attitudes toward childrearing, attitudes toward social change, adolescents, 55:647
parental childrearing attitudes & roles from child's birth through adolescence, parents of albino children, 58:7782
parental childrearing attitudes, development of achievement motivation in daughters, female doctoral candidates & their friends, 56:9719
parental modeling & childrearing attitudes & expectations for child, parents expecting 1st vs 2nd child, 56:7789
parental personality & values & childrearing attitudes, Rorschach Test human movement responses, children, 56:9908
parent-child interactions & parent attitudes toward children, number of social behaviors & positive vs negative responses & commands & responsivity to deviant behavior, orthopedically handicapped children vs normal siblings & their parents, 57:8516
participation in child study activities, attitude toward childrearing practices, female adolescents, 55:8360
perception of father's childrearing attitudes & practices, juvenile delinquents vs normal adolescents, 55:2502
perceptions of parental treatment during childhood, childrearing attitudes, male vs female parents vs nonparents, 53:11452
personality traits & locus of control & sex-role attitudes & childbearing motivation & information about overpopulation, decisions about becoming parents, male vs female college students, 55:12134
preschool parent training program, childrearing attitudes, parents, 58:12509
psychological correlates of family size & son preference & birth control, husbands & wives, Taiwan, 58:11568
retrospective perceptions of parental childrearing attitudes & behaviors, self actualization, college aged females, 54:9698
retrospective perceptions of parental childrearing styles & self reported childrearing behavior, male vs female college students, 57:12633
sampling & methodology & major findings, Value of Children project, Hawaii, book, 56:5892
self esteem training program, self esteem & childrearing attitudes, parents of preschool children, 58:9398
sex & parity differences, belief statements associated with satisfactions & costs of parenthood, married graduate students, 57:5700
student sensitivity training vs Adlerian parent training, self esteem & academic achievement & parental attitudes toward childrearing, 9th–11th grade males, 57:6801
temporary father absence & subsequent maternal childrearing attitudes, numerical ability & field dependence, male 4th–6th graders, 56:7651
test-retest reliabilities & factor analysis, revised material form of Parental Attitude Research Instrument & relationship to social desirability, female college students, 58:4653
upper vs lower socioeconomic level, attitudes toward childrearing, 20–35 yr old mothers of at least 1 child older than 12 mo, 58:993
values relating to parenting styles & desirable attributes for preadolescent sons & educational & occupational expectations & aspirations, sons' school achievement, rural working-class families, 54:2913
village communications & interpersonal relations, satisfaction with community as adequate family rearing environment, leaders in Wisconsin communities, 57:12641
work values & maternal role importance & childrearing attitudes & family attitude & influence, working vs nonworking mothers of infants, 57:5682

Childrearing Practices [See Also Child Discipline, Parental Permissiveness, Toilet Training, Weaning]
acceptance-rejection & independence-dependence & reward-punishment childrearing practices, frequency of fears, 6 & 8 & 10 yr olds, 54:7242
achievement & personality measures of sons over 10 yrs, socioeconomic & educational resource utilization, migrant mothers & sons, 54:5039
achievement motivation as intervening variable, relationship between paternal nurturance & intellectual functioning, male vs female 4 yr olds of varying social classes, 57:7940
acting out aggression & aggression inhibition, perceived parental childrearing styles, young men, 55:2265
activities & attitudes concerning rearing of their 3–5 yr old daughters, Caucasian fathers, 58:11569
adjustment experiences during transition from co-parenthood & subsequent crises resolution methods & parental style & role, fathers who chose vs assented to become single parents, 57:10135
Adlerian vs behavioral study groups, parent attitudes toward children's freedom & childrearing & perceptions of children's behavior, parents of elementary school students, 56:2585
adolescent pregnancy & parenting, mother-daughter relations, 55:9633
age & birth order & sex & social class, daily activities & interactions & caretaking, intellectual development, preschoolers, 54:2711
age & sex typing, attitude stability, 7th graders vs college freshmen, 55:6836
age & socialization milieu, internal–external locus of control, 9–14 yr olds reared in different kibbutz movements, Israel, 53:910
age, perceptions of parental childrearing behavior, 1st–4th graders, 54:2750
all-day nurseries vs day home environments, developmental growth 12 & 18 mo olds, 55:2154
analysis of adolescent developmental tasks & problems & prospects associated with actual societal provisions, New Zealand, 58:792
analysis of child-mother & child-father home interactions, child's attachment behavior & speech & compliance & disciplinary roles of parent, parents & their male 2 yr old twins & only children, 57:7893
ancient Greek & Roman legal & medical & philosophical views of abortion & childrearing practices & pediatric care, 58:6562
assessment of interparent consistency & automated information feedback procedure, correct & consistent choices of reinforcement consequences, clinic families with children with behavior problems vs nonclinic families, 57:3952
attitudes & practices of childrearing, people of Menz, Ethiopia, 58:5236
attitudes & roles & childrearing practices, parents of boys with persistent & severe fears vs no fears, 55:6951
attitudes about childrearing responsibility & parental blame for psychopathology & perceived severity of psychopathology in children, college students vs parents vs mental health trainees, 56:5909
authoritarian parental control, German vs American family before & after World War II, 54:11586
automated audio/visual tape monitors, selection of appropriate methods of child behavior management, parents & teachers, 58:5876
automated videotape feedback training, mother-child interaction & mother's management behaviors, mothers of children referred for behavior problems, 57:13277
behavior during finger painting, reflection of cleanliness training methods used by mothers, 29–38 mo olds, applicability to analysis of socialization patterns, 58:5207
behavior modification & humanistic methods used in "Groups for Parents" approach, teaching child management, parents of children with behavior problems, 57:1097
behavior modification training, attitudes toward self & child & mother-child interaction, mothers, 58:7962
behavioral principles in childrearing, guide for parents & professionals, book, 58:7349
behavioral vs reflective group counseling, mother-child interactions & reduction of children's target behaviors, mothers of mentally retarded children, 57:1603
behavioristic & maturational & psychoanalytic theoretical systems of child development, child care in US, 53:6997
birth of daughter with defect, emotional responses & fathering behaviors & marital relations, fathers, 58:1471
birth order & sex & age & mother's parenting style, role-taking ability, 7 & 8 yr olds vs 11 & 12 yr olds, 55:4301
caste/class, childrearing practices, upper vs middle vs low caste town inhabitants, India, 57:8063
changing patterns of family structure & childrearing, devil–priest syndrome, 28 yr old female psychiatric patient, 54:9892
child rearing practices, authoritarianism, Indian college students, 54:9695
child socialization process, antisocial behavior & ineffective education & occupational attainment, blacks, refutation of Moynihan report findings, 54:9430
child-centered group guidance, parents with child rearing problems, book, 53:8091
childhood experience & love overload or deprivation, psychogenesis of hysteria within context of family, 57:3425
childhood home & school interests & parents' childrearing practices & alcohol & drug experience, alcohol & drug abuse, US Army soldiers, 57:8166
childrearing & education & parental practices in "primitive" vs "civilized" cultures, development of strong individualism, book, 56:2208
child-rearing attitudes & practices, Switzerland, 53:5040
childrearing attitudes & practices, foreign- & American-born Chinese mothers, 55:6930
childrearing from birth to 6 yrs old, book, 53:977
childrearing in American society, book, 57:5706
childrearing in collective child care institutions, mental development, socialist countries, 54:7207
childrearing methods, parental errors toward children, 57:1107
childrearing patterns, chronically poor, role of therapist, 55:6967
childrearing practices & attitudes toward pregnancy & contraception, mothers of large families who received the "Medal of the French Family", France, 57:3089
childrearing practices & authoritarianism, ethnocentrism, cultural groups, South Pacific, 58:7339
child-rearing practices & development of mother–child relationship, identification of vulnerable African children, 53:5515
childrearing practices & female social roles & absence of "machismo", antiviolent communities in Mexico, 55:6933
childrearing practices, acquisition of sex role & individual & self initiated & egocentric behavior, 1–6 yr olds, Liberia, 56:7698
child-rearing practices, concept of normality, 2 African tribes, 53:5051
childrearing practices, determination of effects of parental authority on development of competence, children, significance for low & high risk for schizophrenia, 56:467
childrearing practices for parents & teachers & physicians, book, 54:849
childrearing practices of Bronson Alcott, application to rearing of Anna & Louisa May Alcott, 53:5130
childrearing practices of middle & lower class parents, self concept & vocational behavior, middle & lower class children, 55:1547
childrearing practices of 19th century middle class England, 54:5121
childrearing practices, perceptual style & school performance, 4th & 5th & 6th graders, 55:13309
child-rearing practices, Republic of China vs Ethiopian vs Thai parents, 53:2905
child-rearing practices, vulnerability, elite Nigerian children, 53:5454
childrearing practices, white vs black vs Mexican American families with 5 yr old Head Start child, 55:6954
childrearing skills, low socioeconomic parents of disadvantaged school children, implications for counseling, 55:3273
childrearing suggestions for preschool child self-actualization, book, 53:914
child's age & sex, furnishings & toys in child's room as index of parental behavior, 1 mo to 6 yr olds, 57:3116
Christian parenting, 54:7262
cluster analysis, reliability & validity of Parent Attitude Research Instrument, attitudes toward childrearing, mothers, 56:5192
coercive vs noncoercive parental discipline, need for immediate gratification vs ability to delay gratification, Israeli 7th graders, 56:5829
cognitive style, maternal childrearing practices, 3–5 yr olds, 58:9385
components for effective group workshops, parental attitude change & modification of child's behavior, 57:13262
conservatism & authoritarianism, childrearing practices, Australian mothers with children between 4 & 6 yrs of age, 54:859
construct validity, imaginative behavior & maternal imaginative play involvement & sensitivity & responsiveness, preschoolers, 58:770
content & followup evaluation of parenting course, foster parents, 57:5689
content analysis of childrearing manuals in 16th–19th centuries & Don Juan plays in 17th–20th centuries, popular cultural attitudes toward aggression & achievement & sex roles, 54:2885
correlations between parents' self descriptions of & children's perceptions of parental behavior, 57:3104
couple communication skills training, dyadic interaction & willingness to self disclose, married couples in childrearing years, 56:1028
criteria for socioeconomic strata, childrearing practices, parents from rural & city areas, 54:11596
cross cultural analysis, prolonged adolescence of parents leading to assaultive & neglectful treatment of offspring & early identification of children with nurturing vs threatening adults, Apaches of Mescalero Indian Reservation, 58:942
cross cultural childrearing differences, aggression socialization, children, Norway & US, 55:9483
cross cultural differences, preference for control & perception of locus of control, rural Mexican vs urban Anglo American 7–9 yr olds, implications for Rotter's social learning theory & Festinger's dissonance theory & comparisons of childrearing practices, 58:955
cross cultural mother-child holding, analysis of photographs from Western & Eastern & American Indian cultures, implications for L. Salk's theory, 57:8085
cross cultural study, mother-infant interaction patterns, Japan & US, 55:12137
cross cultural view, parental goals of infant survival & later economic success, 54:5137
cross validation, Marburg scales for assessment of perceptions of parental educational style, male vs female 10–14 yr old students, 58:160
cultural aspects, childrearing & infant care, 53:7157
cultural differences, developmental processes, Dutch vs US infants during 1st 2 yrs of life, 53:7115
cultural differences in childrearing practices, perceptual articulation, 19–26 yr old male Israelis of Western vs Middle East origin vs Moslem Arabs vs Iranians, Middle East, 56:3890
culture & child's sex, use of punishment & noncontingent reinforcement in response to child's success & failure on task, urban Mexican vs Anglo American vs rural Mexican mothers, 57:3100
culture, childrearing practices & adolescent development, US vs Korean middle class children & adolescents, 55:2260
curriculum & assessment of parent-group model of intervention, infant enrichment skills, mothers from low income area, 57:13119
dealing with childrearing problems, guide for parents & teachers, book, 53:7111
defense mechanisms supporting variant values, voluntarily childless wives, 56:2235

demographic & economic & familial variables & childrearing practices, psychological test performance, infants in African agricultural community, 53:4980
demographic & personality traits, childrearing practices, child care personnel for emotionally disturbed children, 58:1894
demographic & sociological & educational & psychological components, early child care, Britain, 54:2680
descriptions of childrearing in 13th century by Bartholomaeus Anglicus, 55:587
development of behaviorally-oriented child management course, teaching academically & non-academically-oriented tasks to children, high school students, 58:10344
development of healthy self esteem in children, guide for parents, book, 56:3854
development of independence & discipline & responsibility & autonomy in children, guide to parenting, book, 54:11470
differences within bilingual communities of village, childrearing & socialization practices & personality, residents of multi-ethnic village, India, 57:10101
differentiation of self concept & ability to step outside immediate frame of reference, Kibbutz vs Moshav adolescents, 55:4412
double-bind instructions & level & style of maternal control, external & internal scanning responses, adults, 58:8722
early availability of sex information, later coital & reproductive behavior, female 16–47 yr old working class Jamaicans, 57:1115

early child care, Sweden, 54:903
early childrearing attitudes & practices in US, book, 54:966
economic shifts & social change, childrearing practices & sex role changes, women, Puerto Rico, 54:2865
educational interests & attitudes toward adult learning & family life & childrearing involvement, mothers vs fathers of school- vs teen-age families, 58:11553
emotionality & activity & sociability & impulsivity, temperament theory of personality development, 2–6 yr olds & same-sex fraternal twins & their parents, 57:8038
encouragement & teaching by caretakers, precocity in motor development, rural infants, Kenya, 57:5497
enriched early experience & parental personality traits & attitudes, language & speech attainment, congenitally deaf 4–7 yr olds, 55:10138
environmental differences during 1st 3 mo of life, Dutch vs American infants, 53:7114
evaluation & effectiveness of parent education programs, changes in childrearing techniques & attitudes, parents, 57:13766
exclusive care by mothers vs daily substitute care until age 5, developmental patterns of behavior & intelligence & attainment, 17 yr olds observed from age 6, 55:6704
extra untutored vs tutored human care vs audiovisual enrichment & access to responsive inanimate materials vs attention from trained caretakers, sensorimotor & psychological development, orphanage-reared infants, 57:13427
false feedback conditions of child performance, permissive vs restrictive command frequencies, foster grandmothers & retarded children, 53:1480
family background & childrearing practices, sex differences in mathematical & scientific precocity, 7th & 8th graders, analysis of D. P. Keating's study, 56:4812
family organization & childrearing practices, variations in sex role behavior, Indian town, 55:6969
family relationship theory stressing uniqueness of each infant & effects of childrearing practices on social future of individual, 57:3082
family socialization practices, achievement values & self concept & educational achievement, Mexican American vs Anglo American junior high school students, 57:5675
family structure & social class differences & education practices & discipline techniques & parent-child relationship, socialization of children, 56:3901
feminist goals & alternative arrangements, achievement of stable parenting without traditional family structure, 56:2221
flexible low cost group program, confidence in role as parent, parents of children with behavioral or emotional disorders, 58:12075
foster family care, current practice & research, intellectually disadvantaged children, 58:5990
functional analysis, moral development during preschool years, 56:3853
group education methods & child oriented curriculum, development of parent-child communication, parents, 55:2907
group instruction in behavioral vs Adlerian approach to child discipline, behavior change, mothers & their children, 55:9599
group psychotherapy, school behavior & peer relations & parents' childrearing practices, problem children & their parents, 57:13247
group rearing conditions, promotion of creativity, review, 55:12020
group training employing community agencies, development of mothering skills, drug using mothers, 58:5834
group vs nongroup & individual parent training in behavioral approaches to child management, knowledge of behavioral techniques & behavioral problem solving in the home, mothers, 58:6003
guide for effective parenting, book, 57:5678
"hidden curriculum" & open education, implications for childrearing, 54:4071
high vs low achievement motivation, characteristics of independence training of male offspring, lower class black mothers, 56:2231
history & development & organization & census data & functioning, collective childrearing & education in Synanon school, 54:11569
history of & economic factors in child care & education & communication in adult–child relationship, 54:8282
home observational study, parental antecedents of compliance, 2.5 yr old male twins & singletons, 55:6839
home visiting intervention program, interaction with & stimulation of mental development of their 3 yr olds, Jamaican mothers, 55:10464
home visiting program employing parental education, promotion of childhood development, 1–24 mo olds & parents in rent-to-income housing project, 56:10422
home-constructed version of Skinner box, environmentally controlled childrearing, 54:7
housing & status of women & childrearing & education, summary of section relating to Moshi District in study by National Research Council of Tanzania, 55:628
impediments to mothering due to drug addiction, childhood origination of developmental problems & subsequent vulnerability to drug addiction, 55:4804
incidence & contributing psychogenic factors & care given by parents, diabetes mellitus, children, 54:5655
incidence of excuses used between intake telephone call & clinic appointment, prediction of dropouts, adults & children in mental health training project, 56:1168
Indian culture program & maternal childrearing practices, personal & ethnic self esteem & acculturation to self concept, Miccosukee & Seminole 7–15 yr olds, 55:623
infant carrying practices, frequency & importance of regular rhythm in music, cross cultural study, 53:9334
infant stimulation programs, mother's level of home stimulation & locus of control & feeling of competency & self concept & intelligence & infant's cognitive & motor & language development, lower class mothers & their 8–13 mo olds, 58:9399
influence of childrearing practices & parental inconsistency in adhering to established rules & insufficient dominance over offspring, development of inadequate coping mechanisms & subsequent psychosomatic complications, children & parents, 56:932
informal education of children, people of Ponepe, 55:4366
information processing & positive reinforcement & control modeling, maternal mediation of applying educator's knowledge & improving functioning of child, mothers of preschool age children, 54:2758
inservice parent training in practice of behavior modification techniques in home, knowledge & value of & attitude toward behavior modification, parents of elementary-age school children, 58:6247
instruction in behavior management techniques, attitude change concerning use of punishment & reward & rates of reward & punishment in teaching structured task to child, parents, 57:8725
instructions & feedback & modeling as training methods, interpersonal parenting behaviors, staff in group homes for juvenile delinquents, 55:5370
intelligence & motivation for learning & independence & parental attitudes & education & rewards & training, academic achievement, 1st & 4th graders, 58:12601
intensity of nurturer-infant contact, subsequent differentiation of social environment in terms of society's language system, cross cultural sample, 57:7913
intergenerational congruence of traditional vs nontraditional attitudes & relationship between parental childrearing practices & children's attitudes, high school seniors vs college students vs parents of college students, 57:1102
interpersonal relationships & childrearing practices & background factors & personality characteristics & social class, parents of battered children, 55:7369
interview analysis, life history & runaway behavior & family & childrearing values, 13–18 yr old runaways who made contact with residential center for runaways, 58:3548
laissez faire vs restrictive vs stimulating maternal techniques & positive vs negative maternal effects, locomotor & manipulative & visual abilities, infants & mothers, longitudinal study from 12–20 mos of age, 56:5765
learning model, depression behaviors, college students, 55:12405
level of expressive speech training & sex of parent-trainer, vocabulary at 1 yr of age, male vs female 6–8 mo olds, 58:3113
living with mother & limited contact with father in polygynous family, circumcision & segregation at puberty, male adolescents from 37 societies, 56:5878
locus of control & purpose vs no purpose incentive, motivation, 4th–5th graders, implications for education & childrearing, 58:8827
locus of control, perceived contingency of parental reinforcements & parent-child relations, college students, 54:7266
malnutrition & childrearing practices, intellectual & cognitive development, 6–36 mo olds, Philippines, 56:7638
manuals only vs with phone vs group vs group & visit consultation formats of behavior modification training, parental knowledge & attitudes & skills & child's self help skills, parents of retarded children, 57:8728
material shortages in home & poor environmental conditions, parental childrearing methods, inoperability of middle-class child-centered behavior applications & family cohesiveness to delinquency prevention in milieu of poverty, 53:9454
maternal attitudes of fostering autonomy & expected sex differences, sex & psychological differentiation, preschool age children, 56:2160
maternal attitudes, sex & sex-role preference of child & level of psychological differentiation, 60–70 mo old children & mothers, 55:6953
maternal care & infant behavior, Japanese-American vs American vs Japanese families, 54:878
maternal childrearing practices & parental attitudes & life goals, verbal & quantitative & spatial abilities & perceptual speed & field independence, adopted 5–7 yr olds, 57:7934
maternal closeness & family ties & suppression of sexuality, Japanese & Japanese American families, 58:970
maternal employment, bibliography, 56:9775
measuring adequacy of child caring, development of Childhood Level of Living Scale for 4 & 5 yr olds in rural environment, families on Aid to Families with Dependent Children, 54:10351
model combining dynamic & behavioral therapeutic strategies, reconciliation of parental feelings & ability to train children, parents of developmentally disabled children, 55:7633
mother-child interaction & childrearing approaches & socioeconomic status, role taking behavior in impersonal & interpersonal situations, 3rd grade boys, 58:7276
mother-child interaction styles & teaching & control patterns, middle class mothers & trainable retarded vs nonretarded children, 55:7390
mother-child teaching interaction, mothers of retarded vs nonretarded 3.5–4.5 yr olds, 55:10061
mother–infant relationship, motor & cognitive & social development, infants in urban Zambia, 53:7097
mothers' behavior & childrearing practices, Oriental mothers, 55:6957
mothers holding infants on left side, origin of right-handedness as predominant chirality in humans, 58:5098
mother's psychological functioning & cognitive differentiation & childrearing behavior, child's functioning, deaf mothers & their hearing adolescents, 58:11480
mother's teaching styles, cognitive abilities & reading achievement, 1st graders & mothers, 55:1420
multiple mothering, ability to maintain stable relationships, implications for day care, 53:4984
nature & meaning of parenthood, androgynous parents, 58:11559
nature & origin & dynamics & moral aspects & stability of personality, psychology of childrearing, 53:9292
obedience levels on proscriptive & prescriptive tasks, 5–9 yr old peri-urban East African vs suburban Americans, 56:3899
over-rigid control by parents, resultant syndromes in childhood, 54:1245
paranoia as transformation of persecution, criticism of Freud's analysis of Schreber as neglectful of father's childrearing practices, 53:5561
parent characteristics & parent-child relations, child's dependent & independent behavior, families, 57:8099
parent discussion group, children's attitudes concerning family & social relations & self concept & parents' attitudes concerning authoritarian-control & hostility-rejection & democracy, parents & children, 55:6947
parent education curriculum & teaching methods, preparation of secondary students for parental roles & childrearing & development, 56:1382
parent group education program in behavior management & communication skills, academic achievement & personal & social adjustment & school absenteeism of children, parents of 7th & 8th grade underachieving & socially maladjusted students, 58:10329
parent involvement training model, changes in attitudes about their role in education of their children, minority parents, 55:13115
parent training in modifying social attention responses & use of timeout procedure for child's noncompliance with instructions, child response improvement, 57:13280
parent training in prevention-oriented model, child management skills, parents of retarded children, 57:10649
parent training package, modification of multiple misplaced social contingencies, mother of noncompliant preschool daughter, 58:12092
parental acceptance & overt & covert control & sex & Ss' psychological distance from parents, subsequent need achievement, male vs female college students, 57:8301
parental affection & control, academic achievement, 7th grade boys vs girls, 56:10672
parental attitudes toward desirability of behaviors & methods for changing child's behavior, 3 yr olds & middle & lower class parents, 55:6949
parental authority & family security, development & reduction of adolescent disturbances, 56:5895
parental characteristics & behavior, child behavior, welfare vs non-welfare 6–12 yr olds, 55:6955
parental characteristics & environmental stresses, development of infantile autism, 5–10 yr old autistic males vs males with severe developmental disorder of receptive language, 56:9999
parental childrearing practices, moral behavior, 7th graders, 55:9634
parental childrearing practices, prediction of child personality, parents & their high school age children, 58:9382
parental discipline & moral internalization, parent–child interaction, 54:841
parental educational program providing information about mental retardation & individualized conferences, family relations & adjustment & childrearing practices, mothers of mentally retarded children, 58:8292
parental guidelines & childrearing & education, book, 53:923
parental inadequacy & misinformation & abuse as children, hypothesis of child abuse, child abusers, literature review, 58:5573
parental permissiveness vs control & socioeconomic status, intellectual functioning, preschoolers from middle & working & lower class families, 54:2706
parental punishment & child coercive behavior relationship, problem & nonproblem boys & their families, 54:7259
parental warmth vs hostility, sex differences in achievement orientation, children, 58:11575
parent-child relationship factors, achievement related traits, male & female adolescents, 57:11441
parents' childrearing practices & concepts of their children, self concepts, 16–18 yr olds, implications for developmental & educational psychology, 55:9606
parents' perceptions of their childrearing behavior, child's behavior, 55:4393
participation in sibling caretaking & school, teacher vs peer classroom attending behavior, Hawaiian students, 58:6304
participation of parents in lecture-oriented vs goal-directed vs group-centered intervention group, attitudes toward childrearing practices & subsequent adolescent self esteem, parents of 8th graders, 55:3089
paternal role, socialization of altruistic other orientation, married female 34–68 yr olds, 56:8078
perceived parental attitudes & values & beliefs & childrearing practices, vocational development & choice of male-dominated vs sexually-equal vs traditional vocations, female college students, 58:10681
perceived parental childrearing practices, field articulation & reading achievement, 8th grade girls, 55:13321
perceived parental marital unhappiness & permissiveness of childrearing practices & division of authority, rebellion as response to parental stimulus, adolescents, 56:7689
perceived parental nurturance & control, visual perception task performance predictions, college students, 58:9383
perceived parental warmth & cognitive & achievement encouragement & affection, classification of masculine vs feminine vs androgynous vs indeterminate sex role orientations, male vs female college students, 57:8147
perceived socialization & childrearing practices of parents vs teachers vs peers vs care givers, 5th & 6th graders from kibbutzim vs urban 6th graders, Israel, 57:3050
perceived success & failure & sex & early Indian training, need achievement & affiliation, American White vs Indian school age children, 58:7599
perception of father's childrearing attitudes & practices, juvenile delinquents vs normal adolescents, 55:2502
perceptions of childrearing practices & locus of control, scholastic performance & aspiration level & popularity, 4th graders, 58:11519
perceptions of parental childrearing practices & self & environment, adolescent runaways vs nonrunaways, 58:3525
perceptions of parental educational methods, 16–18 yr old institutionalized delinquents vs normal controls, 57:8461
perceptions of parents & performance on Moral Dilemmas Test, male vs female preadolescents, 58:9341
perceptions of parents' masculinity & femininity & childrearing practices & role sharing & parent-child identification, offspring's masculinity & femininity & self esteem, college students, 58:5440
perceptions of paternal behavior & childrearing practices & discipline, 9–15 yr olds with muscular dystrophy vs their younger vs older siblings vs mother vs father, 57:10620
perceptions of responsibilities of home for selected nonacademic instructional concerns, teachers & parents, 56:10534
perceptions of sex roles & parental upbringing & personality traits & personal background, sex role identification, female college students, 58:3245
perceptions of warmth & dominance of childrearing practices of father & mother, children, 56:7787
personality & attitudes & behavior, parents of stuttering children, literature review, 53:3469
personality & parental variables, support & opposition to women's liberation movement, college students, 58:9435
physical attractiveness & conduct & sex, socialization practices & parental expectations in educational & personal-social setting, middle class parents, 55:6945
political socialization & childrearing practices, children in Taiwan, book, 53:9314
power & affiliation & conflict & teaching style in family relations, 9–11 yr old males with psychogenic learning problems & their families, 57:1445
precipitating factors & childrearing practices & lifestyle, emergence of single-parent fatherhood, single-parent fathers, 57:10139
premarital counseling, sexuality & pregnancy & childrearing, mildly cerebral palsied woman, 58:3990
premorbid adjustment, patterns of child care, acute 1st-admission female schizophrenics to community mental health center, 1 yr postdischarge follow-up, 53:7612
presence of cottage parents' natural children, childrearing attitudes & job satisfaction & socialization, dependent & neglected children in institutions, 55:7745
principle-oriented consultation technique, altering parents' attitudes & children's behaviors, mothers, 55:10297
prototypic patterns, parental practices for developing competence in preschool children, mothers, implications for parent education, 57:5589
provision by parents, additional training procedures for development needs, blind infants, 57:3680
provision of early special education by parents, modification of environment & design of learning tasks, handicapped children, 57:13953
psychoanalytic theory of oral character & drug addiction & psychopathology & personality traits & family constellation & bringing-up processes & environmental effects, drug addicts under 25, 54:12054
psychological & sociocultural factors, practice of couvade, Black Carib males & females, 53:7155
psychological conflict patterns, roles of psychological development & childrearing practices & social organization & traditional schooling & rationale & problems of radical school reform movement, 58:6128
psychological research in cultural & value orientation & childrearing techniques & national stereotypes, Pakistan, 55:12069

racial milieu of school & home & parental racial attitudes & rearing practices, racial identity & self esteem & aggression & play behaviors, Black 4 yr olds attending preschools in Black vs White environments, 57:10106
raising of mentally retarded daughter, personal account by mother, book, 58:11930
reading only vs study group vs counseling group as ways of learning about Adlerian childrearing method, authoritarian childrearing practices, parents, 56:2222
rearing by schizophrenic parent & genetic background for schizophrenia, RT performance, adopted offspring of schizophrenic vs nonschizophrenic parents vs Ss with schizophrenic adoptive parents vs offspring of schizophrenic parents, 55:858
rearing in family vs collective settings, reactions to social pressure, Israeli & Soviet 12 yr olds, 54:11473
rearing in institution vs by gypsy family, children, 55:9620
rearing in structurally tight vs looser communal society vs host society, acquiescence to group pressure, Hutterite 10–15 yr olds vs Mennonite vs Canadian children, 57:1051
relationship between V. Belinskii & father, traditional Russian child rearing & contributing conditions to 1917 revolution, 53:4972
relationships between Repression Sensitization scores & MMPI profile characteristics & retrospective reports of parental childrearing behaviors, college students, implications for clinical history taking, 56:7024
research methodology, parental childrearing practices, 56:1611
response to videotaped performances of independent & dependent behaviors by children, parents, 55:12127
retrospective perceptions of parental childrearing styles & self reported childrearing behavior, male vs female college students, 57:12633
role & problems of father & equal participation with mothers in childrearing, book, 54:11445
role & standards in child-rearing advisement & operation of child care facilities, child development experts, 53:8064
role of pediatric psychologist, parental education in childrearing, 55:12751
role perception in childrearing process, Black fathers of preschool sons, 57:5686
role playing vs lecture-discussion parent education approaches, opinions about child discipline methods, fathers, 58:10336
scientific quality of research evidence, effectiveness of drug education program, 54:4085
self concept & identification with poor role model or parental scripting & childrearing patterns, etiology of alcoholism, 58:5579
self perception & perception of maternal behavior, middle & lower class preschool age children, 55:9485
sex & age, speech development, collectively reared 3–5 yr old kindergartners, 55:9454
sex role typing & socialization, recalled parental behavior patterns, college students, 56:9897
social & cultural change, new childrearing practices, Italy, 57:12628
social class & maternal level of conceptual development & maternal regulatory styles, level of abstract concept formation, 10 & 11 yr olds, 55:9437
social class & mobility & status inconsistency & childrearing & parental attitudes & aspirations for child, incidence of childhood psychosocial disorders, 55:862
social class, child punishment practices, lower vs upper class West German parents, 54:9446
social isolation, rhesus monkeys, literature review & psychiatric implications for early rearing conditions, 53:4824
social learning techniques in child management, deviant behavior, siblings of socially aggressive boys, 55:1020
sociocultural & economic deprivations of migrant workers, physical & psychological development of children & efforts in parental education, Europe, 55:9603
socioeconomic status & family size, perceptions of early childrearing practices of mother vs father, male 9th graders, 56:587
socioeconomic status & parenting styles, primary vs secondary symptoms, 4–12 yr old hyperkinetic-minimal brain dysfunction boys, 56:888
strategies & theoretical bases, research on parental childrearing behaviors, 57:2175
stress levels & ongoing family organization & patterns of family response to stress, childrearing competence, family with normal vs retarded child, 58:965
style of adaption to aversive maternal control, self disclosure, late adolescent males, 57:1257
Synetics problem solving seminar, mother's self esteem & problem solving abilities & childrearing practices & child's classroom behavior problems, mothers & their kindergarten children, 57:11555
theories & techniques, childrearing, book, 53:9378
theories of Freud & Piaget & Erikson & Jung & childrearing problems, practices for fathers, book, 54:839
theory of evolution by natural selection, parental behavior in animals & humans, 56:5426
training methods, child management & therapy, parents of emotionally & behaviorally disturbed children, 58:3709
training of male pups & young children, socialization & personality formation, Athabascan-speaking Hare Indians, 55:4380
training parents in behavior modification procedures for child management, academic behavior & achievement & attitudes & perception of parent-child relationships, parents & children, 55:5108
training program for work with young children, specialized outreach workers & caretakers of high risk infants, 53:5418
transmission of emotional messages from 1 generation to another through subtle behavioral & symbolic forms of communication, 58:5255
Values Clarification Movement, substitution for declining objectives of morality inculcations by church & home & school, 54:11472
verbal & nonverbal communication, personality development, 30 yr old identical male twin with normal hearing raised by congenitally deaf-mute parents, 58:7252
visual monitoring behavior, oppositional conduct of children, mothers of children referred for clinical behavior problem vs nonreferrals, 58:9688
workshops for training as foster parent skills trainers, child welfare agency personnel, 57:13505

Children [See Also Infants, Neonates, Preschool Age Children, School Age Children]
ability to distinguish tautological from contingent statements, logical thinking, children, 55:11982
academic achievement & school behavior & frequency of seizures, epileptic children in ordinary schools, 54:1460
academic achievement & social adjustment & self image & speech intelligibility & speech-reading & parental expectation & parent opinion of deafness, deaf children of oral deaf parents & deaf parents using manual communication vs deaf children of hearing parents, 55:10100
acceptance & control & training components of discipline in relation to reward & coercive power of parents, self esteem, children, 56:9720
acceptance & understanding of educators & education of their hearing impaired children & need for bilingual education & parental counseling, Mexican American parents, 57:13935
acquisition of language, teaching language to mentally handicapped children, 53:6220
acting out children & youth, use of vehicles with client groups, child care workers, 55:5235
active & receptive music therapy, concentration & time/space orientation & psychomotor functions & anxiety & decision making & attitudes toward self & environment & aesthetic sensitivity & music perception & memory & musical imagination, hyperkinetic & anxious neurotic children, 57:6248
acute visual hallucinosis in infancy, clinical & neurophysiological & psychodevelopmental aspects & differential typology, 58:9626
adaptation & development of standardized verbal & performance tests, visually handicapped children, literature review, 56:7036
adaptation level model vs information integration model vs similarity classification model, psychophysical judgments, 5–24 yr olds, 56:7686
additional handicaps & familial defect, children with severe visual handicap, implications for provision of comprehensive care, 57:1486
adequacy of care & role of family type & functioning, diabetic children, psychosomatic followup study, 58:11966
adequacy of speaker editing, message choice strategy & communication performance level, children vs adults, 55:11844
adjustment in daily living & informal social activities & formal learning, deaf-blind children, 54:7929
adjustment to foster home care, behavioral style & adjustment phases within crisis concept framework, 2–15 yr olds experiencing 1st foster home placement, 57:5705
adjustment to medical & social & education problems, parents of mentally handicapped children, book, 54:3426
adjustments for social class differences in counseling proneness, social outcome, children born to women denied abortion, Sweden, criticism of H. Forssman & I. Thuwe's study, 57:8095
administrative problem solving technique, implementation of mandated legislation for handicapped children in resource room settings, 57:11228
adoption of verbal labels for conceptualization of issue, attitude change, children, 54:3004
adult models, peace & justice education for children, 54:9393
adult presence & E instructions, reinforcement control of children's behavior, 57:9955
adult presence & evaluative reactions, individual differences in children's response, 57:9945
adult social cues controlling children's behavior, need for ecological validation of research, 57:9952
adult-child interaction during child's fantasy activities, clinic-referred children & young adults, implications for child psychotherapy & parent- & teacher-child relations, 58:3433
adults vs peers as social behavior trainers, social response generalization in training & classroom setting, socially withdrawn developmentally delayed children, implications for educational programing, 57:9123
adults' working coalitions & stress, adequate treatment & care, families & staff of emotionally disturbed children & adolescents, 54:3527
advantages & limitations of longitudinal investigations of psychological development, case report of study with children born between 1961 & 1964, 58:4576
advantages of peer pair psychotherapy, withdrawn children, 54:10083
advertisers' & parents' motives, use of child models in TV commercials & other media, 57:3113
aesthetic attitudes & values & projected definitions of art, Appalachian mountain youth, case study methodology, 55:6684
age & educational level & socioeconomic status, difficulty in adjustment to parenthood & marital relations, mothers vs fathers of first vs subsequent singletons vs twins, 58:973
age & intelligence & classroom behavior, achievement prediction, underachieving children, 58:10418
age & level of retardation, factor structure of responses on Part One of Adaptive Behavior Scale, institutionalized mentally retarded children & adults, 58:3595
age & sex & birth order of child, congruence between mother's self concept & perceived self concept of child, mothers of children receiving vs not receiving mental health treatment, 58:9628
age & sex & bottle position, adjustment of water level in bottle to correct horizontal position, nursery school through college student Ss, 54:9356
age & sex & family's socioeconomic status & size & severity of disease & residence, psychosocial adjustment & coping, children with chronic kidney disease & their families, 58:11963
age & sex & IQ & length of institutionalization & preinstitutional social deprivation & self concept, development of language of emotions, educable retarded children & adolescents, 56:10140
age & sex & judicial category & parentage, mental deficiency & intellectual level, children in departmental children's center, 56:8208
age & sex & perceived intellectual ability & detection of handicap at birth vs later & birth order & attention required for personal needs, perception of self concept of their physically handicapped child, parents, 57:13048
age & sex & race & socioeconomic class, development of ear asymmetry, children, 56:484
age & sex, continuity of connotative structure of self concept over life span, 9–19 vs 20–34 vs 35–49 vs 50–64 vs 65–89 yr olds, 57:1016
age & sex, dichotic right ear advantage & phonetic confusions & information processing, children, 53:6994
age & sex differences, WISC & WAIS factor & ability structures, male children & their parents, 54:12673
age & sex, haptic-to-visual form identification, 4–13 yr olds, 54:191
age & sex, monoamine metabolism in brain, autopsy of 4–8 yr old patients who died of medical & accidental causes, 58:2842
age & sex of child & sex of parent, coping abilities & personal adjustment & success in parental role, parents of moderately retarded children, 55:4857
age & sex of S & story model sex & situational familiarity-remoteness, individual differences in moral judgment, children & adolescents, 56:2161
age & short term memory limitations, capacity & processing deficits, children, literature review, 57:7932
age & socioeconomic status & IQ, moral judgment, children, 55:6738
age at initiation of galactose-free diet, psycho-educational abilities, galactosemic hospitalized children, 55:7458
age at which language training begins & quantity & quality of language stimulation & reinforcement, speech & language development, children, 58:3094
age, choice of treatment for anorexia nervosa & treatment aims, children & adolescents, 54:5813
age differences, group vs individual performance using "Cooperation Game," children, 55:2198
age differences, item analyses for discrimination of brain dysfunction on Canter Background Interference Procedure, children, 54:1439
age differences, temporal limits of human information processing, adults & children, 53:4942
age, errors & latencies on Matching Familiar Figures Test & visual recognition memory & prose learning performance, 4th & 5th & 8th graders & 18–87 yr olds, 57:9967
age, graphic memory reproduction performance, 5–80 yr olds, 57:12503
age groups of children, assessments of behavior problems in management of their mentally retarded children, mothers, 56:895
age of entry & length of stay & age representation & return to natural family, children & adolescents placed by social aid program for long term care by substitute family, 57:6475
age, olfactory sensitivity, 6–94 yr olds, 54:2681
age, performance on short term test of color memory, Down's syndrome children, 56:2521
age, reversal rate & perceptual changes using 2 new perspectives of Necker cube, 5–95 yr olds, 57:934
age, Rorschach responses, normal vs emotionally disturbed vs brain damaged children, review, 54:5418
age-related development, role of covert speech in short term memory, young children, literature review, 58:11443
aide-resident ratio & ward population density, interpersonal interaction, institutionalized retarded children & their attendants, 53:10353
alcohol & drug use in children, US, 53:7228
allergies & brain dysfunction, environmental task coping, children, book, 53:1582
altered interpersonal climate with E vs presence of mother, task performance, minimally brain damaged children, 55:4913
alternative ways of viewing psychological services to children, 58:3697
America's neglect of its children, 53:7179
amount & patterns of interrelatedness of WISC & 1968 revision of Illinois Test of Psycholinguistic Abilities, clinic referred children, 55:9923
amount of television violence viewed, aggressive attitudes & behavior, children, 54:3074
amphetamine, hyperactivity in rats compared to hyperkinetic syndrome in children, 55:4089
Amsel's frustration theory, frustrative nonreward & psychological child study, 54:406
analogy between "failure-to-thrive" syndrome of childhood & symptoms complex in adult neurology, adults with CNS diseases, 56:6271
analysis of behavioral content & character portrayals in children's Saturday morning TV programs, 1974–75 broadcast season, 58:7124
analysis of books representing 1930s & mid-1960s to 1970s, sex role standards attributed to characters in children's books, 53:9570
analysis of differences between fields of remedial reading & learning disabilities of J. W. Lerner, alternative developmental approach to reading problems, 56:4265
analysis of population problem, family & child, 55:2272
analysis of speech patterns, acquisition of concept of time, Dutch children, 55:2166
anesthesia by barbiturate & nitrous oxide & droperidol-fentanyl prior to surgery, release of homovanillic acid from brains, children, 55:5181
anhedonia as symptom, minimal brain dysfunction children, 58:11988
anonymity vs nonanonymity & alone vs in group & groups with vs without S made responsible for group actions, stealing, Halloween trick-or-treating children, 56:842
anthropological theories of family function & structure & urbanization & biochemical cycles & children's risks, summary of Dakar conference, 53:5048
anticonvulsant drugs, 3–19 yr old behaviorally disturbed with bioelectric epilepsy, 54:3665
antiepileptics & antineurotics, severe psychopathological & social & behavioral disorders, epileptic children & adolescents, 57:10916
anxiety, digit span performance, emotionally disturbed children in residential treatment center, 57:8387
anxiety level & praise vs reproof reinforcement & intelligence, paired associate task learning, students with mean age of 14.7 yrs, 57:4987
appearance in vocabulary & modification to adult form & function & stabiliy of meaning of "mummy" & "daddy", Latvian children, 57:972
application of general system theory to understanding learning disorders, improvement in achieving long term maintenance of remedial reading growth, children, 58:8393
application of videotape to behavioral observation audiometry, multiply handicapped children in deaf–blind program, 54:10023
applications & abuses & alternative approach based on medical model, behavior modification techniques outside of individual treatment & preventive mental hygiene, children, 54:3779
approaches & techniques for psychological testing, severely disturbed children, 55:12404
approaches to child & youth benefit programs, Fifth Plan vs First Plan for India, 55:1099
appropriateness & relevance, labeling for special education, children, 53:10532
arguments for & against adoption of black children by white parents, 54:9465
art activities, cognitive & social & affective & motor learning, children, 54:10483
art experiences, evaluation & development of cognitive skills, children with language & hearing impairments & learning disabilities, 58:6380
art program, expression of feelings, multiply handicapped & visually impaired children, 55:10253
art program methods, children with minimal brain dysfunction, 57:3807
art therapy & art production differences, adults vs children, 54:12237
art therapy, perceptual difficulties, children, 54:4204
aspartylglycosaminuria incidence, institutionalized low-grade mentally retarded children, Poland, 54:1414
aspects of creativity measurement, children, 58:5449
assessment of children's achievement in High/Scope Foundation Cognitively Oriented Curriculum, rationale & use of Productive Language Arts Test, 58:2242
assessment of children's intelligence, textbook, 57:79
assessment of creativity in gifted black children, 54:12596
assistance in filling in scoring sheets according to S's verbal responses, score improvement on machine-scored tests, learning disabled children, 56:4992
assumption of normality & avoidance of disease model, interpretation of behavior of maladjusted children, 53:7502
attainment of ordination before cardination concepts, children, reply to R. Williams's criticism, 56:7624
attention & development of selectivity, infants & children, review, 58:5165
attention to & classification & rehearsal & imagination of experiences, recall of information chunks, learning disabled children, 57:13016
attention to color & form stimuli, discrimination learning, normal vs mentally retarded children, 53:11950
attentional dynamics, cue blocking & incidental learning in discrimination training, mentally retarded children, 56:8222
attitude of directed reverie therapy without therapy, child's neurosis, 54:8014
attitudes toward & knowledge of epileptic children, teachers, 54:1459
attitudes toward & knowledge of handicapped children & self- & teacher-perceived referral & diagnostic practices, elementary school principals, 57:13669
attitudes toward & ratings of children's behavior problems, secondary school teachers & psychologists, replication of & comparison to Wickman's 1926 study, 54:1957
attitudes toward children & mental health services for them since 1969 report of Joint Commission on Mental Health of Children, 56:6502
attitudes toward children with learning problems, educational vs medical orientation & relationship to treatment requests & perception of agency effectiveness, public & private school & hospital staff & parents, 57:6104
attitudes toward English & Welsh languages, bilingual children vs adults, Wales, 56:3795
attitudes toward future & self & school life & social & family relationships, boys with low-average IQs, 56:3813
attitudes toward having children, report on Value of Children project, Philippines, book, 56:5896
attitudes toward life & death, parents of mildly dysfunctional children, 54:11453
attitudes toward participation in clinical team meetings, parents of mentally retarded children, 56:2548

attitudes toward school psychologist, teachers of learning disabled children, 58:8200
attitudes toward sexual behavior & sex education & birth control & marriage & dating of their daughters, mothers of mentally retarded children, 54:5576
attitudes toward socialization of children in 19th century English children's literature, 57:12469
attribution theory analysis, influences of commercials on children, reply to criticism by A. B. Ryans & T. Deutscher, 58:10746
audio-linguistic skills, Down's syndrome & hearing-impaired children, 55:9924
auditory discrimination skills & articulatory behavior, children with lateral lisp misarticulations, 57:3653
auditory evoked responses to speech & nonspeech acoustic stimuli, 23–29 yr olds & 4–11 yr olds & 1 wk to 10 mo old infants, 54:11089
auditory evoked responses to verbal & nonverbal stimuli, lateralization of language function, infants vs children vs adults, 55:4265
auditory localization, blind children with vs without spatial orientation problems, 57:8570
auditory memory span for vowels & consonants & digits, articulatory defective vs normal speaking children, 57:10587
auditory perception & imperception at perceptual & conceptual level, role in childhood learning disabilities, 54:1432
auditory retention of nonverbal & verbal serial stimuli, children with reading disabilities, 55:10073
auditory vs visual presentation of temporal patterns, pattern recognition & vocal reproduction, normal vs learning disabled children, 55:888
automated procedure, measurement of far-point visual acuity, profoundly retarded vs normal children, 55:10062
available social services, white & black families with developmentally disabled child in rural southern areas, 56:2673
aversive schedule change, behavioral contrast, children, 55:8694
background emphasis on perceptual & linguistic & thinking skills, reading success, very young deaf children, 54:3480
bargaining styles & age & sex, cultural differences in competitive resource distribution task, children & adolescents, India vs Argentina vs US, 57:5654
bedroom & group size & density, bedroom use & behavior patterns, child psychiatric facility patients, 55:1174
behavior in public places, couples with & without accompanying children, 55:651
behavior modification approach to group therapy, sociometric status, hyperactive unsocialized boys, 56:8368
behavior modification, deviant children, book, 53:3750
behavior modification in therapeutic summer camp, children, case studies, book, 53:1761
behavior modification, learning & perceptually disabled children, review, 54:1673
behavior modification principles, relationship establishment within groups of antisocial children, 53:3785
behavior modification procedures applied by teacher, management of problem behaviors in child care setting, 57:13867
behavior modification techniques in groups, antisocial children, 53:7995
behavior modification techniques, aggressive behavior, severely & profoundly retarded children, 53:3727
behavior modification to establish rational self statements, children with situational disorders, 55:2674
behavior modification, toilet training, severely mentally retarded children, 57:13281
behavior modification used by psychiatric nurse, changing hyperactive behavior, emotionally disturbed children, 55:12706
behavior modification using positive reinforcement & teachers' & parents' & peers' roles, autonomous eating habits, profoundly retarded children in special day school, 58:1658
behavior modification &/vs feeling-oriented therapy, children with emotional & behavior problems, 56:4353
behavior modification vs traditional approaches, children with speech misarticulations, 56:1147
behavior problems encountered & treated by pediatrician, evaluation of procedures for rapid toilet training & correction of self injurious behavior & shopping behavior problems, 58:7932
behavior problems in children, review of clinical & epidemiological studies, 57:1417
behavior therapy approach, office diagnosis & treatment of children with behavior problems, 57:13298
behavior therapy, children, book, 55:5101
behavioral & familial problems, normal social & psychological development, deaf children, 53:7723
behavioral approaches, changing behavior, handicapped children, 53:12522
behavioral assessment program utilizing interview, diagnosis of behavior disorders, children, 58:12111
behavioral characteristics & etiology & diagnostic & therapeutic intervention methods, hyperkinesis in children, 58:1460
behavioral child management group training for parents & training leader as social model, increased production of targeted desirable parent-child behaviors, parents of learning disabled &/or emotionally handicapped child, 57:6346
behavioral Identification of Gifted, identification of nonwhite young gifted children, 55:1585
behavioral rigidity, mildly retarded children & adolescents & Ss over 50 yrs of age, 55:7391
behavioral vs reflective parent counseling models, therapeutic strategy for behavior problems in children, 53:6006
biases of sociolinguists toward black English, reading approaches to reading problems, disadvantaged black children, 55:3052
bibliotherapy, applications & aspects & use by therapists & teachers with individuals or groups of children, 58:5804
biological makeup & hereditary factors, somatic diseases & emotional illness, vulnerable children, 53:5743
biorhythmic cycles, perceived emotional state & family interaction, adults & minors, arousal theory interpretation, 57:5198
birth month & hearing loss severity, post-rubella children in special education, 53:5721
birth order & family size, IQ & length of psychiatric hospitalization, children, 58:12239
birth order & mental retardation, children, 56:10126
birth order & mother-child attitude & socioeconomic status, personality, alcoholic mothers & children, 55:12482
birth order & number of siblings, responsiveness to social reinforcement, children, 54:1188
birth order, anxiety & social approval & perceived popularity & locus of control, parochial school children, 57:10041
black cultural differences, alternative model for educational program development, black children, 55:8038
black values & language & self awareness problems, counseling black children, 54:6423
blank trials & introtacts probing techniques, exploration of problem solving processes, adults & children, 56:1771
blood serotonin levels, schizophrenic children, 58:5484
bone age, children with minimal brain dysfunction, 53:12014
brain stem evoked responses, maturational changes in brain stem responsivity, human newborns & infants & children & adults, 55:3969
brain-behavior relationships, learning disabilities, children, review, 55:4869
brief time-limited psychotherapy & therapist experience, parent & therapist satisfaction with therapeutic outcome & symptom reduction & parental mood states, parents & their emotionally disturbed children, 58:12071
caffeine, children with hyperkinesis or minimal brain dysfunction, 54:12285
caffeine vs reward &/vs punishment, delayed RT task performance, hyperactive vs control children, 57:13111
camping & wilderness survival experience, therapeutic value for social breakdown syndrome & self concept & locus of control & social adjustment, children vs adults, 58:7816
care of dying child & his family, book of selected readings, 53:7786
case of Kremens vs Bartley, challenge of parents' right of involuntary commitment of their children to institutions for mentally ill or retarded, 57:10151
case of Kremens vs Bartley, legal protections for children prior to commitment to mental institutions, 57:10155
case of Kremens vs Bartley, state's arguments for preservation of parents' rights of commitment of their children to mental institutions, 57:10172
categories of hyperkinesis & etiology & management suggestions, children referred for evaluation, 54:12057
categories of interest & attitudes, divorced mothers & their children between ages 6–18, 57:8111
causes & differential diagnosis, twilight states in children & adolescents, 54:11905
causes & means of avoidance, fatigue, women & children, 57:2852
causes & short & long term effects, childhood obesity, book, 54:7879
causes of educational underachievement in children, need for educational & personality assessment in conjunction with parents & teachers & psychologists, 57:13807
causes of suicide in childhood & adolescence, 55:7352
cerebral dominance function disorders, reading & writing achievement, learning disabled children, 58:9728
challenging adult view that children are innocent of concept of death, 53:4916
changes in partition coefficient & interphase potential for calcium & phosphate ions in erythrocyte/plasma system, children with diagnosis of mental retardation & dissociative process & epileptic seizures, 57:5944
changes in services of university child development clinic, subsequent changes in demographic & epidemiological & client reaction characteristics, comparison of 1966 vs 1972 mentally retarded clients, 57:8575
changes in somesthetic evoked responses & EEG & affected side of body, children with hemiplegic cerebral palsy, 57:6158
character disorders & family relations, school phobic children & their families vs children with other neuroses & their families, 55:859
characteristics & developmental needs, handicapped children in nursing homes, 58:6008
characteristics & management problems, children with Prader-Willi syndrome, 53:1463
characteristics & psychiatric evaluation, children from multiproblem families referred to outpatient psychiatric clinic, 57:6220
characteristics & situations & family disorder & treatment, isolation syndrome as new diagnostic category, children, 54:11948
characteristics of language spoken to children, review of studies, 56:3790
chemotherapy & psychotherapy & behavior modification & specialized educational procedures, teacher's role & guidelines in working with children with specific handicaps, 53:6194
chemotherapy & symptomatic treatment vs psychotherapy & family counseling, children with anorexia & cyclic vomiting, 54:1503
child & parent exposure to relaxation tapes, child's emotionality & medication intake & cognitive & classroom behavior changes, minimally brain injured children, 58:7948
child abuse & protection of children of life-threatening parents, 53:5598
child abuse, cognitive development, physically abused vs neglected vs nonabused children, 53:9726
child advocacy, 54:2901
child advocacy in mental health, book, 54:3783
child advocacy, school psychology training & practice, 53:1287
child care issues in group residential treatment, 55:2774
child care work, criticism of F. Barnes & S. Kelman's model, 53:7268
child learning disabilities, reported levels of incidence as function of defining criteria, literature review, 57:6115
child psychiatry & developmental theory, mental illness prevention programs, children reared in poverty, 53:5765
child residential experiences, book, 54:12460
childhood development, child health care, 54:3828
childhood indicators of adult schizophrenia, children of schizophrenic parents & other psychiatric patients & normal parents, 57:3454
childhood infectious diseases & class differences, measured intelligence, children, 57:3709
childhood psychopathology, overview of history & theories & research & treatment, book, 53:5447
childhood school phobia, etiology & treatment & evaluation, review, 58:1315
child-rearing practices & development of mother–child relationship, identification of vulnerable African children, 53:5515
child-rearing practices, vulnerability, elite Nigerian children, 53:5454
children, summaries from American Orthopsychiatric Association's 52nd annual meeting, 54:11352
children with epilepsy, question & answer guide for parents & teachers, book, 53:7751
children's behavior disorders, reviews of 19th century literature & continuing issues, 57:12959
children's cooperation & helping behaviors, review, 58:5192
children's gestures & postures in terms of nonverbal communication system & psychosocial development, 57:8015
children's reactions to death & dying, conversations & research considerations, 53:4918
children's reactions to parental imprisonment & attitudes toward incarcerated parent & visiting patterns & aggressive & antisocial tendencies & parental perceptions of effects of imprisonment on their children, imprisoned mothers & fathers & their children, 57:8113
children's responses to projective tests following death of parent, 53:7430
children's rights & welfare in psychiatry & law, discussion of symposium, 56:1265
children's rights as clients/patients in delivery of mental health care, book of papers, 57:13121
children-sex control & category assessment scale, interaction patterns of British & immigrant children, reply to C. T. Turner and M. Sevinc's criticism, 53:1051
child's attractiveness & sex, willingness to recommend special class placement & expectations for future school academic & social behavior, elementary school teachers, 54:10461
child's imitation vs nonimitation, adults' verbal & nonverbal positivity related to nurturance, adults, 55:9711
child's new roles in changing social & cultural environment, implications for selection of curriculum & technological resources, 54:8359
child's response in learning task in analog teaching situation, teaching behavior of reinforcing agent, implications for socialization theory, 56:634
child's sex & age & family income, parents' perception of their children's mental health problems, 53:7570
chlorazepate dipotassium, anxiety & social behavior & psychomotor symptoms & neurotic behavior & side effects, psychiatric patients ranging from 3 to over 15 yrs of age, 54:3700
choice of 2 vs 3 dimensional art activities, educable mentally retarded children, 53:9889
choice of 2- vs 3-dimensional art activities, educable mentally retarded children, 57:12994
chronic illness in children, psychosocial effects on child & parents & siblings, book, 56:4338
chronological age & motor educability, perceptual-motor development, educable mentally retarded children, 53:3433
chronological vs mental age vs IQ & stimulus presentation rate, digit serial recall, nonretarded vs mildly retarded children, 53:9892
circular play court environment, sensory stimulation & spatial perception & tactile maps & recorded instruction to foster orientation skills, blind children, 53:10530
civil rights in research & technology, retarded children, 54:3411
clarification of immediate reality & combination of interpretation & limit-setting in treatment program, delinquent children & young adults with personality disorders in residential setting, 55:2765
classification & characteristics & assessment & behavioral treatment, childhood phobias, 53:5533
classification & diagnosis, childhood depression, 58:7671
classification system of child behavior representing personality as integration of social roles & personal styles, 53:913
clinical & EEG & telencephalographic study, benign epilepsy of childhood with Rolandic spikes, 53:3475
clinical & instrumental viewpoint, assessment & recording of motor skills & movement patterns in children, review, 55:2157
clinical & therapeutic elements, child phobo-obsessional manifestations, 55:12409
clinical attributes, differentiation of "borderline" children from those with more severe or milder symptoms, 55:12431
clinical characteristics & prevalence & management, minimal brain dysfunction, children, 54:7970
clinical differentiation & referral & frequency of occurrence of speech disorders, children, 3-yr longitudinal study, 56:10159
clinical liabilities & interventions, children of divorced parents, 53:4963
clinical-psychological evaluation & methods for prescribing appropriate hearing aids, hearing impaired children, 58:1537
closed-response vs open-response auditory speech discrimination test performance, severely hearing-impaired children, 53:5722
cognitive approach & modeling, language therapy treatment program, schizophrenic children, 54:1513
cognitive aspects of childrens' drawings, implications for inappropriate psychiatric inference, 57:7881
cognitive disharmony & dyscalculia in children & adolescents, panel discussion of symptomatology & treatment, 54:3423
cognitive mastery & comprehension & appreciation of humor, children, implications for research, 53:2868
cognitive maturity & sex & stimulus characteristics & information-processing systems, development of organizational behavior, children, 58:832
cognitive structure as informational content of warnings against playing with favorite toy & reprimand timing, response inhibition & affective behaviors & immediate & delayed reprimand effects, children, 58:5085
cognitive structure hypothesis for learning disabilities, validity of formulation of Myklebust & Bannochie & Killen for reading disabled children, 55:896
cognitive style & perceptual skills, 28–56 yr old master artists vs kindergartners vs 5th graders vs 10th graders vs 27–52 yr olds, 54:8743
cognitive tempo, mode of representation, emotionally disturbed & normal children, 54:9898
cognitive variables, nature of explanations of human behavior, concrete & formal operational children, implications for Piagetian theory & attribution theory & development of personal perception theories, 58:9292
cognitive-perceptual factors & word meaning acquisition, children, 53:4895
cognitive-perceptual game approach, visual discrimination learning, mentally retarded children, 57:3644
college student tutors & parent participation in behavior modification workshop, deficient language & social behavior, children in day treatment program, 53:12280
color & form & position & size & relation, age differences in preferences for visual discrimination factors, 4–14 yr olds vs college students, 58:7215
color vision test, identification of color discrimination deficits, young children & handicapped, applicability to school entry screening, 58:7760
combination vs specific-focus group training of principles of behavior modification, behavior problems of children, mothers, 56:6407
communication & comfort, dying child in hospital environment, 54:3959
communication boards & nonoral vocabulary materials, nonoral communication system project, children with dysarthria, 53:3471
communication problems encountered in voice therapy, children, 57:13352
communicative behavior & skills, deaf-blind children, 54:5600
communicative style & personality organization, mothers of children who stutter, 58:9752
community child health care in multiracial inner urban area, 57:13400
community involvement for child advocacy, school mental health consultant, 54:3784
community network therapy, working with troubled children & their families, 57:8841
community participation & services & preparation of children, community-oriented child care institutions, 53:12295
community services for mentally retarded children, book, 54:10270
community solutions to problems of disturbance & delinquency in children & use & misuse of residential care, 57:1743
community-oriented residential institutions, improvements in child care practice, 53:12285
comparative computer content analysis, unstructured speech, institutionalized vs noninstitutionalized retarded children, 54:1420
comparison of WISC selected subtest short forms, mentally retarded children, 54:3419
compensatory program, culturally deprived Korean children, 54:1932
components of multivariate model, biological & psychosocial factors interaction, vulnerable children, 53:5473
comprehension & patterns of acquisition of spatial adjective pairs in nominal & comparative & superlative forms, moderately retarded children, 58:1403
comprehension of syntactic structures & critical verbal elements & listening comprehension, learning disabled children, 53:11963
comprehension training vs production via imitation training, acquisition of morphological rules, young children, 58:3098
computer assistance, diagnosis of learning disabilities, children, 55:4853
computer EEG & auditory evoked potentials, children with high risk for schizophrenia, 53:1361
concentration camp experience of parents, emotional development of children, 54:9363
concept of institutionalization, management structure of therapeutic residential unit, emotionally disturbed children, 55:5246
concept of object permanence, infants & students, literature review, 58:831
conception of space, comprehension & production of spatial locatives, children, 53:11433

concepts & practices of child advocacy role, school psychologists, 54:10649
concepts of death & intervention in mourning process for prevention of distorted grief responses, children & parents, 53:5984
concepts of self & social organization & attitudes toward work & religious beliefs, counseling Old Order Amish children, 54:6427
conceptual behavior, normal vs brain damaged vs emotionally disturbed children, 55:4684
concrete operations & MA & sex, sensitivity to logical contradiction & perceptual decentering, educable mentally retarded & nonretarded children, 58:9741
concurrent validity, Kahn Intelligence Test, intellectually & emotionally & learning impaired children, 57:9166
conditioning methods, childhood asthma, literature review, 54:3748
conditioning of evoked potentials, mentally retarded children & children hospitalized with somatic illnesses, 57:10566
conditioning vs psychotherapy, negative psychological changes, enuretic children, 56:4487
conditions, choice of behavior modification principles or psychodynamic treatment of children, 54:10217
conflict of adaptation to American culture, personality traits & treatment problems, Eskimo children, 53:7873
conjugal roles between husbands & wives, attitudes of adults & school pupils, rural Ghana, 57:3122
conservation of numbers, judgment of length, children, 53:2849
conservation of numerical totalities, relation to conservation of continuous quantities, young children, 55:2180
conservation-type tasks, seriously disturbed noninstitutionalized children, 53:11853
considerations in family therapy, single parents & children, 54:3743
construction of measures of conceptual tempo & comparison to conventional measures of reflection-impulsivity & calculation of conceptual efficiency, educable mentally handicapped vs nonhandicapped children, 58:5637
construction, self concept scale, children, 54:1181
consultant's role & effectiveness, implementation of new programs & practices in child care institutions, 58:12184
consultative & supervisory services for aiding inexperienced social worker provide effective treatment in public child welfare agency, case report, 54:10345
content analysis of presentation of character in children's books set in southeastern US, implications for possible effect on readers, 55:11854
content analysis, stories from basal readers for normal vs retarded children, 57:6768
content of parental report of child's behavior & of film of child, ratings of adjustment & need for treatment of normal children, clinical & counseling doctoral students, 57:8588
context of utterance & S's syntactic system, stress patterns in 2-word utterances, young children, 58:7245
controversy over teaching methods, deaf children, 56:10745
conventional training vs Integrated Management of Cerebral Palsy project, analysis of covariance of performance on Eau Claire Functional Motor Abilities Test, orthopedically handicapped children, 57:13925
coping & cognitive styles, psychophysiological response to stress, children, 55:4002
coping with stresses of migration when supported by vs separated from their families, mental health needs of Southeast Asian children in US refugee camp, 58:12007
Copy Designs Test, screening for learning problems, children, 58:3597
corneal reflection recordings of eye movements & area of scan, familiarization & recognition of random patterns of luminous dots, 4–62 yr olds, 53:4881
corporal punishment vs electroshock in aversion therapy with children & adolescents, 55:1036
correct vs incorrect explanation of ruler length given by model, conservation of length, children, implications for role of social interaction in cognitive development, 57:7939
correlations between WISC Digit Span & other WISC variables, children in clinical diagnosis groups, 54:7811
cottage living program, children with severe personality disturbances, 55:2766
counseling families of terminally ill children, role of psychologist, 53:6011
counseling, self-concept & personal adjustment, poor children, 53:1996
covariation of development of polar spatial coordinate system & seriation ability, children, 55:11944
covariation within behavior repertoires at home & school & application of contingency management procedures, problem children, 54:3764
creative dramatics, self expression & development & academic values, learning disabled children, 54:4182
creativity & intelligence, educable mentally retarded children, 57:12995
credibility & impact & effects on children, 1972 Surgeon General's report on TV violence, book, 54:1066
criminality in families with children at high risk for schizophrenia, criticism of L. Kirkegaard-Sorenson & S. A. Mednick's study, 56:2487
crisis intervention, parents of deaf child, implications for social workers, 58:8010
criterion of qualities of competence, children at risk for severe psychopathology, 53:5490
critical flicker fusion perimetry, differential diagnosis, learning disabled children with possible cerebral dysfunction vs children with educational deficits & no evidence of cerebral dysfunction, 57:8496
criticism of & alternatives to use of labeling of children in education, 58:5599
cross cultural childrearing differences, aggression socialization, children, Norway & US, 55:9483
cross cultural differences & age & filtered vocal expressions, identification of emotional content & development of sensitivity, Mexican vs Canadian 6–11 yr old boys & college students & actresses, 55:569
cross cultural differences, manifest anxiety, children, Mexico & Japan & Israel & US, 56:2211
cultural values, needs of children, 55:9480
culturally patterned depression after loss of child, Amerindian female, 54:7791
culture & formal education, short term & incidental memory development, 7–9 vs 10–12 vs 13–16 vs 20–21 vs 22–35 yr old urban vs rural Mexicans, comparison with American Ss, 57:2968
culture, childrearing practices & adolescent development, US vs Korean middle class children & adolescents, 55:2260
curiosity, theories of origins & factors of stimulation & impact on learning & education, children & adults, literature review, 58:7579
current diagnostic concepts & new diagnostic approach using analysis of reading & spelling performance, identification of dysphonetic & dyseidetic & mixed subgroups of dyslexia, children, 54:3412
current practices, evaluation of motor behavior of disabled children, comments on J. H. Lewko's study, 56:10202
current tests used to evaluate motor behavior of disabled children, survey of occupational & physical therapists & special & physical educators, 56:10194
current trends in rehabilitation & education of deaf & hard of hearing, children & adults, 54:12437
cytogenetic survey, chromosome abnormalities, mentally retarded children, 54:7746
dance therapy program, physical & mental & social skill improvement, mentally retarded 8–80 yr olds in residential facility, 57:10674
day care, intellectual & social skill acquisition & physical & emotional development, young children, 53:2824
day care program development, disturbed children in child guidance clinic, 53:3816
death education through prepared parents & teachers & counselors, understanding and coping with death experiences, young people, 57:13570
death of parent or loved one, bereavement, children, 54:779
decision making process for labeling retarded children, teachers, 54:1959
decontextualized & contextualized responses, valid interpretation of children's tests, 53:4876
definition & objectives & obstacles, child advocacy, 54:2900
definition of essential syndrome & case observations & summary of pertinent writings, hyperkinesis in young children, 55:12577
definitions & symptoms & diagnosis & drug vs nondrug treatment & side effects, hyperkinetic children, 53:3665
definitions & theories, cooperative behavior, children, literature review, 53:7087
delay capacity & cultural background & sex & age, development of cognitive control of field articulation, low income urban children, 56:5780
demographic & home environment characteristics & parental perceptions of level of retardation & length of stay, 1–19 yr old residents vs applicants to state institution for mentally retarded & their parents, 58:8052
demographic characteristics & parents' attitudes & day care center benefits, day care center staff & parents & children, 53:12303
demographic data & personality, giving custody of children to estranged husband, Caucasian middle class heterosexual women, 58:11567
demographic variables, adult & child dropouts vs nondropouts from community mental health outpatient center, 53:3813
depressive process conceptualization in children, 53:1336
derogatory & demeaning images of women & use of prescribed psychoactive drugs for children, physician-directed drug advertising, 53:11674
description of child's school day, demonstration school using Cognitively Oriented Curriculum, 58:2031
description of Illinois Project SCREEN, early identification of learning disabilities in children & provision of teachers with broader basis for making educational decisions about each pupil, 56:3083
descriptive statistical data from child guidance center clientele, age & sex of children & reasons for referral & agent of referral & father's profession & neighborhood, 54:1731
descriptive verbal vs judgmental responses, children's self esteem, inner-city vs suburban mothers, 54:11466
desirability of indoctrination for world peace, children, 53:12453
determining factors, vulnerability or resilience to psychiatric risk, children, 53:5472
development & advantages of local interdisciplinary clinics, treatment of developmentally disabled children, 57:8852
development & diagnosis & treatment & prevention, behavior disorders in children, textbook, 57:1411
development & education & treatment, mentally retarded children, book, 56:8210
development & generalization of delayed imitation, retarded children, 57:13003
development & standardization, concentration-action test for psychodiagnosis of early childhood cerebral lesions, 55:10123
development & use of generalized signal to control noise level, children & adolescents in therapeutic day camps, 57:8768
development & validation, training program for teaching self-care skills, parents of preschool mentally retarded children, 53:5671
development of aesthetic preferences, 5 & 7 yr olds, 56:9666
development of bilingual education & social environments & culture fair achievement tests & speech assessment methods, solution to attitudinal syndromes creating obstacles in intercommunication with bilingual children, 57:13566
development of concept of justice, children, implications for social studies curriculum, 55:6829
development of invulnerability to life stresses, children, 53:4944
development of left side preference for holding & carrying doll representing newborn, 1.5–16.5 yr olds, 58:5086
development of legal theories in child advocacy, 57:8123
development of lexicon for purposes of symbolic communication, deaf children of hearing parents, 58:11951
development of mental health programs for infants & young children as response to Joint Commission on Mental Health of Children, 56:6501
development of metaphoric understanding in children, 58:7247
development of mobile mental health consultation & education service in inner city, children, 56:1184
development of moral & ethical judgments in current period of moral crises, young children, 56:9730
development of moral & social competence, children, book, 53:9302
development of phrase & clause decoding ability, children at 3 developmental levels, 54:815
development of program in child welfare agency, helping parents cope with their children's behavior problems in their homes, social workers, 56:1191
development of program of alternatives to residential treatment, emotionally disturbed children, 54:10266
development of psychiatric treatment program, emotionally disturbed inner-city children, book, 53:8049
development of Purdue Elementary Problem Solving Inventory, attempt to avoid biasing influences for nonwhite & low socioeconomic status children, 54:10830
development of sexually dimorphic book-carrying styles, male vs female kindergartners to college students, 56:5815
development of social cognition & inferences, children, review, 58:5110
development of training approach with self verbalization & modeling techniques, problem solving strategies & self control of behavior, hyperactive children, 55:2675
development of "youth" as category of people, implications for family life, 54:5037
developmental analysis of attentional & cognitive strategies, impulsive & reflective behavior, children, 55:11949
developmental analysis, physiological processes characteristic of working dominant, children & adolescents, 57:5476
developmental changes in Rorschachs, emotionally disturbed vs normal children, 53:5564
developmental differences, concept of love, preschoolers & 2nd & 5th & 8th & 11th graders & 20–65 yr olds, 58:11403
developmental differences, eye movements during inspection of simple dot patterns, 4–62 yr olds, 55:4215
developmental differences, short term memory as measured by reproduction & recognition, children & college students & adults & aged, 54:7195
developmental intervention techniques, young physically handicapped children, book, 55:10193
developmental level at time of disaster & perceptions of family's reactions to disaster & direct exposure to disaster as contributors to psychological impairment, surviving children, 56:5044
developmental levels of behavioral responses to common objects, evaluation of cognitive behavior, young nonverbal children, 58:9717
developmental linguistics & operant procedures & behavior modification, language training, mentally retarded children, 53:6206
developmental norms of Bender Visual Motor Gestalt test, children, Mexico, 55:11313
developmental stages of attitudes toward death & irrational attitudes toward death, terminally ill hospitalized children, 54:5624
developmental trends in drawings in relation to perceptual & intellectual development, characteristics at successive age between 2 & 16 yrs, 57:5535
developmental/educational approach to therapeutic community-based program as alternative to institutionalization, troubled children, 57:1753
deviant articulation behavior, children, followup, 55:12532
diabetes in children & adolescents, conference proceedings, book, 54:7947
diagnosis & intervention in school, changing attitudes & behaviors, delinquent & delinquency-prone children, 55:10472
diagnosis & placement use, Minnesota Percepto-Diagnostic Test, children with minimal brain dysfunction, 54:5637
diagnosis & rehabilitation & prevention, physically & mentally & behaviorally handicapped children, 57:5950
diagnosis & test materials, overview of psychological & educational evaluation of normal & exceptional children, 58:10201
diagnosis & therapy, minimal brain dysfunction, children, literature review, 53:3534
diagnosis & treatment, hyperactive children, book, 56:6324
diagnosis & use of Ritalin & its effects, hyperactive children, 58:5930
diagnosis of acquired aphasia associated with EEG abnormalities, case report, 55:10120
diagnosis of slow-virus infection, diseases associated with mental retardation, children, 58:3603
diagnostic & evaluative & consultative services, maternal attitudes & anxieties, mothers of exceptional children, 58:10006
diagnostic & neurological & psychological & statistical evaluations, minimal brain dysfunction, children, book, 53:9936
diagnostic & prescriptive capabilities of behavioral analysis ratings instrument, facilitation of development, young children, 56:9635
diagnostic classification of child, comparative MMPI protocols, parents of children evaluated at child development clinic, 53:11826
diagnostic difficulty & separation reactions & drug treatments, depression, infants & children, 54:5486
diagnostic potential of vigilance task as measure of effect of methylphenidate or amphetamines on behavior, learning disabled hyperactive children, 54:3650
diagnostic problems, mild brain injuries of early childhood, 53:7755
diagnostic validity, Three Trees Test, 5–15 yr olds, 53:7527
dialect characteristics, inner city black children, 55:6664
dichotically presented words & digits, ear preference, stuttering vs normally speaking 4.5–48 yr olds, 55:12537
differences in learning patterns, diagnosis of learning disabled child vs slow learner, 58:5636
differential attention demands, auditory evoked potentials, normal vs hyperkinetic children treated vs not treated with methylphenidate, 58:1407
differential classification & instruction of culturally disadvantaged & learning disabled children, 58:6132
differential diagnosis, true innumeracy vs number difficulties related to neurosis or poor motor coordination, children, 58:3582
differential diagnostic & treatment processes & psychiatric implications of symptoms, learning disabled children, 53:11961
differing histories of success & experimentally induced success & failure, generalized & situational expectancy on experimental task, educable mentally retarded & nonretarded children, 54:9969
disciplining hearing impaired children, content of parent discussion group, 54:9984
discovery of childhood sexuality, contribution of Freud, 53:4917
discrimination of brief synthesized vowels & stop consonants, developmental aphasic children, 53:11965
discrimination transfer along brightness & line tilt & size & distracting visual continua, verbal vs nonverbal autistic vs retarded vs normal children, 58:9632
distance between adult & site of reinforcement & extent of adult mediation of reinforcement, behavior under contingent reinforcement for simple motor response, institutionalized retarded children & adolescents, 57:6094
distractibility & hyperactivity & impulsiveness & attention deficits, learning disabled children, literature review, 53:9910
distractibility & rewards, attention during reading, hyperactive boys, 55:10094
distractibility, learning disabled children, 54:1416
distracting sound type, attention measured by reaction time, normal vs mildly retarded vs children with delayed development, 53:7764
division of category of minimal brain dysfunction into 4 behavior groups, classification of children's behavior problems, 55:7251
divorce as deprivation, adjustment, children, 54:852
doctrine of invariant sequence in cognitive development, dream concept, Hausa children, Nigeria, 55:6939
drama therapy, self expression about feelings & fantasies about their visual impairment, visually impaired children, 57:3782
drug therapy, drugs used & problems in administration & side effects, mentally retarded children with diagnoses of epilepsy & hyperactivity & rage reactions in special schools, 57:13332
duo therapy, technique of treatment in pairs, emotionally disturbed children, 56:4561
duplication of rhythmic patterns, error response to rhythms vs number of beats, deaf vs hearing children, 57:13064
duration of delay & feedback consequence, discriminative learning with geometric figures, emotionally disturbed children, 58:3453
dyadic interchange analysis, imitation & social development in interpersonal interaction, adult-child dyads, 55:9502
dynamic approach to diagnosis & classification of disorders in intellectual development, children & adolescents, 58:3581
dynamic auditory tracking ability, learning disabled vs normal children, 57:6101
dynamic group psychotherapy, parents of cerebral palsied children, 54:1666
early detection of delay vs deviation in speech development, children, implications for therapy, 56:4303
early environmental deprivation, academic performance & intelligence development & language use & social integration, children of ship's masters, 54:7183
early identification & implementation of relevant educational programs, children with learning difficulties, 55:5643
early intervention & diagnostic-prescriptive education & parent services & interagency cooperation, integration into mainstream of education, partially sighted children, 58:6389
ecological assessment of child problem behavior, clinical package for home & school & institutional settings, book, 57:6086
ecological theory & community education, community special education model, troubled children, 58:8365
economic benefits, early diagnosis & training for handicapped children, 57:10988
education & counseling program, self concept, parents of children enrolled in health & physical development clinic, 58:10004
education of emotionally maladjusted children in regular classroom, 57:13922
educational & social & economic environment, behavior & underachievement & development, Black children, 57:7862
educational environment, development of counter culture containing love, youth as society's hope for future, 54:7406
educational level of parents & Ss' cultural background, intelligence test performance, children in PM 47, 56:7621

ducational procedures, resocialization, neglected children & adolescents, 54:3378
ducational processes & methods, emotionally & behaviorally disordered children, book, 54:6332
ducational programs for parents of handicapped children, 54:12187
ducational recommendations of Joint Commission on Mental Health of Children, overall school mental health & preschool & special education, 56:6647
ducational research weaknesses & unexplained growth & intellectual strength, research pertaining to black children & adolescents, 53:6110
ducational therapy techniques, learning disabled children with varying degrees of emotional instability, 58:3717
EG & neurological & biochemical & pregnancy & birth & genetic research factors, childhood hyperkinesis, 56:918
EG abnormalities, intelligence & academic achievement, 5–10 yr old hyperactive males, 54:1254
EG arousal reactions & parameters of spontaneous EEG activity, behaviorally disturbed hyperactive children, 54:3375
EG discharges triggered by blinking & eye closure, 2 children, 57:3739
EG patterns, children & adolescents with Gilles de la Tourette's disease, 53:1553
ffectiveness, perceptual motor programs, learning disabled children, 53:10531
gocentrism altering treatment, conservation ability, children classified as nonconservers vs transitional conservers, 58:3088
lectromechanical toys, teaching eye-hand coordination & perceptual motor skills, learning disabled children, 54:1935
ementary thought structure & contradictory sources of information & significance of gestures & imitation & intellectual & verbal techniques, intellectual development of children, 53:11432
icited imitation vs production of language, linguistic strategies & similarity of involved psycholinguistic skills, severely mentally handicapped children, 58:5603
mergence of differing syntactic styles, universal aspects of psycholinguistic developmental process, 55:11984
MG biofeedback & progressive relaxation, hyperactivity & its behavioral concomitants, hyperactive vs nonhyperactive children, 58:3807
MG biofeedback, development of voluntary muscle control, spastic cerebral palsied children, 58:9940
motional awareness, rapid improvement vs nonimprovement in residential treatment center, asthmatic children, 57:10589
motional development of child's inner world of fantasies & dreams & unconscious motives & play projections, book, 56:7593
motional factors in learning disabilities & counseling of parents, children with minimal brain dysfunction in day care center, 54:10019
motional problems of childhood & adolescence, book, 54:7795
motional support consultation program for dying children & their parents, 53:6012
motionally disturbed label, negative stereotypical expectations of emotionally disturbed children, special education teacher trainees, 54:4017
motionally toned words, perceptual defense & response suppression, male vs female children, 54:9679
mpathy & impulse control, overt aggression, black children from lower middle class neighborhood, 56:5807
mphasis on testing method vs assessment outcomes, psychological assessment work with children, 54:8479
ncephabol, CNS development & maturation & somatic symptom reduction & side effects, children with dyslexia & dyscalculia & dysorthography, 57:10962
nculturation process, children of Puerto Rican highland village, 58:945
nglish Picture Vocabulary Test, estimation of mental age, subnormal children, 53:7716
nrichment of home & educational environments & ability training, disadvantaged children, 58:4369
nrichment programs & accelerated learning, development of intellectual potential, underachieving gifted children, 58:10396
ntropy & structure measures of TV program complexity, program preferences, 6th graders & their mothers & adolescents & shopping center customers, 58:5054
nuresis alarm treatment, nocturnal enuresis, children aged 4 yrs & older in residential home, 58:3843
nvironmental & hereditary & physical factors, psychological disorder development, vulnerable children, 53:5452
nvironmental & nutritional deprivation, children with learning disabilities, 54:1411
nvironmental & parental influences, emotional maladjustment, children, India, 58:5516
nvironmental & sociocultural antecedent conditions of aggression, Black children in urban ghettoes, 58:3537
nvironmental influences, behavior disorder severity & type & onset age, Puerto Rican working-class vs non-Puerto Rican middle-class children, 53:5648
nvironmental Language Intervention Strategy, diagnosis & training, children with severe delay in expressive language, 53:3468
pidemiological research strategies & psychiatric concepts, causes of vulnerability, children, 53:5559
pidemiology & classification & diagnosis & treatment, hyperactive children, book, 54:7835
pidemiology & family characteristics, severely-abused children, England, longitudinal study, 55:12457
pidemiology & socioeconomic & educational level & family background & relations, incidence of mental disorders, 5–15 yr olds in Reykjavik, Iceland, 54:1262
otic feelings & thoughts & fantasies as normal, children, 53:4846
rors in written compositions, mildly vs severely stuttering vs normally speaking children & adults, 55:4886
tablishment of behavioral controls over eating habits through family involvement & reeducation, weight maintenance, children, 58:12119
tical & legal considerations of research concerning children believed at high risk for schizophrenia, 54:5446
thnic background, free recall of lists of categorizable words, black vs white children, 57:2957
tiological diagnosis, mentally retarded children & adults, 56:881
tiological factors & approaches to therapy, enuretic children, 55:7429
tiological factors & treatment, hyperactive children, book, 57:3722
tiology & efficacy of psychoactive drugs, treatment intervention for hyperactivity, children, 56:1119
tiology & environmental influences, mental deficiency in children, 57:6112
tiology & intervention strategies & diagnosis, hyperactivity in children, 55:2491
tiology & language behavior patterns, educable retarded children in primary level special education programs, 57:3625
tiology & management strategies, children who deceive psychologists, 54:9896
tiology & solution, emotional problems, mentally & physically handicapped children, 58:11786
tiology & treatment methods & prevention, severely deprived children, book, 54:1253
tiology of explosive personality & treatment with tricyclic antidepressants, hyperactive children, 55:873
tiology of mental retardation & education & rehabilitation, severely mentally retarded & blind & aged & children with speech disorders, book of lectures, 56:6309
tiology, severely disturbed children, 53:3352
tiology, somnambulism, children, 53:3330
etiopathogenic factors & therapy, childhood epilepsy, patients with hypsarrhythmia & petit mal epilepsy, 56:4347
evaluation of activity at home, diagnosis of minimal brain dysfunction & hyperactivity, hyperactive children, 55:2529
evaluation of experimental data on stereotyped body rocking due to spontaneous fluctuation, institutionalized mentally retarded children, methodological note, 56:2516
evaluation of social adaptation by Adaptive Behavior Checklist, tool for prescriptive remediation, institutionalized mentally retarded children & adults, 56:1200
evaluation of taped pretherapy speech of "s"-defective children & subsequent unknown inclusion vs exclusion of targets in articulation therapy caseload, habituation & sensitization to speech errors as measured by posttherapy evaluations, graduate student clinicians, 57:13361
evaluation problems, residential treatment in child welfare, 54:6121
everyday life & daily routine, young deaf children & their families, book, 56:8240
evolution & role of UNICEF, India , 55:1107
exaggeration & lying in classroom, disadvantaged black child, recommendations for teachers, 54:4042
examination procedure, rating behavior in communication & adjustment & learning skills, deaf-blind children, 54:5599
examiner characteristics, test performance, children, literature review, 53:4275
exogenous development of brain damage in parents of brain damaged children, 54:12120
expectations of significant others, lifestyle, blind children, 57:3708
experiences of children in residential psychiatric unit of Menninger Clinic, care & educational needs & problem behavior & relationship with staff, book, 53:8178
experimental analysis & theory of stuttering in children & development of program employing behavior management principles, 57:8510
experimental reading instructional program, retarded & learning-disabled children, summary of research activities, 53:6225
exposure to detrimental experiences in school, vulnerable children, 53:6183
exposure to TV, family & peer adjustment, Icelandic children, 57:2986
externally vs self administered tangible vs social reinforcement, durability of behavior change through posttreatment extinction & generalization phases, children, 56:8382
extradimensional training, stimulus generalization, severely educationally subnormal children, 54:5567
extrapolated IQs for WISC revised version, gifted & mentally retarded children, 54:1422
extrathecal cerebrospinal fluid shunt procedures, skull changes & intellectual status between 2 & 12 yrs, hydrocephalic infants & children, 58:5978
extrinsic positive reinforcement, intrinsic interest decrement, children, test of overjustification hypothesis, 58:9223
eye movements & information processing, mentally retarded children, book, 54:9958
factor analysis of test battery results, differentiation of organic psychosyndrome resulting from childhood brain damage, possibly vs diagnosed brain damaged vs normal children, 55:10162
factor analytic study, solving behavior on WISC subtests, "risk children" with brain damage & possible & no brain damage, 53:7744
factor structures of item responses, Raven's Coloured Progressive Matrices, normal vs educable mentally retarded children, 53:2152
factor study, B. J. Cratty's body perception test, children classified as educable mentally retarded or developmentally disabled, 58:5626
fading vs nonfading procedures, simple reading-vocabulary acquisition, nonreading retarded children, support for attention hypothesis, 57:4426
failure & failure plus ego-involving instructions group, sensitivity of State-Trait Anxiety Inventory for Children to anxiety changes, emotionally disturbed children, 54:11956
failure attributions & sex, social cues in children's interpretation of evaluative feedback & learned helplessness, 57:9938
failure to learn, children, 54:4224
familial demographic characteristics & behavior, boys showing cross-gender behavior vs boys showing typical gender/role behavior & their families, 57:12673
familial support structure in task situation, mentally disturbed vs cardiac impaired vs normal children & parents, 58:11784
family & parent-child relations, children with chronic diseases or epilepsy, 54:5592
family adaptation to severely mentally retarded children, 58:5616
family characteristics & genetics, alcohol & nicotine & sex differences as factors in moral disorders, children in corrective institutions, Czechoslovakia, 54:1361
family dynamics & learning disabilities, children, 54:3432
family influences, onset & maintenance of enuresis, children, 53:7499
family life with disabled child, book, 55:12360
family patterns & genetics, specific reading disability, children & their families, 56:6229
family physician as source of continuing guidance & help with problems, parents of autistic & schizophrenic & brain damaged children, 56:10405
family role as social institution, learning disabled children, 54:1429
family separation, group day care program, children, 53:4990
family size & birth order & sibling separation & crowding, academic achievement, girls vs boys, 58:6278
family structure & social class differences & education practices & discipline techniques & parent-child relationship, socialization of children, 56:3901
family structure & warmth & decision making processes, reflective intelligence, children, 53:9287
family system stress & mother's coping skill & child's behavioral style & sex, vulnerability of children to accidental injury, accident-involved vs accident-free children, 57:6175
family verbal interaction patterns, parents & their child with behavior problems seeking counseling vs normal families, 58:5577
fantasy & fear of infanticide, child, case report, 53:5464
father absence & maternal employment, intellectual & moral & sex role development, children, 58:9218
father absence, semantic style & mother-son interaction, 5–12 yr old black males, 53:9307
fear of future & loneliness & survival guilt toward family members, oppression suffered during holocaust, child survivors, 53:5509
feeding problems, problems with nutrition & speech & dental development & social & emotional relationships, children with neurodevelopmental delay or disorder, 57:1496
film of handicapped children in police-oriented situations & investigator-designed programed booklet, attitudes toward handicapped children, law enforcement community college students & Ss in inservice training program, 56:3005
financial & community assistance & father's social life & lifestyle & effect of marriage dissolution on children, families headed by fathers, Canada, 57:5703
findings of Joint Commission on Mental Health of Children in 1969, community programs for child mental health, 56:6482
flickering light, development of frequency-power spectra of evoked & background EEG, 2 mo to 14 yr olds, 56:1934
focusing attention & application of newly acquired skills, teaching basic skills to learning disabled, 54:8428
formal psychometric testing vs rating scales vs direct behavior measurement methods, effects of psychoactive medication, children with learning disabilities, 53:10088
formulation of classroom questions, suggested teacher techniques & relationship to child's mode of thinking, 57:13841
foundations of sympathetic treatments of childhood emotional disorders in 18th & 19th century, F. A. Mesmer & J. M. G. Itard, 53:12118
framework for development of therapeutic group activities, deviant behavior & self esteem, emotionally disturbed children, 57:13412
freedom & control as exercised by parents & teachers vs peer relationships, self concept development, children, 57:8017
French proverbs illustrating attitudes toward children, 19th century to present, 57:3053
frequency of minor physical anomalies, hyperactive male children, 58:3632
Freudian analysis, childhood fantasy of male maternity, 54:9813
functional bladder capacity & fluid retention training & classical conditioning, enuretic children, 55:10378
"gatekeepers" provided by mental health & health service industries, mental health of children & adolescents, 55:10452
gender identity & role & activity preference & treatment intervention techniques, behaviorally feminine male child, 53:11828
gender identity development & sex behavior, children with bilateral cryptorchidism, 53:12010
general systems theory approach, diagnosis of emotional & behavioral & learning disorders of childhood, 58:9828
generalized imitation as behavior therapy technique, frequency of imitative behavior, moderately to severely retarded children, 57:1644
genetic & constitutional factors & early experience, risk & mastery, children, 53:4858
genetic analysis, analytical spatial ability on Raven's Progressive Matrices, family members, 53:504
genetic factors & family dynamics, mental deficiency & behavior disorders in children, 54:12087
genetic factors, hyperactive child syndrome, 54:12107
genetic vs no counseling, parents of children with cleft lip or palate, 53:10239
geographic mobility & expectations, referrals to child guidance clinics, children of military families, 54:7815
geometric form perception in recognition tasks, mentally retarded vs normal children, 53:3456
geometric illusion susceptibility, children vs adults equated on macular pigmentation from "carpentered" vs "uncarpentered" environments, Ghana, 57:11940
glycerine suppositories for discrimination control of rectal pressure & positive reinforcement, encopresis, children, 55:5081
goals & management, residential school for maladjusted children, 53:8378
graphic & index & matrix & statistical sociometric analyses, group residential treatment home, socially & emotionally troubled children, 54:3950
group administration of L. Duss's "Method of Fables" test, utility as screening device for affective disturbances, 8–21 yr old females, 58:8666
group counseling, death anxiety, children with cancer, 58:7896
group counseling procedure stressing use of learning theory principles, parents of hyperactive children, 53:12293
group instruction in behavioral vs Adlerian approach to child discipline, behavior change, mothers & their children, 55:9599
group kinetic psychotherapy goals & techniques & effectiveness, children, 53:10204
group therapy, community formation & problem solving, institutionalized children & adolescents, 53:7976
group therapy sessions, parents of children hospitalized with intractable asthma, 55:1004
group training of parents in behavior modification principles, behavior modification, mentally retarded children, 53:7982
growth of differential treatment of education in US, vulnerability of black children, 53:6097
GSR orienting reflex, measurement of tactile sensation & perception, institutionalized retarded children, 54:3410
guide for locating educational & treatment resources for handicapped children, 58:8403
guidelines for clinical pharmacological management, hyperactive children, 55:2699
guidelines, identification of children with language handicaps, school nurses, 53:3465
habituation, stimulus bound behavior in concept formation, minimally brain damaged vs cerebral palsied children, 55:10134
haloperidol, hyperactive children, 54:3655
haloperidol vs Tacitin, symptom reduction, children with Gilles de la Tourette's disease, 56:4527
happiness & psychosomatic complaints & health & meaningfulness of life & marital satisfaction, parents vs nonparents, criticism of instinct theory of procreation, 54:9530
head injuries, immediate & short-term & residual neuropsychological status, children, 53:3500
head measurement & growth, children of low birth weight, 54:5017
hearing impairment, psychological development & educational achievement, children, literature review, 58:9769
helper-judged frequency & discomfort values for potentially challenging interaction with maladjusting school children, nonprofessional child aides, 55:1478
high school students as speech assistants, residential school for blind children, 54:6329
high verbal–low spatial ability & high spatial–low verbal ability profiles, response to social reinforcement, children, implications for teaching, 54:12522
high- vs low-percentage reinforcement schedules, rate of leverpulling responding in free operant paradigm during acquisition & extinction, children, 57:9529
high vulnerability to suicide & prevention, youth, 55:12475
histopathological distribution of intracranial neoplasms, children, North America vs Europe vs Africa vs Asia, 58:5667
historical survey of chimpanzee research, prosthesis of communication deficiencies, retarded & deaf children, 54:3536
history & advantages for treating children & principles for change, behaviorally oriented treatment procedures, 58:5875
Hoffman Learning Problem Indication Index, identification of learning disabilities, children, 54:4276
home environment, etiology of psychosocial dwarfism, emotionally-labile short statured children without evidence of heredity or organic disease, 58:7753
home environment tobacco smoke, respiratory illness, children & adults, 53:3478
home environments & mother–child interactions, language-delayed children across all socioeconomic strata, 53:7059
homicide by children, literature review, 53:5597
hospital as source of emotional disturbance, physically ill children & family, 54:3498
houseparents' expectations, behavior, institutionalized blind children, 54:3954
House-Tree-Person Test as diagnostic tool & diagnostic discrimination of regression in schizophrenia, schizophrenic & normal adults & children, 58:1303
human contact & interaction & affection deprivation, children, 54:781
human figure drawings, mentally retarded vs brain damaged vs normal children, 54:9959

hyperaminoaciduria, children with psychiatric disorders, 57:3460
hyperkinetic children in psychopharmacologic therapy, 8–10 yr follow-up, 53:10110
hypnosis, night terrors, child, 57:4030
hypnotic suggestibility vs other methods of isolating emotionally-prone asthmatic children, 53:5806
hypnotic treatment in childhood, 57:4024
identification & educational assessment of mentally deficient children & preschool programs & parent education, book of lectures, 57:6936
identification of health variables, detection of children in adverse situations & health care prevention services, book, 54:7971
Illinois Test of Psycholinguistic Abilities scores & proportion of learning disabilities, children with petit mal epilepsy vs mixed seizures vs nonepileptics, 58:7784
illness-related disturbing experiences in hospital, emotional & affective & psychological responses, children & their parents, implications for management of acutely anxious child in biological or surgical crises, 57:13418
illustrations in children's textbooks as motivating factors, ability to decode, research review, 56:8654
imagery & concept learning, reply to J. M. Mandler's criticism, 57:7993
imagery & verbal mediation, memory processes, deaf vs hearing children, 58:11944
imipramine, pathological separation anxiety, children, 55:5146
imipramine vs psychostimulants vs vitamins vs behavior therapy, children with enuresis, 57:10669
imitation in language acquisition & training, implications for intervention deficient children, literature review, 58:6365
immediate recognition of letter trigrams, slow-learning vs normal children, 53:5661
impaired vision & hearing & weak intellect & emotional disturbance as causes, nonspecific reading disability & opthalmologic treatment considerations, children, 55:4863
impediments to mothering due to drug addiction, childhood origination of developmental problems & subsequent vulnerability to drug addiction, 55:4804
implementation of regulation limiting parental & medical discretion in commitment to psychiatric hospitals, right to object to hospitalization, children, 58:8136
implementation of recommendations regarding minority children by Joint Commission on Mental Health of Children, 1969, 56:6500
importance & difficulty of listening to & helping dying children & their families, 53:5724
impoverished vs advantaged background, culture-free nature of Raven Progressive Matrices, Italian children, 54:5093
impulsive vs reflective cognitive style, internal vs external locus of control, emotionally disturbed boys, 53:11858
incidence & contributing psychogenic factors & care given by parents, diabetes mellitus, children, 54:5655
incidence in psychic & psychosomatic & physical illnesses, children of foreign laborers vs German children, 54:888
incidence of excuses used between intake telephone call & clinic appointment, prediction of dropouts, adults & children in mental health training project, 56:1168
incidence of neuroticism, mothers of problem vs diseased vs normal children, 55:4781
incidence of psychopathology, hospitalized 5–12 yr olds referred vs not referred for psychiatric consultation, 55:4667
incidence rate of benign epilepsy of Ss with centrotemporal EEG foci discharges, 0–15 yr olds in Sweden, 57:3691
inclusion in treatment programs & emotional problems, children of alcoholic parents, 53:3553
Indian traditions & culture & language & self image, counseling American Indian children, 54:6430
individual & family psychodynamic contributions, childhood learning disabilities, significance for psychotherapeutic modalities, 57:12998
individual & group achievement tests, prediction of achievement with Leiter International Performance Scale, deaf 10–16 yr olds, 56:37
individual differences in acquisition & stimulus generalization & extinction in go-no-go discrimination learning, institutionalized & noninstitutionalized severely retarded children, 55:12505
individualized prescriptive teaching program based on task analysis program, reading & mathematical concepts & linguistic development skills, institutionalized retarded children, 58:6376
influence of childrearing practices & parental inconsistency in adhering to established rules & insufficient dominance over offspring, development of inadequate coping mechanisms & subsequent psychosomatic complications, children & parents, 56:932
informal diagnostic techniques for assessing children's learning disabilities, 55:7389
informal education of children, people of Ponepe, 55:4366
information-processing model of learning, problems of learning disabled child, 58:5615
informing parents of fatal diagnosis in their child, situational considerations & further counseling & informing child, 53:6002
initial instructions vs repeated verbal & gestural cues, imitation patterns, 5–20 yr old speaking vs nonspeaking mentally retarded, extension of interchange hypothesis, 56:10150
initiation rituals, groups of children & young people, 54:988
inservice teacher training in summer program for severely handicapped, recreational experience & neurodevelopment & educational assessment & speech & language evaluation, severely handicapped children & teachers in training, 58:8179
insight into own use of information & professional role & characteristics of target decision to accept applicant to school for trainable retarded children, school administrators & teachers & psychologists & community clinical psychologists & child care workers, 58:12706
institutionalization, intelligence scores, emotionally disturbed children, 58:10056
institutions for training & education, mentally retarded children, India, 53:12526
instruction & language development, hard-of-hearing children, 55:10977
instruction on hypothesizing & evaluating defining attributes, concept attainment, children, 58:11462
instructions & social cues, outerdirectedness formulation of retardate problem solving, retarded & normal children, 57:3629
instructions &/vs modeling &/vs role playing &/vs social reinforcement, acquisition & retention of cooperative behavior, young boys, 58:3137
integrated vs segregated summer camps, social interaction, physically handicapped children, 55:908
integration in regular class with normal children, mentally retarded children, 53:12536
integration of mentally retarded children into community & public schools, public attitudes toward mentally retarded children, 54:9480
intellectual ability & school achievement, hyperactive children & classmates & siblings, 53:5751
intellectual characteristics, school-labeled learning disabled children, 58:7733
intellectual functions, congenital infantile hypoacusis, 53:3523
intelligence & creativity & waiting ability, young children with vs without imaginary companions, 57:2987
intelligence & mental age, hypothesis behavior & use of feedback in problem solving, normal & retarded children, 54:3450
intelligence & personality traits & self concept & family background & sex role preference & attention & development patterns, children of schizophrenic mothers at risk for emotional disorder vs normal Ss, 58:5509
intelligence, reading preferences, children, literature review, 54:6158
intelligence, 6–31 yr olds with Turner's syndrome, 58:9768
intentional free paced learning of word pairs, normal vs retarded children, 54:7886
interaction between left & right central organizations & social pressures, left orientation of drawings, children & adults, 55:2163
interaction of environmental & situational variables & individual characteristics, teaching children with learning disabilities, 57:6697
interdisciplinary approach using behavior analysis & comprehensive description, social planning for children with developmental disorders, 53:3559
interdisciplinary day treatment program, emotionally disturbed & behavior disordered children, 54:5698
interdisciplinary treatment approach, rehabilitation of children with laterality problems, 57:3756
interfamily method to control bias, relationship of birth order to intelligence, children at 3 age levels, 57:945
intermittent timeout, reduction of "out of seat" behavior in classroom setting, severely retarded children, 58:12127
intermodality relationship of auditory & vision perception, developmental aspects of information processing in CNS, 57:12481
internal locus of control expectations & beliefs, Rotter's Internal-External Scale, 5–15 & 16–25 & 46–60 yr olds, 53:5365
interpersonal behavior constructs as revised approach to defining dyadic interaction styles, videotapes of cerebral palsied & nonhandicapped children in play & therapeutic sessions with their mothers, 54:10051
interpersonal experiences, development of vicarious emotional responsiveness, children, test of classical conditioning explanation, 55:7050
interpersonal process recall with stimulation by videotape vs audiotape & verbal discussion, verbal interaction with retarded child in short term family psychotherapy, parents, 55:5032
interpersonal relations patterns, families with retarded children, 54:7913
interruption of behavioral chains & differential reinforcement, modification of seizure disorders, children, 54:3560
intervention by developing social & cognitive competencies, children at risk for behavior pathology, 57:8581
intervention paradigm employing behavior modification & directive counseling & modeling techniques, reduction of "blindisms", blind children, 57:10861
intervention program, children at high risk for development of mental retardation, 58:5983
intimate friendship, kibbutz vs city children, 56:7722
intra- & interindividual differences, reading abilities, partially sighted children, 55:4932
intra- vs extradimensional conceptual shifts with same vs different materials, learning rate, 5 & 7 & 11 & 15 & 22 yr olds, 53:2856
intuitive & statistical procedures, construction of content scales using Personality Inventory for Children, 5–16 yr olds, 55:50
involvement of parents in educational programs for exceptional children, 54:12604
involvement of parents, sex education programs for handicapped, 54:12605
IQ & reinforcement ratio schedule, resistance to extinction, mentally retarded children, 56:2512
IQ correlation, children with Down's syndrome & normal 1st degree relatives, 57:10569
IQ vs MA, prediction of learning rate for dimension-abstracted oddity task, mongoloid vs nonmongoloid retarded 7–20 yr olds, examination of E. Zigler's & M. Weir's opposing hypotheses, 55:4870
irritability & aggressiveness & impulsiveness & psychomotor instability, etiological relationships & value of antiepileptic treatment of symptoms, 5–16 yr olds with behavior disorders, 55:7335
issues & problems related to psychological diagnosis of mentally retarded children, 58:1400
issues in etiology & diagnosis & treatment, hyperactive children, 58:5718
issues in field of children's minimal brain dysfunction & hyperactivity & learning disorders, 58:5459
issues in use of pharmacological treatments, learning disabled children, 58:9978
item analysis of Stanford-Binet Intelligence Scale performance & validation of differences, average vs bright 5–15 yr olds, 58:106
juvenile suicide as disturbance of communication between parents & child, transactional analysis experience & therapeutic aim of uncovering pathological family interactions, 54:1369
Katz-Zalk Projective Prejudice Test, measurement of racial attitudes, children, 56:1670
KeyMath Diagnostic Arithmetic Test vs California Arithmetic Test, evaluation of learning disabled children, 54:5575
knowledge & acceptance of culture & language by child care personnel, upgrading of child care, minority Spanish-speaking children, 54:5135
knowledge about genital differences between sexes & sexual intercourse & birth, children, literature review, 57:2855
knowledge of definite & indefinite reference, semantic acquisition, children, book, 56:7654
knowledge of own language, relation to production & comprehension & judgment & correction performances in language, children, 54:11392
knowledge of results, motivational effects on rotary pursuit performance, educable mentally retarded vs normal children, 56:10139
labelee & labeler & labeling situation as predictors, discrepant labeling of amount of children's antisocial behavior, boys & group leaders & nonparticipant Os at recreational community agency, 57:8450
labeling, self-concept & expectations, retarded & disadvantaged & deprived black children, 53:1318
lack of vocabulary & use of tactile-kinesthetic & tactile-motor means of communication, learning behavior, deaf-blind children, 54:6330
language & cultural problems, educational counseling & use of behavior modification & Adlerian techniques, Chicano children, 54:6408
language abilities & short term memory & outerdirectedness & intelligence & hypothesis testing, concept attainment skills, mentally retarded children in special classes, 58:7731
Language Behavior Rating Scale, teacher assessment of receptive & expressive language, young multihandicapped children, 55:13557
language deficit & learning problems, culturally disadvantaged children, 54:7909
language development pattern, operational level of thinking, children, 54:9341
language instruction objectives & procedures, 2 hearing-impaired children, 55:10986
language insufficiency, retarded children, literature review, 53:5672
language teaching strategy, retarded children, 53:6216
late Roman & early medieval to middle-class 19th century history in Europe & America, childhood, book, 53:9
lateral & up-down mirror image discrimination, learning rate & reversal & indication of stimulus control, young children, 55:3726
lateral preference & unimanual motor speed & RT to lateralized stimuli & dichotic ear advantage, minimal brain damaged children, 58:5650
lateralization & localization for language representation, aphasia in left handers vs anomalous dextrals vs aphasia in childhood, 56:911
lead poisoning, cognitive functioning & activity level & neurological development, children with elevated lead levels, 56:8255
leader roles & functions, group counseling, parents of mentally retarded, 53:6005
learner's cognitive style & free recall learning task presentation style, optimal learning, compulsive vs reflective children, 55:1869
learning disabilities in children, conceptual issues & review of recent research, 58:5642
learning environments, social behavior, 3–11 yr olds of six cultures book, 54:786
lecture vs lecture plus active participation in group learning experience awareness of feelings & behaviors of children with learning disabilities, teachers & parents, 56:4796
legal & educational consequences of intelligence testing movement handicapped & minority group children, conference proceedings 57:11758
legal challenge to religious & racial discrimination in New York City child care system, 53:8070
legal issues in child custody contests & determination of visitation rights, case report of divorce effects on child, 56:2243
legal rights & juvenile courts & class & race prejudice & criminal processes, children, 54:2854
legal rights, minors committed to mental institutions by their parents 58:8147
legal rights to refuse commitment to mental hospital or treatment, children, 58:10104
legal status of exceptional children as defined & interpreted in case law court actions & legal issues & significance for special education 57:10170
Leiter International Performance Scale & Raven Coloured Progressive Matrices, rough screening & intellectual classification of deaf children, 55:11030
length & grammaticality & meaning of commands, free responses & command comprehension, children, partial replication of study by Shipley & Smith & Gleitman, 57:943
length constraints & reduction rules & holophrastic processes, word combinations, children, 53:2823
length of symptoms & incidence of encephalopathy & characteristics of "attacks" & symptom remission, children hospitalized for hysterical syndromes, followup study, 57:10505
letter frequency & sound & word familiarity, lexical decision task performance, adults vs children, 58:6831
lingual protrusion lisp vs multiple articulation errors, psycholinguistic abilities, children, 57:3654
linguistic & cognitive development interrelationship, language, children, 53:4934
linguistic ability, relationship between memory span & language production, retarded children, 54:3447
linguistic competence, psycholinguistic properties of reading & oral language comprehension, children, 58:9296
linguistic development level & stimulus string structure, comprehension of telegrahic vs expanded utterances, mentally retarded vs normal children, 56:8212
listening to voices of institutionalized children with Down's syndrome, perceptions of age & sex, college students, 56:10143
live vs film models, establishing imitative vocalizations, nonlanguage children, 55:12690
location & distance estimates of arm movement, blindfolded normal & autistic & congenitally blind children, 54:7740
locus of control, anxiety, emotionally disturbed children, 53:7553
locus of control, implication for special education, mildly retarded children, 54:4199
"lost-letter" technique, measurement of sympathy toward handicapped children, 53:5064
low-cost 1-way vision screen, observation of children in child guidance clinics, 53:6080
Lowenfeld World Technique, assessment of personalities & adjustment problems of deaf & partially hearing children, 55:5689
lowering of reinforcement density in presence of 1 stimulus following barpressing on multiple VI schedule, response rates to both stimuli & interresponse times, children, discussion of behavioral contrast & frustration effect, 55:191
MA, moral judgment & cognitive performance, cultural-familially retarded vs nonretarded children, 54:9978
Mager's behavioral objectives as applied in affective domain, gifted children, 55:12293
maintenance of attention in retarded children, curriculum suggestions, 58:2175
malnutrition, mental development, children, literature review, 54:3475
management of dying children, contributions of psychologist to team of tumor experts, 53:5718
managerial systems & worker motivation & worker-child relationships & program characteristics, child care workers in residential treatment centers for emotionally disturbed youth, 57:1762
marital adjustment of parents, length of time of residence in home, severely mentally retarded children, 55:7399
marital relations & divorce rate, parents of children with spinal bifida, 54:1484
marital unanimity & communication & patterns, childless couples vs couples with children, 58:978
matching & mismatching characteristics of test & criterion, educational measurement, black children, 53:6265
Matching Familiar Figures Test evaluation, conceptualization & operationalization discrepancy of J. Kagan's reflection-impulsivity, children, 53:3118
materials used & projects created, art program, visually impaired multiply handicapped children, 54:6346
maternal attitudes, developmental pseudobackwardness, 3–10 yr olds & their mothers treated by analysis, 57:7868
maternal behavior, importance of words & actions & acting out in treatment & resocialization of children with violent behavior problems, 54:8144
maternal childrearing attitudes, developmental growth, deaf-blind rubella children, 55:7459
maternal effects, psychoticism & extraversion & neuroticism, mothers & maternal grandparents & children, 53:507
maternal employment, personality development & adjustment & academic achievement & aspirations & sex role perceptions, children, review, 55:9506
maternal labeled vs unlabeled social reinforcement, game performance, lower & middle class children, 57:8196
maternal linguistic input, linguistic development, Spanish-speaking Down's syndrome & normal children, 54:12090
maternal pathology & child disturbance, black ghetto working & middle class mothers, 56:8149
maternal perceptions of children & mother-child interaction during play, normal vs noncompliant vs learning disabled children & their mothers, 56:6115
mathematical group & invariance theory, formulation of perceptual schema of children, 53:4852
McCarthy Scales of Children's Abilities vs Stanford-Binet, black & Mexican-American & Caucasian children, 53:4282
meaningless geometric figures of varying difficulty, short term memory performance, mentally retarded children, 57:10567
media stimulation using live & prerecorded video systems, self-image, retarded children, 53:10515
medical & psychological aspects of orthodontics, children & adults, book, 57:6472
medical & psychological methods in treatment of maladjusted children, literature review, 53:5818
medical & social & educational aspects of mentally handicapped children, textbook, 57:5946
medical viewpoint, birth control & abortion & medical & psychological diagnosis, child care in US & Great Britain, 54:3525

medical vs psychological vs educational approach, assessment & intervention & evaluation for learning disabled & behavior disorderd children, 57:3764
medical vs social vs medical-social information through social worker, physician-patient relationship, families of children referred for diagnosis of possible cardiac disorders, 58:5991
megavitamin treatments, learning disabled children, 57:4009
memory task difficulty, subsequent locus of control factor of helplessness, high vs low helplessness hospitalized emotionally disturbed children, 55:7279
mental development, phenylketonuric children who were on vs off their special diet after age of 6 yrs, 57:3669
mental health & behavior problems, wives & children in suburban commuter vs urban house & high-rise apartment residential areas, 53:3301
mental health interventions & consultations, adaptation to treatment for end-stage renal disease, children & adolescents, 58:5960
mental health of children, findings & recommendations from Joint Commission on Mental Health of Children, 54:3785
mental retardation labeling, social competence & interpersonal attractiveness ratings of retarded vs nonretarded children & social distance placements, clinical practicum graduate students & mothers, 58:5634
method for psychodiagnostic interview & evaluation, troubled children & adolescents, book, 58:9821
method of discipline & timing of punishment & immediacy of test for resistance to temptation, acquisition & resistance to temptation, children, 57:1012
methodologies in evaluation research & accountability, child welfare, 54:6074
methodology for observating developmental sequence of ordination before cardination in number concept development, note on alternative to C. J. Brainerd's procedures, 56:7687
methods of conducting initial interview & usefulness of therapeutic contract, families with learning disabled child, 57:3882
methods of management, self mutilation, institutionalized severely handicapped children, 54:12021
methods of psychotherapeutic intervention, asthmatic children in residential center, 55:1150
methylphenidate & caffeine, minimal brain dysfunction, 8–10 yr old boys, 54:12283
methylphenidate & classroom behavior modification program, hyperkinetic behavior reduction, institutionalized mentally retarded children, 56:956
methylphenidate & subsequent poor vs significant improvement, visual evoked potential variability in active attention & passive observing tasks & improvement prediction, hyperactive children, 57:6396
methylphenidate & thioridazine dosages, short term memory, retarded children, 55:9247
methylphenidate dosages vs placebo, differentiation of 2 types of hyperactivity by activity level & task performance, hyperactive boys, 57:1698
methylphenidate, heart & respiratory rate & work done during rest & exercise, hyperactive aggressive males, 55:2687
methylphenidate hydrochloride &/vs thioridazine hydrochloride, outpatient hyperkinetic children, 57:6394
methylphenidate hydrochloride, psycholinguistic & motor & visual-perceptual abilities, learning disabled hyperkinetic children, 58:1703
microcounseling training program in specific counseling skills, transfer of skills to child care practices, child care workers in residential treatment center, 57:11117
Mini-Mult, use as screening instrument, parents of emotionally disturbed children, 54:3292
mirrored body image of patient & female psychotherapist, knowledge of language & expression of dissociation fears, male child, 57:10711
misconceptions & clarification of concept of learning disabilities in children & related educational issues, 58:4368
misconceptions about hospitalization & ways for staff to help cope with them, children, 56:1212
mode of stimulus presentation, acquisition & generalization of tacting responses, previously nonverbal children, 55:7482
model combining dynamic & behavioral therapeutic strategies, reconciliation of parental feelings & ability to train children, parents of developmentally disabled children, 55:7633
model of adaptive learning styles for individualizing instruction in school & at home, young children, implications for teacher training, 57:13733
model of family characteristics, problem solving behavior in families with mentally retarded child, 55:4407
modeling & general & racial-identification socialization induction techniques & amount of resources, sharing behavior, black children, 57:3004
modeling procedure, use of grammatical structures, language, handicapped children, 55:7690
modeling variables & procedures, socially withdrawn children, 53:7959
models & techniques, applied learning principles of child behavior, book, 53:337
models displaying varying degrees of task analysis & individual vs group training, immediate & retention test performance, children, applicability to classroom teaching, 57:7468
modification of adult attitudes & knowledge, enhancement of child's speech & social development during adult-child interaction, nurses & children, 58:9222
modification of conceptual tempo, test behavior, educable mentally retarded boys, 55:8314
modified time out procedures for parental use, control of tantrum behaviors in public places, retarded & brain damaged children, 57:1648
modified word association task, development of semantic differential scales, deaf children, 53:7739
moral & legal rights for children, 54:9477
moral development, minority ghetto children, 55:6850
moral maturity & cognitive reasoning levels & MA & CA, moderately vs mildly retarded vs nonretarded 4–69 yr olds, 58:3583
morphological analysis, Sceno-Tests, emotionally disturbed vs normal children, 54:12010
morphological evolution of somesthetic evoked potentials in parietal scalp, 3 day to 15 yr olds, 57:2636
Mother-Child Home Program of modeling verbal interaction, IQ, low income mothers & their children, 58:846
mother-child interaction & nuclearity of interaction & extended family pattern & stability & composite risk factors, incidence of illnesses, young Apache children, 58:968
mother-child interaction, mothers & their cerebral palsied children, 53:9945
mother's sensitivity to child's symptoms, utilization of pediatric services in prepaid child health care plan, student families, 57:8820
motivation & need & psychodynamic aspects, replacement of dying child by becoming pregnant, mothers of fatally ill children, implications for psychiatric intervention, 58:5648
motive & method & biological reality of assault on younger sibling, children, 55:12496
motor & perceptual determinants of performance on Bender Visual Motor Gestalt Test & Beery's Developmental Test of Visual Motor Integration, 72–161 mo old educable mentally retarded boys, 54:9967
motor aptitude test battery & physical education program & physical fitness, academic achievement prediction & improvement, children, 55:3115
motor handicap severity, prognosis of childhood epilepsy, epileptic children, 54:7961
multidisciplinary approach for evaluation & treatment, learning disabled children, 53:11949
multidisciplinary approach to assessment of & intervention in nonverbal learning disabilities, 58:9733
multidisciplinary evaluation & care, children with visually related learning disabilities, 55:10058
multidisciplinary systems study of educational problems of disadvantaged children, physical & mental growth retardation, 55:4856
multidisciplinary team approach, rehabilitation, multiply handicapped children, 58:5744
multiple schedule, interaction of in-seat & attending responses in group contingency situation, children, utilization of behavioral stream approach, 57:8778
multiple-baseline strategies in short-term treatment, toothbrushing & academic performance, emotionally disturbed children attending summer camp, 53:10201
multivariate analysis of walking behavior, 3–20 yr old institutionalized males with Down's syndrome vs familial non-Down's retardates vs normals, 57:13009
multivariate analysis, personal independence, normal vs deaf vs educable vs trainable mentally retarded vs cerebral palsied children, 58:9624
music therapy program, comprehensive residential treatment center for behaviorally disturbed children & adolescents, 56:8527
music training program, music production skills & social development, severely & profoundly retarded institutionalized children & adolescents, 55:8306
mutual story telling technique, communication between pastor & hospitalized children, 53:6003
myths & motives & symptoms & attitudes toward suicide, young people, book, 57:12961
naturalistic observation of children's mathematical behavior, 54:7206
nature & causes & treatment, self injurious behavior, children, literature review, 54:1405
nature & functions, key motifs found in high fantasy, analysis of selected children's books, 58:9198
nature of emotional problems & family dynamics, differential treatment approaches & intervention, learning disabled children, 58:3668
nature of nightmares, children, 57:12498
nature-nurture debate, speech development stages in language acquisition process, children, 57:907
necessity of pedagogical & therapeutic relationships, institutionalized children, 54:12444
need for achievement, reflection-impulsivity, emotionally disturbed children, 58:3456
need for adjunct psychological assistance with physical rehabilitation, cerebral palsied children, 58:1524
need for methods of fostering creativity in classroom, gifted children, 58:8271
need for psychological assistance, dying & disabled children, 55:5015
need for teacher & counselor preparation to help grieving children, coping behavior of children with parental loss, 57:13560
needs & problems & education of gifted children, book of papers from 1st World Conference for Gifted Children, 57:4429
negative oedipal phase, girls 2.5–16.5 yrs old, 58:7566
neighborhood context, play facility use in multifamily housing, children & teenagers, 58:6507
neighborhood operational child advocacy program, 54:2855
nervous activity & psychological characteristics, children with delayed development, 53:7754
neuroleptic treatment of children, side effects & need for multidimensional treatment approach, 58:5939
neurological diagnosis & symptoms & treatment, children with minimal brain damage, 54:3484
neuropediatric consultation, diagnosis of deviant development, children, 53:5441
neurophysiological basis, reproduction of geometric figures, children, 54:11074
neuropsychological correlates on Halstead-Reitan Neuropsychological Test Battery for Older Children, stuttering behavior, children, 55:4887
neuropsychological impairment, children with chronic asymptomatic increased lead absorption, 54:5591
neuropsychological status, EEG ratings, head-injured & chronic brain-damaged & minimal cerebral dysfunction children, 53:3499
neuropsychological studies of children, survey & assessment, 53:3241
neuropsychological theory & Hellenic-Hebraic historical dichotomy, modern belief system typological invariances, 12 yr old to senior citizens of advanced years, 57:1031
new models & research data, propositional & syllogistic reasoning & transitive inference, children & adults, book, 55:11421
noncategorical approach, educational labeling of exceptional children, 53:4049
nonlinguistic visual discrimination, reading ability, brain injured children with cerebral palsy, 56:6287
nonreinforcing & reinforcing interaction with adult & yielding & nonyielding models, resistance to temptation, children, significance for childrearing practices & early socialization, 56:5813
nontasting gene frequency & taste thresholds for phenylthiocarbamate, Indian & Turkish & English adults & children, 53:8933
nonvocal communication development program, ability to learn selected communication skills, severely retarded children, 58:2191
noradrostenolone phenylpropionate & stanozolol, blood levels of phenylalanine & tyrosine, 4–12 yr olds with phenylketonuria, 54:10145
normality concept, evaluation of psychiatric risk threatening children, 53:5517
norms for use of "The Ladybug Man" in testing by delayed speech feedback, children, 54:10883
Northwestern Syntax Screening Test vs free speech, evaluation of expressive syntactic behavior, institutionalized educable mentally retarded children, 57:3631
number & type & capacity & organization, institutions for mentally handicapped children & adolescents, Bohemia & Moravia, 54:6126
number of different amounts of reinforcement in concurrent schedules, acquisition & extinction of responses, children, 55:8888
number of hospital admissions & surgical procedures, intellectual status, male vs female children with spinal bifida, 58:5722
number of registered criminal offenses, Danish children with schizophrenic mothers, 54:5536
nurse's role, coping with stress of injury in emergency room, children, 54:3925
observation of children's mathematical behavior, significance for curriculum planning, 54:8332
observation vs imitation of verbal response & attention & verbal behavior, acquisition of new verbal labels in classroom setting, children, 58:10349
observational analysis, speech behavior during interracial contact & communicative interference due to differing dialects, children at interracial summer camp, 58:738
observational learning techniques, social interactive skills improvement, cerebral palsied children, 57:6919
observational technique & play activity scale, behavioral measurement, autistic & schizophrenic & psychotic children, 55:4686
occupational & physical therapy test scores, children with learning disabilities associated with perceptual deficits, 56:6557
occupational therapy, development of manual skills & social integration, unteachable children & juveniles, 55:10531
occupational therapy for mentally retarded children, guidelines for occupational therapy aides & certified occupational therapy assistants, book, 58:4024
occupational therapy treatment program, cognitive-perceptual-motor development problems, children, 54:3866
odor preferences as reinforcers, mastery of mathematics tasks, learning disabled children, 58:8379
olfactory & taste sensitivity, children with cystic fibrosis, 54:3481
on-going program effectiveness evaluation method, treatment modification & staff–child communication in token economy program, 54:6105
ongoing research & issues & intervention, vulnerability to schizophrenia, children, 54:3297
open systems family model, psychosomatic disorders, children, 54:11985
operant conditioning, syndrome of elective mutism refractory to earlier therapeutic efforts, 12 yr old girl, 54:1674
operant conditioning techniques, functional language skills, nonverbal children, 54:8442
operant counting scale as methodology, clinical investigation of drug effects on children, 54:12303
operant procedures, hearing discrimination measurement, nonverbal children, 54:201
operantly conditioned imitative behavior, observational learning, severely & profoundly retarded 9–12 yr olds, 56:10123
operant-striated acuity test vs conventional picture acuity test, optometric assessment, deaf-blind children, 58:9795
operational modeling procedures, consistency between verbal & nonverbal behavior, children, 58:9457
optimism & openmindedness & vigilance about treatment & outcomes, attitudes toward self & handicapped child, parents, 58:1451
oral & non-oral representations of communication & development of social competence, mentally retarded children, 58:5610
oral movement tasks & neurologic examination & speech & nonspeech tests, identification of developmental apraxia of speech, children with defective articulation, 53:5690
Oral Nasal Acoustic Ratio, reduction of hypernasal voice quality, mentally retarded children, 53:10508
oral stereognosis scores & lingual vibrotactile threshold measurement, normal-speaking & sibilant articulation-defective children, 55:7418
organismic-developmental approach, short term training to induce cognitive development & learning from Stage I to next, children, review, reply to C. Brainerd's criticism, 55:11995
organization & administration & clinical practices, children's mental health facilities, New York City, book, 53:12297
origin & clinical picture & differential diagnosis & treatment considerations, effeminate behavior in boys, 57:1421
origin & services of Closer Look, parent information service of National Information Center for Handicapped, 54:12380
origins & application in child treatment & school settings, time-out from positive reinforcement, 53:7928
overcalculation of Stanford-Binet MAs as moderately retarded children, criticism of action concept usage by W. E. Stephen et al, 57:6119
overcorrection technique, reduction of rocking mannerisms, blind children, 57:8712
overprotective & overpossessive & authoritarian attitudes, mothers of neurotic & schizophrenic & delinquent & physically defective children, 57:12862
pain in childhood, implications for treatment, 57:3662
paired associate learning & transfer utterance patterns, children with echolalia, 58:1426
Papy-Lamon minicomputer, aid to learning mathematics, blind & visually handicapped children, 55:5653
paraprofessional programs in mental health–education setting, handicapped children, 54:11867
parent & teacher factors, sex education in childhood & adolescence, 55:10785
parent & teacher relationships & attitudes toward children, popular primary schools in 19th century, 57:9303
parent attitudes, successful integration into regular classrooms, hearing impaired children, 58:4395
parent characteristics & parent-child relations, child's dependent & independent behavior, families, 57:8099
parent counseling, role in development of programs for educationally handicapped child, overview, 57:14001
parent discussion group, children's attitudes concerning family & social relations & self concept & parents' attitudes concerning authoritarian-control & hostility-rejection & democracy, parents & children, 55:6947
parent education programs, verbal interaction, Black mothers & their 2–3 yr old children, 58:995
parent evaluation of medical social services in children's hospital, 54:10369
parent group awareness training, intrafamily communication, parents & children, 56:4454
parent involvement program for parents of handicapped children, 54:12171
parent training groups, modification of child's behavior & family interaction, families with behavior problem children, 58:12125
parent training in prevention-oriented model, child management skills, parents of retarded children, 57:10649
parent training procedures in behavior therapy techniques & use of timeout procedure & effectiveness of parent-child treatment techniques, child behavior problems & parent-child socialization problems, 57:10864
parent training program utilizing imitation & modeling & role playing, social interaction patterns, parents & emotionally disturbed children, 53:10203
Parent Training Technology System, behavior modification & development of academic & language & motor & social skills, mentally retarded & emotionally disturbed children, 53:5950
parental & family participation & involvement in residential treatment program for emotionally disturbed children, 54:6106
parental affection deprivation, adjustment, children, 54:770
parental attitudes & commercial toys & books, sex role development, female children, 53:2878
parental attitudes toward homosexuality, gender role identity, children of opposite-sexed homosexual parents, 55:7008
parental educational & occupational status & family size & mo of birth of Ss as social class traits, gross motor performance of children in special education, minimally brain injured & educable mentally retarded 8–13 yr olds, 54:1445
parental expectancies for & responsiveness to achievement, achievement motivation, minimally brain-injured & normal children, 53:7776
parental fear reactions & denial of facts of war, small children, Israel, 53:9296
parental influence, healthy personality development, handicapped children, 53:7745
parental involvement & education, primary prevention & early intervention in mental health, 54:3787
parental involvement in language development training, parents of handicapped children, 54:6337
parental involvement, management of family distress in treatment of children with minimal brain dysfunction, physicians, 53:5378
parental mental illness & genetics & familial factors, etiology of schizophrenia, 54:1317

parental MMPI scores, pathological behaviors, children of families in psychiatric consultation for child adjustment problems, 56:4226
parental motivation type & level & parental characteristics, success of educational counseling, children, 53:12558
parental personality & values & childrearing attitudes, Rorschach Test human movement responses, children, 56:9908
parental rights to confidentiality & childhood growth & change & responsibility for institutionalized minor, confidentiality of health records of children & adolescents, 54:5378
parental satisfaction with urban community mental health center, parents of child outpatients, follow-up, 53:12296
parental separation & divorce incidence, families with 2–13 yr olds with spina bifida cystica, 56:8247
parental sex & abortion attitudes & demographic characteristics, prediction of daughters' & sons' sex attitudes, college students, 58:11578
parental training program using modeling & videotape feedback of family interactions, parent-child interaction & communication, parents & children, 55:2635
parental warmth vs hostility, sex differences in achievement orientation, children, 58:11575
parent-child & child-hypnotist relations, ease of hypnotic induction, children, 56:4528
parent-child correlations for stature & weight, parents & school age children of European vs non-European ancestry, 57:7645
parent-child interactions & parent attitudes toward children, number of social behaviors & positive vs negative responses & commands & responsivity to deviant behavior, orthopedically handicapped children vs normal siblings & their parents, 57:8516
parent-child role reversal, emotional pain & hostility & suicidal threats & attempts by children, aim of treatment to provide nonfamily sources of dependency gratification for parent & child, 54:1539
parent-child separation experience, psychopatholgy, Jamaican children attending hospital psychiatry clinic, 58:11860
parent-intervention programs, educational process for handicapped vs disadvantaged children, 56:4917
parents as facilitators of artistic talent, gifted children, 58:3070
Peabody Mobility Scale, measurement of mobility, multihandicapped blind children, 54:7939
pediatric evaluation, identification of learning disabilities, children, 53:11952
pediatric psychologist's role & procedures, treatment of young hemodialysis patients, 55:12749
pediatrician's reception room variables, parental perceptions of effects on well & ill children's comfort & behavior, parents & children under 15 yrs old, 54:10052
pemoline vs amphetamine vs placebo, aggression & lack of discipline & disturbed attention & verbal production & mood & affective & psychomotor restlessness, hyperactive children, 57:10901
perception of family relationships, families with normal vs disturbed child, 56:2230
perception of role of teacher of educationally handicapped child, teachers & administrators & parents, 58:8205
perception of stimuli characteristics at various attention levels, evoked potentials, children & adolescents, 54:8960
perceptions of emotionally disturbed children's self concepts & social concepts & feelings of personal & social & life adjustment, mothers vs fathers vs teachers, 57:6011
perceptual features & semantic aspects manipulated by verbal contexts, distinguishing animate & inanimate items, children, 58:9291
perceptual-motor vs orthoptic visual training, reversal confusions in reading & writing, underachieving children, 58:2182
personal correlates, cooperative game behavior, preadolescent males & females, 53:4987
personality & attitudes & behavior, parents of stuttering children, literature review, 53:3469
personality & cognitive & emotional & social development, deaf vs hearing children, literature review, 57:3697
personality & emotions & sociocultural factors in education, economically disadvantaged children, book, 54:9469
personality & psychopathology, children, book, 53:5476
personality characteristics, children with behavior problems & their parents referred for diagnosis & therapy, 58:5589
personality development, intragroup structure & relations, children, 53:9305
personality factors & motivation, adult vs child vs adolescent epileptics vs nonepileptics, 58:3650
personality formation & self concept, black children & adolescents, implications for school psychologists & guidance counselors, 55:1558
personality inventory questionnaire, application in etopedic diagnostics, socially maladjusted youth with educational problems, 57:8362
personality inventory, resemblance to parents, 11–42 yr old male & female offspring & their parents, 54:1152
personality traits & level of mental development, town vs country 4 mo to 15 yr olds, 53:2863
phallic-narcissistic development phase & differentiation between preoedipal & oedipal aspects of phallic development, 57:8021
pharmacological & neurological & behavioral & etiological & long term treatment aspects, drugs used with minimal brain dysfunction in children, 54:1590
phenobarbital & diphenylhydantoin, severe changes in seizure patterns & development of Lennox syndrome, epileptic children, 55:4132
philosophy & methodology, psychotherapy with parent to help young child, 55:12607
phonemic processing abilities, children with phonological disorders vs phonological & syntactic disorders, 56:899
phonological errors made in spontaneous vs imitative picture naming, normal vs severely subnormal vs Down's Syndrome children, 56:4273
physical & cognitive development, children of low income working vs nonworking Black mothers, 8-yr followup, 58:7149
physical & mental reactions during & after horsebackriding, physically handicapped children, 55:2541
physical & psychological health & development assessed through interviews with mothers, children with alcoholic vs nonalcoholic fathers, 57:10404
physical similarity between novel & training stimuli & discrimination failure vs control of discriminative stimuli associated with match & mismatch components, generalized matching behaviors, retarded children, 57:10580
physical well-being & speech & hearing & neurological functioning & motor & social development & intelligence, school readiness, children, 58:775
physically abused children, 54:1248
physiological & parental & familial & congenital sensory & early situational & residual neurological & developmental class variables, autistic-like symptomatology, congenital rubella children, 55:7477
Piagetian measurement, contributions to diagnosis & prognosis & research of children's mental development, 53:11402
Piagetian perspective on thinking & language, autonomy of intellectual development & assumptions in knowledge & development & sensation & action concepts, deaf children, 57:2977
Piagetian stages of cognitive development, model for teaching religious concepts to children, 55:4185
Piaget's model of conceptual development of space, spatial organization, perceptually handicapped children, 53:11945
Piaget's theory, implications for behavior modification with children, 53:12220
Piaget's theory of cognitive development & basic educational tenets, visually impaired children, literature review, 57:3735
Piaget's theory of number & use of class logic as basis for mathematical education, reply to C. J. Brainerd's criticism, 57:7964
Piaget's theory of number, criticism of J. Macnamara's analysis & conclusions concerning inadvisability of using class logic as basis for arithmetic instruction, 57:7926
picture memory task performance, normal vs perceptually handicapped children, 55:4922
"pivot grammar" in speech development, children, 56:5802
planning & establishment of intervention programs, development of biologically vulnerable infants & young children at risk for aberrant development, book, 58:7815
planning & operation & costs & problems of short term outreach program, severely disturbed children, 54:10329
planning for health care delivery systems for children, 54:6059
platelet monoamine oxidase activity, autistic children & preadolescents & adolescents & adults, 56:4204
play as variability training in school, preparation for nonschool world, children, 54:6284
play disturbances as precursors to learning difficulties, children, 53:7709
play, emotional development, blind children, 53:5752
play therapy, mentally retarded children, review of research, 56:4374
play vs verbalization instructions development & prior formal language training, utterance structure & purpose & length & number during mother-child conversation, mothers & their young children with normal vs delayed language development, 58:7742
playing differences, blind vs sighted children, 53:3528
poetic creativity, hearing impaired children, 56:935
polygraphic sleep recordings & EEG & psychometric tests during wakefulness, healthy 1 mo to 96 yr olds, 58:11045
portable camera blind, naturalistic observation of children, 56:1603
portable time-out room, tantrum behavior, self-stimulatory children, 53:5917
portrayal of black Americans in children's books, changes in past 10 yrs, 54:7604
positive & negative consequences & orienting responses, discrimination learning, children, 55:3732
positive reinforcement & avoidance behavior & contingency schedules, environmental maintenance of retarded behavior, children, 57:10583
positive vs negative discriminative stimulus, observing behavior, normal vs retarded children, 57:3642
positive vs negative reaction of initial person toward stimulus person, subsequent evaluation of stimulus person, girls in concrete-operational vs formal-operational stage, 55:6770
potential for self-awareness development, children, 54:5023
potential problems in helping children in residential treatment center, young professionals, 54:1203
poverty & racism, children, 54:2919
preconcepts of conservation of weight & voluminosity & density, children, 55:11928
precriterion satiation-deprivation resulting from noncontingent social reinforcement amounts & setting conditions, criterion preference-learning task performance, children, replication & extension of J. L. Gewirtz's study, 57:9511
precusors in prespeech communication acts, language acquisition, children, 56:7626
predictive validity of Wechsler Preschool & Primary Scale of Intelligence, WISC & Metropolitan Achievement & Stanford-Binet test performance, male vs female lower class children, 57:91
predisposition & contribution of chronic emotional states, development of physical illness, children & adolescents, 57:8526
preexposure to CS & amount & delay, anticipatory modification of conditioning of fear response, children, 55:5124
preinstructed strategies, reporting dichotic listening, dyslexic children, 55:12514
prenatal preventive care & early & ongoing diagnoses & educational interventions provided by Institute of Defectology, mentally retarded & other exceptional children, USSR, 58:1509
prenatal stress, academic achievement, children whose mothers had experienced Hurricane Audrey, 55:8143
preoperational & concrete & formal operational stages of Piagetian cognitive development, concept of human reproduction, children, 55:4223
preoperational & concrete & formal operational stages, cognitive development of children's dreams, 57:5577
preparatory meeting with parents prior to psychiatric hospital admission of children, information exchange & counseling & easing of parental tension, 54:12459
prepositional mediators & training distribution, long term transfer of mediational strategy in paired associate task, moderately retarded children, 57:3647
preschool & elementary & secondary educational programs, hearing-impaired children, 54:1944
presence of children, helping behavior & compliance, 25–45 yr olds, 55:9789
presence of hyperactivity, mentally retarded children referred to psychiatric clinic, 58:11923
presence of peer simultaneously performing same task, execution of simple motor task suggested by adult, children, 54:6712
presyntactic & early syntactic speech, use & frequency of word forms & syntactic structures to signal negative semantic categories, children, 58:7180
prevalence & need for cottage homes & foster parent services, kidnapped Indian children forced to become beggars, 58:1733
prevalence & prognosis & treatment, antisocial behavior disturbances of childhood, literature review, 53:5639
prevalence of hyperactivity, alcoholics & their children, significance for etiology of hyperactive child syndrome, 56:9979
prevalence of psychological disturbances, children from welfare vs cross-section homes, reanalysis of data of T. S. Langner et al, 54:1271
prevention & cure proposals, environmental stress-induced glue sniffing, children, 53:12164
prevention & early diagnosis & medical readaptation, mentally retarded children, 54:7895
preventive & therapeutic treatment & use of family therapy, children of schizophrenic mothers, 58:3696
preventive measures for parents & teachers, development of positive personality & outlook to counteract special problems due to environmental attitudes in school, epileptic children, 55:5651
primary prevention & treatment, children at psychiatric risk, book, 53:5761
principles in establishment & maintenance, token economies in therapeutic & learning situations, children, 58:1657
principles placing importance on individual clients & enduring goals as alternative to normalization principles, implications for development of community-based services for mentally retarded children, 57:8849
prior contact with E & task complexity & social reward conditions, task performance, children, 56:7973
prior descriptions & information, perceptions & word choice of describing child's behavior, occupational therapy college students, 54:3908
private tutoring, dyslexic children, 55:13486
proactive interference release procedure, encoding & differential encoding & relative dominance of encoding attributes in short term memory, young children, 58:10995
problems & counseling, children of divorced parents, 53:3625
problems & experiences & resources, parents of learning disabled children, 57:1447
problems in development of professional identity for child care worker, 55:5333
problems in evaluation of child welfare programs, 56:1180
problems in quantitative assessments, estimation of true abilities, exceptionally gifted students, 54:4252
problems in school achievement & English language usage, deaf children vs minority non-English speaking groups & review of American Sign Language research, 58:6354
problems of abandonment in hospital, children, 56:10436
problems of defining & measuring child advocacy attitudes, 57:7177
problems of parents of handicapped children, 54:12122
profile of mothers of gifted children, 55:9610
program activities, diagnosis & treatment & postdiscussion & reinforcement & behavior management, disturbed children, 56:8372
program description, education of children for environmental & social awareness, 57:13773
program plans & evaluation, learning disabled children, 54:4185
programed vs teacher instruction, learning receptive visual language, prelingually deaf 70–102 mo olds, 56:3027
programs & services, socioeconomic problems, South Vietnamese children, 55:2728
programs promoting adoptive & foster placement of handicapped children, 54:12434
progress report, implementation of recommendations of 1969 report on "Crisis in Child Mental Health", 56:6510
progressive differentiation of reproducible stereotypes & their arrangement as significant units, children's drawings as writing, 54:7191
proprioceptive feedback theory based physiotherapy methods to improve movement control in spastic children, teaching methods for self-monitoring of voluntary movements, 53:10295
protective laws of children's rights, 53:7196
prototypic model, development of instructional sequence for teaching self help skills, handicapped children, 58:10523
provision of early special education by parents, modification of environment & design of learning tasks, handicapped children, 57:13953
provision of supervised play area in visiting room of maximum security prison, play & behavior, children, 58:1804
provisions in civil law guaranteeing rights of children in disturbed family situation, US & 20 other countries, 58:11595
psychiatric & neurological evaluation, dyslexic children, 54:5584
psychiatric & psychological characteristics, 8–16 yr old male residents of child custody center, 57:12476
psychiatric conditions in childhood & adolescence, adoptees from psychiatrically disturbed biological parents, 54:7769
psychiatric diagnosis & IQ & parental separation & geographical location & family income & social position & physical well-being & classroom behavior & achievement, emotionally disturbed children in private day schools vs private residential schools vs public school special classes, 58:1307
psychiatric problems, deaf children, 54:5451
psychiatric testimony, decisions in child custody disputes, 56:596
psychoaffective needs, children deprived of families, 54:11428
psychoanalysis in understanding child, change in educational systems, 57:11205
psychoanalytic explanation, Rorschach responses, children with obsessional fears & ritualistic behavior vs normals, 54:3271
psychoanalytic interpretation, handwriting difficulties, children with dead fathers, 53:9758
psychoanalytic interpretation, theme of death of child in plays of H. Ibsen, 58:5067
psychoanalytic observations, exposure to parental intercourse, young children, 53:4986
psychoanalytic theory & continuity & multiple parenting issues, guidelines for child placement, 53:12324
psychoanalytic treatment, children with tics, follow up study after 5 yrs, 54:5995
psychoanalytical treatment approach, psychogenic abdominal pain, hospitalized children, 57:3813
psychogenetic factors & underlying psychodynamic mechanisms & structures, personality development, mentally retarded children, 54:7896
psychological aspects & immediate management by family physician, suicide attempts, children & adolescents, 58:3530
psychological assessment, children, bibliography, 56:1635
psychological assessment, minority group children, book, 53:8585
psychological consultation, communication, pediatric hospital staff & families of dying child or adolescent, 54:10375
psychological correlates, children born from wanted vs unwanted pregnancies, 55:9625
psychological disorders, crippled 5–15 yr olds with vs without brain damage, 55:9922
psychological management, conceptualization of death & family needs, parents & dying child, 53:3706
psychological preparation for renal transplant, children with renal disease & their families, 55:12754
psychological processes, role in acquisition of syntax, children, 54:11387
psychological reactions to symptoms of & medical procedures in diagnosis of neurological disorder, children with neurological problems, 57:6166
psychological tensions & aggressiveness, children's psychiatric hospital patients & staff, 57:6503
psychologist & psychomotor re-educator, cooperative remedial program, dyslexic children, 54:4203
psychometric & psychoaffective analyses, spastic vs nonspastic cerebral palsy children, 53:11990
psychoneurological learning systems, implications for intervention programs for learning disabled children, 58:9727
psychopathological ratings, electrodermal response configuration, uniphasic vs biphasic electrodermally-labile children of schizophrenic vs manic-depressive vs normal parents, 57:1338
psychopathology of mental retardation, mentally retarded children, 55:10071
psychosocial aspects, management of children with progressive terminal disease in residential program for visually handicapped, 54:3935
psychosocial stages of E. Erickson, general development & self-concept, language-disordered children, 53:9901
psychosomatic group therapy, parents of asthmatic male child, 53:3760
psychostimulant drugs, aggression & hyperactivity, laboratory animals & human adults & children, 54:5823
psychostimulant medication, motor activity & attention & cognition & social adaptive behavior, children, literature review, 58:1704
psychotherapeutic techniques & treatment outcome effectiveness criteria, obsessive children, 53:7803
psychotropic drug selection and use in therapy, chronic asthmatic children, 55:1079
punishment & medical application, moxacautery use as discriminant of personality differences, Japanese children, 53:2627
punishment effects, multiple behaviors, severely retarded child, 53:5937
puppetry workshop, communication, withdrawn children, 54:4208
pure tone hearing thresholds & auditory responses to speech & auditory training & language development, selection of hearing aid, prelinguistic hearing impaired children, 54:5641
pyritinol chlorhydrate, slowness & passivity & attention, mentally retarded girls, 54:8060

quality & fluency of verbal associations, educable mentally retarded vs nonretarded children, 54:3429
quantification & description method, clinical communicative interactions, aurally handicapped children, 53:3514
quantitative scoring procedure, evaluation of Kinetic Family Drawings, emotionally disturbed vs well adjusted young vs older boys, 58:10804
questioning & interviewing of children & adolescents by police & legal authorities, interviewee reactions & impressions & improvement of techniques, 58:7390
questioning of children & adolescents by police, anxiety-creating aspects & formulation of code of ethics, 58:7381
questioning of children & adolescents by police & legal authorities, types of situations & status & rights & age of interviewees & selection & training & specialization of interviewers & procedural methods, 58:7391
Questionnaire on Resources & Stress, measurement of family response to handicapped family member, parents of handicapped 4–16 yr olds, 56:9971
questions, time of study of narrative texts, normal & retarded children, 54:12598
race & sex & reexamination of Piaget's & Voyat's theories, developmental stages for qualitative identity, children, 55:4279
racial identification & preference & stereotyping & social aspirations, West Indian & Asian immigrants & native English children, Britain, 53:7154
random dot stereograms, clinical assessment of stereopsis, children, 56:8235
rapid iv administration of small doses of diazepam or methohexitone, EEG monitoring & seizure control, infants & school age children & adolescents, 54:8065
rapidity of aging, mortality rates, 20–64 yr old state employees in Eastern vs Western region of North Carolina, 58:9219
ratings of importance of behavioral descriptors for child mental health, elementary school teachers & special educators & parents of emotionally disturbed children, 54:9824
ratings of typicality & acceptability of sex appropriate & inappropriate play behavior of mentally retarded vs nonretarded children, teachers vs caretakers of mentally retarded children vs teachers of nonretarded children, 58:4164
rationale & techniques & material, hypnosis, hospitalized children, 55:12735
rationale & techniques of part-time therapeutic program, part time attendance in regular classrooms, children with behavior & learning disorders, 56:4564
reaction time & number of trials needed, discrimination reversal shift learning, mentally retarded vs normal children, 53:7714
reaction to & understanding of death, children, 53:7001
reactions & deductive reasoning & inclusion in planning treatment program, family of chronically ill & physically disabled child, 55:7435
reactions to psychological testing of children, parents of spina bifida vs normal children, 53:9981
reactions to specific illnesses & personality & speed of recovery & dispensing emotional aid & modification of hospital procedures, hospitalized children, book, 53:6046
reading of "Toilet Training in Less Than A Day", success of toilet training their children, parents, 56:6394
reading skills & books, therapeutic effects, disturbed children, 54:5782
rearing in institution vs by gypsy family, children, 55:9620
rearing in institutions vs foster homes vs with parents, intellectual & personality development & school performance & feelings toward parents & siblings & peers & self, 5–20 yr olds with 1 or 2 psychotic parents vs children of nonpsychotic parents, 54:5468
rearing in structurally tight vs looser communal society vs host society, acquiescence to group pressure, Hutterite 10–15 yr olds vs Mennonite vs Canadian children, 57:1051
reasons for underachievement in children & recommended teaching strategies, 58:1939
reciprocity of emotional transactions, residential care & goals & outcome, children, 53:8156
reconstruction of landscape scene incorporating size & number & perspective characteristics, evaluation of visual memory as indication of mental ability, children, 58:2515
recovery before adulthood, children with benign focal epilepsy, followup study, 54:3486
recreational activities, personality & social attributes evaluation, emotionally disturbed youth, 53:9729
reflection-impulsivity & anxiety & fear of failure, emotionally disturbed vs normal children, 57:1359
reflection-impulsivity & locus of control, persistence behavior, emotionally disturbed children, 55:838
reflection-impulsivity, reliability of Matching Familiar Figures Test, emotionally disturbed children, 53:11857
rehabilitation, physically disabled child, 53:10325
rehearsal of cumulative overt labeling in 7-position serial memory task, educable mentally retarded children, 53:10535
reinforcement as motivational technique, aspiration level & motor performance, 6–15 yr old athletes, 58:6252
reinforcement, social approach behavior, children of low & average intellectual ability, 55:12693
reinforcer stimulus, familiarization effects in discrete trial instrumental responding, children, test of predictions from orienting-response-habituation hypothesis, 56:166
relation of body-image to self-image & diagnosis & treatment techniques, disfigured children, 54:5660
relationship between imagery & concept learning, young children, criticism of E. Saltz & C. Finkelstein's examination of C. K. Hollenberg's study, 57:7966
relationship to simulation & mythomania & rarity of conversion hysteria, child hysteria, 55:9970
relationship with professionals & desirability of including parents in diagnostic & therapeutic process, alienation of parents of handicapped children, 54:12121
relationships between rich & poor countries, program to balance distribution of food resources for deprived children, 55:2224
relearning of maladaptive self concepts, children with muscular dystrophy & their families, 55:4888
reliability & validity, Cottage Life Questionnaire for measurement of social climate in residential treatment facilities, male children, 54:4471
reliability & validity of Denver Developmental Screening Test & its Dutch version, early detection of developmental problems in children, 58:10820
reliability & validity, short psychological health questionnaire for children, 55:44
reliability for assessment of behavioral changes, Devereux Behavior Rating Scale, children in residential treatment center, 55:1771
reliability of Hindi translation of W. Dennis's Uses Test, 5–25 yr olds, India, 57:4766
religious education, creative religious growth, children, 53:10417
religious education development for children, 53:1913
remedial correction by electric vibrator, mispronunciation of letter "r", children, 54:3522
remedial instructional strategies based on results of Illinois Test of Psycholinguistic Abilities, children with learning disabilities, 58:2213
remedial reading methodology, linguistic code breaking, learning-disabled children, 53:10503
removal of cortical matter & lobectomy & hemispherectomy, untreatable epileptic seizures, severely brain damaged mentally retarded epileptic 3–14 yr olds, 54:10312
reporting diagnosis of hearing loss handicap in children, impact on parents, 55:10119
research & theory, perceptual & learning disabilities in children, book, 54:1412
research evidence vs opinion of "sight" words & reading, implications for teaching, learning disabled children, 54:4191
residential treatment centers, treatment of behavior difficulties & psychic diseases, children, US & Israel & Denmark, 58:1780
residential treatment, ego status & social adjustment evaluation, schizophrenic children, follow-up study, 53:3894
residential ward environment, verbal behavior, institutionalized severely mentally retarded children, 55:2767
resolution of conflict postulates, public policy decisions concerning children, child welfare workers, 54:5125
resource guide, sex education for visually handicapped children & adolescents, book, 58:2207
response to videotaped performances of independent & dependent behaviors by children, parents, 55:12127
response-contingent ignoring & isolation administered by mothers, compliance & oppositional behavior, normal children, 57:8761
responses on parental tables of Rorschach test, young Ss who attempted suicide, 57:3608
responsibility of clinician toward dying child & his family, 53:5707
Responsive Parent training program, acquisition of applied behavioral analysis & remediation of children's behavior problems in the home, parents, 58:8012
reward alone vs with penalty, learning strategies on 2-choice size discrimination task, learning disabled vs educable mentally retarded vs normal children, implications for special education curriculum, 58:9745
reward magnitude, delay or waiting behavior, young black boys, 55:9358
reward, RT & concept attainment performance, hyperactive children, implications for effective behavior training, 55:10373
rewards vs proximity of containers, newspaper recycling behavior, children, 58:12850
rhythmic exercise in physical education, mentally retarded youth, 57:9130
rhythmic-psychomotor music therapy, children & adolescents with infantile cerebral paresis & infantile brain damage with partial developmental retardation, 54:12224
right hand graphic training activities, left handed children, 57:2882
risk-vulnerability intervention model, children of psychotic parents, 53:5451
Ritalin, visual vs auditory vs social perception, children diagnosed as psychoneurologically learning disabled, 55:12733
Ritalin &/vs token economy program, drawing & coloring behavior, hyperkinetic children, 57:13108
role change due to employment, child's self esteem & mother-child relationship, working vs nonworking mothers, implications for family counselors, 56:3916
role of classroom teacher, visual assessment procedure & techniques for visual handicaps, children, 54:8466
role of cognitive & emotional development, failure to perform normally in various task situations, learning disabled children, 58:3609
role of imitation, lexical acquisition, children, 58:9283
role of language, conservation development, deaf children, 54:12105
role of nurse as mediator, placement in regular classroom, child with leukemia, 54:10002
role of parents, intervention programs for learning disabled children, 58:10508
role playing techniques, empathy training, children, 54:7235
roles of school, moral development, children, 55:1247
sacred & profane uses of labeling of handicapped children, implications for dealing with problems of stigmatization, 58:1290
salicylate-free diet, food dye allergic reactions, hyperkinetic children, 54:3534
school & occupational & recreational therapy settings in psychiatric hospital, social behavior, disturbed children, 57:4127
school desegregation, academic achievement & self confidence & aspirations & racial prejudices, children, 54:1850
schools & crises in child mental health, 54:4206
scores on H. Clancy's checklist for autism vs other criteria, diagnosis of early autism, children with developmental disabilities, 54:7761
scores on Verbal WISC scales, blind & partially sighted vs sighted children, 56:8262
selection & counting & recording of behaviors of trainable retarded students, change in teacher-selected behaviors, 5–19 yr olds, 55:3199
selection procedures & program format, halfway house, children with learning & behavior disorders, 54:3792
selective deprivation of slow-wave & REM sleep, frequency & duration of petit mal attacks, pycnoleptic children, 58:11993
self concept, academic achievement, children, literature review, 54:1915
self concept, educable mentally retarded children residing in institution vs natural home, 58:1412
self concept, ingratiatory behavior used to enhance attractiveness to others, children, 58:11511
self disclosure, parents of stuttering & nonstuttering children, 58:1419
self hypnosis, rest & sleep & food & fluid intake & retention & tolerance during diagnosis & therapy & fear & anxiety & depression, children with cancer, 57:4022
self image & Black disadvantaged children, literature review, 58:7611
self perceived needs & satisfaction with services of community agencies, parents of handicapped children, 57:13402
self–other perceptual systems & defense mechanisms, visual afterimage perception & aesthetic experience, children & adults & psychiatric patients, 53:160
self-perceived happiness, aged & physically handicapped & mentally retarded children, 53:5659
sensorimotor & holophrastic performatives & presuppositions & sensorimotor intelligence abilities, language disabled vs normal children, 57:6117
sensorimotor training, institutionalized mentally retarded children, reply to E. Zigler & V. Seitz's criticism, 54:3437
sensorimotor training method, institutionalized retarded children, criticism of study by R. Neman et al, 54:3454
sensory stimulation, speech development, multi-impaired blind children, 53:12533
sensory-motor stimulation, handicapped children, 53:9924
separation from family milieu, identification of family dynamics, children with behavior disorders, 57:3557
separation process & value system, family placement, children, 54:2751
sequential components of overcorrection training, aggressive-disruptive behavior, 2 young male children, 58:7952
sequential vs nonsequential conditional reinforcers, picture naming task performance, retarded children, 58:9744
serum creatine phosphokinase levels, children with atypical personality development vs autism vs schizophrenia vs aphasia vs severe personality disorders vs parents vs siblings of psychotic children, 56:6113
service development & role in prototype for cleft palate children, social workers, 53:8117
service provider type & control & size & type of handicapped population, quality of provider services to severely mentally retarded & emotionally disturbed & deaf-blind & multiply handicapped children, 57:10652
services of Council for Exceptional Children's Information Center on Handicapped & Gifted Children, 54:10621
severity of child's illness, psychological functioning of child & mother & siblings, 53:5709
severity of child's illness, psychological functioning, children with diabetes & cystic fibrosis & family members, 55:10107
sex & age & type of disorder, patient perceptions of residential staff, children & adolescents, 53:8193
sex & age differences, book-carrying methods, kindergartners through aged, 57:10184
sex & ethnic group & diagnostic group, test profile & factorial structure of Illinois Test of Psycholinguistic Abilities, language & learning disabled & mentally retarded children, 58:184
sex & grade level & assignment to special education programs, reliability & comparative analysis of Coopersmith Self Esteem Inventory performance, educable mentally retarded children vs nonretarded peers, 57:9128
sex & mother's pregnancy & delivery, child psychiatric patients vs nondisturbed siblings, 53:9790
sex & similarity of diagnosis & disorder development & therapeutic outcomes, psychoses in parents & children & siblings, hospitalized patients & families, 58:7678
sex & social class & nationality & birth order & family size, children of parents who accepted vs refused treatment in child psychiatry service, 57:8612
sex & social class of model & reinforcement presence vs absence, voluntary imitation & imitative learning, children, 54:344
sex & socioeconomic status & mother's education level & self concept & concept of "ideal woman" & discrepancy between mother's & child's concepts of mother & "ideal woman", verbal & nonverbal problem solving, college students, 55:11427
sex differences & identity & sex role development, deprivation-enhancement fantasy patterns of TAT, acute schizophrenics & male homosexuals & normal children & psychotherapy patients, 54:3252
sex differences & social conditioning, reading material preferences, male & female children, 54:7601
sex differences, odor perception, adolescents & adults & children, 53:10780
sex differences, skill & chance risk taking behavior, Black vs White inner city vs White suburban children, 57:5771
sex education, blind children in residential schools, 53:6202
sex education needs & curriculum planning, visually handicapped children & adolescents, book, 58:2168
sex of child & degree of active mental disorder during & after pregnancy, mothers in Swedish mental hospital, 54:1301
sex of E & S & S's age, Rorschach responses, male vs female 4–18 yr olds, 54:11839
sex of teacher & schedule of child's correct response, responsiveness to simulated child, college students in analog social interaction situation, 58:1129
sex role stereotyping & male-female character distribution, analysis of popular & prestigious & sex-role defining children's literature, 1959–72, 58:9200
sexism in children's literature, 58:749
sexism, special education class curricula & placement & vocational training, handicapped children, 53:10513
sexual assault in childhood & psychological profile of pedophile, need for supportive responses to preserve emotional integrity of child rape victims, 57:8467
sexual bias in children's educational reading material, 54:1887
sexual knowledge & interests & pre-existing experiences, credibility of minors as witnesses in sexual crimes, adolescents & children, 53:994
sexual trauma, blind children, 55:10105
shaming process, social control & adaptation to caretakers' expectations & acceptance of psychological oppression, young children, 55:637
short term inquiry training, question-asking behavior, young disadvantaged children, 55:5482
short term memory of paradigmatic- vs syntagmatic-type word associations & relationship to reading process, educable mentally retarded & normal children, 55:13498
sibling as therapeutic aid to home parental management of child, behavioral change in child & sibling, 55:10359
sibling relationships & interaction, families with both mentally retarded & normal 7–18 yr old children, 56:8214
side effects from long term use of dextroamphetamine & methylphenidate, hyperactive children, 55:2705
similarities & differences in underlying conditions & psychoeducational repertoire, educable mentally retarded & learning disabled children, 55:5658
similarity of conversation about death in institution & family group, dying children, 54:12126
simple integration vs intensity theory, special education & optimal treatment of handicapped children, 56:6819
simple motor task performance, children with Down's syndrome vs autism vs normals, 53:9763
single & multiple training strategies, grouping-conservation framework on far transfer, children, 55:9396
single prompt with vs without monetary incentive vs 3 prompts, initiation of dental care seeking & followup visits & cost effectiveness, low income parents of children needing immediate dental care, 57:13383
single- vs double-array reception training & feedback, conceptual learning & transfer performance, children, 58:362
single- vs 2-parent families, length of hospitalization, child mental patients, 55:7746
skill of social workers, preparation of older child for adoption, 54:10325
social & developmental & psychiatric factors, early vs later nocturnal enuresis, children, 57:6054
social & economic factors & children's development & effects of stigmatization, single female-headed families with children under 18 yrs of age, 58:3220
social & family environment, young children, Yemen, 55:616
social & physical & psychological characteristics of patients with congenital heart disease, development of improved techniques of patient & parent management, 58:7786
social & psychiatric factors & fate of surviving siblings & involvement of social agencies with families & parent-child relations, murdered children & their killers, 56:10096
social casework therapeutic techniques, grief in death of parent, children, 55:1141
social class & sex & ethnic group variables, ability to delay gratification & acquisition of delay behavior through modeling & role playing, Spanish American & Anglo children, 57:12558
social deprivation & satiation, social reinforcement receptivity, children, 53:3055
social deprivation, mental retardation etiology, children, 53:11959
social deprivation, personality, children, 54:831
social development & emotional adaptation & functioning & maternal behavior, mothers of failure-to-thrive children, 54:11920
social implications, advances in treatment, children with acute leukemia, 54:12412
social influences, verbal ability, poor Mexican American children, 55:11867
social learning theory framework, effects of TV on behavior & knowledge & attitudes, children & adolescents, review, 58:5112

social outcome & mental health, children born to women denied abortion, Sweden, reply to P. Cameron & J. C. Tichenor's criticism, 57:8100
social reinforcement under simulated test vs nontest conditions, computational rate & accuracy using conventional vs Hutchings' "low-stress" algorithm, children, 58:4698
social roles & environmental factors, intellectual development, Norwegian children, book, 53:4911
social role-taking ability & preference for interpersonal control tactics, mentally retarded children, 56:4266
social status ranks of biological vs adoptive parents, IQs, Mexican- & Anglo-American children, 54:2457
social work's response to societal issues, forecasting needs of children & families in 1980s, 53:6028
socialization & children's altruistic behavior, generality of altruism across situations & age & cognitive-developmental variables of moral judgment & role taking & reinforcement & modeling, literature review, 57:8042
socialization in American Negro societies, Negro mothers & children, 54:11530
social-psychological family characteristics & therapeutic outcome, children with functional & psychogenic complaints, 55:12555
society & stress & disease, Proceedings of International Interdisciplinary Symposium, children & adolescents, Sweden, book, 55:12351
sociocultural factors, children's reading ability, literature review, 53:8342
socioeconomic & political–class conditions & reflection in consciousness, foci of Marxist-Leninist social research on youth & children, 54:7419
socioeconomic conditions & unique Maori cultural factors, school performance, Maori vs Pakeha children, New Zealand, 54:5085
socioeconomic status & age, symptom evaluation & attribution of illness, 6–12 yr old short term hospital patients & their mothers, 54:3467
socioeconomic status & intelligence, primacy vs recency effect in serial recall, inner city disadvantaged vs suburban children, replication & extension of A. Jensen's work, 58:338
socio-legal concern with special education practices, due process protection for exceptional children, 57:13916
sociopathic personality & antisocial personality & acting out aggressive reaction of childhood or adolescence, labeling & its limitations on selection of various methods of therapeutic intervention, 55:868
sociopsychological factors & family interaction, enuresis, emotionally disturbed children, 53:1409
sodium valproate combined with standard anticonvulsant drugs, convulsion frequency & alertness & school performance, children with intractable epilepsy, 54:12267
solubility & blending & flotation of bodies varying in density, children, 55:11983
sound stimuli, auditory behavior response identification & classification using videotapes, multiply handicapped deaf-blind children, 57:8567
sources of stress, mothers of spina bifida children, 54:7964
Southern black culture, WISC scores, children, 56:7761
spatial & communicative egocentrism, children vs adults vs aged, 53:11420
spatial & temporal & control variables, free-recall serial position curve, retarded children & equal mental age normals, 53:11964
spatial attribution model & visual perception, implications for study of intelligence & egocentrism & pictorial perception in children, 58:9258
special education & behavioral psychology techniques, social work with parents of retarded children, 58:1772
specialized consultation for diagnosis & establishment of positive parental attitudes, mentally handicapped children & their families, 58:3674
specific visual perceptual dysfunction, sex & class placement & age correlates, handicapped & normal children, 58:6377
specificity & associative response strength & mode of presentation & sex & order of presentation, arithmetical verbal problem solving, educable mentally retarded children, 55:12520
speech & language development & psycholinguistic abilities & phonological systems & speech therapy methods, children with XXYY chromosome disorders, 54:5610
speech & language development, children with myelomeningocele & hydrocephalus, 53:9972
speech & language development, mentally retarded children, 58:1409
speech & language education of deaf children, research & methods in USSR, 54:1934
speech development & characteristics, children with cerebral palsy, 55:7446
speech therapist role, initial assessment to development of home training programs, hearing-impaired children, 53:12036
speech training methods based on operant conditioning, imitation of verbal stimuli, retarded speech deficient children, 57:4036
speech-sound identification task, speech-defective vs normal-speaking children, 53:5689
Spiral Aftereffect Test, validity for clinical screening for organic cerebral dysfunction, male vs female 4.5–16 yr olds, 58:5719
spoken & written language acquisition, child creativity & linguistic innovation, 56:7628
spontaneous & defensive movements & perceptual maturity & difficulty & conflict areas & content analysis for scoring & interpretation, Children's Object Relations Technique, normal & psychotic & subnormal & delinquent & phobic children, 55:1775
spontaneous pictures, indication of condition of total personality & mind & body for use in diagnosis & prognosis & therapy, leukemic children, 54:5590
spontaneous play, importance in fundamental learning of handicapped children, criticism of M. D. Sheridan's article & her reply, 56:9980
Ss' meanings of "more", incorrect responses to questions about quantity differences, children, 57:902
Ss' sex & perceived sex of child, reactions to toddler's behavior, parents vs nonparents, 58:9392
stable difficulty ordering vs invariant order of acquisition, presence & absence of grammatical morphemes in obligatory contexts, nonfluent aphasics vs normal children, 53:11942
stages of children's cognitive development, guide to planned intervention by caretakers, 55:5191
stages of language development, children, 54:2693
stages of moral thinking development, selection of literature for moral education, children, 53:12403
staggered-wakening procedure, enuretic behavior modification, institutionalized children, 54:6102
standard training program, child mental health specialist, 53:11812
standardization, Japanese translation of Adaptive Behavior Scale, mentally retarded children & adults, 53:11966
standardized verbal cues, discrimination learning, institutionalized retarded children, 58:2183
statement & experience of regard & behavior experience of regard, affect relations, mothers & schizophrenic sons, 55:4786
stigmata score & paternal hyperactivity, identification of biologic subgroup of hyperactive children, hyperactive males & their siblings, 55:2538
stimulant drugs, autonomic base levels & responsivity to stimuli, normal & minimally brain dysfunctioned children, 54:1627
stimulant medication of hyperkinetic children, prevention of juvenile delinquent & adult criminal behavior, 55:2706
stimulus control feedback & task difficulty in target games, game preferences as measure of intrinsic reinforcer availability, children with mild retardation & borderline level intelligence, 57:8500
stimulus linguistic content & temporal organization, auditory short term memory, learning disabled children, 55:7402
stimulus redundancy, speed & accuracy of motor response, children & college students, 53:2289
stimulus type & mediational set, short term memory, retarded & normal children, 55:4867
stochastic mathematical model based on frequency of diagnosed psychiatric childhood disorders & distribution of intakes & hospitalization length, prediction of annual requirement of beds in children's psychiatric hospital, 54:10404
storytelling training employing modeling & token reinforcement, use of correct verb tenses & acquisition of conversational speech, mentally retarded children, 58:7963
strength & endurance & psychomotor coordination & cognitive performance, hypnotic susceptibility, adults vs children, 56:1839
stress levels & ongoing family organization & patterns of family response to stress, childrearing competence, family with normal vs retarded child, 58:965
structuration of space & learning potential, normal & mentally retarded children, 54:3425
structure in thematic picture, verbal productivity, mildly retarded & nonretarded children, 55:2510
Structure of Intellect Institute, development of model applicable to stimulate intellectual factors, 58:2046
structure of spontaneous concept formation processes, normal & mentally deficient & dyslexic children & adults, 57:12859
structured learning therapy techniques, acquisition of interview skills & S perceived interviewer attractiveness & interviewer perceived S attractiveness, lower socioeconomic emotionally disturbed children & adolescents, implications for client pretherapy training, 58:1576
structured task administration & praise, use of functional or action based concepts, educable & trainable mentally retarded vs nonretarded children, 56:2513
students' expectations of parents' behavior following children's appropriate & inappropriate behavior, male & female college students, 54:9387
study of common & differing dimensions associated with mental disorder & sex, normal & deviating American & English children, book, 57:6027
success & achievement expectancy, institutionalized severely retarded vs nonretarded male children, 57:11535
successful vs unsuccessful fading series, stimulus control, children, implications for instructional materials, 58:8786
sugar & caffeine intake & restriction, behavioral effects, learning disabled children, 57:12413
suggested allergens & conflict related stimuli, bronchial symptoms, highly vs slightly asthmatic children, 57:3693
suggestions for attitude changes, parental attitudes toward mentally retarded offspring, 58:5612
suicide, adolescents & children, review of theory & research & clinical data, 55:881
summated ratings & pair comparisons, hyperkinesis measurement, learning-disabled children, 53:5658
summer day treatment service program at Michigan hospital, 6–16 yr olds, 54:6001
surface contrasts in speech not related to adult words, children, implications for independent phonemic systems of children, 55:11956
surgery & hospitalization for esophogeal atresia, personality development, children, followup, 55:12781
survey of cognition in handicapped children, implications for educational applications, 54:7963
susceptibility to abuse & mental health consequences, handicapped children, 55:10152
symbolic interaction approach, development of child's God concept, 55:4190
symptomatological & psychodynamic aspects, clown behavior, children, 53:7868
symptoms & behavioral patterns, minimally brain damaged children, 53:12030
symptoms & diagnostic research & intelligence evaluation & special training & family education programs, diagnosis & taxonomy, children with minimum brain dysfunction, 53:1534
symptoms & etiology & treatment & management, hyperactive behavior, children, 57:6148
syntactic & functional language performance, educable mentally retarded & normal children at MA levels of 6–10 yrs, 54:1421
syntactical mediation, paired-associate learning, mentally retarded children, 53:7710
syntagmatic-paradigmatic shift in children's word associations, review of research & theory, 57:12531
system for observing & recording behavior of institutionalized children, child care workers, 54:6114
systematic assessment of spelling difficulties, children, implications for highly structured teaching approach, 58:2193
systematic observation instructions & direction of behavior change, perception of behavior change in children, adults, 58:12005
T & B lymphocytes & serum immunoglobulins, children with Down's syndrome vs normals, 56:4294
tactile input using vibro-acoustic aid as supplement to visual & auditory signal, speech reception & production, hearing impaired children in aural-oral private school for deaf, 58:10509
tactile perception ability, Southern California Sensory Integration Tests, 7 & 8 yr old educable mentally retarded, 54:12089
tactual & phonological similarity, recall of braille letters, blind children, 54:5632
tactual & visual information differences, perceptual organization, blind children, 54:7957
talk time program in university hospital pediatric ward, bedridden children, 54:10392
tangible vs social rewards vs no reward, self concept & achievement expectations & learning speed, educable mentally retarded children, implications for educational programs, 56:10149
task complexity & use of strategy instructions & partial reinforcement, concept attainment task performance, hyperactive boys vs boys with impulsive vs reflective conceptual tempos, 57:6143
task difficulty, initiation of concept formation process in nondirected situation, children, 57:964
task difficulty, pursuit rotor performance, severely mentally retarded vs normal children, 58:5601
task-oriented competitive vs non-competitive summer camp, self esteem & anxiety & use of health services, children in summer camps, 58:9459
teacher characteristics & stereotyped attitudes toward ethnic groups & academic expectations, attitudes toward & ratings of speech samples of black & Anglo- & Mexican-American children, 54:9670
teacher roles & characteristics, effective educational programing for deaf-blind children, 54:4192
teacher sex & school setting, evaluations of sex-typed behavior in children, male vs female teachers in middle & lower class neighborhoods, 54:4015
teaching mentally handicapped child, book, 53:6207
teaching methods, development of language skills, deaf children, 58:4366
teaching methods emphasizing visual vs auditory vs kinesthetic strengths vs weaknesses, word recognition & reading achievement, children with visual vs auditory vs kinesthetic strengths vs weaknesses, 53:12471
teaching methods, identification & transfer of principle, boys & girls, 53:12472
teaching methods, learning to dial telephone, trainable mentally retarded children & adults, 54:8202
teaching parents in methods of behavior modification using manuals, dealing with retarded children, 56:8393
teaching visual language, echolalic children, 53:5740
team evaluation of associated disabilities, design of educational programing, hearing impaired 1.5–21 yr olds, 56:4920
technique for development of normal language & conversation, children with language learning problems, 54:10622
techniques to assist child in appreciating distinctions between inner & outer fantasy & reality, 6.5 yr old boy, 54:5817
techniques to prepare for parental disability & rehabilitation, children, 56:6527
telegraphic vs nonreduced imitation sentences in language training, mentally retarded children with severe language deficiency, 57:13965
television, role in observational learning & instruction of children, 55:2132
television violence, imitative responses, middle-class & working-class children, 53:7108
temptation-inhibiting vs task-facilitating self instructional plans, resistance to temptation, children, 58:11411
test taking experience simulation, WISC subtest performance scores, Black disadvantaged vs White nondisadvantaged children, 57:6987
testing & teaching & prevention method, parents & teachers of children with learning disabilities, book, 54:3441
testing methods, measurement of quality of residential care for severely mentally handicapped children, 56:4566
testing the limits, Stanford-Binet Intelligence Scale, children, 58:10833
test-teach questioning strategy using multisensory exploration & discovery in learning, development of cognitive-linguistic skills, developmentally retarded children, 58:10516
theoretical considerations, modeling of children's vs adult's consumer information processing, 55:1702
theoretical framework of tasks & roles & techniques for achieving objectives, child care workers, 54:5401
theory of lexical semantics, homonemes in learning vocabulary, children, 54:11406
therapeutic & preventive use of nearpoint lenses, modifying visual behavior, children, 55:8759
therapeutic play facilities, handicapped children, 56:4584
therapeutic techniques in child analysis, 58:7878
therapists' verbalizations, outcome in monitored play therapy, children, 55:5005
therapy techniques, true & false anorexias & neurotic refusal to eat, children & young adolescents, literature review, 54:3635
threshold variations in repeated audiometric testing & impedance measurement, 5–15 yr old hearing impaired children, 54:10009
time limits & training procedures, production of original verbal images & creative imagination, children & adults, 57:12827
timeout from positive reinforcement, reduction of deviant behavior, institutionalized retarded children, 58:5883
timeout procedures, aggression toward self & others & disruptive or tantrum behavior & attention seeking & self stimulation, severely & profoundly retarded children with behavior problems, 57:8747
tints of red & values of gray on block design from WISC, motor performance, children with learning disabilities, 55:2509
token reinforcement, divergent responding as measured by Wallach-Kogan Creativity Test, average vs gifted vs learning disabled children, 57:8730
tones, changes in perception of figures, children, 57:7345
Topological Constructive System task, developmental changes in transformation of visual information according to nonverbal syntactical rules, children, 57:2900
total motor activity & speed of movement & noisiness & electrodermal activity & EEG alpha rhythm propagation time & coherence function, hyperkinetic vs normal children, 55:2533
training apparatus & procedures, long cane orientation & use, young blind boys, 54:1771
training conditions in 2-choice discrimination, establishment of dimensional mediating response, mentally retarded children, 58:10559
training experiments for cognitive impulse approach vs reflectivity, children, 54:7229
training in positive social-emotional behaviors, generalization in trained & untrained Ss, handicapped children, 57:1621
training in principles of applied operant learning, evaluation of child management course given by community mental health center, parents of behaviorally disordered children, 54:12342
training methodology, language development, severely & profoundly retarded children, 58:8374
training methods, child management & therapy, parents of emotionally & behaviorally disturbed children, 58:3709
training of parents in therapeutic work with handicapped children, 56:8392
training parents in behavior modification procedures for child management, academic behavior & achievement & attitudes & perception of parent-child relationships, parents & children, 55:5108
training procedure, acquisition & retention of object construct, institutionalized severely mentally retarded, 56:6220
training procedure, acquisition & retention of mediational strategy for paired associate learning, educable mentally retarded children, 56:6221
training specific mnemonic skills, recall readiness, educable retarded children, 56:10127
training strategy, delayed language development, children, 53:4890
translation & adaptation & subsequent reliability & validity, Peabody Picture Vocabulary Test for use with Mexican children, 57:11805
traumatic & nontraumatic effects of child's viewing parent's violent death, case reports, 54:11909
traumatic & nontraumatic parental separation, adjustment, children, 55:4410
treatment & training, distressed parent of disabled child, 53:7879
treatment combining modeling & role playing & reinforcement, changes in sharing behavior & attitudes toward friends, emotionally disturbed children, 58:12089
treatment-oriented day-school program structured with behavior modification, emotionally disturbed children, 53:5954
TV & children, book, 54:11762
TV content aggressive & prosocial behavior & social attitudes, children, literature review, 53:5263
TV sight word presentation effectiveness vs no presentation, recognition of sight words, learning disabled children, 53:12521
type of prior instruction, transfer of learning to verbal instruction, inner city students, 54:8867
types & frequency, interactions between residents & staff, institutionalized retarded children, 55:5245
types & functions & developmental stages in spontaneous play, early fundamental learning, handicapped children, 56:4160
types of mother-child interactions, prediction of adjustment & intelligence level of child, adjusted vs maladjusted educable mentally retarded vs normal IQ children, 57:3124
typical pattern of "yo-yo syndrome" & typical family pattern in parental violence, 1–17 yr olds & their parents, 58:11551
typical vs pathological reactions, neuropsychiatric complications, child burn patients, follow-up study, 53:9917

ultrasonic system & monitoring of locational changes, methods for measurement of unrestricted movements, hyperkinetic children, 53:12012
unconscious motivation, behavior, children, 54:7188
undergraduate seminar on services available for children, relation of psychological developmental theory to historical & current treatment of children, 54:10488
understanding of treatment process, continuation of child in psychiatric treatment, parents of child patients, followup, 55:2574
understanding of TV commercials, attitudes & purchase request tendencies within attribution theory framework, children, 53:5279
undistorted & filtered speech audiometry employing adult word lists, normally hearing 4–19 yr olds, 56:5245
Unified Programming Procedures, coordination of planning & implementation & evaluation of individual program plans for each student, mentally retarded children, 58:6385
universal model, understanding maladjusted child, 53:6254
unusual frontal arousal rhythm of EEG, 2–14 yr olds with organic cerebral dysfunction, 53:5758
urban traditional equipment vs contemporary-design vs adventure playgrounds, activities & interaction, children, 53:9396
use of alternative living plans for developmentally disabled children, White vs minority families eligible for services, 58:5964
use of multiple guidelines from A. Freud's Developmental Profile, determination of child's readiness for termination of psychoanalysis, 57:8660
use of single-word utterances, description of early language development, 53:7025
use of vocabulary items as sentence constituents, chimpanzee vs children, 55:531
usefulness of concept of brain damage as applied to children displaying high competence in certain areas & low competence in others, literature review, 58:1447
validity of grid technique application, measurement of S's discrimination of people, children, 54:5209
variables in cooperation during dental procedures, mentally retarded children, 54:8175
variations in treatment approaches in group psychotherapy, children in child guidance clinic, 55:2640
varied presence of reward objects & expectancy & temporal aid & attention, delay of gratification, children, 57:1248
verbal memory, mentally retarded children, 53:3428
verbal vs spatial performance & prevalence of relative aphasia, left vs right hemiplegic 3–14 yr olds, 54:3503
videotape recording in group therapy, self concepts, children with learning disabilities, 55:2614
violence in Northern Ireland, encouragement of psychopaths & of aggressive tendencies in young, 56:856
visual & temporal strategies, performance on spatial tasks of laterality & tube rotation & visual perspective task, blind vs sighted vs blindfolded children vs adolescents vs young adults, 57:6144
visual discrimination ability, diagnosis of minimal brain damage, non-defective brain damaged vs normal children, 57:1498
visual discrimination ability, 4–12 yr old minimally brain damaged vs normal children, 54:10026
visual evoked responses, children with cortical blindness following head trauma or meningitis, longitudinal study, 53:7734
visual imagery vs verbal context mnemonic strategies & age, visual vs verbal recognition in paired associate learning, children, 58:2685
visual memory aid, qualitative vs quantitative vs equivalence conservation, institutionalized retarded children, 58:3600
visual memory training using spatial grouping & schematic redundancy & external cuing, recall of random digit strings, educable mentally retarded children, 57:3623
visual monitoring behavior, oppositional conduct of children, mothers of children referred for clinical behavior problem vs nonreferrals, 58:9688
visual perception ability, performance in understanding percepts & concepts & linguistic coding auditorially, institutionalized mentally retarded vs normal children, 58:1410
visual perception dysfunction, mentally retarded &/or learning disabled children, 56:10151
visual perceptual ability & conservation development, normal children vs educable mentally retarded Ss with MA of 7–8 yrs, 55:4858
visual vs tactile vs auditory stimuli as reinforcement & schedule of reinforcement & simplicity of stimuli & control of kinesthetic feedback, acquisition & extinction of motor task, severely & profoundly retarded children, 57:13011
visual vs verbal instructions, task errors & completion, 1st & 2nd grade normal vs mentally retarded vs children with delayed development, 53:7782
visual-motor scanning & verbal monitoring strategies in training, fostering reflective problem solving style, cognitively impulsive children, 58:8290
vitamin-dependent enzyme patterns & tryptophan metabolite excretion, oligophrenic children, 53:9905
voice qualities of loudness & tempo, emotionally disturbed vs nondisturbed children, 58:7680
vulnerability to behavior pathology, school performance, children, 53:5640
wave form differences in visual evoked responses, normal vs reading disabled children, 58:5640
weekend foster home visitation, 7–16 yr old boys in residential treatment home, 54:10339
weight & height, development of abilities, children, longitudinal study, 53:840
WISC scores, differentiation of learning disabled from emotionally disturbed & normals, children, 58:1301
withdrawal of reinforcers as punishment, acquisition of discrimination tasks, children, 56:9180
within & between subtest scores intercorrelations, WISC & Illinois Test of Psycholinguistic Abilities, learning disabled children, 55:5943
women's & population movements, sex preferences for 1st & 2nd & 3rd & only child, parents & nonparents, replication of study of S. Dinitz et al, 54:961
working with & understanding young children, high school program, 54:4068
working with parents of children with learning disorders, 54:12436
World Technique of M. Lowenfeld, psychotherapy & diagnosis & assessment, handicapped children, 53:3609
written & verbal instructions, modifications of undesirable problem child behaviors, mothers, :
written vs direct instructional methods, training to use reinforcement & timeout & imitation & shaping techniques with retarded children, college students, 55:10347
X-linked heredity, manic depressive illness, parents of manic depressive children, 55:12414
Ypsilanti-Carnegie Infant Education Project, learning processes, economically disadvantaged children, 54:1943
Z dimensional vs 2-dimensional material representation, response bias & short term memory & primacy & recency effects, educable mentally retarded children, 57:6121
day residential treatment program, disturbed children, 54:6098

hildrens Apperception Test
TISC vs Rorschach vs Childrens Apperception Test vs Sentence Completion Test administration & test ambiguity & school-relatedness, test-induced anxiety, 9–10 yr olds, 54:11820

Childrens Manifest Anxiety Scale
factor invariance & construct validity, Children's Manifest Anxiety Scale, 4th–7th graders, 54:7613
normative data on Children's Manifest Anxiety Scale, 3rd–7th graders, Uganda, implication for cross cultural studies, 57:7186

Childrens Personality Questionnaire
convergent validity, Institute for Personality & Ability Testing Children's Personality Questionnaire Neuroticism score & teachers' ratings of adjusted & maladjusted students, 4th–8th graders, 54:1139
scale intercorrelations, Children's Personality Questionnaire, 4th graders, 53:6447
16PF & Children's Personality Questionnaire measurement, figural creativity & relationship to peer nominations regarding age-group orientations, 5th graders, 58:1209

Childrens Recreational Games
group kinetic psychotherapy goals & techniques & effectiveness, children, 53:10204
peer group free play vs teacher-structured game context in formal physical education periods, identification of social reality model type, 6th grade boys, 57:11496
phenomenology of jump rope games, articulation of issues in psychological development during latency period, females, 55:12018
program activities, diagnosis & treatment & postdiscussion & reinforcement & behavior management, disturbed children, 56:8372
selection of & feasibility of taxonomy of play materials for severely & profoundly retarded preschoolers & school age children & adolescents & adults, 57:3648
sex differences, role of play & games in childhood socialization, 5th graders in suburban & city schools, 57:8033
social reform & movement to organize children's play, late 19th & early 20th centuries, 57:10050
theory & specific instructions, games to stimulate child's imagination, book, 55:11868

Chimpanzees
adoption of infant chimpanzee reared by humans, captive chimpanzee mother, 54:11328
altered visual cues & delay, visual-tactual cross-modal perception, chimpanzees, 54:2653
anatomical asymmetry in temporal lobe, humans & chimpanzees & rhesus monkeys, 57:592
chlorpromazine dosages, response rates under FI & FR reinforcement schedules & water intake & potentiation of drug effect on responding by auditory stimulus presented after each response, chimpanzees, 56:387
chronic exposure to delta-9-tetrahydrocannabinol, delayed matching-to-sample & drug tolerance, chimpanzees, 53:2633
coordination of manual proficiency & puzzle solving behavior, female pigmy chimpanzees, 57:12136
dextroamphetamine, schedule-controlled keypressing & drinking, chimpanzees, 55:412
difficulty level & development of hypotheses, sameness-difference matching from sample, adult chimpanzees, 55:6306
establishment & maintenance & environmental adaptation & social behavior of free-ranging chimpanzees in semitropical North American climate, 58:6925
frequency of usage of graded vocal signals & relationship to social organization, chimpanzees & gorillas, 58:511
group caging, interaction patterns, adult female chimpanzees & their offspring, 53:4828
historical survey of chimpanzee research, prosthesis of communication deficiencies, retarded & deaf children, 54:3536
history & current studies, teaching human language, chimpanzees, book, 54:696
language structures & use of names & syntactic creativity concept & language deficit explanations, language usage in humans vs chimpanzees, 58:11064
language training & language learning ability, 40 mo old female chimpanzee, progress report, 56:5409
learning American Sign Language terms with vocal English words as stimuli, transfer of sign response to appropriate physical object, male chimpanzee, 57:494
linguistic nature of communication, chimpanzees & apes, 56:245
morphine, schedule-controlled behavior & respiration, chimpanzees & baboons, 56:3694
play & sociosexual behaviors, captive chimpanzee group, 58:8963
predatory behavior, chimpanzees, reply to G. Tetecki's rebuttal of criticism, 58:11112
predatory behavior, chimpanzees, reply to criticism by A. de Pelham & F. D. Burton, 58:11117
raising of chimpanzee in psychotherapist's family, personal account, book, 58:11067
rate of approach to hidden distant goal, information for discriminations between leaders & goals, chimpanzees, 55:284
rearing under controlled 12-hr lighting condition, self regulation of room light & circadian rhythm of activity, 5 yr old chimpanzee, 58:4867
reconstruction & transformation of disassembled figures of chimpanzee faces, chimpanzees & 5–7 yr olds, 54:2617
sex & age-class & individual identity, long-range vocalization differences, chimpanzees, 56:9367
sex & retention interval length, accuracy in delayed matching-to-sample performance, male vs female chimpanzees, 55:257
sleeping behavior & sleeping partner preferences, 7.5–11 yr old captive chimpanzees, 58:4904
stimulus presentation modality, cross-modal transfer in 2-choice simultaneous discriminations in reversal vs nonreversal reward conditions, chimpanzees, 57:5050
tactile vs acoustic stimulation, modality-specific components of cortical evoked potentials, 17–45 yr old males & adult male chimpanzee, 54:8972
toolmaking, chimpanzees in central Rio Muni, 53:6897
tools as techniques for escape, male & female adolescent captive wild-born chimpanzees, 55:3880
training programs for teaching language to chimpanzees, book, 58:11100
use of vocabulary items as sentence constituents, chimpanzee vs children, 55:531

Chinchillas
acoustic overstimulation, hearing thresholds & morphological changes, chinchillas, 53:6980
acoustical overstimulation, acetylcholinesterase activity in organ of Corti, chinchillas, 56:1926
asymptotic noise-induced temporary threshold shift, auditory evoked response measurement, chinchillas, 58:11069
cochlear inner & outer hair cells, auditory thresholds, chinchillas, 54:4960
concurrent assessment of reinforcement schedule & sound intensity across successive discriminations, chinchillas, 54:4924
conditioning in 2-choice procedure to indicate sound-quality difference, chinchillas, 58:11081
contralateral vs ipsilateral acoustic stimulation, cortical single units, unanesthetized chinchillas, 56:259
electrophysiological study, binaural interaction in auditory cortex, chinchillas, 56:260
enucleation, 2-way avoidance behavior, rats & hamsters & chinchillas & BALB/cJ mice, 54:4740
exposure to fatiguing sounds, auditory sensitivity changes, chinchillas, 55:3850
probenecid & biogenic amines, accumulation of cyclic adenosine monophosphate in cerebrospinal fluid, rabbits & chinchillas, 53:11233
UCS intensity, acquisition & extinction of shuttlebox avoidance, chinchillas, 56:7306
voiced-voiceless distinction in alveolar plosive consonants, speech perception, chinchillas, 55:1906

Chloral Hydrate
chloral hydrate & glutethimide, anticoagulant activity of warfarin, coronary heart diseased patients, 54:1621
methanol & butanol & sodium pentobarbital & ether & chloral hydrate & trichlorothanol & paraldehyde & n-butanol, genetic selection for differences in sleep-time after ethanol administration, mice, 57:2739

Chloralose
cerebellar vermis single unit responses to click stimulus, cats under chloralose &/or Nembutal, 55:442
cerebellar vermis single unit responses to click stimulus, cats under chloralose &/or Nembutal anesthesia, 55:443
chloralose & chloroform & ethanol & pentobarbital & urethane & diphenylhydantoin, membrane properties & postsynaptic responses to palative transmitters & peptides, crustacean neuromuscular junction preparations & molluscan neurons, 55:2063
chloralose, alteration of visual evoked response from specific & nonspecific regions of neocortex, cats, 55:432
intraperitoneally injected chloralose, feeding latency in satiated cross-bred male albino rats, 53:6806
pentobarbital & chloralose & chloroform & ethanol & urethane, synapse inhibition & excitation & membrane properties of crustacean neuromuscular junction preparations & molluscan neurons, lobsters & crayfish & snails, 55:2064

Chlordiazepoxide
addition of metaproterenol sulfate to chlordiazepoxide hydrochloride, depressed patients, 54:5895
alcohol vs chlordiazepoxide vs cocaine vs pentobarbital, responding maintained under FI schedules of food vs shock, monkeys, 56:3680
alcohol vs pentobarbital vs chlordiazepoxide vs other CNS depressants, discriminative properties, 57:12368
amphetamine vs chlorpromazine vs chlordiazepoxide as adjuncts to response prevention, deconditioning of persisting avoidance, rats, 54:588
amygdala lesions with chlordiazepoxide & pilocarpine, mousekilling response, male rats, 57:635
amylobarbitone sodium & chlordiazepoxide & diazepam & medazepam, physiological & psychological performance, chronic anxiety outpatients, 54:3656
amylobarbitone sodium & chlordiazepoxide & diazepam & medazepam, anxiety symptoms, chronic anxiety outpatients, 54:3674
anticonvulsive drugs & chlordiazepoxide, aggression, acutely & severely disturbed chronically hospitalized psychotic patients, 54:5866
antiepileptic & neuroleptic drugs & barbiturates & benzodiazepines, hospitalized epileptics, 57:10950
assessment method, discriminative stimulus properties of amphetamine & chlordiazepoxide & desipramine & haloperidol, male rats, 57:23
barbiturates & benzodiazepines & 5-hydroxytryptamine system agents, behavioral pharmacology & toxicology in drug-behavior interaction, review, 57:9828
benzoctamine & chlordiazepoxide, turnover & uptake of cerebral 5-hydroxytryptamine, rats, 53:9079
benzodiazepine compounds, brain amine metabolism, male mice, 54:6997
benzodiazepine vs chlordiazepoxide vs diazepam preferences, chemotherapy of delirium tremens, physicians, survey, 53:3647
benzodiazepines & barbiturates & related compounds, discriminative stimulus properties & relation to intrinsic & anticonvulsant effects, male rats, 56:5643
benzodiazepines & neuroleptics, tricyclic antidepressant metabolism, 54–60 yr old female schizophrenics, 53:1666
benzodiazepines, amnesia during noxious event learning & extinction, rats, 57:9888
benzodiazepines, anxiety & neuromuscular diseases & seizures & alcohol withdrawal & sleep disorders & anesthesia & surgery, hazards of use, 53:10105
benzodiazepines, brain 5-hydroxyindoles & aromatic amino acid levels & serum whole & free tryptophan & tyrosine concentrations & binding of tryptophan on serum albumin, rats, 56:2004
benzodiazepines, inhibitory effect on palmar sweating, mice, 53:11204
benzodiazepines, treatment of neurotic anxiety, literature review, 58:3936
benzodiazepines, voraciousness in eating patterns, fasting & satiated male cats, 58:11316
benzodiazepines, voraciousness in food intake & inhibition of amphetamine-anorexia, male cats, 56:5658
blood concentrations & absorption rates of chlordiazepoxide, healthy volunteers, clinical implications, 53:9064
brain amines & cyclic alpha-methyl-paratyrosine roles, benzodiazepine-induced suppression of aggression, rats, 57:9874
bromazepam, obsessive-compulsive & phobic patients, 53:7916
bromazepam vs diazepam, psychoneurotic patients, 54:5858
bromazepam vs medazepam vs chlordiazepoxide, neurotic anxiety, outpatients, 53:1672
B-5833, anxiety, psychiatric patients, 54:5837
chlordiazepoxide & diazepam & chlorpromazine, conditioned emotional behavior & conditioned neuronal activity & limbic & hypothalamic & geniculate regions, male rats, 54:7067
chlordiazepoxide & diazepam & oxazepam & clorazepate, uses & effects & drug interactions & addiction potentials, 54:10189
chlordiazepoxide & diazepam dosages, induced mouse killing, male rats, 55:6593
chlordiazepoxide & early exposure to handling stress vs undernutrition, avoidance performance, male mice, 54:4824
chlordiazepoxide & imipramine vs placebo, depression measured by Zung Self Rating Depression Scale vs Beck Depression Inventory vs MMPI, male alcoholics, 54:5884
chlordiazepoxide & monoamine depleting agents, fearlike responses to electrical stimulation of dorsal midbrain tegmentum, male rats, 55:6450
chlordiazepoxide & oxazepam, hostility as inner motivational state, moderately & highly anxious male research volunteers, 55:1076
chlordiazepoxide & phenobarbitone & chlorpromazine, timing behavior, male rats, 55:6623
chlordiazepoxide & phenothiazine, schizophrenic symptoms, anxious schizophrenic patients, 55:7657
chlordiazepoxide & prazepam, psychomotor performance, 21–38 yr old normal volunteers, 58:9182
chlordiazepoxide & ripazepam & dextroamphetamine, accelerated responding during preshock stimulus & response on DRL baseline, male rats, 58:11345
chlordiazepoxide & shock intensity, avoidance learning, rabbits, 55:9196
chlordiazepoxide, affective verbal interactions, healthy male 21 yr olds, 54:9133
chlordiazepoxide, anticipation of electric shocks, healthy male students, 58:9109
chlordiazepoxide, beta spindle activity, male rats, 57:5401

chlordiazepoxide, development of adjunctive drinking, male rats, 54:11260
chlordiazepoxide, differential effects on simultaneous & successive brightness discrimination learning, male rats, 58:9127
chlordiazepoxide, differential heart rate conditioning, male rats, 53:6885
chlordiazepoxide, fear-motivated behavior, female mongrel dogs, 54:9162
chlordiazepoxide, go/no-go discrimination learning, rats, 58:7097
chlordiazepoxide, habituation of open-field behavior, male rats, 53:4708
chlordiazepoxide, heart rate & behavioral suppression during operant conditioning procedures, male pigs, 53:2625
chlordiazepoxide, hostile & irritable & anxious symptomatology, anxious neurotic outpatients, 54:1608
chlordiazepoxide hydrochloride, affective & behavioral hostility in social interactive setting, male volunteers, 53:4748
chlordiazepoxide, intraspecific attack & nonagonistic behaviors, male Siamese fighting fish, 54:6999
chlordiazepoxide, isolation-induced timidity, rats, 55:6560
chlordiazepoxide, light–dark cycle phase shift, passive avoidance response, rats, 53:9049
chlordiazepoxide, mouse-killing behavior, male rats, 55:6614
chlordiazepoxide, preference for free food, male rats, 57:835
chlordiazepoxide, rates of leverpressing under FR & FI schedules & schedule-induced licking & drinking, rats, 56:3678
chlordiazepoxide, response rates on VI or FR schedules, male rats, 56:2078
chlordiazepoxide, schedule-induced water & alcohol consumption, male squirrel monkeys, 54:581
chlordiazepoxide, strategic choice behavior in Prisoner's Dilemma game, male graduate students, 53:6875
chlordiazepoxide vs amylobarbital sodium dosages, promoting sleep & rapid eye movement, 53:1686
chlordiazepoxide vs cocaine & amphetamine, bar-press behavior, genetically nervous &/vs stable pointer dogs, 53:589
chlordiazepoxide vs dextroamphetamine, responding on differential reinforcement of low rates schedule, male rats, 53:2678
chlordiazepoxide vs diazepam & prior experience with drugs, resistance to extinction of avoidance response, male rats, 53:4770
chlordiazepoxide vs lorazepam vs triazolam vs flurazepam vs diazepam dosages & administration methods, thought disorganization as measured in speech, analysis of previous research, 58:7093
chlordiazepoxide vs phenobarbital vs placebo, anxiety during dental treatment, 54:1604
chlordiazepoxide-amphetamine combinations, avoidance learning facilitation, male mice, 54:4848
chlordiazepoxide-attenuated threat behavior, 24-hr retention, male fighting fish, 55:6563
chloropromazine & chlordiazepoxide, aversive thresholds to electric shock, male monkeys, 53:6832
chlorpromazine & chlordiazepoxide treatment during assessments including rating scales & EEGs, hysterical symptoms, neurology clinic outpatients complaining of headache or back pain, 57:6412
chlorpromazine & pentobarbital & chlordiazepoxide & amphetamine, rates of licking, rats, 55:448
chronic chlordiazepoxide &/vs shock removal, response rate in conflict situation, male rats, 57:832
chronic phenobarbital vs chlordiazepoxide vs chlorpromazine vs dextroamphetamine & methylphenidate acquisition of behavioral chains, pigeons, 56:2089
chronic prior exposure to amphetamine vs morphine vs chlordiazepoxide, conditioned avoidance of saccharin produced by amphetamine & morphine during gustatory conditioning trials, rats, 54:6992
dextroamphetamine & chlordiazepoxide, intraspecies aggression, rats, 53:11206
dextroamphetamine & chlordiazepoxide, rate-dependent effects of VI behavior, rats, 56:3760
dextroamphetamine & chlorpromazine & chlordiazepoxide, intercurrent behavior during spaced-responding schedules, male rats, 55:11812
dextroamphetamine interaction with pentobarbital & chlordiazepoxide, punished & unpunished behavior, pigeons, 57:5296
diazepam & chlorpromazine vs chlordiazepoxide, tail rattling as measure of drug tranquilizing activity, aggressive male mice, 57:9848
diazepam vs chlordiazepoxide vs chlorpromazine vs barbitone vs imipramine vs amphetamine vs LSD-25, locomotion & social behavior, timid singly-housed male mice, 57:761
diazepam vs flurazepam vs chlordiazepoxide vs no-drug conditions vs barbiturate anesthetics, discriminable effects in escape responding, rats, 57:12407
diphenylhydantoin & primidone & phenobarbital & carbamazepine & benzodiazepines & sulthiame, acute toxic effects, review, 54:7042
doctor's choice method of psychotropic drug administration vs experimentally determined regimen using random assignment & double blind procedures, effectiveness of thioridazine & placebo vs thioridazine & chlordiazepoxide vs thioridazine & imipramine vs individual drugs, psychiatric patients, 55:1072
emotionally-important stimuli, disruption of drug-dependent learning, male rats, 54:4787
ethanol vs chlordiazepoxide dosages, exploration & its habituation, male rats, 58:2989
extinction-induced mirror responding, baseline for studying effects of chlordiazepoxide on aggression, male pigeons, 56:5137
halazepam at 120 mg/day, anxiety, 23–65 yr old outpatients, 53:10098
haloperidol vs chlordiazepoxide withdrawal convulsions, ethanol dependent mice, 57:710
haloperidol vs chlordiazepoxide, acute alcoholic withdrawal symptoms, 27–66 yr old patients, 57:6410
hydroxyzine pamoate vs benzodiazepine clorazepate dipotassium, complications of alcohol withdrawal syndrome, Ss in alcohol detoxification unit, 58:4042
imipramine & chlordiazepoxide, retroactive impairment of cooperative learning, female rats, 54:7039
interactions between narcotic analgesics & benzodiazepine derivatives, locomotor activity & tail flick & hot-plate tests, male mice, 57:12424
loxapine succinate vs chlordiazepoxide vs placebo, mixed anxiety & depression, nonpsychotic outpatients, 53:5848
loxapine succinate vs chlordiazepoxide, anxious outpatients, 56:10380
loxapine vs chlordiazepoxide, somatic symptoms & side effects, patients with neurotic anxiety, 57:13346
N-desmethyldiazepam vs amylobarbitone vs placebo & residual effects, insomnia & cognitive & motor performance, 10–63 yr old anxious-neurotic inpatients, 53:3702
overtraining, drug-state dependency in discrimination learning, male rats, 54:609
penfluridol & haloperidol & chlorpromazine & pimozide & oxypertine & chlordiazepoxide & diazepam, monoamine metabolism in CNS, male mice & rats, 54:7036
phenaglycodol vs chlordiazepoxide, anxiety, neurotic outpatients, 54:1607
phenobarbital & chlordiazepoxide dosages & stimulus control, repeated acquisition of response sequences, male pigeons, 54:4862
phenothiazines vs benzodiazepines, prior history of alcohol abuse, mixed anxiety & depression & symptom duration, patients, 53:5878
psychotropic drugs & dosages, locomotion & exploratory behavior, mice, 53:9084
repeated acquisition as behavioral baseline for study of drug effects, dose-effect data for phenobarbital & chlordiazepoxide & chlorpromazine & dextroamphetamine, pigeons, 55:471
response-contingent vs noncontingent shock & chlordiazepoxide, response suppression, male rats, 55:6582
scopolamine & chlordiazepoxide & caffeine, spontaneous alternation, ferrets, 55:2080
scopolamine vs amphetamine vs LSD vs chlordiazepoxide vs physostigmine vs chlorpromazine, pharmacological analysis of processes underlying differential responding, male rats, 57:5321
septal & amygdaloid lesions & chlorpromazine & chlordiazepoxide & adrenalectomy & castration, shock-facilitated mouse killing, northern grasshopper mice, 56:7440
shuttle box method vs traditional pole climbing technique, testing selective suppression of conditioned avoidance by neuroleptics & detection of effects of anxiolytic drugs vs benzodiazepines, rats, 57:9336
simultaneous ingestion of alcohol vs placebo, serum diazepam vs chlordiazepoxide vs thioridazine levels, male students, 53:9078
sodium amylobarbitone & ethanol & chlordiazepoxide & delta-9-tetrahydrocannabinol, hippocampal theta-driving curve, rats, 56:2024
taste of consummatory fluid following deprivation, dipsogenic actions of barbital & chlordiazepoxide, male rats, 53:4734
thioridazine & chlordiazepoxide vs placebo & chlordiazepoxide, anxiety, depressed patients, 56:6434
thioridazine vs chlordiazepoxide, controlling symptoms attributable to alcohol withdrawal, hospitalized patients, 58:9983
training & transfer dose levels, transfer gradient of chlordiazepoxide-dependent discrimination learning, male rats, 58:11257
trazodone vs chlordiazepoxide, anxious patients, 56:10390
tryptophan-free vs normal diet & shock levels, anticonflict activity of chlordiazepoxide in conditioned suppression-of-drinking test, male rats, 58:11166

Chloride Ions
chloride & potassium & sodium deprivation, action of amino acids & convulsants on cerebellar spontaneous action potentials in vitro, guinea pigs, 57:5253

Chlorimipramine
chlorimipramine, blood pressure, depressed patients with primary vs secondary affective disorders, 58:5919
chlorimipramine, depression & physiological parameters, patients with primary vs secondary affective disorders, 56:8443
chlorimipramine, endogenous depression episodes, depressed patients, 53:1648
chlorimipramine, inhibition of serotonin uptake in platelets, male vs female Ss, 57:5418
chlorimipramine, obsessive compulsive neurosis, 54:1626
chlorimipramine, obsessive compulsive neurotics & psychotics with obsessive-compulsive symptomatology, 57:10969
chlorimipramine orally & iv, obsessional patients, 54:12275
chlorimipramine vs doxepin vs dibenzepine, depressed patients, 57:3996
imipramine & chlorimipramine & fluoxetine, cataplexy, narcoleptic dogs, 58:11228
lithium vs chlorimipramine vs FG-4963 dosages, potentiation of nialamide-induced hypermotility, female mice, 57:9851
monochlorimipramine & sulpiride, negativism & autism, schizophrenics, 57:3989
monoclorimipramine, schizophrenic patients, 53:7898
nortriptyline vs chlorimipramine vs alcohol vs nortriptyline & alcohol vs chlorimipramine & alcohol, paired-associate learning, healthy male student volunteers, 53:6845
single or successive daily injections of chlorimipramine vs desmethylimipramine vs reserpine & tricyclic antidepressants, EEG arousal patterns & partial activation & behavioral changes, rabbits, 54:9193
thymoleptics, excitatory & sedative effects, vervet monkey, 55:2084

Chlorisondamine
antihypertensive agents, systolic pressure, stress-induced hypertensive rats, 54:7040

Chloroform
chloroform inhalation, liver tyrosine aminotransferase activity, rats, 54:646
chloroform solution on tongue & water rinse, off-type response in chorda tympani nerve, rats, 53:801
ether vs chloroform vs carbon dioxide, monoamine inactivation, male mice & rabbits, 56:7507
pentobarbital & chloralose & chloroform & ethanol & urethane, synapse inhibition & excitation & membrane properties of crustacean neuromuscular junction preparations & molluscan neurons, lobsters & crayfish & snails, 55:2064

Chlorpheniramine
pheniramine & chlorpheniramine, apomorphine-induced compulsive gnawing, mice, 58:9113

Chlorpromazine
acetazolamide-induced carbonic anhydrase inhibition, enhancement of chlorpromazine-induced suppression of conditioned avoidance response, male rats, 53:4752
acute vs chronic administration of chlorpromazine vs thioridazine vs clozapine vs fluphenazine, regional brain homovanillic acid changes over time, male white rabbits, 57:2723
adaptation to experimental environment & chlorpromazine & displacement of head & neck & postural body adjustments & amphetamine, EEG synchronization during milk drinking, cats, 55:2010
adrenalectomy vs dexamethasone vs chlorpromazine, prenatal stress effects on offspring, rats, 55:6463
adrenergic stimulant & blocking drugs & isoproterenol & epinephrine & reserpine & chlorpromazine, electrodermal responses & neurophysiological characteristics, cats, 57:7774
alpha-methyl-p-tyrosine & reserpine & chlorpromazine & haloperidol & promethazine & phenobarbital & diazepam, apomorphine-induced stereotyped gnawing behavior, male rats, 53:9117
amphetamine & benactyzine & chlorpromazine & haloperidol & caffeine, cortical effects of low frequency stimulation of caudate nucleus, cats, 55:2121
amphetamine & chlorpromazine & clonidine doses, caudate vs amygdaloid vs hypothalamic self stimulation, monkeys, 57:9783
amphetamine & chlorpromazine & ethanol & disulfiram & morphine & nalorphine as drug substitutes for water vs injection following training on FI vs FR schedules, operant analysis of behavior associated with oral self administration, rats, 58:3044
amphetamine vs chlorpromazine vs chlordiazepoxide as adjuncts to response prevention, deconditioning of persisting avoidance, rats, 54:588
amphetamine vs chlorpromazine vs clonidine, caudate vs hypothalamic self stimulation, squirrel monkeys, 58:629
amylobarbitone vs desipramine vs diphenylhydantoin vs chlorpromazine vs pyridisatogen, output of adenine derivatives from superfused brain tissues, guinea pigs, 56:2068
anti-human lymphocyte-antigen antibodies, sensitivity to chlorpromazine, chronic schizophrenics & normal volunteers, 56:2084
apomorphine & atropine & neostigmine & physostigmine & alpha-methylparatyrosine & benztropine & chlorpromazine & levodopa & fenfluramine & 2-dimethylaminoethanol, motor activity & reactivity & neurochemical analyses, lead-treated hyperactive mice, 54:7057
atropine & chlorpromazine & cocaine interactions, food reinforced behavior, male monkeys, 54:11265
baclofen vs placebo, psychotic symptoms & need for chlorpromazine, male chronic schizophrenics, 57:10909
basal prolactin secretion before vs after thyrotropin-releasing hormone vs chlorpromazine &/vs 2-Br-alpha-ergokryptine-mesilate, 20–54 yr old chronic hebephrenic schizophrenics, 57:10894
butaclamol vs fluphenazine vs haloperidol vs pimozide vs chlorpromazine, apomorphine-elicited inhibition of synaptosomal tyrosine hydroxylase activity, male rats, 56:3690
chlordiazepoxide & diazepam & chlorpromazine, conditioned emotional behavior & conditioned neuronal activity & limbic & hypothalamic & geniculate regions, male rats, 54:7067
chlordiazepoxide & phenobarbitone & chlorpromazine, timing behavior, male rats, 55:6623
chloropromazine & chlordiazepoxide, aversive thresholds to electric shock, male monkeys, 53:6832
chlorpromazine & alpha-methylparatyrosine & parachlorophenylalanine & physostigmine, acquisition of DRL-20 reinforcement schedule, male brain lesioned vs intact rats, 56:9482
chlorpromazine & benactyzine, primary responses of cerebral cortex & role of reticular formation, cats, 54:4771
chlorpromazine & chlordiazepoxide treatment during assessments including rating scales & EEGs, hysterical symptoms, neurology clinic outpatients complaining of headache or back pain, 57:6412
chlorpromazine & chlorpromazine free radical, calcium transport in sarcoplasmic reticulum vesicles, 54:632
chlorpromazine & dextroamphetamine sulfate, visual stimulation preferences, introverted vs extraverted college females, 54:9132
chlorpromazine & dextroamphetamine, observing responses during FI schedule, male pigeons, 54:6989
chlorpromazine & dextromethamphetamine & para-chlorophenylalanine, self stimulation in ventromedial tegmentum of mesencephalon or median raphe, rats, 55:4024
chlorpromazine & electrical stimulation of mesencephalic reticular formation, central arousal as measured by background EEG & visual evoked responses, rats, implications for overarousal model of schizophrenia, 56:7454
chlorpromazine & gallamine & C-28 prime 882-BA & pentylenetetrazol & dantrolene & MI-65-S, blockade of tonic hindlimb extension during maximal electroshock seizure, male mice, 58:3019
chlorpromazine & haloperidol & bulbocapnine, antagonism of dextroamphetamine-induced pecking, pigeons, role of dopaminergic receptors, 55:4090
chlorpromazine & haloperidol & phenoxybenzamine & propranolol, apomorphine- vs amphetamine-induced head shaking & role of catecholaminergic mechanisms, infant rats, 57:2754
chlorpromazine & haloperidol, acetylcholine synthesis in occipital cortex & striatum, male rats, 53:2691
chlorpromazine & imipramine dosages, aversive threshold, male rats, 53:4720
chlorpromazine & imipramine, incidence & severity of side effects, acutely depressed patients, 53:5886
chlorpromazine & imipramine vs thiothixene & placebo following 2-wk medication free period, MAO blood platelet activity, anergic depressed schizophrenic outpatients, 54:7814
chlorpromazine & its metabolites, plasma prolactin levels, rats, 58:9141
chlorpromazine & lithium, 39 yr old chronic alcoholic male with psychotic depression & obsessive compulsive personality, 57:10891
chlorpromazine & major role therapy, community adjustment, discharged schizophrenic patients, 2-yr follow-up, 53:9992
chlorpromazine & major role therapy, relapse, discharged schizophrenic patients, 53:9993
chlorpromazine & methylphenidate, achievement motivation measured on projective test, 56:3682
chlorpromazine & pentobarbital & chlordiazepoxide & amphetamine, rates of licking, rats, 55:448
chlorpromazine & promazine & dextroamphetamine & scopolamine & haloperidol responding on 2 schedules of reinforcement with addition of external stimulus change, pigeons, 55:451
chlorpromazine & repeated handling & shock, immobility reflex durations, rabbits, use of fear hypothesis of tonic immobility, 58:4976
chlorpromazine & subsequent placebo & drug reinstatement, evidence for lateralized temporal-limbic dysfunction in auditory & electrodermal responses & WAIS performance, 35–57 yr old chronic schizophrenics, 57:1686
chlorpromazine & sulpiride & metoclopramide & haloperidol pretreatment with subsequent dopamine or apomorphine or clozapine, specificity of dopamine sensitive adenylate cyclase activity, male rats, 57:5385
chlorpromazine & thioridazine & permazine & triphenote therapy, prisoners with psychopathic & character & mental debility disorders, 53:3667
chlorpromazine & triftazine & phthoracizine & lithium carbonate, dehydrogenase activity of brain structures, rats, 55:2093
chlorpromazine & 7-hydroxychlorpromazine & chlorpromazine sulfoxide, amphetamine-produced depression in central dopaminergic neurons, rats, 53:595
chlorpromazine, aberrant behaviors due to confinement to vertical chamber apparatus early in development, monkeys, 56:3748
chlorpromazine, adverse reactions, medical inpatients, 54:12307
chlorpromazine, adverse reactions, psychiatric patients, 53:10141
chlorpromazine, antinuclear antibodies, chronic psychotic patients, 55:12730
chlorpromazine brands, clinical efficacy, hospitalized chronic psychotics, 53:5876
chlorpromazine, contingent negative variation & RT, normal females, 55:2116
chlorpromazine, correlation between clinical responses & Histocompatibility Leucocyte Antigenic-SD antigen classification, schizophrenic patients, 57:13341
chlorpromazine derivatives, apomorphine-elicited inhibition of synaptosomal tyrosine hydroxylase actvity, male rats, 56:2008
chlorpromazine dosages, response rates under FI & FR reinforcement schedules & water intake & potentiation of drug effect on responding by auditory stimulus presented after each response, chimpanzees, 56:387
chlorpromazine during acquisition & extinction training & postacquisition & postextinction under nondrug conditions, conditioned fear, mice, test of J. Wolpe's hypothesis, 53:634
chlorpromazine, electrodermal response evoked by central brain stem or reflex stimulation, cats, 57:721
chlorpromazine, experimental psychosis caused by LSD, dogs & baboons, 54:4830
chlorpromazine, exploratory & motor behavior, undrugged vs drugged & singular vs paired rats, 53:2634
chlorpromazine, fear-motivated behavior & urinary cortisol & volume & heart rate, female dogs, 56:2033
chlorpromazine following dorsomedial thalamic lesions, reduction of avoidance performance deficit, rats, 58:634
chlorpromazine hydrochloride, drowsiness frequency, nonsmoking vs light vs heavy smoking psychiatric patients, 53:3701
chlorpromazine, immediate effects, newly admitted acutely ill 18–55 yr old schizophrenics, 55:7652
chlorpromazine in low & moderate doses, discrimination learning, male rats, 58:11360
chlorpromazine in single dose prior to treatment initiation, prediction of response to therapy, 19–42 yr old schizophrenic patients & normal 20–45 yr olds, 55:7672
chlorpromazine, inhibitory action of ethinyloestradiol on follicle-stimulating hormone & luteinizing hormone & blood levels & stimulation

of basal neurophysine levels & growth hormone, college students, 57:2766
chlorpromazine, interaction between phasic & tonic electrocortical arousal mechanisms, cats, 55:6587
chlorpromazine levels in brain & serum, hyperthermia, male rats, 56:7522
chlorpromazine, persistence of active drug &/or metabolites after discontinuation & therapeutic effects, chronically medicated schizophrenic patients, 57:10921
chlorpromazine, redefined procedure of extinction of free operant avoidance without schedule correlated stimuli, 56:419
chlorpromazine, response rate during 3-min CS-unavoidable shock pairings, male monkeys, 56:5672
chlorpromazine, self-punitive behavior, rats, 53:6799
chlorpromazine, sensitivity as measured by EEG & electrodermal response, 16–45 yr old schizophrenic inpatients vs normal males, 58:12164
chlorpromazine, shock avoidance & escape responding, 25–35 yr old female volunteers, 56:5656
chlorpromazine treatment, chlorpromazine & its metabolite levels in cerebrospinal fluid, schizophrenic good vs poor responder, 56:1102
chlorpromazine, visual information processing, college students, 53:4757
chlorpromazine vs clozapine, symptoms, acute schizophrenics, 58:3897
chlorpromazine vs dextroamphetamine, food dominance, dogs, 56:7549
chlorpromazine vs diazepam, conditioned approach, monkeys, 57:785
chlorpromazine vs haloperidol vs dopamine injections into corticomedial amygdala, role of amygdaloid catecholamines in control of shock-induced aggression & pain sensitivity, male rats, 57:9877
chlorpromazine vs methamphetamine, sociability, male rats, 57:5399
chlorpromazine vs oxypertine, therapeutic effect & cerebral monoamine metabolism, 19–56 yr old patients with acute psychotic disorders, 56:4525
chlorpromazine with vs without alpha-methyldopa, hospitalized schizophrenics, 58:12145
chlorpromazine, 41-yr-old man with steroid psychosis due to prednisolone treatment, 53:1645
chlorpromazine-induced hyperphagia, male rats, 56:9596
chronic bromide administration, response rate & biochemistry & chlorpromazine effects, female rats, 57:5370
chronic chlorpromazine dosage, chlorpromazine excretion & occurrence of previously unreported class of chlorpromazine conjugates, rhesus monkeys, 56:9559
chronic phenobarbital vs chlordiazepoxide vs chlorpromazine vs dextroamphetamine & methylphenidate acquisition of behavioral chains, pigeons, 56:2089
chronic treatment with both imipramine & chlorpromazine, sensitivity of cyclic adenosine monophosphate generating system to noradrenaline, male rats, 56:5705
chronic treatment with chlorpromazine or methadone, methamphetamine-induced stereotyped oral & open field behaviors, guinea pigs, 58:11252
clinical course & management with chlorpromazine, phencyclidine psychosis, 58:1689
clozapine & haloperidol & loxapine & chlorpromazine, neuroleptic-induced hypersensitivity of striatal dopamine receptors, rats, use as model of tardive dyskinesias, 54:4849
clozapine vs chlorpromazine, acetylcholine synthesis in brain, male rats, 55:6577
clozapine vs chlorpromazine, acute & chronic paranoid schizophrenics, 57:13345
clozapine vs chlorpromazine, pharmacological & clinical properties, acute schizophrenics & exacerbated chronic schizophrenics, 53:5854
clozapine vs chlorpromazine, 15–60 yr old chronic & acute schizophrenic patients, 57:3995
clozapine vs mepazine vs haloperidol vs other neuroleptics, apomorphine-induced hypermotility, female rats, 56:3734
concurrent behavior modification & chlorpromazine, adaptive behavior, institutionalized mentally retarded women, 56:1077
delta-9-tetrahydrocannabinol vs diazepam vs chlorpromazine vs morphine, suppression of cardiac CR, male monkeys, 58:11315
depamide in addition to lithium or haloperidol or chlorpromazine & ECS, adult inpatients with manic excitement, 58:12172
detection of high concentrations of 7-hydroxy metabolite in plasma, schizophrenics receiving long term chlorpromazine therapy, criticism of S. H. Curry & S. Evans' study, 56:4512
dextroamphetamine & chlorpromazine & chlordiazepoxide, intercurrent behavior during spaced-responding schedules, male rats, 55:11812
dextroamphetamine & chlorpromazine, repeated acquisition of response sequences, pigeons, 53:11240
dextroamphetamine & pentobarbital & chlorpromazine & promazine, electric shock postponement responding, pigeons, 56:9580
dextroamphetamine sulfate & chlorpromazine & pentobarbital sodium & reserpine & levo-phenylephrine & yohimbine hydrochloride, evoked responses to visual avoidance task, mice, 56:7492
dextroamphetamine vs morphine vs chlorpromazine, responding under FI schedules of food vs electric shock presentation, monkeys, 56:3741
diazepam & chlorpromazine & meprobamate & apomorphine & dextroamphetamine & piribedil & fenfluramine & sulpiride & imipramine & phenobarbital & clonidine & morphine, take-up time in hoarding behavior, hamsters, 54:9187
diazepam & chlorpromazine, color preferences tested in operant apparatus, pigeons, 55:6620
diazepam & chlorpromazine vs chlordiazepoxide, tail rattling as measure of drug tranquilizing activity, aggressive male mice, 57:9848
diazepam & clomipramine & chlorpromazine, cerebral metabolism & blood flow & EEG, dogs, 55:6626
diazepam & secobarbital & chlorpromazine, smooth-pursuit eye movements, male 21–28 yr olds, 55:6578
differential effects of chlorpromazine & imipramine hydrochloride, black & white depressed psychiatric patients, 54:5875
discontinuation of phenothiazine treatment, symptoms & relapse, outpatient schizophrenics successfully maintained in community on chlorpromazine, 57:6399
dopaminergic drugs & acute medial forebrain bundle lesions, striatal acetylcholine levels, rats, 53:11098
dose & dosage schedules of trihexyphenidyl & lithium, plasma chlorpromazine levels, acute psychotic inpatients, 56:6450
double blind comparison with lenperone & chlorpromazine, 40–43 yr old chronic schizophrenic patients, 55:7664
droperidol & haloperidol & perphenazine & chlorpromazine & cyclodol, fearful & aggressive responses to painful electrical stimulation, mice, 55:2076
errorless training & chlorpromazine, generalization gradients & combined-stimulus control after equal training with 2 related stimuli, male pigeons, 53:9188
extinction of self administration behavior of amphetamine vs cocaine & presession pentobarbital vs chlorpromazine, reinstatement of extinguished responding, monkeys, 57:731
extraversion-introversion & neuroticism, stimulus complexity preferences under stress & nonstress conditions, orienting responses & dexedrine & thorazine effects on rating patterns, 55:4591
group therapy & thiothixene vs chlorpromazine hydrochloride maintenance treatment, schizophrenic outpatients, 53:5898
haloperidol & chlorpromazine & alpha-methyl-p-tyrosine & reserpine & dihydroxyphenylalanine & FLA-63 & phenoxybenzamine, marihuana-induced aggressive behavior, REM sleep deprived male rats, 54:586
haloperidol & clozapine & chlorpromazine, prey catching behavior, ferrets, 58:11348
haloperidol vs chlorpromazine, clinical effects & therapeutic reversal with benztropine, schizophrenic inpatients, 55:7674
haloperidol vs chlorpromazine, treatment process & nontherapeutic effects of trihexyphenidyl on process, schizophrenic inpatients, theoretical implications for potency differences, 55:7675
history & development, chlorpromazine & psychiatry, book, 53:10139
imipramine & chlorpromazine & endogenous-neurotic type, prediction of drug responsivity, depressed inpatients, 57:8796
imipramine vs chlorpromazine vs placebo, WAIS & Benton Visual Retention Test & Wechsler Memory Scale performance, hospitalized depressed patients, 58:12160
insulin shock therapy vs chlorpromazine, hospitalization duration & symptom evaluation scale rating & occupational level & social adaptation, schizophrenic patients, 10-yr followup, 58:1694
intracaudate chlorpromazine injections, conditioned avoidance & self stimulation behavior, rats, 55:6600
intravenous pentobarbital vs saline vs chlorpromazine vs alcohol, persistence of discriminative pentobarbital stimulus, male rats, 57:5349
isomers of thioxanthene neuroleptics & pimozide & chlorpromazine & oxotremorine & clozapine & thioridazine, turning behavior induced by methamphetamine vs scopolamine vs apomorphine, rats, 54:9167
lesions of median forebrain bundle & decrease in telencephalon serotonin content, enhancement of amphetamine vs chlorpromazine, rats, 56:3669
lithium carbonate vs chlorpromazine vs haloperidol, 21–68 yr old severely ill hospitalized manics, 54:1613
lithium carbonate vs chlorpromazine vs placebo vs imipramine, reduction & prevention of affective episodes, manics & schizo-affectives & depressives, 53:3687
lithium carbonate vs chlorpromazine, 13–65 yr old endogenous manic psychotics, 55:7677
lithium chloride & haloperidol alone vs in combination & lithium in combination with chlorpromazine vs trifluoperazine vs promazine vs flurazepam, toxic interaction effects, rats, 57:5298
long term chlorpromazine treatment, permanence of subsequent CNS impairment, 17–58 yr old organic vs schizophrenic inpatients, 56:8468
long term treatment with chlorpromazine or other phenothiazines, plasma levels of chlorpromazine & certain metabolites & prolactin & appearance of parkinsonian symptoms, acute vs chronic schizophrenic patients, 58:12159
loxapine & chlorpromazine, schizophrenic patients, US & West Germany & Switzerland, 53:10086
loxapine succinate vs chlorpromazine, acute schizophrenic inpatients, 54:12296
loxapine succinate vs chlorpromazine, side effects & severity of illness, chronic schizophrenics, 55:5163
loxapine vs chlorpromazine or trifluoperazine, symptoms, acute & chronic paranoid schizophrenia, 58:12140
LSD vs dimethyltryptamine vs saline vs chlorpromazine vs dextroamphetamine sulfate vs bromo-LSD, perceptual-motor & exploratory behavior, blind monkeys, 57:5390
LSD-25 & BOL-148 & imipramine & 1-LSD & parachlorophenylalanine & atropine & reserpine & chlorpromazine, chemical correlates of tonic immobility, chickens, 56:397
maprotiline vs imipramine vs methamphetamine vs chlorpromazine, antidepressant & tranquilizing action on CNS, male mice & rats & dogs & cats, 58:3031
mass fragmentographic method, determination of chlorpromazine & its active metabolites in human plasma & cerebrospinal fluid, psychotic patients, 58:12133
mesoridazine & chlorpromazine, tolerance & therapeutic effects, acute & exacerbated schizophrenic & manic patients, 53:12147
methadone vs chlorpromazine vs haloperidol vs dopaminergic blocking agents vs phentolamine vs physostigmine & stress, methamphetamine-induced oral dyskinesias, male monkeys with methadone drinking history, 58:681
methylphenidate & chlorpromazine, achievement motivation on TAT, students, 54:11221
methylphenidate & chlorpromazine, achievement motivation, male vs female Ss, 55:11762
metiapine vs chlorpromazine, acute schizophrenics, 55:5164
metiapine vs chlorpromazine vs butabarbital & atropine combination, clinical improvement & side effects, hospitalized acute schizophrenics, 55:7660
morphine & amphetamine & chlorpromazine, leverpressing for intracranial stimulation of hypothalamus, male rats, 58:621
morphine & chlorpromazine doses, acquisition of conditioned avoidance response in tasks of varying difficulty, rats, 57:7764
morphine & pentobarbital & chlorpromazine & pain & restraint stress, aspartate & gamma-aminobutyric acid & glutamate in brain areas, mice, 56:5706
morphine vs chlorpromazine dosages & task difficulty, acquisition of shuttle box conditioned avoidance response, male rats, 56:5634
morphine vs chlorpromazine, moderately & severely suppressed punished responding, pigeons, 56:2085
negative reinforcing properties of chlorpromazine vs LSD vs pentobarbital, avoidance escape behavior, drug-naive monkeys, 56:2030
neuroleptic drugs, central dopamine metabolism & relation to drug clinical side effects, psychotics, 57:6426
penfluridol & haloperidol & chlorpromazine & pimozide & oxypertine & chlordiazepoxide & diazepam, monoamine metabolism in CNS, male mice & rats, 54:7036
penfluridol & haloperidol & chlorpromazine & reserpine & alpha-methyl-para-tyrosine & nialamide, apomorphine-induced stereotyped behavior, male monkeys, 54:7054
penfluridol vs chlorpromazine dosages, symptoms & side effects in maintenance treatment, 19–60 yr old schizophrenic patients newly discharged from brief therapy unit, 58:3898
penfluridol vs chlorpromazine, 19–60 yr old newly admitted schizophrenic patients in brief therapy unit, 56:10370
pentobarbital vs dextroamphetamine vs chlorpromazine, rate of conditioned keypecking under multiple & mixed FR-FI schedules, pigeons, 56:2042
perlapine vs chlorpromazine vs haloperidol vs clozapine, prediction of antipsychotic efficacy based on dose-dependent increase in levels of 3,4-dihydroxyphenylacetic acid in striatum & tuberculum, rats, 58:3041
perphenazine-amitriptyline & chlorpromazine, nonpsychotic anxious & depressed patients, 53:5860
phencyclidine, species specificity of behavioral effects & comparison to effects of other psychoactive drugs & interactions with marihuana & CNS depressants & chlorpromazine, 58:2973
phenobarbital & haloperidol & diazepam & chlorpromazine & amphetamine administration during neonatal stage, ambulation & defecation & open field behavior & maze learning, male vs female adult rats, 56:3707
pimozide vs chlorpromazine, maintenance care, chronic schizophrenics, 53:5867
plasma chlorpromazine levels, plasma levels of metabolites & prolactin during acute treatment, acute psychotic patients, 57:6432
posttrial chlorpromazine vs amphetamine vs reserpine, discrimination learning, male rats, 58:9126
prenatal chlorpromazine, behavioral response during adulthood to chlorpromazine & pentobarbital during FI performance of food-reinforced operant, female rats, 55:2074
presentation of same signal paired with self stimulation & avoidance response, EEGs, rabbits, 54:9064
pretreatment with chlorpromazine & haloperidol & clozapine & thioridazine, alpha-dimethyl-M-tyramine-induced hypermotility, rats, 54:9175
pretreatment with chlorpromazine & reserpine & sulpiride & haloperidol, behavioral effects of thyrotropin-releasing factor, mice, 56:3747
pretreatment with methoxamine or phenoxybenzamine or pimozide or chlorpromazine, dextroamphetamine self administration, dogs, 58:711
promazine vs chlorpromazine vs dextroamphetamine vs pentobarbital dosages, treadle pressing under signaled shock-postponement schedule, male pigeons, 58:698
psychotropic drugs & dosages, locomotion & exploratory behavior, mice, 53:9084
regressive ECS therapy vs chlorpromazine or haloperidol treatment, treatment outcome, former schizophrenic patients, 24-mo followup, 58:9808
repeated acquisition as behavioral baseline for study of drug effects, dose-effect data for phenobarbital & chlordiazepoxide & chlorpromazine & dextroamphetamine, pigeons, 55:471
responsivity to intramuscularly injected fluphenazine decanoate following nonabsorption of orally-administered chlorpromazine, inpatient schizophrenics, 53:5842
scopolamine vs amphetamine vs LSD vs chlordiazepoxide vs physostigmine vs chlorpromazine, pharmacological analysis of processes underlying differential responding, male rats, 57:5321
secobarbital & chlorpromazine, EEG correlates of impaired attention performance, female monkeys, 54:625
secobarbital vs chlorpromazine, precentral neuron activity during attentive behavior, female monkeys, 56:2061
septal & amygdaloid lesions & chlorpromazine & chlordiazepoxide & adrenalectomy & castration, shock-facilitated mouse killing, northern grasshopper mice, 56:7440
sodium salicylate & aminopyrine & chlorpromazine, rectal temperature & behavior, male rats trained to escape heat & obtain cooling, 54:4842
spasmolytin & chlorpromazine & estocin, anesthesia induced by sodium barbital, male mice, 53:11210
sulpiride vs chlorpromazine vs placebo, 8–40 yr old restless oligophrenics, 54:1623
superoxide dismutase in presence of rat brain mitochondria, auto-oxidation of 7,8-dihydroxychlorpromazine & production of hydrogen peroxide, 56:5502
synthetic gonadotropin hormone-releasing hormone dosages, follicle-stimulating & luteinizing hormones, adult male chronic hebephrenic schizophrenics on vs off oral chlorpromazine therapy, 57:6381
testing age & fostering experience, offspring seizure susceptibility, rats prenatally treated with chlorpromazine, 55:6571
thioridazine & chlorpromazine & sulpiride & bromazepam alone vs combined with alcohol, learning & memory, 20–25 yr old male students, 55:6594
thioridazine & clozapine & sulpiride & metoclopramide & typical neuroleptic agents, hyperactivity induced by intracerebral dopamine to extrapyramidal &/or mesolimbic systems, male rats, 57:5308
thiothixene vs chlorpromazine, male chronic schizophrenics, 55:7640
Thorazine vs chlorpromazine, acute schizophrenic patients, clinical equivalence of generic vs trade-name antipsychotic drugs, 57:10899
TR-10 vs chlorpromazine dosages, sedative & neuroleptic effects, male rats, 58:5048
urinary excretion of chlorpromazine metabolites, clinical improvement, schizophrenics, 57:6403
VUFB-10032 vs clozapine vs clorotepine vs chlorpromazine, righting reflex & spontaneous activity & apomorphine-induced stereotypy & agitation, mice & rats, 57:9832

Chlorprothixene

chlorprothixene & clopenthixol in drug therapy, literature review, 57:13338
chlorprothixene vs thioridazine maintenance therapy, long term hospitalized psychotics & schizophrenics, 57:10961
repeated administration of chlorprothixene vs flupenthixol or fluphenazine vs haloperidol vs piflutixol, inhibition of conditioned avoidance behavior, male rats, 58:11242

Choice Behavior

absolute quantitative gain & relative uncertainty to be reduced by choice, perceived freedom of choice, 58:3278
absolute size & relative reduction of freedom space, strength of reactance effect, college students, 54:8904
achievement motive & task difficulty & informational value about one's own ability, choice among achievement tasks, male college students, 55:9902
adequacy of speaker editing, message choice strategy & communication performance level, children vs adults, 55:11844
adequacy of subjective expected utility model of human choice behavior, 55:1816
advisor attractiveness & S's sex & locus of control & intrinsic & extrinsic motivations, freedom attributions in job choice situation, 57:12767
aging, choice & RT, 16–66 yr old males & females in jobs dealing with long distance information reporting, 54:5063
alcohol & tobacco, decision & motor components of choice RT task, smoker & nonsmoker male college students, 54:7027
alternative reinforcement frequency & practice choosing between pairs of alternatives, choices between alternatives not encountered before as a pair & transfer effects & matching relations, male pigeons, 57:5055
amount of reinforcement prediction information, discrimination of reinforcement vs nonreinforcement prediction schedules, rats, 53:721
application of expectancy theory to work & motivation, rationality underlying choice behavior, criticism, 54:4361
application of stochastic linear learning model, patterns of TV program selection, TV audiences, 58:6746
arrival of 2-choice stimulus in predictable vs unpredictable manner after expected moment, time course of preparation, college students, 53:6678
attitude similarity & task salience & competence, information search & choice of work partners in attraction-similarity paradigm, 57:1136
attitudes toward transportation system traits & sensitivity to perceived differences in traits, probabilistic model of choice behavior, train & automobile passengers, 55:5859
attractiveness & reciprocity, social choice behavior, 55:2326
attractiveness & reinforcing value of choice of special academic activities, academic productivity, 4th graders, 56:8700
attractiveness of available options, attribution of "real choice" to decision maker, college students, 53:3050
audience & commitment & choice & time, attitude change, college students, 54:3025
averaging & extremity effects, choice shifts in autokinetic judgments, high school students, implications for social comparison views of choice shifts, 56:6021
axiomatic theories of preference-based choice behavior, significance for explanations of political behavior, 57:10169
behavioral decision theory, literature review, 58:8777

behavioral differences in choice of familiar vs novel food & poison-elicited pica paradigm, 2 populations of wild vs laboratory rats, implications for domestication research, 58:8914
belief that personality tests were 58 vs 68 vs 78% accurate in predicting aesthetic choices, psychological reactance arousal, college students, 55:4613
bias due to intuitive concept of randomness, spatial distribution & numerical assignation, 54:2318
binary choice probabilities between gambles, analysis of interlocking expected utility models, 57:7258
body image boundaries, preferred & avoided seating choices in small groups & personal meanings associated with measures of spatial behavior, college students, 56:9830
brief exposures to sample mean & size & variance & mean difference & importance differences between sample pairs, numerical judgments & ratings & choices, college students, 54:330
career & choice & self & development of D. V. Tiedeman's concepts, symposium introduction, 53:5366
chance series presentation method, strategy choice for prediction of random events, 53:296
changeover delay length & S maintenance at free-feeding weight, matching-based hedonic scale analysis of grain choice behavior under concurrent VI-VI schedules, male pigeons, 58:459
chlordiazepoxide, strategic choice behavior in Prisoner's Dilemma game, male graduate students, 53:6875
choice & attractiveness of special academic activities as reinforcement, academic productivity, 4th graders, 56:10650
choice & costs, observers' attributions, male college students, 54:9615
choice & no-choice situations, consumption of water & adulterated fluids, voles vs gerbils, 55:11592
choice & source attractiveness & discrepancy size, exposure to discrepant messages & message acceptance, college students, 53:5202
choice alternatives with superiority on important dimension & inferiority on lesser dimension, choice between equally valued alternatives, college students & staff members, 55:175
choice behavior, book, 54:306
choice behavior in maximizing game difference & in game of "chicken," pairs of Canadian vs Indian male college students, 54:7299
choice between advanced vs deferred aversive outcomes, female college students, 54:2378
choice deprivation, favorability of evaluation of opportunity to choose & tendency to re-establish freedom & negative affective states, 53:10980
choice manipulation on writing counterattitudinal essay & arousing vs dull picture stimulation, dissonance reduction through attitude change in direction of essay, male college students, 56:674
choice of & persistence at games whose outcomes depend on skill vs chance, male vs female college students & fairgoers, 57:2483
choice of academic course & sex, neuroticism & extraversion & intelligence, master's students, India, 58:1259
choice of therapeutic style, therapist attraction & outcome expectancy, college students, 58:12060
choice of 2- vs 3-dimensional art activities, educable mentally retarded children, 57:12994
choice possibilities & regulation of action & concept of norm, error in goal-setting behavior, 53:6692
choice profitability & outcome information & partners' communication & attitude similarity, cooperation in N-person nonconstant-sum games, high school students, 53:5167
choice times measure, confirmation of K. W. Spence's discrimination learning theory, 54:4899
chronic high residential density, choice between self- vs E-selected candy for reinforcement & problem solving after exposure to solvable vs unsolvable cognitive learning task, male Black 6–9 yr olds & 7th & 8th graders, 57:14144
class of experimental game, expectations of choice behavior held by cooperators & competitors & individualists, college students, 56:5997
cognitive structure within expectancy-value response model, relevance in predicting preferences among alternatives, 55:13631
cognitive style, advice choice in task situations, volunteers from Stanford Executive Program, 55:8535
color choice, male Caucasian adolescent psychotics vs delinquents vs drug users, 55:7261
comparison of riskless choice models, college selection, high school students, 58:12728
compatibility of stimuli & responses & stimulus reactive frequency, choice RT, college students, 56:9052
concurrent schedules, choice & rate of punishment, male rats, 56:9296
conditioned emotional response procedure, preference for components of concurrent random interval schedule, male 15–16 yr olds, analog of aversion therapy, 56:5319
congruence of major with personality & differentiation & internal consistency of personality & age & sex, prediction of stability of academic major choice, college students, 58:8173
consensus of "mathematicians" & "educators" reference groups attached to resolutions of projected classroom situations, resolution choice, preservice secondary school mathematics teachers, 56:2789
consequence of decision, self attributed choice, college students, 54:9694
construction & axiomatic study, aggregation rule for individual preferences, voters, 58:200
context effects, optional stopping decisions, college students, 55:3687
context varied by set of number responses & mentioning of 7 by E as example of response, predominance of number 7 & spontaneity of numerical choices, 57:345
covert decortication, elimination process, probabilistic model for choice & preference incorporating A. Tversky's elimination by aspects model & random utility model, 53:8608
data diagnosticity & source reliability, intuitive inference in 2-choice decision making, Army enlistees, 53:10576
decision making curriculum, application of skills to personal & educational & vocational choices, 7th & 8th & 10th graders, 55:8074
decision making strategy & responsibility for others & reputation & socially valued riskiness, cognitive structure of choice dilemma decisions, 54:4564
degree of choice of stimulus person in making statements, judgment of true opinion of persons on militaristic–pacifistic dimension following inconsistent statements of opinion, college students, support for integration theory, 54:9597
degrees of novelty in pictures, visual attention & expressed preference & choice, 4 & 6 yr olds, 56:7600
demographic characteristics, preference for number 7 & color blue in free-choice situation, college students, extension of W. Simon's study, 53:6681
development & test of subjective expected utility model of altruistic choice, college students, 58:11693
diagnosticity & difficulty, choice of achievement tasks, male college students, 54:6832
differences between own & admired & attributed choices, group induced shifts in choice, female college students, 53:3010
different exposures to choice-point stimuli in T maze, alternation, male rats, support for stimulus satiation theory, 56:9337
dimensional vs holistic evaluation strategies, eye fixation analysis of choice & judgment with multiattribute stimuli, college students, 57:11992
duration of stimuli, choice between rewarding brain stimuli of differing length aimed at anterior medial forebrain bundle, male rats, 58:635
ecological & architectural factors, choice of seats in lecture hall, college students, 54:10756
Elimination By Aspects model as decision rule for risky choice, college students, 57:4937
elimination of opportunity to partake of cafeteria food, attitudes toward cafeteria food, female college students, reactance theory perspective, 54:11065
equal vs unequal training trials & short vs long alley to goalbox, choice behavior in modified T maze, rats, 56:9321
ethanol self administration, choice behavior between socialization & money, male 33–47 yr old chronic alcoholic volunteers, 54:12037
ethyl alcohol vs equicaloric 1,3-butanediol alone vs in saccharin solution vs home-cage fluid choices with vs without food, caloric basis of alcohol intake, rats, 58:5038
evolutional approach neurocybernetic model of decision strategies, 55:9134
existential framework, perceptions of influencing conditions & control & choice, Black adults of educational & professional accomplishment, 57:1279
expectancy & utility, choice RT, college students, 56:9251
experimental designs & computational procedures, speed-accuracy trade off functions in choice RT, 56:9080
experimental manipulations of certainty, social comparison choices, male college students, 54:1027
experimental test of optimal model & 3 sub-optimal policies, 2-armed bandit problem as decision making situation, 57:343
exposure effects, choice behavior in free-choice situation, college students, 54:11775
eye fixation analysis, multialternative choice behavior, paid volunteers, 54:8824
food deprivation & reinforcement schedules, preference for response-dependent vs response-independent schedules of food presentation, rats, 53:716
forced daily consumption of large amounts of caffeine, caffeine intake in free-choice situation, male rats, 54:4865
free vs forced selection of task, task performance & persistence, college students, 55:11502
freedom as choice making in psychotherapy, 58:3722
freedom-of-choice & personal space & physical setting, efficiency of task oriented group, students in all-women's Catholic high school & urban families from various housing environments, implications for habitability research, 57:7084
general formulation of binary choice theories for differentially comparable alternatives, 58:2504
genetic constancy & stability & transitivity of paired comparison preference, 5–6 & 8–10 & 9–10 yr olds, 53:869
giving vs denying Ss opportunity to choose & receive their most preferred counselor, counseling readiness, clients, 58:10027
graded doses of alcohol, speed-accuracy trade off in choice RT, male adults, 56:9575
group discussion & information about other's decisions & information relevant to task, choice shift phenomenon, group discussion members, 55:9752
group discussion, dichotomous choices on life dilemma problems & subjective expected utility, college students, 55:723
group provision of step goods analyzed as binary choice game, 56:3973
group shifts, characteristics of Choice Dilemmas Questionnaire, college students, 58:10785
groups of strangers vs friends & perceived risk & economic vs sociopsychological risks, individual choice shifts in consumer-related buying situations, female college students, 57:7099
heredity vs environment vs volition as change forces, Christian & humanistic vs behavioristic & Freudian views, 56:8922
ignorance & error & knowledge & control in classic theory of decision, 56:3993
incentive motivational stimuli, acquisition of runway response & choice behavior & heart rate, rats, 55:9055
inclusion of psychological decision space & security in program planning, 54:8382
increasing time to choice point, preference for immediate small reward vs large delayed reward, male 9 & 10 yr olds, test of H. Rachlin & L. Green's model of self control, 56:5336
individual choice models, importance of preferences of relevant others, 58:10752
individualistic & competitive & cooperative motives in non-zero-sum games, identification of motivational goals through payoff consideration & choice behavior factor, 57:2487
influence message from coworker containing threat vs promise & choice/no choice compliance mode option assigned by coworker vs random event, compliance, female high school students, 57:12775
information integration & multiple regression & binary choice approach, human judgment analysis of dating choice, 58:11634
instructional program of competitive vs cooperative games vs worksheet exercises, attractiveness of program & interest in subject matter & progress, suburban 1st & 2nd graders, 56:6748
intellective & nonintellective & biographical characteristics & level of satisfaction with programs & services to help Ss make curricular choices, declared vs undeclared college freshmen, 58:8423
interaction of stimulus dimensions, concept & choice processes, 56:3376
intermediate-length intervals, Kamin effect of exaggerated forgetting in terms of choice behavior on discrimination tasks, rats, 56:5370
intermittent food presentation & proximity to food source & saccharin added vs not added to alcohol solution, choice & consumption of water vs alcohol solution before vs after induction of polydipsia, male food-restricted rats, 57:2561
internal vs external evaluation with vs without choice, task performance & motivation & attitude & personal feelings while doing task, high school students, Thailand, 55:11511
internal-external control, choice behavior in interpersonal attraction, college students, 58:9524
internal-external locus of control, academic choice behavior & anxiety, college students, 57:4266
internal-external locus of control, perceived choice, college students, 53:3133
interstimulus intervals between tone & shock & signal offset contingencies, free choice of signaled vs unsignaled scrambled electric shock, male rats, 55:6256
irrelevant directional cue, duration of interference in choice RT & relation to stages of processing, college students, 56:9166
job boredom, participation in recreation, male auto workers, 55:5813
knowledge of computer simulation of opponents, choice behavior in non zero sum game, students, 58:7440
large number of response key alternatives associated with different variable-interval reinforcement schedules, matching, male pigeons, 53:713
level of coercion & type of referral, perceptions & reactions to choice concerning participation in industrial alcoholism programs & self evaluation of work performance, alcoholic employees in industry, 57:4177
location of odor in T maze & odor change between trials & turn selection, spontaneous alternation, female rats, 54:11305
locus of control & controlled selection vs choice of arithmetic problems in computer assisted instruction, choice patterns & task engagement, 4th & 5th graders from low-income school, 55:8021
locus of control & perceived ability level, selection of partners & opponents for cooperative vs competitive tasks, females, 53:5226
locus of control, description of stimulus person & choice vs no choice in taking LSD & direction & intensity consequences, attribution of responsibility for observed consequences, 55:7143
locus of warning tone, auditory choice reaction time, right handed female college students, 54:6711
low vs high consensus & task execution choice, attitude change & attribution of causality in writing discrepant essay, female college students, 57:3188
MMPI & life history, choice of substances, young vs old hospitalized chemically dependent veterans, 58:9697
monetary incentives, accuracy of posttraining self reinforcement behavior, college students, 56:1831
monetary reward magnitude & choice freedom, opinion change, Japanese female college students, examination of theory of cognitive dissonance & incentive, 58:1199
motivation & quantity of information, consumer choice accuracy & reliance on price information, US vs Puerto Rican students, 58:6524
motivation, choice of seats in lecture hall, college students, 54:10755
motor fatigue, generalization to perceptual performance & to motor task involving nonfatigued limbs & risk vs effort trade-off, 57:9425
motor response variations & duration of response, choice RT & response programing time, college students, 57:4927
multidimensional scaling, similarity & paired comparisons of preference judgments of social science disciplines & political parties, college students, 57:158
negative information in 2 alternative answers to questions given by teachers, choice between alternatives & question asking behavior, middle school & college students, 56:8746
no choice vs initial choice vs idiosyncratic choice reward strategy, performance on 2-choice discrimination & perserverance task, retardates, 56:8203
novelty in choice context, consistency in inconsistent intransitive preferences, preschoolers & 4th & 8th graders, 53:7017
number of choices & perceived decision freedom, satisfaction & consumption behavior, college student consumers, 54:8533
numerical choices, response availability & apparent spontaneity of choice, college students, 58:10946
observational technique utilizing behavior scaling procedure, determination of preferred behaviors among available options, alingual deaf/blind retarded 4–24 yr olds in hospital ward, significance for curriculum planning, 58:1785
omission of previously received reward, attractiveness of omitted reward, female rats, 57:496
optimal number of alternatives at choice point with travel time considered, 57:9397
option, positive & negative effects on academic performance & attitudes, 5th & 6th graders, 54:12572
options & perceived time in making selection, perceived choice, college students, 53:3023
orthogonal arrays & incomplete block designs to reduce number of combinations, design of choice experiments involving mutifactor alternatives, 53:4277
pairing of brief presentations of visual stimuli with food schedules, conditioned reinforcement & choice in concurrent-chains schedules, pigeons, 55:9057
partial satiation, choice between smaller-immediate vs larger-delayed reinforcers & selection latencies & performance rates, Head Start children, 55:8971
perceived latitude of choice & self concept & life satisfaction scores, 68–75 yr old institutionalized vs noninstitutionalized females, 57:4117
percentage of reinforcement on each key & interreinforcement interval in initial links, 2-key concurrent chains choice procedure, male pigeons, 58:462
perception of similarity to one or both parents & selection of marital partner perceived vs similar to parents, married Ss, 58:9388
perceptions of utility & morality of action alternatives, evaluation & actual choice of choice dilemma alternatives, college students, 57:3167
personal values & information & decision order, choice & commitment to choice in public policy decision making, graduate students, 57:5769
playing alone vs in groups against house, risky & cautious shifts in betting behavior, casino blackjack players, naturalistic observational study, 57:5763
polynomial measurement models, rational choice behavior, 54:8738
position & luminance of spot of light, discrimination during generalization test, pigeons, 56:9310
positive vs negative options & number of options available, perceived choice in selecting partners to work with on subsequent task, college students, 56:2351
predecisional cognitive processes, cognitive dissonance theory & conflict theory & choice-certainty theory & reactance theories, 53:6604
prediction from Thurstonian theory of choice, preference & similarity data & cognitive structure in Italian political parties, 57:10166
prediction of reinforcer item choices of new vs old inmates, prison administrators vs college students vs mental health workers with vs without penal experience, 58:10061
preferences between pairs, choice of state of affairs, extension of G. H. von Wright, 55:8829
presentation of social issue essay written by target with vs without position & constraint cues, attributions of attitude & attribution explanations, college students, 58:7517
pretest sensory restriction, response to stimulus uncertainty with button-press light-display apparatus, 4 & 6 & 8 yr olds, 53:4530
prior shock experience & reduced probability & duration of immediate shock & choice of delayed vs automatic shock, choice of immediate vs delayed shock, college students, 54:8813
procedure for identification of classes of effective event patterns, sequential prediction task, college students, 54:6833
prolonged angular acceleration, choice RT to accelerating visual stimulus, commercial airline pilots, 55:8769
psychological structure of choice alternatives, perceived freedom of choice utilizing occupations as choice alternatives, 57:4999
random reinforcement sequences, probability of choice responding in terms of response repetition with vs without differential reinforcement, male rats, 53:2761
random walk decision process, choice RTs, 54:8728
real vs hypothetical risk in decision tasks, group choice shifts, college students, 57:1181
reformulation of choice situation & absolute constraints & alternative aspects, F. Restle's choice model, 54:6737
regular vs punished response extinction conditions vs choice of alternative nonpunished response, vicious circle & shock avoidance behaviors, female college students, 57:4959
reinforcement effectiveness of stimulus meaning, management of behavior, college students in business management seminar, application to organizational communication & job training, 55:13634
reinforcement magnitude & concurrent VI reinforcement schedules, multivariate power function of choice behavior, food-deprived rats, 58:8892
reinforcement magnitude vs frequency, choice behavior & response rate on FR schedules, humans, 56:9252
reinforcement patterns, production of unpredictable choice response patterns, male rats, 53:6904
reinforcement schedule followed by teachers in rewarding & punishing Ss & instructions given to teachers about administering reinforcements, attributions of freedom, college students playing role of "teacher" vs "student", 54:11700
reinforcement/nonreinforcement on terminal trial & congruency with overall reinforcement probabilities & choice delay, choice behavior in discrete trial probability learning task, pigeons, 58:4875

relationship between cognitive brand loyalty & product class importance, consumer brand choice behavior, housewives, 55:3402
relationship between Jensen's 2 level hierarchal theory of basic learning ability & intelligence & Kendler's 2 stage developmental mediation theory based on optional shift choice behavior, kindergartners, 56:5804
repeated choices in known risk situations, optimality in decision making, students, 58:6826
response-choice & response-time measures of discrimination reversal learning in T maze, male rats, 53:11304
restaurant menu selection learning, female adolescent trainable mentally retarded, 53:1965
resultant achievement motivation & impossibly difficult & trivially easy tasks, task preferences, male college students, revision of J. W. Atkinson's theory of choice, 57:3253
reward, choice behavior in elevated & enclosed mazes, male mice, 54:11284
reward for correct responses vs punishment for incorrect responses vs reward & punishment for correct & incorrect responses & sex of E & S, 2-choice discrimination learning, 1st & 4th & 8th graders, 53:4939
risk level of message & confidence in communicator, risk taking disposition, high vs low risk college students, 56:9877
risk-as-value vs relevant arguments vs conformity–attitude change choice shift hypotheses, college students, 54:7527
risk-oriented vs risk-neutral instructions, choice dilemma judgments for self & others & risk taking measures, college students, 53:3013
risk-taking, consumer behavior in purchase decision-making, 53:4162
scalable choice models, definition of scalability & characterization by axiom designated as pairwise dependence, 58:2532
schedule type & value & changeover delays' duration & symmetry, perseveration in choice behavior in concurrent performance, 13 & 21–27 yr old retardates, 54:1428
section selection in multisection courses, college students, implications for validation & use of teacher rating forms, 55:12954
selection of odd color prey, hawks, 54:7174
selective preparation & time uncertainty, 2-choice RT, 19–30 yr old students, 55:1786
selective preparation affecting choice reaction time, nonsensitivity of temporal order judgments, students, 53:10972
self control & general models of choice, pigeons, 56:1874
sequence of lists of questions, choice behavior of names, 57:2391
sequential effects in 8-choice serial RT task, college students, 55:1788
sex & drug usage & participation in homogeneous vs heterogeneous group discussions, riskiness of group & individual choices, male vs female college students, 56:7845
shock intensity, choice for signalled over unsignalled shock, female rats, 54:4900
shock vs monetary reward consequences for learning performance & S selection of candidate for learning task & responsibility for type of consequences, reactance measured by judgment changes following freedom of choice threats, 57:10294
signaled vs unsignaled fixed- vs variable-time shock schedules, choice of & changes between schedules, rats, 54:4882
signalled or unsignalled shocks & dependability of predictive signal, choice of signalled vs unsignalled condition, female rats, 56:7300
simultaneous contrast & reward generalization, incentive contrast in choice behavior, male rats, 55:3861
size of positive set & serial position of positive targets, recognition in choice RT task, 55:3770
skewness of initial choices using consumer stimuli, risky shift, male graduate students, 58:9458
social choice theory of K. J. Arrow, irrelevance of irrelevant alternatives, 58:5295
social decision making behavior, college students, support for utility-maximizing vs gain-cost models, 56:639
sources of ideas for creative writing when given freedom of choice of topic & extent of creativity, 2nd vs 4th vs 6th graders, 58:2035
statistical analysis of choice behavior, experimental & theoretical study, 8–9 & 12–13 yr olds, 58:202
status of unchosen object, discrimination preferences on nondifferentially rewarded choice test, 3–6 yr old pigtailed & rhesus monkeys, 58:8910
stimulation seeking vs manipulated arousal in choice of reading materials, learning facilitation & long term retention, 7th graders, 58:11016
stimulus as sequence of independent & identically distributed observations, fixed & optional stopping models for 2-choice discrimination experiments, 53:8798
stimulus incongruity, attention & choice & expressed preference, 3 & 5 & 7 yr olds, 54:2659
stochastic transitivity & unidimensional control of choice, pigeons, 54:4876
stochastic transitivity, unidimensional theories of choice behavior, 53:2428
strategy choice, actual strategy adopted in contingency series problem, college students, 58:10962
strategy choices & power conditions, cooperation in mixed motive game, 58:1116
structure & function & theoretical framework, spontaneous evasions constructed by individuals in conflict over choice during focused interactions, 55:9757
structure of knowledge & selection of preferred learning materials, acquisition of new information, students, 57:7448
student vs E choice of study material & order of choice & immediate vs delayed testing, delayed retention of material & task enjoyment & willingness to participate in similar future tasks, high school students, 55:1383
student's present & previous college majors & classification & father's schooling & occupational prestige, rigidity & choice of college, college students, 56:1453
subconscious motive induced under hypnosis vs conscious motive induced in waking state, task performance under conflict situation, 57:9565
subproblem independence in stimulus choice behavior, response latency, pigeons, 56:3501
superimposed masking pattern vs stimulus degradation, choice RT, preschoolers vs 3rd vs 5th graders, 55:11966
tactical-hierarchical vs descriptive information vs matching vs counseling models, guidance on higher education institutional choices, Britain, 58:8443
task choice contingencies & magnitude of reinforcers, choice of individual activity vs composition vs cooperation, male & female college students in pairs & triads, 56:4071
teacher personality traits & attitudes & age & sex, choice of helping teacher, high school seniors, 55:8241
temporal transitivity analyses, preferential choice without stable probability estimates, male college students, support for C. H. Coombs' unfolding theory, 57:9417
test of psychological reactance theory predictions, attitudinal response to implementation of antiphosphate ordinance, housewives in middle income areas, 54:11600
theory of rational choice in zero-sum 2-person games, discussion of direct proof & criticism of J. Von Neumann & O. Morgenstern's study, 58:4542
therapeutic methods emphasizing learning about choice & decision making, self concept, Ss in locked mental ward, 57:1768
therapist's bias & personality, choice of psychotherapies, 54:12234
thinking upon learning that own choice is different from others, persuasive-arguments explanation of choice shifts, male college students, 55:4541
time spent in shock-free period, choice for signaled shock, rats, support for choice performance based on safety, rats, 57:7571
T-maze familiarity, food vs mirror image preference, male Siamese fighting fish, 53:700
true hypothesis behavior estimation from inconsistent response patterns, discussion of B. R. Williams's model, 53:4435
true hypothesis behavior estimation, probability of cue-defined choice combination in M. Levine's method of blank trial probes, 53:4470
trust & choice behavior & activity description, analysis of behavior in Prisoner's Dilemma game, 57:8191
unidimensional control of choice, functional equivalence of reinforcement schedules, pigeons, 55:6291
unrelated success or failure on task, delay of gratification choice, 9 yr olds, 56:9256
unsignaled vs signaled stimuli paired with vs without food in extinction periods, choice of extinction-signaling stimuli, rats, 57:513
valence perceptions of continuing in active duty work role vs leaving to assume anticipated retirement role, Navy officers, test of expectancy theory as within-personnel behavioral choice model, 55:5744
validity of other-self & self-ideal indices as measures of value strength, choice shift in risk taking situation, college students, 54:9721
values clarification counseling approach, choosing own values & confidence in own actions, students, 58:10602
visual presentation of caloric values, food buying in cafeteria setting, female normal vs overweight vs obese Ss, 56:10103
volunteering & choice vs no choice of treatment, perceived value & effectiveness of relaxation treatment, college students, implications for bias in evaluations of clinical outcomes, 57:8582
2- & 4-state vs 3-state self terminating memory-scanning models, choice RT, college students, 54:11030

Cholesterol

aerobatic flight, anxiety & hostility levels & blood glucose & cholesterol & triglyceride & plasma-free fatty acids & serum thyroxine, volunteers, 55:6422
educational intervention program, behavior patterns of Type A males & serum cholesterol & triglyceride levels & blood pressure, noncoronary white collar personnel, 58:1508
field dependence, correlation to blood uric acid & cholesterol, recently admitted psychiatric patients, 55:4725
health & fitness patterns associated with type A behavioral syndrome, managers, implications for coronary heart disease, 56:4325
myotonia induced by 20,25-diazacholesterol, sodium-potassium-activated adenosine triphosphatase activity, male rats, 54:2558
noise, serum thyroxine & cholesterol & protein levels & RT sub 3 U & T sub 4-RT sub 3 values & thyroid & adrenal weights, normal vs adrenalectomized euthyroid vs drug induced hypothyroid vs hyperthyroid dexamethasone injected vs noninjected rats, 55:4009
serum uric acid & cholesterol, relation to achievement behaviors & motivation, summary of research, 54:2438

Choline

acute & chronic morphine & morphine withdrawal, brain acetylcholine & choline, mice & rats, 56:3684
choline, tardive dyskinesia & Huntington's disease, males, 57:13312
choline, tyrosine hydroxylase in dopaminergic neurons of caudate nuclei, rats, 57:12434
cytidine diphosphate choline administration into lateral ventricle & intrathecal space & on cerebral cortex & peripheral nerve, nervous system, cats, 53:4661
diazepam, whole brain & brain area acetylcholine & choline levels, mice, 53:2620
hemicholinium, behavior & whole brain acetylcholine & choline levels, male rats, 56:9561
litter size, protein & choline acetyltransferase & dopamine-beta-hydroxylase in cervical superior ganglia, mice, 54:9005
psychoactive drugs, incorporation of 14 C-dihydrophenylalanine & 14-C-choline into brain subcellular particles, rats, 57:5345
single vs repeated electroshock applications, brain acetylcholine levels & choline acetyltransferase activity, male rats, 56:5595
spiperone vs pilocarpine, cholinergic & dopaminergic catalepsy, 1–20 day old cats, 57:704

Choline Chloride [See Choline]

Cholinergic Blocking Drugs [See Also Atropine, Benactyzine, Nicotine, Orphenadrine, Scopolamine]

adrenergic & cholinergic blocking drugs, short term memory in serial position reversal task, mice, 57:7805
adrenoceptor & cholinoceptor blocking agents, antagonism of antinociceptive action of xylazine, rats & mice, 53:2679
amygdaloid vs hippocampal lesions, central cholinergic mediation of shock-induced aggression & pain sensitivity, male rats, 56:7457
Angel's Trumpet intoxication, alkaloid-induced CNS anticholinergic syndrome, 2 15 yr old males, 58:5288
anisomycin, interaction with cholinergic system by inhibition of acetycholinesterase in human corpus striation & bovine erythrocytes, 57:841
anticholinergic drugs vs prior training, attenuation of haloperidol-induced disruption of conditioned avoidance responding, male rats, 54:2541
antidepressants & antihistamines & anticholinergics & stimulants, olfactory bulb lesion-induced vs spontaneous mousekilling behavior, male rats, 56:7449
antimuscarinic vs muscarinic vs antinicotinic vs nicotinic cholinergic drugs, acute methadone-induced catalepsy & stereotypies, rats, 57:7765
atropine & methylatropine, altering self-administration of morphine & amphetamine, rats, 53:11169
atropine, cholinergic activity & habituation as measured by spontaneous alternation & response suppression to auditory startle stimulus, chickens, 56:7495
benactyzine vs carbocholine vs pediphen, role of central & peripheral cholinoreceptors in short term memory processes, dogs & cats, 58:713
benserazide &/or levodopa therapy, abnormal involuntary movement, parkinsonism patients, 54:12270
benztropine, therapeutic course of neuroleptic treatment, schizophrenics, 54:3707
binding affinity of anticholinergic psychomimetic drugs & their psychopharmacological & anticholinergic effects, male rats, 58:9104
cholinergic stimulants & blockers, nonassociative explanations of habituation & alternation & classical & instrumental conditioning & differentiation & discrimination, review, 58:668
cholinomimetic & cholinolytic agents, posterior hypothalamic self stimulation, rats, 55:2122
dexetimide, differential antagonism of inhibitory effects of haloperidol & fentanyl on brain self stimulation, male rats, 54:4870
dextroamphetamine & apomorphine & haloperidol or pimozide & atropine & arecoline, circling behavior, rats with 6-hydroxydopamine vs electrolytic nigral lesions, 56:7443
dextroamphetamine vs methylphenidate vs pipradrol vs phenindamine, enhancement of leverpressing performance, male rats, 56:2091
diazepam, antagonism against central anticholinergic drug-induced hyperactivity & involvement of gamma-aminobutyric acid system, male mice, 58:3034
dopaminergic & anticholinergic drugs, restoration of neuroleptic-induced inhibition of leverpressing for brain stimulations in lateral hypothalamic area, male rats, 57:5413
dopaminergic & cholinergic agents, phencyclidine-induced rotational behavior, male rats with nigrostriatal lesions, 58:11173
drug injections into lateral hypothalamus, roles of dopaminergic & noradrenergic systems in modulation of normally motivated consummatory behavior, 57:7829
drugs & alcohol, human information processing & psychomotor skills related to driving, literature review, 53:9077
haloperidol vs chlorpromazine, clinical effects & therapeutic reversal with benztropine, schizophrenic inpatients, 55:7674
haloperidol vs chlorpromazine, treatment process & nontherapeutic effects of trihexyphenidyl on process, schizophrenic inpatients, theoretical implications for potency differences, 55:7675
hashish & tetrahydrocannabinols & noncannabinoid drugs, discriminative response control, male rats, 53:11192
hippocampal or intrahypothalamic injections of anticholinergic compounds, operant responding in schedule of reinforced & punished & nonreinforced components, male rats, 55:4153
intramuscularly injected physostigmine, reversing acute brain syndromes following toxic doses of drugs with anticholinergic properties, psychiatric patients, 53:5861
intraventricular anticholinergics, cholinergic hippocampal rhythmical slow activity & neocortical desynchronization, male rabbits & rats, 57:5417
intraventricular hemicholinium-3, prevention & reversal of tolerance to barbiturates, male rats, 56:5641
isopropamide, production of discriminative stimulus complex, rats, 56:389
levodopa & levodopa with carbidopa vs anticholinergic drugs &/or amantadine, mood & relationship between physical disability & mental state, patients with Parkinson's disease, 57:10924
mianserin hydrochloride vs amitriptyline, anticholinergic & antidepressant effects, depressed patients, 58:12153
morphine dependence & withdrawal induced by naloxone, central cholinergic activity, male rats, 56:3708
neurochemical mechanisms underlying behavioral tolerance to diisopropyl fluorophosphate, rats, 58:11343
neurochemistry of central meta-cholinergic & alpha-adrenergic structures, formation & achievement of avoidance reaction to stimulation of host partner, male rats, 55:9253
N-Hydroxyethyl-pyrrolidinium methiodide, passive avoidance learning, female CF1 mice, 55:433
N-methyl 4-piperidylcyclo butylphenyl glycolate & scopolamine, behavior controlled by auditory stimulus, cats, 53:4733
noradrenergic & cholinergic stimulants & antagonists, electrically-induced predatory attack, cats, 58:11295
peripheral & central acting anticholinergics & peripheral cholinergic stimulants, modulation of aversive qualities of shock, male rats, 56:9573
phentolamine hydrochloride & pentolinium tartrate & tetradoxion & physllaemin, essential hypertension, patients in whom electrical hypnosis was induced, 53:3630
physostigmine, diagnosis & management of acute toxic psychosis from drugs with anti-cholinergic properties, 54:1579
physostigmine preceded by methscopolamine bromide, short & long term memory & mood, 21–55 yr olds, 58:11245
physostigmine, reversal of tricyclic-overdosage-induced central anticholinergic syndrome, case report, 57:6400
pretreatment with centrally active vs peripherally active cholinergic blocking agents, pilocarpine-induced drinking, water-satiated male rats, 58:11262
scopolamine & atropine & benzhexol, involvement of central cholinergic paths in habituation of exploration & distraction, rats & mice, 57:2740
scopolamine & haloperidol, deprivation- & hypertonic saline- & polyethylene glycol- & isoproterenol-induced drinking behavior, male rats, 54:4779
scopolamine & methylscopolamine, response conditioned inhibition, male rats, 57:783
scopolamine vs methylscopolamine & dosages vs physostigmine, tonic immobility duration, chickens, 53:2523
scopolamine vs methylscopolamine vs pilocarpine, sexual behavior following supramaximal testosterone dose, castrated male rabbits, 58:11165
scopolamine vs physostigmine vs methscopolamine vs neostigmine vs alpha-methyltyrosine vs para-chlorophenylalanine, morphine-induced increase in locomotor activity, male mice, 58:5034
selective autonomic blockades, classical conditioning of heart rate & lever-lift suppression, female hares, 53:4749
septal lesions & chronic vs acute injections of atropine sulfate vs atrophine methyl nitrate, DRL responding, male rats, 54:11163
tetrahydroaminoacridine, attenuation of ketamine hydrochloride induced postanesthetic delirium, dogs, 53:588
time course & atropine vs mecamylamine vs dibenamine vs propranolol vs alpha-methyl-para-tyrosine, nicotine stimulation effects, rats, 53:11188
tricyclic antidepressants, anticholinergic activity & dyskinesias, psychiatric patients, 56:10374

Cholinergic Drugs [See Also Physostigmine, Pilocarpine]

alpha-methylparatyrosine & lesion of ascending dopaminergic pathways to extrapyramidal & mesolimbic brain areas, neuroleptic & cholinergic catalepsy, rats, 53:2534
amygdaloid vs hippocampal lesions, central cholinergic mediation of shock-induced aggression & pain sensitivity, male rats, 56:7457
antimuscarinic vs muscarinic vs antinicotinic vs nicotinic cholinergic drugs, acute methadone-induced catalepsy & stereotypies, rats, 57:7765
atropine vs methylatropine, pilocarpine- or oxotremorine-induced decrease in locomotor activity & RT increase to pain, mice, 57:9884
bethanechol chloride, tricyclic antidepressants' anticholinergic side effects, depressed patients, 55:12722
cholinergic compounds, antinociceptive properties using shock titration task & interaction with morphine, monkeys, 55:6613
cholinergic drugs, production of analgesia & development of analgesic tolerance after chronic drug administration, animals, 55:6556
cholinergic stimulants & blockers, nonassociative explanations of habituation & alternation & classical & instrumental conditioning & differentiation & discrimination, review, 58:668
chronic morphine treatment, behavioral effects of cholinergic & adrenergic drugs on fixed ratio responding, male rats, 53:4766
dimethoxydopamine presence & dopaminergic stimulation, 2-factor theory of schizophrenia, 54:3282
drug injections into lateral hypothalamus, roles of dopaminergic & noradrenergic systems in modulation of normally motivated consummatory behavior, 57:7829
hypothalamic cholinergic & adrenergic stimulation, eating behavior, male rats, 55:4138
isomers of thioxanthene neuroleptics & pimozide & chlorpromazine & oxotremorine & clozapine & thioridazine, turning behavior induced by methamphetamine vs scopolamine vs apomorphine, rats, 54:9167
morphine & related drugs, cholinergic & monoaminergic transmission & brain neurotransmitters, analgesia, 54:635
morphine dependence & withdrawal induced by naloxone, central cholinergic activity, male rats, 56:3708

neurochemistry of central meta-cholinergic & alpha-adrenergic structures, formation & achievement of avoidance reaction to stimulation of host partner, male rats, 55:9253
neuroleptic drugs & trans-isomer of flupenthixol & apomorphine & amphetamine & probenecid & morphine & oxotremorine, homovanillic acid levels in retina & corpus striatum, rats, 57:5416
noradrenergic & cholinergic stimulants & antagonists, electrically-induced predatory attack, cats, 58:11295
oxotremorine, activity of tyrosine hydroxylase in noradrenergic neurones of locus coeruleus, rats, 56:2045
oxotremorine, antinociceptive action & regional turnover of brain noradrenaline & dopamine & 5-hydroxytryptamine, male rats, 54:7038
peripheral & central acting anticholinergics & peripheral cholinergic stimulants, modulation of aversive qualities of shock, male rats, 56:9573

Cholinergic Nerves
antischizophrenic drugs, relative affinities for muscarinic cholinergic receptor & prediction of extrapyramidal effects, rats & monkeys & guinea pigs, 54:2573
benactyzine vs carbocholine vs pediphen, role of central & peripheral cholinoreceptors in short term memory processes, dogs & cats, 58:713
carbachol injection into pontine brainstem, sleep cycle control & cholinergic mechanisms, male cats, 55:6529
cholinergic mechanisms, sensory perception & electrical activity of cerebral cortex & state of emotional stress, 54:8929
cholinergic synapse, memory, 54:8998
clozapine vs chlorpromazine, acetylcholine synthesis in brain, male rats, 55:6577
intracaudate microinjection of tranylcypromine & harmaline, physostigmine-induced cholinergic tremors & baseline caudate functioning, cats, 54:580
neuroleptics, cholinergic & dopaminergic systems in striatum, Parkinson's disease, 56:1132
presynaptic electrical coupling in large cholinergic interneuron in abdominal ganglion, postsynaptic chemical transmission, Aplysia, 58:4959
reinforcement schedules & ip atropine sulfate, cholinergic mediation of polydipsia, rats, 55:4085
scopolamine & atropine & benzhexol, involvement of central cholinergic paths in habituation of exploration & distraction, rats & mice, 57:2740
scopolamine vs methylscopolamine & dosages vs physostigmine, tonic immobility duration, chickens, 53:2523
thyroxine & scopolamine, hyperthyroidism alteration of behavioral arousal & inhibition development, neonatal mice, 57:9866

Cholinesterase
cholinergic system enzyme activity in cochlea, audiogenic seizure susceptible mice, 53:9221
cholinesterase activity in plasma & red blood cells, 20–70 yr old manic depressive patients vs normal adults, 55:853
cholinesterase inhibition presence vs absence, output per stimulus of acetylcholine from cerebral cortex slices using electrical stimulation, rats, 54:2465
exposure vs nonexposure to organophosphate compounds, levels of anxiety & plasma cholinesterase, commercial pesticide sprayers & farmers, 56:2044
lithium with vs without antidepressants, red blood cell cholinesterase activity, male vs female bipolar vs unipolar depressive patients, 56:4503
physical measurements & whole blood & plasma & serum levels of alpha sub 2 globulins & cholinesterase & ceruloplasmin activity, normals vs chronic & acute schizophrenic patients, 54:7772

Cholinesterase Inhibitors [See Also Neostigmine, Physostigmine]
bilateral hippocampal administration of carbachol & diisopropyl fluorophosphate & arachis oil, single trial alternation performance, male rats, 53:9003
central administration of RX72601 dosages, hypothermia & behavior, unanesthetized cats, 57:782
diisopropyl fluorophosphate, acetylcholinesterase activity in anterior preoptic area & lateral hypothalamus & caudate nucleus & deep body temperature & drinking & alternation behaviors, male rats, 56:5680
gamma-aminobutyric acid vs bicuculline vs strychnine, phospholipid metabolism, male rats, 58:2991
intra- & extracellular thirst stimuli before & after chronic diisopropyl fluorophosphate treatment, water intake, rats, 56:2062
precollicular decerebration, unit activity of pontine cells during postural atonia episodes & REM bursts produced by anticholinesterase injection, cats, 57:12321

Cholinomimetic Drugs [See Also Acetylcholine, Arecoline, Carbachol, Neostigmine, Physostigmine, Pilocarpine]
adrenaline & noradrenaline & methacholine & acetylcholine & serotonin & barium chloride in maximum doses following calcium deprivation, contractile effects in vas deferens, rats, 54:7019
choline esters & peripheral muscarinic action substances in cerebral ventricles, emotional behavior & autonomic & motor systems & gross behavior, unanesthetized cats, 53:9031
cholinergic & monoaminergic mechanisms, hypothalamic thermoregulation, rabbits, 53:2545
cholinomimetic & cholinolytic agents, posterior hypothalamic self stimulation, rats, 55:2122
cholinomimetic agents in 3rd cerebral ventricle & hypothalamus, adult fowl & young chickens, 53:9082
dopaminergic & cholinergic agents, phencyclidine-induced rotational behavior, male rats with nigrostriatal lesions, 58:11173
intracranial injections of angiotensin amine dosages, water consumption & analysis, cats, 58:5011
intramural injections of acetylcholine vs methacholine vs neostigmine vs systemic injections of dopamine receptor stimulating & blocking agents, EEG & behavioral effects, rabbits, 53:4681
microvibration & autonomic functions, pattern types & relationship to Mecholyl test pattern & Aschner & Czermak-Hering test performance, healthy 19–35 yr olds vs 13–75 yr old patients with psychoneurotic & psychosomatic disorders, 58:5468
pretreatment with mecamylamine & phenoxybenzamine & haloperidol & benztropine & cyproheptadine & propranolol, blockade of morphine-withdrawal hypothermia by morphine & CS, male rats, 56:5653
scopolamine vs physostigmine vs methscopolamine vs neostigmine vs alpha-methyltyrosine vs para-chlorophenylalanine, morphine-induced increase in locomotor activity, male mice, 58:5034

Chorea [See Also Huntingtons Chorea]
levodopa & peripheral dopa decarboxylase inhibitor, Sydenham's chorea, male patients, 55:11814
physostigmine salicylate, tricyclic antidepressant poisoning, 2.5-yr-old male & 36-yr-old female with coma & choreoathetosis & myoclonus, 53:10087
training in incompatible response, modification of symptomatic movements of Sydenham's Chorea, 63-yr-old male psychotic inpatient, 53:12213

Choroid [See Eye (Anatomy)]

Choroid Plexus [See Cerebral Ventricles]

Christianity [See Also Fundamentalism, Protestantism, Roman Catholicism]
analysis in terms of Jung's concept of "shadow," teachings of Jesus & apostle Paul, 54:7596
application of Gestalt therapy principles as means of enriching Christian sacraments of baptism & communion, 57:8084
assertive training techniques, use by Christian therapist, 54:8031
atheistic humanistic principles, Christian perspective, 54:11506
biblical & psychological perspective of J. Adams's theory of nouthetic counseling, 55:4975
biblical view of anger, 53:7158
career decision as foreign missionary vs other future plans, perceptions of missionary family behavior & missionary work & dissonance, students of Christian institutions born of missionary parents, 57:8103
changes in society, reevaluation of roles & maintenance of Christian commitment & reexamination of past value concepts, pastoral counselors, 58:8016
Christian & psychoanalytic & behavioristic & humanistic & existential & ecological models of human nature, health education, 54:10411
Christian education, conscience development, 54:7245
Christian faith, thanataphobia, Christian vs non-Christian college students, 55:4712
Christian interpretation of Adam & Eve myth vs atheistic humanism, alienation & estrangement & human condition, 54:7312
Christian mental exercises & disciplines, development of spiritual strength, handbook, 56:7769
Christian parenting, 54:7262
Christian psychology viewpoint, similarities & differences between man & God, 54:7326
Christian psychotherapy, 25 yr old male with severe fears of God, 54:12211
Christian religiosity, ethnic prejudice, highly vs moderately active church members vs nonmembers, 53:5031
Christian religious beliefs & counseling values, pastoral & secular counseling students, 55:1239
Christian vs psychological views, role of emotional feelings, male college student with cyclic negative & positive emotional states, 54:11517
Christianity & psychology, proceedings of 21st annual convention, book, 54:7300
clinical & Christian concepts, conscience, 54:11774
cognitive continuance & adherence to church-expected beliefs & behavioral commitment, commitment to Catholic church, practicing Catholic students, 55:9574
cognitive style & North American values, Christian doctrine, 54:7340
commitment & confession & forgiveness & fellowship as Christian beliefs, psychotherapy, patients, 53:1638
complementary aspects of Christianity & psychiatry, 57:11700
concept of soul in psychology & theology, 54:7318
contributions of Carl Rogers to God's truth about healthy human behavior, Christian client, 54:7320
denominations of Christianity & Buddhism, ego functioning factors from California F Scale scores, religion major college students, Japan, 54:11822
development & beliefs & practices & issues of encounter group movement within framework of Christian enthusiasm & mysticism, 57:3905
developmental recapitulation in Christian perspective, guiding therapy, male homosexual clients, 53:7857
flag preferences as measure of patriotism & attitudes toward world powers, Arab Christian vs Moslem vs Jewish Orthodox vs non-Orthodox 2nd–12th graders, Israel, 56:3896
heredity vs environment vs volition as change forces, Christian & humanistic vs behavioristic & Freudian views, 56:8922
history of development of Christian criticism of war, book, 54:11510
homosexuality, Christian ethics, 54:11504
hypnotic suggestion & self-hypnosis in Christian religion, 54:5082
inaction in helping behavior, Christians, 54:7440
inferential statistics use in psychological research on Christian attitudes, reply to R. L. Kotesky's article, 57:1071
influence of particular Christian beliefs in producing anti-Semitism, Protestants in Atlanta & Philadelphia, test of C. Y. Glock & R. Stark's model, 54:7316
integration of psychology & Christianity, 54:7308
integrations of Christianity with psychology, 54:7302
Jesus' style of relating, biblical models of counseling & repertoire of counseling roles, 57:8604
nature & freedom & destiny of man & concept of community as conceptual themes, Christian theologians vs theistic existential counseling theorists, 55:11236
nouthetic counseling of J. Adams, reply to criticism of J. Carter, 57:8614
nouthetic counseling theory of J. Adams, reply to R. L. Ganz's critique, 57:8605
personality characteristics, identification with parents' denominations at entrance into Christian college, students, 53:7141
personality differences, Christian vs secular college students, implications for integration of psychology with Christianity, 57:1243
philosophical & theoretical & applied levels, integration of statistics & Christianity, 55:3430
popular Christian psychologies, appeal & significance for mental health professionals, 54:11501
portable learning center, improvement of adult Christian education for local church, 57:11337
principles of "paraklesis," in-process counseling technique in medical office, physicians, 53:8037
relationship between God & man & animals, development of Christian psychology, 56:9759
religion, attitudes toward fertility & fertility control, Catholic & Protestant Filipino college students, 56:5910
religious affiliation, attitudes & behavior & woman's role, Christian vs Muslim students in Middle Eastern Arab society, 54:2819
religious background & lifestyle, health, 54:7338
religious beliefs & practices, physiological response to visualization of commission of sinful act, Christians, 55:9155
role of guilt feelings, Christian motivation, 53:7156
sanctification & self-actualization concept comparison, 53:7428
self actualization, A. H. Maslow's theories & Jesus's teachings, 56:9750
similarities & differences, actualization & congruence processes in personality vs Christian maturity, 53:7396
similarities between Christian ministry & Gestalt therapy, 57:10723
test of S. G. Meyer's hypothesis of right cerebral hemispheric specialization regarding spiritual factors, differential neuropsychological test performance, Christian vs non-Christian adults, 58:3192
therapist warmth & religious value orientation, ratings of attraction & receptivity & persuasibility in psychotherapy analog, Christian evangelical college students, 57:1561
time spent on job & desired time & perceived importance, job satisfaction, Christian educators, 54:12727
types of conceptual integration, advancement of psychotheological integration & application to Christian living, 57:8079

Chromosome Disorders [See Also Autosome Disorders, Crying Cat Syndrome, Deletion (Chromosome), Downs Syndrome, Klinefelters Syndrome, Sex Chromosome Disorders, Translocation (Chromosome), Trisomy, Trisomy 21, Turners Syndrome]
abnormal chromosome patterns & karyotypes, severely mentally retarded 3–16 yr olds, 54:7911
aneuploid chromosome aberrations associated with aging, implications for etiology of dementia, 58:11956
application of modified method of Giemsa staining, chromosomal identification of rare clinical syndromes, 54:5684
clinical & cytogenetic findings & self mutilation, mentally retarded 14 yr old male with 49,XXXXY chromosome pattern, 55:826
clinical symptoms & psychopathology, 2 cases of XYY chromosomal configuration, 57:3727
critical appraisal of 47,XYY chromosomal abnormality & antisocial & violent behavior, 57:3418
cytogenetic examinations, chromosome anomalies, tall emotionally disturbed culturally disadvantaged 5–14 yr old boys, 53:9957
cytogenetic survey, chromosome abnormalities, mentally retarded children, 54:7746
cytogenetic survey, hospitalized patients with diagnosis of mental retardation, 57:8484
EEGs, XYY & XXY males, 58:5724
euploid structural chromosome rearrangement, mental retardation, 53:9896
frequency of chromosome variants, hospitalized 4–16 yr olds with psychiatric vs nonpsychiatric diagnoses, 58:11840
LSD, lymphoid cell chromosome aberrations, psychiatric patients, 53:7913
mosaicism 46 XY/XXXY, prepubic child, 57:1482
motor coordination & steadiness tasks & hand tremor, XYY male prisoners, 53:1531
multiple tics & vocalization, 19-yr-old male with XYY sex chromosomes & Gilles de la Tourette syndrome, 53:9953
neurological & physical abnormalities & abnormal behavior & management, patients with Lesch-Nyhan syndrome, 57:10622
partial deletion of long arm of chromosome 18, 35-yr-old female, 53:5700
personality characteristics, XYY chromosome Ss, 53:3246
phenomenological criteria diagnosis, schizophrenia in 47,XYY male, 55:4722
prevalence & incidence of chromosomal abnormalities, male patients in psychiatric hospital, 55:4760
triple mosaicism of X-chromosomes, bipolar affective psychosis, 47-yr-old female, 53:1549
trypsin-Giemsa banding technique of M. Lancet, exact nature of chromosomal abnormalities including ring & translation & deletion, 4 patients with mental deficiency, 56:6297
XXXY syndrome, case study & literature review, 53:1573

Chromosomes [See Also Sex Chromosomes]
application of modified method of Giemsa staining, chromosomal identification of rare clinical syndromes, 54:5684
chromosomal analysis, women with anorexia nervosa, 58:5726
chromosome sets & sex hormones & cerebral centers of hormonal activity & early life experiences, pathological sexual development, 53:9722
dominant X-linked genetic factor, families of manic-depressive psychotics, 53:1374
Down's syndrome, review, implications for chromosomal psychology, 55:889
evolutionary significance of assortative mating, males & females of 2 chromosome forms of mole rat, 58:4911
family history, X linkage transmission mode, manic-depressive patients & their 1st-degree relatives, 53:9767
gene substitutions, geotaxis, Drosophila melanogaster, 54:6926
genetic factors, intermale aggressive behavior, inbred mice, 56:5525
hypodiploidy & mental status in elderly, critical review of biobehavioral hypothesis & suggestions for future research, 57:2853
identification of human chromosomes, new methods, 54:500
LSD & dextroamphetamine, chromosome damage, 24–45 yr olds, 53:2647
LSD, genetic mosaic mutations, Drosophila melanogaster & rats & mice, 53:9104
male odor discrimination, reproductive mechanism in speciation, estrous vs diestrous females of 2 chromosome forms of mole rat, 58:4912
marihuana smoking, mitotic index & chromosome abnormalities, female Beagle dogs, 57:5323
physiological predisposition & chromosome & genetic factors, etiology of schizophrenia, 55:2473
reciprocal differences in origin of Y chromosome, aggressiveness, male mice of 2 strains & their reciprocal hybrid offspring, 55:11611
relationship between Y chromosome length & extraversion–introversion & neuroticism, medical students, 54:9673
serotonin transport defect & influence of extra chromosome on cell-doubling time, pathology of Down's syndrome, 58:3592
sib-pair method, genetic linkage in depression spectrum disease, unipolar depressives with family history of alcoholism or antisocial personality, 58:11853
Y-chromosome, developmental aspects of serum testosterone, DBA/1/Bg vs C57BL/10/Bg inbred male mice, 58:2868

Chronic Alcoholic Intoxication
German form of WAIS, digit-symbol substitution & picture arrangement & object assembly performance, chronic alcoholics, 53:5621
partial reinforcement, discrete-trial lever pressing, rats, 55:3855
personality patterns, Emotions Profile Index, chronic alcoholics with Korsakoff's syndrome vs chronic schizophrenics vs geriatric patients with chronic brain syndrome, 53:5444

Chronic Psychosis [See Also Chronic Schizophrenia]
acute & chronic psychoses, drug addicts, 54:9922
adaptive regression as measured by Rorschach protocols, hypnotic susceptibility, chronic psychotic & schizophrenic patients, 56:6156
anti-parkinsonian treatment & its interruption by placebo treatment, symptom improvement, chronic psychotics, 54:10150
ascorbic acid level, chronic psychotic patients, 56:8108
brief timeouts, suppression of delusional & hallucinatory speech, 33 yr old female chronic psychotic inpatient, 57:8714
chlorpromazine, antinuclear antibodies, chronic psychotic patients, 55:12730
chlorpromazine brands, clinical efficacy, hospitalized chronic psychotics, 53:5876
drama as therapy technique, chronic psychotics on locked ward, 53:5839
drug consumption & development of initial & chronic psychotic symptoms, juvenile drug users, 58:5481
early identification of side effects & institution of flexible dosage schedules, antipsychotic & neuroleptic & tranquilizing drug treatment, chronic psychotic patients, 56:1106
experimentally induced price changes in controlled economic environment, consumer behavior, token economy system in state hospital female ward for chronic psychotics, 53:6269
haloperidol vs thiothixene vs placebo, treatment efficacy & side effects, chronically hospitalized psychotics, 53:7899
interpersonal problem solving technique of G. Spivack & M. B. Shure, mastering cognitive aspects of interpersonal problem solving, chronic psychiatric patients, 56:1091
isolation timeout, frequency of target & nontargeted behavior before vs after vs during time-out, adult chronic psychotic inpatients, 57:13290
Mazra psychiatric work village settlement effectiveness, chronic deteriorated psychotics, Israel, 53:12281
modular-community-oriented treatment program, chronic psychotic patients with severe residual psychosocial impairment, 53:5981
penfluridol, behavior disturbances & maintenance treatment of chronic psychosis, schizophrenics & mentally retarded & epileptics with behavior disturbances, 57:6383

penfluridol, therapeutic efficacy, patients with chronic psychoses, 57:6416
pipothiazine palmitate, antipsychotic potency & extrapyramidal effect, chronic psychotics, 57:1675
problems of prolonged hospitalization & psychiatric institutions, treatment of chronic patients, 57:6516
sodium valproate, tardive dyskinesia & psychiatric symptoms & extrapyramidal symptoms, chronic & geriatric psychiatric patients, 57:3986
sulpiride, chronic psychoses, outpatients, 54:12278
sultopride, treatment of chronic psychosis, 54:10157
sympathy & attention program, behavioral & management problems, chronically psychotic male patients considered therapeutic failures, 53:10164
therapeutic community & group therapy, chronic psychotic patients, 55:10298
token economies, overjustification effects, chronic female state hospital psychiatric patients, 55:5096
token reinforcement group therapy, generalization of verbal conditioning to verbal & nonverbal behavior, chronic psychotic hospitalized female patients, 53:5949
vicarious reward & punishment, social imitation, chronic psychotics, 56:9994
warm & rewarding model, imitation learning, male & female adult chronic psychotic inpatients, 53:7532

Chronic Schizophrenia
abrupt withdrawal from neuroleptic drugs, withdrawal symptoms & symptom rate, chronic schizophrenics, 57:3984
acute/chronic dichotomy & postpsychotic regressive state & convalescent environment & formation of therapeutic relationship, outcomes, 16–36 yr old schizophrenic patients, 2–3 yr followup, 57:8625
adaptive regression as measured by Rorschach protocols, hypnotic susceptibility, chronic psychotic & schizophrenic patients, 56:6156
affect-laden vs affectively neutral multiple choice analogy items on 2 subtests, chronic vs newly admitted schizophrenic vs nonpsychotic patients, 55:7278
age & length of hospitalization, Bender Gestalt Test as index of destructuralization, 19–72 yr old chronic schizophrenic inpatients, 58:4635
age, susceptibility & phenotype frequencies of HL-A antigens, 20–70 yr old chronic schizophrenics, 58:11800
analysis of power patterns, token economy behavior modification program on locked mental hospital ward, female schizophrenic patients & college psychology professors & students, 55:12201
analysis of verbal content of Rorschach test, chronic schizophrenics, 57:10506
anti-human lymphocyte-antigen antibodies, sensitivity to chlorpromazine, chronic schizophrenics & normal volunteers, 56:2084
apparent preference for grandiose psychosis vs dysphoric affects of depression & anxiety, drug-refuser vs drug-complier chronic schizophrenics, 57:13344
at rest vs during psychological testing, regional cerebral blood flow in frontal structures, chronic schizophrenics vs nonschizophrenic alcoholic controls, 55:12391
attention, discrimination shift behavior, 20–68 yr old psychiatric patients, 53:3331
attention distraction, smooth pursuit eye movements, chronic schizophrenics & normals, 58:5483
attention measured by GSR orienting reflex & RT, chronic paranoid vs nonparanoid schizophrenics vs normals, 57:12906
attitudes & behaviors, ambulatory treatment & rehospitalization, acute & chronic schizophrenic patients, 53:3904
auditory go signal intensity & requirements of RT task, heart rate & skin conductance & eye blink frequency, drug free chronic process nonparanoid schizophrenic vs hospital staff & prison inmate controls, 57:1330
auditory processing speed & signal detection in dichotic listening tasks, 18–46 yr old acute vs chronic paranoid vs nonparanoid schizophrenics vs 17–45 yr old neurotics, 56:4191
autokinetic phenomenon, acute vs chronic paranoid vs nonparanoid schizophrenics, 53:3346
autonomic discrimination & imagery value of word pairs & skin conductance base level & IQ & age & tryptophan uptake, verbal paired associate learning, normals vs chronic schizophrenics, 57:3452
baclofen, clinical status, young chronic schizophrenic patients, 58:5912
baclofen vs placebo, psychotic symptoms & need for chlorpromazine, male chronic schizophrenics, 57:10909
behavioral contracting, self mutilation & unpredictable rage, chronic schizophrenic 54 yr old female & 46 yr old male, 56:1043
benefits of intermittent psychopharmacotherapy & drug-free intervals vs hazards of long term therapy, chronic schizophrenic patients, 58:5949
bilateral transfer of massed practice effects in motor learning, chronic schizophrenics & normals, 53:3342
biochemical responses & functions of autonomic nervous system, chronic schizophrenic & manic & depressive psychotic patients, 53:7591
broad spectrum behavior therapy, chronic schizophrenic, 55:1044
cerebral blood flow distribution abnormalities, adult vs aged chronic schizophrenic patients, 53:11872
cerebral metabolism & blood flow, patients with organic dementia vs chronic schizophrenia, 58:1294
cerebrospinal fluid & serum activity of lactic dehydrogenase & glutamic oxaloacetic transaminase, short term vs chronic schizophrenics, 55:2450
change in long-standing antipsychotic medication regimens, increased dropout rate & decreased attendance & psychotic decompensation, 19–62 yr old chronic schizophrenic outpatients, 56:4498
chronic single & multiple neuroleptic dose administration, polygraphic night-sleep pattern, chronic schizophrenics, 54:5853
circadian body temperature, chronic schizophrenic vs nonschizophrenic chronic psychiatric patients vs nonpatients, 57:10478
classical conditioning & presentation of orienting tones, electrodermal activity response amplitude & frequency & habituation, adopted offspring of chronic schizophrenics, 54:7825
clinical evaluation, penfluridol vs placebo as maintenance therapy, female chronic schizophrenic inpatients, 53:12170
clinical laboratory test standards, chronic schizophrenia, 55:8649
clozapine doses, mental & somatic state effects, acute & chronic schizophrenics, 57:10932
clozapine, plasma concentration & coagulation factors, 36–59 yr old chronic schizophrenic males, 58:12171
clozapine vs chlorpromazine, acute & chronic paranoid schizophrenics, 57:13345
clozapine vs chlorpromazine, pharmacological & clinical properties, acute schizophrenics & exacerbated chronic schizophrenics, 53:5854
clozapine vs chlorpromazine, 15–60 yr old chronic & acute schizophrenic patients, 57:3995
community oriented token economy program vs no formal program vs milieu incentive program, ward behavior & functioning & patient & staff morale, institutionalized chronic schizophrenics, 58:3993
constitutional factors & height, development of chronic schizophrenia, male vs female chronic vs acute schizophrenics, 56:4187
contextual constraint & list length, short term recall of word lists, chronic schizophrenics, 56:2475
contingency management, hallucinations & delusions, male chronic paranoid schizophrenic, 54:10220
contingent social stimulation, severely withdrawn chronic schizophrenics, 53:10191
continued vs discontinued maintenance therapy with depot neuroleptic injections, relapse rate, chronic schizophrenic patients, 56:6442
conversation & faradic aversive conditioning, auditory hallucinations, 32 yr old female chronic paranoid schizophrenic, 56:10286
correlation between glucose-6-phosphate dehydrogenase deficiency & chronic schizophrenia, 23 yr old Black female, 57:6014
daily vs weekly dosages of penfluridol, hospitalized chronic schizophrenic patients, 55:7671
development & reliability of Motivational Evaluating Rating Scale, changes in patient's condition, chronically impaired schizophrenics, 55:4750
development & use of method, evaluation of loose associations & disordered speech patterns, chronic schizophrenic patients, 57:3521
dextroamphetamine, sleep duration & symptom exacerbation, male chronic schizophrenic patients, support for dopamine hypothesis of schizophrenia, 57:13327
diagnostic approach to problem of grave disability & incompetency, patients, 55:7266
diagnostic difficulties, Huntington's disease masquerading as chronic schizophrenia & schizophrenia with phenothiazine-induced motor disorder, 3 case histories, 53:1576
dialogue communication behavior & types of anxiety expression, chronic schizophrenic males, 57:10501
differential fertility, adopted male vs female chronic & borderline schizophrenics vs their half-siblings, 57:10492
diphenylhydantoin & neuroleptics in combination, irritable & aggressive behavior, chronic schizophrenic females, 56:8458
disappearance of paranoid symptoms with chronicity, paranoid schizophrenics, 53:9751
discriminated avoidance technique, improvement in social interaction skills & stimulus & response generalization, 21 yr old male withdrawn chronic schizophrenic, 57:13289
discrimination conditioning, GSR amplitude & recovery time & heart period increment, unmedicated chronic schizophrenics vs temporal lobe epileptics, 58:7633
disturbances in object relations & early mother-infant relations, chronic schizophrenic patient, 55:12390
dopamine beta-hydroxylase activity in brains, postmortem analysis in chronic schizophrenics, 53:11905
doses of sulpiride, chronic paranoid vs hebephrenic schizophrenic 20–55 yr old males, 57:3970
double blind comparison with lenperone & chlorpromazine, 40–43 yr old chronic schizophrenic patients, 55:7664
duration & intensity of auditory signals & interstimulus interval, incidental serial RT latencies, 27–58 yr old chronic schizophrenics vs normal 21–63 yr olds, 56:10027
education & marital status & employment history & occupation, rehospitalization, male & female acute & chronic schizophrenic patients, 53:1862
electrically-monitored cerebral circulation & EEG alpha frequency recordings & Malamud-Sands psychiatric rating scales scores, daily fluctuations in behavior, 23 & 27–57 yr old female chronic schizophrenics & 47 yr old female manic depressive, 57:1318
electrosleep adjunctive therapy, symptom improvement, chronic schizophrenic inpatients, 58:1531
EMD-16 139, behavior, 20–59 yr old chronic schizophrenic patients, 57:3982
endocrine changes & duration of hospitalization, decreased blood platelet monoamine oxidase activity, 28–44 yr old unmedicated chronic schizophrenic male patients, 56:4181
enriched input, abstracting ability, nonpsychotic vs acute vs chronic schizophrenic mental hospital patients, 55:4759
enzyme characteristics relevant to reduced activity of platelet monoamine oxidase activity, chronic schizophrenics, 57:10480
epidemiological study of prevalence of tardive dyskinesia, chronic schizophrenic patients, 56:934
etiology of abnormalities & treatments, resistant & chronic schizophrenics, 58:7652
factor analysis of Life Style Analysis inventory & item analysis across normal & clinical groups, incarcerated felons & alcoholics & college students & chronic undifferentiated schizophrenics, support for Adlerian & Horneyan theory, 56:8980
factorial composition of existential states, incarcerated felons vs committed alcoholics vs unwed mothers vs chronic schizophrenics vs psychology vs objectivist philosophy students, 55:12327
factorial composition of Life Style Analysis responses, incarcerated felons vs alcoholics vs unwed mothers vs college students vs chronic undifferentiated schizophrenics, 56:8977
factorial structure of femininity based on Femininity Study responses, female alcoholics vs college students vs chronic schizophrenics, 58:5473
features of long stay male schizophrenics, 57:13439
figure ground discrimination & concentration & visual integration tasks of visual stimulus selection, acute & chronic schizophrenics, 55:12449
floropipamide, chronic schizophrenics, 53:7892
flupenthixol, resistant cases of chronic schizophrenia, 24–54 yr old hospitalized males, 55:10401
fluphenazine decanoate vs flupenthixol decanoate, antipsychotic properties & side effects, chronic schizophrenic inpatients, 54:10166
fluphenazine decanoate, 22–60 yr old chronic schizophrenics, 54:12276
folic acid given orally, side effects & psychopathology changes & basophil leucocyte count, chronic schizophrenics, 57:10926
free dyadic conversations with schizophrenic vs psychiatrically normal partner, recently admitted vs chronic long-stay schizophrenic patients, 58:9668
frequency distributions of electrodermal orienting responses to tones, drug-free acute & chronic schizophrenics, comparison to J. H. Gruzelier & P. H. Venable's findings with phenothiazine tested patients, 57:1401
genetic & environmental considerations, rehabilitation of chronic schizophrenics, 53:7529
"go" signal intensity, basal & tonic & 2 phasic measures of heart rate & skin conductance during RT paradigm, chronic schizophrenics, 54:5452
graded treatment sequences with remotivation group therapy & activities, social interaction, 41–82 yr old male long term regressed schizophrenics, 58:5826
group psychotherapeutic techniques, chronic nonverbal schizophrenics, 54:5981
group remotivation therapy, increased verbal interaction, hospitalized regressed male chronic schizophrenics, 58:5825
haloperidol, glucose-insulin metabolism, 22–62 yr old chronic schizophrenics, 56:1103
haloperidol therapy, growth hormone response to insulin hypoglycemia, 16–53 yr old chronic schizophrenics vs hebephrenics vs paranoids, 58:12141
haloperidol therapy, urinary gonadotropins & serum testosterone & follicle-stimulating luteinizing hormones & ACTH reserve, 16–62 yr old male chronic schizophrenics, 55:7638
haloperidol vs trifluoperazine vs thioridazine, judgment task performance, 25–64 yr old chronic schizophrenic inpatients, 58:7972
healthy vs sick presenting style & motivational set, word association performance, chronic vs acute schizophrenics, 58:7682
high vs standard dose of fluphenazine decanoate, 18–60 yr old chronic schizophrenic patients, 57:13333
home vs day center illness behavior, chronic schizophrenics, 53:3271
hospitalization length, intelligence measured on German version of WAIS, chronic schizophrenic inpatients, 58:11802
hypothesis behavior in concept identification, undifferentiated chronic schizophrenic male adults, 57:12917
identification of schizophrenic thought disturbances, results of picture completion test, normals vs nondelirious alcoholics vs chronic schizophrenics, 54:10844
impairment & prediction of cognitive functioning, acute & chronic schizophrenics, 58:11823
increase in reinforcing properties of verbal event "good" by pairing it with termination of censure, 20–55 yr old chronic process nonparanoid schizophrenics, 55:9944
inhospital sheltered workshop experience, locus of control, chronically schizophrenic patients, 58:1788
initial symptoms, prognosis, chronic schizophrenic females, 57:3479
instruction & reinforcement vs multifaceted self control procedure, behavior modification & generalization, chronic schizophrenics, 58:5881
instructions & imitative prompts & reinforcement, speech reinstatement, near-mute chronic schizophrenics, 53:3777
intensive reorientation program, empathy & social interest & competence & pathology, male chronic schizophrenics, 54:8203
interchangeability of antipsychotic drugs, relapse, chronic schizophrenics, 53:7897
interpersonal skills training with social milieu treatment, acquisition & retention of skills & translation of skills to constructive personality change, chronic schizophrenics, 57:6284
intra- vs inter-S variability in symptomatology, adaptations to similar cognitive abnormalities, acute vs chronic schizophrenics, implications for behavior modification, 58:9646
language behavior organization & cognitive performance measured by Stroop Color-Word Interference Test, 31–51 yr old chronic schizophrenic patients, 55:7286
level of functioning & social & interpersonal adjustment, rehospitalization, acute & chronic schizophrenics, implications for aftercare programs, 56:8524
level of premorbidity & instructions, impression management on cognitive tests, 20–60 yr old male chronic schizophrenics, 55:7326
levels of stress experienced in dealing with life events & family & interpersonal interactions, acute vs chronic schizophrenics vs normal Ss, 56:10055
levodopa, chronic schizophrenic patients, 56:4497
lipid & fatty acid compositions & ganglioside patterns in brain, 64-yr-old senile dementia male & 36-yr-old encephalopathic female & 46-yr-old chronic schizophrenic male, 53:7506
lithium & neuroleptics, psychiatric assessments, chronic schizophrenic patients, 55:10417
long term administration of penfluridol, chronic schizophrenic patients, 57:8787
long term high-dosage fluphenazine enanthate or fluphenazine decanoate therapy, EKGs & ocular examinations & blood chemistries, male chronic schizophrenics, 55:1092
long term treatment with chlorpromazine or other phenothiazines, plasma levels of chlorpromazine & certain metabolites & prolactin & appearance of parkinsonian symptoms, acute vs chronic schizophrenic patients, 58:12159
long-acting antipsychotic drugs, therapeutic relationship & patient's interpretation of drug effects, chronic schizophrenic patients, 58:5909
low platelet monoamine oxidase activity, chronic & acute schizophrenia, 56:6184
loxapine & dosages, chronic schizophrenics, 54:10152
loxapine succinate vs thiothixene, paranoid vs nonparanoid schizophrenics, 56:8467
loxapine succinate & trifluoperazine hydrochloride, therapeutic efficacy & safety, chronic schizophrenic inpatients, 54:10181
loxapine succinate dosages, symptom reduction & side effects, chronic schizophrenic inpatients, 58:3901
loxapine succinate, symptom reduction & side effects, 27–58 yr old chronic schizophrenic inpatients, 58:1693
loxapine succinate vs chlorpromazine, side effects & severity of illness, chronic schizophrenics, 55:5163
loxapine vs chlorpromazine or trifluoperazine, symptoms, acute & chronic paranoid schizophrenia, 58:12140
loxapine vs haloperidol, side effects & symptom change, 13–18 yr old acute & chronic schizophrenics, 55:10411
loxapine vs thioridazine, schizophrenia, chronic schizophrenics, 55:2704
maintenance antipsychotic drugs, prevention of relapse in chronic patients, criticism of L. L. Tobias & M. L. MacDonald's study, 56:8442
maintenance antipsychotic drugs, prevention of relapse in chronic schizophrenic patients, reply to criticism by J. M. Davis et al, 56:8455
matching task performance involving conceptual analysis & covert naming, aphasic & nonaphasic brain damaged & chronic schizohrenics, 58:5683
mental status & functioning & stress, hospital readmission, chronic & acute schizophrenics, 55:7752
mesoridazine besylate, male & female chronic schizophrenics, 55:2686
modeled behavior, behavioral change, male chronic schizophrenics, 56:8411
molindone hydrochloride, side effects, 29–75 yr old chronic schizophrenic inpatients, 57:13325
molindone, weight loss, 26–62 yr old hospitalized chronic schizophrenic patients., 58:5924
morphanthridine derivative EX 11-582A, physiological & side effects & symptom changes, 29–64 yr old chronic schizophrenics, 55:10416
multiple baseline analysis, social skills training, 19 & 27 yr old male chronic schizophrenics, 57:6338
multiple forms of brain monoamine oxidase, chronic schizophrenic vs normals, 53:5568
neuroleptic drug maintenance therapy managed by short-stay doctor, chronic schizophrenia, long-stay patients, 53:3678
neuroleptic therapy, pathogenic syndromic mutation in schizophrenic patients, 55:1068
neuroleptic treatment, cytologic study of cerebrospinal fluid, chronic schizophrenics & mild to moderate oligophrenics, 54:12301
nicotinic acid therapy & dosages, male hospitalized chronic schizophrenics, 54:8071
noncontingent reinforcement within token economy program, "planning behavior", hospitalized chronic schizophrenics, 58:3864
object relationships level, borderline psychotics vs chronic schizophrenics vs nonpsychotic psychiatric patients, 58:1328
operant conditioning, assertive verbal responses, chronic schizophrenics, 55:10379
operant conditioning, social behavior, chronic schizophrenics, 53:1726
oral administration of loxapine succinate vs thiothixene, acute & chronic schizophrenic patients, 55:10400
organization & evaluation of psychiatric hospital program, hotel ward for patients employed on state-owned farm, chronic schizophrenics, 57:11034
oxypertine vs thioridazine, sensorimotor activity, chronic schizophrenics, 57:10940
paraphrasing vs modeling interview techniques & cuing, self referent affect statements, chronic schizophrenics, therapeutic implications, 58:7829
penfluridol & thiothixene dosages, blood plasma levels & changes in psychopathology, chronic schizophrenics, 58:3913
penfluridol & thiothixene dosages, chronic schizophrenic syndromes, psychiatric patients, 57:6401

penfluridol, length of action & social adaptation & activity & incidence of extrapyramidal symptoms, 20-wk open stage & 12-wk double-blind stage of patient management, chronic schizophrenics, 53:5864
penfluridol, polygraphic sleep pattern, 30–55 yr old chronic schizophrenics, 54:11242
penfluridol vs flupentixol vs placebo, 23–60 yr old male chronic schizophrenics, 53:5875
penfluridol vs fluphenazine given orally, maintenance therapy, chronic schizophrenic outpatients, 58:7965
penfluridol vs haloperidol with sociotherapy, adaptation & IQ scores, chronic schizophrenics, 57:6425
perceived therapist-offered conditions, therapeutic outcome in group psychotherapy, hospitalized chronic schizophrenics, 55:5054
perceptual vs self report vs affective measures of body image, hospitalized male chronic schizophrenics, 57:1308
performance on Form E of Cattell's 16 PF, male vs female acute vs chronic vs paranoid vs undifferentiated schizophrenics vs schizoaffectives, 54:3349
personality patterns, Emotions Profile Index, chronic alcoholics with Korsakoff's syndrome vs chronic schizophrenics vs geriatric patients with chronic brain syndrome, 53:5444
pharmacokinetics of butaperazine, chronic schizophrenics, 54:10153
phenothiazine drug withdrawal, chronic schizophrenic patients, 56:10364
phenothiazine treatment experience, skin pigmentation, chronic male schizophrenics, 54:11976
phenothiazine withdrawal & medication, proverb interpretation, chronic schizophrenics, 53:10089
physical measurements & whole blood & plasma & serum levels of alpha sub 2 globulins & cholinesterase & ceruloplasmin activity, normals vs chronic & acute schizophrenic patients, 54:7772
pimozide, remission of active symptomatology & social reintegration, acute & chronic schizophrenics, 58:5910
pimozide therapy, social adaptation, chronic schizophrenics, 54:10158
pimozide vs chlorpromazine, maintenance care, chronic schizophrenics, 53:5867
pimozide vs fluphenazine, social behavior, 18–57 yr old chronic schizophrenics, 54:12291
pimozide vs fluphenazine, symptoms & social adjustment, chronic schizophrenic outpatients, 58:5918
pimozide vs thioridazine vs placebo, effectiveness & side effects, chronic schizophrenic 24–60 yr old females, 54:10151
pimozide vs trifluoperazine, chronic schizophrenic outpatients, 53:5851
pipothiazine palmitate, psychotic symptoms, 20–52 yr old chronic schizophrenics, 54:12306
pipothiazine palmitate vs fluphenazine enanthate, chronic schizophrenic patients, 55:5150
pipotiazine palmitate, chronic schizophrenic male inpatients, 54:1615
plasma tryptophan load after fasting & tolerance curves, normals vs chronic vs acute schizophrenics vs prisoner volunteers with personality disorders & with vs without depression, 54:7771
platelet MAO, chronic schizophrenic patients, 58:9658
platelet monoamine oxidase activity & substrate preference, drug-free chronic schizophrenic males, 57:10484
platelet monoamine oxidase activity, acute & chronic schizophrenic inpatients, 54:1267
platelet monoamine oxidase activity, chronic schizophrenics, 57:6038
polypharmacologic therapy problems & treatment of toxicomania, chronic hospitalized schizophrenics, 58:5935
power & variability, spectral evaluation of electroencephalogram, chronic schizophrenics & controls, 53:1368
pre- & postmorbid psychological stress relationship, chronic & acute schizophrenics vs normals, 53:7619
problems of rehabilitation, chronic schizophrenic psychoses, 53:12124
psychiatric hospital aftercare program, provision of emotional support & reduction of social isolation & development of living & working skills, chronic schizophrenics, 55:1171
psychoanalytic ego psychology theory vs arousal theory, prediction of effects of sexual stimulation, chronic nonparanoid schizophrenic outpatient males, 58:5478
psychoanalytic group therapy strategy & tactics for neurotic & Balint & alcoholic & juvenile drug addiction & acute & chronic schizophrenic & training groups, 53:10160
psychodynamic forces, precipitation of regressive adaptations in children, 54 yr old mother & her male triplets & 24 yr old daughter with schizoid personality with phobic features & chronic & paranoid schizophrenic reaction, 56:4212
psychophysical sensitivity & proprioceptive deficits in auditory & weight discrimination, acute vs chronic medicated vs unmedicated male schizophrenics vs alcoholics, 58:7670
rage-reduction treatment, assessment of short & long term effects on 15 yr old chronic schizophrenic girl, case study, 55:7276
rate-contingent guitar rental, deceleration of stereotyped head/face touching, 40 yr old male chronic schizophrenic, 56:1050
recreational activities & group psychotherapy, chronic schizophrenics, literature review, 56:10254
reduction of daily frequency of phenothiazine administration, behavioral effects, 23–62 yr old chronic female schizophrenics, 55:7641
relationship & responsibility for success, performance on password task, chronic male schizophrenics, 55:4744
relationship between pupillometric functioning & skin conductance, 25–58 yr old chronic schizophrenics, 56:6171
reliability & validity of GE Hospital-Community Satisfaction Scale, prediction of hospitalization length, 1st admission & readmission & chronic schizophrenic patients, 55:10506
responses on measures of dominant verbal response, language behavior, acute & chronic schizophrenics, 57:3539
restricted verbal associations, fluent vs nonfluent adult aphasics vs brain damaged patients without aphasia vs chronic schizophrenics, 58:7624
retest reliability of Halstead Impairment Index, chronic schizophrenics vs organic patients vs normals, extension of J. D. Matarazzo's study, 57:3408
risks & motives & environments, suicide, chronic schizophrenics, 54:1331
role rehearsal & modeling techniques, discrimination of covert self monitoring, chronic schizophrenics & adult psychiatric outpatients & male alcoholics & high school & college students, 56:1079
scoring methods & error index, tests of attention & vigilance, chronic schizophrenics, applicability of signal detection theory, 56:10043
self disclosure in group psychotherapy, psychotherapeutic outcome, chronic schizophrenic patients, 55:7579
self monitoring & contingency management techniques, verbal responding, schizophrenic 16 yr old male outpatient, 54:8109
semantic & syntactic constraints, processing of natural language stimuli, adult female chronic schizophrenics vs psychiatric aides, 58:3445
serum creatine kinase levels, acutely psychotic vs nonpsychotic vs chronic schizophrenic patients, 53:7568
severity of illness, 3-methoxy-4-hydroxyphenylglycol conjugates & vanillylmandelic acid in urine, unmedicated chronic schizophrenic male inpatients, 58:11818
sex & pathology & delusional vs nondelusional ratings, overinclusion & self editing deficit, hospitalized acute vs chronic schizophrenics vs hospital staff members, 58:3505
sibling position & family size & parental age, acute vs chronic schizophrenics, 57:12939
situations & attitudes leading to rehospitalization, chronic schizophrenics, implications for aftercare of discharged patients, 55:10497
size & exposure time of interpolated stimulus, size estimation performance, acute vs chronic vs paranoid vs nonparanoid schizophrenics, 57:3536
skin conductance responding/nonresponding & differential pupillary dilation, male chronic schizophrenics, 57:6016
social class as measured by occupation vs education, incidence & chronicity of schizophrenia & 1st admission rate, rural vs urban psychiatric patients, 55:12383
social competence, interpersonal interaction & antisocial behavior & life stress & readmission rates, acute vs chronic schizophrenics, 56:10056
social skills training, generalization of commendatory or hostile assertion behaviors to novel interactions, chronic schizophrenics, 57:10839
social training with token economy program, chronic schizophrenics, reply to J. N. Hall's criticism, 58:3812
social training with token economy program, chronic schizophrenics, criticism of L. Claeson & U. Malm's findings, 58:3837
sociodemographic data & instrumental performance, length of hospitalization under individual vs group management treatment conditions, chronic schizophrenics, 54:10367
spatial vs nonspatial reasoning ability, male chronic schizophrenics vs veterans seeking educational counseling, 57:3455
Spiral Aftereffect Test, differential diagnosis, male chronic vs organic schizophrenic inpatients, 53:5459
step-system treatment format of rewards & privileges, discharges from chronic schizophrenic ward, psychiatric patients, 56:2611
stimulus intensity control as reflected by EEG method of average evoked response & kinesthetic figural aftereffects procedure, chronic & acute hospitalized schizophrenics, 57:10496
strength of associative distractor, word associations, male chronic schizophrenics & alcoholics, 53:1393
strong meaning–response bias, drug-free vs medicated chronic vs medicated acute schizophrenics vs normal prisoners, 54:5500
structured vs nonstructured group therapy & directive vs nondirective leadership role, anxiety & physiological arousal, chronic schizophrenics, 53:7955
subliminal mother-need tachistoscopic stimulation, ego pathology & psychological differentiation measures, process vs chronic vs nonparanoid vs relatively differentiated schizophrenics vs depressive psychotics, 57:8425
sulpiride vs perphenazine, mild depression, 20–56 yr old chronic schizophrenic patients, 57:10888
symbolic modeling & therapeutic expectancy & social reinforcement & social stimuli, social interaction behavior in hospital, withdrawn chronic schizophrenics, 55:9930
synacthen test, suprarenal cortex reserve level diagnosis, chronic schizophrenics, 53:3537
synthetic thyroid releasing hormone given orally, 31–37 yr old chronic schizophrenic patients, 56:2640
synthetic thyrotropin-releasing hormone, schizophrenic symptoms & plasma level of thyrotropin stimulating hormone, drug-free chronic schizophrenics, 58:5937
tape recorded hypnotic treatment with music & relaxation vs self confidence suggestions, hospitalized chronic schizophrenics, 56:6456
tasks matched for discriminating power, attentional performance deficit on neutral vs distractor tests, chronic schizophrenics vs normals, 54:5483
thioridazine & metyrosine dosages, symptomatic control, chronic schizophrenics, 57:1705
thiothixene, chronic schizophrenia, 57:3994
thiothixene dosages & side effects, chronic schizophrenic inpatients, 53:3668
thiothixene, higher nervous activity, chronic schizophrenic patients, 53:1693
thiothixene vs chlorpromazine, male chronic schizophrenics, 55:7640
thiothixene vs flupentnixol vs oxypertine vs trifluoperazine, pathological symptoms & side effects, chronic schizophrenics, 57:6430
thought disorder & interpersonal needs for inclusion with others & premorbid history & rapport with program staff, success prediction in resocialization treatment program, institutionalized chronic schizophrenics, 56:10438
Thought Disorder Index & WAIS & Rorschach test, thought disorder differences, recently hospitalized schizophrenics vs long term hospitalized chronic schizophrenics vs nonschizophrenic patients vs normal Ss & their families, 57:6000
token economy program using poker chips, interpersonal interaction, 17–52 yr old regressed & withdrawn female chronic schizophrenic patients, 55:1034
token reinforcement, chronic schizophrenic patients, 54:1635
training in activities of daily living with vs without token economy program, social skills & daily living activities performance, hospitalized male chronic schizophrenics, 58:3813
training to use client centered/experiential counseling skills with each other, chronic schizophrenics, 55:10222
tranquilizers with addition of antidepressant drug, symptom reduction & improvement, chronic schizophrenics, 56:4523
type & degree of psychosis, regional cerebral blood flow in dominant hemisphere, chronic schizophrenic patients, 56:786
type of onset & precipitating crises & mental status & preadmission social functioning, distinction between acute & chronic schizophrenia & prediction of short term rehospitalization, 54:7813
validity of Kahn Test of Symbol Arrangement, differential diagnosis, chronic schizophrenic vs epileptic males, 53:9734
variability in clinical course & body weight & biological measurements & responses to neuroleptic agents, chronic schizophrenics, 10-yr longitudinal study, 57:1392
Verdun Conditioning Program prediction of drug withdrawal effects, chronic schizophrenic patients, 57:5962
videotape feedback & modeling, verbal & performance behavior, chronic schizophrenics, 55:12704
viewing good vs poor peer models, object assembly task performance, chronic schizophrenic males, 58:3480
visual interaction behavior in free dyadic conversations, recently admitted vs chronic long-stay schizophrenics vs depressive vs neurotic vs personality disordered patients vs normals, 57:8417
visual noise & information load levels, span of apprehension task performance, chronic vs acute schizophrenics vs inmate controls, 57:3427
WAIS, diagnosis of intellectual deterioration, chronic schizophrenics, 56:4175
word association performance & clinical state, hospitalized chronic schizophrenics, followup study, 58:11804
2-dimethylaminoethanol, therapeutic & side effects, chronic schizophrenics, 57:1697

Cichlids
behavioral individuality regarding courtship & aggression, male Cichlid fish, 53:11323
chemical & visual stimuli, preferential discrimination of young, cichlid fish, 57:2545
chemical stimuli from conspecifics in reproductive state, behavior, male African Cichlid fish, 54:4954
daily presentation of free-swimming conspecific young, induced parental behavior & parental role of male, pairs of cichlid fish, 53:11340
dummy size & color, behavioral interaction, male jewel cichlids, 57:12222
dyadic interactions & significance of sound production, cichlid fish, 54:2647
ecology & feeding & defensive & social behavior, small cichlid fish, 53:2705
elementary actions concerning feeding & comfort & aggression & reproduction & patterns of markings, mouthbrooding cichlids, 58:11110
ethological analysis, convergent adaptation in aggression & pair bonding, cichlid fishes & shrimps & birds, 53:11262
exchange of offspring for younger or older broods or substitute objects, parental behavior, Nannacara anomala females, 54:9267
fast body turns during social encounters, male African cichlid fish, 56:1887
fixed action patterns, development of behavior, cichlid fishes, 55:6355
hexagonal breeding territories, male mouthbreeding cichlid fish, 54:2623
long term courtship behavior, 2 sympatric species of cichlid fishes, 58:2775
morphine, territorial & predatory aggression, convict cichlids, 55:2061
nonintentional sound production, African cichlid fish, 54:7149
parent isolation from fry & presentation of fry water vs parent tank water contingent on paddle-press response with vs without noncontingent water presentation, fry pheromone reinforcement of operant behavior, parent cichlid fish, 58:2761
previous experience, mate selection, 2 color morphs of convict cichlid, 58:11113
prior depth experience & feeding & age & light, depth preference, cichlids, 58:4852
reproductive behavior & quantitative comparison of male-female parental roles, Aequidens paraguayen, 57:9694
social behavior, mouthbrooding cichlids, 58:11109
sound, inhibition of aggressive behavior, cichlid fish, 54:9278
spatial dominance & success in obtaining preferred foods, cichlid vs centrarchid fishes, 58:526
stimuli inducing approach & contact-making & escape, selective responsivity, young cichlidae, 57:12208
stochastic analysis, feeding & attacking & courting & approaching & chafing & yawning, male cichlids, 54:661

Cigarette Smoking [See Tobacco Smoking]

Circadian Rhythms (Animal) [See Animal Circadian Rhythms]

Circulation (Blood) [See Blood Circulation]

Circulatory Disorders [See Cardiovascular Disorders]

Circumcision [See Birth Rites, Surgery]

Cirrhosis (Liver)
biochemical & behavioral aspects, tolerance & physical dependence & alcohol-induced liver disease & changes in sexual behavior & contribution of genetic factors to alcohol problems, research review, 58:5581
chronic marihuana & hashish administration, hepatoxicity & cirrhosis & lysosome damage resulting in reduced cellular immunity, rats, 53:11190
cognitive dysfunction as measured by WAIS, Laennec's cirrhotic vs non-cirrhotic alcoholics, 58:5591
probenecid, tryptophan in serum & cerebrospinal fluid, patients with hepatic cirrhosis, 54:7076

Cities [See Urban Environments]

Citizenship
group membership & status position, educational values, parents & teachers in overseas American community schools, 55:10625
occupational guidance &/vs weekly group counseling during following semester vs Remedial Reading & General Mathematics summer programs, attitude & anxiety & self concept & attendance & citizenship & GPA, potential dropout high school students, 55:13595
political & legal & domicile obstacles, right to vote, mentally disabled, 56:7813
student-activity vs traditional vs combined teaching method, preparation of students in cognitive & affective areas of citizenship, 12th grade social studies students, 55:8008
voting rights & practices & instruction, mentally retarded, 54:7903

Civil Rights Movement
affect & action orientation towards blacks & reaction to presidential candidate with anti-civil rights campaign platform, adults, 56:9778
agency requests to sign release of information consent forms with vs without option statement, compliance in signing form, clients in community mental health center clinics, 58:4112
attitudes toward modern status & equal rights for women, male vs female college students, Iran, 58:7397
attitudes toward student rights, Iowa public school board members & superintendents & principals & high school students, 58:12446
child advocacy, 54:2901
child advocacy in mental health, book, 54:3783
children's rights as clients/patients in delivery of mental health care, book of papers, 57:13121
citizen advocacy programs, mentally retarded, 54:5570
civil liberties & treatment facilities, mentally ill offenders, 54:3917
civil rights in research & technology, retarded children, 54:3411
clinical estimation of psychopathology, blacks vs whites committed for competency evaluation to stand trial, 53:9379
community involvement for child advocacy, school mental health consultant, 54:3784
concepts & practices of child advocacy role, school psychologists, 54:10649
constitutional ramifications of enforced treatment & rights of institutionalized, 54:942
constitutional rights, behavior therapy, 54:10208
contributions from behavioral sciences, civil liberties, 55:6988
current pervasive state of prejudice in US & long term conditioning of Whites into position to perpetuate it, 57:8052
definition & objectives & obstacles, child advocacy, 54:2900
descriptive study, currently defined rights to education & fair placement practices, mentally retarded, 58:10527
development of legal theories in child advocacy, 57:8123
erosion of individual rights during conflict with groups & institutions, 57:10061
ethical & legal dilemmas, psychological assessment & client rights, applied psychologists, 54:3228
ethnic identification & interethnic contact & ethnocentrism & cosmopolitan-local typology, ambivalence toward ethnic integration, 35–65 yr old white Protestant & Jewish members of civil rights organization, 56:9753
Fair Labor Standards Act, payment for hospital work assignments & work therapy, psychiatric hospital patients, 54:6139
human rights, mentally retarded & their families, 53:11951
implications of Alabama Wyatt vs Stickney case, budget & cost–personnel factors & effects & rate of growth, administration of institutions for mentally ill & retarded, 53:10343
interpersonal & social controls vs physician-investigator compassion, protection of Ss' rights & welfare, 53:11795
intraracial attitudes & attitudes toward social & psychological gains of Civil Rights Movement & Black Power Movement, middle class Blacks, 58:3201
involuntary commitment process, field investigation of effects of advocacy on behalf of alleged mentally ill, 58:8039
involuntary hospitalization of mentally ill, viewpoints of abolitionists & medical model psychiatrists & civil liberties lawyers, 56:590
involuntary psychiatric hospitalization & treatment, civil liberty & due process, 53:10373

lawsuits, translation of rights into reality, mental patients, 54:5474
legal reforms concerning right to public education & protection of Bill of Rights, school psychology, 55:10587
legal rights & access to sealed birth records, adult adoptees, 54:901
legal rights & juvenile courts & class & race prejudice & criminal processes, children, 54:2854
legal rights & summary of critical cases, mentally ill patients, 53:11516
legal rights, institutionalized mentally retarded, 53:11946
moral & legal rights for children, 54:9477
neighborhood operational child advocacy program, 54:2855
new cases & types of statutes of commitment, rights to liberty & therapy, mentally ill, 54:3936
perpetuation of sexist attitudes in public school system, blockage of effective child advocacy in counseling & guidance & testing & placement & activities, 57:9197
personal interview, realization of resident rights, 7–46 yr old severely retarded multiply handicapped residents, 58:1794
personality traits, attitudes toward civil liberties issues, adults, 55:6901
Plato's ideal state, equal education & opportunity, status of females & males in US, 53:11561
political attitudes & activities of black youth gangs, 21–35 yr olds, followup study, 56:5937
priority activities, medical school affirmative action program, women & minorities, 54:5397
protection of rights of mentally retarded through education & ethical issues involved, 58:1915
protective laws of children's rights, 53:7196
provisions in civil law guaranteeing rights of children in disturbed family situation, US & 20 other countries, 58:11595
recent court decisions involving patients' rights, change in structure of mental health field, 57:13509
right to treatment & behavior modification & conversion of state hospitals' issues, 53:12292
right to treatment & involuntary treatment issues, mentally ill, book, 54:11887
rights of Ss in psychological experimentation, 55:31
role of relative deprivation & rising expectations as mediators between social structure & black militancy, blacks in Cleveland & Miami, 1960's, 57:1037
sex role stratification & attempt to restructure female roles in Black community, 58:1005
social & legislative development, shaping of social-political philosophies of blacks, 1955–75, 56:5876
socioeconomic status & personality traits, antipornography crusaders vs civil libertarians, 53:5092
tolerance and cognitive complexity in civil liberties attitudes, "constricted" vs "nonconstricted" Ss, 55:6979
torture & prisoners' rights, report of Amnesty International, book, 54:11532
voting rights & practices & instruction, mentally retarded, 54:7903
workshop proceedings, legal problems of correctional & mental health & juvenile detention facilities, attorneys in mental health field, 54:5683

Civil Servants [See Government Personnel]

Clairvoyance [See Also Precognition]
attitudes toward & experimentally-induced expectancies about ESP performance, scoring rates in clairvoyance task, college students, 56:1583
clairvoyant diagnosis, graduates of Silva Mind Control course, 54:6633
conceptualizations of experimental clairvoyance, 57:9281
consciousness vs unconsciousness of hidden answers, clairvoyance on academic examination, college students, 56:1573
"empty seat precognitions", clairvoyant, 57:9290
ESP ability & susceptibility to preconscious perception & visual aftereffects, college students, 54:8677
experimental study of telepathy & other clairvoyant processes, discussion of technique in Troland's 1917 article, 57:9293
mental imagery, ESP scores & Psi-missing vs Psi-hitting, 55:1722
mental imagery, mediation of ESP information into consciousness in clairvoyance experiment, 53:144
neuroticism & extraversion & dream vividness & memory for dreams, ESP ability, 13 & 14 yr old males, 54:45
perception of normal communication & role of telepathy & clairvoyance, 58:25
shuffle method, clairvoyance in card experiments, 55:5864

Class Attitudes [See Socioeconomic Class Attitudes]

Classical Conditioning [See Also Conditioned Emotional Responses, Conditioned Responses, Conditioned Stimulus, Conditioned Suppression, Unconditioned Responses, Unconditioned Stimulus]
acquisition & extinction of classically conditioned response, auditory unit activity in inferior colliculus & medial geniculate & thalamus & pretectal region & cortex, rats, 57:568
active avoidance training, subsequent differential response gradients to Pavlovian safety signal, young & adult rats, 55:6249
age & individual differences, acquisition & extinction of conditioned alimentary reflex, 1 vs 4 mo olds, 57:877
age, alimentary conditioning, 1 vs 4 mo olds, 57:5548
amounts of conditioning generalized to semantic & phonological & syntactic associates of CS & control words unrelated to CS, 17–22 yr old college students, 54:7584
amygdalectomy, classically conditioned fear response acquisition, male rats, 53:8985
amygdalectomy, long-term retention of undertrained classically conditioned fear response, male rats, 53:11123
analysis of amalgamation of operant & classical conditioning, 57:4634
anodal polarization of cerebral cortex, classical conditioning & visual evoked potentials, rats, 56:9496
anticipatory avoidance & classical conditioning & chained avoidance, aversion therapy & assessment of model of analog aversion therapy, student nurses & 15–16 yr olds, 56:1098
anxiety & locus of control, mean trials to criterion in operant or classical conditioning, college students, 55:8894
anxiety, classical conditioning of patellar reflex, male college students, 57:4829
anxiety level, conditioned scratch response, atopic dermatitis patients, 53:9776
assessment & interpretation problems, contingency theory & classical autonomic excitatory & inhibitory conditioning, 54:8918
assessment of contingency awareness in classical conditioning experiments, extensive & direct post experimental questionnaire, college students, 54:4591
assessment of contingency relations, classical skin conductance conditioning, criticism of W. F. Prokasy, 55:11252
associative connections in 1st- vs 2nd-order conditioning & discrepancy principle, 2nd-order conditioning, 58:2772
associative effects of noise signals & shocks, temporal properties of avoidance responding, rats, 58:449
asymmetrical levels of cutaneous afferent activity, bilateral nictitating membrane conditioning, rabbits, 53:2540
autoshaping vs operant vs classical conditioning vs negative automaintenance acquisition followed vs not followed by negative automaintenance, response acquisition & RT latencies, male rats, 58:11073
autoshaping with differential conditioning of response key illumination & grain inaccessibility & overt movements, transfer in keypecking with grain availability & acquisition of stimulus-stimulus relations, pigeons, discussion of role of latent learning, 57:2552
averaged evoked potentials & EMG recordings of CSs & UCSs, role in functional system of conditioned behavioral act, rabbits, 54:8970
aversive classical conditioning, skin conductance & digital vasomotor responses, college students, 53:2508
aversive Pavlovian CS, evocation of escape & avoidance instrumental responding, mongrel dogs, 57:5048
aversively motivated instrumental vs Pavlovian training, stimulus generalization of suppression, male rats, 54:675
avoidance vs classical conditioning treatments, nocturnal enuresis, 5–12 yr olds, 55:12700
awareness & sophistication & need for approval, verbal classical conditioning, high school students, 56:9228
awareness & transfer of affect using embedded CS in classical conditioning procedure, male college students, 57:367
awareness of CS-UCS relationship, autonomic classical conditioning, 55:8877
background cue levels during classical fear conditioning, conditioned fear response, rats, 53:695
background stimuli & interstimulus interval, Pavlovian conditioning, male rats, 54:11296
background stimuli, Pavlovian conditioning, male rats, 54:7127
backward conditioning of nictitating membrane response, male rabbits, 54:709
backward masking of conditioned stimuli, single-cue & differential classical conditioning performance, college students, 53:4457
backward-paired experience with classical conditioning, acquisition performance, male rats & rabbits, 53:2768
backwards & 1-trial simultaneous fear conditioning, conditioned suppression of licking, rats, 58:454
behavior therapies based on operant & classical conditioning, treatment of neurotic disorders, 53:10165
behavioral analysis, concept of "attitude," review, 55:3429
behaviors to light & tone CSs, form of Pavlovian conditioned response, male rats, 57:12147
bilateral adrenalectomy, stimulus control over Pavlovian conditioned cardiodecelerations during physical/pharmacological immobilization, rats, 58:7048
bilateral amygdaloid lesions, alimentary & defensive conditioned reflexes, rats, 55:2056
biography of Pavlov, book, 54:4395
blocking of excitatory appetitive classical conditioning using autoshaped pecking responses, pigeons, 55:9025
body tilting to head-down position as UCS, behavioral control of stress-induced maladaptive cardiac accelerations by heart-rate decelerative Pavlovian conditioning, college students, 56:5540
chained avoidance, role of classical conditioning in aversion therapy, reply to criticism by D. A. Fuldauer, 56:1099
chemical stimulation of dorsal & ventral segments of caudate nucleus head, alimentary conditioned reflexes, dogs, 55:2114
chlordiazepoxide, differential heart rate conditioning, male rats, 53:6885
cholinergic stimulants & blockers, nonassociative explanations of habituation & alternation & classical & instrumental conditioning & differentiation & discrimination, review, 58:668
cingulate gyrus stimulation, conditioned activity & EEG, dogs, 55:2029
classical & instrumental conditioning using facial cues, formation & function of empathic & contrast empathic behaviors, intermediate school children, 58:11626
classical & operant conditioning & learning theory models of clinical depression, implications for behavior therapy, 53:9811
classical appetitive & aversive conditioning, cardiovascular dynamics, monkeys, 54:9039
classical aversive conditioning of heart rate, curarized male rats at different blood gas levels, 57:7704
classical aversive conditioning, anticipatory skeletal responses in shuttlebox, 2 strains of female rats, 53:6923
classical aversive conditioning, multiple somatic measures & heart rate, cats, 53:769
classical conditioned-stimulus–unconditioned-stimulus contingency, strain differences in avoidance conditioning, female rats, 53:2528
classical conditioning & habituation & sensitization, flexion reflex of tibialis anterior muscle, acute spinal cats, 54:4666
classical conditioning & presentation of orienting tones, electrodermal activity response amplitude & frequency & habituation, adopted offspring of chronic schizophrenics, 54:7825
classical conditioning & pseudoconditioning, autonomic responses, alert & drowsy 17–24 yr old male US Naval Hospital Corps students, 55:3760
classical conditioning analysis of observational learning of attitudes, review of theoretical formulations & empirical evidence, 57:4975
classical conditioning, color concept of black & racial attitudes, kindergartners, 53:8791
classical conditioning, evoked pyramidal activity, cats, 54:459
classical conditioning model of McCollough effect, criticism of G. M. Murch's study, 58:10894
classical conditioning of emotional responses with neonatal ultrasounds prior to mating, subsequent mother-infant interaction, virgin female rats, 57:2529
classical conditioning of eyelid to verbal vs visual vs auditory stimulation, aphasic vs normal adults, 58:1416
classical conditioning of GSR to visual verbal stimulus, development of word meaning, college students, 54:10998
classical conditioning of heart rate during exercise, male students, 55:11666
classical conditioning of implicit affective response to adjective descriptors, person perception & social judgment, college students, 55:12230
classical conditioning of nictitating membrane response, lemon sharks, 55:6266
classical conditioning of nictitating membrane response, neuronal activity in dorsal hippocampus, rabbits, 58:540
classical conditioning of target-striking response, goldfish, 53:2782
classical conditioning, prejudicial attitudes toward Vietnamese & Afro Americans, Euro American 6th graders, 58:1064
classical conditioning procedure using stimuli related to Black relatedness & non-Black-relatedness, evaluation of cognitive component of political issues with skin conductance CR, White college students, 57:12304
classical conditioning procedures, control of aggressive behaviors in classroom, 4th & 5th graders, 55:8252
classical conditioning, self esteem, 4th graders, 55:9877
classical conditioning, single cell & evoked potential activity in postcruciate cortex, cats, 57:7658
classical conditioning trials in GSR paradigm, operant measurement of stimulus generalization, adolescents, 58:10973
classical conditioning, urinary bladder responses, 32 & 37 yr old male patients with spinal cord lesions, 57:6341
classical conditioning using auditory stimulation followed by tilting S's head down, systolic blood pressure decreases, normal vs hypertensive Ss, 56:6427
classical conditioning using light & shock, electrical output & folding of oral disc, sea anemones, 55:6267
classical conditioning vs cognitive or motivational explanation, covert sensitization effectiveness, smokers, 53:1708
classical conditioning with vibrator as UCS eliciting erections, heterosexual responsiveness, 44 yr old fetishist, 58:3802
classical eyeblink conditioning, heart rate & blood pressure changes, rabbits, discussion within orienting & defense reflex context, 57:5188
classical nictitating membrane conditioning under single-CS dual-interstimulus interval paradigm, double responding, rabbits, 57:7575
classically conditioned changes of blood glucose level, CNS reflex compensation interpretation & model, 57:623
classically conditioned chromatic afterimage, 56:7122
CO sub 2 poisoning paired with ingestion of new food, avoidance conditioning, terrestrial mollusk, 55:254
cochlear microphonic potential, acquisition of classically conditioned pupillary dilation response, cats, 56:250
cognitive theory, classical conditioning, humans, 54:312
combinations of controlling stimuli, interaction of Pavlovian conditioned fear processes, rats, 55:9040
compound conditioning, nonassociative modification of behavior, flies, 57:7580
concepts & research of P. S. Kupalov, classical conditioning, 53:8544
conditionability & heart rate variability & sex, heart rate conditioning, newborn infants, 54:4979
conditioned & latent inhibition in taste-aversion learning, rats, 54:674
conditioned excitation of neutral stimulus, rats, test of R. A. Rescorla & A. R. Wagner's linear associative learning model, 53:669
conditioned immunosuppression, rats, 54:11283
conditioned stimulus intensity, latent inhibition of nictitating membrane response, rabbits, 53:9181
conditioned stimulus preexposures, inhibitory summation of nictitating membrane response, rabbits, 53:11310
conditioned stimulus properties, Pavlovian conditioning vs autoshaping outcomes, 58:2762
conditioned suppression paradigm, use of untrained index response, rats, 55:6265
conditioned visual afterimages with combined test & training trials, extinction effect of normal test trials, 20–40 yr olds, 57:231
conditioning of knee-jerks, college students, 53:6634
conditioning of narcotic abstinence, volunteers on methadone maintenance, 58:4054
conditioning of narcotic withdrawal syndrome, male opiate addicts, 57:13479
conditioning of pupillary dilation responses, multiple unit activity in auditory & somatosensory pathways, cats, 55:6384
conditioning paradigm embedded in masking task, temporal onset of awareness of CS/UCS contingencies during acquisition & extinction of skin conductance responses, college students, 58:7027
conditioning, spinal vs intact turtle, minimal model system of basic neuronal mechanisms subserving classical conditioning, 56:3672
continuous vs partial vs random reinforcement & aversive vs nonaversive visual stimuli, heart rate & electrodermal activity, college students, 55:6364
control & inference methodology, random controls in classical skin conductance conditioning, comment on study of J. J. Furedy et al, 55:11260
corneal airpuff vs infraorbital shock as unconditioned stimulus, classical eyelid conditioning, college students, 53:4444
CR interactions involving appetitive & aversive CSs & UCSs, classical-classical transfer, rabbits, 55:6302
CR-contingent increments & decrement in UCS intensity, classical aversive conditioning of nictitating membrane, rabbits, test of K. W. Spence's drive theory & R. A. Rescorla & A. R. Wagner's associative theory, 56:3513
CS & UCS presented in random temporal order & with random intertrial intervals, activity & excitability to electrical current of cortical auditory receptive neurons, naive vs blink-conditioned vs "randomization" cats, 57:12348
CS amplitude & alternating series of paired vs unpaired stimuli, UCR diminution in skin resistance, male college students, support for expectancy hypothesis, 56:9439
CS duration in acquisition & extinction & total nonreinforced CS exposure, extinction of conditioned suppression of licking, rats, 55:6305
CS input recruitment & trace decay processes, trace conditioning deficit, 12–18 yr old severely & profoundly mentally retarded, 54:9976
CS intensities equal to & greater than UCS intensity, skin conductance response conditioning, college students, 54:8857
CS-UCS interval, conditioned inhibition of nictitating membrane response, rabbits, 56:3505
CS-UCS training & method of baseline shock delivery & initial Pavlovian training, conditioned suppression of shuttle avoidance, female rats, 57:7594
cutaneous afferent activity magnitude, nictitating membrane response frequency, instrumentally vs classically conditioned rabbits, 53:675
delayed conditioning of water licking response with compound stimulus & number of interspersions of 1 stimulus component, response suppression & informative-redundant stimuli properties, male rats, test of M. D. Egger & N. Eller's information hypothesis, 57:2591
demand characteristics interpretation, classical conditioning of attitudes effect, college students, 53:3038
demand characteristics, satiation-deprivation effect on attitude conditioning, college students, 56:5977
deprivation-satiation effect in attitude conditioning without deprivation but with demand characteristics, college students, 57:12721
development & constraints in infant classical conditioning, 56:7634
dextroamphetamine as CS, conditioned suppression of operant response, male rats, 58:11365
diazepam & Pavlovian discrimination fear-conditioning procedure, fear-dependent variations in continuous avoidance behavior, female & castrated male pigs, 58:11243
diazepam, acquisition & performance of Pavlovian fear conditioning & plasma corticosteroid levels & continuous avoidance behavior, female & castrated male pigs, 58:11244
differences between operant & classical conditioning according to various experimental psychologists, 58:2433
differential classical conditioning of somatic response systems, heart rate, rabbits, 54:487
differential classical conditioning with tones as conditioned stimuli & eye shock as unconditioned stimulus, corneo-retinal potential & heart rate & hippocampal EEG conditioned responses & general somatic activity, rabbits, 53:4593
differential classical conditioning, concomitant changes in heart rate & corneoretinal potential, rabbits, 53:6759
differential reinforcement of conditioned stimuli, response inhibition in electrodermal conditioning, college students, 53:4419
dimethylaminoethanol, life span & body weight & fluid intake & activity & sexual activity & classical conditioning of heart rate, aged Japanese quail, 58:673
direct vagal stimulation as UCS, classical conditioning of heart rate, female rats, 54:9102
discriminated avoidance acquisition & classically conditioned leg flexions, 2-phase model analysis of conditioning, cats & dogs, 53:6939
discriminated punishment contingency, acquisition of classically conditionable skeletal response, college students, 53:10909
discrimination conditioning, GSR amplitude & recovery time & heart period increment, unmedicated chronic schizophrenics vs temporal lobe epileptics, 58:7633
discrimination training with vs without shock followed by fear conditioning using tone as positive vs negative CS for shock, anticipation of shock as discriminative stimulus in barpressing for food behavior, male rats, 57:519

dopamine, diuresis & formation of renal conditioned response, female dogs, 53:2656
dosage of RNA-rich brain extracts from trained donors, biochemical transfer of classically conditioned responses, goldfish, 54:4908
duration of CS, classical conditioning of systolic blood pressure, male & female college students, 58:7039
duration of intersignal interval, period of stabilization of conditioned food getting reflexes, rabbits, 55:11542
ECS-induced amnesia, recovery of memory for classically conditioned fear, male rats, 57:666
EEG conditioning to sound & light, response duration & variability, 4–12 yr old psychotic vs normal children, 54:3288
electrical brain stimulation & brain lesions, midbrain & brain stem neural mechanisms of conditioned inhibition of nictitating membrane response, rabbits, 58:11186
electrical stimulation of nucleus locus coeruleus & loud auditory stimulus, hippocampal neuronal responses in conditioning paradigm, rats, 56:346
electrophysiological characteristics, conditioning to verbal signals, 2 yr olds, 54:8979
empathy level & empathic conditioning, aggressive behavior, incarcerated White male delinquents, 58:11861
ethological limits, possibility of conditional relationship in classical or operant conditioning, 58:11078
evaluative meaning vs word imagery, concurrent & independent conditioning, college students, 56:9217
excitatory & inhibitory conditioned responding due to backward conditioning, test of information theory predictions, 58:8576
expected vs surprising UCS, subsequent backward conditioning to CS, male rabbits, 55:6315
exposure to apparatus cues &/vs noncontingent footshock &/vs epinephrine injections following classical fear conditioning, reinstatement of learned fear, male rats, 58:4964
exposure to escapable vs inescapable signaled shock, measurement of classically conditioned fear, male rats, 55:3889
exposure to potentially phobic & neutral objects as CS & shock as UCS, skin conductance & finger pulse volume acquisition & extinction in Pavlovian conditioning, 54:337
extended blocking & motivation & chain flooding & safety testing, approach measured fear reduction following response prevention, male rats, 56:9342
extinction vs reinforcement of nonsalivation, elimination of classically conditioned salivation, dogs, 54:7111
finite integer analysis of individual S protocols during classical & avoidance modes of eyelid conditioning, college students, 56:5294
fixed vs variable intertrial interval, classical conditioning of shock-induced aggression, rats, 58:11083
food unconditioned stimulus, 2nd-order conditioning, male rats, 53:9156
food-reinforced inhibition, conditioned salivation, dogs, 54:716
forebrain lesions, classical conditioned eyeblink response, cats, 53:2574
formation of symmetrical connections during classical conditioning, 18–28 yr olds, 56:5281
forward & backward classical conditioning procedures, hind–limb flexor nerve response, spinal cats, 54:9118
forward defense conditioning followed by backward conditioning, efficacy of CS-alone vs backward procedures in CR extinction & spontaneous recovery, male rats, 57:478
forward vs backward pairings of bite-tube CS & shock UCS, conditioned biting, male monkeys, 56:9300
frequency specific discharges at unit level following conditioning, adult cats, 56:9397
functional basis of elementary model of counting in dogs, local conditioned reflex, 54:8830
functional bladder capacity & fluid retention training & classical conditioning, enuretic children, 55:10378
gradual increase vs constant-intensity shock & shock intensities, heart rate conditioning, rabbits, 56:5361
GSR, methodological considerations on measurement & habituation, 57:7654
habituation & classical trace conditioning, stabilized photically evoked afterdischarge of visual evoked response, awake rats, 56:5473
habituation & conditioning & extinction of begging response to auditory stimulus, laboratory raised vs wild Great Tit nestlings, 56:7336
heat reinforcement, stimulus-directed pecking in Pavlovian conditioning, chicks, criticism of E. A. Wasserman's conclusion, 53:4790
hemidecortication or neodecortication, acquisition of Pavlovian conditioned responses of nictitating membrane, rabbits, 58:7060
hippocampal ablation, latent inhibition & stimulus generalization of classically conditioned nictitating membrane response, rabbits, 55:6522
hippocampal lesions, general activity during classical & pseudoconditioning, rats, 55:4065
hippocampus lesions, blocking & conditioned inhibition of nictitating membrane response, rabbits, 58:11218
housing in spring water with vs without magnesium pemoline, learning rate of conditioned responses, planarians, 53:2652
hypoglycemic conditioned reflex to insulin, role of nervous mechanism, female rats, 53:8891
hypothermia, classical conditioning of heart rate, male rabbits, 56:5584
hypothermia, classical conditioning of nictitating membrane, male rabbits, 56:5580
hypothesis & evaluation cues, subject awareness & compliance in classical conditioning of attitudes task, 57:3166
image & classically conditioned associations, theory of instrumental conditioning, 53:11285
imagined paired vs unpaired conditioned &/vs unconditioned stimuli, frequency of post-conditioned stimulus responses during real extinction, 53:8804
immobilization with curare during pairing of conditioned stimulus with rewarding intracranial stimulation, activity response before & after Pavlovian conditioning, male rats, 53:640
information about model's UCS & UCR, vicarious instigation of skin conductance responses, college student Os, 56:5545
information processing during sleep, finger plethysmograph & heart rate & EEG K-complex responses to "own name" & "other name" & tone stimuli & persistence of conditioned discrimination acquired during wakefulness, male college students, 55:11667
inhibiting & facilitating conditioning sets, differential galvanic skin response conditioning rates, kindergartners & 1st & 2nd & 4th & 6th graders, 53:7058
instructions to facilitate or inhibit classically conditioned GSR, cognitive control processes during acquisition & extinction & analysis of associative vs incentive-motivational hypothesis, 57:7462
instrumental vs classical conditioning paradigms, aversive conditioning, alcoholics, 57:3919
instrumental-avoidance vs classical conditioning with intermittent reinforcement, GSR in electrodermal audiometry, normal hearing 19–30 yr old males, 56:3295
intellectual level, classical eyelid conditioning acquisition & extinction, college students vs equal-age moderately retarded, 56:883
intelligence, conditioning of evoked potentials, children, 55:9111
intensity of CS when intensity is manipulated within Ss, classical eyelid conditioning, humans, 55:3584
interference introduced before & after original conditioning, retention of CR, cats, 58:6947
intermittent reinforcement, classical skin conductance conditioning, 55:9146
interpersonal experiences, development of vicarious emotional responsiveness, children, test of classical conditioning explanation, 55:7050
interstimulus interval between subthreshold tone & following paired light, backward learning during classical conditioning, 57:7426
intertrial interval duration & variation, classical conditioning of directed motor behavior, pigeons & rats, 58:436
intertrial intervals & discrete conditioned stimulus & situational cues, conditioned fear, female rats, 53:2758
introversion & extraversion & neuroticism & stability, GSR conditioning, males, 55:9148
IQ, EEG measures of contingent negative variation following conditioning, Ss with 70–90 vs 91–110 vs 111–140 IQs, 57:12243
language conditioning techniques based on conditioning model of rational-emotive therapy, acquisition & reduction of emotional arousal & anxiety through verbal conditioning, female college students, 57:6324
learned safety theory of baitshyness, conditioned inhibition in taste aversion learning, rats, 55:9023
learning paradigms in individual learning, dynamic stability of relationships, 58:1099
local cortical excitation during conditioned reflex formation & transition to spreading excitation & effect of etimizol on action potentials, mollusks, relationship to mechanisms underlying retention, 57:5152
location of interpolated UCS trials, classical GSR conditioning, application of Capaldi's theory of partial reinforcement, 55:8708
long interstimulus interval conditioning paradigm, electrodermal responses & subjective estimates of UCS probability, 56:3615
long term retention of early Pavlovian fear conditioning, infant rats, 56:1862
McCollough effect as classical CR, reply to criticism by A. McCarter & A. I. Silver, 58:10898
mechanical & chemical control of magnitude of cutaneous afferent activity from orbital region of eye, performance of learned nictitating membrane response, rabbits, 57:9769
mediated stimulus generalization, anti-Negro attitude change, Caucasian kindergartners, 55:1049
memory-oriented theoretical approach, dynamics of episodic processing in Pavlovian conditioning, 57:12180
mesencephalic reticular formation &/or frontal cortex lesions, acquisition & extinction of classically conditioned nictitating membrane response & photically evoked potentials in visual cortex, rabbits, 57:2706
methadone or morphine or bulbocapnine as UCS, striatal dopamine metabolism, rats, 57:12410
minicomputer programs, stimulus event control & response recording data using nictitating membrane & jaw-movement response in classical conditioning, 53:2727
morning glory seeds vs normal feeding, extinction of classically conditioned response, fish, 55:6548
morphine classical conditioning studies, literature review, implications for clinical treatment of narcotic addiction, 57:772
motor conditional reflex & autonomic conditioning & word association tests, childhood vs adult schizophrenics, 53:3372
Mowrer's conditioning vs delayed-UCS treatment, enuresis, geriatric nursing home patients, 56:2614
neocortical lesions, differential & reversal conditioning, rabbits, 53:573
neodecortication, Pavlovian discrimination learning using nictitating membrane response, rabbits, 55:11741
neural network theory of classical & operant conditioning & adaptive pattern recognition, 58:2847
neuromuscular blocking drugs, heart rate changes after direct nerve stimulation & during classical conditioning, male cats, 54:607
novel shock stimulus, disinhibition of conditioned nictitating membrane response, rabbits, 58:11097
number & similarity of stimuli, local contrast & Pavlovian induction, pigeons, significance for classical & operant discrimination learning, 58:455
number of CS-UCS pairings, suppressive tendencies in simultaneous & backward fear conditioning, rats, 56:7322
number of CS-UCS pairings, acquisition & conditioned suppression & excitatory conditioned tendencies, rats, 58:437
off- & on-baseline differential aversive classical conditioning, conditioned suppression of positively reinforced shuttle response, male rats, 56:9323
operant & respondent paradigms in acquisition & maintenance of self injurious behavior & its treatment, schizophrenic & retarded children, 56:6194
operant reinforcement, alteration of classically conditioned heart rate, male monkeys, 53:466
origin of term "response" in behavior theory, Pavlovian vs operant conditioning procedures, 58:8574
pairing of color black & neutral words in classical conditioning, reduction of negative attitudes toward Afro-Americans, Euro-American kindergartners, 54:9448
partial & continuous reinforcement, acquisition & extinction in classical appetitive conditioning, rabbits, 53:4799
partial & continuous reinforcement, conditioned heart rate & corneoretinal potential responses, rabbits, 54:9241
partial reinforcement, classical conditioning & conditional probabilities & asymptotic performance & extinction of nictitating membrane response, rabbits, 53:11279
partial reinforcement effects, classical aversive conditioning, rabbits & humans, 54:694
partial vs continuous reinforcement during avoidance acquisition & classical trials vs punishment in extinction, avoidance response suppression & resistance to punishment, male gerbils, 56:206
Pavlovian & instrumental contingencies, acquisition & maintenance of conditioned nictitating membrane response, rabbits, 55:9044
Pavlovian conditioned excitation & inhibition, transfer to appetitive instrumental responding using combined-cue & acquisition-test procedures, rats, 57:7573
Pavlovian conditioning & signaling, higher order conditioning & transfer, female rats, 58:8873
Pavlovian conditioning, male rats, tests of R. A. Rescorla & A. R. Wagner's model, 55:6280
Pavlovian CSs with vs without noncontingent shock, suppression of food-reinforced responding, male rats, 57:5056
Pavlovian determinants, autoshaped keypeck response, male pigeons, 55:6293
Pavlovian principles in bidirectional conditioning hypothesis of instrumental conditioning paradigm using pairing of 2 UCS, rabbits, 58:2754
percentage of conditioned stimulus-unconditioned stimulus pairings & conditioned stimulus duration, conditioned enhancement, male rats, 53:9166
perception & binocular fusion, image theory of classical conditioning, 56:9103
personality & cognitive & psychophysiological parameters, classical galvanic skin response conditioning, 53:2506
phobic & neutral pictures as conditioned stimuli & shock as unconditioned stimulus, skin conductance responses, college students, 53:9800
pictures of potentially phobic objects as CSs for electrodermal responses, validity of equipotentiality in classical conditioning, college students, 58:589
postconditioning habituation, classically conditioned head withdrawal, red-eared turtles, 58:6930
preconditioning apomorphine hydrochloride UCS habituation, acquisition & retention of conditioned taste aversion, male rats, 56:5368
preconditioning of reinforcing properties to exteroceptive feedback stimuli, rats, 54:4918
preconditioning preexposure to CS, classically conditioned heart rate, rats, 56:9302
predictions from Pavlovian conditioning model, stimulus generalization, rats, 56:3514
prefrontal lesions, dissociation of deficits on previously learned auditory Pavlovian differentiation vs positive tasks, monkeys, 57:688
premenstrual vs intermenstrual state & use vs nonuse of oral contraceptives, susceptibility to GSR response conditioning & resistance to extinction, female phobic patients, 58:9677
presence of discriminative cue, acquisition of classically conditioned fear response, amygdalectomized rats, 55:6503
pretraining, compound conditioned-suppression situation, male rats, selective attention hypothesis vs simple classical conditioning hypothesis as explanation for L. J. Kamin's blocking effect, 57:2586
previous curare immobilization, Pavlovian conditioned heart deceleration during dextrotubocurarine chloride-induced paralysis, rats, 54:4872
primary reinforcement & overt movements, autoshaping keypeck response, female pigeons, 57:5040
primed UCS in short term memory at time of presentation with CS, classical eyelid conditioning, rabbits, 56:9343
prior extinction type & amount of Pavlovian reconditioning, avoidance behavior, male rats, 58:8945
prior Pavlovian conditioning of fear or aversiveness to distinctive apparatus cues, shock-escape runway & 1-way avoidance behavior, rats, 58:8890
prior shock exposure, facilitation of Pavlovian conditioned heart rate decelerations under immobilization due to physical restraint vs curare induced neuromuscular paralysis, male rats, 57:660
prior training consisting of nonreinforced presentations of to-be-continued stimulus & reinforced/nonreinforced presentations of different stimulus, specific & generalized adaptation of salivary conditioning, dogs, 57:7574
psilocybin vs LSD vs pentobarbital vs methyl atropine nitrate as UCS paired with light as CS, conditioned suppression, male rats, 57:718
pure tone vs speech sound CS conditions, trace classical conditioning performance, 15–24 yr old profoundly & severely retarded vs normal college students, 56:6230
random sequences of tone as conditioned stimuli & shock as unconditioned stimuli, conditioning, male rats, 53:9136
rearing in enriched vs isolated environment, heart rate conditioning & response suppression, rats, 53:11036
reflex-conditioned emotional sensitization, detection of simulated behavior by physiological cues, 57:2662
reinforcement conditions, response rate & response topography development in eyelid conditioning, college students, 53:4422
reinforcement ratio in between-Ss design & sequences of successive reinforced & nonreinforced trials & information about schedule contingencies, skin conductance response conditioning, college students, 54:11009
reinstatement & reinforced learning procedures, biochemical transfer of classically conditioned color avoidance, goldfish, 55:450
repeated administration of methylphenidate, conditioning of methylphenidate-induced wheel-running, guinea pigs, 56:7537
respiration parameters & neuromuscular blocking agents, heart rate conditioning in classical conditioning paradigm, curarized rats, 55:6561
respiratory-induced cardiac deceleration as UCR, Pavlovian decelerative cardiac conditioning, 54:2434
response prevention after avoidance or classical defensive conditioning, residual fear of CS, female rats, implications for implosive therapy, 56:3506
response prevention after avoidance or classical defensive conditioning, residual fear of CS, rats, discussion of P. M. Monti & N. F. Smith's research, 56:3519
response prevention after avoidance vs classical conditioning, residual fear of CS, female rats, 58:461
response-contingent change in UCS intensity, nictitating membrane response, rabbits, 54:679
retardation of Pavlovian conditioning, blocking by previously conditioned contextual stimuli, animal Ss, 58:11105
saline vs insulin vs glucose vs glucose plus insulin injections as UCS, classical conditioning of hypoglycemic response, male rats, 57:9788
scopolamine hydrobromide vs methylbromide, habituation of unconditioned nictitating membrane response & classical defensive conditioning & latent inhibition, rabbits, 57:9863
section of tectal commissures, interocular transfer of differential classically conditioned cardiac response, goldfish, 55:6527
selective autonomic blockades, classical conditioning of heart rate & lever-lift suppression, female hares, 53:4749
self management techniques based on classical conditioning, self change, counseling clients, 55:2685
separately conducted Pavlovian conditioning, failure of transfer of control to free-operant avoidance conditioning, female rats, 55:6244
septal lesions, acquisition of classically conditioned fear response, male rats, 56:3668
septal lesions, classical differential & operant conditioning, rabbits, 53:8996
septal lesions, eyeblink & EMG & heart rate conditioned responses to differential classical conditioning, rabbits, 58:7061
septal lesions, reduction of competing response in classical eyelid conditioning, rabbits, 53:4656
sex, electrodermal conditioning to potentially phobic vs fear-irrelevant stimuli, college students, 58:579
shock during response prevention, resistance to extinction of avoidance response, male rats, role of Pavlovian conditioning processes, 54:7093
shock presentation associated with food, conditioned suppression during conditioned emotional response training, rats, 54:707
shock UCS with white noise as positive vs aversive vs neutral CS, transfer effects & signaling properties of aversive CSs, male rats, 57:499
short interval autonomic conditioning, orienting reaction-recovery account, paid college students, 55:3737
shuttlebox avoidance behavior, Pavlovian conditioned inhibition of fear, rats, 53:6935
simulated informon network, reproduction of classical conditioning & operant conditioning, 58:2846
simultaneous vs backward conditioning & single vs multiple task training & week of test & massed vs distributed test sessions, durability of secondary reinforcement, rats, 58:2747
single cell activity in postcruciate cortex during habituation & classical conditioning, cats, 53:2463
S-initiated trials in classical GSR conditioning & interstimulus interval & pseudoconditioning & hypothesis testing instructions, response magnitude & percentages with vs without probe stimulus & arousal level, 58:2885
spreading depression in cortex & striatum & hippocampus, Pavlovian conditioning of eating, male rats, 55:6634
stereotype presentation stimuli, heart rate activity, dogs, 55:1993
stimulus compounding, classical fear conditioning, male rats, 56:3492
stimulus duration & frequency of daily preconditioning stimulus exposures, latent inhibition in Pavlovian conditioning of nictitating membrane response, rabbits, 53:9143

stimulus objects presented following shock, avoidance conditioning, 55:8976
stimulus pairing & shuttle-shock contingency, shuttle responses to buzzer, 20 day old & adult rats, 56:7324
stimulus tone interval, heart rate conditioning to glucose, infants, 53:309
superimposition of stimulus correlated with response-independent food, operant behavior using delayed & simultanous conditioning procedures, male rats, 55:6288
systematic desensitization & relaxation & attribution-based & classical conditioning therapies, insomnia, 58:3872
systems methodological approach to classical Pavlovian conditioning, behavioral specificity of stimulation, rats, 58:2764
teacher-student attitude similarity, attraction to teacher & lesson & teaching technique, 7th–12th graders, discussion within classical conditioning model of attraction, 56:1442
teacher-student attitude similarity, information retention, high school students, validity of classical conditioning hypothesis, 55:13380
telencephalic ablation, classical & instrumental & avoidance conditioning, teleost fish, literature review, 56:9507
temporal cortex ablation, time interval count in alimentary conditioning, dogs, 55:2053
temporal parameters, classical conditioning of McCollough effects, college students, 56:108
testing during presentation of severe symptoms & upon clinical improvement, conditioned arrest of optokinetic nystagmus, depressed middle-aged inpatients vs patients without serious symptomatology, 57:1332
treadmill movement vs shock as UCS, differential heart rate classical conditioning, humans, 55:9160
trials per session & interstimulus & intertrial intervals, conditioning of nictitating membrane response, rabbits, 55:6299
trials per session & interstimulus intervals & intersession interval, nictitating membrane response, rabbits, 56:5410
trials per session, conditioning of nictitating membrane response, rabbits, 53:9161
UCS as corneal air puff vs infraorbital shock & intensity, delay & trace eyelid conditioning, normal vs severely & profoundly retarded adults, implications for stimulus trace hypothesis, 58:1388
UCS intensity & number of & intervals between successive CS-UCS pairings, acquired drive strength as measured by hurdle-jump response latency, male rats, 57:7566
UCS intensity, classical conditioning of penile tumescence & CR amplitude, heterosexual males over 18 yrs old, implications for behavior therapy of sexual problems, 54:11121
UCS intensity, conditioned alpha blocking, college students, 56:261
UCS intensity effects in Pavlovian aversive conditioning, appetitive discrimination, 55:3867
UCS intensity on CR trials, operator limit & response probability in classical eyeblink conditioning trials, college students, 56:3402
UCS intensity, signaling & affective functions of aversive CS in appetitive choice discrimination, male rats, 57:497
ultrasound stimulation, evoked reponses & galvanic skin response conditioning & reaction-time performance without awareness, college students, 53:6785
uncorrelated vs negatively correlated presentations of noises & shocks, conditioned inhibition measured by summation & retardation tests, male rats, 58:8864
utilization of configurational cues when isolable CS are available, compound eyelid conditioning, rabbits, 55:267
vagal stimulation, reinforcing effects on classically conditioned heart rate, female rats, 57:9772
varying light color & real vs pretend shock, semantic differential ratings of lights & GSR conditioning, college students, 53:301
vicarious classical conditioning using shock to model as UCS, skin resistance & pulse rate, primary & secondary psychopaths & normals, 55:7269
vicarious instigation & perceived threat of shock, conditioning of electrodermal responses, college students, 56:9433
vicarious vs direct instigation, conditioning of skin conductance response in successive component long interstimulus interval paradigm, college students, 57:7685
vicariously-instigated vs direct classical conditioning procedures, GSR magnitudes, college students, 55:6185

Classificat (Psychiatric Taxonomies) [See Psychodiagnostic Typologies]

Classificat (Psychodiagnost Taxono) [See Psychodiagnostic Typologies]

Classificat (Psychodiagnostic Proc) [See Psychodiagnosis]

Classification (Cognitive Process)
A–B & A–D learning, spontaneous recovery & response clustering on free-recall list with embedded response terms from List 1 or 2, college students, 53:6638
ability to avoid shock following syllable presentation, correct classification of nonsense syllables, college students, 57:12023
ability to encode & decode difference between pairs of objects & class inclusion, 4.5–5.5 yr olds, 55:1823
ability to utilize pictorial symbols as representatives of real objects in classification & identification tasks, 3 vs 8 yr olds, 58:873
abstract vs concrete conceptual tasks, visual short-term memory for conceptual sets of objects, gifted vs average vs slow-learning 3rd graders, 53:9262
abstraction of arbitrary categories, recognition ratings for old & new word groups & hierarchical response structure, college students, 55:11432
achievement characteristics on pattern recognition tasks, high & low performers in preschool & kindergarten & 1st grade, 55:13346
acoustic similarity vs dissimilarity of pictures & verbal mediation process, matching performance & visual short term memory, aphasics vs brain injured Ss, 54:5613
acquisition of focal vs boundary judgments of color category structure, kindergartners & 3rd graders & adults, 53:7033
actual vs nominal task demands, requirements in multi-attribute stimulus classification, 54:2338
adjective clustering as measure of differentiation, cognitive structure & synonymity across domains of objects & political & personal figures & self as stimulus objects, low vs high dogmatic college students, 54:11791
adjective language development & seriation, 4–8 yr olds, 58:9257
adoption of verbal labels for conceptualization of issue, attitude change, children, 54:3004
age & codibility of letter sequences, short-term memory, young vs middle-aged vs old females, 53:11471
age & cognitive development level & external structure, development of ability to categorize emotions correctly, 5–12 yr olds, 56:9701
age & complexity of materials used in unstructured play, play activities & classification learning, 3–6 yr olds, 55:4211
age & education & socioeconomic status, hierarchical classification ability development & response latency, nursery school children vs college students vs aged, India, 56:3819
age & grade & developmental level, use of perceptual vs conceptual vs syntagmatic sorting strategies in word sorting task, elementary school & college students, 57:12534
age & IQ & reduction of stimulus competition, concept usage as measured by sorting task performance, schizophrenic vs brain damaged vs normal 8–12 yr olds, 57:1398
age & repetitive object & picture stimuli, recall & subjective organization, educable mentally retarded 9 & 14 yr olds, 55:7400
age & role taking ability & classification skill, communication proficiency, 6–10 yr olds, 56:7643
age & serial position, subjective organization & learning to learn in free recall task, kindergartners vs 3rd graders, 58:7200
age & sex & educational level, numerical encoding of probability phrases, US Army enlisted men vs college students, 53:6606
age & sex & life experiences, conceptual style & classification, middle aged vs elderly, 53:5005
age & sex & performance of 1st card sorting task, transfer of training in 2nd card sorting task, 10–13 yr old mentally retarded males vs females, 54:7907
age & sex & race & socioeconomic status & self perception, cognitive or preferential styles in categorizing external stimuli, Black vs White 2nd vs 5th graders, 58:2244
age & sex, observational study of spontaneous play & categorizational preference, categorical behavior, 3 vs 4 vs 5 yr old children, 55:4216
age & sex, recall ability & identification of basic color terms, Head Start & kindergarten students, 58:10366
age & social class & preschool experience, labeling vs identification of familiar objects by function, 8–16 yr olds, 55:6805
age & socioeconomic level & sex & verbal vs nonverbal treatments, developmental parallelism among additive & multiplicative classifications & relations, kindergartners vs 2nd vs 5th graders, 58:3104
age & socioeconomic status & knowledge of picture categories, clustering & free recall, 3rd vs 4th vs 5th graders, 57:2434
age & training with hierarchically organized vs list presentations of animal terms, semantic structure as measured by free recall, kindergartners through zoology graduates, 58:9310
age & verbal & nonverbal IQ & writing speed & associate learning, WISC Coding subtest performance, male vs female 9–10.5 yr olds, 56:2142
age, analysis of semantic & phonological encoding using short term memory release for proactive interference paradigm, 18–24 vs 60–77 yr olds, 57:9965
age, behavioral & conceptual overinclusion & idiosyncratic thinking & richness & concreteness & underinclusiveness sorting test scores, 1st vs 4th graders vs adults, support for Piaget's theory of ontogenesis of intelligence, 56:3840
age calibration of conceptually related categories & concept availability, conceptual organization measured by reversal vs half-reversal shift performance following discrimination learning, 4 vs 5 vs 8 vs 18 yr olds, 58:5181
age, categorical classifications & verbal explanations of classifications, 4–8 yr olds, 58:5140
age, changes in categorization & conceptual styles measured by object-sorting task, 5–7 & 19–21 & 60–69 & 70–79 & 80–89 yr olds, 57:7933
age, free recall of related vs unrelated pictures & output organization, 3rd vs 7th graders, 58:5161
age, imagery & hierarchical organization & instructions, 25–35 yr olds, 55:11977
age, language proficiency & semantic categorization & proactive interference in short term memory, 5–8 yr olds, 58:855
age, learning rate of conceptual vs half-conceptual vs nonconceptual sorting task, 3–6 yr olds, 58:7238
age, organization & recall of classifiable sentences, adults with mean ages of 21 vs 71 yrs, 57:9517
age, precedence of complementary-similarity shift in classification behavior to concrete-abstract shift, 3–5 vs 9 yr olds, 57:9963
age, response interference in organized recall, 20–39 vs 40–59 vs 60–80 yr olds, 53:5019
age, storage organization & recall of sentence material, 60–82 yr old retired professionals vs 19–25 yr olds, 57:2910
age, structure of Piagetian logical & infralogical groupings within concrete operational period of cognitive development, male vs female elementary school children, 58:813
age, use of organization in recall, 2nd vs 4th vs 6th graders, 58:9274
age, use of prototypes in pattern classification, 2nd & 5th graders, 53:853
algorithms employed by operators, development of training method for influencing process of cognitive structural formation, 56:10838
alphabetical vs clustering organizational strategies & strategy overlap as retroactive inhibition, free recall learning, college students, 54:4566
ambiguity of doubly quantified sentences, scope of quantifier in interpretation preference & attributed noun category, high school & college students, 54:9626
amount of information, matrix mode of problem representation in logical deductive reasoning problem solving, college students, 53:4452
amount of material to be recalled, study time in immediate serial recall, graduate & college students, 53:2377
analysis of code system by paired presentation method, structure of responses in learning concepts containing inclusive relations, 57:2469
analysis of higher order subjective organization units in free recall, criticism of J. W. Pellegrino's computer program, 53:8576
appropriateness of assumptions, applying statistical models to measuring organization in free recall, 54:10856
associative & conceptual organization of word lists, organization of free recall, thought disordered psychiatric patients, 57:3509
associative vs hierarchical properties of word pairs, learning & recall from semantic memory, 56:7212
associatively related vs unrelated triplets, word list recognition, college students, 53:396
asymmetric integrality with dimensions of visual pattern, interference between dimensions on speeded classification tasks, 56:1688
attention & repetition, organization of recall of randomly arranged associates, junior college students, 56:3423
attention to & classification & rehearsal & imagination of experiences, recall of information chunks, learning disabled children, 57:13016
attention to particular meaning & semantic categories of pairs of words, usefulness of interitem relations in recall, college students, 58:2702
attribute isolation of inquisitory instances & knowledge of results, transfer effects in classification of unencountered instances, 58:277
auditory location of stimulus presentation, proactive interference release during short term memory encoding, college students, 54:2368
auditory vs visual presentation of rhyming word & word associate pairs & test anxiety, acoustic vs visual organization in free recall, college students, 58:4820
auditory vs visual vs simultaneous auditory & visual information in classification task & stimulus exposure duration, bisensory facilitation & interference & learning rate & amount & transfer, college students, 53:8782
bigram pairs presented with constant vs varied word code & massed vs distributed spacing, recall, college students, 55:1882
binaural stimulus presentation & absence of stimulus channels, sequential reporting in dichotic memory for digit pairs, college students, 53:8822
blocked presentation of categorical material, elicitation of categorical strategy of remembering, retarded adults, 53:11954
blocking design in sorting multidimensional stimulus cards with dimension A relevant, acquisition of stimulus control by dimension B, kindergartners & 1st graders, 57:950
blocking plus instructions to adopt organizational strategy vs blocking plus exposure to category labels vs blocking, clustering & recall performance during transfer task, mildly retarded adolescents, 56:4269
blocking related items at presentation recognition memory, college students, 54:4609
card sorting analog to Sternberg's item recognition task, procedure for research on recognition memory retrieval, college students, 53:2405
categoric & associative & orthographic & rhyming word processing & intent to learn, free & cued recall, college students vs adults over age 60, 57:12524
categorical relatedness of word cues, recall of word vs color, students, 54:8877
categorical relationship between context & test words & semantic expectancy, access to word presentations in memory, college students, 58:4823
categorically postcategorical interpretation of modality effect, reply to L. G. Nilsson, 55:3714
categorically vs alphabetically organized words, encoding specificity in cued & free recall, college students, 53:8820
categorizability of objects, free recall, kindergartners, 57:5575
categorizable blocked vs unblocked word lists, age differences in recall, preschoolers vs kindergartners vs 1st graders, 57:12517
categorization & attention deployment, development of stereotypic conceptions of social groups, 58:11699
categorization along class dimension vs class & color & number of 2nd dimension cues, grouping behavior in presence of stimulus competition, 4–5 yr olds, 57:12512
categorization, recall of picture & spoken words, 17 yr olds, 57:7459
categorized list learning, interitem associations acquisition, college students, 55:3752
categorized vs nonword labeling training for set of figures, recall by drawing shapes, test of Whorf-Sapir hypothesis of linguistic influence on visual memory, 55:1880
categorized vs unrelated pictures, free recall, lower & upper class 5th graders, 55:6745
categorized word order in list, unitization & recall of related words, college students, 53:4486
categorizing & conceptualizing styles, college students vs older adults, 53:5012
categorizing & reasoning during problem solving, interaction of neural systems controlling physiological arousal & activation & effort, 54:6809
category & item retrieval from memory, 58:8817
category & rhyme & color word dimensions, developmental changes in encoding dimensions using release from proactive interference paradigm, 2nd vs 6th graders, 57:2908
category attention & relative frequency of relevant values & practice, attribute identification problems, college students, 53:323
category availability & utilization & cues, free recall & clustering of lists, black 2nd vs 5th graders, 57:914
category cues same as or different from input encoding of item & instructional information about cue relevance, encoding-specificity effect in recall & recognition, college students, 53:402
category information & delayed recall, intralist release from proactive inhibition in free recall, 58:2701
category judgments vs magnitude estimations vs graphic ratings of favorableness of offers to buy lottery tickets varied in time & probability & outcome value , 55:170
category labeling & sorting, clustering in free recall learning, kindergartners vs 3rd vs 5th graders, 54:11402
category length, retroactive inhibition in cued recall, college students, 58:355
category membership, memory scanning for words, college students, 54:386
category name meaningfulness & item frequency & use of category names as cues, free recall of categorized lists, college students, implications for mediation model of free recall, 56:7228
category names & recall targets as retrieval cues, recall inhibition of categorized word lists, 55:6180
category similarity, semantic memory retrieval, 4th & 6th & 8th graders, 55:11475
category size & input order conditions, recognition memory for categorized lists of words, 2nd vs 5th graders, 57:2954
category size & low-level distortion from prototype or mixed categories, transfer to old & new & prototype stimuli, college students, 57:387
category size & number of categories to be distinguished during learning, abstraction of prototypical information & classification of new exemplars, college students, 54:10995
category size, identification time of words from 2 categories learned to lenient vs stringent criterion, college students, 55:1886
category width & feedback, confidence & performance expectancies & accuracy of visual discrimination, college students, 57:248
Chinese vs English verbal category norms, bilingual Chinese college students, 53:3078
class inclusion & multiple classification, middle aged Ss vs institutionalized vs noninstitutionalized elderly Ss, 54:5062
classification & class inclusion of Piaget vs equivalence paradigm of Bruner & mode of stimulus presentation & stage of representational development effects on equivalence responses, 1st & 4th graders, 55:4250
classification & seriation operations with problems concerning inanimate objects & social events, female 60–120 mo olds, 54:807
classification abilities, discrimination learning & transfer, kindergartners & elementary school children, 55:9461
classification as activity of mind, theoretical psychology of F. Hayek, 55:8566
classification of animal pictures & differentiation between individual animals of same species, rhesus monkeys, 53:9228
classification training & language ability & age, style of thinking in classification, lower class 5–7 yr olds, 55:6811
classification-class inclusion abilities, geographic & spatial relationships, elementary school children, 55:6791
classificatory abilities, male vs female & rural vs urban preschool age children, 57:4919
class-inclusion hierarchies, information retrieval, 1st graders, 54:5018
classroom instruction in formation of superordinate classes in union of sets, Piagetian class inclusion task performance, kindergartners, 54:6323
clustering & level of abstraction, long term memory retrieval using spontaneously produced materials, college students, 54:11049
clustering & subjective organization, prediction of free recall of categorized word list & list of unrelated nouns, 58:6882
coding efficiency, mnemonic transformations in free recall, college students, 54:6799
cognitive developmental study, metaphor comprehension, male 5–13 yr olds, 54:4987
cognitive mediation, originality & creativity & letter-frequency hierarchy, college students, 55:173
cognitive organization & recall, development of cognitive strategies, kindergartners vs 3rd vs 6th graders, 55:11996
color & form & function preference, sorting flexibility, preschoolers, 56:5789
color & line orientation & numbers as cognitive reference points, linguistic & spatial metaphorical tasks, college students & adults, 55:6118
color naming & recognition & selection, Spanish- vs Mam-speaking children & adults, Guatemala, 53:9348
color perception & hue categorization, 4 mo olds , 55:6719
common attributes & motor movements & objective similarity in form & identifiability of average form, cognitive classification of concrete objects in real world, 57:2392

communication training technique, communication skills & perception & cognitive classification & language, educable mentally retarded 7–11 yr olds, 57:9140
comparison of alternative models, pattern processing by random adaptive module system, 58:10926
comprehension of linguistic ambiguity & development of classification, kindergartners through 5th graders, 58:3097
computer program, measurement & statistical analysis of higher order units of subjective organization in multitrial free recall learning, 58:6619
concentration on word meaning vs sound by detection of repetition vs rhymes vs words from same category, detection probability & retention of phonemic vs semantic features, college students, 57:373
concept discovery, classification by color & class, 1st & 3rd & 5th graders & unschooled children in Uganda vs Colombia, 55:6735
concept of basic level objects, implications of cognitive representations of categories & perception & development of classifications & linguistic usage & evolution of category labels, 56:7194
concept of object permanence & naming toys, toy preferences, 18–22 mo olds, 53:7043
concept-categorized word lists & category forget/remember instructions, retention of to-be-remembered items, 17–19 yr olds, 57:9521
conceptions of positive justice, development of mathematical & physical conceptions, 4–8 yr olds, 57:2899
concept-shift & sort & hierarchization development, kindergartners, & 1st- & 2nd-grade females, 53:4919
conceptual ability & frequency of instances, performance on conceptual sorting task vs half conceptual sorting task, nursery school students, 57:985
conceptual ability, learning rate of conceptual vs half conceptual sorting tasks, kindergartners, 58:6878
conceptual behavior, normal vs brain damaged vs emotionally disturbed children, 55:4684
conceptual categorization processes & semantic memory, 57:2374
Conceptual Congruence Inventory, assessment of degree of overinclusion & underinclusion of common affective concepts, college students, 56:7023
conceptual development, visual exploration of conceptually incongruous pictures, 3 vs 4 vs 8 yr olds, 58:7196
conceptual organization of word lists & block vs random cuing, word recall & clustering on free recall task, 55:1866
conceptual structure aligned with position & numbers vs numbers only, paired associate learning, college students, 53:10915
conceptual vs perceptual preferences & learning tasks & developmental trends in classification behavior, Bukusu 1st vs 3rd vs 5th vs 7th graders, Kenya, 55:4220
conceptually identical stimuli vs lower & upper case forms of same letter vs different letters, visual search times for presence of both of 2 physically similar stimuli, male college students, 55:88
conceptually organized vs unorganized stimulus words & contingency contracting & positive expectancy, short term memory, emotionally disturbed vs normal 8–12 yr olds, 55:7319
concurrent auditory matching on physical vs category identity basis & tracking tasks, age trends in timesharing performance, male 7 vs 10 vs 13 yr olds, 58:9286
conservation & class inclusion & seriation & ordination & reordering & transitivity of length & multiple classification tasks, interrelationships & implications for Piagetian hypotheses of cognitive growth, 2nd graders, 55:6730
conservation & seriation & classification abilities, mathematics achievement, male vs female 4–8 yr old Nigerians, 56:7664
conservation & seriation & classification abilities, acquisition of mathematics achievement, male vs female Nigerian 4–8 yr olds, 58:12617
conservation, classification & seriation, 1st graders, 55:9473
conservation level, category clustering in recall task, elementary & junior high school students, 56:7640
consistent contiguity vs spatial grouping of unrelated stimulus items, free recall & subjective organization, educable mentally retarded adolescents, 56:10135
consonants vs digits vs encoding categories in short term memory, educable mentally retarded children vs 5th & 6th graders, 58:11921
constant & variable response conditions, response latency & stimulus frequency judgments, college students, 54:2342
constant vs varied input of letter strings, recall & learning new letter strings, college students, 54:6790
construction of cognitive representations based on conceptual relations, learning & comprehension, 54:291
consumer category width, purchase of decision making products, reappraisal of study of J. H. Donnelly et al, 53:8437
content & task dimensions analysis, mathematics items designed to measure concept attainment level, 56:2139
context effects, free recall of categorized words, college students, 53:10951
contextual scenes, identification of objects, college students, 54:10965
contour alterations of nonrepresentational curvilinear shapes, increased vs decreased interstimulus similarity in tachistoscopic identification of shapes, 54:6690
control & limitation in patterns of referent object encounter & adult naming for objects, acquisition of concept names, male & female white middle-class 16.2–17.5 mo olds, 53:11413
correct detection of partial information, knowledge of target specific characteristics vs characteristics common to class of items of which target is member, college students, 53:4432
correct vs incorrect previous classification of information, subsequent judgment accuracy, 54:10957
correlational analysis between goodness-of-example & item dominance in category norms & word frequency, internal structure of natural-language categories, 56:5261
cue salience & dimension & dimensional preference, class inclusion ability, 5 yr old kindergartners, support for neo-Piagetian view of cognitive development, 57:7967
cue timing & category type, recall of word lists, 6–7 vs 8–9 vs 10–11 yr olds, 57:2940
cue validity of item attributes, prototypicality, college students, 55:6117
cued recall of categorized lists, retroactive inhibition, 57:9544
cued recall, trace storage in free recall, college students, 55:6177
cued vs noncued categorical lists with reversed cuing conditions on last trial, retrieval processes for higher order categories within category items, college students, 56:5306
cued vs uncued recall of categorized lists, 53:4499
cueing & constraint instructions, free recall performance, nursery school children, 54:5021
cues for recall by spatial location vs by category name, test list item recall after dichotic listening, 57:404
cuing conditions, recall from categorized word lists, 5 vs 8 yr olds, 53:2830
culturally appropriate vs inappropriate task, category sorting performance, Mano farmers of Liberia & West Africa & US college students, 53:11479
data organization without subsequent tasks, computer-based information retrieval systems use, college students, 53:8774
definition & instance presentation, acquisition of ordered classification rule, college age volunteers, 58:8270
degree of material organization, learning of words, 5th & 6th graders, 53:4471
degree of similarity between stimulus alternatives, response performance, conflict vs abstraction theory, 55:3769
development & fragmentation of category formation without requisite free recall, kindergartners vs 4th vs 9th graders vs noninstitutionalized retarded pupils, 55:12526
development differences in eye movement & RTs & response strategies, classification on basis of color & form & function properties, 5 yr old boys vs male college students, 57:922
development of ability for partial & complete multiplication of classes, 4–7 yr olds, 58:11491
development of ability to integrate class information, 4 vs 9 yr olds, 55:9452
development of classificatory performance, 3–6 yr olds, 53:9277
development of evaluative & taxonomic encoding in short-term memory, 2nd & 3rd & 5th & 6th graders, 53:9267
development of knowledge about categorical & associative relationships as reflected by presence or absence of semantic priming effects, kindergartners vs 2nd graders, 57:7969
development of multiple seriation operation, 1st vs 2nd vs 3rd graders, 55:11919
development of test for evaluation of science process skills of observation & classification, 1st & 3rd graders, 55:1578
developmental aspects, learning stimulus sets & multiplicative classification problem solving, 6–9 yr olds, 55:9398
developmental change of equivalence grouping in verbal & pictorial tasks, 1st vs 3rd vs 6th graders, 54:4984
developmental changes, free recall & serial learning of categorically structured lists, 1st & 3rd & 4th graders, 54:5011
developmental differences & sequence of matching objects to targets similar in shape vs color, classificatory skills, 3–4 yr olds, 56:9656
developmental differences, ability to attend to measurement & 2 dimensions simultaneously in Euclidean spatial tasks, 3–4 vs 6–7 vs 9–10 yr olds, 55:4249
developmental differences, memory search of categorized lists, female 3rd & 6th graders, 58:5159
developmental level & relevant vs irrelevant label training & spontaneous vs conventional observation training, recognition of representative vs nonrepresentative features of shapes, kindergartners & 2nd graders, 55:6783
developmental patterns, categorizing behaviors, average vs slow learning children vs average vs schizophrenic adults, 55:4290
developmental stage & presence vs absence of cues, categorical clustering ability during free recall, 4–6 yr olds, 56:2138
developmental trends, conception of organization & recall assessed by composition of word lists that would be easy to recall, kindergartners & 3rd & 6th graders, 54:2726
diagnostic validity of cognitive performance differences, brain damaged vs normal 10–12 yr olds, 57:1495
diazepam vs scopolamine, storage & retrieval & organizational processes in memory, college students, 55:9270
different conceptual categorization of target & field items, knowledge of target location without identification in visual search, college students, 57:11848
differentially encoded information, coordination of codes in short term retention, college students, 54:382
digit span abilities & presence of appropriate coding cues, short term memory performance, elderly females, 54:869
dimensional combination & preference, Piagetian classification tasks, 6 vs 7 vs 8 yr olds, validity of Piaget's horizontal decalage concept, 56:7649
dimensions derived from teacher observations of student behavior, comparison with conceptual schemas in observation of peer behavior, elementary school students, 55:8263
direct measures of availability, judgments of category frequency, Hebrew-speaking college students, 58:8761
directional vs neutral category labels, bidimensional rule learning problem solving, college students, 53:4447
discrimination functions predicted from categories in speech & music, corrected functions for previously reported data of J. E. Cutting & B. S. Rosner, 57:303
discrimination shift paradigm utilizing conceptually related words & bidimensional cues, intra- & extradimensional shifts, support for 2-stage discrimination learning theories, 58:2687
dissimilarity measures for differing sized cells in unconstrained sorting task, college students & staff, 55:5900
distances among words in semantic space, encoding space in short term memory using proactive interference release scores, college students, 57:12077
divergence from expectancy concerning stimulus as member of different classes, rated funniness of stimulus figures, college students, 55:169
dominance instances & word frequency, RT in categorization task, 58:303
ego involvement & attitude toward social issues, categorization of opinion statements, Lebanese male college students, 56:2181
egocentrism & popularity & classification skills, play preference, 4 yr olds, 55:9505
ego-involvement & information level, categories used in stimulus domain judgment, college students, 53:8784
E-imposed organization, long term forgetting, college students, 54:8869
Einstellung, determinant of equivalence range in categorization task, adults, 58:4779
elaborative processing strategies & subsequent restricted rehearsal, clustering & serial position in recall of conceptually related words, college students, 57:2407
element proximity, perceptual grouping in tasks requiring speeded discrimination of 2-element visual patterns, young adults, 55:8771
encoding dimensions, dominant attributes of memory, 2nd & 6th graders, 54:2699
encoding of word sense impression, release from proactive inhibition for word recall, 2nd & 3rd & 5th graders, 58:294
encoding specificity in cued recall & context recognition, 54:2363
encoding vs cuing conditions, free recall task performance & subsequent sorting task performance, 1st vs 3rd graders, 56:7669
English role terms, multidimensional & hierarchical analyses of sorting data, 54:10983
environment & age & socioeconomic level, utilization of perceptual & abstract bases for equivalence grouping, 1st & 3rd & 5th graders of varying urbanization & social class, Colombia, 55:6736
equivalent inference patterns in class vs conditional logic, 4th vs 9th graders, 55:544
ethnic background, free recall of lists of categorizable words, black vs white children, 57:2957
exemplar-category vs prototype training vs traditional paired associate learning technique, acquisition of Chinese character exemplars & prototypes, 58:4255
expansive vs restrictive errors in object sorting, drug free vs medicated schizophrenics vs nonpsychotics, 53:3281
experience, concept formation within framework of F. Klix's theory, 55:3682
experimental methods in providing information to S, class inclusion performance, 6–7 yr olds, 54:11382
explicitness of task requirement, accessibility of cognitive strategies in abstraction & categorical clustering & sorting tasks, educable mentally retarded adolescents, 57:8483
exposure duration, matching of abstract shapes across cerebral hemispheres, right-handed & non-right-handed college students, 54:11067
exposure time & spatial organization of visual nonverbal stimuli, clustering in free recall, college students, 55:200
extraversion & general activation, categorized free recall, 18–30 yr old college students, 53:360
extreme values & position of class border, concept learning, college students, 53:6610
facet design in construction of nonverbal classification test items, analysis of item difficulty & correlation between subtests & measures of perceptual speed & induction & classification & flexibility of closure & verbal comprehension, 11th & 12th graders, 58:4652
familiar vs formal materials, Piagetian classification & formal operational abilities, highly educated 30–38 vs 57–82 yr olds, 56:9695
familiarity & cultural relevance, development of categorization, Zinacantecos of Southern Mexico, 53:2911
familiarity & organization, category terms in semantic memory, college students, 58:4809
figural vs cognitive attribute selection, recall of relevant vs irrelevant items, college students, 54:4607
figural vs verbal stimuli & stimuli mixture & cognitive style, free-sorting of stimuli into categories, college students, 55:1820
focal hemisphere, visuoperceptual categorization, patients with unilateral brain damage, 55:10091
forced serial processing of words & letter strings, recognition, college students, 56:1777
form class salience, differential encoding in short-term memory, college students, 53:4478
formation of equivalence class groupings & strategies used in seeking information about E-chosen stimulus & subsequent questioning strategies used in rationalization of E-established stimuli groupings, male learning disabled vs normal 10–12 yr olds, 57:13002
free recall & subjective organization in performance, learning disabled vs normal 4th–5th graders, 58:5644
free recall, clustering of items from structured list & subjective organization from unrelated word list, 55:3708
free recall of categorized lists, rehearsal & subsequent retrieval characteristics, college students, 54:11011
free recall task using categorized word lists, item exposure durations & interresponse times & recall accuracy & category output size, temporal flow of information through human information processing system, 55:8890
free recall vs instructional cue vs cued recall conditions, total recall & serial ordering & clustering responses, black vs white females, 55:8882
free vs constrained word categories & use of categories derived from other Ss & age differences, recall performance, 3rd vs 8th graders, implications for development of verbal memory processes, 57:7963
free vs sequential vs semantic recall instructions following listening to lists of categorizable words, short term memory recall performance, college students, support for semantic recall as retrieval phenomenon, 57:7500
frequency & conceptual structure & pattern recognition in computer programs modeling human conceptual/recognition systems, 56:8963
frequency differentials among values in attribution identification tasks, rule & problem difficulty & cue potency within positive vs negative categories & relative vs nonrelevant values, college students, 56:9181
frequency of instance as concept exemplar & semantic similarity of concepts & context, judgments of logical propositions & limits of D. E. Meyer's 2-stage theory of long term memory information retrieval, 57:11961
functional & categorical types of training techniques, classification & constraint seeking behavior, educable mentally retarded children in special classes, 55:5656
functionally- vs perceptually-based conceptual discrimination training procedures, subsequent acquisition of verbal class labels, developmentally delayed vs nondelayed toddlers, 57:5571
fundamental frequency different at stress & over terminal guide, psychophysical & linguistic judgments of intonation contours, Swedish & American college students, 53:3110
general statistical framework, assessment of categorical clustering in free recall, 58:201
generality & topic specificity, cognitive styles, US vs Japanese college students, 55:12326
generalizability of verbal mediation, performance on category clustering & paired associate & intermediate-size transposition tasks, 3rd graders, 54:283
generation of hierarchical association instructions, free recall of conceptually unrelated or randomly or properly organized hierarchy of words, college students, 55:1893
grade level, list discrimination task performance using unrelated & categorized pictures, 2nd vs 5th graders, 57:2949
grouping & strategy training & memory aids, half-split problem solving, 3rd graders, 55:8838
grouping effects, serial short term memory, 55:11454
grouping structure vs variation, free recall of letter sequences & transfer of coding strategies, college students, 53:4424
hierarchical clustering analysis, similarity judgments about category terms on basis of common meaning, college students, 55:11424
hierarchical location of words within semantic memory, free recall difficulty & production of subordinate vs superordinate associations, aged Ss, 55:11442
hierarchical organization of memory, learning of structured sequences of events, 56:9206
hierarchical structure variables, acquisition & forgetting of information in long term memory, college students, 54:367
hierarchically vs list presented hierarchies & correct vs random-within vs random-across organization, free recall, college students, 53:369
home background & sex & ethnicity & school performance, cognitive style & conceptual tempo & preferred mode of perceptual organization & conceptual categorization, Anglo & black & Chicano 9 & 10 yr olds, 55:6814
home environment & age, conservation & classification & role taking abilities & verbal egocentrism, 7–9 yr olds in rural environments, Hungary, comparison with Norwegian children in M. Hollos & P. A. Cowan's study, 57:7953
homogeneous vs heterogeneous target sets regarding taxonomic category & constant vs variable set size, organization in short term recognition memory, college students, 54:4602
idiosyncratic subsequencing & assembly of resulting subsequences, analysis of serial learning, college students, 53:332
imagery vs categorization orienting tasks vs instructions, recall & recognition performances, college students, 54:2354
imaginal vs verbal relational organization vs instructions to group by two's, free recall, mildly retarded, 58:11917
imposed & preferred number of categories, form & interpretation of category recall, female college students, 54:2361
imposed response latency vs impulsive responding on Piagetian tasks of conservation & class inclusion, performance quality, middle & lower class 1st & 2nd graders, 56:2150
imposing idiosyncratic structure & item effects, serial learning, 54:4580
inclusion of seriation in curriculum, reasoning processes, elementary school students, 55:10765
incongruent color words & memory requirements of task, classification of ink colors in visual scanning & card sorting tasks, college students, 57:2366
increase in size & integrity of S's organizational units, recall increase over trials, students, 56:1804
increase with age in orientation-free judgments, developmental reversal in classification accuracy, 3rd vs 6th graders vs college students, 56:523
individual differences in speed of phonemic analysis & visual analysis, reading, college students, 54:10950

individual identities vs dimensional values, judgments of "same" & "different," kindergartners & 3rd graders, 53:4900
individualized training, acquisition & retention of classification skills, trainable mentally retarded 6–12 yr olds at public day school, 55:8307
induced attention & encoding variability in semantic orienting tasks, level of free recall & consistency across trials & category clustering, kindergartners vs 2nd graders vs college students, 56:9706
induced use of categories & category hierarchies, information search, 4–5 yr olds, 53:879
inductive reasoning, information coding & linguistic communication & perception, 54:5269
inference in prior knowledge of word list organization, internal mnemonic organization, 58:10976
influence of color catergorization of cultures & review of previous explanations & recent ethological & electrophysiological & behavioral & psychophysical implications, 56:3893
information flow from input to output in free-recall task, 16-yr-old retardates & normal 10-yr-olds, 53:5656
information theoretic memory model, classification sorting & recall behaviors, 9th graders, 55:9410
initial classification rule bias & measurement of category information received in study-test cycles, transfer in subsequent classification tasks & rules used, college students, 55:11419
initial memory retrieval from category, subsequent retrieval following intervening items, adults, 53:2395
initial presentation of information & passage of time, accuracy in reforming groups of items, white middle class 4 vs 6 vs 8 yr olds, 55:9427
input order & grouping presentation, organization in free recall learning, college students, 54:4569
input order, free recall of number lists, college students, 54:11013
instruction in classification of context clues, use of clues & word meaning & recognition performance, 3rd vs 4th vs 5th graders, 56:6697
instruction in segmentation of spoken words into individual phonemes, analytic techniques used in segmentation & classification of phonemes, preschool age children, 56:6740
instruction on hypothesizing & evaluating defining attributes, concept attainment, children, 58:11462
instruction on length relations, classification & seriation & transitivity performances, 1st vs 2nd graders, 56:4768
instructional formats of increasing complexity & choice of specific comparatives, Piagetian classificatory abilities, 2nd–5th graders, 58:11434
instructional variables & individual differences, structural learning tasks, college students, 55:1892
instructions for category organization, long term retention, college students, 55:3784
instructions or feature selection, word recall, clerk candidates & college students, 56:3396
instructions, recall & recognition of categorized lists, elderly Ss, 54:5070
instructions to maintain List 1 Organization during List 2, part-whole transfer in free recall, college students, 56:3445
instructions to organize & recall, degree of recall, male college students, 53:6667
instructions to recall by spatial location or stimulus category, recall of word-digit pairs, college students, 54:11025
instructions to use imagery in memorizing & concreteness of items, recall & item categorization by meaning & free associate formation, college students, 54:6742
integral & nonintegral stimulus dimensions & single & correlated & orthogonal stimulus card sets, speeded card sorting performance & selective attention, 1st vs 4th graders, 57:980
integral & separable dimensions, speed of classification of filtering & condensation tasks, college students, 54:10991
intentional vs incidental instructions & clustering & rate of presentation, recall & clustering scores, 5th graders, 56:9215
interactive vs categorical cognitive strategies & age, paradigmatic word association & classification behavior, 3–10 yr olds, 58:817
interactive vs separation imagery vs repetition & categorization of list words, free recall performance, 58:8806
intercategory semantic structure, analog nature & relationship to intracategory organization, 57:11966
interference between binary classification judgments & repetition effects, serial choice reaction time task, college students, 53:6592
internal classification of visual patterns, 56:7185
intervention program participation vs nonparticipation, classification skills, bilingual & biliterate & monolingual lower class 5–7 yr olds, 53:12473
intraclass variability of relevant values of instances, concept learning, college students, 53:6609
intralist & extralist cues & category names, categorized recall, college students, 53:4492
intralist cues & cued recall time allotment, time dependent performance characteristics & facilitation of recall of randomly presented categorizable words, college students, 57:7461
intrinsic individual differences in conceptual organization & organizing cues, text processing & recall & recognition of types of content relationships, college students, 55:8811
involvement & response language categorization, attitudinal judgment processes, college students, 53:5224
irrelevant information, speeded classification, 6 & 9 & 12 & 19 yr olds, 55:4283
item & order information, short term serial memory, college students, 56:161
judges' attitudes & superimposed classification & connotations of response language, judgments of attitude statements, 12–13 yr olds, 55:2346
label training, reproduction-recall of visual stimuli, female college students, 54:11037
labeling & grouping effects, recall of pictures, 4–12 yr olds, 53:857
labeling relevant vs irrelevant dimensional values, setting differences in reversal shift performance, kindergartners, 57:2410
learning to learn & learning to organize, free recall, college students, 54:2352
length conservation & speed concepts, organizational disequilibrium training between concepts, middle class Israeli 6–7 yr olds, 54:9354
length of exposure to high altitude, immediate memory for objects & sorting efficiency & perceptual speed & efficiency of routine mental work & concentration, healthy male adults, 56:5271
lens-model & outcome feedback, judging category designations of human-like figures, college students, 53:10879
level of cognitive analysis, incidental learning, 3–5 yr olds, 54:5007
level of required organization & size of set & position & spacing of letter set in alphabet, RT in organization of randomly ordered letters, college students, 56:1770
level of specificity, short & long term recall of categorized word lists, students, 58:11022
limited capacity of short & long term memory, organization of free recall lists, 57:7476
list categorization & cueing, long term linguistic memory under recognition vs recall, 10th & 11th graders, 55:11487
list composition & item sorting techniques, clustering of free recall, kindergartners vs 6th graders, 56:5774
list items presented in blocked vs random order & frequency of association, immediate & delayed free recall of categorically related list items, college students, 56:1799
list organization & rehearsal activity, free recall, 6th graders, 58:6871
list organization & retrieval cue factors, retrieval strategies in free recall task with categorized lists, 5th graders vs college students, 56:3818
list-novelty or list-organization condition, transfer of associate clustering, borderline mentally retarded 6th & 7th graders vs nonretarded 6th graders, 58:11910
locus of categorized response set, retroactive inhibition, college students, test of L. Postman & K. Stark's response-set interference theory & J. A. Petrich's retrieval model, 57:7431
locus of control & idiosyncratic saliency of materials & organizational constraints, free recall of nouns, college students, 57:9551
locus of organization at input & retrieval in free recall, 55:8944
logical ordering of string of to-be-forgotten theme inputs, efficiency of mechanisms in remembering to-be-remembered theme inputs, college students, 54:2351
major life events, sorting of post high school age people into subjective age categories, adults, 56:4032
manipulatory grouping experience with vs without teacher-child interaction, classification skill development, 4–6 yr olds, 55:9430
meaningfulness & formal similarity, accuracy & subjective organization in free-recall task, college students, 53:366
memorization of meaningful vs nonsense formulas in single vs separate sets & problem complexity, time needed to judge computability & solve problems, college students, 55:1834
memorization of names of stimulus persons & identifying attributes, organization & retrieval processes in long term memory, college students, 58:2713
memorization of set of items from preselected category, differentiation of relevant vs irrelevant category probes at encoding stage & with memory search, 55:3753
memory & display search, binary classification RT, 56:1686
memory attributes, performance during specific memory task, college students, 53:10933
memory entrance directed to probed category vs random entry, memory search time of multicategory lists, right handed male college students, use of M. J. Naus & S. Glucksberg & P. A. Ornstein's nonexhaustive search models, 54:2362
memory organization, free recall of familiar words, schizophrenic vs normal adolescents, 58:9665
memory search for lexical & semantic information, college students, modified replication of J. F. Juola & R. C. Atkinson's study, 57:12036
memory set of category items & parallel vs separate scanning, scanning for category membership or physical identity, college students, 56:1754
memory set/probe category similarity & familiar vs unfamiliar translation schemes using familiar vs recently learned 1st & last names & negative/positive probes, recognition RT, college students, 58:280
memory span & category clustering & reading comprehension scores, variance in average free recall of pictures & words, 10th graders in special reading classes, 57:9149
memory stimuli sets of 1 vs 2 vs 4 & single vs paired visual &/or auditory presentation, test item classification RT & memory retrieval RT, college students, 55:1852
mental ability, abstract learning in tasks involving 6-level classification hierarchy, mentally retarded & normal Ss, 57:8497
methodological differences between magnitude estimation & category rating, college students, 54:4427
mnemonic organization & processes of organization & free recall of words, schizophrenics vs normal Ss, 56:806
modified card sorting test, measurement of perseverative errors & detection of frontal lobe lesions, patients with unilateral cerebral lesions, 58:5705
motor reproduction of geometric designs, generalization of categorization principle, 5th graders, 55:2182
multiple contexts of squares & circles, size ratings utilizing S-established separate scales within common response categories & range-frequency analysis, college students, 57:11852
multiple form dimensions, development of perceptual skills in pattern classification, 2nd vs 5th graders vs college students, 57:888
multiple targets, practiced card sorting, 53:4446
multiplicative classification & inductive reasoning, 9-yr-olds, 53:11393
multivariate free recall, comparable ratio indices of sequential consistency & subjective clustering, 54:2323
music-like sounds & interstimulus interval & stimulus duration & adapting stimuli, categorical perception & selective adaptation in sound discrimination, normally hearing adults, implications for speech perception, 57:2336
naming & sorting of drinking vessels, learning vagueness of category boundaries, 3 & 6 & 9 & 12 yr olds, 54:9327
naming picture object vs reading written name vs categorization, RTs, adults, 55:11429
negative set, form of functional relationship between reaction time & positive set size in stimulus classification task, 53:6631
no visual input with & without secondary classification tasks during delay period, short term motor memory, 55:8929
nonguessing situation, retrieval of categorized items, 54:364
number & position of letters different, visual comparison of words & random letter strings, college students, 53:10871
number & size of categories of lists, limited capacity of storage or retrieval of human memory in retroactive inhibition in free recall, college students, 54:11034
number & type of word attributes, list acquisition & long term retention, 55:8934
number of available associations, rate of association for categories in semantic memory, college students, 57:7392
number of categories & number rehearsed, recall in keeping-track tasks, college students, 56:5317
number of sorting categories & number of trials, word-sorting task difficulty & recall performance, college students, 57:7490
number of symbols in string & type of symbol rotation & output mode, perceptual chunking of symbols in memory span, 55:11476
number of syntactic elements in list, number of items recalled, 4th vs 6th vs 8th graders, 57:7443
O control over elimination or attenuation of visual information, classification performance, 54:313
object classification behavior, low- vs middle-socioeconomic status 3rd vs 6th graders, 53:2866
object drawing series based on color vs conceptual category, dimensional salience & free or cued recall or clustering & role as organizing principle in memory, nursery schoolers vs 2nd vs 5th grade Israeli Ss, 58:5157
object naming & sorting tasks requiring recall & recognition, incidental learning & short-range memory, moderately retarded & organically impaired Ss & normal kindergartners, support for M. R. Denny's hypothesis, 53:1468
objects vs collections vs classes, part-whole comparison difficulty in modified Piagetian class inclusion paradigms, nursery school & kindergarten & 1st & 2nd grade children, implications for internal organization & holistic properties, 57:5554
ontogenetic changes, classification behavior, 3.5–19 yr olds, 53:9269
operationalization of product newness, reply to L. E. Ostlund & B. Tellefsen's criticism, 53:8424
organization & motivation, recall during posthypnotic amnesia, college students, 58:4848
organization by modality vs semantic category in immediate free recall, 53:6666
organization in memory, recall of categorizable words, schizophrenics vs acute psychotic depressives vs normals, 57:12921
organization of input materials & positive reinforcement & placebo effect, memorization & recall, 8–12 yr old emotionally disturbed males, 54:12002
organization of language concepts, 4–9 yr olds, 55:6716
organization of rehearsal & compatibility of responses, associative clustering in free recall, college students, 58:10963
organization training, recall of category items, 1st & 2nd graders, criticism of B. E. Moely & W. E. Jeffrey's conclusions, 58:331
organizational & memory factors, absolute judgment of spatial position, mental retardates, 55:10052
organizational structure of 1st learning, transfer effects in serial verbal learning, 55:3765
organizational structure of 1st list, transfer & learning of 2nd word lists with same taxonomic categories, 57:364
organizing strategies, retention & GPA, college students, 58:12587
orienting task requiring judgments of relatedness of list words & word frequency, role of contextual information in list discrimination, college students, implications for contextual tagging explanation, 57:12021
orienting tasks & instructions about associative structure, free recall & clustering, college students, 55:6126
orthographic transformation & decoding difficulty, speed & accuracy of semantic categorization of words, fluent readers, 58:308
overinclusion & editing tasks, schizophrenics vs normal controls, 56:2456
paired associate & category & intermediate size transposition performance & generalizability of T. S. Kendler & H. H. Kendler's model of reversal shift behavior, 3rd graders classified as verbal mediators vs nonmediators, 57:2348
parent–child communication, development of categorization styles, preschoolers, 53:851
part vs whole list learning, organizational processes transfer in free recall of unstructured word lists, college students, 57:2428
part-whole recall organization, recall amount & recall-acquisition patterns on transfer task, 1st vs 4th vs 7th graders vs college students, 58:11460
passage organization & organizational set & verbal ability & cuing of text & serial position of material, cued & free recall of facts from prose, high school students, 55:184
passive viewing vs sorting vs concept formation task experiences & experience with complex stimuli, preference & complexity judgments for random shapes & test of complexity-based model of intellectual growth, college students, 57:341
pattern goodness & strategies used, speeded classification of visual configurations, 57:2389
peak shift, failure of R. B. Purtle to attend to influence of underlying perceptual categories, 53:4319
perceived & objective item difficulty, perception of logical principles in reasoning ability test, 16–49 yr olds, 53:6626
perceptual organization of visually presented reference field & order of auditorily-presented nonsense words of miniature artificial language, language processing using English-based vs nonverbal reference field semantic code, college students, 55:1837
perceptual organization, visual recognition memory on C. M. Mooney's Faces Closure Test, college students, 54:4610
perceptual requirements of children's classification & seriation & Piagetian characterization of operational thinking during concrete operational stage, 57:9961
perceptual salience, matrix task performance, 4 & 6 yr olds, 57:5561
perceptual salience, multidimensional problem solving, 6- & 9-yr-olds, 53:882
perceptual set & question misinterpretation hypotheses, class inclusion problem errors, 1st & 2nd & 3rd graders, 53:2851
perceptual support & preoperational & transitional & operational stages of cognitive development, performance of multiple classification tasks, 4–9 yr olds, 58:9243
persistence of information about presentation modality for verbal stimuli, word categorization, college students, 53:4431
phenomenal dominance relationship of segments of binary sequence, RTs in learning patterned binary sequences, students, 57:9522
physical identity & name & semantic category commonality of word & picture pairs & pair repetition, same-different response times & recall & recognition & relationship to processing depth, college students, 57:11962
physical pattern characteristics & perceptual development, auditory pattern classification, 2nd & 6th & 10th & 12th graders & college students, 55:6815
Piaget curricular elements integrated into traditional Head Start, development of classification & seriation skills, children, 55:1515
picture sorting according to class labels, development of natural language concepts, 2nd vs 6th graders vs college students, replication of study by E. Saltz et al, 57:2943
pictures vs words as stimuli & same vs different list-types, conceptual frequency judgments, 6th–7th graders & college students, 57:349
positioning of probe character within generative sequence of target characters, probe encoding time in character classification task, college students, 56:5270
practice & order of rule difficulty, verbal solutions using reception procedure with neutral labels in complete learning task, 13–14 yr olds, 57:7381
practice & priming & time interval between prime & stimulus, facilitation or inhibition of responses, college students, implications of cognitive representations generated by color names, 55:6181
preference for collections with elements differing in stimulus attributes vs with similar elements, 4 vs 10 yr olds, 57:5504
preferences & abilities in use of organizational cues in free recall, kindergartners vs 3rd vs 6th graders, 58:11430
preferred vs nonpreferred stimuli, free recall & clustering, moderately & severely mentally retarded public school students, 58:5609
presentation model, organization & recall, college students, 53:10976
presentation of instances belonging vs not belonging to common category, errors in & rate of discrimination learning, male vs female 2 yr olds, 57:2898
presentation order, learning in multitrial free recall, college students, 53:4442
presentation rate, categorization of acoustically & semantically related words, college students, 56:1757
presented vs requested organization, recall of semantically categorized sentences, 5th graders, 55:6141
preshift training & type of shift & temporal factors, stimulus organization, college students, 54:4586
pretraining & presentation mode & age, clustering during word memorization, 3–5 yr olds, 55:6779
previous vs no affiliative interaction with model, classification of geometric figures, 2nd graders, 55:1843
priming technique application, cognitive representation generated by superordinate semantic category names, college students, 55:172
printing color name in incongruent color, RT for word-color matching task, college students, 54:10988
prior contextual information defined by topic vs picture cue vs categorical information, free recall & recognition performance, schizophrenic vs normal children, 58:9680
prior free recall, secondary organization, 4th graders, 55:8897
prior presentation of upper- vs lowercase letter & interval between prior & test letters, test letter classification accuracy, female college students, support for internal image generation, 57:9495
proactive inhibition & categorical encoding in short-term memory, deaf & hearing 8–12 yr olds, 53:5715

proactive interference release as measure of encoding of taxonomic word category attributes, undifferentiated vs paranoid schizophrenics, 56:8144
problems involving typical vs atypical exemplars, class inclusion performance, 7–10 yr olds, 58:805
procedure of contrastive classification, perceptual set induction, 4 & 5 yr olds, India vs US, 58:7176
procedures requiring 1 vs 2 finger response, RT in binary classification experiments, college students, 56:5266
properties of automatic & controlled processing & interrelationships & development of automatic detection & attending & role of practice & categorization, theory of information processing, 58:4785
prototype vs common feature vs distinctive feature models of learning & generalization, learning rate & abstract category learning, college students, 54:10980
psychological functions of verbal labeling in recognition & learning, 56:9211
quantification method, similarity between separate categorizations of words to be recalled, 53:10880
quantification of sentences, semantic memory using statement verification task, college students, 55:197
quantitative class inclusion tasks, kindergartners, 53:11418
random consonant grouping, partial recall, male college students, 54:11016
random vs blocked presentation of categorizable word list with vs without instructions, clustering & free & cued recall, 4th & 5th graders identified as fast/inaccurate vs slow/accurate responders, 58:2712
range of test stimuli, classification behavior, kindergartners, 55:8812
rapid "automatization" of naming pictured objects & colors & letters & numbers, 5–10 yr olds, 54:4572
rapidity of stimulus onset, categories & boundaries in identification & discrimination of music-like sounds & speech syllables, college students, 53:10801
recall & rehearsal, clustering in free recall, junior high school students, 55:11470
reference scales established during prior experience, categorization of social stimuli, 4–9 yr olds, 57:7941
rehearsal of target characters, RT in character classification task, college students, 56:1775
rehearsal training & categorical list organization, recognition memory, mildly retarded adults, 54:9968
relative & subjective & absolute judgments for natural world evaluations, 54:4396
relative size, differential effects on same-different judgments with words & nonwords, 55:11415
release from proactive interference, picture & acoustic encoding, 3–5 yr olds, 53:2855
relevant vs irrelevant vs paralog labeling of novel shape & required use during transfer, redintegrative memory for shape, college students, 54:2366
"remember" vs "look" instructions & practice effects, behavioral vs metamnemonic indicators of strategic behaviors in free recall, 1st graders, 56:9691
reorganization of written material during notetaking & verbal aptitude, free recall, high school students, educational implications, 57:13829
repetition of category labels vs members vs implicit repetition of categories, category acquisition & retention, college students, 55:6194
repetition of stimulus categories, naming latency for alpha-numeric characters, college & graduate students, 53:4437
requirement to use balance rule, classification of descriptions of triadic social situations, test of F. Heider's structural balance principle, 55:2342
responding to stimulus words in native vs acquired language, verbal association & structuring & recall, bilingual Ss, 54:9627
response compatibility, semantic classification tasks, students, 53:2360
response organization level during 1st-list free recall, recall of 2nd list consisting of new & 1st-list words, college students, 58:10983
rest vs sorting task vs meditation, reaction time, college students, 53:262
retrieval of recently learned information, spontaneous & requested use of category structure algorithm & list structure control skills, kindergartners vs 2nd graders vs college students, 58:865
rotation of pictures into unfamiliar orientation & general vs specific category names, individual differences in perceptual processing in matching words-to-pictures task, college students, 56:3381
RT in naming of picture in categorically related vs unrelated pairs, priming effect as measure of category knowledge & relationship to category usage, mentally retarded 7–22 yr olds, 58:3607
rule learning & irrelevant categories, discrimination shift behavior, college students, 54:356
salience & induced muscle tension, ability to ignore irrelevant information in card sorting task, adults & college students, 53:2381
saliency of political stereotype attached to nonsense syllables, concept-mediated generalization, college students, 57:2397
same vs different conceptual category of target & field letter & digit items, visual search performance, college students, support for partial processing hypothesis, 57:11844
same vs different semantic category of target & context words & target set size, target presence or absence search rate, college students, 56:7181
schematic organization & meaning of new relative to original sentences, memory, college students, replication of J. D. Bransford & J. J. Franks's study, 53:2411
schematic storage & thematic assimilation & retention interval, prose retention, college students, 53:410
self generated category or category supplied through cuing, effective organization of material, kindergartners & 1st graders, 54:2727
self generated vs thematic vs taxonomic classification schemes, organized free recall & clustering, 2nd vs 5th graders, 57:8013
semantic & nonsemantic cued orienting tasks, associative clustering in free recall, college students, 53:10969
semantic distance relationships among 3 strings of letters, decision making in lexical memory, college students, 57:7463
semantic distance, response latencies in similarity judgments & RT in same-different classification & proximity of recall in free recall, college students, 56:5285
semantic features used & native language, sorting sentences in informative vs redundant vs contradictory vs amphigorously redundant semantic sentence categories, Chinese vs Finnish vs Japanese vs Slovenian speakers, 54:9662
semantic list structure, free recall, college students, 53:4508
semantic priming in speeded word-nonword classification task & duration of priming event, facilitatory & inhibitory processes, university personnel, interpretation within framework of M. I. Posner & C. R. Snyder's theory of attention, 57:7404
semantic relatedness of irrelevant words or symbols to sorting criteria, interference in sorting stimulus cards according to color vs spatial position vs numerosity, college students, 56:5253
semantic similarity & instance dominance, probe word categorization time, right-handed female college students, 53:8789
semantic structure, simple inductive judgments about natural category members, college students, 55:8841
semantic vs perceptual organization in memory, 54:375
semantically related vs unrelated associates varying in associative strength & frequency, clustering in free recall, college students, 56:5287
sentences in active vs passive voice & containing vs not containing adjective modifying categorizable noun, free recall & clustering of sentences, college students, 56:141
sequential patterns of ordered events & hierarchical & nonhierarchical series in serial pattern learning, digit prediction & transposition & mirror image & inversion & temporal symmetry operations, college students, 56:7193
sequentially ordered instruction vs Guided Discovery vs Directed Instruction approaches, multiple classification skills, educable mentally retarded 9–13 yr olds, 56:6811
seriation strategy instruction using nonvisual variables, learning & transfer, 1st graders, 58:12540
set size & set relation of information held in long term memory, RT for making universal affirmative & particular affirmative decisions, 56:130
set size & word types & list structure & dimension & temporal cues, selective vs tagging strategy in long term recognition memory of probe in cued set, 58:2686
sex & attendance in public vs parochial school, association norms for verbal items in 6 categories, 4th & 5th graders, 56:7573
sex & availability of relevant cognitive categories, observational accuracy, male vs female college students, 55:12256
sex & individual differences, single vs multiple sorting as data-gathering procedure, college students, 55:6119
sex differences, codability of verbal & nonverbal language & colors, 54:2332
short term memory & sex & organized information, development of perceptual motor sequencing ability & serial position curve, 5 & 7 & 9 yr olds, 54:2689
short term memory task, clustering & class inclusion ability, kindergartners vs 2nd graders, 58:9255
similarity of target & field items & location instructions & display size, category effect in visual search, 58:10891
single vs multiple presentation of lists & related vs unrelated list words, information storage & retention & retrieval in standard & extended free recall situations, college students, 57:4969
size of interfering categories, retroactive inhibition for categorized lists, 57:12071
Skinnerian vs Piagetian approaches to teaching classification, competency-based teacher training, 53:12385
small group instructional programs, classification &/or seriation skill learning, urban middle class 4–5 yr olds, 54:4060
social isolation, development of logical operations & role-taking abilities, 7–9 yr olds from rural Norway, 53:862
sociocultural factors & age, mode of categorization & recall, 6–12 yr olds & adolescents & adults, West Africa, 53:6673
socioeconomic status, categorizing ability, kindergartners, 56:7644
soluble vs insoluble tasks & motivational level, flexibility in word categorization, college students, 55:3813
sorting & amount of organizational stability, subsequent recall of unrelated words, 2nd vs 5th graders vs college students, 57:8014
sorting & perceptual organization & memory for location tasks, performance, normal hearing vs hearing impaired 8–9 yr olds, 58:11962
sorting paintings by style & style training regimens, style sensitivity & relationship to perceptual & performing skills, 5th graders, 57:5569
spatial coding of auditory signals, college students, 54:8776
spatial model of memory storage & retrieval without organization, 55:6168
spatial presentation & blocking, organization & verbal recall, 4th vs 6th vs 8th graders, 55:11920
spoken descriptive labeled vs unlabeled pictures, recognition accuracy & RTs, adults vs 5 yr olds, 56:507
spontaneous encoding of words into taxonomic classes differing in degree of specificity, 2nd–3rd vs 6th graders, 57:938
spontaneously employed categorizing vs alphabetizing learning strategies, immediate & delayed free recall of instructional verbal materials & retroactive interference in category structured & unstructured 2-list learning, college students, 57:7475
spreading-activation theory of semantic processing, cognitive representation of semantic categories, criticism of research style of E. Rosch, 55:166
statistical framework, evaluation of object set partitions, 57:4798
stimulation-seeking motive, conceptual category breadth, college students, 53:314
stimulus attraction, color-form categorizing behavior, school age children at various developmental age levels, 55:4251
stimulus blocking & constrained free recall, storage & retrieval processes in free recall, 2nd graders, 58:2719
stimulus encoding & response clustering, recall in retroactive inhibition paradigm, college students, 57:9497
stimulus exposure time & shape vs letter comparison & standard multidimensional stimuli, number of dimensions used in same-different classifications, 1st vs 3rd vs 5th graders, 58:875
stimulus generalization & classification preferences & age, free recall, 1st–3rd & 5th graders & adults, 57:2973
stimulus imagery & response categorization, recall in retroactive inhibition, college students, 57:12041
stimulus presentation & class of verbal responses, judgment of length & shift in presence of anchor stimulus, preschoolers, 55:6799
stimulus probability, same-different classification time in letter judgment task, 56:9163
stimulus suffix addition, error data for recall of final heterogeneous item in alphanumeric lists, college students, discussion of bias in focal attention & selective coding, 54:11044
stimulus uncertainty, average RT & errors of recognition for tachistoscopic presentation of nonsense syllables, 56:9224
strategic & semantic aspects, answers to class inclusion problems, preschoolers, Piagetian logical model vs problem processing model, 56:3850
strategies in learning familiar musical scales, college music students possessing vs not possessing absolute pitch, 57:11842
strategy training &/vs verbal self instruction, Matching Familiar Figures & sorting task errors & response times, impulsive 1st & 2nd graders & educable mentally retarded special education students, 56:10739
strong cues presented at output, reduction of retroactive inhibition in categorized free recall following interpolated list, college students, 57:7438
structural diagnostics in display, same–different judgments & simultaneous matching tasks with letter stimuli, naval enlisted men, 53:10830
structural vs semantic word categorizing in incidental learning task, recognition memory & stimulus-processing mechanisms, 8 vs 10 vs 12 yr olds, 56:9698
structure & content, cognitive representations of semantic categories, reply to E. F. Loftus, 55:1840
structure & content of conceptualizations & organization & selection of air pollution information, specialists in 5 different professions & disciplines, 53:12583
structure of artificial categories & frequency of presentation of category items, typicality effects in ease of item learning & classification speed & ratings of typicality & learning order & priming, college students, 57:2393
structure of spontaneous concept formation processes, normal & mentally deficient & dyslexic children & adults, 57:12859
structure of word storage in long-term memory, young nonpsychotic schizophrenic vs nonschizophrenic psychiatric patients, 53:9778
study time & interpolated learning & cueing, alphabetizing & categorizing as organizational strategies in immediate & delayed free recall, 55:11468
subjective organization & paragraph organization, recall & retention of meaningful prose, students, 55:5558
subjective organization of memory materials, limited capacity for processing information, students, 58:6844
subjective organization, retention & understanding of prose using self instructional curriculum technique, high school students, 55:1428
subjective organizational processes, listening & reading comprehension of paragraphs with no vs distinctive vs distorted pausal cuing, educable mentally retarded vs nonretarded 9–12 yr olds, 57:13905
subordinate & superordinate class inclusion tasks, kindergartners vs 1st vs 2nd graders, 57:9998
substitution of verbal descriptions for materials, conservation & classification task performance, 4th vs 6th grade females, 57:5542
superordinate hierarchical model, developmental shifts in semantic organization, 6 vs 11 yr olds, 56:2153
symbolic logic training, grouping strategies, male vs female 8-yr-olds, 53:9254
target letter strings presented alone vs in sentence vs digit context, classification of stimuli as words vs nonwords, college students, 58:2682
target sets composed of category labels vs exemplars from same vs different categories & target & probe similarity in abstraction level, RT to verify probe presence/absence in target set & retrieval of semantic & episodic information, 4th vs 8th graders vs college students, 58:3109
task complexity, individual differences in information processing during classification learning, high school students, 56:6757
task difficulty & amount of practice, age differences in categorization, 23–28 yr olds vs 65–80 yr olds, 55:4282
tasks requiring categorization of labels with words common to standard & black dialect lexicon, code switching behavior in semantic criteria of generalizable words, 5th & 6th & 9th & 10th grade black student speakers of American English, implications for curriculum development, 55:6665
taxonomic & orthographic & relative size attribute organization, list acquisition & retention, college students, 53:395
taxonomic category & evaluative meaning as encoding attributes, 2nd vs 6th graders, 56:5314
taxonomic decision paradigm, role of phonetic recoding in reading, discussion of applicability of coalitional theory of perception, 57:4918
taxonomic frequency of cue & critical words & intra- & extralist cues, inhibition with part-list cuing, college students, test of item strength hypothesis, 57:12003
taxonomic similarity of concurrent visually presented interfering list & auditorially presented learning list & orthographic & semantic processing of interfering list & category knowledge, free recall learning & retention, college students, 57:12016
taxonomic similarity of words within & between triads, buildup & release of proactive interference, application to retrieval model utilizing encoding dimensions, 57:2415
temporal pauses during memory list presentation, retrieval strategy efficiency, college students, evidence for dual retrieval processes, 53:2373
terminating & exhaustive search process, lexical access in classification of test items, college students, 56:1795
test anxiety & concrete vs abstract noun lists & strategy instructions, free recall & subjective organization, college students, 57:7480
time between 2 readings & typography & basis of classification, memory for sentences, college students, 53:8817
to-be-remembered vs to-be-forgotten vs uncued control sentences, selective-rehearsal & differential-grouping interpretation of positive-forgetting phenomenon, college students, 53:4488
traditional vs discovery classroom types, development of classification skills, 3rd graders, 56:10628
training exercises to nurture discrimination & generalization operations, concept attainment using Silverman Triple Mode Test of Categorization, severely & profoundly hearing impaired children in residential school, 55:1534
training in classification of representational objects, transfer of classification skills to toy-classification vs multidimensional abstract object-sorting task, trainable mentally retarded 4–9 yr olds, 58:9729
training in sorting on basis of class membership with vs without stimulus competition, class responding on stimulus competition transfer task, 4–10 yr olds, 57:5522
training in sorting words into conceptual categories, subsequent memory for instance vs categorical properties of task stimuli, college students vs 7 yr olds, 55:4285
training mnemonic strategies, list recall & clustering & categorization, nursery school students, 58:11010
training to observe vs associate stimuli with representative verbal labels, shape recognition test & label recall performance, kindergartners vs 2nd graders, 57:2451
training to use backward vs forward strategy & meaningfulness & grouping, solving of substitution problems, college age Ss, 55:8834
transactional analysis training vs no training, ability to discriminate game from nongame behavior & classify games according to life position scheme, college student volunteers, 58:9872
transfer of different organizational structures, free recall of word lists, 58:8794
transitive inference task, representation of comparative relations, 3rd graders, 57:968
triple-recall procedure for classification of items differing in degree of organization, word recognition performance, college students, 57:421
TV science instruction & science kit materials, developing classification skills, 1st graders, 53:6152
understanding of passage topic organization, passage recall & awareness of effect of topic understanding, 2nd vs 4th vs 6th graders, modified replication of A. A. Smirnov's study, 57:7938
understanding of selected topological concepts, mentally handicapped 10–13 yr olds, 55:12508
undertraining & criterion training & overtraining on nonsense figure sets, category selection & encoding, male & female college students, 54:8858
unfamiliar labels in defining attributes, concept learning, 12–13 yr olds, 54:5019
unique labeling of training stimulus, adaptation level & central tendency shift using line angle test dimension, female college students, 53:6633
unitization & spatial grouping, short term recognition memory, 55:8925
unrelated response term grouping, paired associate learning, college students, 53:343
urban-rural differences, performance on exploratory-manipulative cognitive task vs instruction-specific cognitive & memory tasks, 4–13 yr olds, Kenya, 58:964
use of organization structures in classifying semantically related words, college students, implications for use of computer-leased information retrieval systems, 58:6823
use of sorting task & similarity estimation task, cognitive structure measurement, kindergartners, 57:923
use of taxonomic & phonemic & sense impression categories, categorical organization in short term memory, 3rd & 4th graders & college students, 54:2730
utterance contours differing in frequency at stress & over terminal glide, judgment of level from fall & rise contours & talking-to-self from statement & question responses, graduate & college students, 53:1129

verbal ability & sex & grade & age, prediction of Piagetian classification & seriation task performance, Mexican American vs Anglo American kindergartners through 3rd graders, 58:9314
verbal ability & sex, speed of taxonomic category & homophone identity & physical identity word matches, college students, 58:2670
verbal encoding deficits, memory disorders, alcoholic Korsakoff patients, 54:1340
verbal labeling & rehearsal, primacy & recency serial-position recall, mildly retarded 9–11 yr olds, 53:5668
verbal labels, memory for associated pictures, 4 yr olds, 54:2369
verbal mediation vs nonmediation in optional shift discrimination task & relationship to performance on paired associates & category-clustering & intermediate size transposition tasks, examination of Kendler model of optional shift behavior, 55:8804
verbal rehearsal training, recall accuracy & clustering, kindergartners vs 3rd vs 6th graders, 55:11993
verbal vs pictorial presentation, class-inclusion performance & number conservation, kindergartners to 6th graders, 53:4943
visual & auditory presentation modality & conceptual dimensions as encoding categories, short term memory, 2nd graders, 56:7632
visual & conceptual category relationships between pictorial study & probe stimuli & lag time, developmental trends in response latencies in recognition memory task, 4 vs 8 vs 16 yr olds, 58:868
visual similarity & semantic relationship of distractor word to target word & category, recognition response latency, college students, 55:1863
visual vs verbal stimulus set, letter classification task, college students, 56:1758
visual vs verbal vs thematic coding of pictorial material, long term recognition memory, 55:6162
vocabulary size & word frequency, semantically vs graphemically cued retrieval of words from long term memory, college students, 56:5313
Wisconsin Card Sorting Test performance, psychiatric patients vs patients with dorsolateral frontal lobe operations, 54:5425
Wisconsin Card Sorting Test performance, patients with unilateral frontal vs nonfrontal lesions, 54:5603
within-category word spacing & serial order & presentation rate & category size, recall performance & retrieval processes during acquisition, implications for models of memory storage, 58:8791
word blocking according to semantic category & presentation rate, ordered recall performance, 3–5 yr olds & 1st graders & college students, support for automatic processes based on structural organization of semantic memory, 57:4974
word frequency & taxonomic frequency, incidence of category clustering in free recall, college students, 58:4776
word interference, speed of categorical classification of ink colors, college students, 56:5252
word pairs varying in associative strength & taxonomic relatedness, organization in & amount of recall, thought disordered vs non-thought-disordered patients, 57:8416
word recall & clustering, 4th–6th graders, test of A. L. Jensen's developmental hypothesis of mental abilities, 58:11490
word retrieval & classification skills, children with primary dyslexia, 55:2513
word rhyming & semantic categorization & mental imaging orienting tasks, recall & recognition analysis based on attribute coding at different processing levels, 16–17 yr olds, 57:11967
word series varying in category size of exemplars & relatedness of nonexemplars, RT to affirm/deny category membership of word, college students, support for feature selection theory, 58:4778
words drawn from 1 vs more semantic categories, short term memory, 5–9 yr olds, 58:11489
words with masculine or feminine connotations, sex role preferences in short term recall of words, male & female 7 & 10 yr olds, 56:3828
written advance &/vs post organization, learning & immediate & delayed recall of prose material, college students, 56:2963
year of school enrollment, seriation & classification & conservation task performance, Montessori vs traditional nursery school 4 yr olds, 58:4284
yrs of schooling in Yugoslavia vs Australia, concrete operational performance vs multiple classification task performance, 9–13 yr old Yugoslav immigrants in Australia vs Australian children, 53:9265

Classification (Psychiatric Process) [See Psychodiagnosis]

Classification Systems [See Taxonomies]

Classmates

classroom presence of behavior problem child, behavioral & academic output of classmates, 3rd graders, 57:6886

Classroom Behavior

abstract vs concrete conceptual functioning, information handling & application of sanctions in classroom, elementary school teachers, 55:7914
academic achievement & school behavior & frequency of seizures, epileptic children in ordinary schools, 54:1460
acceptance of need to wear eyeglasses, improvement of reading performance & classroom behavior, 16 yr old male delinquent, 56:4535
accuracy of match between reading instruction material & student reading ability, classroom behavior, 2nd–6th graders, 58:6135
adjustment level & educational environment, attention to task & work completion, 1st graders, 53:10499
Adlerian group counseling model used with students vs students & teachers vs students & mothers, constructive behavior, 2nd & 3rd graders, 58:2254
Adlerian parent study group participation, children's reading achievement & classroom behavior & parents' childrearing attitudes, 4th graders & their parents, 58:10587
adults vs peers as social behavior trainers, social response generalization in training & classroom setting, socially withdrawn developmentally delayed children, implications for educational programing, 57:9123
affective & cognitive exercises for development of working skills, classroom small group work, 54:10502
affective education development program vs regular English classes, social structure & learning environment & group-work behavior, high school students, 55:13122
age & intelligence & classroom behavior, achievement prediction, underachieving children, 58:10418
age, response to stimulant medication, hyperactive adolescents treated during 1969–1974, 55:1087
alternative schools, patterns of hierarchy & formality & press to achieve & students' assumptions about means & ends of education & behavior, junior high school students, 55:5522
analysis of verbal & nonverbal interactions using Differentiated Child Behavioral Observation System, lower vs middle income 5–8 yr olds in traditional vs open classroom schools, 57:9192
analysis of verbal interactions in summer school setting, learning disabled 3rd–5th graders vs peers, 57:13842
anxiety & self concept of school ability & socioeconomic status & desk position & perception of teacher's & classmates' responses to attempted participation, oral participation in classroom, 3rd & 5th graders, 58:2155
anxiety-free vs anxiety-provoked test conditions & impulsive vs reflective vs incisive vs withdrawn cognitive styles, intelligence & reading & arithmetic achievement & visual motor development & auditory discrimination & classroom behavior, kindergartners & 1st–4th graders, 58:4314
application of behavior modification to single student, behavior of nonreinforced students & teachers, 3rd & 4th graders, 58:2141
application of F. Heider's p-o-x balance model, classroom interactions with attitudinal agreement & disagreement of participants, 55:8257
application of H. Bonn's 6 characteristics of group dynamic action, analysis of classroom dialog, 55:13395
applied behavior analysis paradigm, classroom setting, 55:7868
architectural changes & individualized instruction & group contingencies, academic performance & social behavior, disruptive 6th graders, 54:6293
atmospheric conditions & school building design, teacher &/or student behavior, 3rd grade teachers & students, 58:10188
attention to appropriate child behaviors, training program in applying generalized correct social contingencies, aides in kindergarten-style program for mentally retarded, 53:6123
attitudes toward children's social behavior, special education & regular elementary class teachers, implications for development of social skills curriculum, 57:9038
attitudes toward labeling process & teacher's reactions to deviant acts, 9th graders, 53:6094
attitudes toward levels of deviant student behavior & attitudinal agreement with research on behaviors predictive of juvenile delinquency, 5th grade vs special education teachers vs child psychiatrists, 56:4699
attitudes toward sex role behaviors of school children, elementary teachers, 58:12451
background music, hyperactivity & task performance in classroom, brain injured 1st graders in special school, 57:13958
behavior management training, knowledge of behavior modification skills & attention & pupils' behavior, teachers of mentally retarded elementary school students, 58:12406
behavior modification, antisocial classroom & home behavior, antisocial male preadolescents, methodological critique of G. R. Patterson's study, 56:10324
behavior modification, antisocial classroom & home behavior, antisocial male preadolescents, reply to R. Kent's criticism, 56:10343
behavior modification, locus of control & self concept & reading & math achievement & behavior, 2nd graders, 58:12497
behavior modification program, classroom behavior, children with behavioral & learning problems at child development center, 58:1650
behavior modification techniques applied in experimental classroom, evaluation of effects on appropriate behavior using normative peer data as standard, 1st–3rd graders displaying low proportions of appropriate classroom behavior, 56:6743
behavior modification techniques, application in special & general educational settings, book, 56:10654
behavior reinforcement procedures, student conduct & student & teacher satisfaction, 5th graders, 58:10283
behavioral & academic characteristics, learning disabled 1st & 2nd grade boys & girls, 57:8478
behavioral & biochemical correlates, performance on Illinois Test of Psycholinguistic Abilities, 7th & 8th grade Southwest Indian students, 57:13991
behavioral intervention with vs without medication, disruptive classroom behavior & academic performance, 8–12 yr olds in classes for learning disabled, 56:3025
behavioral rehearsal of campus & classroom social skills, academic achievement, high risk college freshmen in summer remedial education program, 57:1940
behavioral vs aptitude based instruments, 1st-grade achievement prediction, educationally high risk & high potential kindergartners, 58:12765
behavioral vs generic counseling by intensively trained nonprofessional mental health workers, school attendance & classroom behavior & academic achievement & dropout rate, predelinquent high school students, 57:13985
belief systems of teachers & staff members, cognitive level of questioning during class, high school teachers, 55:13390
broad-scale school-based psychotherapeutic intervention, academic achievement & attendance & behavior, 7th graders with low academic motivation & family & discipline problems, 58:8405
Carkhuff's model of facilitative communications training of mothers, home & school behavior & mothers' communications skills, mothers & their elementary school children, 58:9914
cartoon characters in work materials, motivator effect measured by subsequent emotional actions & learning & social activities & residual attitudes, disadvantaged preschoolers, 58:12502
categories of reinforcement differing on developmental continuum, responsiveness, 1st vs 3rd vs 5th graders, 58:8247
causes & effects & solutions, disruptive behavior in schools, review of major studies, 54:12475
change in physical design of open classroom, spatial & temporal distribution & classroom activities, 2nd & 3rd graders, 57:11508
child & parent exposure to relaxation tapes, child's emotionality & medication intake & cognitive & classroom behavior changes, minimally brain injured children, 58:7948
children's concepts of school rules & effects of time schedules & activity type & procedures & behavioral differences between ages & individuals, teacher observations of 5 & 6–8 yr olds on moral development, 56:9711
children's play in school setting, implications for teacher training in psychology & group dynamics, 55:13368
child's nonverbal social behavior, social system of physical contact in kindergarten classroom, 55:5601
class size, peer interaction & children's on-task behavior & attention requests & aggression & teacher's positive & negative & classroom management behaviors & perception of self & children in play & structured settings, preschoolers & teachers, 58:8337
classification of classroom behavior, 9–18 yr old intellectually handicapped children, 55:1514
classroom behavior, academic achievement, 2nd graders, 54:10589
classroom behavior associated with internal vs external locus of control & modification through weekly goal setting conferences with teacher, male vs female Black vs White 4th graders, 58:8257
classroom behavior during compensatory reading instruction, elementary school teachers, 53:12384
classroom behavior during math vs verbal skills instruction, math vs verbal achievement, high vs low achieving 3rd & 4th graders, 56:2959
classroom behavior during reading instruction, relationship between poor reading achievement & behavior problems, 1st graders, 55:8141
classroom behavior patterns, student teachers of social studies & languages, 54:6217
classroom behavioral styles, learning disabled vs non-learning-disabled 3rd & 4th graders, 58:8355
classroom discussion & interaction activities, group development, junior high school students, 55:10949
classroom environment demands & interpretation according to student's reward system, development of individualistic behaviors, 53:4022
classroom guidance utilizing DUSO D-2 materials, academic achievement & school behavior & peer relations & self esteem & social self esteem, low achieving 4th graders, 58:4400
classroom interactions & critical thinking, college students, 58:12696
classroom location & learning, comment on R. J. Bates's article, 54:12580
classroom location & learning, rejoinder to W. M. Gill's comments, 54:12566
classroom management workshop vs teacher observation alone, teacher attitudes & student behavior change, Black male elementary school students, 57:13547
classroom observation by teachers, identification of educationally high-risk children, kindergartners, 56:4958
classroom observation systems vs Aspy Process Scales, predictive power for self concept reports & academic achievement & other educational outcomes, implications for teacher training & accountability, 57:9080
classroom openness, self concept & school attitude & observing-inferring & question asking behaviors, 4th graders, 55:13389
classroom operant conditioning interventions, social consequences & behavior of nontarget children & changes in their perceptions of target Ss & peer interactions, aggressive kindergarten male & withdrawn 1st grade female, 56:4854
classroom presence of behavior problem child, behavioral & academic output of classmates, 3rd graders, 57:6886
classroom verbal behavior & student perceptions of effective college teaching, college students & instructors, 57:6878
cluster analysis, patterns of observable behavior, high-risk kindergartners, 54:10640
cognitive complexity & classroom cognitive behavior, teachers, 58:10273
cognitive complexity, control & reinforcement of pupils in classroom, teachers, 56:8638
Cognitive Verbal Nonverbal Observation System, classrooms for the deaf, 58:2217
colleague ratings based on classroom observation, tenure & promotion decisions, 54:8262
college student helper volunteers, improvement of social & academic behavior, educable mentally retarded public school students, 58:2202
common factor variance between perceptual & behavioral measures of classroom behavior, high school students, 54:6392
comparison of behavior in home & school settings, determinants of deviancy, normal vs deviant grade school children, 58:9700
competency-based intervention, classroom behavior, elementary school student teachers & pupils, 57:6738
competency-based teacher education, teacher & student behaviors, elementary physical education student teachers & their students, 58:6154
congruence between teachers' & supervisors' perceptions of school environment & teachers' deviant classroom behavior, high school teachers & supervisors, 58:1961
construct validity of Devereux Elementary School Behavior Rating Scale, kindergartners, 58:6717
contingent vs noncontingent individual feedback assistance, classroom appropriate behavior, 6th–8th grade teachers, 55:13060
control of group boundaries in classrooms, elementary school teachers, 55:5615
cooperative social structure in classroom, class participation & activity level & academic self concept & achievement & consensus of academic "goodness," 8th graders with poor achievement records, 55:1373
counselee readiness for group counseling, goal attainment & counseling satisfaction & classroom social acceptance & achievement-related behaviors, 4th graders, 57:11542
counselor-initiated role playing sessions in classroom, physical aggression, children, 55:3251
covariation within behavior repertoires at home & school & application of contingency management procedures, problem children, 54:3764
creativity & relationship to intelligence & achievement motivation & interests & classroom behaviors, 5th graders, 56:6792
crises in national affairs, aggressive classroom behavior & alleviation of tension through teacher discussion, 2nd graders, 57:4401
crisis-type confrontations with students, resolution strategy for teachers, 57:1985
cuing by pretaped voice vs clock-scanning, interobserver reliability in recording classroom behaviors of preschoolers, college students, 56:7120
cultural & perceptual differences in attribution & child classroom behavioral patterns, Anglo vs Chicano teachers & children & parents, 55:1507
dependency relationship & mother-child interaction, attention & dependency behaviors in school, 1st graders & mothers, 55:1471
design & validation of instrument for identifying & measuring coping behaviors, 3 yr olds in preschool settings, 55:13611
development & format, School Adjustment Scale measurement of recall of student behavior, teachers, 54:1972
development & validity, teacher's observation scale for identification of learning disabilities of 6–13 yr olds, 57:2238
development of valid & reliable descriptive system to code student behavior from videotaped physical education classes, implications for teaching, 58:4439
developmental & ecological view, disturbing classroom behavior, 53:10496
developmental test & innovative classroom observation instruments, evaluation of Head Start program, 54:10663
differential classroom interactions, 1st grade teachers & students subsequently identified as learning disordered, 58:12643
dimensions derived from teacher observations of student behavior, comparison with conceptual schemas in observation of peer behavior, elementary school students, 55:8263
dimensions of reading attitude, reading achievement & scholastic aptitude & classroom behavior & cognitive style, 4th–6th graders, 57:1958
direct &/or indirect priming & reinforcement, peer interaction, 4.5 yr old female who avoided peer contact, 54:10499
discrimination between appropriate & inappropriate classroom behavior, well vs poorly behaved male 5th–7th graders, 53:12363
"disturbingness" ratings of student behaviors, special vs regular education teachers vs teacher trainees, implications for intervention strategies & teacher education, 58:6146
dramatic activity, self concept & behavior, 5th graders, 58:10387
dyadic interaction between students & teacher, teacher's classroom behavior, early childhood teachers, 58:4353
dyadic vs individual task-oriented counseling approaches, acquisition of friends & absences & attending behaviors, high school girls who had recently transferred into school, 58:10612
early childhood recollections, prediction of school adjustment, public school children categorized by teachers as most assaultive vs overdependent vs withdrawn in class, 57:6893
early education curriculum models, observation of classroom experiences, 2nd graders, 55:13198
early vs later remedial education placement vs regular class placement, academic aptitude & achievement & marks & attendance & behavior, urban Black junior high school educable retarded males, 58:10522
educational program based on rational emotive therapy, content acquisition & neuroticism & trait anxiety & teacher ratings of classroom behavior, 4th vs 8th graders, 58:10305
emotions as social processes with communication functions & aggression as emotional behavior & adaptive aspects of aggression in animal & human groups & in classroom, 55:9533
establishment & transmission & effects of teacher expectations during classroom interactions, 1st & 2nd graders, 55:13445
ethnic background & reward contingent upon group vs individual achievement, academic & cooperative behavior, Anglo vs Mexican American 5th graders, 55:5579

evaluation, methods for management of withdrawal & negative social & aggressive & acting out behavior, special education teachers, 55:13487
evaluation of affective curriculum program, awareness & self-concept & social interaction, 1st graders, 55:10819
evaluation of behavior modification program in outpatient situation, conduct problem children with behavioral & academic difficulties in elementary school, 56:8403
evaluation technique, mobilization, male preschool age children, 53:4042
evaluative thinking game, classroom interaction, gifted junior high school students, 56:3008
exaggeration & lying in classroom, disadvantaged black child, recommendations for teachers, 54:4042
experimental validation, Teacher Practices Observation Record & Classroom Creativity Observation Schedule, trained student teacher Os in primary school classrooms, 57:11215
exponential function of successive questioning, probability of continuation of connected conversations, 1st graders, 54:9654
expressed problems & classroom behaviors, elementary students referred for intensive counseling, 57:4493
extrinsic rewards, value of intrinsic rewards for school-related behaviors, nursery & elementary school students, 53:6181
facilitator training using Education through Student Interaction & lecture-discussion methods, facilitator effectiveness in classroom group discussion & training method preference, college students, 57:6732
factor & item analysis, French version of Devereux Elementary School Behavior rating scale, elementary school students, 53:2153
factor analysis & test–retest reliabilities, Devereux Elementary School Behavior Rating Scale, 7–13 yr old boys in residential treatment center for emotionally disturbed, 54:10666
factor analysis of rating scales of classroom behavior & relationship to reading tests, primary school students, 58:12738
factorial structure, teachers, ratings of classroom behavior, 53:10395
family attitudes of autonomy, classroom self control & motivation, preparatory school children, 54:8395
family therapy, family adjustment & anxiety & interpersonal communication & child's self concept & symptom reduction, families of emotionally disturbed adolescents, 58:5841
family therapy processes applied to group comprised of family members & school professional staff & family therapy consultant, students' maladaptive behavior & family-school interaction, 58:4459
Flanders' system of interaction analysis & feedback, indirect teaching behavior, student teachers, 55:1276
flexible Observation Instrument for Student Behavior, adaptability to various settings & populations & objectives & needs, 54:12666
frequency of group counseling, self esteem & classroom behavior, male 7th graders, 58:8444
Glasserian classroom guidance techniques, self concept & observed task behavior, 4th graders, 57:14019
good behavior game, classroom behavior improvement, 2nd graders, 58:4323
GPA & abstract reasoning ability & functional information skills & teacher ratings of student conformity to model behavior, high school students, significance for appropriateness of letter grades, 58:2235
grade in school & sex & social class & ordinal position in family & teacher, behavior disorders as measured by teacher ratings, White elementary school children, 58:6320
grandparent contact & birth order & sex, reading readiness & self concept & classroom behavior & language development scores, white middle class 1st graders, 56:2125
group centered counseling, school alienation & study anxiety & school behavior, educable mentally retarded inner city Mexican American high school students, 57:11560
group counseling, attendance & achievement & behavior, chronically absent high school sophomores, 58:8432
group counseling, negative attitudes & behaviors toward school & teachers, high school students, 55:8397
group counseling using human relations treatment program, school conduct & attendance & social adjustment, disruptive 10th grade males, 58:6429
group reinforcement contingent on group vs individual behavior, modification of disruptive classroom behavior, research & educational implications, 57:3960
group remediation vs counseling vs art activity, achievement & classroom behavior, underachieving 4th & 5th graders, 58:12353
group therapy using operant approaches, attention to tasks & social interaction, 5–6 yr old males with cerebral palsy or mental retardation in residential school, 55:5122
group token reinforcement & punishment procedures, classroom behavior, educably retarded 11–12 yr olds, 53:10521
group training program, modification of in-class behavior, teachers, 58:6190
group transactional analysis alone vs with perceptual motor training, locus of control & classroom behavior & self concept, imprisoned juvenile delinquents, 57:13223
group vs individual contingent reinforcement, disruptive classroom behavior, emotionally disturbed &/or socially maladjusted 8–10 yr olds in residential school, 55:3149
high vs low language proficiency & demographic characteristics, aggressive behavior in classroom, Black vs Puerto Rican vs White male 4th vs 5th vs 6th graders, 58:10451
"hot seat" technique from Gestalt therapy using feeling verbalization & role exchange, disruptive peer relations, 4th grade inner city classroom, 57:1983
human potential seminar &/vs T group, classroom interpersonal competence, elementary school teachers, 57:13630
human relations training, cooperative classroom behavior & ratings of classroom environment, 4th graders, 57:11320
hyperactivity, diagnosis & measurement by evaluation of classroom behavior & arousal level & information processing, applicability to planning remedial interventions, 58:6404
identification & measurement of academically relevant disturbed classroom behaviors, clinically diagnosed mentally retarded & learning disabled & emotionally disturbed 80–142 mo olds, 55:13496
identification of children with school-related problems, prediction of academic & behavioral outcomes, kindergarten to 6th grade teachers, 57:4475
identification of educational risk in kindergarten & predictive validity of observable classroom behavior, teacher ratings & achievement, 1st graders, 56:6844
ignoring whispering of designated S vs whispering by all class members, disruptive whispering, 6th–8th graders, 55:10945
impact of elementary schools upon behavior of students, social ecological correlates, implications for mental health intervention via support system consultation, 57:8959
in-class cuing & feedback to teachers, student & teacher behavior, teachers & students, 55:13392
increased personal relevance, attendance & participation & academic performance, college students, 56:8751
individual & situational variables, anxiety & academic performance & classroom behavior interactions, literature review on taxonomy for research & application, 56:2771
individual characteristics & open vs traditional classrooms & sex, academic achievement & inquiry & writing skills & creativity & social educational attitudes & teacher ratings of classroom behavior, 4th graders, 56:10647
individual student rates of volunteering of answers, rate of teacher directed questions to individuals & percentage of volunteering approved in 1st & 3rd mo of term, high school teachers, 56:2993
individual vs group token reinforcement contingencies, control of classroom behavior & motivation to complete assignments & amount of token & social reinforcement received, 4th–10th graders, 55:10837
individual-contingent group-reinforcement classroom behavior modification, control of on-task behavior & peer interaction & popularity, 5th & 6th graders, 55:1466
individualized inservice program, teacher behavior & attitudes & subsequent pupil behavior & attitudes, 4th–6th grade teachers, 58:6167
individually guided education vs closed self-contained school vs Westinghouse Program for Learning in Accordance to Needs, classroom behaviors in open-spaced structure, 1st & 6th graders, 56:2876
induced teacher expectations, academic & social behavior, 1st–6th graders, test of Rosenthal & Jacobson model, 56:10734
informal vs traditional schools, attitudes & behaviors & personality traits & scholastic achievement, 6th graders, 58:12506
inservice education in interaction analysis, classroom behavior & self improvement, teachers, 57:8990
inservice training of classroom management skills, changes in skill usage & pupil work involvement & disruptive behavior, elementary school teachers, 56:1312
instruction in contingent teacher attention vs self monitoring vs self reinforcement, approval & disapproval to disruptive classroom students, junior high school teachers, 58:4161
instruction in use of Flanders' Interaction Analysis Technique, ability to classify classroom verbal interaction, experienced vs prospective teachers, 57:1904
instructional group size & student engagement in learning & teacher strategies interrelationships, 3rd & 4th grade teachers & students in low income schools, 55:5632
instructions & feedback from E, observational recordings of disruptive behavior in classroom, female college student Os, 54:3994
instructor's nonverbal behavior, performance & attitudes, college students, 58:12663
integrated vs nonintegrated preschool experience, classroom social participation, able-bodied & multiply physically handicapped preschoolers, 58:12669
integrated vs segregated class placement, classroom behavior, educable mentally retarded & low-IQ & nonretarded peers, 53:1971
integrated vs segregated school setting, actual & perceived classroom aggression in self & others, black vs white 3rd graders in rural South, 56:8752
integration into regular classroom vs segregation, prosocial & verbally & physically aggressive classroom behaviors, educable mentally retarded 8–11 yr olds, 56:4908
intensive group counseling, attendance & failures & classroom behavior & verbal intelligence, failing male Chicano 10th & 11th graders, 58:6418
interaction exercises, classroom discussion quality, junior high school students, 55:8271
interaction style, mothers of 8–12 yr old children with orderly vs disorderly classroom behavior, 55:12128
interactions & classroom activities in day care centers, 3 yr olds, 58:12650
interactions between perceived parental acceptance & control, hostile-aggressive & neurotic & withdrawn-dependent classroom behavior, 5th & 6th graders, test of predictive validity of Schaeffer's configurational model, 57:6877
intergrade tutoring with group guidance activities, reading achievement & self concept & attitudes toward school & behavior of tutors & reading achievement & behavior of tutees, 3rd & 4th grade tutors & 1st & 2nd grade tutees, 55:5687
Intermediate Science Curriculum Study materials, inquiry behavior, 7th–9th graders, 55:1402
interpersonal correlates based on teachers' ratings of classroom adjustment & peers' sociometric preferences, cognitive impulsivity, male vs female 4th graders, implications for adjustment & remediation, 57:4391
interpersonal interactive behaviors, hearing impaired vs nonhandicapped 1st–4th graders in regular classrooms, 57:6931
interracial simulation game, attitudes toward Blacks & self perceived social relations of Whites & Blacks within classroom, White 9th graders in desegregated junior high school, 58:12529
interrelationships among personality types & beliefs & observed classroom practices & instructional television usage, elementary school teachers, 55:5468
introduction of teacher-trainees to behavior modification techniques, application of social vs material reinforcers to increase classroom social & academic behavior, preschoolers, 57:13663
juvenile court compensatory program, attendance & academic achievement & school deportment, disadvantaged elementary school students, 58:10332
kindergarten teacher as resource in providing visual-motor & academic & behavioral information, identification of learning disabled children, 57:13943
kinetic psychotherapy, aggressive classroom behavior & achievement anxiety & self esteem, 1st & 3rd & 6th grade boys, 58:10633
label for & causes of & solutions to disruptive classroom behavior, 55:5619
labeling of adolescents' ability in classroom situation, attitudes toward students, teacher education students, 55:12969
language training program, communication skills & classroom adjustment, 12–19 yr old nonvocal deaf retardates, 53:1977
learning & classroom behavior patterns, high risk students, 53:8336
linguistic analysis, verbal responses to teachers' questions, disadvantaged kindergartners, 56:10725
locus of control, achievement & achievement oriented behavior in open classroom, 11th & 12th graders, 58:6205
locus of control, honesty, 4th graders, 55:3155
low vs middle socioeconomic status, teacher–student nonverbal behavior, 1st grade teachers & students, 54:4072
macroanalysis, implementation & dissemination of interaction analysis, application to educational research, 54:4005
manipulation of social reinforcers, behavioral contrast between classrooms, elementary school students, 58:10459
marathon encounter groups, improvement in teacher-student relationships, university students & teachers, 55:3142
maternal attitudes toward individuation, behavior upon entry into kindergarten, kindergartners, 57:8026
Meeting Street School Screening Test & Myklebust Pupil Rating Scale, identification & discrimination between high- & low-risk children, urban Black 1st graders, 57:9165
mental health education preschool program focusing on social problem solving behaviors, social skills & kindergarten classroom performance, 4–5 yr olds identified at risk for poor school adjustment, 58:6214
mentally retarded label, attitudes of peers' toward acting out vs passive behavior, 3rd graders, 54:12581
methylphenidate & classroom token system, modifying hyperactive behavior, 9–15 yr old hyperactive institutionalized retarded, 55:10171
methylphenidate vs imipramine, classroom & home behavior, hyperactive boys, 1-yr followup study, 54:3692
mild vs strong criticism with vs without helpful suggestions from adult, S's rating of task difficulty & performance & liking of task & evaluator & social interaction in simulated classroom, male vs female 4th graders, 55:10953
modeling & reinforcement procedures, development of question-asking skills, Papago native Americans, 53:6154
moral maturity, classroom behavior as measured by student ratings, community college teachers, 55:10668
mother-child client-centered counseling vs behavior therapy, academic achievement & personality traits & school behavior, educationally handicapped children & their mothers, 58:1504
multiage classroom, within & between age group verbal communication, 4–7 yr olds, 54:6302
multidimensional model, assessment of emotional change to music in classroom, high school choral students, 58:10592
multidimensional school counseling, self concept & classroom behavior & attendance, alienated 4th–6th graders, 58:4420
multiple schedule, interaction of in-seat & attending responses in group contingency situation, children, utilization of behavioral stream approach, 57:8778
naturalistic behavioral study, accuracy of Regional Intervention Project methodology analysis of behavior in educational preschools with differing socialization philosophies, preschoolers & their teachers, 57:9027
nature & occurrence of off-task behavior in classrooms, 4th graders, 55:10910
need for school psychologists to develop better intervention strategies to share with teachers of problem children, 58:1981
no medication vs Ritalin, intellectual & achievement gains & hyperkinetic classroom behavior, hyperkinetic children in Head Start or day care center, 58:9970
nonpunitive use of string seat belts, attitudes toward seat belts & reduction of hyperactivity, hyperactive primary school students with learning problems, 57:13924
normal cool white fluorescent vs full spectrum lighting & radiation shielding in classroom, behavior & academic performance, 1st graders, 54:4030
number of pupils & classroom size & pupil space, social complexity & noninvolvement in classroom behavior, elementary school students, 54:6156
number of siblings & nonworking vs half time vs full time working mother, mathematics & language achievement & classroom behavior, male vs female 2nd graders, 58:6269
observation instrument, investigation of referral vs model children & their contingent interactions with teacher, 58:12771
observation of classroom behavior & interactions with teacher & other students, junior school children, 54:10421
observation training & practice, accuracy of judgment of children's behavior change, teachers, implications for inservice teacher education, 57:4314
observational investigation of classroom behavior & instruction materials & program goals, assessment of early childhood educational programs, 3 & 4 yr olds & teachers, 56:2885
observational method, monitoring student disruption & attention & teacher's use of positive & negative events, paraprofessional teacher aides, 56:6794
observational session length & recording method & frequency of to-be-observed teacher behaviors, observational accuracy, 55:5407
observational study of targeted humor as indication of psychological state of group of individual members, outpatient therapy group & classroom growth group, 57:8171
observational system, preschool classroom experiences, 55:13629
Ohlsen model of group counseling, school behaviors & self concept & idiosyncratic goal & academic achievement, disruptive 7th–10th graders, 58:10586
open & stratified classrooms, self esteem & anxiety & behavior, black & nonblack underachieving 4th–6th graders, 55:5476
open & traditional classrooms, friendship patterns, 9–14 yr olds, 57:11473
open education vs behavior modification classrooms & locus of control, behavior & achievement, male 6th graders, 58:12532
open environment individualized instruction format, classroom communicative interaction patterns, deaf high school students, 57:6920
open space vs self contained public school classrooms, teacher-student & student-student interaction & student work behavior, 6th graders, 57:4411
open vs closed environments, visibility of children to staff & of child-staff interactions to supervisor & activities, toddlers & infants & staff in day care centers, 57:13898
open vs traditional classrooms, curriculum & social environment & behavioral interaction, 3rd grade students & teachers, 55:13422
open vs traditional classrooms, teacher-rated hyperactivity & academic differences, hyperactive males in regular classrooms, 57:6926
open-ended classroom meetings, verbal participation & impulsive behavior & hyperactivity, learning disabled 10–11 yr olds in special education class, 56:4936
operant conditioning techniques using contingent reinforcement for hand raising & answering questions & reading aloud, 8 yr old with elective mutism in classroom setting, 54:1640
operationally defined classroom behaviors, glossary, 58:6321
optional vs mandatory brief prelecture quizzes, performance on regularly scheduled tests & class participation & student evaluation of lectures, college students, 57:11369
overt behavior in classroom, referral vs nonreferral 2nd–4th grade boys, 56:6775
Overt Classroom Behavior Inventory vs Dutton Mathematics Attitude Scale vs Revised Aiken & Dreger Mathematics Attitude Scale vs Student Classroom Behavior Inventory, prediction of mathematics achievement, high school students, 57:11451
parent group education program in behavior management & communication skills, academic achievement & personal & social adjustment & school absenteeism of children, parents of 7th & 8th grade underachieving & socially maladjusted students, 58:10329
participation in Character Education Project for teaching values, self concept & behavioral deviations & school attendance & concepts of kindness & honesty & right to be an individual, students, 55:5521
participation in leadership program of intervention, attitudes & school & classroom behavior, 4th–6th grade low income black negative social leaders, 55:8123
participation in sibling caretaking & school, teacher vs peer classroom attending behavior, Hawaiian students, 58:6304
participative practices in classroom & outcomes, 3rd graders, 56:10706
partner-oriented work, teaching techniques emphasizing feeling expression to foster student motivation & activity & participation, seminar participants, 58:2039
peer counseling group approach program, self concept & school learning performance & attendance & classroom behavior & attitudes, educable mentally retarded & socially maladjusted potential high school dropouts, 56:6862
peer group reinforcement, talking-out in classroom, 7–11 yr olds, 56:4873
peer reporting of cooperative or friendly vs unfriendly behavior, cooperative play & aggression, kindergartners, 58:4340
peer-mediated behavior modification programs, classroom behavior problems, 57:13768
pemoline, behavior ratings & WISC scores & cardiovascular data & height & weight & school performance, 6–12 yr old hyperactive boys, 57:758

perceived personality impressions in acceptance & rejection classroom interaction patterns, 6th graders, 56:4865
perception of causes of disruptive behavior & conception of appropriate intervention strategies, junior high school students vs teachers, 58:1629
perception of teacher effectiveness by other teachers & students & principals, classroom verbal interaction patterns, secondary school teachers, 55:13029
perceptions of achievement & pupil role-related behaviors of male vs female students & subsequent evaluation of students, elementary school teachers, 57:13633
perceptions of teacher communication behaviors & effectiveness, 7th–12th grade students & teachers, 55:5605
perceptual-motor behaviors, reading & mathematics achievement & class behavior & academic self concept & motivation, 1st & 3rd graders, 58:4302
personality & educational philosophy & classroom behavior, teachers in comprehensive high school, 58:1996
persons acting as stimulators of positive classroom processes in course discussion sections, achievement & attitude change, college students, 56:1452
philosophies of human nature & classroom nonverbal communication patterns, teachers, 55:10677
philosophy of human nature, congruence of verbal-nonverbal behavior in classroom, elementary school teachers, 54:8266
physical attractiveness of child & depiction of possible misbehavior, evaluations of personality & attribution of blame & punishment, female elementary school teachers, 55:5620
physical environment variables, behavior in learning setting, mentally retarded youth, 58:12707
placement in special classes, teacher ratings of behavior on behavior problem checklist & frequency counts of deviant behaviors, emotionally disturbed 6–14 yr olds, 58:2167
placement in special vs regular classroom, social participation & adjustment, mildly retarded 7–11 yr olds, 55:3219
planned classroom teacher verbal behavior & resulting classroom pupil verbal behavior, academic achievement, teachers & students, 55:13434
political education program, changes in group dynamics & classroom communication, 16–18 yr old students, applications for training political education teachers, 55:13454
positive electrostatic field in classroom, deviant behaviors & attention to task & daydreaming frequency & arithmetic achievement, emotionally disturbed 6–12 yr olds in special education classroom, 57:13929
positive social emotional feedback from peers & teacher, classroom behavior, 10-yr-old emotionally disturbed boy, 53:1968
positive vs negative vs mixed adult interaction patterns, social preference & task performance, nursery school boys, 57:4403
positive vs response cost token reinforcement, academic output & classroom behavior, underachieving male 10–11 yr olds, 57:1935
precipitating factors, group glee & laughter during lessons & teacher's reactions, nursery school students, 57:1991
Precision Referral Form, accurate description of classroom behavior & learning problems & behavioral objectives, learning disabled children, 54:8443
preference for & frequency of affective behaviors exhibited in classroom, student teachers, 55:1320
Premack's principle, increasing & maintaining classroom attendance behavior, 25 yr old severely retarded female, 58:7949
prevalence & factor structure of behavior symptoms, 1st–7th graders in regular vs special education classes for emotionally & learning disabled, 56:6818
primary & social reinforcement & tokens & attention criteria & feedback procedures, correct responses & trial attention & quiet behavior in verbal training classroom, profound retardates, 58:10532
principal's use of modeling & feedback & contingent praise in teacher supervision, increased teacher praise & positive feedback for target behaviors & student attending & instruction following behaviors, teachers & students, 58:4167
process & outcome of weekly group therapy, classroom acting out, preadolescent males, 54:10206
professor-student interaction, classification method for classroom observation, 53:8250
Program for Academic Survival Skills, academic survival behaviors & reading & mathematics achievement, low achieving & low survival skill 1st–3rd graders, 58:12505
psychiatric diagnosis & IQ & parental separation & geographical location & family income & social position & physical well-being & classroom behavior & achievement, emotionally disturbed children in private day schools vs private residential schools vs public school special classes, 58:1307
psychoeducational report &/or school psychologist-teacher consultation, understanding of children & satisfaction with psychological services & behavioral maturity of 2nd–5th grade male referrals with classroom adjustment problems, teachers, 57:8965
psychological factors & crisis intervention, patterned sleeping behavior in classroom, 1st graders in rural southern community, 53:8088
psychometric & achievement test scores & school behavior & peer relations, female 9 yr olds identified by teachers as daydreamers, 57:6890
punitive dress, academic achievement & inappropriate classroom behavior, institutionalized emotionally disturbed 13–16 yr olds, 57:4111
pupil perceptions of teacher behavior, development of classroom observational system, 55:10960
question-asking behavior, problem solving & comprehension of written material, black 6th graders, 55:5543
questionnaire study, violence & disruptive behavior in primary & middle & secondary schools, England & Wales, 57:13870
race & class & readiness test scores & activity & attention of hypothetical children, academic expectancies, southern vs nonsouthern teachers, 53:4031
race & social class & dialectical differences, judgments of academic ability & school behavior, black vs white junior high school teachers, 56:2829
race & socioeconomic status & typicalness of child, causal attributions for child's hyperactivity, teachers & teachers in training, 55:5418
rating scale of student classroom behavior characteristics with 5 vs 7 vs 9 categories, extreme responses in ratings of item importance in behavior judgments, elementary school teachers, 54:10432
ratings of classroom behavior of reflective & impulsive 2nd grade males & females, 2nd grade teachers, 54:12503
rational self counseling in classroom, analysis of personal problems & dealing with feelings, college students, 54:12649
reality therapy intervention program led by teachers in response to student's desirable &/vs undesirable classroom behavior, classroom behavior, elementary school students, 57:9098
regular vs integrated special education programs, academic achievement & classroom behavior & self esteem, emotionally disturbed & educable mentally retarded & learning disabled students, 56:3015
reinforcement contingencies, educational behavior & physical performance, 2nd graders, 55:8132
reinforcement for on-task & nondisruptive behavior & academic work & teacher absence, development of independent social & academic behaviors, behavior problem 5th & 6th graders, 58:12676
reinforcement of direct academic performance &/or facilitative nonacademic classroom behaviors, increasing academic achievement & levels of appropriate classroom behaviors, 1st–3rd graders, 56:8707
reinforcement rewards dependent on group vs individual attending & working behaviors & locus of control, reduction of maladjusted behaviors & increases in mutual liking & self esteem & group problem solving performance, maladjusted 3rd graders, 57:13964
reinforcement training program, teacher-student interaction, elementary school teachers, 57:1893
reinforcement vs model-reinforcement techniques, classroom verbal participation, graduate students, 55:3232
relationship between classroom objectives & activities, elementary school teachers, implications for changing teachers' behavior, 58:12409
relationship of self concept to reading achievement, school attendance behavior & leisure reading, 7th graders reading below grade level, 57:4373
relationship with regular teacher, reaction to substitute teacher vs stepparents, pupils, 53:12393
religiosity, personality & classroom behavior, college student teachers, 55:5419
religiosity, school behavior in major areas of classroom conformity & social considerations & personal goal seeking & controversial matters, high school students, 55:3179
response cost, reduction of inappropriate classroom behavior, literature review, 57:13872
school location, perceived classroom problems, beginning secondary teachers, 56:1329
school psychological consultation varying in amount of followup contacts, teacher cooperation & implementation of recommendations & pupil behavior improvement, 57:9208
school stresses on teachers & children & parents & troublesome children in classroom & child-teacher relationship, book, 56:8739
school-controlled conformity of dress for teenagers, behavior & security-insecurity, 8th–11th graders, 55:2952
seating arrangements & active vs inactive sessions, disruptive classroom behavior, Black kindergartners, 57:13865
selected verbal behavior patterns in informal classroom, prekindergarten through 2nd grade teachers, 55:3151
self appraisal activities using videotapes & coding of own behavior, modification of self concept & classroom verbal & nonverbal behavior, intermediate grade students, 55:1484
self concept & father's occupation & parents' educational level, selected school behaviors, Puerto Rican vs Black vs White high school students, 57:6896
self confrontation in training, assessment of own videotaped classroom behaviors, student teachers, 6-wk & 2-yr followup, 55:5414
self esteem level, participation & seating in classroom, college students, 54:10592
self management procedures, academic & classroom behaviors, 10 & 12 yr old hyperactive males, 54:8460
self monitoring, classroom participation, college students, 58:12647
self observation &/vs external feedback, duration of on-task behavior, 6th graders, 56:2986
self perception & supervisor ratings & observed teacher behavior, pupil attitudes toward teacher, student teachers, 58:12394
self recording & contingency management, verbal behavior during class discussions, college students, 57:9094
self recording vs contingently-awarded points, rate & content & length of verbal responses in classroom discipline & number of Ss participating, college students, 58:2127
self reinforcement, extinction of demanding behaviors in classroom environment, 9 yr old with paranoid personality, 57:3932
self vs peer vs teacher monitoring, achievement behavior, 6th graders, 54:8393
self-reinforcement, disruptive classroom behavior, 9-yr-old male, 53:8290
sex & ethnicity & socioeconomic background, teacher's evaluation of students' verbal task performance & participation, 6th graders, 56:2981
sex & experience & grade level taught & stability of teaching behavior & inservice training aimed at reducing learner inattention, effectiveness in reduction of inattentive behavior & responsiveness to training, elementary vs secondary teachers, 57:1900
sex & grades & year in school & training in use of category scale & general ratings of teaching effectiveness, estimation of frequency of classroom verbal behavior, college students, 55:1487
sex & locus of control, help seeking & help giving in simulated learning-teaching situation, male vs female Ss, 57:1995
sex & race & socioeconomic status & locus of control & classroom behavior, junior high school students, 56:6774
sex, classroom activity level & pattern similarity to hyperactivity, male vs female 3–5 yr old nursery school children, 55:5603
sex differences, probability & nature of teacher response to aggression & dependency & problem behaviors, preschool students & teachers, 55:5625
sex, interaction with classmates & age & race of friends, male vs female 8–10 yr olds, 55:8206
sex of child & child behavior, distribution of teacher attention, preschool teachers & students, 58:10444
sex of student, frequencies of classroom behaviors & teacher approval vs disapproval responses, 1st & 3rd & 5th grade teachers & their students, 57:13869
short-term tutoring & tutor support & volunteering, academic performance & classroom behavior, 4th & 5th & 6th graders, 53:8317
simple instructions & peer modeling & rehearsal & reinforcement expectancy, acquisition & generalization of academic skills, kindergartners & 1st graders, 58:10340
social class & race, attention & achievement, Black vs White 7–8 yr old males, 58:12598
social class, acquisition of school language, lower vs middle class Caucasian kindergarten students, 54:10566
Social Interaction vs Behavior Repertoire observational methods, measurement of behavior patterns during free play, elementary school students & 8 & 9 yr old autistic female & male, 56:6179
social learning theory, modeling effects of teachers & filmed models in classroom, 57:11492
social modeling, teacher praise & student attending behaviors, student teachers & students, 55:13035
social-affective classroom climate, teacher-perceived learning & behavior problem students, 3rd grade classes, 58:6351
socially incompetent behavior of students, re-identification & behavior descriptions, junior vs senior high school teachers, followup study, 58:10252
socioeconomic status, intelligence & language ability & academic achievement & behavior, 7–10 yr old emotionally disturbed students in special public school, 55:1532
socioeconomic stratification of classes, behaviors in multiethnic classrooms, high school teachers & Mexican American & Black & White students, 58:12704
Socratic dialogue vs behavioral practice, development of coping skills, 7th–9th grade males, 56:1384
spontaneous learning structure & intensity & question complexity & number asked, 4th grade under- vs overachievers, 55:13327
Ss' use of reinforcement techniques, teacher's attending behavior, 4th & 5th graders "least responded to" by teachers, 58:2136
stability of Devereux Elementary School Behavior ratings over 1-yr period, elementary school teachers, 56:10800
stability of measures of classroom process behaviors across 3 different contexts, 2nd & 3rd grade teachers, 56:10694
stability of pupil behavior in short term classroom observations, kindergartners, 58:6408
stability of ratings of students' school behavior in 2 consecutive grades, kindergarten & 1st & 2nd grade teachers, 58:4326
stability of situational specificity of behavior across classroom situations varying in constraint, 3–6 yr olds, 57:4409
statistical analysis of performance of different levels of students, descriptive richness of classroom interactions, 54:12507
stimulant drug treatment, classroom & home behavior & academic achievement & peer status & depressive symptomatology, hyperactive boys, 2-yr followup, 57:4001
stimulus variation transition from behavior modification treatment to regular classroom, primary school students, 55:8328
stop action videotape recording system, measurement of classroom behavior, 55:8337
strengthening of across-sex task interaction & reward interdependence in school classrooms, reduction of sex differences & discrimination in occupational & educational attainment, 54:12505
student & teacher conceptual tempo, student attention in classroom, 3rd–5th graders, 55:13387
student characteristics, prediction of success in academic functioning & peer & authority figure relationships, high risk junior high school students, 58:8169
student Machiavellianism & academic & nonacademic preferences, ascription of internal vs external causes of student misbehaviors, 5th grade teachers, 58:10499
student participation in classroom management, appropriate classroom behavior, junior college students, 55:13456
student socioeconomic status & grade & sex, teacher perceptions of student's classroom behavior, kindergartners vs 1st vs 2nd vs 3rd graders & their teachers, 57:6700
student teams & learning games, cross-race & cross-sex interaction in classroom, black & white 7th graders, 53:8272
student vs teacher measurement of student's self concept-as-learner, disruptive vs nondisruptive middle school students, 58:6393
students' educational cognitive style mapping as feedback, classroom behavior, teachers, 58:12639
student's sex & conduct & facial attractiveness, expectancy, 1st–6th grade teachers, 53:8202
students with disciplinary problems & class cohesiveness & integration, high school students & teachers, 56:10693
student-teacher behavioral contracts vs teacher proclamations of appropriate behavior, social conduct & academic achievement, lower middle class 9th graders, 54:1855
subject matter specific discrimination training, generalization of teacher behavior, teachers, 55:13020
success-failure characteristics, former special class educable mentally retarded children after integration into regular classroom, 55:13516
synchronous slide-tape montage presentations, classroom verbal behavior & attitudes toward discussion, college students, 56:10593
Synetics problem solving seminar, mother's self esteem & problem solving abilities & childrearing practices & child's classroom behavior problems, mothers & their kindergarten children, 57:11555
systematic desensitization vs social skill training, participation in class discussion, college students, 56:6430
systematic increase in teacher praise, reciprocal relationship between amount of positive reinforcement given & received, elementary school teachers, 57:11471
systematic training in behavior analyses & human relations skills, off-task student classroom behavior, kindergarten through 2nd grade teachers, 58:8188
systematically varied teacher verbal & nonverbal evaluative behavior, perception of & attraction toward teacher & self disclosure & verbal & nonverbal behavior & self esteem, elementary school students, 55:3186
teacher & student attributes & school variables, patterns of special education referral recommendations, teachers, 58:10538
teacher & student sex & grade level & students' race & social class & referenced behavior & classroom activity context, teacher influence strategies, 55:1486
teacher attention, classroom behavior, 2 delinquent girls in token program, 56:6736
teacher attitude, mediation of manipulated expectancies & ratings of pupils' classroom behavior & estimates of appropriate behavior & length of treatment required, college students majoring in education, implications for teacher training, 58:1989
teacher background & classroom procedures, student evaluation of teacher performance, college students & teachers, 55:13438
teacher classroom behavior & student on-task performance interrelationships, 4th & 5th & 6th grade teachers & students, 55:5597
teacher expectancies of student, mediating effects on teacher behavior & subsequent student behavior, 55:8196
teacher personality traits, attitudes toward Intermediate Science Curriculum Study & classroom verbal behavior patterns, 7th & 8th grade science teachers & their students, 57:13888
teacher ratings of behavior & personality disorders & academic achievement, 4th–8th graders with cleft palate &/or lip, 55:5621
teacher ratings of classroom behavior, relationship to behavior observations & reading achievement, 1st graders, 56:4815
teacher ratings of Ss' abilities & classroom skills & personal-social characteristics, prediction of academic achievement, students rated in kindergarten & 2nd & 3rd grade, 56:10691
teacher self actualization & pupil control ideology, elementary vs secondary school teachers, 56:1451
teacher sex, academic achievement & school conduct ratings & self concept & masculinity-femininity of interest patterns, 7th graders, 55:5636
teacher-designated vs sociometric data-based seating groups vs peer encouragement vs free time reinforcers, classroom attending behavior, 1st vs 3rd graders, 58:4356
teacher-judged classroom behavior, treatment outcome evaluation of school mental health service, children, 53:3836
teacher-pupil compatibility, ratings of children's behavior, elementary school teachers, 57:1975
teacher-pupil questioning & approval/disapproval behavior, elementary social studies classes, 55:8269
teachers' & Ss' convergent & divergent abilities, prediction of academic achievement & classroom behavior & climate, 10th & 11th graders, 57:4286
teachers' goals & strict vs permissive practices, perceptions of school & classroom activities & behaviors, 1st graders, 56:10702
teacher's rating of classroom behavior vs observed actual behavior, teachers & 3rd & 4th graders, 57:9091
teachers' ratings of Ss' concentration, male vs female 6 yr olds, 57:4399
teacher's verbal approval & disapproval & withholding attention, social & academic behavior, students, 54:12533
teacher-student kindergarten classroom interactions, expectations concerning achievement, academic achievement prediction, 1st graders, 54:10434
teacher-to-child ratio & food reinforcement & skill area presented, systematic observation of adaptive performance & attention & maladaptive behavior, autistic & mentally retarded preschool children, 56:10744
teaching different subjects, verbal communication patterns, primary & upper primary school teachers, 56:10572
team teaching vs self contained classes & academic achievement & sex, social behavior, 5th & 6th graders, 55:3138

Teams-Games-Tournament classroom management technique, acquisition of language arts skills & classroom social processes, 3rd graders, 54:4073
Teams-Games-Tournament teaching method vs individualized instruction, social connectedness & time on task & peer tutoring frequency & pro-academic peer norms, 7th–9th graders with academic & human relationship problems, 55:10813
territory as reinforcer, out-of-seat behavior, inappropriate verbalizations in classroom, 4th graders, 56:6791
test anxiety & level of adult supportiveness, task performance accuracy & level of active task involvement in simulated teaching situation, male vs female 3rd & 4th graders, 57:13858
token economy program, bringing material to class & completing assignments & being in seat as target behaviors, junior high school special education students, 54:10623
token economy system, in-house chore performance & littering & school performance, 15–18 yr old male delinquents in residential treatment facility, 57:8703
token reinforcement, class participation by number of questions constructed about science films, 5th & 6th graders, 55:1377
token reinforcement, on-time/in-seat & on-task & social interaction & assignment completion classroom behaviors, delinquent boys in correctional institution, 57:1937
token reinforcement program for attending for 1 child & proximity of seating location, attending behavior of nearby unrewarded Ss, nursery school students, 57:1947
token reinforcement system with back-up reinforcers composed of desirable activities, classroom behaviors, 8–12 yr old emotionally disturbed visually handicapped students in residential school, 57:13904
tokens & praise & tangible reinforcers, academic & conduct behaviors in behavior modification classroom, 6–11 yr old disturbed children, 57:4445
Torrance & behavioral creativity scores & reading & arithmetic achievement & behavioral maturity, disadvantaged 4th–6th graders, 57:13831
training in Flanders' System of Interaction Analysis, agreement on classification of verbal behaviors, Ss in role of O vs teacher vs student in peer-microteaching lessons, 55:13442
training in spectrum of teaching styles, liberal & democratic attitudes & indirect teaching behaviors & on-task student behaviors, inservice physical education teachers, 58:12395
training of original responses to word problems, other classroom performance, Caucasian vs Hawaiian 5th graders, 56:1389
training procedures & materials, improvement of classroom effectiveness, Army instructors, 55:1643
training through group consultation process & use of videotape, reduction of pupils' attention-getting behavior, teachers, 55:12988
transactional analysis basis, development of functional adequacy of J. Dewey's educational value assumption in teacher-student conflict resolution, 57:11495
types & rates of teacher & student questions & teacher verbal approval/disapproval behavior, social studies teachers & high school students, 57:4407
typology of classroom behavior, ethnographic study of 3rd grade classroom, 58:4337
validity of school entrance tests, academic achievement & behavior ratings in 2nd grade, 57:4492
validity of teachers' ratings of pupils' classroom behavior, 58:6397
value clarification teaching strategy, self concept & classroom coping & interacting, 5th graders, 55:3016
values clarification strategies, self concept & sociometric structures, Catholic 6th graders in self contained classrooms, 58:10319
values clarification teaching strategies, self concept & value-related behavior in classroom, 5th graders, 58:4245
Vane Kindergarten Test, temporal stability & ability to predict behavioral criteria, prekindergartners & kindergartners, implications for early detection of learning handicaps, 58:4648
verbal & graphic & videotape feedback, verbal attention to desirable & undesirable student behaviors, student teachers, 55:13383
verbal & nonverbal behaviors exhibited during learning of mathematical generalizations, college freshmen, 55:3116
verbal approval vs disapproval patterns for pupil behavior, prekindergarten vs kindergarten vs 1st grade teachers, 56:8624
verbal classroom interaction, divergent thinking & problem solving measures of creative performance, 6th graders, 55:1417
verbal responding behaviors while interacting with students in simulated vs real classroom problem solving situations, junior high school mathematics teachers, 58:8353
verification of task-oriented vs distractibility & extraversion vs introversion & considerateness vs hostility factors, Classroom Behavior Inventory, 2nd graders, 53:8400
video recording method, direct observation of infant-school classroom for teacher ratings of students & school type research, 53:10389
videotape models, attending behavior in classrooms, 1st graders from disadvantaged families, 54:6324
videotaped feedback in staff development program, classroom behavior, teachers, 53:8260
videotaped models & role playing of problem situations in group home & school settings, interpersonal adjustment, 12–16 yr old male delinquents, 56:1097
videotaped self modeling of appropriate behavior, problem classroom behaviors, elementary school children, 58:10304
videotapes of peer models within observational learning paradigm, classroom behavior & social interaction with normal peers, moderately retarded children, 58:4385
visual perception, academic achievement & classroom behavior, 53:8348
visual-motor perception, classroom behavior, suburban 1st graders, 56:6804
volunteer adult companion characteristics, school adjustment & classroom behavior & peer acceptance, 8–12 yr olds, 57:4496

Classroom Behavior Modification

academic peer interaction contingency program within ongoing token economy program, academically constructive changes in interpersonal interaction, 6–11 yr old emotionally disturbed blacks, 56:1471
access to recess as reinforcement, development of self management skill during quiet period without teacher supervision, 9 yr olds labeled learning disabled, 57:2004
Adlerian group counseling with students &/vs C-group consulting with teachers, students' attention-getting behaviors, high school teachers & students, 57:4468
altering schedules of reinforcement, attending & study behaviors during communicative skills period, 7–13 yr old males with behavior disorders, 57:11512
analysis of methods for programing DRL schedules & applications in educational settings, 58:5878
application of behavior modification to single student, behavior of nonreinforced students & teachers, 3rd & 4th graders, 58:2141
applied behavior analysis paradigm, classroom setting, 55:7868
attitudes toward & use of behavior modification in classroom, special education teachers, 56:1345
attitudes toward behavior modification after inservice training program, teachers, 56:6687
attitudes toward teacher control techniques, experienced special education teachers vs special education students with vs without teaching experience, 56:4739
attraction toward model, subsequent learning of classroom contingency management, preservice teachers, 58:10221
attractiveness & reinforcing value of choice of special academic activities, academic productivity, 4th graders, 56:8700
attribution vs persuasion strategy, modifying littering behavior & mathematic achievement, 2nd & 5th graders, 54:1868
automated audio/visual tape monitors, selection of appropriate methods of child behavior management, parents & teachers, 58:5876
behavior analysis to improve learning & behavior of students, book, 56:8742
behavior analytic teaching tactics employing instructions & modeling & social praise, response generalization of smiling & sharing & positive physical contacting & verbal complimenting to adult-free setting, children, 57:9129
behavior management training, knowledge of behavior modification skills & attention & pupils' behavior, teachers of mentally retarded elementary school students, 58:12406
behavior modification & contingency management, participants in graduate adult education research course, 55:10731
behavior modification & reprimands & body language techniques, classroom discipline, teachers, 55:10762
behavior modification & social group work skills, behavior problems, junior high school students enrolled in Opportunity Hall, 55:8325
behavior modification, abstracts of experiments in educational & treatment settings, book, 58:3888
behavior modification approach, rehabilitation of inappropriate classroom behaviors, behaviorally disordered 6 yr olds in adjustment class, New Zealand, 58:10528
behavior modification based tutorial procedure, teaching beginning reading, 54:4103
behavior modification, classroom situations & student behaviors contraindicating usage, 58:4244
behavior modification concepts, improvement in academic achievement through attitude change, 12–16 yr old underachievers, 57:9019
behavior modification, learning & perceptually disabled children, review, 54:1673
behavior modification, locus of control & self concept & reading & math achievement & behavior, 2nd graders, 58:12497
behavior modification principles, disturbing classroom behavior, 53:8309
behavior modification principles, sight word deficiencies, elementary school students in remedial reading program, 55:5650
behavior modification procedures applied by teacher, management of problem behaviors in child care setting, 57:13867
behavior modification procedures, disadvantaged & deprived children, 53:12513
behavior modification program using feedback initiation & withdrawal, disruptive classroom behavior & target sociometric status, 10-yr-old female & classroom peers, 53:10390
behavior modification techniques applied in experimental classroom, evaluation of effects on appropriate behavior using normative peer data as standard, 1st–3rd graders displaying low proportions of appropriate classroom behavior, 56:6743
behavior modification techniques in classroom, 11–15 yr old multiple handicapped blind students, 54:1936
behavior modification using "game," "charging" to front of line, kindergartners, 54:10518
behavior modification using praise as generalized reinforcer, voluntary hand rasing & verbal responses & perceptions of teacher & study habits, secondary school students, 55:1359
behavior modification using tangible & intrinsic rewards, meaningful academic & social progress in normal school, potential high school dropouts, 55:10790
behavior modification workshop vs reading instruction manual, teacher's attitude change & use of social learning principles & use of positive reinforcement & students' problem behaviors, preschool teachers & students, 57:8987
behavior reinforcement procedures, student conduct & student & teacher satisfaction, 5th graders, 58:10283
behavioral approach by teacher, self concept, kindergartners, 1st–4th graders, 56:2862
behavioral approach, treatment of reading difficulties in school, critical review, 55:1451
behavioral contracting vs behavior rehearsal & self evaluation training, classroom behavior, 7th & 8th graders with school & family or community adjustment problems, 58:10640
behavioral focus in physical education teacher training, modification of student & teacher behavior, student teachers & elementary school students, 55:8092
behavioral intervention of token reinforcement for academic performance during no medication, hyperactivity & math & reading performance, 8–10 yr old hyperactives, 54:8432
behavioral intervention with vs without medication, disruptive classroom behavior & academic performance, 8–12 yr olds in classes for learning disabled, 56:3025
behavioral management class, aggression & gross motor activities & noise making & orienting & verbalizations, students exhibiting high rate of unsatisfactory conduct, 58:7946
behavioral reinforcement program, hyperactive behavior & attending/participating behaviors, learning disabled children, 56:4933
behavioral treatment, reading deficits, review of literature, 56:10751
behavioral vs generic counseling by intensively trained nonprofessional mental health workers, school attendance & classroom behavior & academic achievement & dropout rate, predelinquent high school students, 57:13985
behaviorally engineered school program, attitude change, male delinquents in juvenile correctional facility, 56:4595
candy vs praise as reinforcement, establishment of sight reading vocabulary, disadvantaged 3rd graders, 54:8355
chemotherapy & psychotherapy & behavior modification & specialized educational procedures, teacher's role & guidelines in working with children with specific handicaps, 53:6194
choice & attractiveness of special academic activities as reinforcement, academic productivity, 4th graders, 56:10650
classical conditioning procedures, control of aggressive behaviors in classroom, 4th & 5th graders, 55:8252
classroom application of behavior principles & instructional task analytical skills & technology & testing methods, psychology of learning & instructional techniques, book, 54:1873
classroom assessment & intervention through behavioral psychologist vs classroom teacher using consultation vs school psychologist, behavior change & academic achievement & attitudes toward school, problem 3rd & 4th graders, 58:2261
classroom attention & motivation management techniques, mentally retarded, 54:6340
classroom behavior associated with internal vs external locus of control & modification through weekly goal setting conferences with teacher, male vs female Black vs White 4th graders, 58:8257
classroom behavior management course, self awareness & communication skills, practitioner students, 57:9009
classroom behavior modification & reduced class size, emotional & behavior problems & subsequent successful transfer to trainable retarded classroom, moderately & severely mentally retarded children, 58:8396
classroom behavior modification & values clarification, best conditions for use & similarities & differences & research implications, 54:8276
classroom behavior modification inservice program, attitudes & knowledge & evaluation of behavior modification, elementary school teachers, 58:4162
classroom behavior modification procedures, generalization of effects, review, 55:8124
classroom behavior modification techniques as teaching tools, normal & deviant students, book, 53:10429
classroom behavior modification, disruptive & studious behavior & academic progress, methodological considerations, 56:6729
classroom behavior modification, improvement of teaching, 54:6264
classroom contingency management program implemented by teacher, reduction of seizures, 11 yr old epileptic girl, 56:10737
classroom group-oriented contingencies, review, 54:12551
classroom intervention training in assuming academic leadership roles, self concept of problem solving ability & classroom performance, 8th graders, 58:4257
classroom management workshop vs teacher observation alone, teacher attitudes & student behavior change, Black male elementary school students, 57:13547
classroom operant conditioning interventions, social consequences & behavior of nontarget children & changes in their perceptions of target Ss & peer interactions, aggressive kindergarten male & withdrawn 1st grade female, 56:4854
classroom-oriented problem solving groups containing reinforcement-punishment contingency, increase in verbalization of feelings & interpersonal communication, educationally handicapped 9–12 yr olds experiencing interpersonal problems, 57:4423
client-centered vs behavioral group counseling, classroom behavior & self concept, disruptive junior high school students, 58:4405
cognitive self instruction & training intensity, modification of impulsive behavior & transfer durability of changes in conceptual tempo, male 2nd graders, 56:3066
cognitive training in social problem solutions of role playing & observational learning, aggressive behavior control, extremely aggressive vs extroverted well-controlled 8-yr-old males, 53:8307
cognitive- vs affective-oriented teacher inservice programs, incidence of humane characteristics in classroom, 4th & 5th & 6th grade teachers, 57:11294
college student helper volunteers, improvement of social & academic behavior, educable mentally retarded public school students, 58:2202
combination school-home motivational system, elimination of discipline problems, 3rd graders, 56:2839
combined methodological strategies, generalization of behavioral change from token program to nonprogram conditions, middle school educable mentally retarded, 57:1988
compatability of behavioral techniques with educational goals, 57:13754
competency-based intervention, classroom behavior, elementary school student teachers & pupils, 57:6738
concepts underlying token economy systems in classroom & durability of behavior changes following removal of tokens, 58:4219
concurrent assignment schedules & differential reinforcement of high rates contingency, study behavior & test performance, college students, 55:10894
conditioned reinforcement, lip reading development, 9-yr-old deaf multiply handicapped male, 53:6208
consultant's role & relationship with teacher, development of school consultation program in behavior modification, 53:12573
contingency contracting vs positive behavior check list, negative home & classroom behavior & self concept, educationally handicapped children, 56:2622
contingency contracting with behavior modification techniques, school attendance & GPA & self concept & discipline referral, high school girls, 58:2148
contingency management, increasing attention in small group setting, 1st–3rd graders, 53:8325
contingent adult attention, experimental analysis of social interaction with classroom peers, behaviorally disordered female preschooler, 53:10464
contingent praise & token reinforcement, disruptive classroom behavior, emotionally disturbed 1st & 2nd graders, 55:3217
contingent reinforcement, development of cooperative behavior, 6–11 yr old students with & without autistic traits, 58:12716
contingent vs noncontingent tutoring from 5th grade peers vs college students, disruptive classroom behavior, 2nd graders, 56:6734
continuous reinforcement with vs without punishment contingency, mathematics achievement, special students in learning adjustment classes, 55:10966
contract in traditional teaching methods, mathematics achievement & attitude, college students, 56:1392
cooperative teacher-student relations, behavioral strategies for classroom control in secondary schools, 57:13860
course based on social learning theory, teachers & student teachers, 57:6660
covert sensitization & negative reinforcement, treatment of disruptive classroom behavior, male adolescent hospitalized delinquents, 55:10381
definitions of accuracy, academic performance in contingent reinforcement situation, 54:4159
delayed reward vs removal of points, note taking, 6th graders in token economy classroom, 54:10525
dependent variable selection in outcome measures, outcome of classroom behavior modification studies, 55:3278
description & evaluation of behaviorally oriented school-based preventive mental health program, classroom adjustment, maladapting 2nd graders, 58:1647
differential reinforcement of low rates procedure, talking & out-of-seat behaviors in classrooms, elementary students, 53:10423
differential reinforcement of other behavior & noncontingent reinforcement as control procedures, modification of compliance in preschool, 3 yr old female, 54:4083
differential reinforcement of other behavior, inappropriate behaviors in individual sessions & classrooms, 9 & 11 yr old institutionalized severely retarded & 8 & 9 & 13 yr old mildly retarded, 56:1482
differential reinforcement procedures, reduction of inappropriate classroom behavior, educable mentally retarded students, 57:11520
differential staffing plan & behaviorally oriented teaching approach, upgrading rural Utah elementary schools, 57:13579
differential teacher pacing of academic responding & reinforcement schedules, control of off-task behavior, retarded Ss, 57:6922
dimensions of use & design of innovative behavior management program, implementation & effective use, teachers, 57:4331
direct intervention vs teacher training in behavior modification principles, attentional behavior & academic performance, 2nd & 4th graders, 55:3044
direct &/or indirect priming & reinforcement, peer interaction, 4.5 yr old female who avoided peer contact, 54:10499
discrimination training to identify behavior specific praise & feedback, generalized teacher behavior change, 4th grade male teachers, 54:12466
"disturbingness" ratings of student behaviors, special vs regular education teachers vs teacher trainees, implications for intervention strategies & teacher education, 58:6146
electric shock, elimination of self-abusive behavior in classroom, mentally retarded 11-yr-old, 53:12233
ethical dimensions vs procedures emphasis in instruction, change of expressed attitudes toward classroom behavior management, graduate students, 55:13388
evaluation, methods for management of withdrawal & negative social & aggressive & acting out behavior, special education teachers, 55:13487

evaluation of incremental utility of response cost procedures for direct intervention in classroom, 2nd–4th graders, 55:10752
event & interval & time sample & permanent product & duration recording & scientific rigor, behavior modification techniques in school classroom research, 54:10526
evolution & role of school psychologist as behavior therapist, 57:1913
expanded scope, behavior modification in school settings, 56:6732
experience level & behavior modification inservice training, confidence levels in choice of using behavior formation vs elimination strategies in classroom management of acting-out vs withdrawn students, elementary school teachers vs student teachers, 56:6806
experimental classroom using token economy, generalization & maintenance of appropriate classroom behavior & family interactions, 1st–3rd graders with behavior problems, 54:1892
explicit timing & feedback, compositional response rate, 2nd & 5th graders, 53:10469
explicit timing, math performance, poorly performing 2nd graders, 56:6722
extrinsic reinforcement, intrinsic interest in play activity, 2nd graders, implications for classroom token economies, 54:11054
final exam exemptions criterion, academic performance, college students in behavior course, 53:3968
fixed & variable & extended token exchange periods, completion & quality of daily assignments, 5th & 6th graders, 58:4258
fixed vs random scheduling of planned classroom activities, activity completion & disruptive behavior, trainable retarded 14–20 yr olds, 58:12712
FR vs VR reinforcement schedule, modification of deviant classroom behavior & attitude change, educationally handicapped male adolescents with emotional & behavioral problems in residential setting, 57:6933
free choice of activity & free time contingent on compliance with classroom behavior rules, subsequent disruptive behavior & academic performance changes & self control development, 4th graders in low level math class, 57:1979
general classroom reward structures, improvement of academic performance, 53:12449
general strategy for classroom behavior modification, 58:10352
goal-setting conference group vs conference group alone, locus of control orientation with respect to intellectual achievement, 10th graders, 58:12480
good behavior game, classroom behavior improvement, 2nd graders, 58:4323
group contingencies used for behavioral control in classroom, review, 56:6783
group contingencies with punishment & positive reinforcement, modification of aggressive behaviors in Head Start classroom, 4-yr-olds, 53:10418
group contingency, modification of aggressive physical & verbal behaviors in classroom, 9th graders, 57:11504
group counseling teacher consultation treatment, classroom attending behaviors & attitude toward school, 3rd graders recommended for counseling, 58:12743
group feedback & contingencies, individual & group behavior change, 5th grade children in creative arts, 53:1933
group reinforcement contingent on group vs individual behavior, modification of disruptive classroom behavior, research & educational implications, 57:3960
group systematic desensitization in school setting, test anxiety reduction, 5th & 6th graders, 58:1674
group token reinforcement & punishment procedures, classroom behavior, educably retarded 11–12 yr olds, 53:10521
group vs individual contingencies to modify on-task behavior in educational setting, facilitating vs inhibiting verbalization to peers, 8–12 yr old behavior disordered males in residential treatment center, 58:3879
group vs individual contingent reinforcement, disruptive classroom behavior, emotionally disturbed &/or socially maladjusted 8–10 yr olds in residential school, 55:3149
group vs individual reward in behavioral intervention, classroom problem behaviors, male hyperactive elementary school students, 54:12610
group vs individually administered punishment, suppression of inappropriate classroom behavior, 2nd graders, 55:10946
group-contingency procedures, behavior modification in regular classroom, literature review, 53:12447
home relationships & peer affinities & achievement & behavior problem duration & vocational education enrollment & drug usage & discipline measures & behavior types, success vs failure of behavior modification, deviant secondary school students, 56:10625
home/school token economy program, improved home–school communication & child's behavior or learning problems, 2 case reports, 57:9131
hypnosis vs suggestion vs coverant control therapy vs attention-control procedure in natural classroom setting, academic self esteem, college students, 55:1356
immediate secondary reinforcement by supervisor during classroom teaching observation, frequency of specific teacher behaviors, interning teachers, 55:2977
in vivo desensitization methods, stage-fright reduction in classroom, speech-anxious college students, 54:1675
individual vs group point-token reinforcement, arithmetic performance, 5th graders, 58:4286
individual vs group token reinforcement contingencies, control of classroom behavior & motivation to complete assignments & amount of token & social reinforcement received, 4th–10th graders, 55:10837
individual-contingent group-reinforcement classroom behavior modification, control of on-task behavior & peer interaction & popularity, 5th & 6th graders, 55:1466
individualized discipline, classroom management, behaviorally disordered students, 57:9037
inhospitable institutional vs personalized classroom setting & membership in environmental awareness group, alteration of inhospitable furnishings & person-furnishing distance, college students, implications for student attitudes toward school, 56:1448
inservice education in interaction analysis, classroom behavior & self improvement, teachers, 57:8990
inservice program conducted by principal, utilization of positive reinforcement techniques in classroom, elementary school teachers, 56:10588
inservice training approaches in behavior management, special education teachers, 55:10652
inservice workshop vs bug-in-the-ear technique, knowledge & use of classroom behavior modification principles, elementary school teachers, 56:6659
instruction in contingent teacher attention vs self monitoring vs self reinforcement, approval & disapproval to disruptive classroom students, junior high school teachers, 58:4161
instruction using laboratory group &/vs written manual, acquisition of behavior modification principles, teachers, 55:7943
instructions & reinforcement & practice, creative behaviors, 4th & 5th graders, 57:1929
interactionist & behavior modification framework, guide to teaching & classroom behavior & learning problems, book, 54:10450
intermittent timeout, reduction of "out of seat" behavior in classroom setting, severely retarded children, 58:12127
intervention procedures using guided inquiry mode & programed materials, classroom management behaviors, teachers of educationally handicapped elementary school students, 57:9010
intervention program employing positive reinforcement & behavioral rehearsal & modeling, modification of aggressive behavior, elementary school students, 55:1371
intervention prompts & reinforcement for positive social behaviors in classroom, development & control of reciprocal social interaction, behaviorally handicapped preschoolers, 57:6938
intrinsic vs extrinsic reinforcement & locus of control, paired associate learning, middle class 4th–6th grade males with behavior problems, 57:13755
introduction of teacher-trainees to behavior modification techniques, application of social vs material reinforcers to increase classroom social & academic behavior, preschoolers, 57:13663
knowledge of results vs social vs material reinforcement, word recognition learning, inner-city boys vs girls, 55:3058
lectures vs requests vs teacher praise vs access to play area contingencies, increasing creativity in written stories, 4th–6th graders, 55:10776
length of removal from classroom following aggressiveness, aggressive behavior, kindergarten males, 55:10895
letter grades & token exchange procedures & variable vs fixed token exchange schedules, assignment completion & accuracy, 5th & 6th graders, 56:2882
long vs short verbal commands & IQ, correct responses to teachers' commands, 3 7–8 yr old schizophrenics, 56:8762
manipulation of consequences by pinching as punishment, kicking of peers, 5 yr old male, 54:8351
manipulation of social reinforcers, behavioral contrast between classrooms, elementary school students, 58:10459
Marxian analysis of behavior modification research in normal classroom, support for formulation of H. Gintis & S. Bowles, 57:6777
methylphenidate & classroom behavior modification program, hyperkinetic behavior reduction, institutionalized mentally retarded children, 56:956
methylphenidate & classroom token system, modifying hyperactive behavior, 9–15 yr old hyperactive institutionalized retarded, 55:10171
misuse of contingent ignoring, exacerbation of inappropriate behavior, 57:9022
modeling &/vs guided fantasy conducted by school counselor, modification of acting out behavior, 5th grade males, 57:6944
modeling with vs without verbal rehearsal, impulsivity & arithmetic performance, underachieving children, 58:10525
modified DRL schedule, out-of-seat & talking-out behaviors, elementary students in special education, 58:6364
multiple schedule, interaction of in-seat & attending responses in group contingency situation, children, utilization of behavioral stream approach, 57:8778
music contingent upon attention-to-task, time spent on learning task & accuracy of response, emotionally disturbed 7 yr old male, 57:13914
music listening as reinforcement for attention & math, 5th graders, 56:8687
music &/or expressed approval, school learning & listening attention span, 56:6717
negative attention, reduction of group disruption, 9–14 yr olds in special school for behaviorally deviant children, 53:10519
noise intensity modification program & apparatus, monitoring & feedback & reduction in classroom noise-intensity levels, 10–15 yr old educable mentally retarded students, 54:6348
noncontingent reinforcement & noncontingent individual attention, locus of control, lower class Black 4th & 5th graders, 57:4333
nonverbal teacher approval alone vs in conjunction with verbal prompt, attentive behavior in special classroom, moderately retarded 7–9 yr old target Ss & adjacent peers, 54:12542
O presence vs absence in classroom, rate of token delivery, 2nd grade teachers in behavior modification course, 56:6798
open education approach & behavior modification techniques, working with adolescent offenders in nonresidential community-based day centers, 55:12812
open education vs behavior modification classrooms & locus of control, behavior & achievement, male 6th graders, 58:12532
operant conditioning techniques using contingent reinforcement for hand raising & answering questions & reading aloud, 8 yr old with elective mutism in classroom setting, 54:1640
operant conditioning techniques, functional language skills, nonverbal children, 54:8442
operant inservice training program participation, acquisition of behavioral learning principles & success in modification of problem students' classroom behavior, elementary school teachers, 55:5457
operant reinforcement & contingency management, 11 yr old male with 6-yr history of elective mutism in school, 58:12094
operant technique using reinforcer of 15-min early dismissal, lateness to class, teachers in behavior modification class, 54:10468
operant training procedure, rapid treatment of errors of orientation & sequence in handwriting, disadvantaged 5 yr olds in Head Start class, 56:2873
origins & application in child treatment & school settings, time-out from positive reinforcement, 53:7928
paraprofessional & indigenous high school student administering social reinforcement procedures, improvement of school attendance, truant disadvantaged Chicano junior high school students, 55:13552
parent & teacher training in behavioral techniques, generalization of behavior change between home & school settings, 1st–3rd graders with maladaptive or undesirable behavior, 57:13576
part-time placement in behaviorally oriented resource room followed by full-time attendance in regular class, academic & behavioral gains, 2nd–6th graders, followup study, 56:4907
peer influence & candy reinforcement & punishment, aggressive classroom behavior modification, 4-yr-olds in Head Start, 53:6143
peer models, behavioral change, 9–13 yr old educable mentally retarded students, 56:3024
peer reinforcement program, school attendance, elementary & high school students with chronic absenteeism, 53:1901
peer-mediated behavior modification programs, classroom behavior problems, 57:13768
peer-tutor presence vs absence during word recognition training, recognition in generalization setting, male 6–7 yr olds in school for preschoolers with special problems, 56:10757
perceptions of custodial teacher pupil control behavior, attitudes toward school, junior and senior high school students, 55:1501
personnel training & program implementation, elementary classroom behavioral analysis program, 56:4752
physical restraint & differential reinforcement of other behavior in classroom, stereotypic body contortions, 9 yr old mentally retarded female, 56:10290
Piaget's theory, behavior modification & development of Learning Behavior System, learning disabled adolescents, 53:12396
positive reinforcement & time-out contingency, out-of-seat & antisocial behavior, 8-yr-old female, 53:1981
positive social emotional feedback from peers & teacher, classroom behavior, 10-yr-old emotionally disturbed boy, 53:1968
positive social reinforcement by teacher, self esteem, 4th graders, 55:3098
positive verbal vs token reinforcement vs response cost technique, learning & retention of language & mathematics tasks, 5th & 6th graders, 55:13166
positive vs response cost token reinforcement, academic output & classroom behavior, underachieving male 10–11 yr olds, 57:1935
praise & ignore vs punish, disruptive & appropriate classroom behavior, white male adolescents & teachers, 55:12698
praise & token reinforcement & punishment, cheating & admission of cheating, elementary school males in behavior modification classroom, 58:10392
prevalence & effectiveness of aversive procedures in classroom for preschoolers with behavior problems, observational study of preschool teachers, 56:6781
primary vs secondary reinforcer & mode of presentation, spatial learning, urban preschoolers, 55:13141
principal implemented techniques, achievement & attendance, kindergarten & elementary school students, 55:8005
principles in establishment & maintenance, token economies in therapeutic & learning situations, children, 58:1657
prior reinforcement experience, self reinforcement effects on on-task behavior in classroom, children, 54:1864
problems in administering behavior modification techniques in schools, 55:5460
program & teacher & population & problems, failure of classroom token economies, 53:8276
Program for Academic Survival Skills, academic survival behaviors & reading & mathematics achievement, low achieving & low survival skill 1st–3rd graders, 58:12505
program utilizing parental involvement & restructuring of natural consequences & use of make-up period, school attendance, school phobic 7 yr old male, 58:12493
programed instruction vs script economy in working vs academic situation, response generalization, male adolescent institutionalized delinquents, 53:1967
prompting & praise & disapproval, social interaction, 13 yr old male legally blind special education student, 57:11527
public & private feedback in school classrooms, "least intrusive intervention" strategy for behavior change procedures, 9 yr old male 4th graders, 58:6322
pupil involvement, development of attention to appropriate classroom behavior, teachers, 54:8265
reality therapy intervention program led by teachers in response to student's desirable &/vs undesirable classroom behavior, classroom behavior, elementary school students, 57:9098
reduction of time limits for task, academic performance, educable retarded 10–12 yr olds in contingent token reinforcement program, 57:6914
reflectivity-impulsivity of cognitive tempo, children, implications for classroom behavior modification in special education, 56:4902
reinforcement contingencies, arithmetic acquisition & proficiency, 8–11 yr old learning disabled boys, 55:13506
reinforcement contingent upon time spent with classroom target activity & target designation based on initial interest level in activity, subsequent activity patterns & intrinsic motivation, elementary school students, 57:11338
reinforcement for appropriate classroom behavior only vs academic performance only, changes in behavior & arithmetic performance, disruptive male 9–12 yr olds in psychiatric hospital school, 57:2007
reinforcement for on-task & nondisruptive behavior & academic work & teacher absence, development of independent social & academic behaviors, behavior problem 5th & 6th graders, 58:12676
reinforcement of direct academic performance &/or facilitative nonacademic classroom behaviors, increasing academic achievement & levels of appropriate classroom behaviors, 1st–3rd graders, 56:8707
reinforcement rewards dependent on group vs individual attending & working behaviors & locus of control, reduction of maladjusted behaviors & increases in mutual liking & self esteem & group problem solving performance, maladjusted 3rd graders, 57:13964
reinforcement schedule & spatial titration method, determination of most preferred & effective task-reinforcement area separation in producing high task performance, 3rd graders, 57:1930
reinforcement schedules in inexpensive token economy program, social maturity & classroom behaviors, 2nd graders, 55:13256
reinforcement vs model-reinforcement techniques, classroom verbal participation, graduate students, 55:3232
reinforcement-based tutoring vs tutoring with generalization training, classroom performance, 7 yr olds, 58:12546
removal of token reinforcement after establishment of token system, reduction of requests for individual bathroom use, 5th graders in low socioeconomic area, 57:11469
response contingent withdrawal of rock music as reinforcer & time-out procedure, inappropriate or disruptive classroom behavior, preschoolers in special education, 58:6388
response cost, reduction of inappropriate classroom behavior, literature review, 57:13872
response-cost procedure, academic performance, mentally retarded female adolescents, 56:10736
reward & cost token procedures, social & academic behavior, elementary special education students, 53:10517
rules vs rules & feedback vs rules & feedback & group contingency & individual & group praise & group activities, classroom behavior, 1st–3rd graders, 53:6104
school-based therapy, disturbed predelinquent English primary school children, 53:3907
school-wide behavior modification program, disruptive student behavior, 1st–6th graders, 57:10873
selection & counting & recording of behaviors of trainable retarded students, change in teacher-selected behaviors, 5–19 yr olds, 55:3199
self appraisal activities using videotapes & coding of own behavior, modification of self concept & classroom verbal & nonverbal behavior, intermediate grade students, 55:1484
self control procedures, effectiveness in management of classroom behavior problems, literature review, 56:8689
self control procedures in classroom research, evaluation & achievement methods for maintenance of behavior change, 55:3171
self control training, classroom on-task behavior, inattentive students, 57:6335
self instructional program, behavioral changes & control, overactive 4 yr old males in Head Start program, 56:6699
self instructional training, attending behavior in classroom analog situation, 1st graders, 57:1996
self instructional training procedure, disruptive behavior, 3rd & 4th graders, 57:8718
self instructional vs direct training in printing with contingent social reinforcement, kindergartners with writing deficiencies, 54:1880
self management construction & contingency management, increase in work completion, nonproductive elementary school students, 55:3001
self management procedures, academic & classroom behaviors, 10 & 12 yr old hyperactive males, 54:8460
self management procedures, classroom behavior modification, educable mentally retarded 12 yr olds, 58:12714
self monitoring, study behavior reflected in writing answers to questions, college students, 57:4398
self observation & self reinforcement, deviant classroom behavior, school age children, 58:4218
self observation &/vs external feedback, duration of on-task behavior, 6th graders, 56:2986
self recording & graphing & token vs total token program, incomplete science assignments, 6th graders, 55:5514
self recording vs contingently-awarded points, rate & content & length of verbal responses in classroom discipline & number of Ss participating, college students, 58:2127

self reinforcement, extinction of demanding behaviors in classroom environment, 9 yr old with paranoid personality, 57:3932
self reinforcement, improvement of stimulus generalization of academic behavior acquired in token economy, 9th grade mathematics students, 56:8657
self reinforcement vs teacher vs peer monitoring, academic achievement & locus of control, 4th & 5th grade poor readers, 57:11388
self-improvement secondary classroom experience with 2 behavior modification techniques, 9th–12th graders, 54:6401
sensory-motor & orthomolecular medicine & open classroom components as alternative treatment program to drug therapy, hyperactive private school children, 57:4435
sex differences, probability & nature of teacher response to aggression & dependency & problem behaviors, preschool students & teachers, 55:5625
signaling device & counter, modification of disruptive classroom behavior, 8–9 yr old hyperactive & uncooperative males, 54:6263
similarities of open classroom & token economy approaches to education, 54:6271
similarity of learner to personal characteristics of teacher model, modeling effectiveness using slide presentations of behavior modification principles, college students, 58:4152
simple instructions & peer modeling & rehearsal & reinforcement expectancy, acquisition & generalization of academic skills, kindergartners & 1st graders, 58:10340
social modeling & group interaction, English speaking, 2nd language learning male freshmen, Philippines, 58:12570
social modeling & praise as social skill teaching strategies, attending & on-task behaviors, 3rd–5th graders, 58:10294
social vs token reinforcement vs cost contingency, modification of deviant classroom behavior, 6–9 yr old problem children, 56:1407
socially emergent vs imposed classroom behavior modification, academic achievement & autonomy & assertiveness, 4th–6th graders studying economics, 57:1943
standard teacher conference & video feedback &/or discussion, classroom behavior, 10-yr-old boys, 53:3972
stimulus variation transition from behavior modification treatment to regular classroom, primary school students, 55:8328
strategy using substitute reinforcers occurring in natural setting, behavior maintenance after token reinforcement withdrawal, 6–8 yr old educable retardates in special education classroom, 54:1946
structured vs didactic learning, methods of training behavior modification skills, low & middle socioeconomic level teacher aides, 55:5464
student participation in classroom management, appropriate classroom behavior, junior college students, 55:13456
student- vs teacher-managed reward techniques, self control behaviors, 1st graders, 57:13709
surreptitious modeling by students, teacher classroom behavior, 53:10387
systematic consultation in intensive inservice teacher program, teacher behavior & student achievement, rural deprived elementary schools, 55:5458
systematic evaluation, transfer from teacher imposed token to self evaluation program for disruptive behavior, 2nd graders, 58:1662
systematic visual search training, modification of impulsivity, male 4th & 6th graders, 56:2908
tactile & positive verbal cues, attention to arithmetic task & performance accuracy, emotionally disturbed students, implications for special education, 55:8290
tangible rewards in classroom for sitting, in-seat behavior & peer observer reactions, 3.5–6 yr old preschoolers, 56:2975
tangible rewards with individual children, adverse effects on peer observers, 3.5–6 yr olds with low base rates of inseat behavior & their peers, 54:8330
tangible vs verbal reinforcement, social behavior, moderately retarded children, 55:13485
tape recorded hypnotic suggestions, classroom behavior & attitudes toward learning, hyperactive 6–8 yr olds, 56:2652
teacher & pupil controlled individual contingency programs, classroom assignment completion, 6th grade males, 54:4113
teacher- and self-determined token reinforcement, control of disruptive & on-task behavior, junior high school students in special education classroom, 54:12601
teacher attention, chosen & completed academic activities, kindergartners in open education classroom, 53:10474
teacher attention, classroom behavior, 2 delinquent girls in token program, 56:6736
teacher characteristics, attitudes toward application of behavior modification principles in classroom, male vs female teachers of various ages, 58:12459
teacher commands vs messages describing behavior & feeling reaction & teaching deterrence effect, reduction in frequency of disruptive classroom behavior, 5th grade classes, 57:6869
teacher praise in behavior modification procedure, self esteem improvement, low income Black & Puerto Rican 3rd–5th graders, 58:12545
teacher presentation rates & use of praise, off-task behavior & correct answering & participation during reading instruction, low-achieving 1st graders, 56:6704
teacher reinforcement of desirable affective person-oriented behavior vs cognitive task-oriented performance, self concept & academic achievement & school-related behavior & attitudes toward school, learning disabled 10–17 yr olds, 56:3031
teacher training program for social learning, redirecting aggressive behavior, 3.5–4.5 yr olds, 56:10728
teacher training using goal setting & observation & feedback, positive teacher actions using reinforcement as target behavior, female 5th grade teachers, 55:1297
teacher- vs case-centered consultation, reduction of classroom management errors & negative classroom behavior of students, elementary school teachers, 57:8997
teacher–student behavior contract, motivation of learning behaviors, elementary students in special reading class, 54:6325
technique for demonstrating effectiveness of behavior modification in groups, graduate students in secondary education, 57:13621
temporality of reinforcers, observational learning of classroom participatory behaviors, male students, 58:10476
temporary instructional student–teacher contracts, improving classroom communication, 53:10439
territory as reinforcer, out-of-seat behavior, inappropriate verbalizations in classroom, 4th graders, 56:6791
time out guidelines for use as classroom behavior modification technique, counselors as consultants to teachers, 54:3781
timeout from positive reinforcement, disruptive classroom behavior, 12 & 14 yr old educable mentally retarded males, 56:8426
timers as antecedent stimulus, academic performance, 1st graders, 57:9044
token economies & operant conditioning & shaping & reinforcement techniques in classroom, mentally retarded, 53:6219
token economy & behavioral contract techniques, change in attending behavior, elementary school students, 55:13112
token economy based on attempted positive interactions & social reinforcement based on teacher & peer praise & modeling, social interactions in classrooms, kindergartners low in social status, 58:2151
token economy classroom participation, locus of control & test anxiety, 4th & 5th graders, 58:12523
token economy program, bringing material to class & completing assignments & being in seat as target behaviors, junior high school special education students, 54:10623
token economy program, classroom behavior modification & self esteem, institutionalized 5 yr old emotionally disturbed kindergartners, 57:1650
token program with contingent vs noncontingent free-time & self esteem, arithmetic achievement, 6th graders, 56:6727
token reinforcement & positive & negative peer interactions & teacher-student interactions, analysis of components of group contingency to control disruptive classroom behavior, emotionally disturbed 8–11 yr olds at residential school, 55:10993
token reinforcement & presence of teacher's assistant, increasing attention & academic performance, special education students, 53:12517
token reinforcement & response costs, completing assignments, 5th & 6th graders, 53:12446
token reinforcement & treatment & no treatment 15-min sessions, out-of-seat behavior, 9 yr old male, 56:4780
token reinforcement, frequency of unwarranted questions in classroom, 5th grade students, 53:6151
token reinforcement, improving accuracy of performance & decreasing time of completion of mathematics problems, 6th graders, 53:12445
token reinforcement in structured vs nonstructured mathematics problem solving sessions & age & IQ & instructions & mathematics achievement, Black vs Puerto Rican 6–11 yr olds in classes for emotionally disturbed, 58:12719
token reinforcement, on-time/in-seat & on-task & social interaction & assignment completion classroom behaviors, delinquent boys in correctional institution, 57:1937
token reinforcement, participation in group musical activity, severely mentally retarded students, 58:4386
token reinforcement program for attending for 1 child & proximity of seating location, attending behavior of nearby unrewarded Ss, nursery school students, 57:1947
token reinforcement program without parental cooperation, physically & verbally abusive behavior, male 6th grader, 54:10627
token reinforcement schedules, situational generalization, 6–10 yr olds with poor attention spans & low achievement in arithmetic, 55:5524
token reinforcement system, attending to work behavior, junior high school students, 53:6171
token reinforcement system with back-up reinforcers composed of desirable activities, classroom behaviors, 8–12 yr old emotionally disturbed visually handicapped students in residential school, 57:13904
token reinforcement vs dyad competition, time on task in remedial reading class, elementary school students, 58:2199
tokens & praise & tangible reinforcers, academic & conduct behaviors in behavior modification classroom, 6–11 yr old disturbed children, 57:4445
token-tangible reinforcers, responsiveness to social reinforcement & learning, 2nd graders, 58:10477
training in operant conditioning principles, application of positive reinforcement to control deviant classroom behavior, 2nd grade teachers, 55:2964
training procedures with vs without rewards, problem solving performance, 4th graders from different ethnic & socioeconomic backgrounds, 56:10619
treatment employing punishment & monetary rewards, reduction of blindisms, blind 16–20 yr olds, implications for classroom procedures, 58:8370
Turtle Technique, self control of classroom impulsive & aggressive behavior, emotionally disturbed students in special primary school classroom, 57:9150
unconscious behavior modification, pupils & teachers, 53:12406
use of encouragement techniques by teachers, disturbing classroom behavior, elementary school students & teachers, 58:4352
use of peers in changing classroom behavior of other children, discussion of ethical problems, 58:4270
verbal approval delivered to target S, behavior of adjacent nonreinforced peer & change in behavior of target S, educable retarded 6 & 8 yr old boys in special education class, 58:4381
verbal information vs passive observance vs active observation, acquisition of classroom management skills, college teachers & students, 55:5466
verbal praise & results feedback, arithmetic performance, elementary school slow learners, 53:1916
verbalizing contingencies in time-out procedures, reduction of disruptive classroom behavior, 55:10724
VI & FR token reinforcement schedules, academic & disruptive classroom behavior, 9–13 yr old boys with behavioral problems, 56:1478
videotape feedback with vs without self evaluative structuring, modification of classroom speech anxiety & discussion behavior, college students, 57:3934
videotape self confrontation, acquisition of behavior management skills, elementary special education trainees, 57:11286
viewing videotaped modeling & observation instructions, attending behavior, disadvantaged 1st graders, 55:11052
withdrawal & re-presentation of TV audio reception, elimination of disturbing naptime behaviors, preschoolers at day care facility, 56:8647
"workclock" as alternative to token economies, modification of attending behavior of entire class, 3rd & 4th graders, 57:1919
written & verbal feedback concerning progress to teachers in short term behavioral training model, discrimination between study & non-study behavior & attending to study behavior & study rate of elementary students, elementary school teachers, 58:10239

Classroom Discipline

adult imitation of inappropriate classroom behavior as aversive stimulus, retarded children, 55:1525
age & grade & sex & ethnic group & socioeconomic status, attitudes toward corporal punishment & its effectiveness as classroom disciplinary process, intermediate & high school students, 58:4354
aggressiveness & age & sex, perceived severity of punishment for mother-victims vs sibling-victims vs peer-victims, Black 8–12 yr olds, 57:3280
attitude toward desegregation, classroom discipline & interracial associations, elementary school teachers, 57:13884
attitudes & perceptions of others' attitudes toward disciplinary behaviors, high school administrators vs teachers, 57:11266
attitudes toward education innovations & financing of education & desegregation & discipline & drugs & parent accountability in urban schools, public opinion, 58:6131
authoritarianism & pupil control ideology & family ideology, elementary school teachers & principals, 56:8639
authority vs permissiveness in education, discussion of moral & psychological points of view, 56:4691
behavior modification & reprimands & body language techniques, classroom discipline, teachers, 55:10762
class size, peer interaction & children's on-task behavior & attention requests & aggression & teacher's positive & negative & classroom management behaviors & perception of self & children in play & structured settings, preschoolers & teachers, 58:8337
classical conditioning procedures, control of aggressive behaviors in classroom, 4th & 5th graders, 55:8252
classroom discipline, high school & student teachers, 56:4887
climate-setting & immediate feedback & motivating & control & discipline behaviors, "best" vs 1st-yr vs typical inner city junior high school teachers, 1-yr longitudinal study, replication & expansion of G. Moskowitz & J. L. Hayman's study, 56:1339
cognitive complexity, control & reinforcement of pupils in classroom, teachers, 56:8638
combination school-home motivational system, elimination of discipline problems, 3rd graders, 56:2839
communication model, handling classroom problems, 53:8297
communicative social control policy & social participation in activity planning, illustration using "alternative" high school, 58:7319
contingency contracting with behavior modification techniques, school attendance & GPA & self concept & discipline referral, high school girls, 58:2148
contingent praise & token reinforcement, disruptive classroom behavior, emotionally disturbed 1st & 2nd graders, 55:3217
definition & utility & validity, punishment in educational situations, 55:7872
demographic variables, sense of power & pupil control ideology & behavior congruence, secondary teachers, 58:6182
differential behavioral descriptions of students & teacher experience, teacher control behavior, 4th–8th grade teachers & teachers in training, 58:12703
differential reinforcement of low rates procedure, talking & out-of-seat behaviors in classrooms, elementary students, 53:10423
educational ritual & balance, corporal punishment, school masters & 13–17 yr old male students, New Zealand, 53:6160
elementary school counselors as consultant to teachers, classroom discipline, 53:2001
evaluation, methods for management of withdrawal & negative social & aggressive & acting out behavior, special education teachers, 55:13487
existence of "ressentiment" & perceptions of internal-external control & pupil control ideology of certificated high school staff, public high school students, 56:1464
experience level & behavior modification inservice training, confidence levels in choice of using behavior formation vs elimination strategies in classroom management of acting-out vs withdrawn students, elementary school teachers vs student teachers, 56:6806
free choice of activity & free time contingent on compliance with classroom behavior rules, subsequent disruptive behavior & academic performance changes & self control development, 4th graders in low level math class, 57:1979
group vs individual contingent reinforcement, disruptive classroom behavior, emotionally disturbed &/or socially maladjusted 8–10 yr olds in residential school, 55:3149
group vs individually administered punishment, suppression of inappropriate classroom behavior, 2nd graders, 55:10946
half vs full semester student teaching experiencing & personality types, attitudes toward teacher's role in discipline, student teachers, 58:10228
history & logic of "democratic" classroom ideal, critical analysis of likening classrooms to politics, 58:1944
humanistic orientation, discipline process promoting responsible & productive behavior for potentially disruptive high school students, 58:6198
ignoring whispering of designated S vs whispering by all class members, disruptive whispering, 6th–8th graders, 55:10945
immediate vs delayed positive practice principle, classroom disruptive behavior, 7–11 yr old emotionally disturbed males, 55:1513
individualized discipline, classroom management, behaviorally disordered students, 57:9037
individualized lesson plans for teaching discipline, reduction of time-off-task & disruptive behaviors, primary school students, 58:10295
inservice training in R. Dreikurs' disciplinary approach, knowledge of course content & attitudes toward classroom discipline & changes in teacher & problem student behaviors, teachers & students, 58:4177
intervention program employing positive reinforcement & behavioral rehearsal & modeling, modification of aggressive behavior, elementary school students, 55:1371
logical foundations for teaching & testing conceptual relations & overcoming discipline problems, 58:1929
negative attention, reduction of group disruption, 9–14 yr olds in special school for behaviorally deviant children, 53:10519
open-spaced vs self-contained classrooms, opinions toward punishment & control & trust of students, elementary school teachers, 55:10720
organizational climate & demographic characteristics, relationship between authoritarianism & pupil control & family ideology, elementary teachers & principals, 58:4192
peer influence & candy reinforcement & punishment, aggressive classroom behavior modification, 4-yr-olds in Head Start, 53:6143
perception of causes of disruptive behavior & conception of appropriate intervention strategies, junior high school students vs teachers, 58:1629
perception of teachers' pupil control ideology & behavior, high school teachers & their students, 58:12652
perceptions of & acts in dealing with discipline problems, student teachers, 55:8205
perceptions of leadership behavior & values & pupil control ideologies of principals, high school teachers vs principals, 57:11281
perceptions of real & ideal roles of high school disciplinarian, high school administrators vs disciplinarians vs teachers vs students, 56:1340
perceptions of teacher pupil control behavior & attitudes toward teachers, attitudes toward school, senior vs junior high school students, 56:1460
perceptions toward selected discipline policies existing in high schools in Southern California, students & parents & educators, 55:8226
positive & nonpunitive discipline by teacher, 54:4047
positive reinforcement & time-out contingency, out-of-seat & antisocial behavior, 8-yr-old female, 53:1981
reasons for choice of method & methods of influence used to control disruptive pupils, 1st–12th grade teachers, 58:12646
rules vs rules & feedback vs rules & feedback & group contingency & individual & group praise & group activities, classroom behavior, 1st–3rd graders, 53:6104
school socioeconomic status & racial composition, teacher-student control behavior, high school students, 55:13367
self actualization level, pupil control ideology, elementary & secondary school teachers, 55:7928
sense of efficacy & bureaucratic level of school & socioeconomic status of students, pupil control ideology, teachers, 53:3936
sex & race, perceptions of teachers' pupil control behavior orientation & S alienation, 9th–12th graders, 58:12684
standard teacher conference & video feedback &/or discussion, classroom behavior, 10-yr-old boys, 53:3972
structured inservice human relations program, attitudes & discipline & referral cards & coping behaviors, teachers, 55:5422
student alienation & organizational & teacher variables, pupil control ideology, middle school teachers, 55:2943
student control ideology of teachers, alienation in traditional vs open & flexible school, students, 55:13397
students with disciplinary problems & class cohesiveness & integration, high school students & teachers, 56:10693
tangible rewards in classroom for sitting, in-seat behavior & peer observer reactions, 3.5–6 yr old preschoolers, 56:2975
task- vs approval-focused desists, rated desirability of personality of desist target & teacher administering desist, 8th graders, 54:12509

ask- vs approval-focused discipline techniques, personality trait inferences, 8th graders, 55:13430
eacher- and self-determined token reinforcement, control of disruptive & on-task behavior, junior high school students in special education classroom, 54:12601
eacher commands vs messages describing behavior & feeling reaction & teaching deterrence effect, reduction in frequency of disruptive classroom behavior, 5th grade classes, 57:6869
eacher education program, attitudes toward human relations & child control & educational values, student teachers at varying points of program, 58:8218
eacher perceptions of organizational climate & pupil control ideology, student perceptions of self esteem & power dimensions of their self concept, 4th & 6th graders & teachers in Corpus Christi Independent School District, 55:12952
eacher pupil control ideology & student attitudes, elementary teachers & students in Navajo schools, 58:12701
eacher self actualization & pupil control ideology, elementary vs secondary school teachers, 56:1451
eacher training in psychological curriculum, teacher attitudes & teaching style & interpersonal relations & classroom management & divergent & productive thinking & students' self concept, elementary school teachers & students, 55:10832
eacher's discipline & criticism behaviors, teachers in traditional vs open elementary classrooms, 54:10547
achers' goals & strict vs permissive practices, perceptions of school & classroom activities & behaviors, 1st graders, 56:10702
rritory as reinforcer, out-of-seat behavior, inappropriate verbalizations in classroom, 4th graders, 56:6791
tah State University Protocol Modules training, classroom management performance of teachers & self concept of pupils, kindergarten through 6th grade teachers, 58:12386
erbal corporal punishment & suggestions for solutions to classroom discipline problems, teachers, 54:8298
erbal information vs passive observance vs active observation, acquisition of classroom management skills, college teachers & students, 55:5466
erbalizing contingencies in time-out procedures, reduction of disruptive classroom behavior, 55:10724

lassroom Environment

bility level & content area of class, rates of managerial vs instructional verbal approvals & disapprovals, junior high school teachers, 56:10705
bility level & interpersonal need grouping patterns, mathematics achievement & perceptions of learning environment, 9th grade minority students in compensatory program, 56:1370
tivity-centered vs traditional classroom organization & self concept, reading achievement, 1st graders, 58:8274
djunct instructional materials employed outside classroom, Air Force ROTC courses, 55:11105
djustment level & educational environment, attention to task & work completion, 1st graders, 53:10499
ffective education development program vs regular English classes, social structure & learning environment & group-work behavior, high school students, 55:13122
e & IQ & sex, expression of curiosity & exploratory behavior in classroom & novelty toy situation & scores on curiosity measures, 4 & 5 yr olds, 58:9215
nounts of content presentation & teacher threat in socio-emotional climate, academic achievement & self concept, disadvantaged 1st graders in compensatory program, 57:13956
alysis of verbal & nonverbal interactions using Differentiated Child Behavioral Observation System, lower vs middle income 5–8 yr olds in traditional vs open classroom schools, 57:9192
ithmetic skill repertoire/environmental demand discrepancies, socially maladaptive & attentive behaviors during arithmetic lessons, 2nd graders, 58:2126
twork techniques, play as diagnostic & therapeutic medium, use in classroom & home & store-front clinics, 54:10120
mospheric conditions & school building design, teacher &/or student behavior, 3rd grade teachers & students, 58:10188
ttendance in multigraded vs single grade classes, attitudes toward self & peers & school, 3rd & 5th graders, 55:13370
ttitudes toward career choice, 12–17 yr old educable mentally retarded in special vs regular classes, 57:9147
ttitudes toward special placement & classes, junior high school mental retardates & nonretarded students, 53:6209
thoritarian & democratic teaching styles & student trait anxiety, achievement, 9th graders, 56:6758
liefs & philosophies of life, elementary teachers in open space vs traditional schools, 55:12987
beffects of fluorescent lighting in classroom, bean seeds, extension of previous study with hyperactive 1st graders, 58:8168
A & MA & intelligence & self esteem, educable mentally retarded students in segregated vs integrated classes, 58:4389
ange in physical design of open classroom, spatial & temporal distribution & classroom activities, 2nd & 3rd graders, 57:11508
ass Atmosphere Scale, assessment of classroom psychosocial environment, junior & senior high school students & teachers, 57:11582
ass Atmosphere Scale, quantitative assessment of classroom psychosocial environment using perceptions of teachers & students, 55:8268
ss size & teacher assistance & instruction, effectiveness of programed learning, 4th graders, 57:9012
ss size, student evaluation of faculty, 53:10501
ssroom & free play environments & age, motion activity level over 3 days, male 1st vs 3rd vs 6th graders, 58:7175
ssroom applications, educational psychology, book, 54:8250
ssroom behavior modification & reduced class size, emotional & behavior problems & subsequent successful transfer to trainable retarded classroom, moderately & severely mentally retarded children, 58:8396
ssroom climate & academic aptitude & achievement & pupil personal & social characteristics, 9th & 10th graders, 56:1427
ssroom climate, self perceptions, 3rd graders in open space & self contained schools, 55:3168
ssroom discussion & interaction activities, group development, junior high school students, 55:10949
ssroom environment & perceptual & conceptual processes & teacher characteristics & teacher student interaction, teachers' perceptions of students, 55:8267
ssroom environment demands & interpretation according to student's reward system, development of individualistic behaviors, 53:4022
ssroom environment, perceptions of teachers, academic growth, 4th–6th graders, 56:2958
ssroom environment, self concept of academic ability, 9th grade mathematics students, 55:3159
ssroom factors, motivation, students, 54:4153
ssroom location & learning, comment on R. J. Bates's article, 54:12580
ssroom location & learning, rejoinder to W. M. Gill's comments, 54:12566
ssroom management & climate, facilitation of learning human values, 54:10603
ssroom noise & presentation methods, learning rate of dissimilar words, male & female kindergartners, 55:5618
ssroom noise vs testing room quietness, auditory discrimination test performance, learning disabled vs normal children, 56:1456
classroom observation of deaf under simulated profound deafness, professionals, implications for communication strategies, 53:4047
classroom observation systems vs Aspy Process Scales, predictive power for self concept reports & academic achievement & other educational outcomes, implications for teacher training & accountability, 57:9080
classroom openness, self concept & school attitude & observing-inferring & question asking behaviors, 4th graders, 55:13389
classroom organization, academic status, 5th & 6th graders, 56:4875
classroom organization, quality of school life measured by satisfaction & general well-being & classwork commitment & reactions to teachers, elementary & middle & high school students, 58:8330
classroom organizational patterns & teaching methods, evaluation of health education program & achievement, 4th graders, 56:2856
classroom presence of behavior problem child, behavioral & academic output of classmates, 3rd graders, 57:6886
classroom racial composition & desegregation process, academic achievement, black & white 5th & 6th graders, 55:5545
classroom seating, self reported psychopathology, college students, 56:768
classroom structure & sex & responsibility for achievement & attitude toward school & birth order, success in school, 3rd & 4th graders, 58:12668
classroom structure, job-related attitudes & opinions, kindergarten teachers, 58:10267
classrooms with standard fixtures & cool-white fluorescent vs shielded fixtures & full-spectrum fluorescent light, academic achievement, 1st & 2nd graders, 56:10682
climate-setting & immediate feedback & motivating & control & discipline behaviors, "best" vs 1st-yr vs typical inner city junior high school teachers, 1-yr longitudinal study, replication & expansion of G. Moskowitz & J. L. Hayman's study, 56:1339
clinical supervisors emphasizing helping relationship & congruent conference format, student perception of class & student-teacher relationship & teacher growth, high school teachers & students, 57:1994
combination school-home motivational system, elimination of discipline problems, 3rd graders, 56:2839
comparisons between maturation & classroom environment & intelligence, reading achievement, 4th graders, followup study of R. B. Hayes' 3-yr longitudinal experiment, 55:3109
competitive & cooperative learning environment, comprehension of cognitive task, college students, 54:4150
composition of group based on Achievement via Conformance & via Independence personality scale scores, maximizing satisfaction & effectiveness in small academic groups, college students, 58:12689
conceptual complexity, teacher-student interaction, 7th graders in inner city vs suburban vs alternative classrooms, 56:3004
conceptual level & didactic vs experiential classroom environments, vocational decision making process, male college students, 57:9225
conceptual level functioning & classroom climate, self concept & academic achievement, Afro-American high school students, 55:8277
congruence of student–teacher life styles, attitudes toward teacher & classroom & learning structure, 11th graders, 53:4021
considerateness & attractiveness & resourcefulness of classmates perceived by other classmates, 7th graders, 54:5255
consistency of ratings of student personality traits in classroom setting, elementary school teachers, 54:12488
control of classroom environment parameters, beginning teachers, 53:10410
convergent & discriminant validation of 3 classroom observation systems, 54:3975
convergent & discriminant validity, Barclay Classroom Climate Inventory, 53:4119
course size & level & student knowledgeability & sex, evaluation of instruction, college students, 57:13856
creation of environment for stimulation of creative thinking abilities & activation of S's evaluative effort, academic achievement & social performances, learning disabled children, 57:13910
curriculum & emotional climate & methodological choices & class dynamics, teaching English in all-black high school, 53:10454
defense of concept of self-contained special classroom, educable mentally retarded, 54:8456
Delphi Technique, assessment of effective teaching in early childhood education, 54:6295
demographic & classroom variables, self concerns, elementary student teachers, 58:12397
demographic characteristics & teacher-student interaction & classroom control, achievement & personality & self-concept & attitude changes over 1 yr, 1st vs 5th graders, 53:12507
development & validation, observational measure of teacher-student attempts to influence each other & responses, junior high school teachers & students, 56:3084
development procedures for informalization of college classroom processes, 54:6266
developmental & ecological view, disturbing classroom behavior, 53:10496
diagnostically prescribed system vs learning resource centers vs classroom instruction methods, self esteem & achievement & adjustment, intermediate grade students, 55:10798
difficulties & problems, integrating special education students into regular classrooms, 54:8436
dimensions & correlates of self concept, comparison of self report & self concept inventories & personality questionnaire & classroom climate inventory, elementary school students, 58:12768
discovery teaching climate, self actualization & science achievement, 14–20 yr old secondary science students in residential schools for deaf, 58:10555
DPA Helsinki system, taxonomy for classification of interactions in instructional situations, 55:10921
early education curriculum models, observation of classroom experiences, 2nd graders, 55:13198
ecological analysis, free play activities, nursery school students, 55:8261
education of emotionally maladjusted children in regular classroom, 57:13922
education of mentally retarded, Swedish model of open education for integrated classrooms vs overcrowding & neglect of education for retardates in India, 12th International World Congress on Rehabilitation, Australia, 1972, 53:10527
ego level, accuracy of prediction & values of idealized class & perceptions of actual class, high school teachers, 58:10238
elementary classroom structure, learning enhancement, 54:6262
empirical & theoretical issues, behavioral analyses in controlled laboratory settings vs naturalistic human environments, implications for behavioral analysis of classroom environments, 54:6540
environmental conditions in classroom & teacher's behavior, performance problems, students, 55:5589
environmental factors of school size & characteristics, student achievement, 53:6177
ethnological characteristics, informal class structure, immigrants' children vs Swiss children, 57:13873
evaluation of 4 methods for ranking items used in classroom environment inventory, 57:7176
experiential taxonomy, planning of educational objectives & sequencing classroom activities, teachers, 54:8377
experiential treatment vs lecture vs slide presentations, awareness of importance of physical structure of classroom, female college students majoring in education, significance for teacher training, 58:10260
experimental nursery school program based on Piagetian theory vs conventional nursery school, development of logical operations abilities, 3–5 yr olds, 2-yr longitudinal study, 57:11308
exposure to open space vs conventional classroom, ability to delay gratification, 4th & 5th graders, 55:2921
facilitation & methods, implementation of personal development in classroom, humanistic teachers, 54:1840
favorableness of teaching situation, ratings of person- vs task-oriented teachers in terms of effectiveness & encouragement & interest & amount learned & actual achievement, 8th grade males, test of F. Fiedler's contingency model of leadership, 56:2999
feedback mode regarding classroom climate, congruence between student perceptions of climate & teacher goals for climate, high school students & teachers, 58:10454
Follow Through classrooms, school fearfulness & self esteem, black 2nd & 3rd graders, 56:8697
grade level, cross sectional similarity of factor structure of affective & cognitive classroom environment variables, 8th & 11th graders, 56:10720
guidelines for achievement of learner satisfaction in gerontological short term training, 56:10656
happy vs sad vs neutral environment & cognition & social agent, continued maintenance of motor task performance & facilitative self control, 1st & 2nd graders, 56:10722
heuristics for classroom design, 56:10531
high vs low environmental stimulation, activity & performance on voluntary inhibition of movement & visual tracking tasks, younger vs older hyperactive children with learning or behavior disorders, implications for classroom environment, 57:13967
human relations training, cooperative classroom behavior & ratings of classroom environment, 4th graders, 57:11320
humanistic classroom climate, personal development, male & female college vs graduate students, 53:1889
hypnosis vs suggestion vs coverant control therapy vs attention-control procedure in natural classroom setting, academic self esteem, college students, 55:1356
identification of classroom nurturing conditions using observation instruments, creativity growth, 1st & 5th graders, 57:6867
immediate vs delayed reward instructions, creative thinking, advantaged vs disadvantaged 3rd–5th graders, 55:8049
indirect/open vs direct/closed home & classroom environment, divergent thinking, girls vs boys, 57:4336
individualization & teacher directiveness & learning support, reading achievement, 1st graders, 58:12525
individually guided education program, teacher attitudes toward education & student attitudes toward learning & school & peers & self concept, 6th graders in multiunit schools, 55:1352
informal or open-area vs traditional formal classrooms, reading & mathematics achievement & personality, 6 yr olds, 4-yr longitudinal study, 57:13700
inhospitable institutional vs personalized classroom setting & membership in environmental awareness group, alteration of inhospitable furnishings & person-furnishing distance, college students, implications for student attitudes toward school, 56:1448
inservice teacher seminar in self concept theory & enhancement of self esteem, teacher attitudes & ability to facilitate development of students' self esteem & verbal behavior & praise & classroom cohesiveness, elementary teachers & students, 56:6673
in-service teacher training program, responsiveness to variety of needs in classroom with regular & learning disabled children, 53:10406
instructions to compete with oneself vs others, quantity & quality & anxiety in coding or arithmetic task in classroom, college students, 54:3044
integrated vs nonintegrated learning environment, achievement in curriculum unit on job seeking skills, 14–22 yr old educable mentally retarded students, 58:8398
interaction & curriculum planning & perceived influence in decision making, teachers from open- vs closed-plan schools, 54:10451
interaction analysis & anthropological classroom research, 53:6106
interactional analysis method, observations of teacher–pupil interaction in informal classrooms, criticism of N. A. Flanders's method, 54:2003
intercorrelations between personality traits & peer & teacher perceptions & classroom climate variables, achievement motive, upper elementary students, 55:13399
IQ & socioeconomic status of student & teacher & classroom & school, reading achievement, 5th & 6th graders, 56:2961
judgers' vs perceivers' personality type & classroom structure, performance in study skills course & course satisfaction & GPA, college students, 58:12625
knowledge of participation in research project & perceived meaningfulness of materials & classroom teacher vs outside E, bias effect in classroom research, college students, 55:5880
learning environment & academic self concept, prediction of mathematics achievement, 9th graders, 58:10423
learning environments with high vs moderate structure & Ss' conceptual level, integration & application of knowledge, preservice teachers, 57:6690
lecture–discussion vs independent study, factual context acquisition & attitudes & student motivation & satisfaction & classroom climate, college students, 53:6140
locus of control & sensation seeking, perceptions of socio-psychological climates, high school students, 58:12692
macroanalysis, implementation & dissemination of interaction analysis, application to educational research, 54:4005
mathematical theory of instruction, application to instructional pacing & class size, 55:13116
mathematics instruction by learning disability specialist vs regular classroom teacher in resource room vs classroom, mathematics achievement, 3rd graders with arithmetic disabilities, 58:8400
method of classroom reintegration, peer acceptance, emotionally handicapped 3rd–6th graders previously segregated in special education unit, 55:8321
middle school vs elementary self contained classrooms & sex & socioeconomic status & race & teacher rating of achievement, achievement & self concept & attitudes toward school & social acceptance among peers, 6th graders, 55:13369
multiage classroom, within & between age group verbal communication, 4–7 yr olds, 54:6302
multigrade grouping, self concept & social-emotional development & readiness & achievement, kindergartners, 56:2985
myth of cultural deprivation & value of cultural pluralism in classrooms, guidelines for teachers, 55:10961
need for methods of fostering creativity in classroom, gifted children, 58:8271
need for structure & program openness & facility type, job satisfaction, elementary school teachers in open area vs self-contained classrooms, 56:7162
needs & environmental press, attitudes to aspects of high school physics course, 11th graders, 54:4019
noise conditions & achievement & anxiety levels, complex reading & arithmetic task performance, 5th graders, 57:6840
noise levels & acoustic treatment to minimize reverberation, adequacy of classrooms assigned to teachers of hearing impaired, 58:10520
nonverbal communication in educational process, classroom seating & teacher-pupil distance & personal space & time scheduling, 57:11484
normal cool white fluorescent vs full spectrum lighting & radiation shielding in classroom, behavior & academic performance, 1st graders, 54:4030

number of pupils & classroom size & pupil space, social complexity & noninvolvement in classroom behavior, elementary school students, 54:6156
nursery school classroom qualities, free play involvement, nursery school students, 58:2134
observational study, communicative behavior in science & notebook activities, 5 & 6 yr olds, 55:5607
open & stratified classrooms, self esteem & anxiety & behavior, black & nonblack underachieving 4th–6th graders, 55:5476
open & traditional classrooms, friendship patterns, 9–14 yr olds, 57:11473
open classroom, enhancement of self concept development, 3 & 4 yr olds, 55:13398
open concept vs self contained classroom environment, attitudes toward school & self concept, 1st–6th graders, 55:1469
open education philosophy, physical space design of classroom, 53:12606
open environment individualized instruction format, classroom communicative interaction patterns, deaf high school students, 57:6920
open environment vs traditional classrooms, creativity, 4th–6th graders, 57:13759
open plan school, model of integration of kindergarten & grades 1 & 2, 54:8305
open space classroom environment, verbal behavior, elementary school teachers, 58:4172
open space vs conventional self contained classrooms, self esteem & convergent & divergent thinking abilities, 4th grade females, 58:4265
open space vs self contained classroom, self concept development, 1st–5th graders, 56:10643
open space vs self contained public school classrooms, teacher-student & student-student interaction & student work behavior, 6th graders, 57:4411
open space vs traditional school attendance, mathematics & reading achievement & self concept & attitudes, elementary school students, 58:4237
open structure education & sex, development of creativity, primary school age children, 57:6780
open vs closed space school design, proximal & cooperative responses & locus of control, 8th graders, 57:6866
open- vs closed-space classes, academic achievement & attitudes, 9th graders, 56:1380
open vs conventional classroom environments, persistence on difficult tasks & correlation with achievement, 2nd graders, 54:10539
open vs conventional classroom learning environment & intensity of sex role preferences, perceived gender of school objects, male 2nd graders, 56:10714
open vs traditional classroom & modeling of distant vs proximate teaching situations, personal space, 3rd & 4th graders, 54:10422
open vs traditional classroom environment, ability to infer another's intentions & thoughts & feelings, 2nd graders, 57:10017
open vs traditional classroom environment & sex role preferences, gender classification of school subjects, kindergartners & 1st graders, 58:10501
open vs traditional classrooms, curriculum & social environment & behavioral interaction, 3rd grade students & teachers, 55:13422
open vs traditional classrooms, teacher-rated hyperactivity & academic differences, hyperactive males in regular classrooms, 57:6926
open vs traditional school setting, student achievement & attendance & health & impulsivity & classroom characteristics, kindergartners through 6th graders & school staff, 58:10350
open vs traditional schools, attitudes toward school & teaching methods & school administration, students & teachers, 57:11354
open vs traditional-open vs traditional-closed classrooms, self report of self concept, 4th graders, 58:10373
open-area vs quasi-open vs traditional elementary schools, perception of supervision & evaluation of teaching, superintendents & principals & supervisors, 54:4006
open-space school & open vs closed organizational climate & staff behaviors, elementary school teachers & principals, 54:10462
open-space vs self-contained classroom environment, social-emotional adjustment, elementary school students, 55:13404
organizational climate characteristics, classroom learning opportunities, elementary school teachers, 55:7913
organizational structure, role in classroom-based early childhood intervention programs, 55:5645
parent & teacher training in behavioral techniques, generalization of behavior change between home & school settings, 1st–3rd graders with maladaptive or undesirable behavior, 57:13576
parent involvement in day care administration & delivery, staff behavior & satisfaction & classroom environment, municipally run day care centers, 58:4198
paternal deprivation & feminized classroom, cognitive functioning, children, 53:4885
perceived classroom environment, critical thinking ability & attitudes toward education & higher thought process emphasis, 7th & 8th graders, 57:11467
perceptions of characteristics for successful performance, elementary teachers in self contained classrooms, implications for teacher training & selection, 58:1994
perceptions of classroom environment as happy vs joyless & teacher-student interaction, 5th & 6th graders & teachers, 57:11462
perceptions of early childhood curriculum & instruction & classroom environment & teaching-learning strategies & parent participation, follow-through vs early childhood education teachers, 56:4718
perceptions of effective instructional climate, college students & faculty members, 53:12387
perceptions of effective teaching behavior in open education setting, middle school teachers & students, 56:1357
perceptions of friendly relations with classmates & teachers, aggressive modeling, male 8th graders & teachers, 54:5236
personal attributes & personality traits, evaluations of structured vs unstructured learning environments, student teachers, 56:2821
physical construction of classrooms, learner's self-concepts, 53:12594
physical environment variables, behavior in learning setting, mentally retarded youth, 58:12707
physical nonverbal components of interaction, social-emotional classroom climate, self directed learning, home economics teachers & junior high school students, 55:8242
placement in special school vs special vs regular classroom, academic achievement & social adjustment & self concept, high vs low IQ educable mentally retarded, 58:2200
placement in special vs general education classes & placement length, attitudes toward self & school & peers, behaviorally disturbed vs normal children, 56:3010
political rituals in schools & classroom group cohesiveness, socialization of national sentiments, elementary school students, Taiwan, 55:3015
positive electrostatic field in classroom, deviant behaviors & attention to task & daydreaming frequency & arithmetic achievement, emotionally disturbed 6–12 yr olds in special education classroom, 57:13929
practical techniques for preparation & warm up & choosing players & followup discussions, role playing in classroom, 57:9046
preferred classmates in seating arrangements & play situations, content analysis of verbal material, 4th–6th graders, 54:845
printed materials & classroom instruction vs "sound page system", technical training, 55:3339
privacy vs noise attenuation options, art-related problem solving, 3rd–4th graders, 55:13324
process of creating adaptive learning environment in open design school using formative evaluation feedback from monitoring system, teams of elementary teachers, 57:6706
program evaluation, integration with normal students, mildly retarded, 53:10516
programed instruction vs script economy in working vs academic situation, response generalization, male adolescent institutionalized delinquents, 53:1967
questionnaire evaluation of tutorial mode classroom format, recent graduates holding degree of Master of Public Administration, 54:6251
race & sex & grade level & special education vs regular classroom settings, attitudes toward police officers, normal vs educable mentally retarded primary vs secondary students, 55:1496
rationale & description, psychosituational classroom intervention, 56:6835
reference group theory & classroom ability grouping, 56:4694
regular vs "mainstream" vs segregated self contained classes, IQ & reading achievement, educable mentally retarded students, 55:5642
role of nurse as mediator, placement in regular classroom, child with leukemia, 54:10002
role-playing & group problem-solving & guided discussions, school psychology support in classroom, 53:3973
school consultation program based on W. Glasser's classroom meetings, teacher training by mental health consultant & social growth of students, 4th–6th grade students & teachers, 57:11584
school-based intervention with parents vs within-classroom praise of child for attendance & approving vs disapproving parent communication, modification of excessive absenteeism, 2nd & 3rd graders, 58:6327
seating arrangements & active vs inactive sessions, disruptive classroom behavior, Black kindergartners, 57:13865
selected verbal behavior patterns in informal classroom, prekindergarten through 2nd grade teachers, 55:3151
self contained classrooms vs differentiated staffing patterns, academic achievement, 4th–6th graders, 56:2921
self contained vs regular vs Texas Plan A classes, reading achievement & self concept, educable retarded boys, 57:9133
self-analysis classroom method, reality teaching, 53:3998
sex segregation, science achievement & understanding of science processes & facts, 5th graders, 55:13280
single- vs multi-age classroom grouping, self concept, 3 vs 4 vs 5 yr old girls vs boys, 57:13855
size of university classes vs student evaluation of instruction, college students, 55:3146
social-affective classroom climate, teacher-perceived learning & behavior problem students, 3rd grade classes, 58:6351
sociodramatic activities during story time, social play, 3 yr old behaviorally disordered children in community playschool, 58:10563
socioeconomic status & examiner style & environment, achievement test scores, white male 5th–6th graders, 56:3087
spacing of students & use of alternate test forms, amount & loci of multiple-choice examination answer copying, college students, 57:11476
spatial mobility & spatial cognition, aggressive behavior, 6–9 yr olds, implications for classroom environmental design, 57:4415
stability of situational specificity of behavior across classroom situations varying in constraint, 3–6 yr olds, 57:4409
stability over time, student ratings of teacher rapport, 3rd & 4th graders, 54:10438
standard unshielded vs full-spectrum fluorescent lighting, hyperactivity & classroom behavior & learning disabilities, 1st graders, 57:6899
stimulus controlled vs open classroom method, task performance, 8–19 yr old trainable mentally retarded students, 57:9141
stimulus elongation & size & sweeping eye movements, reproductions of complex figure presented in vertical vs horizontal position, 1st graders, implications for use of blackboard in teaching, 58:8302
stimulus variation transition from behavior modification treatment to regular classroom, primary school students, 55:8328
stress & perception of classroom environment, academic achievement, 6th & 9th graders, 58:2096
structural formality of school environments, creativity, 10- & 11-yr-old students, 53:8243
structured vs nonstructured learning conditions, acquisition of reading vocabulary & accruement of attentional work time, 7–11 yr old emotionally disturbed vs normal students, 57:9142
structured vs nonstructured learning environments, acquisition of vocabulary words & accruement of attentional work-time, 13–15 yr old delinquent girls, 55:10978
student & teacher & principal perceived academic climate & overall school academic achievement, students in predominantly Black elementary schools, implications for systemic approach to counseling, 57:6637
student ability level & teacher ability level preferences, verbal teaching behavior & student perceptions of interpersonal quality of classroom, 4th grade teachers & their students, 58:10460
systematic application & teacher implementation, behavioral analysis in elementary & secondary schools, book, 54:1886
systematic model, evaluation of pupil's performance in natural environment, 55:3227
task-irrelevant environmental distractions, academic task performance, normal vs retarded hyperactive vs minimal brain dysfunction children, implications for classroom materials, 58:2211
teacher & student personality & class organization, prediction of classroom climate & identification of conceptual model for describing sociopsychological domain of classrooms, 57:9090
teacher counselor intervention based on interpersonal theory & counseling model of C. Rogers, classroom climate & student attitudes & learning, college language teachers & students, 58:12369
teacher facilitative vs directive verbal behavior in classroom, language change, nursery school students, 57:1972
teacher leadership style, classroom climate, elementary schools, 55:8238
teacher participation in teacher effectiveness training, perceptions of classroom climate, secondary school students, 58:10473
teacher preferences for & ratings of students, creativity & peer perceptions of their judgments & students' achievement & self concept, high school students & teachers, 58:2145
teacher use of behavioral objectives, classroom educational environment, elementary school teachers, 56:4770
teacher- vs student-centered classrooms & social class of teachers vs students, teacher-student interactions, 7–9 yr old students & teachers, 56:4870
teacher-designated vs sociometric data-based seating groups vs peer encouragement vs free time reinforcers, classroom attending behavior, 1st vs 3rd graders, 58:4356
teachers' & Ss' convergent & divergent abilities, prediction of academic achievement & classroom behavior & climate, 10th & 11th graders, 57:4286
teachers' & Ss' definition of classrooms, verbal participation in classroom, college students, 58:10474
teacher's discipline & criticism behaviors, teachers in traditional vs open elementary classrooms, 54:10547
teachers' influence, mental health of students, 54:8319
teacher's philosophy of human nature, students' perception of teacher's power in classroom, 57:11510
teacher's preferred type of humor & actual use of humor & teacher's & student's perceptions of use of humor in classroom, 4th & 5th & 6th graders & their teachers, 55:13450
teacher's verbal behavior, child's integration into nursery school environment, nursery school teachers & students, 57:9119
teaching atmosphere, self esteem, students in reading program, 55:10804
teaching pedestrian skills in classroom, generalization to natural environment, retarded male students, 57:13948
team teaching vs self contained classes & academic achievement & sex, social behavior, 5th & 6th graders, 55:3138
team vs traditional classroom organizations, achievement & adjustment, primary school students, New Zealand, 58:10380
thermal environment, learning, kindergartners through 12th graders, review, 55:8157
total environment room in reading intervention program, reading readiness & acquisition of sight vocabulary, culturally different black 3.5–4 yr olds, 55:13215
traditional classrooms vs open-area schools, academic achievement, 1st graders, 56:10595
traditional vs discovery classroom types, development of classification skills, 3rd graders, 56:10628
traditional vs open classroom environment, curiosity & openmindedness, 5th & 6th graders, 57:11468
traditional vs open classroom structure, inculcation of norms of achievement & independence, male vs female 2nd graders, 58:2020
training selected members in development of accurate empathy, interpersonal quality of classroom, socially-liked secondary school students, 58:10496
trait & state anxiety, performance on concrete & abstract mathematics tests, 1st & 2nd graders in individual multiage vs traditional classrooms, 55:8172
tutoring, communication of psychology in contemporary classroom, 54:9743
types & rates of teacher & student questions & teacher verbal approval/disapproval behavior, social studies teachers & high school students, 57:4407
understanding & appreciation approach, classroom dialect differences, black disadvantaged school children, 54:8399
use of small task-oriented groups to alter classroom social structure, cooperative achievement of joint educational goals & attitudes toward groups, college students, 56:10632
utilization of positive feedback in classroom environment of acceptance, self concept & written performance, students, 57:4328
validity & construction of classroom observation assessment technique, independence & cooperation in group-work situations, 4th & 6th graders, 53:2002
validity & reliability of Educational Forces Inventory, educational programs evaluation & improvement of classroom work setting, teachers & teacher assistants & supervisory personnel, 56:1513
values clarification strategies, self concept & sociometric structures, Catholic 6th graders in self contained classrooms, 58:10319
various classroom physical seating arrangements, attitudinal & interactional impacts, senior high school social studies students, 55:3163
viewing & performing play aggression, interpersonal aggression in laboratory & classroom, girls vs boys, 55:4307
workshop approach, educating teachers about physical structure & change in classroom, 53:8249

Classroom Instruction [See Teaching]

Classroom Teachers [See Teachers]

Classrooms
automated audiovisual vs traditional teaching method in regular classroom vs mobile unit, typewriting speed & accuracy, disadvantaged students, 56:8656

Claustrophobia
graded "in vivo" desensitization, claustrophobia, 45-yr-old white male, 53:10175
hypnotherapy, treatment of anxiety & depression & claustrophobia & latent homosexuality & family problems, psycho-depressive neurotic 32 yr old female, 57:4019

Cleft Palate
acceptance of disability, self esteem & satisfaction with social relationships, teenagers with oral-facial clefts, 58:11985
acoustic impedance measurements, detection & management of middle-ear disease, 5–16 yr olds with cleft lip or palate, 54:1434
epilepsy & antiepileptic drugs during pregnancy, seizures during gestation & infant congenital heart disease & cleft lip & palate, epileptic mothers, 54:7945
genetic vs no counseling, parents of children with cleft lip or palate, 53:10239
pharyngeal flap surgery & management, voice quality, patients with velopharyngeal insufficiency coexistent with neurologic & emotional & mental disorders, 53:3850
service development & role in prototype for cleft palate children, social workers, 53:8117
teacher ratings of behavior & personality disorders & academic achievement, 4th–8th graders with cleft palate &/or lip, 55:5621
visibility of cleft palate & severity of speech impediment, self esteem & vocational aspirations & choice & amount of counseling used, adolescents with cleft lip-palates, 57:10613

Clergy [See Also Chaplains, Ministers (Religion), Monks, Nuns, Priests, Rabbis]
age & sex & liberal vs conservative self images & parish vs nonparish clergy & Protestant vs Roman Catholic affiliation, attitudes toward sexual involvement of adults with minors, current vs former theological school students, 56:9755
attitude toward sex education at intermediate grade level, students & teachers & parents & clergy & physicians in culturally deprived areas of San Juan, Puerto Rico, 57:11367
behavioral criteria to index mental illness & role in mental health referral process, physicians & clergy & public health nurses & social welfare workers & police, 55:1102
concurrent validation of vocational preferences of clergymen, extension of D. Schuldt & R. F. Stahmann's findings, 54:9435
construct validity of Likert rating scale of self perceptions derived from J. L. Holland's vocational theory & correlation with Vocational Preference Inventory, policemen vs clergymen vs life insurance salesmen, 58:10667
defensiveness & self actualization, F. Herzberg's motivator-hygiene theory of job satisfaction, male teachers & clergymen, 55:13729
development of pragmatically oriented methodology for consultative activities with rural fundamentalist clergy, guidelines for community-oriented psychologists, 57:13518
ecclesiastical & theological & personal tensions, role of clergymen, 54:11518
economic & minority/majority subgroup status & residence & tenure & church visibility, collaboration in inner city community mental health program, Catholic & Orthodox & Protestant clergy, 58:1739
empathy & warmth & genuineness levels in therapeutic relationships, general practice physicians & nurses & mental health professionals & lawyers & clergymen, 56:8606
entrance into clergy & development of mental illness, common characteristics among institutionalized priests, 57:11614
helping behavior, rural vs urban clergy vs others, 56:6046
high vs low empathy model vs no model & instructions in training, empathy offered in interview, clergymen, 54:5396
intensive course in death & dying & grief, understanding of loss & counseling skills & attitudes toward death, clergy in advanced graduate training, 57:11113

intercorrelations among Personal Orientation Inventory scale scores, clergymen entering clinical training program at state hospital, 56:727
interpretations & attributions of responsibility & recommendations for presented marital conflict, lawyers & clergy vs psychotherapists, 57:1759
involvement of clergy in rehabilitation process, 54:10365
nature & freedom & destiny of man & concept of community as conceptual themes, Christian theologians vs theistic existential counseling theorists, 55:11236
pastoral care of long term-chronic mental cases, clergy, 57:10708
pastoral counseling & authority of clergy, dealing with parents' reaction to birth of retarded child, 57:11011
perceptions of psychologists, general public & general practitioners & clergymen & secondary school teachers, Australia, 54:11892
planning & development & implementation & results, community mental health clergy consultation program, 58:12199
preferences for support systems for bereaved family, nurses & clergy & teachers & psychologists & social workers, 55:12876
rank & sex & family constellation variables, relational involvement in pastoral work with male vs female parishioners of various ages, male Episcopal clergy, 58:922
religious clergy role, supportive mental health contributions, 53:10271
role conflicts, clergy, 54:7331
self perception of roles & relationships as clergy wife & as woman & resulting tension, Episcopal clergy wives, 57:10382
sex of client & sex role situation & practitioners' opinion, choice of therapy goals, mental health practitioners, 57:3806
training methods, attitudes toward alcoholism treatment, clergy, 55:1207
Vocational Preference Inventory, concurrent validity of J. L. Holland's vocational theory, policemen & clergymen & life insurance salesmen & gas station managers, 57:2052
work alienation & ideological orientation, political view, clergy, 53:2927

Clerical Personnel
ability level, job performance & satisfaction, clerical employees, 55:5829
analysis of keying errors, experienced female keypunch operators, 56:5022
analysis of time pattern & sequential nature of keying task errors, skilled keyset operators, implications for short term memory model & application to keyboard design & interlock characteristics, 55:8440
behavioral factors, training to use interactive computer system, clerical personnel, 55:8471
biographical data, prediction of job turnover & fair employment practice, minority vs nonminority female clerical personnel, 57:7039
bureaucratic orientation & Protestant work values, university clerks, 57:11611
central life interests, organizational commitment, blue collar & clerical workers, 56:6925
client status role, behavior toward client, postal clerks in US vs Costa Rica, 56:6905
constancy of interests during vocational training, manual vs clerical workers, longitudinal study, 55:11077
cooperative recruitment & selection program, provision of city & county & state & federal jobs for clerical workers, 55:1648
delayed irregular feedback, keying performance, skilled vs unskilled teletype operators, 56:5020
development & evaluation of job performance appraisal system, clerical personnel, 55:11116
discrimination, job satisfaction & alienation, colored & white clerks in South Africa, 54:2916
discriminatory laws & practices & current reward practices in business & industry, expectancy & instrumentality beliefs & job reward valences, White vs Black clerks, South Africa, 58:2331
ethnic group membership, work values & job attitudes, female White vs Black vs Spanish surname keypunchers, 58:6457
evaluation of "short-type," error & keystroke rate in selecting & typing abbreviations, experienced typists, 54:6514
flexible working hours, job satisfaction, nonsupervisory clerical workers, 54:2060
grouping of printed digits, forced-paced manual entry performance, engineers & clerical & shop workers & housewives, 53:8515
hours of work, performance, card-coding clerks, 54:12714
intellectual ability & perceptual speed & accuracy test validation, clerical proficiency prediction, black & Spanish-surnamed & white clerical personnel, 54:8554
job & task analysis & interjurisdictional validation of selection procedures, clerical & related personnel in Minnesota state government, 57:14085
job enrichment experience, clerical personnel, 54:4312
moderate heat stress, typewriting performance, reanalysis of 1923 report of New York State Commission on Ventilation, 53:6358
modified microcounseling paradigm, teaching attending behaviors, female hospital clerks, 57:8694
need fulfillment & job satisfaction, job context elements, insurance clerks, 54:8600
participative vs assigned goal setting, job performance & satisfaction, female typists, 58:10702
patterns & correlates of fatigue, 18–60 yr old clerical employees, 58:12812
perceptions of effectiveness & social appropriateness of solutions in solving real-life problems, clinical psychologists & psychology research associates vs clerical workers, 56:8600
personality & intelligence factors, prediction of desirability of office workers to supervisors, workers in finance & insurance & real estate firms, 55:11121
personality characteristics, perception of work as central life interest, male & female blue collar & clerical workers, 54:2008
personality traits & educational background, Black applicants for attendant & clerical positions at mental health center & Black teachers, 57:5879
race &/or perceived life style, decision to cash personal check drawn on out-of-town bank, bank tellers, field study, 54:7498
reaction to flexible working hours system, job satisfaction, clerical workers, 54:8591
scale conversion procedure applied to difficult vs easy versions of Centralized Confirmation/Advancement Test battery, clerical staff of Federal Civil Service of Nigeria, criticism of J. Bowers & M. Soriyan's study, 54:10706
scholastic ability & clerical skills & self esteem, job success following training program, female hard-core unemployed clerical workers, 55:11113
self esteem, relationship between job ability & job performance, female steno-clerks, 56:1551
self vs supervisor evaluation of work performance, psychiatric patients in manual assembly vs clerical section, 54:9856
sexually discriminative performance in neutral role task, male & female bank tellers, 54:5136
striking, salience of job characteristics, male clerical workers, 58:4504
test discrimination, disadvantaged white clerical workers, 53:12619
unit discussion vs attendant training vs nursing program, attitudes toward mental illness, psychiatrists vs psychologists vs social workers vs nurses vs rehabilitation workers vs clerical workers vs attendants vs student nurses, 56:6584
validity of weighted application blank, prediction of employee turnover, clerks, 53:6345
work unit performance & situational characteristics, employee attitudes, female clerical workers in bank branches, 53:6349
working conditions & fatigue & consideration of human factors in CRT design, CRT task performance & satisfaction, 54:6513

Clerical Secretarial Skills
amount of typewriter keyboard change & finger load & copy content, typing accuracy & speed, college students in typing course, 54:2107
analysis of keying errors, experienced female keypunch operators, 56:5022
analysis of time pattern & sequential nature of keying task errors, skilled keyset operators, implications for short term memory model & application to keyboard design & interlock characteristics, 55:8440
automated audiovisual vs traditional teaching method in regular classroom vs mobile unit, typewriting speed & accuracy, disadvantaged students, 56:8656
cooperative problem solving through interconnected typewriters, interactive communication, female high school student skilled vs unskilled typists, 53:8441
decision-making & keystroking & work conditions, office typing task performance, high school & college students, 53:10761
delayed irregular feedback, keying performance, skilled vs unskilled teletype operators, 56:5020
emotionality & worry components of anxiety, motor skills performance using typing task, college students & applicants for clerical positions, 54:10948
evaluation of "short-type," error & keystroke rate in selecting & typing abbreviations, experienced typists, 54:6514
hierarchic 2-stage model of response output intention, typing & speaking & playing music, 57:2287
hours of work, performance, card-coding clerks, 54:12714
individual differences, typing speed & accuracy on standard vs modified typewriters, experienced typists, 54:2113
individualized progress vs traditional method of teaching intermediate typewriting, achievement & attitudes, college students, 55:13186
interaction of concurrent generative & expressive activity, production of typewritten lists, touch typists, 54:11046
masking of printed copy vs keyboard, typing speed & accuracy, female typists, 56:1556
moderate heat stress, typewriting performance, reanalysis of 1923 report of New York State Commission on Ventilation, 53:6358
partial vs whole copiers, personality traits & intelligence & clerical ability, 18–26 yr olds, 54:1162
pass/fail grading procedures, attitudes & achievement, senior high typing students, 56:3047
personality traits & shorthand achievement, college students, 58:2114
precision teaching techniques & tangible reinforcement, improvement in typing performance, 7 yr old cerebral palsied female, 56:10363
predictive ability of creativity tests & presentation of phonetic spelling materials, acquisition of Gregg shorthand, high school students, 57:11299
randomly delayed visual & auditory feedback, keyboard performance, adult female skilled typists, 54:10761
scholastic ability & clerical skills & self esteem, job success following training program, female hard-core unemployed clerical workers, 55:11113
self esteem, relationship between job ability & job performance, female steno-clerks, 56:1551
stages of output processing & nature of codes in each stage, form of typing error & its latency, 54:10972
typing-training methods, performance, students, 58:12558
with vs without instruction on additional 150 brief forms & derivatives from most frequently used business words, shorthand writing speeds, high school students, 56:2893

Clerks [See Clerical Personnel]

Client Centered Therapy
ambulant client-centered group therapy employing self direction & nonverbal exercises, concept & application, clients in various groups, 58:1620
application of C. Rogers's nondirective approach to group therapy, 54:3749
application of Rogerian nondirective approach to education, 54:4056
behavior modification employing individual client centered therapy & group therapy, slow learning students in special school, 58:6348
behavior vs client-centered vs psychoanalytic counseling approaches, differences in potential-client preference & believed effectiveness, college students, 53:8053
behavioral vs psychodynamic vs client centered therapies involving parents as change agents, disturbed preschoolers & preadolescents, literature review, 57:1540
client centered therapy with direct attempts to increase client expressiveness, inexpressive severely depressed male, 56:10264
client locus of control, differential effectiveness of directive vs nondirective group therapy, college students, 53:10152
client-centered & group counseling, disadvantaged kindergartners & 2nd graders, 53:10277
client-centered group counseling & critical thinking workshop, critical thinking ability & self concept & behavior adjustment, high school students with behavior problems, 58:8439
client-centered groups emphasizing self experience, capability of coping with student-life pressures, student counseling center participants, 58:2275
client-centered play therapy, emotionally & socially disturbed 9–12 yr olds, 53:3617
client-centered psychotherapy groups, therapeutic efficacy of self experience emphasis, 20–30 yr old students with average levels of disturbance enrolled in college & other institution-sponsored counseling, 58:1621
client-centered therapy in educational homes, 53:7813
client-centered vs behavioral group counseling, classroom behavior & self concept, disruptive junior high school students, 58:4405
client-centered vs rational-emotive vs Gestalt approaches, development of behavior category instrument applicable to counseling interactions analysis, 54:8553
counselor voice & speech style & personality variables & client preferences, client-centered therapy & telephone counseling, telephone counselors & psychiatric patients, 53:10266
decision utilization in client centered vs Gestalt expressive vs rational-emotive vs Jungian dream analysis psychotherapies, 56:10246
development of counselor attitude scale, measurement of client-centered attitudes, 55:7845
development of 2 scales measuring openness & degree of self reflection in client centered psychotherapy, neurotic patients, 57:7244
direct decision & client-centered & rational-emotive psychotherapeutic approaches & psychotherapy by reciprocal inhibition, patient decision to change as active principle of successful psychotherapy, 58:7844
direct vs nondirect marathon group therapy & locus of control, psychotherapeutic outcome, institutionalized female drug addicts, 53:10183
empirical control of client-centered psychotherapy, 15–40 yr old psychoneurotic patients, 53:3573
evolution of client-centered psychotherapy of C. R. Rogers, 53:3608
focus on C. Rogers' book & thought & method, development of client centered therapy, 55:963
meta-theoretical base for counseling & psychotherapy, application of social phenomenology of A. Schutz to research in client centered therapy, 58:12039
mother-child client-centered counseling vs behavior therapy, academic achievement & personality traits & school behavior, educationally handicapped children & their mothers, 58:1504
nondirective "Gesprachspsychotherapie," summary of R. Tausche's lecture in 1971, 53:10068
nondirective humanistic treatment approach, schizophrenic mildly retarded 12 yr old male, 56:4421
nondirective play therapy, developing relationship between troubled child & therapist, 54:10042
nondirective psychotherapy, quantitative psycholinguistic analysis of clinical material, clients, 54:3575
nondirective therapeutic approach in writings of C. Rogers, 54:3574
patient-centered approach, support for individuality of terminally ill cancer patient & understanding of dying & death, 54:12220
picture films of directive & nondirective therapist counseling, preferential selection of therapists by alcoholic clients to enhance effect treatment, 55:7793
prestructuring client's expectation of counselor empathy prior to participation in interaction vs vicarious counseling simulation, client's reported anxiety & attraction to counselor, college students, 58:5785
psychoanalysis vs Jungian vs client-centered therapies of S. Freud & C. Jung & C. Rogers, book, 53:1584
psychotherapy, contributions of C. Rogers, 54:8007
reality vs client centered group therapy, adolescent males, 55:10275
resistance to application of nondirective approach in industry, 54:4324
Rogerian client-centered group psychotherapy, theory & technique & process of self experiencing, 57:13260
Rogerian therapy, T. de Wever's "nameless" patient scenario, 53:7846
Rogers/C. R., intellectual & personal influences contributing to theories & research & changes in theoretical formulations & impact on psychology & education, 58:10766
step progression, analysis of treatment results from transactional analysis therapy & similarity to client-centered therapy, 54:12241
support for client centered vs psychoanalytic vs behaviorist vs eclectic counseling theories, school counselors, England & Wales, 57:8967
teacher counselor intervention based on interpersonal theory & counseling model of C. Rogers, classroom climate & student attitudes & learning, college language teachers & students, 58:12369
techniques & concepts, client-centered therapy of C. R. Rogers, 53:5822
theory & practice & applications, client-centered counseling & psychotherapy, book, 53:5840
therapist's verbal behavior, child-therapist interactions during client centered play therapy, 54:3637
traditional custodial approach & change to interaction & patient-centered treatment in mental hospitals as reflections of social order & normality concept, 57:1772
training to use client centered/experiential counseling skills with each other, chronic schizophrenics, 55:10222
transactional analysis group counseling vs client-centered individual counseling, academic achievement, college freshman admissions risk students, 55:13594

Client Characteristics
A vs B therapist type, subjective reaction to schizoid vs neurotic vs alcoholic patient symptoms, experienced male therapists at alcoholism treatment center, 57:3837
A-B therapist-patient complementarity, therapist empathy & regard & verbal behavior, crisis phone counselors, 56:4557
acceptance of good-patient norms, reactions of doctors & nurses to attitudes & behavior, surgical patients in general hospital, 54:8232
acoustical analysis of clients' voices, identification of stress within counseling session, university counseling center clients, 58:10600
actual A-B client-therapist similarity vs perceived similarity, ratings of regard & empathy, male college students, 56:4404
affect simulation & interpersonal process recall techniques, client growth, college students, 55:7548
affective vs behavioral counselor interview styles, client environmental contingency & goal-related & action-step-related & self reference affect & time-oriented statements, female clients, 58:12214
age & sex & marital status & number of children & educational achievement level & length of previous employment & car ownership & criminal record & IQ & race, success or unsuccess in vocational rehabilitation programs, probation clients, 56:2696
age & sex & problem & client-therapist characteristics, persons who contact mental health agencies, 53:1795
amount of prior client information, accuracy of empathy ratings of graduate student counselor–client exchanges, raters, 54:8006
analysis interminable & interminable "analysts", exploitation of analysis, 55:982
analysis of patient population, small storefront clinic on Bowery in New York City, 57:10997
analysis of structural interview data, origins & nature of psychodynamic interaction & therapeutic relationship effects of sexual contact between therapists & patients, 57:6232
application of crisis model, process & role changes in initial phase of seeking help in mental health system, 55:2760
assertion training & subsequent performance as counselor or counselee in microcounseling session with untrained paraprofessionals, mental hospital paraprofessionals, 56:1252
assumptions of vocational counseling, counseling outcome, 55:5755
attitude similarity & therapist credibility, prediction of attitude change & improvement in psychotherapy, psychiatric patients, 53:12068
attitude similarity between Ss & hypothetical therapist & description of quantity & quality of hypothetical client's problem, client attraction to therapist, college students, extension of D. Byrne's model, 58:12032

videotape modeling & counselor/client precounseling interaction, client self disclosure in initial personal assessment feedback counseling interviews, 58:9889
viewing videotapes depicting racially similar vs dissimilar client-counselor dyads & viewer sex & educational background, perceptions of accurate empathy & counselor effectiveness, Black Ss, 57:6265
vocational counseling techniques & familiarity with client characteristics & community work situation, work adjustment, mentally ill, 54:3885
vocational evaluation & work adjustment training, employment readiness & attitudes toward work, vocational rehabilitation clients, 54:12419
4-level measurement system, evaluation of client rehabilitation, 55:7764

Client Counselor Interaction [See Psychotherapeutic Processes]

Clients

affective vs behavioral counselor interview styles, client environmental contingency & goal-related & action-step-related & self reference affect & time-oriented statements, female clients, 58:12214
agency requests to sign release of information consent forms with vs without option statement, compliance in signing form, clients in community mental health center clinics, 58:4112
assessment of acceptance & abreaction & improvement variables of group psychotherapy, adult clients & Os, 56:10267
attitude changes toward heroin users & methadone maintenance & abstinence clients, clients & staffs at detoxification/abstinence & methadone maintenance centers, 54:1565
audiotape playback to counselor of psychotherapy session, client self perception changes, graduate counselor education students, 57:6238
audiovisual orientation, participation in planning vocational rehabilitation programs, rehabilitation clients, 57:4145
automatic interaction detector application to statistical analysis of client demographic & agency service variables & local agency offices, evaluation of state vocational rehabilitation programs, 58:1799
behavior charting as adjunct to counseling, positive & negative statements about self & others, clients, 55:961
characteristics & situational factors, approval & acceptance of personality interpretations derived from results of assessment procedures, clientele, review of "Barnum effect" & implications for clinical diagnostic process, 58:1271
client self disclosure & outcome in individual psychotherapy, male & female therapists & clients, 58:12055
client-counselor congruence in perception of handicapping problems, clients & counselors, 55:5297
client-rated counselor characteristics, novice vs professional counselors & college students, 53:3611
cluster analysis, factorial validity of Service Outcome Measurement Form, clients & counselors of state federal rehabilitation agency, 57:11809
communication strategies, client–institution conflict, 53:3060
community & client feedback, social service agencies, 53:10334
comprehensive rehabilitation center, attitudes & individual background characteristics, clients, 55:5296
consumer postcard survey, economical evaluation of service satisfaction, rural community mental health center clients, 58:12193
continued psychotherapy by telephone contact or correspondence, patients for whom therapy was interrupted by their or analyst's move to different city, 58:3741
coping with sexual attraction to female counselees, male pastoral counselors, 56:6525
counseling technique, irrational negative self evaluation, counseling clients, 54:3782
counselor affective vs behavioral interview styles, within-interview verbal behavior & perceptions of interview in simulated crisis situation, female clients, 57:13183
counselor affective vs behavioral interview styles, verbal behavior & perceptions of interviews & action steps after interviews, female clients, 57:13189
counselor facilitative level, suggestibility, college student clients, 57:13195
counselor personality characteristics, client satisfaction in cognitive & affective spheres of counseling process, 57:10697
counselor sex & facilitation level, suggestibility, college student clients, 58:9867
counselor verbal response styles, verbal behavior & perceptions of counseling interview, clients, 55:2626
counselor vs affective professional preparation, fulfillment of client expectancy, counselor trainees vs counselors continuing professional growth vs counselors in field, 55:7534
counselor-client congruity on ratings of job-related attributes & employability, ex-psychiatric clients & their counselors in psychosocial rehabilitation center, 58:12259
counselor's degree of forward lean vs degree of eye contact vs degree of body orientation away from client, perception of counselor empathy, clients vs trained raters, 56:2566
counselor's disclosure of experiences & attitudes & feelings similar to ones expressed by client, client reaction, college student clients with differing role expectations, 56:2564
counselor's inconsistent verbal & nonverbal messages, perceived genuineness & distance & proxemic behavior, female clients, 58:7843
counselor's proportion of successful closures, assignment of clients to counselors, seriously physically or psychologically disabled clients, 58:12247
development of mathematical model, measurement of changes in behavior & environment attained by individual clients undergoing social casework, 55:10481
differential service expenditure patterns, rehabilitation outcome, clients, 57:13448
effective personal integration model in group counseling, self actualization, graduate students, 58:9899
employment counseling & placement, employability, employment counselors & clients, 53:4204
ethical & legal dilemmas, psychological assessment & client rights, applied psychologists, 54:3228
evaluation of assertive training &/vs anxiety management, anxiety level & assertive behavior, college student clients, 58:5872
expectations concerning qualifications & knowledge & activities of paraprofessional referral worker, clients vs agency board members vs community mental health workers, 57:13507
expertness & attractiveness & trustworthiness dimensions of perceived counselor behavior, college students, 55:7806
explosion & widespread dissemination of knowledge & information, decreasing knowledge monopolization & increasing refusal of clients & consumers to passively receive services of experts, 58:3174
exposure to audiotapes with information about counselors & their roles, client preferences for counselor types, male vs female college students, 58:7862
extended & abbreviated cues in electronic absentee-cuing system in counselor training, clients & counselors & trainees, 55:12894
extent & lack of congruency in perceptions of interactions & feelings & strategies in 1 therapy session, therapist & client, 58:1580
face-to-face vs telephone counseling during 1st vs 2nd interviews, counselor empathy & concreteness & client self exploration, university counseling center clients & counselors, 55:4965
feedback from clients, improvement of services in helping professions, 54:10070
giving vs denying Ss opportunity to choose & receive their most preferred counselor, counseling readiness, clients, 58:10027
group psychotherapy intervention, external locus of control, clients, 58:9906
high vs low prestige introduction & level of professional jargon used, perceived counselor knowledge & credibility & desirability, Ss from community college & mental health clinic & drug abuse program, 54:5352
human relations training using Gestalt therapy techniques, self actualization & interpersonal relations orientation & self concept & locus of control, rehabilitation clients, 58:1631
initial counseling time-limited interviews & counselor level of experience, S-perceived therapeutic conditions, clients at university counseling center, 56:6344
Interpersonal Process Recall supervision method, counselor performance & level of empathic understanding & client satisfaction with counseling & self exploration, graduate students in counseling & clients, 57:11136
interviewer sex pairing & use of positive vs negative self disclosure, perceptions of interviewer & own behavior, college students, implications for counseling, 58:12213
keeping records of own behavior, data for research by practitioners, clients, 56:961
leisure as self actualization process, establishment of leisure objectives by rehabilitation counselors for rehabilitation clients, 57:4164
level of therapist self disclosure, impressions & expectations of congruence or transparency of therapist, clients, 58:7827
listening at home to tapes of therapy sessions, therapeutic development, patients, 54:12229
listening to male therapist voice & male vs female client voice, rating of therapist effectiveness, male & female college students, implications for traditional role of women & role of clients, 58:1608
meaningful relationship development, black caseworker & white clients, 53:6032
model of 2-person interaction based on A. Schutz's phenomenological theory of social relations & computer-assisted metalanguage based on case-grammar theory, analysis of client-counselor natural language patterns, 57:13200
modeling &/vs instruction, self disclosure in initial clinical interview, self referred male clients, 58:1598
multiple linear regression of raw vs factor scores vs single best predictor vs 9-point decision rule index, predicting counseling success, vocational counseling clients, 53:4194
mutuality of role expectations, satisfaction derived from psychotherapy, therapists & clients, 57:3835
naturalistic analysis, verbal behavior during intake session of psychotherapy, patients & therapists, 55:12648
need to be knowledgeable about treatment suggestions, dealing with alcoholic client, probation & parole officers, 55:2813
nonverbal behavior & affiliative vs nonaffiliative manner, perceived attractiveness & persuasiveness of counselors, college students, 55:5368
observable differences between rolfed vs unrolfed bodies, experienced rolfers vs Ss acquainted with method vs college students who heard 1-hr talk on structural integration, 54:5728
opinions toward college routine & vocational choice & adjustment to self & others as appropriate topics for discussion at university counseling center, students in general vs prior clients vs instructional staff vs student affairs staff, 57:9183
option vs no option given concerning right to refuse to sign medical release authorization form, subsequent form signing, clients in community mental health clinics, 56:8495
outcome of visit & attitudes toward center & experiences in other agencies, clients of advice center operated by community nonprofessional staff, 55:5209
participation vs nonparticipation of female client in psychiatric consultation with therapist & consultant, client/therapist agreement about nature of situation & relationship of client-therapist pairs, 57:3821
patient & family & staff members & psychologist involvement, assessment process, visually impaired adults in rehabilitation facility, 55:10109
perceptions & experiences of 4 critical periods during therapy, therapist vs shoe fetishist, evidence for client influence on therapist's understanding of therapeutic process, 58:3710
personality & demographic variables, levels of usage of career management center, adult male career management clients & nonclients, 58:12784
person-centered encounter group, self confidence & self acceptance, male prisoners & judges & psychologists & psychotherapy clients, 58:5871
photographs of self & others, development of rapport & diagnosis & therapeutic gains in counseling sessions, clients, 55:2588
physical & intellectual & emotional training program, improvement of rehabilitation potential, disabled clients, 57:4161
positive statements about counselor & client deference & counseling readiness & change & flexibility, self disclosure & relationship satisfaction, clients, 56:2559
preferences for counselor roles, black vs white college students, 55:5000
preferences for disabled vs nondisabled counselor, college students, 55:7842
present & recalled perceptions of Judaic community &/or extended family support, clients of Jewish family service agency, 58:7310
prior information about counselor characteristics, perception of videotaped counselor & persistence of bias, clients, 57:10779
problem type & severity, preferences for therapist age & sex & behavior, college students, 55:10264
problems & potential benefits, use of client self monitoring vs self report in clinical decision making & increasing client awareness, 58:3713
professional vs nonprofessional-client coaching, assertion training, probation officers, 53:10167
prognostic expectancy for clients & counselors & perceptions of counselor characteristics & counselor experience & sex of counselor & client, client satisfaction with counseling experience, vocational-educational & personal adjustment clients & counselors, 58:10030
provider-client interaction & feedback, rehabilitation services, handicapped, 53:10332
psychological assessment & psychologists' behavior, 54:2177
psychotherapeutic relationship, Freudian psychoanalyst & his patient, 55:10268
ratings of student counselor effectiveness, student counselors vs peers vs supervisors vs clients, 57:8936
rationale & goals & programs & evaluation procedures of methadone maintenance program jointly administered by clients & professional staff, 55:1205
rational-emotive therapy, techniques used by A. Ellis during initial therapy sessions, male vs female clients, 58:9850
real work & production orientation, job skill development & growth potential, clients in workshop environment, 54:12422
realistic expectations concerning interpersonal intimacy with therapist & others, clients, 55:12613
role of professional helper & client, human change, clients, 54:12438
role of suggestion, desensitization & relaxation treatments of test anxiety, 58:7933
self administered treatment technique encouraging self disclosure, self concept, group of low income college student clients in human skills training program, 58:9927
sex & number of sessions & diagnostic groups & academic class & importance of causes to problem-goal areas, therapeutic gains & evaluation of services, clients of college counseling centers, 58:10011
sex of therapist & client readiness for therapy & therapist technique & sex role identity & personality attributes, length of stay in therapy, clients, 58:9847
sexual liaisons between therapists & clients, negative & positive effects & ethical considerations & therapeutic guidelines, literature survey, 57:13538
therapist's labeling statements, self disclosure in psychotherapy, clients, 58:9845
therapists' personal commitment to patient, 54:5748
tri-informant feedback procedure in group counseling setting, goal attainment, clients, 57:8687
type of feedback & presentation conditions & S variables, reactions to client-relevant information, clients, review, 57:10694
usefulness of assessment of vocational interests & attitudes & aspirations, retarded clients in vocational rehabilitation, 57:13452
uses & abuses & limitations, social worker-client contracting, 56:1198

Climacteric Depression [See Involutional Depression]

Climate (Organizational) [See Organizational Climate]

Climax (Sexual) [See Orgasm]

Clinical Judgment (Med Diagnosis) [See Medical Diagnosis]

Clinical Judgment (Not Diagnosis)

ability to make drawn representations of human figure drawings of children at various MAs, 19–44 yr olds, 58:90
accuracy evaluation in terms of classification criteria following translation into computer programs, clinical & actuarial decision making strategies, psychology doctoral students, 54:7745
accuracy level & cognitive functioning, test of clinical vs actuarial prediction, 55:5336
administration & interpretation problems, Rorschach technique, aged, 53:5340
amount of experience & semantic association strength, illusory correlations in judgments of relationships between behavioral descriptions & MMPI subscale names, experienced vs naive college students, 57:10349
amount of information & mechanical decision making aids, lens model analysis of clinical judgment & confidence in postdicting discharged patients' drug use & employment, clinical professionals from drug dependency unit, 57:6200
appropriateness ratings of psychological treatments for 7 yr old male described as mentally retarded vs of normal intelligence vs hyperactive vs withdrawn, special educators vs child care personnel, 57:3838

auxiliary data, interpretation of polygraph records, 56:7008
Bayesian revision technique & combination of observations & clinical judgments of changes, estimation of impact of health services in community, 58:1744
Bayesian sequential analysis, decisions between possible therapeutic treatments or competing hypotheses, 54:5773
child observation & parental report factors, clinical judgments, normal 7 yr old boys & graduate psychology students, 55:10238
children's ethnicity & socioeconomic status & pattern of WISC scores, estimation of "effective intelligence", psychologists, 57:3850
classification accuracy of profile similarity measures, 53:2140
classroom teachers vs inhouse consultants, accuracy of referral for psychological examinations to determine eligibility for placement in self contained classes for educable mentally retarded, 58:12718
client personal vs social vs vocational problems & age & counselor sex, perceived amount of counseling needed & ratings of seriousness of female client's problems, counseling graduate students & counseling center staff & counseling & clinical psychology faculty, 57:13508
client's sex & pathology, clinical judgments & treatment plans, male vs female therapists, 58:12295
clinical & social variables, differentiation of suicide & open & accident verdicts, cases presented to Brighton coroner, England, 57:6063
clinical decision making model, child psychiatric intervention selection, 55:12595
clinical general semantics approach, observation & analysis of language behavior, 54:1082
clinician's awareness of socially produced pathologies, decision making in emergency psychiatric admission to general hospital, 58:3673
clinician's lack of experience with representative samples, establishment of concepts of sexual normality & aberrations, 55:4685
communication ratings of deaf-blind children using videotaped behavioral situations, speech pathologists & professionals working with multihandicapped & speech pathology students & college students, 53:3529
computer assisted actuarial procedure, retroactive analysis of appropriateness of drug treatment, psychiatric patients, 57:6397
confidence ratings in accuracy of personality assessments on psychiatric outpatients, clinical psychologists vs graduate students in clinical psychology, 56:1278
consensual correspondence between irrational beliefs held by patients & psychologists' prediction of responses of each diagnostic group, clinical psychologists & depressive neurotic vs anxiety neurotic vs obsessive-compulsive neurotic vs sociopathic vs paranoid vs hysterical vs alcoholic 15–72 yr old inpatients & outpatients, 58:3483
context effects, prognostic judgments of functional psychotic disorders using magnitude estimation, psychologists & psychology interns, 58:12001
counselee label of emotionally stable vs unstable vs unknown, perceived anxiety & depression & personal adjustment & self confidence in initial session & judgments of courses of action, secondary school counselors, 57:11568
counselor acceptance of reports of self defeating client behavior, judgments of amount of rapport facilitated, college students, 55:7532
demographic & family characteristics & initial IQ & social maturity, prediction of changes in IQ & social maturity 1 yr after evaluation, educable mentally retarded children, 55:12506
development & application of empirical method, content & cognitive organization of clinical perception, preprofessional Ss in clinical psychology as clinicians & college student raters, 58:1302
development & relationship of combined 7-point statistical & subjective scaling vs separate normative & rating procedures, scoring of word-association responses of schizophrenic & disturbed adolescent patients, college students, 56:8965
differential expectations concerning trait-state descriptions & labelling biases, objective recordings vs subjective evaluations of behavioral observations, college students, 56:8956
Draw-A-Person Test vs TAT as data source & instructions to use Machover's hypothesis, agreement between personality judgments made on psychiatric inpatients, clinicians, 55:8627
evaluation of paintings of nonretarded vs retarded persons, college students with vs without art training, 58:11929
evaluation of taped pretherapy speech of "s"-defective children & subsequent unknown inclusion vs exclusion of targets in articulation therapy caseload, habituation & sensitization to speech errors as measured by posttherapy evaluations, graduate student clinicians, 57:13361
experience & amount of information, clinical judgments of audiotapes of therapy, psychotherapists & graduate students & new PhDs, 57:4196
experience & feedback training, accuracy & appropriateness of clinical judgment, 55:10595
experience & sex & presentation of genuine vs Barnum personality assessment statements, discrimination between genuine & fake statements, graduate vs college student judges, 57:10389
experimental formats for presenting decision making information, speed & accuracy of muscle test grade assignment from descriptions of hypothetical patient's performance, graduate students, 54:9640
feedback & cue validity & specific practice, accuracy & confidence levels in clinical inference, clinical psychologist trainees, 58:12302
formal characteristics of task predictability & inference policies, clinical judgment, 57:1520
goal attainment scaling, case planning & treatment outcome, clinicians representing social work & child care & psychology, 58:5770
initial examination factors, prognosis of communicative performance, aphasic patients, 53:3496
instrumental & judgmental analysis, voice samples, hospitalized adolescent psychiatric patients vs normal 14–18 yr olds, 55:9934
interrater agreement, abstractions of alcoholic patient's case notes, implications for research methodologies, 57:26
interrater reliability & scoring validity, Bender-Gestalt quick scoring system, psychology technicians & technician trainees, 56:7017
involvement of impulsivity, clinical interpretation of Bender Gestalt, 1st graders, examination of J. Kagan's hypothesis, 55:4658
judgment policies regarding child's need for specialized counseling or academic remediation, school psychologists & counselors & special education & regular classroom teachers, 55:8421
judgments of articulation errors in speech samples of standard English speaking & Black English speaking children, White speech therapists & Black speech pathologists, 58:1421
kindergarten teacher as resource in providing visual-motor & academic & behavioral information, identification of learning disabled children, 57:13943
labeling bias, evaluative & causal judgments of mental illness, college students, 58:9508
magnitude of agreement between polygraph examiners, identification of physiological responses in polygraph interview cases obtained from job applicant screening interviews, 55:1633
mechanical synthesis approach, judgmental accuracy & inference components via Brunswick Lens Model & linear vs nonlinear approaches to clinical vs statistical prediction, judges on law school admissions committee, 57:4719
mental retardation labeling, social competence & interpersonal attractiveness ratings of retarded vs nonretarded children & social distance placements, clinical practicum graduate students & mothers, 58:5634
multivariate prediction, assaultiveness, male psychiatric inpatients, 55:10023
nonpathological sex role stereotypes, evaluations of male vs female psychiatric patients based on MMPI scales, male vs female college students, 56:9797
nonverbal behavior, perceived level of empathy in role-played counseling interview, counselor candidates as judges, 57:10736
O familiarity with S's behavior, bias in behavioral observation of exmental patients residing in extended care facility, professional Os, implications for valid clinical assessment, 58:1525
participation in crisis intervention course emphasizing specific process approaches vs traditional curriculum, problem solving creativity & judgment skills, nursing students, 58:1834
patient's demographic characteristics & social appeal & rater's experience, bias in judgments of psychopathology, clinical psychologists vs graduate vs college students, 58:8150
perceived accuracy of automated MMPI narratives generated from old adult vs new adolescent norm profiles, clinicians & advanced psychiatry residents as raters, 55:8645
perceptual concreteness & affect & experiencing, clinical judgments of productivity & resistance in psychoanalysis, 55:10248
perceptual-judgmental & activity-interpersonal relationship preferences, prediction of ratings by peers & expert judges on empathy & genuineness & warmth, college student volunteers in telephone crisis center, 58:8483
personality type, final examination scores in course on process of clinical judgment in nursing practice, nursing students, 57:1843
practitioner & communication channel & research variables, decisions to utilize research findings, clinicians, 57:11115
preoperative psychological screening, jejuno-ileal bypass surgery, morbidly obese patients, 56:8265
private practice vs state hospital vs university setting, opinions concerning nature & cause & diagnosis & treatment & prognosis of schizophrenia, psychologists vs psychiatrists, 58:4103
problems of training, analysis & interpretation of Rorschach Test, 53:7410
process descriptiveness of linear vs decision net models of human judgment, predictiveness in clinical judgment task & form of task information in multiple cue probability learning task, clinical trainees, 58:2660
prognostic information content, global ratings of psychotherapeutic outcomes, clinical psychology graduate students, 55:10202
psycholinguistic & linguistic measures, prediction of judges' evaluations of thought-disordered speech in schizophrenia, schizophrenic patients, 58:3492
psychological & demographic & academic information, transference potential prior to onset of therapy, college students, 55:10212
rank order correlation between coroner- vs psychologist-assigned suicide motives, 58:6075
rating instrument reliability & effectiveness of Psychology Learning Center, evaluation & acquisition of clinical skills, college student interviewers, 53:9685
ratings of developmental task performance of severely & profoundly retarded adults, parents vs professionals, 53:5655
ratings of nonverbal behavior as response to stress in counseling interview, master's degree students in counselor education & psychology, 55:7730
referrals as form of clinical judgment, application to special education, 56:1483
residual judgment, cue definition in naturalistic studies, clinicians & pathologists, 53:2325
school & home & achievement & background characteristics, factors influencing recommendations for special class placement of children, teachers & psychologists, 57:4439
self concept, Ss' vs judges' ratings of Draw-A-Person Test, college students, 56:4128
separation from family milieu, identification of family dynamics, children with behavior disorders, 57:3557
sex differences, clinical judgments, college students, 56:4168
sex differences, evaluations of adult men & women, male vs female psychologists, criticism of N. Haan & N. Livson's study, 54:3049
signal detection model application, global personality judgments based on MMPI profiles, college & graduate psychology students, 55:9895
social class in biographical vignette, ratings of emotional problems & recommended treatment, mental hospital attendants & college students, 55:771
social class, type of therapy assigned to & length-of stay in group therapy, working class Ss at community mental health clinic, 58:3985
socio-clinical scale, certifying mode of death, 53:5443
sorting of random dreams by dreamer & night of occurrence & sequential order within night, psychiatrist & experimental psychologist & psychology graduate student as judges, 56:9266
stability & time & information & experience level, clinical judgment, psychology graduate students, 55:5381
statistical computer vs clinical approaches, identification of marital risk, married college students, 55:12125
task characteristics, cue combination strategies in clinical judgment, experienced high school guidance counselors, 53:6248
topical-structured autobiography &/vs interview, counselor prediction of S's self concept, freshman community college students, 57:11575
training & experience, ratings of improving alcoholics on social-psychological dimensions during course of treatment program, social workers vs psychologists vs psychiatrists, 57:13481
training in use of systematic behavior observation procedures, perceptions of severe behavior problem children & professional referrals, elementary vs secondary regular vs special education teachers, 58:8185
use of construct-oriented personality scales & practice & true-false feedback, accuracy improvement in clinical judgment task, college students, 58:7537
validity of clinical approach to memory & intelligence measurement vs standard memory & intelligence tests, adults, 56:7044
validity of Draw-A-Person sign prediction vs clinical prediction, female homosexuality, 17–42 yr old homosexuals vs 19–47 yr old heterosexuals, 56:6313
videotape technique, judgments of target's intellectual functioning & identification of bases used in judgments, naive vs inexperienced student trainees vs professionals, implications for training in clinical judgments, 58:4076
videotaped vs audiotaped interviews of patient presented as normal weight vs overweight, impression formation & judgments of patient treatment & management & outcome, medical students, implications for medical education curriculum, 58:1844
visual identification of responses in respiration audiometry, graduate students in speech pathology & audiology as judges, implications for method's clinical utility, 55:3670
WISC vs WISC-R scoring criteria, interrater agreement & reliability on comprehension & similarities & vocabulary subtests, graduate students, 56:7013
withdrawal vs counterexpectancy rationales, behavioral expectations of therapeutic loss, college students in simulated role of applying treatment contingencies to child's maladaptive behavior, 58:3838
written responses to standard helpee empathy stimuli & oral responses to helpee stimuli in open-ended interview session, empathy level of responses, male college students, 58:9448
written simulation format, evaluation of clinical nursing judgment, nursing students, 57:95

Clinical Judgment (Psychodiagnosis) [See Psychodiagnosis]

Clinical Methods Training [See Also Clinical Psychology Grad Training, Clinical Psychology Internship, Community Mental Health Training, Counselor Education, Mental Health Inservice Training, Psychiatric Training, Psychoanalytic Training, Psychotherapy Training]
accreditation of psychiatric facilities, critique of standards developed by Joint Commission for Accreditation of Psychiatric Hospitals, implications for practice & training of clinical psychologists, 58:10114
advanced training in analytic group therapy, psychiatrists & psychologists & social workers, 58:1837
alpha wave training, anxiety reduction & increased empathy during counseling, helping profession graduate student trainees, 57:6583
analysis of conceptual paradigms, confluent education & its use of Gestalt therapy & psychosynthesis, 58:12334
analysis of failure of program for training in psychosocial treatment of depression, family physicians, 55:1224
application of behavior modification principles, training in use of behavior modification techniques, 56:4660
apprenticeships with addict-established therapy groups, training of therapists in drug addiction, 57:11183
art therapy programs & training in Midwest & Southern California, survey, 53:3565
background philosophy & teaching of clinical psychology, role & functioning of clinical psychologists, New Zealand, 56:6629
behavior management program, adjustment of maximum security prisoners, 53:3716
behavior modification & humanistic methods used in "Groups for Parents" approach, teaching child management, parents of children with behavior problems, 57:1097
behavior modification training opportunities in American Psychological Association-approved internship facilities, survey, 55:2848
behavior modification training, knowledge & attitudes & behavioral competence, juvenile probation officers, 56:1245
behavior modification training, parents, bibliography, 1959–1973, 53:12178
behavioral consultation model for use in community mental health center, 54:12375
bibliotherapy, helping effectiveness, male & female black & white helpers, 55:1238
Blumberg's category system, interaction analysis of videotaped conferences, student speech & hearing clinicians & supervisors, 55:7858
brief vs extended approaches to systematic training in facilitative skills, social work students, 54:9809
"bug-in-the-ear" intercom system, behavior modification training, therapists, 53:5412
changes in patterns of training of professional psychologists, 58:10168
clinical competence rating by faculty, performance on certifying examination, physician's assistant students, 56:10494
clinical pastoral education, personality, ministers, 55:1228
clinical pastoral education, US vs Europe, 55:5351
clinical pastoral education, West German Federal Republic, 55:5332
clinical psychologist's role, rehabilitation of neurologically impaired, implications for training, 57:13502
clinical psychology training, emphasis on research methodology & conflict between clinical & scientific values, 54:9796
cognitive instruction procedure vs systematic feedback for criterion ordering of stimuli, strategies for learning ordinal configurality in clinical judgment, clinical psychologists, 57:1853
community-based field work experience, senior occupational therapy students, 56:6582
community-clinical psychology programs, empirical description model, faculty & graduate students, 53:5399
consensus of perceived importance of counselor & therapist competencies, practitioners from various work settings, implications for counselor education & training, 58:1882
contingent feedback & change in patient responding & monetary reinforcement, reinforcing responses to normal & idiosyncratic patient verbalizations, therapists, 54:11884
contrived roleplays vs real life experiences in human relations training practice trials, facilitative communication & self confidence as helper, nursing students, 58:10119
counselor responses to death & dying, guidelines for training, 54:11851
cross cultural differences in training & functions, clinical child psychology, Nigeria vs Western cultures, 55:2817
current professional training, therapists vs psychologists, France, 55:2825
current training programs & professional opportunities, clinical child psychologists, Brazil, 55:2853
"decision tree," teaching management of diagnosis uncertainty, healthcare occupation students, 53:9691
development & validation, multimedia instructional program to teach observational & recording skills in behavior modification, college students in special education & psychology classes, 58:12352
didactic instruction vs no training, use of behavior modification techniques with psychiatric patients, psychiatric aides, 53:11808
difficulties & problems, psychologists in internship training in medical schools, 57:1867
difficulties in integrating child & adolescent training & service in community mental health center, 58:1758
distinction between sanity & insanity as psychologists' preferences for psychological theories & psychodiagnostic concepts & clinical training, review, 55:7818
Enriching Intimacy skills training program vs traditional experiential didactic program, acquisition of behavioral components of empathy & respect-warmth & genuineness in dealing with psychiatric patients, freshman medical students, 58:6089
ethical considerations, short term workshops in behavior modification principles & methods, 54:3240
evaluating procedures for screening & selection for human sexuality discussion groups, college student leaders, 55:7854
evaluation & status & outcome, PhD training program in clinical psychology, University of Illinois, 54:3223
evaluation, behavior modification training program, 54:1224
evaluation, impact of research utilization specialist projects in vocational rehabilitation, 56:1219
evaluation of senior medical students vs faculty as discussion leaders & role models in clinical science program, 1st-yr medical students, 57:11163
evaluation, supervised pastoral education, 53:3189
experience-based instruction method in group dynamics course, discussion in large group setting of experiences in small group setting, medical students, 58:8141
experiential orientation advantages in training seminars & other training issues, family therapy, 54:5408
experimental laboratory program, training as paraprofessionals employing behavior modification techniques, college students, 56:8416
family therapy curriculum & methods, psychiatry & clinical psychology training, 54:3237
family therapy introductory course, design & delivery & evaluation, graduate students, 57:4234
feedback & encouragement, counselor effectiveness, counseling practicum students, 56:2721
framework for scientific practice & practitioner training, 56:8566
general teaching dimensions, facilitation of clinical learning, clinical medical students, 55:1232
goals & curriculum, program for acquisition of child care giving & mental health skills, college students, 57:11399

group leadership training program at federal correctional institution, alienation reduction & group counseling training, 54:10357
group model of supervision for family therapy, training students over 2-yr period, 57:4263
group self awareness training, clinician-client relationship, student speech clinicians, 57:13510
group training of parents in behavior modification principles, behavior modification, mentally retarded children, 53:7982
growth & accreditation & certification, sex research & training & education & therapy, 53:5398
history & current training & service opportunities, clinical child psychology, Norway, 55:2869
history & training & current roles in education & health services, clinical child psychologists, England & Wales, 55:2835
history & training & current status, clinical child psychology, Colombia, 55:2816
home management program to train parents to act as therapists, functioning of retarded children outside of institution, 53:8075
Hoyt/E. P., sketch of her life & work in clinical pastoral education, 55:8591
humanistic psychology & group processes in clinical pastoral education, US & Germany, 55:5344
ideological & practical considerations, training clinical psychologists in medical settings, 57:4199
ideology & specific usages & training practices, teaching projective assessment, 55:7812
innovative therapeutic approach to residential treatment of children & new unit therapists' role in training psychology interns & work of staff psychologists, 56:1255
instruction in behavior modification techniques, teaching retarded children, high school trainees, 54:8440
instructions & feedback & modeling as training methods, interpersonal parenting behaviors, staff in group homes for juvenile delinquents, 55:5370
integration model, clinical training & team service provision in adult psychiatric outpatient clinics, 58:12242
integration of career education concepts & techniques into school psychology training programs, 57:1895
intercorrelations among Personal Orientation Inventory scale scores, clergymen entering clinical training program at state hospital, 56:727
intermittent feedback, verbal communication skills, therapy supervisors working in program for severely mentally impaired children, 57:6588
interpersonal communication skill training program, short & long term changes in ability to communicate empathy & respect & genuineness & levels of self acceptance & control & tolerance, correctional institution officers & administrators, 57:8697
issues & problems, multidisciplinary training teams in school settings, 53:1300
level of training of group leader, weight loss during behaviorally oriented weight reduction program, obese Ss, 57:3937
life experiences & leadership qualities, ability to conduct counseling & growth & therapy groups, group leaders, implications for training & education, 55:2858
manual on directive parental counseling, 56:579
media therapy employing programed instruction vs videotaped models, microcounseling behaviors of attending & listening & self expression skills, female nursing students, 58:8112
medical vs nonmedical models in clinical practice & training, 58:9830
mental health consultation in clinical law training program, awareness of interrelationship between client's legal & psychosocial problems & sensitivity & responsiveness to problems, law students, 57:1746
mental health training projects, mental health professional & paraprofessional personnel, book, 54:9794
methods of selection & training for clinical practice, graduate schools of social work, 54:5394
model based on behavioral objectives developed via Delphi technique, group counseling instruction, graduate students, 57:4222
model combining dynamic & behavioral therapeutic strategies, reconciliation of parental feelings & ability to train children, parents of developmentally disabled children, 55:7633
nature of behavior therapy, implications for training of behavior therapists, 54:11885
neglect of family therapy use & education, 54:3239
neuropsychiatric hospital-based human services training program, new-professional mental health workers, 53:3185
observational training program, observational skills, clinical psychology graduate students, 58:12301
Parent Training Technology System, behavior modification & development of academic & language & motor & social skills, mentally retarded & emotionally disturbed children, 53:5950
parental training & contingency contracting, treating overweight children, 5–11 yr old females & parents, 54:12312
parent-centered behavioral training program, noncompliance & parent–child interactions, 7-yr-old deaf male, 53:12197
portable walkie-talkie with earphone & plug, behavior modification training & treatment, 53:10667
practical psychiatry for physicians, reference guide book, 54:11871
procedure for training various professionals to manage child abuse cases, coordination by social worker, 55:5366
professional training & psychodiagnostic skill, Kinetic Family Drawing-based judgment of children to be normal or disturbed & confidence of rating, doctoral level clinicians vs predoctoral interns vs hospital secretaries, 54:11878
professional training, papers presented at 3rd Brazilian Congress on Mental Deficiency in 1972, 53:1234
psychosomatic & primary care medicine collaboration, better technique development for clinical teaching & patient care, 53:3547
psychotherapeutic-type interviews, clinical skills assessment, Psychology Learning Center students, longitudinal study, 58:8118
rating instrument reliability & effectiveness of Psychology Learning Center, evaluation & acquisition of clinical skills, college student interviewers, 53:9685
real & simulated clinical training, psychomotor skills & affective behaviors & medical knowledge during clinical competency, medical students, 55:1235
required reading in pastoral care courses, survey, 54:5375
research-apprenticeship program, research & publication productivity, followup studies of clinical graduates, 57:1858
selection & training & certification of facilitators, marriage enrichment programs, 56:1175
seminar on feminist perspective in psychology, recommendations for change regarding role of professional groups & training institutions & mental health of women, 58:6083
short-term group program, effectiveness in helping others, priests, 53:11781
simulated family technique employing role playing, acquisition of family group treatment principles, therapists, 58:1839
specific vs nonspecific training in social work practice concerning empathy & warmth & genuineness, graduate students, 55:10573
standard training program, child mental health specialist, 53:11812
supervised vs nonsupervised microcounseling instruction method, acquisition of interviewing skills, female registered & licensed practical nurses, 57:8907
supervisor's feedback & counselor training & experience & sex, anxiety level, counselors in drug abuse counseling agencies, 57:4211
supervisors' ratings of desirable helping attributes & self concepts as helpers & designation by peers as preferred helpers, clinician supervisees & supervisors, 57:13497
survey of problem resolution patterns, clients receiving state rehabilitation services, implications for training & practitioner approaches, 57:6458
tape recordings use & abuse in clinical teaching & learning, 55:1342
teaching parents in methods of behavior modification using manuals, dealing with retarded children, 56:8393
technical modifications & safety, private prompting/intercom system for training therapists in behavior modification techniques, 55:11249
technician training, alcoholism treatment using relaxation through self hypnosis, 55:7808
theoretical opinions on group dynamics, role of therapist & perception of groups & relations with cotherapist & contract, group-training professionals, 54:9772
trainer methods & instructional difficulties in teaching distinction between unidirectional vs circular communication, medical students, 58:8102
training & client relationships & practices, black therapists & counselors, 53:1251
training & experience level, behavioral observation skills, speech pathologists, 55:10616
training & experience levels, clinical behavior during articulation therapy, student vs practicing speech clinicians, 56:8576
training & functional roles, pediatric vs clinical child psychologists, 55:12925
training & modifying & maintenance of behavior modifiers, comprehensive bibliography, 58:6079
training & professional opportunities, clinical child psychology, Poland, 55:2855
training & service opportunities, clinical child psychologists, Israel, 55:2886
training, clinical psychologists employed in psychiatric facilities, 57:8952
training guide for operating hotline, 13–21 yr olds, 54:9789
training in behavioral assessment, accuracy of client behavioral observations, MSW vs BA candidates as group leaders, 56:1188
training in care of mentally retarded, medical students, 53:11817
training in principles of applied operant learning, evaluation of child management course given by community mental health center, parents of behaviorally disordered children, 54:12342
training institutional staff to use prompts & social contingencies, alteration of conversation about prosocial & antisocial behavior, 14–18 yr old delinquent girls, 57:8759
training methods, child management & therapy, parents of emotionally & behaviorally disturbed children, 58:3709
training needs analysis, managerial & professional & institutional & support/administrative staff in facility for mentally retarded, 57:11118
training of behavior therapists, Netherlands, 54:11891
training of helper group in behavioral techniques for anxiety reduction & subsequent training of helpees in same techniques, effect of helper role on reduction of speech anxiety, college students, 57:10851
training of parents in therapeutic work with handicapped children, 56:8392
training program, behavior modification techniques, residential facility personnel, 54:8362
training program, development of verbal skills to communicate understanding & acceptance & sincerity, college student peer counselors, 55:7931
training program, mental health personnel, 53:11784
training social workers in homosexual counseling, 54:12424
training to conduct facilitative interviews with peers, high school students, 55:1546
training to use client centered/experiential counseling skills with each other, chronic schizophrenics, 55:10222
usefulness for teaching & training & research in departments of psychiatry, college mental health service, 57:1857
videotape feedback, training coders of children's behavior, college students, 53:11805
videotape technique, judgments of target's intellectual functioning & identification of bases used in judgments, naive vs inexperienced student trainees vs professionals, implications for training in clinical judgments, 58:4076
videotaped lecturing &/vs modeling, teaching to correctly choose behavioral categories of praise & ignore & timeout, college students, 56:4491
videotherapy, use in psychotherapy & therapist training, bibliography, 56:2580
wireless & mobile "bug-in-the-ear" communication system, supervision & modification of trainee & client & patient behavior, 54:1071
written vs lecture vs videotaped presentation in parental training, knowledge of time out procedures, mothers of 1–10 yr olds, 54:1685
4-yr behavioral science-psychiatry track, medical education, 53:9664

Clinical Psychologists

accreditation of psychiatric facilities, critique of standards developed by Joint Commission for Accreditation of Psychiatric Hospitals, implications for practice & training of clinical psychologists, 58:10114
activities & views & demographic characteristics, clinical psychologists, 57:4208
administrative patterns & problems of agency clinical psychology departments, survey of chief psychologists of mental health facilities, 53:10285
age & sex & experience level, attitudes toward & mental health standards for men vs women, clinical psychologists engaged in practice of psychotherapy, 56:8575
analysis of variance & item analysis of Stereotype Questionnaire, sex role stereotypes, male vs female clinical psychologists, Australia, 58:6074
attitude patterns toward training issues in clinical psychology, academic & applied clinical psychologists, 56:4674
attitudes & orientation & education & career choice & satisfaction, clinical psychologists, 1970 survey, 56:4639
attitudes toward drug abusers & their treatment, psychologists & trainees in Veterans Administration treatment centers, comparison with previous study of attitudes toward alcoholism, 56:7840
case history containing behavioral cues possibly related to schizophrenia & evidence of schizophrenic twin, diagnostic bias, clinical faculty & interns, 57:8943
changing roles, clinical child psychologists in independent private practice, US, 55:2831
client friendly vs hostile behaviors, offerings of nonpossessive warmth & accurate empathy & genuineness, male vs female clinical psychologists, 57:6268
clinical experience, bias in comprehension of speech ascribed to schizophrenic sources vs nonschizophrenic, clinical psychologists, 56:1243
clinical experience level & qualitative & quantitative information, clinical judgment accuracy, clinical psychologists vs clinical psychology graduate students trained vs untrained in statistical decision theory, 56:8592
clinical psychologist, emerging role as psychotherapist, US, 56:8604
clinical psychologist supervisor's self concept, self concept during practicum, psychotherapy trainees, 56:4624
clinical psychologist's role, rehabilitation of neurologically impaired, implications for training, 57:13502
cognitive instruction procedure vs systematic feedback for criterion ordering of stimuli, strategies for learning ordinal configurality in clinical judgment, clinical psychologists, 57:1853
comparative validity of Bender Gestalt & House-Tree-Person & MMPI & TAT & Rorschach, discrimination between patient & nonpatient groups, clinical psychologists, 56:9016
concept & role & practice, clinical child psychologists in educational setting, Canada, 55:2830
confidence in predictions, accuracy in predicting psychiatric patients' ward behavior using psychometric & social data, experienced clinicians, 56:8293
confidence ratings in accuracy of personality assessments on psychiatric outpatients, clinical psychologists vs graduate students in clinical psychology, 56:1278
consensual correspondence between irrational beliefs held by patients & psychologists' prediction of responses of each diagnostic group, clinical psychologists & depressive neurotic vs anxiety neurotic vs obsessive-compulsive neurotic vs sociopathic vs paranoid vs hysterical vs alcoholic 15–72 yr old inpatients & outpatients, 58:3483
counselor's social interest, counseling effectiveness, clinical & counseling psychologists, 57:1591
cross cultural differences in training & functions, clinical child psychology, Nigeria vs Western cultures, 55:2817
current professional training, therapists vs psychologists, France, 55:2825
current training programs & professional opportunities, clinical child psychologists, Brazil, 55:2853
delimitability of psychiatric diagnoses, ratings of items characterizing diagnoses, physicians & clinical psychologists as judges, 55:2452
development & application of empirical method, content & cognitive organization of clinical perception, preprofessional Ss in clinical psychology as clinicians & college student raters, 58:1302
discriminant function analysis vs clinical psychologists, classification of Ss into neurotic & malingering & control groups, 56:772
eclectic views, clinical psychologists, implications for research on psychotherapy, 58:1861
employment characteristics, subdoctoral clinical psychologists, 58:4071
ethical judgments of social research involving experimental deception, social & clinical & counseling psychologists & research ethics committee members & academicians in social sciences & humanities & law professors & college students & members of League of Women Voters, 57:8945
evaluation of clinical psychology internship training program, trainees turned professionals, 55:7865
extending clinical psychology into psychiatric public health services, 55:5337
factor analysis of responses to ideology rating scale, attitudes of clinical psychologists, 58:10123
family physician & clinical psychologist, patient care, 55:7694
health maintenance organization law & regulations, practice of psychology & recognition of clincial psychologist as health professional, 56:1290
history & current status, clinical child psychology, France, 55:2868
history & current training & service opportunities, clinical child psychology, Norway, 55:2869
history & training & current roles in education & health services, clinical child psychologists, England & Wales, 55:2835
ideological & practical considerations, training clinical psychologists in medical settings, 57:4199
insight into own use of information & professional role & characteristics of target decision to accept applicant to school for trainable retarded children, school administrators & teachers & psychologists & community clinical psychologists & child care workers, 58:12706
inter- & intra-rater reliability of Brief Psychiatric Rating Scale, staff psychiatrists & psychiatric residents & clinical psychologists & interns & nurses, 56:767
interdisciplinary team approach & role of clinical psychologist, cardiac rehabilitation, 58:4032
interpreter biases & induced stress, Rorschach behavior, clinical psychology graduate students & advanced students & professional clinical psychologists, 55:12377
interview & questionnaire survey, delineation of factors related to willingness to treat suicidal clients, clinical psychologists, 55:5382
knowledge regarding signs & assessment of brain damage, counselor educators vs educators in clinical psychology vs psychiatrists, implications for counselor education, 58:12304
master's degree program in clinical practice, traditional passive orientation vs enhancement of self concept, clinical psychology students, 55:7829
medical practices & practitioner characteristics & importance & essentiality of occupation to society, hierarchical prestige rankings of occupations within health field, physicians & dentists & nurses & pharmacists & clinical psychologists & health educators & chiropractors, 58:1886
morphogenic method application, conformity in interpersonal prediction & behavior of clinical psychologists in assessment task, application to psychodiagnostic practice, 54:7737
need for knowledge of psychopharmacology & drug therapy, clinical psychologists, 54:9751
neurological vs psychiatric referrals & conformist vs nonconformist dress style of evaluee, bias in clinical psychological evaluation, psychologists, 56:10501
offender characteristics vs decision makers' attitudes toward sentencing, presentence evaluation recommendations for state- vs county-level sentencing, state prison diagnostic unit psychologists & psychiatrists, 57:4149
patient sex, clinical evaluation of case history information, psychiatrists & psychologists & social workers & mental health personnel in community mental health systems, 57:13156
patient status & orientation of clinical setting, diagnostic decision making, clinical psychologists, 57:6202
patient's demographic characteristics & social appeal & rater's experience, bias in judgments of psychopathology, clinical psychologists vs graduate vs college students, 58:8150

description of experiences of being accredited, director of clinical training, Ontario, Canada, 54:1216
development & evaluation, graduate clinical-community psychology training program model, 57:1877
development of humanistic concerns in clinical psychology training, 57:11149
didactic & experiential interpersonal skills training, identity status & interpersonal functioning level, clinical psychology graduate students, 54:9758
didactic vs experiential supervisor behavior expectations & supervisory experience, supervisor behavior, faculty members & doctoral students in counselor & counseling psychologist education, 57:1870
difficulties & problems, psychologists in internship training in medical schools, 57:1867
educational objectives & conflict between university & internship training center, issues in training for diagnostic testing, 57:4245
ethnohistorical perspective expansion & responsiveness to ethnic minorities & urban poor, social responsibility & reform of clinical psychology education, 58:10122
evaluation of clinical psychology internship training program, trainees turned professionals, 55:7865
evaluation of postgraduate assessment course designed as part of clinical psychology training program, 57:6568
feedback & cue validity & specific practice, accuracy & confidence levels in clinical inference, clinical psychologist trainees, 58:12302
graduate education in professional clinical psychology, discussion of value of PsyD degree & PhD degree, 56:4673
graduate level program, basic research understanding & development of practical application, students as specialists in clinical research & development, 53:9670
graduate practicum program, training in research skills through community-based program evaluation, clinical psychology graduate students, 55:12862
group model of supervision for family therapy, training students over 2-yr period, 57:4263
humanistic & behavioristic psychology, limitations & responsibilities for clinical psychology training programs, 54:9788
improvement in traditional graduate training approaches to clinical & counseling psychology, 56:10481
inadequacy of scientist-practitioner model & shift to applied model emphasizing professional training, professional training in clinical psychology, 57:6569
inception & development & expansion of forensic psychology & criminal justice program, training of doctoral-level psychologists, 57:13511
integrated experimental psychopathology & observational methods in single-S research strategy, curriculum for teaching of behavior assessment, graduate clinical psychology students, 53:1248
internship setting & approved vs nonapproved internships, adequate academic-clinical preparation for internship & intern performance, internship training directors, 56:1248
interpersonal aspects, group selection process of applicants for doctorate in clinical psychology, 58:4080
judgments of occupations appropriate for women & social status of occupations, male vs female psychotherapists vs graduate students in clinical & counseling psychology vs secondary school counselors, 57:1851
legal issues, evaluating & counseling-out unsuitable clinical psychology or counseling students, 55:12864
levels & patterns of professional training in psychology, proceedings of 1973 conference, book, 56:8586
master's degree program in clinical practice, traditional passive orientation vs enhancement of self concept, clinical psychology students, 55:7829
master's level training program, clinical psychology for community mental health practice, 53:9663
observational training program, observational skills, clinical psychology graduate students, 58:12301
personal therapy for students in clinical psychology, difficulties in arranging therapy & attitudes toward requiring therapy, clinical directors, 57:1879
personality characteristics & relevance of characteristics to effectiveness as therapist, prospective clinical psychology students selected by group interview method for advanced psychological studies, 56:10512
practicing psychotherapy, personality changes in empathy & nonpossessive warmth & genuineness, 3rd-yr graduate students in clinical psychotherapy vs 1-yr psychiatric residents vs 2nd-yr clinical psychology graduate students, 54:5395
professional & research training for alcohol training speciality in doctoral psychology program, community-clinical psychology graduate students, 57:1860
program methods & goals of scientific-professional training model in clinical psychology, 57:4255
reorientation of clinical psychology education towards training of technicians & practitioners & researchers, 57:1826
settings & roles & specific experiences available during training in pediatric hospital, clinical psychologist trainees, 55:12875
sex, level of empathy offered to help seeking requests, male vs female clinical-counseling practicum students, 57:4190
social class designation & source of prediagnostic information, clinical judgment, clinical psychology graduate students, 57:11119
student characteristics & values & faculty members' commitment & personality & educational philosophy, outcome of graduate training programs in clinical psychology, 57:4260
supervision, therapeutic style & orientation, student novice therapists, 57:1878
survey of Rorschach teaching, clinical graduate programs approved by American Psychological Association, 57:13527
training & career satisfaction, clinical psychologists, 57:8924
training & evaluation & treatment & research & professional problems, contemporary clinical psychology, 56:10519
understanding the student–supervisor relationship, training for team work in group analysis, 55:2864
university practices & attitudes toward current & preferred role models & master's level clinical training & subprofessional training & present & preferred course requirements, clinical directors, 56:1281

Clinical Psychology Internship

clinical internship training, perceived clinical skills & achievement & interest level, interns, 56:4665
clinical psychology internship, supply & demand & current & anticipated financial support, clinical psychology graduate program training directors & predoctoral clinical internship facilities, 57:6630

dealing with crises & physical contributions to emotional problems & coordination of efforts, training program with 24-hr call duty to emergency room in rotation with psychiatric residents, clinical psychology interns, 53:5376
difficulties & problems, psychologists in internship training in medical schools, 57:1867
diversified interdisciplinary internship program, training of pediatric psychologists, 55:12889
inception & development & expansion of forensic psychology & criminal justice program, training of doctoral-level psychologists, 57:13511
internship facilities in clinical psychology, survey of American Psychological Association approved facilities, 57:1848
open process vs direct process triadic supervision group model, development of counseling & self supervision skills & attitudes toward supervision during practicum, counselor trainees, 57:6594
personality factors & college GPA & age & possession of teaching certificate & years of teaching experience & sex, case study analysis, intern school psychologists, 57:13588
practicing psychotherapy, personality changes in empathy & nonpossessive warmth & genuineness, 3rd-yr graduate students in clinical psychotherapy vs 1-yr psychiatric residents vs 2nd-yr clinical psychology graduate students, 54:5395
program methods & goals of scientific-professional training model in clinical psychology, 57:4255
school psychologist training program, self disclosing ability, graduate students at different levels of training, 56:1271
selection criteria for evaluating internship applicants, survey of directors of American Psychological Association-approved internships, 57:4258

Clinicians
accuracy level & cognitive functioning, test of clinical vs actuarial prediction, 55:5336
amount of information & mechanical decision making aids, lens model analysis of clinical judgment & confidence in postdicting discharged patients' drug use & employment, clinical professionals from drug dependency unit, 57:6200
attitudes toward speech & language programs in public elementary schools, classroom teachers vs learning disabilities specialists vs school principals, 58:10256
Blumberg's category system, interaction analysis of videotaped conferences, student speech & hearing clinicians & supervisors, 55:7858
client responses & treatment, pregnant social work clinicians, 58:1775
clinician's awareness of socially produced pathologies, decision making in emergency psychiatric admission to general hospital, 58:3673
clinician's judgment vs computer multivariate formulae in assignment of psychotropic drugs, 19–69 yr old hospitalized psychiatric patients, 55:12721
Draw-A-Person Test vs TAT as data source & instructions to use Machover's hypothesis, agreement between personality judgments made on psychiatric inpatients, clinicians, 55:8627
essential procedures, conducting mental health evaluation studies, clinicians & administrators, 55:2558
evaluation of negotiated vs traditional diagnostic approach in initial interview based on own vs patient perspective, clinicians in hospital walk-in clinic, 58:1725
factors affecting comprehension performance in message presented by clinician or teacher, listeners, 58:12362
formal characteristics of task predictability & inference policies, clinical judgment, 57:1520
goal attainment scaling, case planning & treatment outcome, clinicians representing social work & child care & psychology, 58:5770
group self awareness training, clinician-client relationship, student speech clinicians, 57:13510
interviewee described as job applicant vs patient, perceptions of interviewee's problem as person-based vs situation-based, psychodynamically vs behaviorally trained clinicians, analysis of E. J. Langer & R. P. Abelson's data, 58:1911
new 6-yr training program, educational psychologist as clinician, England, 53:7477
perceived accuracy of automated MMPI narratives generated from old adult vs new adolescent norm profiles, clinicians & advanced psychiatry residents as raters, 55:8645
personality & biographic variables, crisis interveners vs academic psychologists vs traditional clinicians vs paraprofessionals, 58:12319
practitioner & communication channel & research variables, decisions to utilize research findings, clinicians, 57:11115
practitioner's role, program evaluation, 55:2726
presentation of unaltered vs time-expanded recordings of defective speakers reading prose passages, diagnosis of articulation disorders, student speech clinicians, 57:13025
problem-oriented record, theoretical & practical criteria for "lumping" or "splitting" problem indicators in psychiatry, clinician, 54:9848
problems of white clinicians' understanding life & culture of black patients, 55:5017
professional training & psychodiagnostic skill, Kinetic Family Drawing-based judgment of children to be normal or disturbed & confidence of rating, doctoral level clinicians vs predoctoral interns vs hospital secretaries, 54:11878
psychobiographical assessment of public persons, clinicians, 54:11816
rater's actual mood, accuracy of diagnostic judgment of depressed patients during antidepressive drug therapy, 57:10897
ratings of self & patient on locus of control & personality traits & emotionality & intelligence, evidence for projection within clinical diagnostic process, diagnosticians, 58:12296
relation of social casework to clinical practice, 54:10349
relationships among personal characteristics & job setting & perceived job climate & self estimate of job performance & rewards, public school speech & language & hearing clinicians, 57:6721
review of reported side effects of shock, validity of fears about use of contingent electric shock with autistic children, clinicians & researchers, 57:1642
semantic scale ratings of slides depicting interpersonal interaction, receptivity to nonverbal implicit communication, student actors vs student clinicians vs naive Ss, 57:8287
severity & consistency & typicalness information in descriptions of depression, causal attribution, clinicians, 56:6596
sex, biases against women & girls & female sex role, counselor trainees & school counselors & counselor educators & supervisors & clinicians & employment counselors, 56:6595
sex differences & personal characteristics & income level & clientele, women clinicians in private practice in southeastern cities, 53:1295
sex role related clinician & child-client attributes, judgments of parental responsibility for child psychopathology, family therapists, 57:6557
signal detection model application, global personality judgments based on MMPI profiles, college & graduate psychology students, 55:9895
social class, psychiatric diagnoses & recommended treatment for upper vs lower class psychiatric patients, private practice psychiatrists & clinicians from community mental health center, 57:3794
socioeconomic status & authoritarianism & locus of control & age, clinical judgment of personal adjustment & job satisfaction & mental health, clinicians, 57:6603
specimen form of Health-Sickness Rating Scale & directions for use & case descriptions, judgments of mental health, clinicians, 55:12353
stimulation format for language clinicians & teachers, teaching directional & relational prepositions to kindergartners having difficulty with complex spatial concepts, 58:10515
supervisors' ratings of desirable helping attributes & self concepts as helpers & designation by peers as preferred helpers, clinician supervisees & supervisors, 57:13497
training strategies, modification of illusory correlation in clinical judgment, implications for therapist training, 55:10236
verbal discouragement of long telephone calls, reduction of time spent on client-initiated calls to community mental health team, 21–61 yr old psychiatric outpatients, 58:8005

Clinics [See Also Child Guidance Clinics, Psychiatric Clinics, Walk In Clinics]
attitudes toward medical care of social security institutions, clinic obstetric/gynecology patients & medical & paramedical & administrative staff, Mexico, 57:1716
baby clinic establishment in elementary school, family & school & community life, young mothers, 55:2738
church-founded clinics for wholistic health care, ministers as paramedics, 54:5682
client population & drug usage patterns & treatment program, free clinic for treatment of polydrug abuse, 55:5326
consulting clinical psychologist, utilization & function within urban vision training clinic, 54:12181
education & counseling program, self concept, parents of children enrolled in health & physical development clinic, 58:10004
evaluation & treatment concepts in day clinic, Maudsley Hospital in London, 56:1208
expectations for treatment & evaluations & desired specialist in children's diagnostic clinic, professional–client interaction outcome, parents, 53:1591
free clinics, role of professional & organization & administration & use as political instrument & communication & arena for social change, 54:6014
goals & structure & physical education activities & parent education & counseling services, health & development clinic for children with developmental problems, 57:4076
health care practice & neutralization of deviant status, chiropractor in clinical setting, book, 54:11862
historical development over 100 yrs, neurological clinic at Hochweitzschen, 54:1802
history & development of Family Court Clinic, psychiatric services to delinquent youths & their families, Canada, 58:4023
interaction in home vs clinic setting, family behaviors, normal vs deviant families, 55:952
management of violent patients & countertransference problems & ward problems & organic factors & medication & prediction of violence, violence clinic in general hospital, 57:1532
measurement of toddler management training, changes in parent-child relationship in clinic & generalization to home setting, parents seeking assistance in coping with toddler's oppositional behavior, 57:10866
neighborhood health centers, evaluation of goal achievement & role of environmental factors & neighborhood parameters & interaction between community clinic & health care systems, 58:7999
organization of services & administrative & staff issues & types & roles & problems & rationale, free clinics, 53:7790
physician-manned medical clinic vs nurse-manned chronic care clinic, treatment of hypertension, 55:7744
psychiatrists' role, pain clinic, 56:10412
psychotherapeutic processes & experiences & problems in treatment of suicidal teenagers & their families, supervised therapists, 57:13250
self-help clinic experience, body ownership, women, 55:12315
survey of case records of Psychological Clinic of University of Pennsylvania through 1915, implications for historical research, 58:4540
university-affiliated medical work clinic, patients with work problems expressed through medical complaints to avoid work, 56:8472

Cliques [See Social Groups]

Clonidine
amphetamine & chlorpromazine & clonidine doses, caudate vs amygdaloid vs hypothalamic self stimulation, monkeys, 57:9783
amphetamine vs chlorpromazine vs clonidine, caudate vs hypothalamic self stimulation, squirrel monkeys, 58:629
clonidine & apomorphine, self stimulation of noradrenaline & dopamine sites in brain, male rats, 56:9463
clonidine & BS-100-141, EEG sleep pattern, female rats, 55:4128
clonidine & chlorthalidone, systolic & diastolic pressure, hypertensive patients, 54:1599
clonidine & levo-phenylephrine & alpha-methylparatyrosine, hypothalamic self stimulation, catecholamine-depleted male rats, 56:5673
clonidine & naphazoline, EEG & behavior & modification of effects by adrenolytic & sympathomimetic drugs, rats & rabbits & cats, 55:9267
clonidine & phenoxybenzamine & pheniprazine & alpha methyltyrosine, formation of glycol sulfate metabolites of brain norepinephrine, rats, 58:721
clonidine, automutilation, mice, 54:2565
clonidine, enhancement of morphine withdrawal & apomorphine-induced aggression, male rats, 57:5325
clonidine, morphine withdrawal signs, male rats, 53:11241
clonidine vs haloperidol posttrial administration, memory consolidation of avoidance task, adult rats, 58:11267
diazepam & chlorpromazine & meprobamate & apomorphine & dextroamphetamine & piribedil & fenfluramine & sulpiride & imipramine & phenobarbital & clonidine & morphine, take-up time in hoarding behavior, hamsters, 54:9187
eserine & nicotine & atropine & methylatropine & clonidine & phenoxybenzamine & apomorphine & haloperidol, shuttle responses to buzzer in 2-way avoidance sessions, rats, 58:11286
frontal cortex lesions, sensitivity to apomorphine vs clonidine, female rats, 57:680
intraventricular clonidine vs norepinephrine vs dopamine vs apomorphine, neurochemical regulation of feeding, male rats, 54:553
levodopa & clonidine & apomorphine, acoustic startle reaction, male rats, 53:11175
lithium chloride, potentiating effect on aggressive behavior induced by nialamide plus levodopa & clonidine, male mice, 55:4142
phenoxybenzamine & haloperidol & pimozide & FLA-63 & clonidine, reversal of reserpine-induced & alpha-methyl-para-tyrosine-induced motor activity reduction by levodopa & apomorphine, mice, 57:2738
self administration of apomorphine & piribedil & clonidine, catecholaminergic mechanisms of reinforcement, rats, 58:7085

Closed Circuit Television
closed circuit TV, elimination of reverse Heisenberg effect in marihuana smoking, staff Os, 58:2463
closed circuit video & playback techniques, group psychotherapy, 53:12177
economic & procedural advantages, behavioral research via closed circuit TV, 53:8538
face-to-face vs via closed circuit TV vs audio link communication, negotiation effectiveness, 54:6451
open-loop feedback system based on closed-circuit TV, blood pressure control, 21–35 yr olds, 53:8770
service & research applications of closed circuit TV & stimulus & self-confrontation & training formats in videotape to social casework, 54:6076
supervision modes of closed circuit TV & 1-way window vs E presence, vigilance behavior, college students, 54:4606
teacher training & closed-circuit TV & video recorders as feedback & methods of self-evaluation & job analysis, teacher role in education, 53:12368
teletypewriter vs telephone vs closed circuit television communication, cooperative vs conflictive problem solving, male college students in 2-person teams, 56:9617
teletypewriter vs telephone vs closed circuit TV communication mode, cooperative vs conflictive dyadic problem solving, 57:5427

Closure (Perceptual) [See Perceptual Closure]

Clothing Fashions
adjusted air temperatures & light vs heavy clothing, mental performance & subjective ratings of effort & arousal & fatigue, 18–25 yr old male & female college students, 55:1689
attire & hairstyle as predictor of value systems, black vs white young men, 53:5134
attitudes toward nurses' working apparel, public health nurses & neighborhood health program participating mothers, 53:11625
behavioral analysis, considerations in buying clothing, retail sellers & 16–45 yr old female consumers, 57:7098
change in police uniforms & departmental organization, community attitudes, 55:8514
clothing & physical attractiveness, person perception, female college students, 56:7967
clothing as nonverbal communicator of sexual attitudes & behavior, college students, 57:8243
clothing attitudes & styles & social/political beliefs, male college students, 57:10229
clothing style & personality of wearer, male students, 55:4622
college female's type of attire, helpfulness in responding to requests for assistance, librarians, 58:5305
current image of womanhood & accompanying clothing fashions, fetishism & tranvestism, 58:5268
demographic characteristics & fashion attitudes & social activities, "innovative communicators" of fashion in college subculture, single male college students, 54:8525
dress, self presentation, male college students, 56:8061
dress vs belief congruence, signing neutral vs politically strong petitions, "hip" vs "straight" Ss, 55:744
E's race & attire, promised vs actual participation in "psychological experiment" & stereotyping of E, male vs female college students, 57:1212
exploratory study of life style, family consumption expenditures, suburban families, 55:6959
fashion change theory based on clothes as media of communication whose message describes wearer, ideal self image & self image, fashionable & unfashionable women, 54:1070
field dependence & locus of control & anxiety, opinion leadership in fashion, female college students, 54:9625
fit of clothing, body image & build & comfort & dependence & modesty, clothing attitudes, 19–23 yr old female college students, 58:1282
identity & attitudes & values & moods & personality variables of wearers, clothing as symbolic indicator of self, female college students, 55:9889
information & expertise of source & incentives & attire, compliance with school psychologist's recommendation, middle class mother-child pairs, 58:2278
initial student preference & instructor sex & type of attire, ratings of instructional competence, students, 58:10495
interviewer's religious status & attire, length of interview & depth & nature of disclosures & impression of interviewer, college student interviewees, 57:3259
neurological vs psychiatric referrals & conformist vs nonconformist dress style of evaluee, bias in clinical psychological evaluation, psychologists, 56:10501
occupational aspirations & perception of occupational requirements & clothing roles, working class 10th & 12th grade whites vs blacks, 53:7107
perceived fashion scarcity, relationship of fashion-opinion leadership to new-fashion attractiveness, females, 54:12691
perceived interviewer expertness & attractiveness & interviewer attire & professional vs casual interview setting, evaluation of interview, college students, 57:12779
personality factors & demographic variables, clothing values, English & French Canadian female college students, 56:6070
pictures of female athletes in vs out of uniform, ratings on professionalism & team spirit & coordination & natural ability & overall ability & muscular strength, female high school physical education students & teachers, 56:2350
preferences for opposite-sex body parts & bust sizes & bust revealing clothing, male vs female college students, 56:3992
presence vs absence of tie, evaluation of target's personality, college students, 53:5223
psychologist's attire & recommendation type & perceived expertise, compliance in school setting, mothers of 4th & 6th graders, 56:8805
punitive dress, academic achievement & inappropriate classroom behavior, institutionalized emotionally disturbed 13–16 yr olds, 57:4111
quality & similarity of dress & sex of E & S, cooperation in signing noncontroversial petition, college students, 57:8244
school-controlled conformity of dress for teenagers, behavior & security-insecurity, 8th–11th graders, 55:2952
self process, use of clothing in self presentation, 40–60 yr old females, 58:1263
sex & status of clothing & verbal politeness during rude behavior, verbal & nonverbal aggressiveness, male & female 18-yr-olds, 53:5200
smart vs casual dress style & status of E, questionnaire response length, middle aged housewives, 54:7564
smartness of clothing style of interviewer, willingness to answer questions, Ss in railway station, 56:6040
social power of uniformed figures & surveillance vs nonsurveillance, response to request, 53:3009
student sex & problem orientation & counselor sex & facial appearance & clothing & hair style, preferences for counselors, 55:7493
targets' clothing & sex raters' self rated attractiveness & type of photograph, rating of physical attractiveness, college students, 56:7970
team's victory vs loss & size of victory point margin, wear of apparel clearly identifying university of attendance on following day of game, football players, 56:2283
therapist's educational level & dress & whether therapy was for S or S's child, therapist selection & perception of therapist characteristics, parents, 57:13161
uniform change, attitudes toward education & community relations, policemen, 53:4164
white uniforms vs street clothes vs optional dress as nursing attire, aggressive behavior & disobeying medical advice & other maladaptive behaviors, psychiatric patients, 58:1795

Cloze Testing
adverbial subordinate clause position, reading comprehension as measured by "cloze" vs "chunk" tests, 9th graders, 56:6771
anxiety, cloze measures of reading comprehension, 3rd & 5th grade average readers, 58:12576
cloze procedure adaptation, achieving equivalence of communication in cross cultural research, 57:11732
cloze procedure deletion patterns, conveyance of information in narrative science material, 8th graders, 55:7986

loze procedure, evaluation and comprehension when English is 2nd language, 57:6974
oze procedure in reading instruction, business concept achievement & reading skills, junior college business students, 55:1386
oze procedure, literal understanding of text materials, post-secondary deaf students, 55:13182
oze technique, reading comprehension measurement, college freshmen, 58:8438
oze test, English proficiency measurement, foreign students, 53:10568
oze tests vs questions, comprehension of original reading passage & versions reduced by deletion of function words, 7th graders, 54:10672
onstruct validity of cloze procedure, paragraph reading & Structure-of-Intellect ability measures, 9th graders, 55:5695
ross validation of 3 cloze reading comprehension tests, Coleman's Formula 4 & Bormuth's machine computation formula, 56:3250
ifficulty level & reading vs non-reading of passage & passage deletion degree & amount of interpolated activity & measurement by reading-storage test vs cloze test, gain in understanding & primary effect, college students, 54:6363
ood vs poor arithmetic problem solving ability, performance on modified cloze verbal problems, educable mentally retarded 9–12 yr olds, 56:6828
dependent & instructional & frustration levels of readability as determined by cloze test vs Botel Reading Inventory, Word Opposites Test, 4th graders, 55:11053
tersentence factors, cloze comprehension scores of passages from curricular materials, college students, 56:4985
arning from extended prose, cloze measures as indices of achievement comprehension, college students, 53:1983
vel of teacher instructional talk, listening comprehension & auditory cloze test performance, 5th graders, 57:13832
stening vs reading mode, errors in cloze tests, 9–10 yr olds, 53:10561
odified cloze problems with & without extraneous information, arithmetic problem-solving, 8–10 yr old educable mental retardates, 53:3448
rformance on cloze tests, context in reading & listening, 9–10 yr old good vs poor readers, 57:13816
rformance on verbal modified cloze procedure & nonverbal tasks of prediction behavior, Down's syndrome & other retarded 22–70 yr olds & nonretarded 3–6 yr olds, educational implications, 58:9742
hrase-marked & nonphrase-marked cloze scores, Detroit Tests of Learning Aptitude performance, 2nd–4th vs 5th–6th vs 7th–8th graders, 58:6392
ading comprehension, uncertainty reduction in different languages using cloze tests, 8–14 yr olds, 55:1588
lationship between performance on conventional cloze test & postoral reading cloze test, 2nd–6th graders, implications for prediction of conventional cloze test scores from oral reading cloze test scores, 57:9185
vised algorithms, development of reading-input materials & reading storage tests & comparison with multiple choice & cloze techniques, 57:4742
x & race & grade & age & reading comprehension & IQ & reading difficulty of prose passage, comprehension of selected syntactic structures based on responses to systematically deleted cloze tests, 4th–6th graders, 58:816
e of word corpus in terms of word types & ratio of target to nontarget words, analysis of response distributions & cloze blanks, junior high school students, interpretation in terms of memory search processes, 56:3448
uctural vs lexical deletion pattern cloze test measures of reading performance, critical reading & general reading & intelligence measures, male vs female elementary school students, 55:11037
e of context on aural cloze passages, kindergartners, 56:3847
lidity & reliability of cloze procedure as measure of comprehensibility & difficulty of mathematical language, 7th–10th graders, 56:3063

ubs (Social Organizations)
nily interaction, sexual behavior in adolescence, families with unmarried pregnant daughters vs daughters in Girl Scouts, 53:1012
tory & activities & behavior at meetings, clubs for heterosexual transvestites, Australia, 58:3234
gal semi-secret after-hours social club frequented by "straight" & "deviant" worlds, book, 56:5865
g vs short term scout membership vs nonmembership, differences in intelligence & scholarship performance profiles, Ss during elementary & secondary school yrs, longitudinal study, 56:1438
e of clubs as form of rehabilitation & permanent cure & resocialization, discharged mental patients, 57:6199
ured organizational goals & polarization of social groups in multiethnic senior center, 57:3041
ccessful aging & senior citizen club membership, senior citizens, 58:11412

uster Analysis
alysis of symptom patterns through use of factor & discriminant function & cluster analyses, classification of depressive disorders, literature review, 56:8123
plication of nonmetric multidimensional scaling to representation of structure in similarity data, 53:10752
egory clustering ratio independent of clustering of individual categories in free recall, 56:3291
ster & factor analysis, structure of I. C. Uzgiris & J. M. Hunt's ordinal scales of psychological development in infancy, 1–2 yr olds, 57:7232
ster analysis, adjective favorableness ranking of deviant groups, college students, 53:7500
ster analysis, age differences in personality structure as measured by 16PF, 25–82 yr old males, 57:5586
ster analysis, development of short form of MMPI, college students, 55:3512
ster analysis, independent dimensions of communicator credibility, college students, 54:3095
ster analysis, judgment tendencies in evaluating student's personality, teachers, 53:1898
ster analysis of behavioral items, classification of non-psychotic disorders of early childhood, nursery school students & "high risk" 3-yr-olds, 54:2688
ster analysis of evoked potentials during differential discrimination of light flicker, cats, 56:7406
ster analysis of Freiburger Personality Inventory vs actual diagnosis, psychiatric patients, 57:7187
ster analysis of picture preference ratings, pictorial scales for assessment of body image & general dimensions of personality & perception, male medical vs psychiatric patients, 56:7053
ster analysis of Stanford-Binet subscores, gifted 4th graders, 53:8410
ster analysis, patterns of observable behavior, high-risk kindergartners, 54:10640
ster analysis, reliability & validity of Parent Attitude Research Instrument, attitudes toward childrearing, mothers, 56:5192
ster analysis techniques, classification & review, 57:2266
ster analysis vs factor analysis of intelligence tests, stability of results, 54:138
ster analysis vs principal component analysis, criticism of E. E. Tump's support of McQuitty's method, 53:6505
ster vs Q-Factor analysis of Differential Personality Inventory scale scores, formal-empirical classification, severely disturbed adult inpatients & student clients in counseling at university psychological center, 56:8129
clustering & subjective organization, prediction of free recall of categorized word list & list of unrelated nouns, 58:6882
clustering model, item analysis of psychological instrument with missing data, 54:4450
clustering using elementary linkage analysis, Personal Orientation Inventory, male prisoners, 53:2148
clusters & cliques as nonmetric hierarchical grouping methods, 55:3564
comparison of multivariate methods, Shevky-Bell theory of social areas, Nashville, Tennessee, 57:7251
complete linkage vs variable group linkage vs devisive method as clustering algorithms, creation of hierarchical taxonomies denoting relationships of schizophrenic types, 55:12412
complete-link hierarchical clustering technique as complement to factor analysis vs factor analysis alone, analysis of roles & functions of rehabilitation counselor, 58:8684
computational model of perception of dot patterns, determination of boundary edges of cluster, 58:8698
computer program for identification of recurrent clusters, analysis of sequential organization, 57:4712
computer program, generation of Hudson's Variance Index for categorical clustering performance, 53:10656
computer program, nonhierarchical clustering technique, 53:2177
data analysis & connectivity of random graphs, adequacy of P. Erdos & A. Reniji's asymptotic formula, 56:5212
development & investigation of cluster analysis procedure, 55:5970
development & key cluster analysis of scale of patient attitudes toward chronic respiratory illness & hospitalization, coping with chronic illness, patients hospitalized for chronic asthma, 57:4757
development of occupational cluster structure based on work dimensions derived from Occupation Analysis Inventory, 56:10818
discourse structure analysis of comprehension & recall, rapid reading honor students, 57:6970
evaluation of predictive ability, cluster analysis of symptoms ratings, psychiatric patients, 57:3538
factor determination & cluster analysis of Group Therapy Questionnaire, identification of small group leadership behavior factors & determination of styles, professionally experienced vs inexperienced leaders, 57:3302
flange detection cluster analysis, detection of subpopulations which deviate from primary subpopulation in well-defined direction, 56:3278
FORTRAN V computer program, clustering large matrices into hierarchical structures of interassociations between objects, 57:145
graph theory application, cluster analysis, 53:4308
grouping by cliques for directed relationships, 56:3288
hierarchical cluster analysis of Profile of Organizational Characteristics, salaried employees of continuous process plant, Canada, 58:92
historical background of numerical taxonomy & application of 2 methods of clustering to word association test data, 57:2267
mixture model tests of cluster analysis, accuracy of 4 agglomerative hierarchical methods in classification of psychopathology, 56:7072
Monte Carlo evaluation, techniques for capturing & clustering rater strategies, 56:5208
multidimensional scaling & clustering of responses on Rokeach Value Survey Form E, structure of terminal & instrumental values, students, 58:9566
multitrait & multimethod testing procedures & hierarchical cluster analysis, calculation of hypothetical multivariate ordinals, 53:6492
multivariate clustering technique & MMPI, identification of replicable homogeneous subgroups of unwed mothers, 55:9861
ordered vs unordered data, typological analysis designed to group Ss into compact clusters, 56:1637
problems & methods & procedures, cluster analysis, book, 53:81
ratio of repetitions as measure of clustering in free recall, 56:3269
reliability & validity, highest entry hierarchical clustering, 55:8681
second-order cluster analysis of Personal Orientation Inventory, prisoners, 55:7241
spanning trees & methods of clustering set of objects, 53:6487
statistical considerations, clustering with binary data, 56:1675
statistical grouping of ethnic units based on similarity of trait inventories using G. C. Murdock's 1967 world sample, 55:6926
statistical method for clustering hierarchically large matrices of interassociations & interrelationships between objects or persons, 54:8734
structural balance & clustering, social & kinship relations at group level, G/wi Bushmen, 57:3054
typological analysis using Image of Nursing Scale & Identity Scale & 16PF, personality need pattern of student nurse, 55:7197
validity of Inter-id Relations model of R. B. Cattell vs Type Analysis taxonomic model, location of clusters within data, 55:3453
visualizing interaction & sequential data from animal behavioral studies, theory & application of cluster analysis, 57:11830

Clustering [See Cluster Analysis]

CNS Affecting Drugs [See Also Amobarbital, Amphetamine, Analeptic Drugs, Barbital, Bemegride, Caffeine, Chlorpromazine, Clonidine, CNS Depressant Drugs, CNS Stimulating Drugs, Dextroamphetamine, Ephedrine, Glutethimide, Haloperidol, Methamphetamine, Methylphenidate, Pentylenetetrazol, Pipradrol, Scopolamine, Strychnine]
autonomic & psychotropic drugs, adrenaline reversal in uterus, rats, 54:9204
benzodiazepines, exertion of action on CNS through facilitation of gamma-aminobutyric acid-ergic transmission, role of GABA neurons in anxiety & other symptoms of neurosis, 55:419
biogenic amine modifiers, morphine analgesia & naloxone antagonism, male mice, 54:9203
centrally & noncentrally active drugs, state-dependent learning, male rats, 54:4795
centrally acting analgesics & CNS drugs & ganglion blockers & narcotic partial agonists, writhing induced by acetylcholine, mice, 54:2545
centrally acting drugs, 3,4 dihydroxyphenylacetic acid & homovanillic acid in corpus striatum & nucleus accumbens & tuberculum olfactorium, rats, 58:11371
centrally active drugs, voluntary alcohol consumption, papers from satellite symposuim to 6th International Congress of Pharmacology, 57:9885
chronic electrode implantation & EEG operant conditioning, seizure susceptibility following monomethylhydrazine administration, cats, 57:656
diazepam & chlorpromazine & meprobamate & apomorphine & dextroamphetamine & piribedil & fenfluramine & sulpiride & imipramine & phenobarbital & clonidine & morphine, take-up time in hoarding behavior, hamsters, 54:9187
diazepam vs chlordiazepoxide vs chlorpromazine vs barbitone vs imipramine vs amphetamine vs LSD-25, locomotion & social behavior, timid singly-housed male mice, 57:761
dopaminergic drugs, influence on serotonergic neurons resulting from primary dopamine stimulation, 58:702
drugs acting on dopaminergic transmission, spontaneous motor activity & EEG & photically induced epileptic responses, baboons, 54:9181
drugs with known central nervous system activity, pseudoconditioning, rats, 53:4721
ergot alkaloids & apomorphine & piribedil, audiogenic seizures & circling behavior, mice with nigrostriatal lesions, 56:9449
ether & thinner & saturation level, neurological & behavioral changes, primates, 57:5327
intracerebral hemicholinium, morphine analgesia & tolerance & physical dependence & brain acetylcholine, male mice, 53:11115
leptazol & eserine & scopolamine & oxotremorine, sensitivity of acetylcholine concentration in ganglia, leeches, 55:458
local cortical excitation during conditioned reflex formation & transition to spreading excitation & effect of etimizol on action potentials, mollusks, relationship to mechanisms underlying retention, 57:5152
mepiprazole, uptake & retention of monoamines in brain synaptosomes, male rats, 58:9157
metoclopramide vs pimozide, cerebral dopamine receptor blockade, mice & rats, 54:4794
morphine & morphine agonists & naloxone & nonopioid CNS depressants, neuronal activity in dorsal raphe nucleus & mesencephalic reticular formation by nociceptive stimulus, male rats, 57:5328
neurotropic drugs & electrical stimulation of hippocampus, short term memory, dogs & rabbits, 55:2015
nomifensine, dopaminergic agonist properties & potential as antiparkinson agent, rats, 54:4789
phencyclidine, species specificity of behavioral effects & comparison to effects of other psychoactive drugs & interactions with marihuana & CNS depressants & chlorpromazine, 58:2973
phenobarbital & psychostimulants, antiepileptic action, patients with different types of seizures & etiopathogenesis, 58:3918
piribedil & its catechol metabolite S584 following neonatal 6-hydroxydopamine, behavioral evidence of dopamine receptor stimulation, rats, 53:2623
pretreatment with pimozide & 6-hydroxydopamine, increased striatal acetylcholine levels induced by dextroamphetamine & apomorphine & piribedil, female rats, 54:11244
taste preferences for neurophysiologically active compounds & correlation with chemical-induced neural excitation vs inhibition, cats, 56:2094
tropatepine hydrochloride, treatment of acute dyskinetic crises & hyperkinetic manifestations, patients with acute psychotic states, 54:10192
1-(Coumaran-5-yl methyl)-4-(2-thiazolyl) piperazine hydrochloride, activation of central dopaminergic receptors, rats, 55:11804
6-aminodopamine, electrical self stimulation rate, male rats, 57:2774

CNS Depressant Drug Antagonists [See Analeptic Drugs]

CNS Depressant Drugs [See Also Amobarbital, Barbital, Chlorpromazine, Glutethimide, Haloperidol, Scopolamine]
alcohol vs pentobarbital vs chlordiazepoxide vs other CNS depressants, discriminative properties, 57:12368
central nervous system depressant & stimulant drugs, sleeping time following intracerebroventricular pentobarbitone, rats, 53:2544
chlormethiazole, physiological dependence & symptoms of withdrawal, 2 case reports, 56:773
CNS depressants & stimulants, latency for appearance of copulatory response, estradiol benzoate-treated ovariectomized female rats, 56:7497
CNS depressants, selective depression of postsynaptic mechanisms & hydrophobicity, 53:11152
discrimination between delta-9-tetrahydrocannabinol & ethanol & amphetamine, generalization test responses with cannabinols & CNS stimulants & depressants, male rats, 56:3693
environmentally induced states of drowsiness vs excitement vs distraction & CNS depressant vs stimulant drugs vs nicotine, head movements & electrical brain activity, cats, 57:5378
ethanol & isopropanol, schedule-controlled responding, male pigeons, 58:11302
hashish & tetrahydrocannabinols & noncannabinoid drugs, discriminative response control, male rats, 53:11192
hexobarbital vs zoxazolamine & housing with same vs opposite sex, response duration, mice, role of pheromones, 53:2686
pentobarbital & chloralose & chloroform & ethanol & urethane, synapse inhibition & excitation & membrane properties of crustacean neuromuscular junction preparations & molluscan neurons, lobsters & crayfish & snails, 55:2064
pyrazole, central & peripheral catecholamine levels, male rats, 54:9177
5-(3-dimethylaminoprop-1-enylidene)-5H-dibenzo(a,d) cycloheptane maleic acid salt, CNS depressant effects, mice, implication for anxiety-depressive therapy, 55:6617

CNS Stimulating Drugs [See Also Amphetamine, Analeptic Drugs, Bemegride, Caffeine, Clonidine, Dextroamphetamine, Ephedrine, Methamphetamine, Methylphenidate, Pentylenetetrazol, Picrotoxin, Pipradrol, Strychnine]
abuse of phenmetrazine & other stimulants, narcotics addicts in Washington, D.C., 54:1355
amantadine vs dopamine & amphetamine, single cells in cerebral cortex & caudate nucleus, male rats, 55:470
amobarbital vs diazepam vs thioridazine vs prochlorperazine alone & with dextroamphetamine or mazindol, food intake & motor activity, male rats, 57:749
antidepressants & antihistamines & anticholinergics & stimulants, olfactory bulb lesion-induced vs spontaneous mousekilling behavior, male rats, 56:7449
antidepressive effect of A-34519, depressed inpatients, 53:7917
apomorphine & dextroamphetamine & methamphetamine & levodopa & piribedil & amineptine chlorydrate, unilateral lesioning in entopeduncular nucleus producing ipsiversive circling behavior, cats & rats, 58:11169
caffeine vs methylphenidate vs dextroamphetamine, children with minimal brain dysfunction, 55:1074
central nervous system depressant & stimulant drugs, sleeping time following intracerebroventricular pentobarbitone, rats, 53:2544
centrophenoxine, lipofuscin formation in neuroblastoma cells in culture, C1300 mice, 58:7111
changing patterns in psychoactive drug use, adults during 1971–74, Toronto, Canada, 58:3265
chloride & potassium & sodium deprivtaion, action of amino acids & convulsants on cerebellar spontaneous action potentials in vitro, guinea pigs, 57:5253
clonidine & BS-100-141, EEG sleep pattern, female rats, 55:4128
clonidine & naphazoline, EEG & behavior & modification of effects by adrenolytic & sympathomimetic drugs, rats & rabbits & cats, 55:9267
CNS depressants & stimulants, latency for appearance of copulatory response, estradiol benzoate-treated ovariectomized female rats, 56:7497
CNS stimulant medication, averaged electroencephalic audiometry, 5–11 yr olds with minimal brain dysfunction, 54:5821
combined antiepileptic agents containing phenobarbital & psychostimulant, seizures, epileptics, 57:10919
cycloheximide vs thyrotropin releasing hormone, alteration of effects of CNS stimulating drugs & adenylate cyclase activity & brain dopamine or noradrenaline, male rats, 57:7790
cytidine diphosphate choline, plasma growth hormone levels & depression, 53–67 yr old depressive psychiatric patients, 55:10413
cytidine diphosphate choline administration into lateral ventricle & intrathecal space & on cerebral cortex & peripheral nerve, nervous system, cats, 53:4661
daily saline vs drug vs blank injections, susceptibility to convulsant effect of drugs, female rats, 55:4122
deanol, symptom relief, inpatients with tardive dyskinesia, 54:8057
dextroamphetamine & amantadine hydrochloride interaction, serial discrimination reversals with repeated acquisitions, 57:12390
dimethylaminoethanol, amphetamine-induced stereotyped behavior, male guinea pigs, 57:7835

dimethylaminoethanol, life span & body weight & fluid intake & activity & sexual activity & classical conditioning of heart rate, aged Japanese quail, 58:673
dimethylaminoethanol, serum & cerebrospinal fluid acetylcholine & symptom improvement, patients with oral hyperkinesia, 57:10892
discrimination between delta-9-tetrahydrocannabinol & ethanol & amphetamine, generalization test responses with cannabinols & CNS stimulants & depressants, male rats, 56:3693
dopamine receptor stimulants & electrolytic or 6-hydroxydopamine-induced lesions of nucleus accumbens, locomotor activity, male rats, 58:11192
dose–response relationships & titration method, determination of dosages of stimulant medication, children, literature review, 55:2709
effects of centrally acting drugs on body weight changes, prediction of morphine-type physical dependence liability, rats, 58:9152
environmentally induced states of drowsiness vs excitement vs distraction & CNS depressant vs stimulant drugs vs nicotine, head movements & electrical brain activity, cats, 57:5378
flurothyl, memory performance, rainbow trout, 56:2072
gamma-aminobutyric acid-blocking agents, lateral hypothalamic self stimulation & performance on shock-avoidance leverpressing task, rats, 56:414
hashish & tetrahydrocannabinols & noncannabinoid drugs, discriminative response control, male rats, 53:11192
housing in spring water with vs without magnesium pemoline, learning rate of conditioned responses, planarians, 53:2652
ibogaine, chemical content of street drugs & history & pharmacology & effects, 53:4682
illicit nonmedical use of alcohol & stimulants & psychedelics & tranquilizers & barbiturates & hard narcotics, marihuana users & nonusers, 53:991
imipramine vs nomifensine vs placebo, psychomotor performance & side effects, male volunteers, 58:11374
imipramine vs psychostimulants vs vitamins vs behavior therapy, children with enuresis, 57:10669
intracortical ouabain & phenobarbital, oxidative metabolic activity due to spreading cortical depression, cats, 55:2087
issues in cerebral stimulant treatment, 6–12 yr old males with minimal brain dysfunction, 54:12292
magnesium pemoline, EEG & photic responses, 6–12 yr olds with hyperkinesis, 53:3677
mazindol, substitution for previously conditioned cocaine self administration, male monkeys, 57:838
mefexamide, depressive symptom reduction, neurotic inpatients, 57:10936
methodology & measurement, study of psychoactive drugs & relationship between pharmokinetics & clinical response, book of selected readings, 56:6989
mild flurothyl treatment, retrograde enhancement of memory, chicks, 54:4781
morphine vs phenobarbital vs ethanol treatment, CNS sensitivity to flurothyl as measure of drug dependence, male mice, 56:9568
nomifensine, time course studies of inhibition of amine uptake in brain, rats, 58:11364
para-chloroamphetamine or fenfluramine, CNS serotonin release & behavioral correlates, male rats, 57:831
pemoline, attention & reaction time & efficiency & accuracy, 53:9113
pemoline, behavior ratings & WISC scores & cardiovascular data & height & weight & school performance, 6–12 yr old hyperactive boys, 57:758
pemoline, hyperkinetic behavior, 6–12 yr olds with minimal brain dysfunction, 53:5879
pemoline vs amphetamine vs placebo, aggression & lack of discipline & disturbed attention & verbal production & mood & affective & psychomotor restlessness, hyperactive children, 57:10901
picrotoxin foci of paroxysmal activity, blockage of cortical spreading depression, rats, 54:6991
piracetam, cortical evoked potentials, rats visually & auditorally & somesthetically stimulated after eye opening at different postnatal periods, 57:9867
piracetam, ECS therapy induced memory dysfunctions, 31–78 yr old depressed inpatients, 54:12294
piracetam, interhemispheric transfer of visual information, male rats, 56:2011
piracetam, mental performance & perceptual-motor tasks, aging nondeteriorated Ss, 57:5363
piracetam, metabolism of glutamic acid & proline in visual & parietal cortex, male rats, 57:2776
piracetam, nootropic pharmacology of neurointegrative activity, 58:689
piracetam, perceptual & psychomotor performance at varied heart rates, patients with artificial pacemakers, 53:6842
piracetam, psychological organic symptoms, chronic alcoholics, 56:6574
piribedil & its metabolite, concentration of brain homovanillic acid, female rats, 53:2649
psychomotor stimulant drugs, locomotor activity & stereotypy, socially-deprived vs normal rats, 54:11258
psychomotor stimulants, control of discriminative responding, rats, 57:12426
psychostimulant drugs, aggression & hyperactivity, laboratory animals & human adults & children, 54:5823
psychostimulant medication, motor activity & attention & cognition & social adaptive behavior, children, literature review, 58:1704
repetitive administration of CNS stimulants & cocaine, progressive effects related to electrical kindling & motor seizures & pathological behavior, 56:5699
social influences & stimulants & tranquilizers & psychotomimetic drugs, nonverbal communication, monkeys, 53:4825
stimulant drug therapy, perceptual-motor learning using passive movement training & vicarious imitation training, hyperactive 4 yr olds with minimal brain dysfunction, 55:2712
stimulant drugs, treatment of hyperkinesis & side effects & long term consequences, implications for potential abuse & addiction, 58:3904
stimulant medication of hyperkinetic children, prevention of juvenile delinquent & adult criminal behavior, 55:2706
strychnine & ethimizol & caffeine, short term memory in delayed choice situation & excitement level of brain structures, dogs, 55:2085
trends in use & effects of cannabis products & CNS stimulants & psychotomimetics & opiates & miscellaneous substances & dilution & adulteration & misrepresentation of drugs sold on street, 56:2264

Coaches [See Teachers]

Coagulation (Blood) [See Blood Coagulation]

Coalition Formation
axiomatic model, J. A. Davis's application of balance theory to sociological facts, application to coalition formation in n-person structures, 53:11565
bargaining processes, coalition outcomes, 56:2302
bargaining set concept, extension to cooperative games without side payments, 55:12189
behavioral & analytic model of coalition process between buyers & sellers, prediction of occupancy of different socioeconomic neighborhoods by persons of different income levels, 55:5841
behavioral model of coalition formation, application to French political alliances of 1951, 58:3226
certainty & pressure, coalition formation & division of payoff, college students, 54:9579
characteristic functions of strategically equivalent forms of 3-person games, coalition formation & profits division, college students, 57:10259
coalition behavior theory, application to political party coalitions in India, 1967–71, book, 55:12147
coalition formation in experimental 3-person cooperative games, support for individually rational bargaining set model, 56:6008
coalition formation in marital therapy, therapist & marital partners, 57:10806
coalition formation in tetrads, critical test of 4 theories, 58:1120
competitiveness & orientation to power in coalition-formation game, males vs females, 56:9857
equity, coalition formation in triads, male college students, 56:2310
equity, formation of revolutionary & conservative coalitions in triads, male college students, 54:9608
face-to-face vs use of telecommunications media conditions, coalition formation, middle grade executives & administrators, 57:8219
factors affecting coalition formation & effects on majority & minority members following group decision, 58:5333
game-theoretic & social psychological perspectives, coalition formation in triads, 58:11681
incomplete communication networks, coalition formation in small groups, adolescents, 56:6007
inequitable reward allocations & likelihood of leader retaliation & status differences between potential allies, frequency & severity of coalitional action by subordinates against group leader, 54:11672
information processing approach, small group interaction in coalition formation game, 55:9725
interpersonal attraction & relative expertise, coalition choice, college students, 56:682
interpersonal attraction based on attitude similarity & player power, coalition choices in game triads, college students, 57:10263
minimum resource & minimum power & bargaining theories & weighted probability model in coalition formation, coalition frequency & division of rewards to coalition members, male vs female college students, 56:7910
minimum resource & pivotal power theory predictions of coalition formation & division of payoffs in tetradic situations, male college students, 54:5204
model of coalitions in triad, reformulation & extension of T. Caplow's model, 53:1042
nonutilitarian consideration of coalition theory, college students, 55:7044
obligation attached to monetary aid & perception of donor resources, attraction to donor & desire for coalition & repayment, US vs Japanese vs Swedish male college students, 54:1025
online computer program, studying bargaining & coalition formation processes in n-person characteristic function games, 56:5129
partner choice & personality traits & locus of control, bargaining behavior, 53:9463
payoff magnitude, bargaining & coalition formation behavior in 3-person games, male college students, 57:3263
personality trait & structural & sex & Machiavellianism approaches, study of coalition formation, 53:1078
power & bargaining behavior, coalition formation, junior high school boys, 53:1064
power & coalition formation model, conjoint marriage counseling, 54:3617
probability of success & payoff & attitudinal agreement between potential allies & perceived utility & anticipated conflict & coalition choice, coalition formation, college students, 54:7466
reference group-induced noncompetitive vs competitive motives in coalition games, predictive accuracy of 4 theories of coalition behavior, male college students, 58:9455
rotation vs nonrotation, coalition formation in Parcheesi board game situation, male college students, 54:2995
sequential changes, coalition formation, review, 54:9558
SIMCOL, FORTRAN IV simulator program for use in study of coalitional behavior, 57:11736
social decision making behavior, college students, support for utility-maximizing vs gain-cost models, 56:639
status differences between subordinates & face-to-face coalition negotiations, insurgent coalition action, triads of male college students, 55:730
theory of n-person conflicts, prediction of coalition formation & payoffs, 56:9823
uncertainty of outcome & indivisibility of payoff, minimum resource theory & ameliorative strategy in minimal information political convention game, college students, 57:5803

Cobalt
cobalt experimental epilepsy, appearance of wet dog shake behavior & its suppression by reserpine, female rats, 55:6546
cobalt impregnation, identification of neural pathways in mammalian tissue, 55:11259
cobalt wire vs powder implantations in neocortex, epileptic focus of visual evoked potentials, male rats, 58:2907
early eye removal, excessive bilateral branching of axons, rats, application of cobalt filling method, 57:9720
light flashes, visual evoked potentials & excitability cycles during development of spiking cobalt focus in neocortex, male rats, 56:5566

Cocaine
alcohol vs chlordiazepoxide vs cocaine vs pentobarbital, responding maintained under FI schedules of food vs shock, monkeys, 56:3680
alpha-methylparatyrosine, hypokinesia & catalepsy following morphine administration & subsequent tolerance & interaction with subsequently administered cocaine vs morphine, male rats, 57:799
alpha-methylparatyrosine vs atropine vs methylatropine vs scopolamine vs methscopolamine pretreatment, morphine- vs methamphetamine- vs caffeine- vs cocaine-induced hyperactivity, rats, 58:7104
amphetamine vs cocaine vs morphine vs heroin dosages, sensory reinforcement, rats, 58:7120
amphetamine vs methamphetamine vs cocaine vs saline vs ethanol vs epinephrine vs sodium pentobarbital, discriminative control of operant behavior, male rats, 56:379
atropine & chlorpromazine & cocaine interactions, food reinforced behavior, male monkeys, 54:11265
background & pharmacology & effects & side effects & treatment, cocaine use & patterns of usage, 56:2276
bemegride & metrazol & cocaine administration in challenge trials interposed in regular training, antagonism of pentobarbital-induced discrimination, male gerbils, 54:4822
bilateral 6-hydroxydopamine injected into substantia nigra vs lesion of dorsal or ventral noradrenergic pathways, locomotor & stereotyped responses induced by amphetamine & sensitivity to apomorphine & levodopa & response to cocaine, male rats, 55:364
brain matter injections from cocaine HCl- vs saline-treated Ss, spontaneous activity, male rats, 56:2064
chewing coca leaves, beneficial effects as contrasted with negative effects of cocaine, 57:13348
chlordiazepoxide vs cocaine & amphetamine, bar-press behavior, genetically nervous &/vs stable pointer dogs, 53:589
choice procedure & dosages, cocaine vs methylphenidate vs saline preferences, monkeys, 58:11291
chronic administration of cocaine, augmentation of electrophysiologic & behavioral responses & kindling, rats, 58:9172
classification of psychoactive substances & medical & nonmedical drug use & attitudes toward illicit drug usage & cocaine, 54:11629
coca & cocaine, psychological effects, bibliography, 58:5040
cocaine & amphetamine, modification of cerebral energy metabolism, male mice, 55:6588
cocaine, chemical content of street drugs & pharmacology & history & effects, 53:2583
cocaine dosages, body temperature & heart rate & respiration rate, stereotyped & feeding behavior & eating, male monkeys, 57:7837
cocaine dosages, time course for effects on FR water-reinforced response rate, male rats, 55:6598
cocaine hydrochloride & dextroamphetamine sulfate doses, heart rate & blood pressure & mood & other subjective effects, 21–35 yr old males, 56:9557
cocaine hydrochloride given iv & intranasally, physiologic & subjective responses, healthy 21–42 yr old volunteers, 58:7106
cocaine in repeated administrations, hyperactivity & stereotypy, male rats, 56:3756
cocaine in stimulant doses, depression of cerebral metabolism, male mice, 54:637
cocaine iv dosages, response & interresponse times in food maintained keypressing, monkeys, 58:5033
cocaine self administration, temporal aspects using interresponse time, rats, 55:6557
cocaine self administration via chewing gum vs cigarette smoking, amount ingested & preferences for vehicle with vs without cocaine, monkeys, 56:7539
cocaine, sleep EEGs & sleep time & latency, rats, 58:11281
cocaine, turnover of 5-hydroxytryptamine in brain, rats, 54:9151
cocaine use by S. Freud, understanding of subconscious, 54:2173
cocaine vs apomorphine vs amphetamine dosages, medial forebrain bundle self-stimulation with monopolar electrodes, male rats, 53:4767
cocaine vs dextroamphetamine vs FR & 2nd-order schedules of food presentation, comparable maintenance of behavior, monkeys, 54:11233
cocaine vs lithium uptake & conversion of tryptophan to serotonin & tryptophan hydroxylase & enzyme activity in lateral midbrain cell bodies & striate nerve endings, male rats, 57:2762
cocaine vs methylphenidate vs secobarbital drug-maintained progressive-ratio performance, baboons, 54:9155
codeine & cocaine dosages as reinforcement, leverpress responding under FR schedule, monkeys, 56:2016
continuous vs programed stimulation & stimulus intensity & reserpine vs haloperidol vs imipramine vs cocaine, fatigability of caudate nucleus motor response, cats, 56:3625
delta-1-tetrahydrocannabinol & cocaine & Tween-80, uptake of radioactive noradrenaline by isolated perfused hearts, rats, 53:9059
dextroamphetamine vs cocaine in repeated administrations, reverse tolerance to induced abnormal behavior, female rats, 58:11296
dosage & chronicity & genetic & experiential predispositions, euphoria & dysphoria & paranoid & schizophreniform psychosis as progression of clinical syndromes associated with cocaine use, 54:3342
drug discrimination training with cocaine vs dextroamphetamine, generalization responding to methylphenidate & cocaine & methylphenidate-amphetamine & amphetamine-cocaine combinations, male rats, 57:5299
enriched vs impoverished rearing conditions, body weight & cocaine vs morphine preference & self administration, rats, 58:11279
epidemiology & history & human pharmacology & chemistry & toxicity & use, cocaine, 56:400
extinction of self administration behavior of amphetamine vs cocaine & presession pentobarbital vs chlorpromazine, reinstatement of extinguished responding, monkeys, 57:731
intranasal cocaine, plasma concentration, surgical patients, 56:450
intraperitoneally injected dextroamphetamine vs cocaine vs levodopa vs desipramine vs apomorphine, catecholaminergic mechanisms in alpha-methyl-para-tyrosine precipitated morphine withdrawal syndrome, medium- & highly-dependent male rats, 53:6829
limited vs unlimited access to self administration of methamphetamine vs cocaine substitute, self reinforcing lever press response rate, female cats, 56:3679
mazindol, substitution for previously conditioned cocaine self administration, male monkeys, 57:838
methadone & heroin & barbiturates & mandrax & amphetamines & cocaine, sexual functioning, 17–33 yr old male & female addicts & their partners, 57:12972
morphine immunization, heroin & cocaine self administration, monkeys, 57:713
morphine or cocaine injections, responding pauses & rates under 2nd order schedules, monkeys, 57:7788
neuroleptic drugs & dibenamine & propranolol & cyproheptadine & methysergide as antagonists, stimulus generalization of cocaine cue in operant conditioning, rats, 57:5307
nonindependent concurrent schedule of cocaine reinforcement, relative reinforcer magnitude, male monkeys, 56:9581
pargyline & alpha-methylparatyrosine & phentolamine & phenoxybenzamine & reserpine, cocaine self-administration, male monkeys, 53:6883
pargyline & desipramine pretreatment & selective 6-hydroxydopamine induced destruction of mesolimbic dopamine neurons, abolition of dextroamphetamine- & cocaine-induced locomotor activity, rats, 57:5247
perphenazine, reinforcing properties & effects on responding maintained by cocaine or pentobarbital, rhesus monkeys, 56:7520
phenylethylamines substituted for cocaine, self infusion behavior, male baboons, 58:11271
pretrial injection of cocaine, performance & retention of conditioned avoidance response, male rats, 56:449
repetitive administration of CNS stimulants & cocaine, progressive effects related to electrical kindling & motor seizures & pathological behavior, 56:5699
scheduled cocaine injections, control of rates & patterns of keypress responding, monkeys, 56:9564
trends in use of marijuana & alcohol & hallucinogens & amphetamines & barbiturates & narcotics & cocaine, US college students, 54:9467
unlimited access, self administration of cocaine vs dextroamphetamine vs levoamphetamine vs diethylpropion & food intake, monkeys, 56:5677
2,5,-dimethoxy-4-methylamphetamine & 2,5-dimethoxy-4-ethylamphetamine & dextroamphetamine & cocaine, stimulus properties following training with mescaline as discriminative stimulus, female rats, 55:6645

Cochlea
acoustical overstimulation, acetylcholinesterase activity in organ of Corti, chinchillas, 56:1926
auditory cortex ablation, ability to localize sound, cats with 1 cochlea destroyed, 58:2961
auditory frequency & intensity, cochlear perilymph biochemistry, guinea pigs, 56:9419
auditory stimulation & neural lesions, cochlear round window response potentials, cats & guinea pigs, 53:546
behavioral psychophysical technique, measurement & cochlear origin of critical bands, cats, 55:11609
binaural interaction in dorsal cochlear nucleus, rats, 58:8980
brief-tone audiometric task performance, measure of temporal integration, normal vs deaf 6–14 yr olds with cochlear losses, 53:9918
cholinergic system enzyme activity in cochlea, audiogenic seizure susceptible mice, 53:9221
cochlear inner & outer hair cells, auditory thresholds, chinchillas, 54:4960

cochlear microphonic potential, acquisition of classically conditioned pupillary dilation response, cats, 56:250
cochlear microphonic potentials, albino vs pigmented guinea pigs, 53:6988
cochlear potentials, role in information processing, guinea pigs, 53:11000
compound action & summating potentials, cochlea, normal Ss, 53:2446
contralateral masking effect, 55-yr-old female patient with severed right cochlea efferent fibers, 53:1524
cross-sensory auditory & visual stimulation, auditory cortex & cochlear nucleus & round window electrical activity, cats, 53:11022
electrical stimulation of terminal auditory nerve fibers, pitch discrimination, cats, 57:671
electrocochleography apparatus, 53:2475
electrocochleography methods, 53:2445
electrocochleography vs auditory evoked response & psychogalvanic-response audiometry, 53:2472
excessive sound exposure, evoked cochlear potentials & inferior colliculus electrical responses & central auditory fatigue, Kangaroo rats, 53:9216
far field electrocochleography, 53:8887
frequency-modulated tones, synaptic events & discharge patterns of cochlear nucleus cells, cats, 56:5474
kanamycin single-unit responses in auditory nerve indicating phase opposition of inner normal-hearing outer hair cells of cochlea, gerbils, 54:11147
lesions of auditory pathway, waveform alteration of very early part of auditory evoked potential, cats, 55:11733
listening for faint auditory signals, cochlear excitation, male 18–22 yr olds, 54:8768
mechanical events in cochlea, cochlear microphonic & summating potential magnitude functions & corresponding basilar membrane displacement functions, guinea pigs, 55:308
monaural masking, stapedius reflex, normal vs unilateral stapedius paralysis, college students, 53:7727
monaural tone bursts, extracellular neuronal activity of ventral & dorsal cochlear nuclei, kittens from birth to 30 days & adult cats, 54:6866
neuroanatomical basis, cochlear coding mechanisms, 54:11096
noradrenaline-containing centrifugal innervation of cochlear nucleus, detection of signals in noise, cats, 57:803
priming for seizures at various ages, cochlear microphonic sensitivity, mice, 56:329
pulsation threshold technique, frequency selectivity following high intensity short duration noise & recovery, 58:10916
pure tone stimulation, critical duration & thresholds & critical time processing, normal hearing vs cochlear-diseased Ss, 54:12110
representation of sound frequency & cochlear partition in primary auditory cortex, cats, 54:4642
responses of cochlear nerve fibers to stimulus tones & basilar membrane displacement, squirrel monkeys, 53:11043
sharpening of neural frequency selectivity of normal & abnormal cochlea, cats & guinea pigs, 54:11107
sinusoidally amplitude-modulated tones, coding in single units of cochlear nucleus, rats, 53:6724
sodium pentobarbital dosages, cochlear potentials, cats, 58:7118
sound, intracellular electric responses from single hair cells & supporting cochlear cells, alligator lizards, 53:8879
source of electrocochleographic responses, brain-damaged patients, 53:12025
steady-frequency tone bursts, synaptic events & discharge patterns of cochlear nucleus cells, cats, 56:5475
stimulus exposure duration & age, priming for audiogenic seizures, BALB/c mice, support for age related differential susceptibility of cochleas, 56:7389
stimulus-related cochlear potentials, electrocochleography, 53:2447
structure & neurobiology of inner ear & cochlear mechanisms & auditory frequency & time analysis & nonlinear effects in cochlear activity, symposium proceedings, book, 53:4600
vowel & tonal stimuli, discharge patterns of ventral & dorsal cochlear nucleus neurons, kangaroo rats, 58:8984

Cockroaches
age & sex differences, development of aggressive behavior, cockroaches, 57:542
electrophysiological mechanisms of fatigue, cercal escape response, cockroaches, 53:2470
fighting techniques & population factors, agonistic behavior, German cockroaches, 57:9616
headless roach preparation as system for physiological analysis of instrumental learning, criticism of G. Horridge's model, 58:2948
histological evidence, direct connections between optic lobes, cockroaches, 55:329
intra- & intertrial interval & brightness similarity of alternatives & free- vs forced-choice exposures, alternation behavior, cockroaches, 58:483
microlesions at various sites in optic lobes, circadian locomotor rhythms, cockroaches, 55:1682
neural homogenate from trained donors, transfer of learned dark aversion, cockroaches, 54:4662
physostigmine injection in isolated ganglion during pre- & posttraining & drug concentrations, avoidance conditioning & retention, cockroaches, 58:7119
sex pheromone isolation & identification, role in sexual discrimination through antennae contact, cockroaches, 53:8921
stimulation of cercal sensillae vs cercal nerve vs abdominal cord, neural activity in efferent nerves, cockroaches, 53:2471
transference of DNA & RNA from trained to naive S through ingestion of trained S's head, chemical transfer of learning, cockroaches, 57:7709

Codeine
codeine & cocaine dosages as reinforcement, leverpress responding under FR schedule, monkeys, 56:2016
codeine or ethanol as reinforcers, maintenance & rates of responding under VI schedule, monkeys, 58:5013
glutethimide & codeine combination, euphoria & addiction, 6 case reports, 54:5883
grade level & drug type & social approval needs, drug usage, 4th & 5th & 6th graders, 53:11534
morphine & codeine & diphenoxylate & loperamide, ability to produce narcotic cue & relative antidiarrheal activity, male rats, 54:2538
morphine & codeine & pentazocine & benzomorphan analgesic ID-1229 administered at short intervals through implanted iv cannula, induction of physical dependence, male rats, 58:11297
morphine sulfate, codeine in urine, postaddict volunteer prisoners, 53:9126
self administration of acetylsalicylic acid & combinations with codeine & caffeine, rhesus monkeys, 55:4118
self administration of antipyretic analgesics & combinations with codeine, reinforcement of behavior in leverpressing situation, monkeys, 56:3722

Codeine Sulfate [See Codeine]

Coeds [See College Students]

Coeducation
Catholic vs public high school experience with coeducational vs all-female vs all-male student body, moral development, freshmen vs seniors, 58:10490
coeducation, occupational perception, women undergraduates, 53:1870
co-educational vs single-sex schools, attitudes toward teachers & subject choices, secondary school students, 55:10936
comparison between academic achievement & social adjustment, coeducational vs single-sex high school attendance, Catholic high school students, 55:3144
nondiscriminatory coeducational physical education program, male-female role perceptions, 6th graders, 56:1402
personal history variables & dominance feelings, attitudes toward coeducation, female college students, 56:8749
personality characteristics, female student volunteers for coed dormitory living vs nonvolunteers, 54:11837
residence in single-sex vs coed dormitory vs parents' home, academic & social attitudes & activities & academic performance, college students, 57:11506
university degree results, students from coeducational vs single-sex schools, 53:10405

Coefficient (Phi) [See Phi Coefficient]

Coffee (Drug) [See Caffeine]

Cognition
affect as cognition during infantile development, observations on mystical experiences, 54:11376
anthropological approach, cognition, 54:2312
cognition & social behavior, book, 58:11627
cognitive alteration of feeling states, book, 53:2427
cognitive content & affective responses, classification of neurotic conditions, 53:3259
cognitive meaning of situation & personal space & locus of control, social reinforcer effectiveness, college students, 55:7165
cognitive representation of propositions derived from exchange theory, 11th & 12 graders, 55:3683
cognitive vs affective gains, computer simulation, 55:5878
compositions of ideals, generation of human perception & cognition & activities, 58:8551
concreteness-abstractness, structural properties of cognition & conceptions of health & illness, college students, 58:1207
correlations between attitudes toward religion & science, legislators vs lecturers vs administrators vs students, evidence for cognitive consistency, 58:9588
dependency & cognition & loyalty–guilt transactional binding modes, psychoanalytic approach to family theory of schizophrenia, 54:12007
depression, cognition & affect, college males, 53:8855
differential use of brain hemispheres & cross cultural differences in cognition, comment on J. A. Paredes & M. J. Hepburn's article, 58:300
EEG parietal symmetry/asymmetry training using pattern biofeedback, cognitive concomitants, right handed Ss, 57:12301
environmental perception & cognition research, Miami University, 57:4591
ethnosemantic analysis, cognition, alcoholic patients, 57:12966
hypnotic induction vs anesthesia instructions vs demand for honest report, response to painful stimulus, college students, 53:2217
intracultural variation in cognition of color terms & sociocultural correlates, Baganda of Uganda, 55:4378
language & thought, review of "linguistic dominance" research, 58:7132
learning theory & linguistics & perception & mind–knowledge, cognition, book, 54:308
male vs female voice in conjunction with projected visuals as learning treatments, cognition as measured by hand drawn overhead transparency task performance, male vs female 6th graders, 57:6761
mental acts vs overt actions & objects vs stimuli, role of perception in psychology, 54:147
metasubjective problems of constructive cognition & forms of knowing & their psychological mechanism, 56:5265
minority dialect variations in formal education, cognition, 55:8142
multiplicative classification, cognition, 4–7.5 yr old deaf vs hearing children, 53:12032
neurolinguistic model, speech & language & cognition, case of presenile dementia presenting echolalia & completion, 55:302
nonmetric multidimensional scaling analysis & factor analysis of 7 tone-of-voice rating scales, measurement of cognitive structures of vocally & facially expressed emotion, college students, 54:7568
perceptual & linguistic understanding, 54:290
phenomenology of E. Husserl, knowing, 55:11244
photographic illustration of cognitive world & pivotal events in childrens' early development, book, 54:11358
principles & procedures & criticisms, cognitive behavior modification, therapeutic implications, book, 53:7969
psychoanalytic & behavioristic & cognitive psychology, contributions to moral education, 53:972
psychological differentiation & mobility, creativity, male college students, 58:1216
psychostimulant medication, motor activity & attention & cognition & social adaptive behavior, children, literature review, 58:1704
relationship between cognitive & perceptual activity, revised definition of cognition, 55:11435
relationship of impulse control to intelligence & mental status & adjustment, 55–97 yr old institutionalized females, 55:7212
semantics of J. J. Katz, cognitive psychology, 53:289
social group differences, cognition & language, 53:11417
split-brain research, significance for studies of cross cultural differences in styles of cognition, 56:24
summary of cognition & social behavior symposium & relationship between cognitive & social psychology & requirements for cognitive social psychology, 58:11635
taxonomic analysis to construct psychological classification of cognitive occupations, 55:3316
temporal information & false heart rate feedback, fear reaction following shock threat, 55:3807
theory & research, cognition, book, 53:291
Tibetan Buddhist approach to human mind, book, 54:10803

Cognitive Ability
ability & sex differences, acquisition of formal operations, 5th–8th graders, 54:5001
ability to infer another person's perceptual & cognitive & affective viewpoints, prediction of ability 1 yr later, kindergartners through 3rd graders, implications for validation of perspective-taking construct, 58:7157
ability to make immediate inferences based on traditional square of opposition, 5th vs 7th vs 9th graders, 56:2130
ability to understand concept of function, 7 vs 9 vs 12 yr olds, 55:11979
ability to understand presuppositions & assertions of semantically complex propositions & to deduce implications of components, 4 yr olds, 56:9676
abstinence of 1 vs 5 yrs, residual deficiency of intellectual performance, chronic alcoholics vs nonalcoholics, 58:5569
achievement motivation & ability level, problem solving in Hatrack situation, male students, 56:756
age & ability level, inhibitory processes in partial reversal discrimination learning, 61–90 yr olds, 58:11439
age & ability level, linear syllogistic reasoning, 11 & 13 yr olds, 55:6762
age & ability, problem solving speed, 10–13 yr olds, 58:11438
age & anxiety & extraversion & openness to experience, cognitive ability factors, male 25–82 yr olds, 57:7876
age & education, somatosensory & cognitive test performance, brain damaged vs normal 17–75 yr olds, implications for neuropsychological testing, 58:7750
age & sex & socioeconomic status & inductive reasoning ability, independence of perceptual egocentrism, kindergartners, 53:137
age, constancy of personality variables & cognitive abilities measured by Rorschach test, 60–84 yr olds, 58:3074
age differences, measurement of spatial cognitive ability, 18–24 & 65–72 yr old males with normal vision, 55:6741
age, factor analysis of performance on cognitive tasks, healthy educated 20–80 yr old males, 56:9689
age, immediate visual memory & perceptual efficiency & numerical ability & learning speed, 18–45 yr old soldiers, 57:7999
age-adjusted spouse correlations for tests of specific cognitive abilities, Americans of Japanese vs European ancestry, 57:8106
alcohol, ability to use functional rules in inference tasks, college students, 58:7078
ambiguous & analytical instructions, ability & preference for analyzing, female college students, 55:6122
anticholera vaccinations, meningitis & lethargy & convulsions & diminished mental efficiency, 7 & 9 yr old, 54:9141
anxiety & cognitive mediators, flexibility & information seeking in problem solving, 58:10938
aptitude & diligence & performance of target, attribution of motivation & ability, college students, 56:2394
aptitude & prior schooling experiences & arrest history & personality characteristics, degree of volunteer participation in longitudinal survey, enlisted students at US Naval school, 56:3982
aptitudes & cognitive styles & personality characteristics, facilitation & differentiation of creativity, college students majoring in art vs mathematics vs music vs writing, 56:731
assessment & development of learning abilities of culturally deprived, underlying theory & practices of R. Feuerstein, 55:2904
assessment of objectives of Self Level of Social Learning Curriculum, cognitive skills & adaptive behavior, 7–13 yr old educable mentally retarded, 54:4200
assessment using language & intelligence measures, problem solving vs judgment making abilities, 9–12 yr old learning disabled vs normal children, 55:4868
attentional training, seriation abilities, 5–7 yr olds, 56:518
attitude centrality & individual cognitive differences & sensory deprivation, induction of belief instability without persuasive message, paid volunteers, 57:10243
attitudinal orientations & socioeconomic background, cognitive functioning, Israeli 7th graders, 55:6752
audio-tutorial vs conventional teaching methods, student characteristics & performance, college biology students, 56:6731
auditory vs auditory-visual methods of blending instruction, ability to decode synthetic words, preschool children, 58:12508
behavior therapy, sensorimotor functions & cognitive ability & verbal & social behavior, 8 yr old autistic male, 58:3836
blood lead levels, cognitive & perceptual performance functioning, black 3–5 yr olds, 53:9962
CA & MA & perceived context, referential description, 4–10 yr olds of normal intelligence vs educationally subnormal & adults, 58:11486
change in barometric pressure, subsequent cognitive task performance, 57:2666
characteristics of cognitive functioning, achievement of motor tasks, preoperational vs operational kindergartners to 4th graders, 57:5527
child & parent exposure to relaxation tapes, child's emotionality & medication intake & cognitive & classroom behavior changes, minimally brain injured children, 58:7948
classificatory abilities, male vs female & rural vs urban preschool age children, 57:4919
cognitive & affective & demographic variables, individual differences in & prediction of academic achievement & time spent in completion of self paced individualized course, college students, 58:10412
cognitive & behavioral & intelligence patterns, patients with vs without congenital adrenal hyperplasia, 55:10130
cognitive & memory abilities, free recall performance during various stages of learning process, female 18–27 vs 40–49 vs 50–59 vs 60–69 vs 70–85 yr olds, 58:3099
cognitive & perceptual & memory ability requirements, auditory signal identification with signal duration & signal-to-noise ratio variations, male college students, 57:11953
cognitive & personality & attitude & demographic characteristics & musical experience, algebra & geometry aptitude & achievement prediction, high school students, 58:2115
cognitive & personality factors, magnitude of error for double trapezium illusion, 9–11 yr old male vs female twins, 54:6688
cognitive & psychomotor ability & affect, counselor-consultant role in developing program for mentally retarded, 55:8300
cognitive abilities & problem-solving dynamics, 18–28 yr olds, 53:286
cognitive abilities measured by standardized tests & Piagetian tasks & early reading achievement, developmental relationships, kindergartners through 3rd graders, 58:5124
cognitive abilities, problem solving, 5th graders, 55:8851
cognitive ability & creativity, relationship between school attitudes & academic achievement, high school students, 57:11436
cognitive ability & tempo of play behavior & locomotor activity & sex, habituation of visual fixation to patterns, 1 yr olds, 58:9273
cognitive behavior on selected mathematics tasks, 4th & 6th & 8th graders, 55:5556
cognitive controls, nonpsychotic vs nonschizophrenic psychotic vs schizophrenic patients, 56:2470
cognitive correlates of testwiseness using multiple choice items, inner city 5th & 6th graders, 58:12737
cognitive intervention, latent ability measured by verbal analogy items, inner-city high school students, 53:8418
cognitive level of test items, achievement in mathematics, 6th & 9th graders of varying ability levels, 58:10607
cognitive performance & survival & distance from death, understanding terminal drop concept, 57:2874
cognitive processes & age, ability to plan series of real-life events in logical fashion, kindergartners vs 2nd vs 4th vs 6th vs 8th graders, 56:7616
cognitive qualities & positive feedback, persistence of phobic responses, 54:9853
cognitive skills & style as measured by specialized brain hemisphere processing abilities, learning disabled vs normal male 7–12 yr olds, 57:8490
cognitive skills, optimal performance in judgment tasks, 58:6820
cognitive stage transition, susceptibility of reasoning level to change, 4th & 6th graders, 55:11972
cognitive test battery, intellectual competence, male & female alcoholic inpatients vs psychiatric patient controls, 54:3404
cognitive tutoring, remediation of maladaptive & deficient cognitive skills used to cope with environment, school age children with learning problems referred to mental health clinic, 57:13392
cognitive-affective relationships as representations of overlapping stylistic consistencies, review, 54:9734
cognitive-linguistic function, learning to read with Fuller's Ball-Stick-Bird System, 4 yr olds, 57:11336
cognitive-spatial vs visual-perceptual ability, differentiation of good vs poor readers, 7-yr-old 2nd graders for perceptual-motor training, 53:11404
combinatorial ability instruction, 1st graders, 54:6238
conceptual ability & frequency of instances, performance on conceptual sorting task vs half conceptual sorting task, nursery school students, 57:985

conceptual ability, learning rate of conceptual vs half conceptual sorting tasks, kindergartners, 58:6878
conceptual learning & development & concept & educational achievement & selected cognitive abilities, 4th vs 7th graders, 58:12622
conceptual level, initial success in newly-developed teacher education program, teaching students, 55:12997
conceptual vs associative abilities, learning & recall of factual vs inferential information based on listening comprehension & social studies lesson, 10–11 yr olds, utility of A. R. Jensen's dual process theory of cognitive functioning, 57:12548
conceptualization, incidental learning & selective attention, kindergartners vs 3rd vs 5th graders, 56:522
concrete vs abstract vs in perspective diagrams, relating diagrams to verbal texts, 8–14 yr olds, 53:11431
conjugate lateral eye movement, verbal vs spatial ability performance, right handed college students, 57:11840
conservation & seriation & classification abilities, acquisition of mathematics achievement, male vs female Nigerian 4–8 yr olds, 58:12617
constant order of skill mastery of component abilities of causal reasoning, 1st graders, 53:7015
content structure & concrete referents & mental readiness, attainment of cognitive skills in physical science, high school students, 55:10760
contingency management systems, development of cognitive & affective skills, low socioeconomic minority students with academic & social adjustment problems, 55:13514
controlled environment laboratory evaluation developed by Goodwill Industries, evaluation of occupational & behavioral & cognitive & perceptual-motor abilities for placement in sheltered workshops, severely disabled clients, 58:1526
conventional intelligence measure & verbal creativity measures reflecting product dimension of J. P. Guilford's structure-of-intellect model & cognitive functioning measures based on B. S. Bloom's taxonomy, 11th graders, 55:13568
copying vs reproducing from memory complex geometric figures, 4 vs 4–6 vs 5 yr olds, 53:11430
correlations between performance on measures of concrete & formal operations & fluid & verbal intelligence & interest in physical science, 18–30 yr old college students, 58:9254
creative thinking workshop, creativity-related cognitive & personality traits & teaching performance, college students majoring in elementary education, 55:1275
criterion-related validity, Cognitive Abilities Test, kindergartners & 1st graders, 57:4753
critical ability, survey of related literature & implications for training & evaluation, 55:5401
cross-lagged panel analysis of selected data from Berkeley Growth Study, infant mental ability vs behavioral measures as predictors of later intellectual ability, 58:7188
detailing & inferring & generalizing underlying inductive problem solving method, development of critical reasoning skills & curriculum, educable mentally retarded children, 54:12607
development & integration & testing of method of suggestion, foreign language learning & hypermnesia, college students, 58:12544
development & validity & reliability, measure of self concept of cognitive ability, 56:1653
developmental aspects, learning stimulus sets & multiplicative classification problem solving, 6–9 yr olds, 55:9398
developmental study, conceptual ability as assessed by 2 rule-learning tasks, 2nd & 4th & 6th graders & adults, 55:5998
different training methods & level of mental ability, human relations attitudes & decision making skills, 19–24 yr old male college business students, 55:13252
differentiation of speed into primary functional capacities, identification of conceptual speed in cognitive domain & independent variation of performance accuracy & speed in tests of higher mental functions, 54:10976
diphenylhydantoin, mental abilities, clinically normal elderly, 54:3710
diphenylhydantoin serum levels & toxicity, neuropsychological performance, epileptics, 56:6435
discriminative ability of predictor variables on Detroit Tests of Learning Aptitude in reference to clinical types, cognitive integrative functioning, boys with developmental dyslexia & normally reading Ss, 55:2514
disjunctive RT, reliability as index of age-related mental decline, normal vs cognitively impaired elderly persons, 57:13051
diurnal temperature cycles, cognitive ability performance, 5–14 yr olds with cerebral palsy living in residential school, 58:6356
divergent-production & letter-rearrangement ability, anagram solving, college students, 56:3378
drawing task performance, measurement of cognitive & perceptual abilities, stroke patients, 56:8259
dynamic equilibrium theory model, individual differences in aptitude & mastery learning, 56:9029
educational background & work patterns & skills & criminal record & mental ability & emotional stability & personality traits & stigma of heroin addiction & health, employability, ex-addicts on methadone maintenance, 56:6573
effectiveness evaluation, curriculum designed to teach decision making as cognitive skill, high school students, 55:8116
elaborative facilitation & cognitive & psychometric abilities, paired associate learning, 8–9 yr old boys with vs without learning difficulties, 58:1404
environment, cognitive ability, Central Eskimo & Nsenga African students, 53:2917
ethnic background & father presence vs absence & maternal work status & age & sex & mental ability of child, sociodramatic play, low socioeconomic kindergartners, 55:6838
ethnic group status & cognitive abilities & study skills, prediction of success in academic components of nursing-training program, Caucasian vs Mexican American vs Black 1st-yr students, 57:8928
explanations for calendar-calculating ability, adult male idiot savant, 54:3430
exposure to acculturation, performance on 2 learning aptitude tests & degree of psychological acculturation, 7–14 yr old children of transient vs settled-out Mexican American migrants, 58:7336
factor analysis, composition of visual & kinesthetic & cognitive modes of information handling, 55:11416
factor analysis, differential cognitive abilities, psychotic 3–7 yr olds in part-time educational program, 57:13918
factor structure of mental abilities on Comparative Guidance & Placement Program battery, cross ethnic construct validity of battery & discussion of test bias, Black & Spanish & Jewish & Caucasian-Gentile community college students, 57:10092
familiar vs formal materials, Piagetian classification & formal operational abilities, highly educated 30–38 vs 57–82 yr olds, 56:9695
father's education & school's contribution to reduction of variance in distribution of cognitive skills over time, academic achievement, 4th graders, 58:4299
food deprivation, critical flicker fusion & arithmetic & tracking & color-naming tests, 54:4558
formal intellectual training program, intelligence & achievement test performance, adolescent teachers' aides & police cadets, support for hypothesis of activity-induced hypertrophy, 57:7405
framework of J. P. Guilford's structure-of-intellect model, evaluation skill development, 10–15 yr old delinquent males, 58:9710
genetic analysis, analytical spatial ability on Raven's Progressive Matrices, family members, 53:504
genetic analysis of parent-offspring resemblance for specific cognitive abilities, American families of Japanese vs European ancestry, 56:3580
grade level & presentation mode & principle of inference, conditioned reasoning ability, 1st–3rd graders, 53:7030
handedness & eyedness, intellectual & cognitive performance, 6th graders, comparison with prior studies & implications for concept of cognitive deficits associated with left handedness, 58:4773
handedness & sex & age & nationality, verbal vs numerical vs perceptual reasoning cognitive biases, 9–20 yr old English & Scottish students, 57:2371
health & birth problems, verbal conceptual & figure drawing skills & socieconomic status, disadvantaged Spanish-speaking 5 yr olds, 55:11941
heritability of mental test peformance, male vs female monozygotic vs dizygotic twins, 57:2614
high level cognitive questions, levels of response & critical thinking abilities, high school students in social problems classes, 58:10313
high school graduation vs nongraduation & Armed Forces Qualification Test mental categorization, performance & career progression, air force personnel in initial tour of service, 57:2078
high vs low prior knowledge & critical thinking ability & cognitive level of behavioral objectives, learning & retention of population genetics task using self instructional program, preservice elementary teachers, 56:6695
high vs low ratings on A. R. Jensen's Level I & Level II associative abilities, associative test performance, 10–11 yr olds, 58:3125
holistic approach of teaching elementary science, performance of distinguishing & manipulating concepts of magnetism, culturally different 6th graders, 55:13254
home environment, achievement of cognitive skills in Head Start, low income children, 55:8152
home environment, prediction of cognitive & divergent-productive intellectual abilities, Filipino 6th graders, 55:13528
home visit parent education program, information processing ability & attitude toward learning, academically disadvantaged kindergartners & their parents, 55:13217
hormone levels & alpha rhythm of EEG & psychological test performance during menstrual cycle, women using vs not using oral contraceptives, 57:2808
hypnotherapy, facilitation of mnemonic ability, anxiety-prone student, 57:4027
hypothesis for difficulty in ability to evaluate contradictions & tautologies, 1st–3rd & 6th & 10th graders, 56:7665
imaging abilities & exhibited empathy during group psychotherapy, psychiatric inpatients, 58:5806
impact site, cognitive impairment persistence, right-handed males with severe closed head injury, 53:1570
incidence of left handedness & patterns of cognitive performance, black & white same-sex adolescent monozygotic & dizygotic twins, 56:3578
individual differences & cognitive skills, local–cosmopolitian orientation to work, chemical scientists, 53:10579
individual differences in imagery ability & visual vs verbal task in eliciting imaginal processing, retention of verbal material, high vs low imagers, 55:3717
individual differences, simultaneous & successive cognitive processing, 1st & 4th graders, 54:8840
induction of mood states, cognitive & social behaviors, female college students, 55:9859
information feedback, matrices learning, low vs middle socioeconomic status white male 1st & 3rd graders, 54:8862
information per item, ability to randomize sequences, college students, 53:290
information processing rate & memory & vocabulary & language ability tests after injury until recovery, male college students vs nonstudents with concussions, 58:11954
informational order & frequency of applicant evaluation, information processing competence, employment interviewers, 54:8562
initial cognitive ability & level of education at 64 yrs, intellectual performance, octogenarians, 20 yr followup, 54:7268
instructions & passage organization & stimulus contiguity & ability, learning quantitative rule & information relevant to rule & incidental information in passage, high school students, 58:2693
instructions to study silently & associative ability & presentation rate, associative encoding & RT in free recall, college students, 58:10978
intellective & personal adjustment characteristics, motor activity & control, 4th graders, 55:3592
intellectual & cognitive & reading skills, tactile-perceptual skills, 6–8 vs 12–14 yr olds, 57:5536
intellectual & cognitive performance, patients with multi-infarct dementia & Alzheimer's disease dementia & vertebrobasilar insufficiency with dementia, 54:12140
intellectual abilities & individualized treatments in mathematical concepts, mathematical concept achievement, 6th graders, 55:13178
intellectual abilities, verbal instructional behavior, student teachers, 55:13050
intellectual ability & personality, stimulative & inhibitory motor reactions to emotional stress, 58:11761
intellectual impairment & levodopa effects on cognitive performance, patients with chronic hepatic encephalopathy, 55:4909
intelligence & cognitive abilities, patients with progressive myoclonus epilepsy without Lafora bodies, 53:9947
interaction between spatial visualization & general reasoning aptitudes & instructional treatment method, learning & transfer of absolute value equations, college students, 55:13339
interactions between fluid & crystallized abilities & individually vs nonindividually prescribed instruction in reading & arithmetic, vocabulary & reading comprehension & arithmetic concepts & problem solving, 5th graders, 55:13239
internal external locus of control, perceived confidence on problem solving abilities scale, male & female college students, 56:4113
interrelations between cognitive & personality characteristics & teacher judgments of students & academic performance, 12 yr old students, longitudinal study, 55:8237
IQ & cognitive & personality rigidity, concept learning ability, college students, 53:1179
language & auditory discrimination & short term memory abilities, hearing impaired & normally hearing kindergartners to 3rd graders, 55:7436
learning set training & color vs form preference, problem solving ability, preschool age children, 55:3718
lecture vs programed instruction, mental factors & thinking interest factors & algebra success, college students, 56:2849
lesion locus, differential abilities as adapted from structure-of-intellect model, cerebral brain-damaged vs normal adults, 53:12023
level of redundancy & number of equational steps in conserving operations, speed & errors in card-sorting & coding tasks, 7–8 yr old good conservers vs poor conservers & nonconservers, 57:337
linguistic & cognitive variables, social & emotional adjustment, 1st–9th grade immigrants, Sweden, 57:1040
linguistic competence, psycholinguistic properties of reading & oral language comprehension, children, 58:9296
lithium carbonate vs placebo, cognitive functions, normal male Ss, 58:9129
locus of control & trait anxiety, information processing measures in stressful condition, graduate & college students, 58:6834
long term levodopa therapy, psychometric test performance for memory & cognition & perception, 48–82 yr old parkinsonian patients, 56:1127
MA, moral judgment & cognitive performance, cultural-familially retarded vs nonretarded children, 54:9978
masculinity–femininity of behavior & cognitive ability, 5–30 yr old patients with congenital adrenal hyperplasia, 54:1467
mathematical problem solving performance, intellectual abilities, 4th graders, 58:12615
measurement of structure-of-intellect abilities, divergent production of symbolic systems & semantic systems, male college students, 53:6589
mental abilities & neurological characteristics, achieving vs non-achieving educable mentally retarded/neurologically impaired 9–11 yr olds, 55:1518
mental ability level, performance on visual literacy-related photographic exercise task, black vs white vs Spanish schoolchildren, 55:5533
mental ability measured by Wonderlic Personality Test, ex-heroin addicts on methadone maintenance as job applicants, 53:11928
mental aspects of aging, assumptions leading to misinterpretation of research findings & methodological considerations, 57:9933
mental capacity & conservation task type, conservation reasoning ability, 4–6 yr olds, 57:946
mental processing capacity & anticipatory & retroactive abilities & development of concrete-operational structures as measured by performance on criterion logic tasks, 1st & 2nd graders, 57:9969
mental strategy & capacity & instruction, neo-Piagetian theory of development for prediction of digit placement task scores, 6–10 yr olds, 53:9258
method for analysis of genetic basis of covariation, application to twin data on covariation between mental abilities, 53:501
methyldopa, mental acuity, patients in professional occupations, 53:10078
methylphenidate, cognitive & behavioral functioning, hyperactive 8–12 yr old males, 58:12168
mild losses in auditory acuity, performance on verbal & nonverbal intellectual measures, aged males with normal hearing & physical disorders, 56:8239
milieu & schooling & age, conservation ability, 6–7 & 8–9 & 11–13 yr olds & Ss over 18 yrs from rural & urban Nigeria, 53:2871
models of cultural deprivation process linking socioeconomic status & family environments & children's abilities, extension of basic model with consideration of parental abilities, 57:997
mother-child nonverbal behavior & cognitive abilities & style & departure situation, children's responses to brief separations from mother, middle vs lower class mothers with male vs female 2 yr olds, 57:3123
mother's teaching styles, cognitive abilities & reading achievement, 1st graders & mothers, 55:1420
motivation & cognitive ability & anxiety, inductive & deductive problem solving performance & satisfaction, college students, 58:8710
motivational problems, computational skills in sociological statistics, college students, 53:1945
motivational strategies in open classroom setting vs individual card tasks vs instructional TV & cognitive ability, aesthetic & visual perceptual attainment, 3rd graders at art learning centers, 58:10275
negation & syntactic ordering in given conditional &/or assertion form of proposition to be inferred, inference of valid conclusions/logical equivalents from given conditional assertions, 4th & 8th & 12th graders, 55:9429
nonmathematical reasoning abilities, prediction of success in engineering technology, college freshmen, 58:6276
nonverbal ability test performance, art vs nonart volunteer college students, 58:10651
ontogeny of cognitive ability in linear patterning in enactive vs iconic vs symbolic modes, inner-city 4–7 yr olds, 55:6724
open heart surgery, intellectual functioning, patients, 57:6449
open vs traditional middle school programs, gains in cognitive abilities & affective behaviors, 6th grade disadvantaged Black students, 58:12499
oral language & perceptual & demographic & intellectual factors, reading achievement, 1st graders in good vs average vs poor reading groups, 55:8159
orderly performance of mental operations, relationship to problem solving success, industrial studies students, educational implications for inquiry & composition skills, 55:3075
ordinal position & family environment & social status, mental abilities, male 11 yr olds, 54:2768
parents' education, mean changes for verbal comprehension & inductive ability & spatial ability & general intelligence between 9 & 12 yrs, Sweden, 53:4884
parents's attitude toward child's education, cognitive & personality test performance, Canadian black & white 4th graders from low & high socioeconomic strata, 55:5684
participation in commercial mathematics & strategy games, cognitive abilities & attitudes toward mathematics, 7th graders, 55:8039
peceptual & cognitive skills, prediction of academic achievement, low & average & high achieving 3rd grade males, 55:8389
perceived classroom environment, critical thinking ability & attitudes toward education & higher thought process emphasis, 7th & 8th graders, 57:11467
perceptual support & preoperational & transitional & operational stages of cognitive development, performance of multiple classification tasks, 4–9 yr olds, 58:9243
performance on perceptual & conceptual tasks & validation of Kagan's construct of conceptual tempo, reflective vs impulsive 2nd vs 5th graders, 58:9290
personal & family handedness, WAIS & cognitive factors test performance, right vs mixed vs left handed college students, analysis with respect to J. Levy's theory of hemispheric specialization, 57:11839
personality & cognitive variables, prediction of achievement using traditional lecture approach vs individualized instruction, students in high school biology, 57:13806
personality & intelligence factors, prediction of desirability of office workers to supervisors, workers in finance & insurance & real estate firms, 55:11121
personality factors & critical thinking abilities, activity- vs textbook-centered prospective elementary science teachers, 55:2981
personality inventory vs cognitive & application data, prediction of graduation from medical school, medical school graduates & academic & nonacademic dropouts, 55:5357
personality traits & prior experiences & cognitive abilities, RT & commonality scores & idiodynamic response sets of word associations, female college students, 54:316
perspective-taking feedback & practice, spatial egocentrism, middle class 61–88 yr olds, 55:11992
physiological aging vs senile dementia, cognitive abilities, book, 54:1263
Piaget's concepts of concrete & formal operations, expansion of upper levels of Gagne's hierarchy of intellectual skills, junior high school students, 58:11453
preference for interacting with people vs objects, intellectual abilities & social behavior, 4–5 yr olds, 54:5038
prenatal androgen, intelligence & cognitive sex differences, genetic adrenogenital syndrome patients & unaffected family members, 53:11979
prerequisite cognitive abilities & role of verbal & nonverbal interactions & types of cognitive strategies employed in oral language learning in early childhood, 58:5138

prerequisite principles & conceptualization treatment & problem solving ability, cognitive achievement, high school students, 54:4099
problem solving ability, 9–18 yr old educable mentally retarded, 55:7397
problem solving cognition & MMPI characteristics & other psychopathology indices, psychiatric patients, 58:5530
profile types from analysis of cognitive abilities & vocational preference & interests & education attitudes & achievement & aspirations, guidance tool for educational decision making, 8th graders, 58:2236
programed instruction & cognitive ability & personal factors, achievement in psychology, college students, 58:4254
psychiatric incidence rate & intelligence & cognitive ability factors, Navy psychiatric divers vs nondivers vs normal divers, 53:1330
psycholinguistic abilities, 3–10 yr olds with petit mal epilepsy vs mixed epileptic seizures vs nonepileptic Ss, 58:1494
psychological education curriculums, acquisition of cognitive competence, students, 54:8350
psychometric & adaptive ability & motor proficiency & sensory discrimination measures, drug toxic & nontoxic epileptic patients, 54:3682
public school kindergarten experience vs no experience, readiness & basic skills & personality development & mental ability, 1st graders, 55:10833
race & differing degrees of isolation & estrangement from white society, cognitive competence, Indian vs white 1st–3rd graders, 56:2135
race & social class & maternal employment, correlations between reading performance & central information-processing abilities as measures of conduct problems vs learning disabilities, black vs white 3rd grade males identified as conduct problems, 56:4935
race differences, verbal problem solving ability, nonverbal reasoning, black vs white 4th & 5th graders, 54:10982
Rasch model, test of Piaget's hypothesis that concrete & formal operational tasks require different skills, 2nd vs 4th vs 6th vs 8th graders, 55:4239
rate of physical maturation & lateralization & sex, verbal vs spatial abilities, 5th–10th graders, 58:3126
reasoning processes & thinking ability, reading performance analysis, 53:1956
relational concept in analogy & individual differences in processing relationships, cognitive aptitudes reflected in analogy item performance & individual differences in solving analogies, college students, 56:7201
relations between mental abilities & social status characteristics & sibling constellation, 11 yr old males, 54:9708
relations with parents, cognitive abilities, 4th–6th graders, China, 55:9401
relationship between learning strategies & cognitive abilities, rural 3rd–12th graders, 54:10996
relationship between nature of means & methods or media in instructional theory & nature of mental skills in cognitive theory, 56:1300
remediation program, cognitive strategies, low achieving 3rd & 4th grade Indians, Canada, 58:4383
remediation treatment, cognitive strategies, low achieving 3rd–4th graders, 58:6369
representative construction of spatial forms & prehension-exploration, hearing vs hearing impaired school age children, 55:2527
rescoring of Rorschach protocols by developmental level of perceptual integration, indication of cognitive capacity, Black vs White 7–14 yr olds at guidance clinic, 57:7208
residence in lead-polluted vs unpolluted areas & closeness to pollution source, mental capabilities, 11 yrs olds, England, 57:7086
RT time technique & release from proactive inhibition technique, assessment of verbal encoding ability & deficit, alcoholic Korsakoff patients, 56:6189
Sarason's Test Anxiety Scale scores & time estimation & conceptual maturity, spatial placement of human figures drawings, young adolescents, 57:1274
school attendance, cognitive skills & intellectual development, Hausa 6–13 yr olds attending vs not attending school, Nigeria, 57:918
secondary sex characteristics development, physical androgyny & relationship to spatial abilities & fluent production verbal ability, longitudinal study of Ss at 13 & 16 & 18 yrs of age, 57:9953
selected structure-of-intellect factors, intellectual abilities & achievement in PSSC physics, high school students, 55:13344
self confidence level & confidence bolstering vs lowering feedback manipulation & subsequent confidence change, cognitive & personality performance, male college students, 57:1247
semantic vs nonsemantic orienting instructions & semantic integration of sentences & intellectual ability, incidental sentence recall, normal & educable mentally retarded 10 yr olds, 58:859
separation anxiety due to parental absence, cognitive task performance, nursery schoolers, 57:5499
sequential differences in test scores on general ability test, kindergartners & 1st & 4th–6th & 10th–12th graders, Puerto Rico, 55:8432
service component & age at entry & education level & mental ability & peer rating, military delinquency, 55:10003
severity of alcoholism, cognitive style & intellectual performance, hospitalized alcoholics, 53:9834
sex & eye darkness & social class, perceptual motor & cognitive & associative & verbal learning abilities, male & female & lower & middle class Ss, 55:87
sex & race, cognitive ability, Black vs White 5th & 8th & 11th graders, 58:11478
sex & verbal & mental ability, analogy test performance, White vs non-White high school & college students from differing socioeconomic levels, significance for study of test bias, 58:10808
sex & verbal & spatial ability levels, personality traits, college students, 54:1098
sex, ability & personality traits, 11th & 12th graders, 56:2409
sex by race interaction in cognitive measures, male vs female White vs Black high school students, 57:1254
sex, cognitive performance & organization of spatial abilities, aged, 58:3091
sex differences & structure-of-intellect factors, verbal vs figural mode of presenting programed units in teaching mathematical relation, college students, 55:3041
sex differences & types, field dependence & analytical ability, male vs female college students, 53:11698
sex differences in information processing abilities, implications for employment, 58:12803
sex differences in intellectual abilities, literature review, 56:8052
sex differences in sensory & perceptual processes, cognitive abilities, literature review, 58:780
self-generated vs E-supplied associations during storage & associative ability, free recall, college students, 56:3431
short term memory & encoding capacity, patients with Huntington's chorea & Korsakoff's syndrome, 57:3671
short term memory & visual processing tasks & psychometric measures, individual differences & interrelationships among select set of cognitive skills, college students, 57:11963
short term memory task, clustering & class inclusion ability, kindergartners vs 2nd graders, 58:9255
sibsize & family environment, cognitive performance & affective characteristics, 15 yr olds, 58:5101
simple statistical model of brain function, reading ability & EEG amplitude, children, 53:6723
simultaneous & successive syntheses model of A. Luria, processes underlying cognitive abilities structure, 53:8765
social class & test vs game situation, linguistic & cognitive performance, lower vs middle class 1st graders, 56:3382
social maturity & IQ & cognitive skills, 12- & 16- & 21-yr-old XYY Ss in special school for mentally retarded, 53:9890
social skill vs intellectual task, performance satisfaction & ability perceptions, liberated vs traditional female college students, 58:11763
sociocultural & linguistic & cognitive characteristics, reading & language & mathematics performance, 1st graders, comparison with kindergarten performance, 58:10443
socioeconomic status & ability & parental encouragement & sex roles, educational aspirations, adolescents in junior middle schools, Taiwan, 58:12688
socioeconomic status & age, usage of logical conjunction & disjunction, low vs middle class kindergartners & 2nd & 4th & 6th graders, 55:9414
socioeconomic status & sex differences, performance on verbal & nonverbal tests of cognitive ability, Maori vs Pakeha 4 yr olds, New Zealand, 57:5649
socioeconomic status, basic & conceptual learning ability differences, educable mentally retarded students, 55:3218
sorting & perceptual organization & memory for location tasks, performance, normal hearing vs hearing impaired 8–9 yr olds, 58:11962
spatial & verbal-educational & inductive reasoning abilities, Inuit vs white 1st graders from similar subsistence level fishing community, Canada, 56:9699
spatial ability, sex differences in field independence & mental arithmetic, college students, 55:797
spatial aptitude & permutational ability, college students, 55:3691
spatial visualization & general reasoning & inductively vs deductively structured instruction, learning inequalities, high school geometry students, 56:4755
special needs & psychological liabilities & intellectual ability, patients afflicted with Down's syndrome, 57:10571
specificity of visual display information & meaningful/nonmeaningful information chunks & sequential presentation & chess skill, recall memory for chess positions, chess club members, 57:7451
speech encoding ability in identification & discrimination of vowel-consonant syllables, Ss with sensorineural hearing loss, 56:945
stabilized form of procaine, interpersonal functioning & cognitive ability & psychiatric symptoms & urine & blood chemical findings, geriatric psychiatric patients, 54:10199
stimulus encoding & recipient perspective skills, communication accuracy, 1st & 2nd graders, 57:9942
structure-of-intellect & visual vs figural concept presentation, retention & transfer in modulus 7 arithmetic unit, college students, replication of M. J. Behr's & P. M. Eastman's aptitude/treatment interaction studies, 56:4748
structure-of-intellect abilities, achievement in Mechanical Energy Sequence from Conceptually Oriented Program in Elementary Science, 6th graders, 55:1459
study habits & mental abilities & achievement motivation, academic performance, college students, 58:12588
study times & procedures & associative ability, relationships between associative RT & meaningfulness & association responses during free recall learning, college students, 55:1822
subclinical lead levels, cognitive & sensorimotor ability, black preschoolers, 55:7257
sulthiame vs diphenylhydantoin, intellectual & neuropsychological & social functioning, adult epileptics, 56:6436
task characteristics & individual differences in abilities & preferences & values, work satisfaction & quantity & quality in simulated electronics maintenance work, college students, 57:7069
teacher expectations & awareness of expectation effects, teacher-student feedback during assistance of "bright" vs "dull" hypothetical student, male college students, implications for teacher training, 56:2830
teacher ratings of Ss' abilities & classroom skills & personal-social characteristics, prediction of academic achievement, students rated in kindergarten & 2nd & 3rd grade, 56:10691
teaching methods & cognitive levels, acquisition of complex concepts, 8th graders identified as concrete vs abstract thinkers, 55:13151
teaching methods emphasizing mathematical structural properties & reflective intelligence, mathematics learning, 8th graders, 55:10768
techniques & procedures to eliminate students having cognitive but not affective abilities to be successful counselors, survey of graduate schools, 57:11565
theory & criticism summary, A. Jensen's 2 levels of intellectual ability, 56:4100
theory of Level I ability of A. R. Jensen & recent research on human memory, 58:10768
training with Piagetian tasks, attainment of formal operative level, 12.3–15.1 yr old male educable mentally retarded, 54:7888
traveling on buses, decision making & intellectual capacity, paid students, 55:1699
type of reversal shift & MA, discrimination reversal learning, 2–7 yr olds of intermediate intellectual ability, 58:11423
understanding of rules of conditional logic, 10th vs 11th vs 12th graders, implications for curriculum planning, 58:12510
unilateral brain lesions secondary to missile wounds, verbal & nonverbal performance, right- & left-hemisphere lesioned vs normal Ss, 53:1523
validity of objective testing as process of appraising thinking ability, students in high school biology & physics, 57:13990
verbal & numerical & spatial aptitudes measured in 1st yr of high school, 5 yr followup of academic & professional success indicators, 54:12585
verbal intellectual functioning & academic achievement & self concept, mentally handicapped children in 3 types of classroom placement, 55:8324
verbal labeling, auditory intrasensory equivalence task performance, good vs poor 11–12 yr old male readers, 54:6303
verbal-symbolic vs verbal-spatial-numeric presentation & spatial visualization vs general reasoning aptitude, learning quadratic inequalities, high school algebra students, implications for adapting instruction to learner characteristics, 56:4839
vision & mental function, residents from skilled & intermediate & board & care units of center for elderly, 57:12544
visualization ability measured on Space Relations section of Differential Aptitude Test, relationship to alpha rhythm generation during visual tasks, college students, 55:11278
vocational decision making ability & thinking ability interrelationship, 6th vs 9th graders, 55:3258
vocational interests & aptitudes, school grades, high school students, 54:12574
WISC-R subtest pattern scores, analysis of cognitive abilities, learning disabled 6–15 yr olds, 57:9206
word retrieval & classification skills, children with primary dyslexia, 55:2513

Cognitive Complexity

adaptation of conceptual complexity to environmental demands, long term leadership success, revolutionary leaders, 56:8071
Bieri Role Construct Repertory test of Schroder's Paragraph Completion Test & Concept Span test, generality of cognitive complexity across measures & stimuli, 56:9894
cognitive complexity & achievement motivation & independence of judgment, leader's differential cognition of coworkers, high school & college students, 54:5262
cognitive complexity & acquiescence & maternal childrearing attitudes, college students, 57:10352
cognitive complexity & attitude similarity & instructional set, impressions formed of strangers, college students, 55:12236
cognitive complexity & classroom cognitive behavior, teachers, 58:10273
cognitive complexity & context of anticipated interaction, information seeking processes in impression formation, male vs female college students, 58:11709
cognitive complexity & contingent reward, interpersonal perception accuracy, antisocial male prisoners, 58:11895
cognitive complexity & creativity relationship, art & playwriting students, 55:12344
cognitive complexity & descriptive vs evaluative similarity, attractiveness ratings of stranger, college student volunteers, 58:9512
cognitive complexity & dogmatism & repression-sensitization interrelationships, college students, 56:6101
cognitive complexity & impulsivity-reflectivity & present-future time perspective & cheating behavior, predictions of subtype differences of "I" level classification system, institutionalized delinquent girls, 55:7350
cognitive complexity & interpersonal attraction & passive vs active involvement & actor's positive vs negative action during dyadic problem solving, causal attribution of actor's behavior & communication strategies, college students, 58:3342
cognitive complexity & perceived valence & acquaintance with other, analysis of processing of interpersonal perceptions via elicitation of personal constructs, 58:5303
cognitive complexity & perceiver's set, organization of impressions, college students, 55:7159
cognitive complexity & person-space differentiation & assumed similarity & stereotype accuracy, peer & O ratings of socioemotional skill, T group members, 57:1614
cognitive complexity & preference evaluability, ideological constraint, adults, 54:5278
cognitive complexity & religious orientation, information processing, 11th graders, 53:7444
cognitive complexity & salience of dimensions, person perception, 54:5253
cognitive complexity & self esteem & attitudes toward people in general & institutional environments, changes in racial prejudice, Black & White male prisoners, replication of S. W. Cook's railroad game in prison setting, 57:12711
cognitive complexity & situational stress related to assertiveness, accuracy of person perception, 58:5357
cognitive complexity & social perspective-taking, communication efficiency & interpersonal adjustment, spouses, 58:11574
cognitive complexity & trait anxiety, identification of dogmatism, high- vs low-dogmatic college students, 55:4597
cognitive complexity, accuracy of interpersonal perception, primary vs secondary psychopaths vs normals, 57:10544
cognitive complexity, adaptation to sociocultural change, Cuban refugees, New Orleans, 55:12113
cognitive complexity, control & reinforcement of pupils in classroom, teachers, 56:8638
cognitive complexity, design objectives & dimensions of retrospective evaluation of built system, architecture students, 56:10914
cognitive complexity, distortion of filmed episodes of incongruous interpersonal behavior, 2nd & 3rd & 5th & 6th graders, 57:5824
cognitive complexity, experienced conflict in decision making, college students & appliance purchasers, 58:1255
cognitive complexity in social relationships, male-dominated vs traditional vocational choices, female college seniors, 54:1137
cognitive complexity, information utilization in social judgments, 55:6113
cognitive complexity, interpersonal sensitivity in commonsense personality descriptions, college students, 55:4581
cognitive complexity, leadership style & effectiveness & counselor job satisfaction, vocational rehabilitation agency supervisors, 58:2364
cognitive complexity, least preferred coworker leadership style, male middle- & upper-level managers & civil service engineers & college & business graduate students, 53:2078
cognitive complexity of impression, impression formation of peers in informal social interaction, college students, 54:9590
cognitive complexity of individuals, small group decision making about drug problem, student volunteers, 55:12220
cognitive complexity of written descriptions of acquaintances, accuracy of interpersonal judgments using filmed interviews, college students, 55:4552
cognitive complexity, response style as within-S variance across course evaluation items, college students, 58:10502
cognitive complexity stability, college students, reply to M. Gibson's methodological criticism, 56:676
cognitive complexity-simplicity & information processing abilities, perceptions of dramatic productions, college student audience members, 55:2382
cognitively complex vs simple judges in simulated employment interview procedure, perceptions & evaluations of attitude similarity-dissimilarity in applicants, college students, 57:1211
conceptual complexity, teacher-student interaction, 7th graders in inner city vs suburban vs alternative classrooms, 56:3004
conceptual complexity vs simplicity, concept learning of painting styles, 54:6724
conceptual dimensions & relatedness in categorizing others, construct ratings & impressions of inconsistent stimulus persons, college students, 57:1197
conceptual tempo & cartoons varying in cognitive complexity & affectivity level, spontaneous mirth & humor comprehension & appreciation, 8 & 10 yr old males, 55:6721
conjunctive vs disjunctive concepts vs lists of instances vs complexity, deductive problem solving, college students, 53:342
consistency of parental discipline & sex of disciplining parent during childhood, complexity of adult affective & analytic styles, college students, 56:9641
context-relevant beliefs about other, interpersonal evaluations, college students differing in cognitive complexity, 54:7502
convergent validity, 4 indices of cognitive complexity, college students, 55:53
convergent vs divergent thinking, cognitive complexity, 5th & 6th graders, 57:5915
cue consistency & individual differences in cognitive complexity & intelligence, judgmental processes, college students, 58:9553
demographic attributes & social roles & situational determinants & individual difference dispositions, helping behavior in contrived emergency situation, urban vs rural college students, 58:9549
development of affective complexity measure, relationship of scores to cognitive complexity & mood level & variability, college students, 58:11770
developmental analysis, cognitive complexity & organization of personal constructs, 5th–11th graders, 58:9338
dogmatism & creativity & complexity interrelationships, graduate students, 55:12334
dream workshop & psychological differentiation & extraversion-introversion & defensiveness, dream experience level, 58:8845
encounter group experience & client characteristics & attitudinal set & mood states, cognitive complexity, college student clients, 58:5866
ethnic group & age & sex, Draw-A-Person Test interpretations using cognitive complexity & cultural emphases & social group value

constructs, native-born Mexican & Anglo Americans below 9 & above 11 yrs old, 57:5546
generalizability of cognitive differentiation across 2 different consumer products & interpersonal relations, male business administration students, 57:12707
generation gap, changes in authoritarianism & values & cognitive complexity, participants in California, implications for business, 55:12301
Grid Form of Role Construct Repertory Test, comparison of cognitive complexity measures, college students, 53:5361
group counseling, self esteem & psychological adjustment & autonomy & complexity & impulse expression & social extraversion, male vs female college students, 57:13256
immediacy of confederate's self-disclosure & similarity of S's & confederate's levels of conceptual complexity, immediacy of self-disclosure, conceptually complex vs simple college students, 53:12112
individual vs provided constructs & cognitive complexity, extremity of ratings in person perception, college students, 55:803
information flow & cognitive complexity, risk taking behavior, college students, 58:8824
instructional strategies, immediate & delayed use of higher cognitive level questions, preservice teachers in elementary school classrooms, 55:12979
instructions for deductive reasoning, discrimination between positive statement & its converse, college students, 53:2343
intelligence & differentiated cognitive style & parental authoritarianism & demographic characteristics, originality-fluency, male vs female nursery school students, 58:11415
intercorrelations between several measures of cognitive complexity, relation to S's prediction of how target others employ personal constructs, female college students, 57:3245
interpersonal trust, cognitive complexity for positive & negative evaluated social stimuli, male vs female college students, 56:4034
interviewer cognitive complexity & attitude similarity, interpersonal attraction & delineation of boundary conditions, college students, significance for potential personnel bias, 56:3115
introversion-extraversion, tolerance of cognitive inconsistency, college students, 58:1261
involvement, integrative complexity & creativity relationship, females, 55:9849
item difficulty & cognitive complexity & format of training tests, social studies achievement, 5th graders, 55:8166
leader's cognitive complexity, opinion of least preferred coworker, adults with industrial experience, 55:8508
locus of control & cognitive complexity, latitude of acceptance & attitudes toward legalized abortion, male vs female college students, 56:711
locus of control & cognitive complexity, methadone treatment knowledge, heroin addicts in methadone programs, 58:10096
Machiavellianism & interpersonal construct systems, 58:3367
male vs female stimuli, cognitive complexity, male vs female college students, 53:1202
moral judgment & cognitive complexity & political-economic ideology & philosophy of human nature, attribution of responsibility, college students, 58:11703
negative vs positive affect groups, cognitive complexity, college students, 55:7146
nonverbal cues & high vs low cognitive complexity, impression formation & interpersonal perception, 58:1170
occupational information, cognitive complexity in vocational choice process, college students, 56:3042
own vs provided constructs, cognitive complexity & differentiation scores on Kelly's Role Construct Repertory Test, education students, 53:11733
participation in antipollution activities, complexity of judgments about environmental degradation, replication of C. Hovland & M. Sherif's research, 53:5101
perception of own performance in relation to others & cognitive complexity, assimilation & contrast in evaluation of own performance, college students, implications for use of appraisal interview, 58:4493
perceptual sensitivity as cognitive complexity, leadership, supervisors & managers, 55:13687
person vs thing orientation, differentiation & integration in person & thing spheres, males vs females, 58:11766
personal construct complexity, articulation of human figure drawings, 17–42 yr old psychiatric inpatients & 18–44 yr old college students, 58:3488
Piaget's model of sequential strategies for deductive reasoning vs P. N. Johnson-Laird & P. C. Wason's model of natural "thought," deductive reasoning, 53:2337
positive vs negative observed behaviors & threat of future interaction, judgment complexity, male college students, support for Polyanna hypothesis, 56:4053
presentation order of construct poles, J. Bieri's measure of cognitive complexity, methodological criticism of F. Epting's study, 56:2342
presentation order of factual & persuasive communications & cognitive complexity, jury decision making & perceptions, simulated jurors, 57:8254
prior familiarity & cognitive complexity, information processing rules in brand evaluation, respondents, 55:1705
problem solving vs individualistic orientation & cognitive complexity & aspiration levels, development of integrative solutions in bilateral negotiation, male college students, 55:735
processing complexity in recognition & discrimination, average evoked potentials & contingent negative variation, college students, 55:9125
pupil achievement information & S's cognitive complexity & locus of control, attributions of student ability, student teachers, 57:13676
reliability & validity, cognitive complexity & constellatoriness & identification traits as measured by Grid Form of Kelly's Role Construct Repertory Test, summer school students, 57:82
role taking ability & egocentricity & cognitive complexity & conservation, relation to behavioral measures of altruism, 7 & 11 yr olds, 56:476
Rosenthal's theory of teacher expectancy vs Harvey's belief systems theory, attitudes & behavior toward "bright" students, teachers, 58:12457
self-environment relations, cognitive complexity & field independence, male vs female college students, 58:7601
sequential development of cognitive complexity, 3rd & 5th & 7th & 9th graders & adults, 55:4329
set to integrate vs differentiate story information & evaluative distinctiveness of characterization & S's conceptual relatedness level, comprehension of social situations, college students, 57:10223
set to understand vs evaluate speaker & cognitive complexity & initial attitudes toward role of women, impressions of speaker advocating traditional or liberated role, college students, 54:1022
sex of stimulus person, cognitive complexity & extremity & affect in interpersonal judgments, male & female college students, 55:7123
situational overload & sex & flexibility in cognitive style & altruism & rural vs urban rearing, helping behavior, college students, 56:6066
social differentiation & perceptual organization on Rorschach & Bieri Test of Cognitive Complexity, fatherless & nonorphaned 9–14 yr olds, Israel, 56:3914
structure & integrative complexity & locus of control & religious orientation & impulsivity-reflecting correlates, 11th graders, 57:12844
task uncertainty & number of cues & classification by sex & differentiation & integration, multiple-cue task performance, college students, 55:3686
teacher wait-time, student inquiry behavior & cognitive complexity of responses, 5th graders, 55:10922
teachers' perception of students' ability levels, teachers' cognitive demands in teacher-student interactions, cognitively complex vs simple teachers with educable mentally retarded in regular classrooms, 55:8260
tolerance and cognitive complexity in civil liberties attitudes, "constricted" vs "nonconstricted" Ss, 55:6979
training before & during student teaching in raising cognitive level of questioning, student teachers, 55:10654
training for cognitive & affective complexity, development of self perception & interpersonal perception, inner city black 7th graders, 55:13123

Cognitive Contiguity
associative vs hierarchical properties of word pairs, learning & recall from semantic memory, 56:7212
cognitive representation of others, willingness to help another person, female high school students, 58:1137
communication preference for direct statements vs transactional disqualifications, schizophrenia, 55:12373
contiguity, achievement of informational content & psychomotor task performance, 5th–7th graders, 55:1440
contiguity hypothesis, multiple-concept-attainment task, college students, 53:6613
contiguity vs reinforcement drive levels, selective learning, literature review, 56:7229
contiguity with vs instrumentality of reinforcement, interpersonal attraction, 53:3027
integration of inconsistent information, cognitive organization, 55:6096
intelligence, effect of cognitive consistency on evaluations of speech, 56:4028
personality, experience & tolerance & resolution of cognitive inconsistency, 55:8846
process continuity, recognition learning, 53:377
time & education, need for cognitive consistency, Indian pre- and post-high school students, 54:5335

Cognitive Development [See Also Intellectual Development, Language Development, Perceptual Development]
abilities, development & assessment from Piagetian vs Soviet basis & differences in Czechoslovakian & Soviet definitions & distinction between abilities & related concepts, 57:9988
ability & effort information, integration process of achievement outcome prediction, 6–11 yr olds vs college students, 53:2865
ability & sex differences, acquisition of formal operations, 5th–8th graders, 54:5001
ability to attach labels to earlier nonverbal experiences prior to establishment of labeling rules, college students, implications for inability to recall early childhood experiences, 56:5325
ability to conserve discrete quantities, use of English conjunction structures, kindergartners, 58:7222
ability to conserve length, development of size concept, conserving vs nonconserving young children, 56:2147
ability to discriminate among novel forms by naming, performance on referential communication task employing same forms, 3–5 yr olds, 57:8004
ability to distinguish tautological from contingent statements, logical thinking, children, 55:11982
ability to infer another person's perceptual & cognitive & affective viewpoints, prediction of ability 1 yr later, kindergartners through 3rd graders, implications for validation of perspective-taking construct, 58:7157
ability to make immediate inferences based on traditional square of opposition, 5th vs 7th vs 9th graders, 56:2130
ability to nonverbally distinguish between agent & recipient of action, male 14–24 mo olds, 55:9418
ability to perform actions of task & understanding of rationale behind action, stages in development of conceptualization of actions, 4 yr olds to adolescents, book, 56:7668
ability to understand concept of function, 7 vs 9 vs 12 yr olds, 55:11979
ability to utilize pictorial symbols as representatives of real objects in classification & identification tasks, 3 vs 8 yr olds, 58:873
absence vs presence of concrete to abstract stimulus attributes & anticipatory imaging ability, cognitive performance on Piagetian conservation tasks, primary school age children, 57:12507
abstraction vs identification tests, superordinate & subordinate concepts, 4 & 6 yr olds, 55:2190
accurate long term memory for events, 4–7 yr olds, investigation of Piaget's vs Bartlett's hypotheses, 56:7672
achievement characteristics on pattern recognition tasks, high & low performers in preschool & kindergarten & 1st grade, 55:13346
acquisition of counting skills, Ss aged 2 yrs to 5 yrs 11 mo, 53:891
acquisition of identity conservation & equivalence conservation & compensation, kindergartners & 1st & 2nd graders, 55:4229
acquisition of knowledge, extended Piagetian approach, 57:5572
acquisition of language & semantic representations, children, 57:2897
acquisition of specific & generic concepts involving class inclusion, 2.4–4.10 yr olds, 55:4274
acquisition of understanding of "front" & "back" & "side", nursery school students, 57:944
action sequences in block balancing task, general processes of cognitive behavior, 4–9 yr olds, 56:7645
activity paralleling Piaget's 3 stages of cognitive development & responsible assignments, learning from written materials, males vs females, 56:10607
adaptation level model vs information integration model vs similarity classification model, psychophysical judgments, 5–24 yr olds, 56:7686
adaptive processes & "languaging" precursors, auding & reading developmental model, 53:7051
additional systematic study of empathy, measurement technique & relation to social cognitive development, 54:7663
adequacy of adult memory models as approaches to memory development & analysis of dialectical model of memory development, 58:5167
adequacy of maternal behavior during infant feedings, development of object relations, Ss tested at ages 6 wks & 6 mo & 1 & 3 & 4 & 5 & 7 yrs, 57:9932
adjustment patterns in cognitive & motor & emotional & psychosexual domains, analysis of normal schoolgirl, 56:9646
adult development & aging, overview & summary of major findings, 57:9951
adult-child discourse, developmental interaction between information processing & linguistic knowledge, longitudinal study of children from 21–36 mos of age, 57:5511
advance organizers with social studies lessons, use of causal & logical connectives, 6 vs 10 yr olds, 58:12526
aesthetic development as measured by responses to questions about presented art paintings, 5–17 yr olds, 57:12509
affective development, cognitive development, 53:11406
affective education, cognitive performance on intelligence & reading readiness measures, kindergartners, 55:3004
affective expression & cognitive development, Down's syndrome infants, longitudinal study, 58:1391
affective-cognitive processes interaction, theoretical model for development of intrinsic altruistic motivation, 55:559
age & ability level, inhibitory processes in partial reversal discrimination learning, 61–90 yr olds, 58:11439
age & ability, problem solving speed, 10–13 yr olds, 58:11438
age & ability to shift strategies, oddity performance, 55:9416
age & academic achievement, development of formal operations & creativity, 6th vs 10th graders, 58:3119
age & cognitive development level & external structure, development of ability to categorize emotions correctly, 5–12 yr olds, 56:9701
age & complexity of materials used in unstructured play, play activities & classification learning, 3–6 yr olds, 55:4211
age & conceptual tempo, errors in recognition of semantically vs phonetically related words, reflective vs impulsive 3rd vs 6th graders, 57:2886
age & contextual constraint, span of tachistoscopic apprehension, 7–17 yr olds, 54:2713
age & cultural experience, comprehension of kinship concepts & relational thinking, 4–14 yr old rural Hawaiians, comparison with R. A. Levine & D. R. Price-William's African sample, 56:3841
age & degree of discrepancy between disappearing & reappearing object, development of object conception, 6 vs 9 vs 12 vs 18 mo olds, 58:9303
age & easy vs difficult problems, egocentrism in comprehension of spatial relations, 4–6 yr olds, 58:861
age & education & intelligence, formal operations, 25–74 yr olds, 55:9421
age & education & socioeconomic status, hierarchical classification ability development & response latency, nursery school children vs college students vs aged, India, 56:3819
age & elaborated vs unelaborated pictures with elaborated vs unelaborated verbal descriptions, recognition accuracy, 32–70 mo old nursery schoolers, 57:2950
age & elimination of cue & dimensional dominance, reversal & extradimensional shift performance, 1st vs 2nd graders vs college students, 57:7977
age & environment, analysis & synthesis of verbal elements in forming sentence & story containing given words, 9–15 yr olds from rural vs urban environments, 54:7224
age & grade & developmental level, use of perceptual vs conceptual vs syntagmatic sorting strategies in word sorting task, elementary school & college students, 57:12534
age & homogeneous vs heterogeneous item sets, association of numeral with sets of appropriate size, 4–5.5 yr olds, 57:2959
age & intelligence & sex, empathic awareness measured by affective & cognitive role taking components, 3 & 6 yr olds, 57:10035
age & intelligence, redundant choices in selection concept attainment task, 12–15 yr olds, 58:11476
age & intelligence, short term memory & acquisition of repeated vs nonrepeated digit sequences, 9 vs 12 yr olds, 57:897
age & intelligence, spontaneous alternation rates in slide viewing, 2.3–5.5 yr olds, 58:877
age & interdigit delay, development of primary verbal memory capacity using serial digit recall task, male kindergartners & 2nd & 4th & 6th graders, 56:515
age & IQ & stimulus complexity & practice, attainment of conjunctive concept, 2nd & 4th & 6th graders, 55:547
age & irrelevant stimuli, buildup & release of proactive inhibition, 2nd graders vs college students, 57:2975
age & maladjustment & action–thought orientation, self image disparity, maladjusted vs nonmaladjusted 5th & 8th grade boys, 55:563
age & memory ability, use of mnemonic strategies in problem solving, 3rd vs 4th graders, 58:9275
age & objects correctly vs incorrectly depicting comparative relationship, comprehension of simple linguistic comparisons between objects, 3–5.5 yr olds, 58:9277
age & religion, cognitive developmental & psychoanalytic interpretations of death & afterlife conceptions, Jewish & Catholic 7 vs 9 vs 13 vs 18 yr olds in public vs parochial schools, 57:2892
age & retention interval & 2 visual stimuli, visual short term memory development as measured by information transmitted, 3rd vs 5th vs 7th graders, 58:804
age & riddle structure based on conceptual trial vs language ambiguity vs absurdity, riddle comprehension & appreciation, 1st–8th & 10th graders & college students, 58:7248
age & role taking ability & classification skill, communication proficiency, 6–10 yr olds, 56:7643
age & sequence length, repeated vs nonrepeated color sequence recall, 7–8 vs 11–12 yr olds, importance of short term memory development for development of acquisition, 57:896
age & serial position, subjective organization & learning to learn in free recall task, kindergartners vs 3rd graders, 58:7200
age & sex & board shape & block shape & arrangement, perceptual accuracy on adaptation of Piaget's 3-mountain task, 1st vs 5th graders vs college students, 56:5782
age & sex & middle vs lower class status, conservation of continuous quantity, kindergartners, adaptation of Piaget's study, 57:12536
age & sex & school attended, pendulum problem as measure of transition from concrete to formal thinking, 10–14 yr olds, 53:9284
age & sex & social class & social maturity, awareness of concepts of universality & irreversibility & causality & fear of death, 3 & 5 yr olds, 56:2157
age & sex & socioeconomic status & testing conditions, conservation of weight vs mass vs volume, 4–8 yr olds, 58:7226
age & sex, comprehension of specific syntactic structures varying in difficulty, 2nd vs 4th graders, 56:4818
age & sex, conservation status, elementary school children, US vs Libya, 58:9268
age & sex differences, visual symbol reversals, 6–10 yr olds & minimal brain dysfunction Ss, 53:865
age & sex, recall ability & identification of basic color terms, Head Start & kindergarten students, 58:10366
age & short term memory limitations, capacity & processing deficits, children, literature review, 57:7932
age & social class & preschool experience, labeling vs identification of familiar objects by function, 8–16 yr olds, 55:6805
age & social class & sex, development of field dependency, 5–10 yr olds, 55:4231
age & social class, comprehension of principled moral judgments & relationship to Piaget's formal operations & Erikson's ego identity, male vs female college students, 58:5385
age & socioeconomic level & sex & verbal vs nonverbal treatments, developmental parallelism among additive & multiplicative classifications & relations, kindergartners vs 2nd vs 5th graders, 58:3104
age & training with hierarchically organized vs list presentations of animal terms, semantic structure as measured by free recall, kindergartners through zoology graduates, 58:9310
age & variations in color & form & size of presentation, problem solving based on operations of union & complement & intersection, 3–5 yr olds, 58:845
age, ability to derive concepts from various visual figures, 7–11 yr olds, 54:2725
age, ability to discriminate between joking & nonjoking riddle answers & to create own joking answers with vs without prior experience, 1st & 2nd & 4th & 6th graders, 57:2939
age, ability to make mathematical proof as measure of problem solving performance, 1st & 12th graders, 56:2141
age, amount of infant vocalizations in naturalistic & verbally stimulating situations, male firstborn 9 & 15 mo olds first tested at 3 & 9 mos of age, implications for cognitive development, 57:7988

age, appreciation & comprehension of conservation & nonconservation jokes, 50–59 vs 60–69 vs 70–99 yr olds, 57:5608
age at initiation of galactose-free diet, psycho-educational abilities, galactosemic hospitalized children, 55:7458
age at surgery & surgical revisions & psychological development, hydrocephalic children, 53:7738
age, behavioral & conceptual overinclusion & idiosyncratic thinking & richness & concreteness & underinclusiveness sorting test scores, 1st vs 4th graders vs adults, support for Piaget's theory of ontogenesis of intelligence, 56:3840
age calibration of conceptually related categories & concept availability, conceptual organization measured by reversal vs half-reversal shift performance following discrimination learning, 4 vs 5 vs 8 vs 18 yr olds, 58:5181
age, categorical classifications & verbal explanations of classifications, 4–8 yr olds, 58:5140
age, changes in categorization & conceptual styles measured by object-sorting task, 5–7 & 19–21 & 60–69 & 70–79 & 80–89 yr olds, 57:7933
age, combinational thinking & relationship to conditional reasoning, 5th–8th graders, 57:9991
age, comprehension of simple linguistic descriptions of vertical arrays using placement task, 4.5–6.5 yr olds, 58:7198
age, correlations between personal construct & equilibration models of interpersonal effectiveness, 14–26 yr old volunteers, 58:9228
age, development of concepts of heat & temperature, 4–9 yr olds, 56:5766
age, development of formal operations in logical & moral judgment, 10–50 yr olds, 58:7210
age, development of inferences about visual percepts of others, 2–5 yr olds, 57:2937
age, development of logical search behavior & concept of critical search area, 5–10 yr olds, 57:2901
age, development of mental monitoring for tip-of-the-tongue & feeling-of-knowing experiences, kindergartners vs 1st vs 3rd graders, 58:11488
age, developmental trends in qualified inferences & descriptions of self & others, 8th vs 11th vs 12th graders vs college students, 57:9981
age differences, measurement of spatial cognitive ability, 18–24 & 65–72 yr old males with normal vision, 55:6741
age differences, response to social interactions involving disabled person, female 2nd vs 6th graders, 55:6793
age differences, semiotic activities, 2.5–5 yr olds, 58:11471
age, effort & ability attributions, 1st vs 3rd vs 5th graders vs college students, 57:9976
age, free recall of related vs unrelated pictures & output organization, 3rd vs 7th graders, 58:5161
age, graphic memory reproduction performance, 5–80 yr olds, 57:12503
age, identification of action role vs word order relational concepts, 6 vs 8 vs 11 yr olds, 58:11452
age, imagery & hierarchical organization & instructions, 25–35 yr olds, 55:11977
age, incidence of eidetic imagery, 5–18 yr olds, 58:828
age, kinetic imagery performance, 5 vs 8 yr olds, 56:7680
age, knowledge of selected concepts, 10–14 yr old deaf vs 10–20 yr old normally hearing students, 55:4891
age, mediational processes in verbal & motor paired associate learning, kindergartners vs 2nd vs 4th graders, 58:7218
age, perceptual & conceptual aspects of perspective coordination, 4–12 yr olds, 53:4928
age, performance on tasks of haptic perception & conservation development, congenitally blind vs normally sighted blindfolded vs nonblindfolded 2–12 yr olds, application of Piaget's theory of cognitive functioning, 56:924
age, precedence of complementary-similarity shift in classification behavior to concrete-abstract shift, 3–5 vs 9 yr olds, 57:9963
age references for Piaget's horizontal reference task, development of concept of horizontality, rural 6–10 yr olds, 58:9264
age, reproduction & identification & extension of linear patterns in enactive & iconic & symbolic cognitive modes, disadvantaged 4–7 yr olds with below normal mental ability, 56:9655
age, retrogression of Piaget's developmental stages, female 20–94 yr olds, 55:2169
age since conception vs birth, mental performance, premature vs full-term infants at age 11 mo, 58:9312
age, strategies in production of 3-dimensional relationships on 2-dimensional surface, 5–10 yr olds & college students, 58:11441
age, structure of Piagetian logical & infralogical groupings within concrete operational period of cognitive development, male vs female elementary school children, 58:813
age, time needed to learn hierarchy & recall of conceptual vs associative word hierarchies, 9 vs 11 vs 13 yr olds, 57:2895
age trends, demand for certainty & cerebral dominance, 7–13 yr olds, 57:5490
age, use of covariance as principle of causal analysis, 3–4 vs 6–7 vs 9–11 yr olds, 57:2958
age, use of inferences & changes in modes of thinking related to role taking activity, 9 vs 12 vs 15 yr old males, 58:7171
age, use of organization in recall, 2nd vs 4th vs 6th graders, 58:9274
age, verbal & perceptual nonsense comprehension, 4–6 yr olds, 57:2964
age, visual representation of words in perceptual vs image vs mixed modes, 9–11 yr olds vs college students, 58:5183
ages, performance on perceptual & conceptual perspective-taking tests & prosocial behaviors, 3–7 yr olds, 58:5215
age-stage intellectual development theory of Piaget, clinical implications for young children, 56:491
aim-conscious training of basic thinking operations, development of general rational abilities, 5 yr olds, 56:8678
allowance for population differences, reconciliation of S. C. Somerville's & K. Lovel's results concerning use of formal operational thinking, adolescents, 57:978
alternative school program, selected cognitive & affective areas of growth, non-urban kindergartners to 6th graders, 58:4228
analysis & modification, Piaget's original formalization of formal intelligence, 54:7210
analysis in field without significant indices, searching behavior & its development, 6 & 10 yr olds & adults, 54:11391
analysis of analogical reasoning, children under 12 yrs of age, 55:9435
analysis of differences between fields of remedial reading & learning disabilities of J. W. Lerner, alternative developmental approach to reading problems, 56:4265
analysis of I-scale preference orders to face-like stimuli, 2 vs 3 vs 6 vs 9 mo olds, 58:11481
analysis of Piaget's logico-mathematical model, description of formal thought, 55:11971
analysis of propositional logic game by ordering theory, sequence of acquisition of formal operational thought, 14 yr olds, 54:788
analysis of response on board-block adaptation of Piaget's 3-mountain task, egocentric errors as egocentric behavior vs response bias, 1st vs 5th graders vs college students, 56:5747
analysis of speech patterns, acquisition of concept of time, Dutch children, 55:2166
analysis of 2 consultation training programs in community setting, discussion in terms of stage theory model of cognitive development, 57:13493
analytic & reflective cognitive styles, cognitive strategy of focussing in concept attainment, 3rd graders, 55:4240
analytical assessment & hierachical training, conservation of nonmetric liquid volume, kindergartners & 2nd graders, 56:7656
animistic beliefs as revealed on test based on Piaget's research, schizophrenic vs normal 11–15 yr olds, 55:12410
application of new scoring principle to M. D. Braine's & J. Smedslund's & S. L. Lindenbaum's & A. Blum's tests for transitivity of length, 4–8 yr olds, 57:7298
applications of Piagetian theory, implications for helping professions, symposium proceedings, 54:1491
arrangement of objects at initial & new locations in vertical plane, patterns in manual search for hidden object spatial generality of perseverative errors, 8–11 mo olds, 57:7929
arrival at concrete operational stage of development & cessation of belief in Santa Claus, 58:821
art activities, cognitive & social & affective & motor learning, children, 54:10483
art experiences, evaluation & development of cognitive skills, children with language & hearing impairments & learning disabilities, 58:6380
assessment & correlates of imagery, kindergartners & 2nd & 4th graders, 57:2916
assessment method employing questions containing reality qualities, measurement of reality testing, 3–6 yr olds, 57:7168
attainment of formal operations, probability concepts, deaf vs hearing adolescents, 54:1477
attainment of ordination before cardination concepts, children, reply to R. Williams's criticism, 56:7624
attendance at graded vs nongraded school, development of creativity & self concept, 1st–3rd graders, 55:13127
attention & cognitive development, 1–6 yr old children of psychotic mothers, 53:816
attention, role in perceptual & cognitive development, 54:800
attentional training, seriation abilities, 5–7 yr olds, 56:518
attitude toward & proficiency in reading & understanding of reading purposes & functions & literary concepts & writing ability & Piagetian task performance, kindergarten vs 1st grade readers vs nonreaders, 57:13814
attributions of causality of emotional responses, self control in temptation situation, integration of cognitive-developmental & social learning theories of moral development, 54:7249
auditory & visual sense modality functioning & cognitive processes & reading ability, 1st grade boys, interpretation within developmental framework, 56:9669
auditory presentation, conceptual understanding of spoken word, preschool & kindergarten & 1st grade children, 53:11398
auditory vs visual presentation of paired-associates vs sentences vs prose passages, memory/comprehension, 4th–6th graders, 53:901
auditory &/vs visual stimuli varying in complexity & incongruity & social content, attention, 4 mo olds, 58:11432
autonomy vs intelligence level, cognitive functioning & development, kindergarten students, 57:7935
awareness vs unawareness of reward schedules & relationship between syllables, understanding of concept of probability on Piagetian tasks, 7–11 yr olds, 54:11384
background emphasis on perceptual & linguistic & thinking skills, reading success, very young deaf children, 54:3480
baseline orientation & angle size in 2-line abstract figures & figure meaningfulness, perpendicular error & vertical effect in line drawing on reconstruction, 3–5 yr olds, 57:9974
behavior modification & normal & cognitive developmental models, preschool classroom programs for handicapped children, 54:1927
behavioral stimulation & protein supplementation, physical growth & intelligence & achievement test performance, malnourished pre-schoolers, Colombia, 57:13381
bilingual vs monolingual education, linguistic & academic & attitudinal & cognitive growth, primary school children, 54:1882
bilingualism, concept formation, mono- vs bilingual elementary school students, 56:7674
birth & obstetric complications & prematurity & maternal discomfort & demographic status, developmental status at 1 yr of age, infants, 57:5466
birth order & family environment & parent-child relations, mental abilities, male 11 yr old Canadians, 58:847
birthweight level, intelligence & cognitive development, 54:797
body parts, readiness in number conservation acquisition, preschoolers, 53:7023
Bogota Project on Malnutrition & Mental Development, poor Colombian families, 54:1942
boring vs stimulating preceding events, subsequent exploration of objects of varying complexity & stimulus seeking & novelty preference, male vs female kindergartners, 58:7187
brief starvation in infancy due to pyloric stenosis, subsequent learning abilities, 5–14 yr olds, 55:11880
briefly presented visual material, recognition vs recall, 5 yr olds vs adults, 56:3835
Buddhist 5-stage theory, spiritual path toward transpersonal realization & growth, 55:4383
CA & MA & perceived context, referential description, 4–10 yr olds of normal intelligence vs educationally subnormal & adults, 58:11486
CA & MA, understanding logical rules of conjunction & disjunction, mentally handicapped & normal children, 55:7386
cardinal-ordinal ability & conservation vs nonconservation of number & attentional preferences for stimulus dimensions, kindergartners & 3rd graders, 57:7950
caregiver-infant interactions, cognitive development measured by Gesell Developmental Schedules & sensorimotor scale, preterm infants, 57:5507
cartoon incongruity & resolution, appreciation of humor, 4–5 yr olds, 58:860
cartoon pictures containing action lines as interaction clues, picture recall & dependence of memory for pictures on initial comprehension, 2nd vs 6th vs 9th graders, 58:5122
categorizable blocked vs unblocked word lists, age differences in recall, preschoolers vs kindergartners vs 1st graders, 57:12517
categorization along class dimension vs class & color & number of 2nd dimension cues, grouping behavior in presence of stimulus competition, 4–5 yr olds, 57:12512
category & rhyme & color word dimensions, developmental changes in encoding dimensions using release from proactive interference paradigm, 2nd vs 6th graders, 57:2908
category labeling & sorting, clustering in free recall learning, kindergartners vs 3rd vs 5th graders, 54:11402
category theory, interpretive framework of cognitive structures, 53:4388
causes or consequences as point of departure, construction & regeneration of logical temporal sequences, kindergartners vs 2nd vs 4th graders, 58:803
cautiousness or risk, intellectual performance, elderly, 55:9395
center vs right embedded clauses & role of pronoun & semantic constraint, comprehension of restrictive relative clauses, nursery school students through 1st graders, 58:9245
cerebral lateralization, sex differences in cognitive skills in motor & spatial & linguistic areas, 57:7384
change in absolute location of object vs relationship between old & new hiding place, errors in searching for object & interaction of spatial location codes, 8–11 mo olds, 57:7930
changes in neurobiological & perceptual & cognitive development associated with dissolution of Oedipus complex, 7 yr olds, 58:7168
characteristics of cognitive functioning, achievement of motor tasks, preoperational vs operational kindergartners to 4th graders, 57:5527
child & reality, discussion of problems of genetic psychology, book, 57:7900
child abuse, cognitive development, physically abused vs neglected vs nonabused children, 53:9726
child-mother attachment, exploration & play & cognitive functioning, infants, 56:474
childrearing in collective child care institutions, mental development, socialist countries, 54:7207
chronological & mental age & grade level, concrete & abstract religious thinking, 4th–12th graders, implications for religious education, 53:7038
chronological age &/or developmental stage, conservation acquisition, kindergartners, 53:4888
city vs rural environment & sex & age, cognitive development as shown by Piaget's tasks of conservation, 6–10.5 yr olds, Kenya, 57:5559
classification & class inclusion of Piaget vs equivalence paradigm of Bruner & mode of stimulus presentation & stage of representational development effects on equivalence responses, 1st & 4th graders, 55:4250
classification & seriation operations with problems concerning inanimate objects & social events, female 60–120 mo olds, 54:807
classification abilities, discrimination learning & transfer, kindergartners & elementary school children, 55:9461
classification of drawings in terms of spatial structure, relationship between progression of drawing levels & acquisition of logical operations, 4–15 yr olds, 58:3117
classification training & language ability & age, style of thinking in classification, lower class 5–7 yr olds, 55:6811
classification-class inclusion abilities, geographic & spatial relationships, elementary school children, 55:6791
classroom teaching & developmental theory, critical thinking skills, high school & college students, 55:7990
client cognitive levels & behavioral counseling method, client responses in single counseling session, 14–43 yr olds, 58:12046
cloze procedure approach to conceptual & syntactical structure of English language, reading comprehension, elementary school students, 55:6731
clues used to identify life, 5–11 yr olds, 53:7027
cognitive & affective development, smiling & laughter, infants, 57:10044
cognitive & affective developmental factors, choices in books, 7–12 yr olds, 57:5492
cognitive & affective factors, fear of strangers, male infants, 55:4209
cognitive & developmental aspects, improvement in form recognition, 4–13 yr olds, 58:11469
cognitive & emotional & social development, infancy through adulthood, book, 55:11892
cognitive & emotional & social interaction development from infancy through adolescence, 57:12489
cognitive & vocal system development, language learning, infants, 54:11405
cognitive abilities measured by standardized tests & Piagetian tasks & early reading achievement, developmental relationships, kindergartners through 3rd graders, 58:5124
cognitive aspects, development of concept of death, 4–5 vs 7–8 vs 11–12 yr old males, 55:4246
cognitive aspects of childrens' drawings, implications for inappropriate psychiatric inference, 57:7881
cognitive capacities & semantics, language acquisition, 57:2946
cognitive competence & intentionality & role taking ability, development of moral judgment, 7–14 yr olds, 58:11413
cognitive conflict created by social interaction, performance on conservation of length task, 6 yr olds, 57:5558
cognitive construction of time dimension, past tense expressions in speech for differing events, 1.6–2.6 yr olds, 57:891
cognitive demands of nominal tasks, word-referent differentiation, 1st & 2nd graders, 57:7968
cognitive development & age & IQ, moral judgment & generosity, middle class 8–11 yr old girls, 57:7884
cognitive development & ethnic pluralism, considerations in religious education, 54:12512
cognitive development & experience & task delay, inter- & cross-modal transfer between haptic-visual & visual-auditory modalities, educable mentally retarded 7–12 yr olds, 58:5608
cognitive development & growth of executive functions in infancy & childhood, 57:9975
cognitive development & preschool achievement & visual & auditory development & language & personality & home environment, disadvantaged preschoolers, 56:5753
cognitive development & role taking activity & level of moral development, 7–16 yr olds, 58:11399
cognitive development & social learning analysis of sex role taking, moral & achievement evaluations, college students, 55:570
cognitive development & training, ability to predict memory span for series of items & determine successful recall of items, kindergarten students, 55:9438
cognitive development, acquisition of beginning reading skills, 4 yr olds, 58:11463
cognitive development as measured by Piagetian reasoning assessments, mentally retarded 6–22 yr olds, longitudinal study, 57:8481
cognitive development, attributional judgment of ability & task difficulty, preschoolers vs kindergartners vs 2nd graders, 58:867
cognitive development, cognitive & linguistic pluralization rules, 18–28 mo olds, 58:807
cognitive development, differentiation of perceived from ideal self concept, 5–10 yr olds, 56:2113
cognitive development, enjoyment & comprehension of joking riddles, 1st vs 3rd vs 5th graders, 58:7244
cognitive development, fear of success, male vs female junior vs senior class high school students, 58:5114
cognitive development in adolescence, literature review, 54:11396
cognitive development, language acquisition, black inner-city & white middle-class & rural kindergartners & 1st & 2nd graders, 53:2848
cognitive development, language comprehension, 3 vs 4 vs 5 yr olds, 55:9440
cognitive development levels, self-concept & other concept & ideal self, 6–15 yr olds, 53:4951
cognitive development, nature of information extracted from stimuli & coded into memory & transfer ability, 24–27 vs 28–31 vs 32–36 yr olds, 57:2962
cognitive development of sex role perceptions, male & female adolescents, 54:2707
cognitive development, respect for human dignity & ethnic judgments, urban & suburban 7–13 yr olds in schools with bussed-in Black children, 3-yr longitudinal study, 57:11466
cognitive development, rural Guatemalan 5–8 yr olds, 54:9352
cognitive development, sequencing modern mathematics in elementary schools, 53:10435
cognitive development stages & concepts of physical development, concepts of where babies come from, 3–4 vs 7–8 vs 11–12 yr olds, 57:898
cognitive development stages proposed by L. S. Vygotsky & Piaget, developmental levels measured by Vygotsky Concept Formation Test & Piagetian tasks, 4–16 yr olds, 53:11425
cognitive development, students in introductory college science courses, 55:6748
cognitive development studies, Papua New Guinea, literature review, 53:9275

cognitive developmental analysis of formal features of responses to situations involving various interpersonal problems, depressed vs nondepressed college females, 57:8426
cognitive developmental approach, language & thinking, kindergartners, 57:983
cognitive developmental curriculum intervention, promotion of psychological growth, female high school students, 55:8017
cognitive developmental level, moral judgment, elementary school teachers vs 11 yr old students, 54:11397
cognitive developmental perspective, taxonomy of democratic development, implications for curricular emphasis in education, 58:3060
cognitive developmental psychology, literature review, 56:9660
cognitive developmental study, metaphor comprehension, male 5–13 yr olds, 54:4987
cognitive functioning, middle aged vs elderly adults, review of Piagetian literature, 55:4270
cognitive impulsivity, role-taking skills, 4th graders, 55:6698
cognitive level of differentiation, reading achievement, 1st graders, 55:5553
cognitive mastery & comprehension & appreciation of humor, children, implications for research, 53:2868
cognitive maturity & sex & stimulus characteristics & information-processing systems, development of organizational behavior, children, 58:832
cognitive moral development, political literacy & education, 58:1004
cognitive moral development, premarital sexual standards, unmarried college students, 55:685
cognitive organization & recall, development of cognitive strategies, kindergartners vs 3rd vs 6th graders, 55:11996
cognitive prerequisites, probability assessment of developmental differences in decision making, 57:12547
cognitive processes & age, ability to plan series of real-life events in logical fashion, kindergartners vs 2nd vs 4th vs 6th vs 8th graders, 56:7616
cognitive processes during developmental stages, comprehension of chance, children, translation of Piaget's 1951 work, book, 56:3838
cognitive reasoning level & fantasy predisposition, belief in Santa Claus, male vs female preschoolers vs 3rd vs 4th graders, 58:7232
cognitive representation of rewards, self control, nursery school children, 55:9446
cognitive schemata related to developmental factors, altruistic behavior in play situation, 4–9 yr olds, 56:3852
cognitive stage transition, susceptibility of reasoning level to change, 4th & 6th graders, 55:11972
cognitive stimulation of handicapped infants, literature review, 57:12867
cognitive structuration development, development of concept of "the word," 4–10 yr olds, 53:7037
cognitive style, susceptibility to alternate forms of conservation training, kindergartners, 55:4289
cognitive style vs cognitive level, field dependence–independence on Children's Embedded Figures Test, 9 & 12 yr olds, 54:5020
cognitive variables, nature of explanations of human behavior, concrete & formal operational children, implications for Piagetian theory & attribution theory & development of personal perception theories, 58:9292
cognitive vs chronological development, lexical store development, noninstitutionalized retarded children vs normal kindergartners & 4th & 9th graders, 55:4876
cognitive-development theory, application to counseling women on issues relating to their role in society, 58:1768
cognitive-developmental analysis, causal attribution & evaluation in achievement & moral situations, 7–18 yr olds, Iran vs US, 56:3843
cognitive-developmental curriculum intervention, facilitation of psychological growth, junior college physical-therapy-assistant students, 57:9016
cognitive-developmental factors, sex differences in achievement expectancies, 57:5486
cognitive-developmental study, ego-ideal stages of self concepts as ideal learners & evaluation of pupil role as decision maker, 3rd graders in Project Follow Through programs, 55:13226
cognitive-developmental study, moral judgments, Puerto Rican 10–18 yr olds, 55:2187
cognitive-perceptual factors & word meaning acquisition, children, 53:4895
combination of psychoanalytic self-object differentiation & representational thought development, acquisition of language & symbolic thought, infants, 58:5120
communication ability, discrimination of referents from nonreferents in own messages, 3rd vs 5th graders, egocentrism vs comparison explanations, 55:11921
communication failure, ascription of blame & judgments of message adequacy, 5 vs 6 vs 7 vs 9 yr olds, 58:7228
comparison of church-related educational systems, concrete & abstract religious thinking, 4th–12th graders, 54:2717
comparison of scales for object permanence & spatial relationships, measurement of cognitive development, severely & profoundly mentally retarded Ss with mean age of 14 yrs, 55:10075
compatibility of Piaget's notions of stage & horizontal decalage, 55:6789
component parts & developmental aspects & structuring of knowledge & levels of consciousness, learning & creative process, comparison of psychological theories, 55:6771
comprehension of & ability to infer from actor's motives & intentionality, person perception & moral judgments, 4 vs 8 vs 11 yr olds, 57:7869
comprehension of linguistic ambiguity & development of classification, kindergartners through 5th graders, 58:3097
comprehension of need-for-nutriment & respiration & reproduction concepts, animistic thought, 2nd graders, 53:871
comprehension of terms, "yesterday" & "tomorrow," 2–4 yr olds, 55:6754
computer-based formative evaluation system, cognitive developmental program, young children, 53:12476
concept of horizontality with water levels, 2nd & 3rd graders, 54:5015
concept of object permanence & naming toys, toy preferences, 18–22 mo olds, 53:7043
concept of object permanence, infants & students, literature review, 58:831
concept of "operation" in educational psychology, 55:10634
concept of transitional object, 55:9415
concept of units in length & weight & quantity of water, 6–10 yr olds, 54:11381
concept usage & concept formation, educationally handicapped vs normal achieving 7 & 9 & 11 & 13 yr olds, 57:8491
conception of space, comprehension & production of spatial locatives, children, 53:11433
conceptions of positive justice, development of mathematical & physical conceptions, 4–8 yr olds, 57:2899
concepts of space & time, 1st–6th graders, 55:11933
concept-shift & sort & hierarchization development, kindergartners, & 1st- & 2nd-grade females, 53:4919
conceptual development, visual exploration of conceptually incongruous pictures, 3 vs 4 vs 8 yr olds, 58:7196
conceptual hierarchy theory of cognitive development, formation of class & identity concepts, 57:9968
conceptual learning & development & concept & educational achievement & selected cognitive abilities, 4th vs 7th graders, 58:12622
conceptual level & age & similarity between incidental & relevant information, visual recognition memory, 6 vs 9 vs 12 yr olds, 57:7944
conceptual level & didactic vs experiential classroom environments, vocational decision making process, male college students, 57:9225
conceptual level functioning & classroom climate, self concept & academic achievement, Afro-American high school students, 55:8277
conceptual structure of measurement of length, normal & learning disabled 1st graders, 58:9725
conceptual structures, comprehension of comparative sentences, 2–6 yr olds, 55:9456
conceptual tempo & ability to regulate tempo, teacher's rating of school performance, 1st graders, 56:10662
conceptual tempo & problem solving strategies, hearing impaired vs normal hearing 1st & 3rd graders, 56:942
conceptual thinking & personality development, deaf 5 yr olds, 58:5708
conceptual variables, friendship as function of developmental age, 1st–8th graders, 55:6819
conceptual vs perceptual preferences & learning tasks & developmental trends in classification behavior, Bukusu 1st vs 3rd vs 5th vs 7th graders, Kenya, 55:4220
conceptualization of logical competence based on dimensions of principles & content & complexity, taxonomy for formulation & testing of hypotheses, 58:818
conceptualization of "middle-size" & acquisition of linguistic comparative, 4.5–10.5 yr olds, 55:4254
concordance for mental development, 7 yr old monozygotic vs dizygotic twins vs siblings from twin families, implications for genotype & home environment, 58:7246
concordance for Piaget-equivalent items derived from Bayley Mental Scale, identical & fraternal twin pairs at 3 & 6 & 9 & 12 mo of age, 54:808
concrete & formal operational task performance, 2nd vs 4th vs 6th vs 8th graders, 58:3092
concrete manipulation, inductive & deductive processes in acquisition of general principles of magnetic attraction & application, 5th graders, 58:5171
concrete operations & MA & sex, sensitivity to logical contradiction & perceptual decentering, educable mentally retarded & nonretarded children, 58:9741
concrete transitivity, social transitivity, kindergartners & 1st & 3rd graders, 53:2857
concrete vs formal operations demands, difficulty of mathematics pretest items, 53:4102
conservation & class inclusion & seriation & ordination & reordering & transitivity of length & multiple classification tasks, interrelationships & implications for Piagetian hypotheses of cognitive growth, 2nd graders, 55:6730
conservation & seriation & classification abilities, mathematics achievement, male vs female 4–8 yr old Nigerians, 56:7664
conservation & seriation & classification abilities, acquisition of mathematics achievement, male vs female Nigerian 4–8 yr olds, 58:12617
conservation & transitivity of number & length & liquid amount & weight, Ss with mean age of 6.78 yrs, 57:959
conservation ability, anticipation of result & occurrence of transformation involving static & moving figures, kindergartners & 1st graders, 58:9289
conservation, classification & seriation, 1st graders, 55:9473
conservation of continuous quantity, application & evaluation of 3-stage task mastery model, nursery school & kindergarten children & 1st graders & adults, 57:2930
conservation of number & mass & continuous quantity development, 5.4–7.7 yr old kindergartners & 1st graders, 53:9276
conservation of numerical totalities, relation to conservation of continuous quantities, young children, 55:2180
conservation of weight & sensorimotor development, 6–21 mo old infants, 55:6780
conservation of weight acquisition, blind 6–14 yr olds living at home vs in institutions vs sighted Ss, 53:5701
conservation of weight in self & other humans & nonhuman objects, 2nd and 3rd graders, 53:873
conservation task acquisition pattern & relationship to intelligence, 6–8 yr olds from low income background, 58:3127
conservation task, comprehension of quantifiers "all" and "more," 3–5 yr olds, 55:526
conservation vs set theory training approaches, acquisition of conservation of number & conservation related skills, lower socioeconomic status 4–5 yr olds at different developmental stages, 58:2007
considerations in analytic instrument design, study of cognitive/affective development, 58:3065
consistent covariation & temporal contiguity, causal attribution for physical effect, 4–7 yr olds, 57:7971
consolidation & stage formation, formal operations development, 10th & 11th grade males, 58:7221
constant order of skill mastery of component abilities of causal reasoning, 1st graders, 53:7015
content analysis of written & oral narrations, cognitive development, 5th & 8th & 11th graders, 55:2168
content structure & concrete referents & mental readiness, attainment of cognitive skills in physical science, high school students, 55:10760
context effects, comprehension of "less" & "more," 3–4 yr olds, 53:4929
context variation, comprehension of "same" vs "different", 3–4 yr olds, 58:11454
contextual cues, conservation task performance, 1st graders, 57:2953
contextually congruent vs incongruent verbal instructions, comprehension of "in" & "on" & "under", 1.6–3 yr olds, 56:7685
contingency management systems, development of cognitive & affective skills, low socioeconomic minority students with academic & social adjustment problems, 55:13514
coordination of actions between Ss vs working alone, task performance involving spatial coordination & acquisition of conservation, 5–7 yr olds, 58:3093
copying vs reproducing from memory complex geometric figures, 4 vs 4–6 vs 5 yr olds, 53:11430
correct vs incorrect explanation of ruler length given by model, conservation of length, children, implications for role of social interaction in cognitive development, 57:7939
correlation between Piagetian formal operations tasks & field dependence test, 6th graders from diverse socioeconomic backgrounds, 56:9673
correlation with Chemistry Placement Exam & independent Piagetian measure, validation of alternative electronic analog task for Combinations of Chemical Bodies Piagetian task, college chemistry students, 58:2571
correlations between performance on measures of concrete & formal operations & fluid & verbal intelligence & interest in physical science, 18–30 yr old college students, 58:9254
covariation of development of polar spatial coordinate system & seriation ability, children, 55:11944
creativity training, development of ready associations, 5th graders, 58:10317
critical ability, survey of related literature & implications for training & evaluation, 55:5401
critical analysis, developmental theories of cognitive function & language, 53:7026
critical readiness periods for language & cognitive development, relation to mental subnormalities, 54:3428
cross cultural differences, child's cognitive test performance & adult judgments of child's intelligence, 8 yr olds & adults, rural villages in Guatemala vs small town in US, 56:9758
cross cultural Piagetian research, experimental perspective, 56:483
cross cultural research model, development of conservation, 58:4572
cross-lagged panel analysis of intelligence & achievement test scores, cognitive acquisitions as function of socioeconomic status, students tested in 4th & 5th grades, 55:8362
cross-modal transfer as measured by proclivity to respond differentially to novel & familiar stimuli after familiarization in different sensory modality, 1 yr olds, 58:7153
crowded semirealistic layouts vs photographs of toys, recognition & recall of added or moved or removed items, 1st vs 3rd vs 6th graders vs college students, 58:11436
crystallized & fluid intelligence, age differences in anagram & concept identification problem solving performance, 17–26 & 39–51 & 59–76 yr olds, 57:5541
cue salience & dimension & dimensional preference, class inclusion ability, 5 yr old kindergartners, support for neo-Piagetian view of cognitive development, 57:7967
cultural & educational background, acquisition of formal operational thinking using Piagetian tasks, suburban students & Puerto Rican students educated in US & recently arrived Puerto Rican students, 55:6816
cultural & social foundations, cognitive development, Russian literature 1931-32, book, 57:12527
cultural bias & ethnocentrism, moral reasoning & cognitive developmental theory, 53:895
culture & acculturation, formation of cognitive style, native vs nonnative high school students, Canada, 58:872
curriculum for teaching system dynamics thinking & intelligence, achievement at levels of Bloom's taxonomy, 5th & 6th graders, 57:13758
daily separation from mother during 1st 3 years of life, identification & development of behaviors & distress behavior, infants in infant day care unit, 57:5491
deafness, cognitive & psychological & behavioral & developmental variables, 8–14 yr old profoundly deaf girls vs boys in special school for deaf, 56:2525
decline in concept conservation abilities, 65–83 yr old institutionalized vs community resident males, 55:1157
deductive inference, adolescents, book, 56:509
delay capacity & cultural background & sex & age, development of cognitive control of field articulation, low income urban children, 56:5780
delay of gratification & abstract ability & dependence & control of aggression, 8–11 yr old male traditional vs acculturated Cree vs Euro-Canadians, 58:950
density of exposure to problems vs demonstrations of solutions to problems, development of formal operational thought, 4th & 5th graders, implications for Inhelder & Piaget's theory of formal operations, 57:9980
description of apparatus to obtain audio- & videotape recordings of behavior in cognitive-linguistic tasks, young children, 56:19
description of computer-managed experiment, thought processes of children in applying mathematical concept of ordered set, 58:2455
development & acquisition of combinatorial reasoning, 10 vs 13 yr olds, 56:7678
development & fragmentation of category formation without requisite free recall, kindergartners vs 4th vs 9th graders vs noninstitutionalized retarded pupils, 55:12526
development changes, word recognition strategies, kindergartners vs 1st–6th graders vs college students, 56:2148
development of ability for partial & complete multiplication of classes, 4–7 yr olds, 58:11491
development of ability to integrate class information, 4 vs 9 yr olds, 55:9452
development of ability to use or perceive moral intentionality, 1st & 3rd & 6th graders, 55:6749
development of acquisition of cognitive information in clinical clerkship, pediatrics students, 54:5386
development of attachment to transitional object, children, 55:11865
development of causal & consequential thinking & relationship to creativity, 4th–6th graders, Mexico vs US, 58:812
development of chance & probability & cognitive operations, book, 53:9279
development of classificatory performance, 3–6 yr olds, 53:9277
development of comprehension & use of relative phrases, analysis of research, 57:2887
development of comprehension of unidirectional relation existing between cause & effect, kindergartners through 2nd graders, 56:7648
development of concept of justice, children, implications for social studies curriculum, 55:6829
development of concept of natural number, 54:11414
development of concrete & formal operational thinking, Piagetian class task performance, 9–14 yr olds, 57:979
development of concrete operations & role taking activity, orthopedically disabled & nondisabled 6–12 yr olds, 57:13092
development of conservation & measurement concepts, 1st & 2nd graders, 56:2134
development of elementary-level multidisciplinary curriculum based on children's exploratory thinking patterns & field test, 58:2041
development of evaluative & taxonomic encoding in short-term memory, 2nd & 3rd & 5th & 6th graders, 53:9267
development of formal operations thought, 3rd–6th graders, longitudinal study, 54:7221
development of formal operations thought as measured by Piagetian task performance, 6th vs 8th vs 10th vs 12th graders, 57:954
development of formal operations, adolescent personality development, criticism of B. Inhelder & Piaget's hypothesis, 54:7232
development of gestural imagery ability & graphic imagery, 5 vs 8 vs 11 yr olds, 57:2919
development of hypothetico-deductive thinking, cross cultural study of validity of Piaget's model, book, 54:2692
development of invariance of levels of identity, memory, 3–7 yr olds, 58:5150
development of knowledge about categorical & associative relationships as reflected by presence or absence of semantic priming effects, kindergartners vs 2nd graders, 57:7969
development of logical inclusion & exclusion of multiple variables in natural experiment situation & Piaget & Inhelder's pendulum problem, 4th–6th graders & college students, 58:844
development of magical thinking to future-directed thinking from childhood to maturity, 54:9359
development of magnitude covariation & compensation causal schemata, attribution of success & failure, male vs female 4.5–12 yr olds vs college students, 58:9282
development of mathematical infinity & limit concepts, 9–15 yr olds, 55:11962
development of metaphoric comprehension, 6–14 yr olds, 56:5805
development of multiple seriation operation, 1st vs 2nd vs 3rd graders, 55:11919
development of number understanding, criticism of Piaget's account, implications for teaching arithmetic, 57:2934
development of outerdirectedness, Black educable mentally retarded elementary & secondary school children with high vs low MA, 58:11912
development of perception & corporal & temporary-spatial functions & conceptual thinking, learning of reading & writing based on Piaget's development theory, 55:11917

development of perceptual & cognitive & affective perspective taking, kindergarten through 6th grade boys vs girls, 55:535
development of Piagetian reasoning & moral judgment & conduct, nonretarded & retarded 6–20 yr olds, longitudinal study, 53:3454
development of play & logical thinking, 4 & 5 & 8 yr olds, 58:7173
development of reason & emotions, book, 54:11372
development of recursive thinking & altruism, male 1st & 3rd & 5th graders, 55:6697
development of religious thinking, analysis of data from J. H. Peatling's Thinking About the Bible test, 3rd–11th graders & theology students, Finland, implications for belief–disbelief test dimension, 57:5500
development of religious thinking, application of J. H. Peatling's Thinking About the Bible test to Finnish sample, comparison of K. Tamminen's research results with results from North American Ss, 57:5488
development of right hemispheric specialization, spatial processing, 6–13 yr old boys vs girls, 56:9709
development of schemes for attribution of multiple psychological causes, 5 & 9 & 13 yr olds, 54:5016
development of selected operations with conjunctive negation, 7–9 yr olds, 54:11408
development of seriation & conservation abilities, Black vs White retarded 11–15 yr olds, 58:1372
development of temporal order, ability to learn to read, 5–6 yr old kindergartners, 55:5582
development of visual perception & relationship between perception & cognitive development, children, book, 56:5803
development of word meaning discrimination, 13–16 yr olds, 55:4262
development stage, response strategies employed during probability learning tasks, 3–5 vs 5–7 vs 7–9 vs 9–12 yr olds vs mentally retarded children, 57:2884
developmental & intelligence & achievement & sex variables, concept expression in drawings, 1st–3rd graders, 55:9468
developmental & sex differences, performance on brief Conceptual Style Test, 1st & 3rd & 6th graders, 55:6763
developmental analysis, formal indices derived from grids, 6 & 9 & 13 & 17 yr olds, 57:2846
developmental analysis, imaginal & verbal & spatial abilities, 6–11 yr olds, 56:489
developmental analysis of attentional & cognitive strategies, impulsive & reflective behavior, children, 55:11949
developmental analysis of propositional logical thinking, comprehension of language connectives, book, 56:7666
developmental analysis, strategy of priority of recall of newly learned items, preschoolers vs 2nd & 6th graders vs adults, 57:962
developmental aspects, learning stimulus sets & multiplicative classification problem solving, 6–9 yr olds, 55:9398
developmental aspects of attribute utility & number of attributes employed, person perception, male vs female 4th vs 6th vs 9th vs 12th graders & college students, 58:3083
developmental asynchrony between conceptual identity & seriation & transitivity of color & number & length, preschoolers, 57:7914
developmental changes, ability to coordinate perspectives of large scale space, 3 vs 4 vs 5 yr olds, 58:797
developmental changes, ability to shift from 1 mode of representation in encoding to another mode of decoding, 1st & 4th & 7th graders, 55:9388
developmental changes in rehearsal strategies, age-related auditory short term memory, 3rd vs 5th vs 7th graders, 57:2905
developmental changes in semantic structure, concept formation, 6 vs 9 vs 12 yr olds vs college students, 57:7994
developmental changes, metaretrieval strategies for different retrieval problems, 3rd vs 5th vs 7th vs 9th graders, 58:7250
developmental characteristics, storage & retrieval phases of memory, 3rd & 5th & 7th graders, 54:2708
developmental differences & model's competence & vicarious reinforcement, imitative behavior, 5–8 yr olds, implications for L. Kohlberg's cognitive-developmental theory, 57:2969
developmental differences & sequence of matching objects to targets similar in shape vs color, classificatory skills, 3–4 yr olds, 56:9656
developmental differences, ability to attend to measurement & 2 dimensions simultaneously in Euclidean spatial tasks, 3–4 vs 6–7 vs 9–10 yr olds, 55:4249
developmental differences, abstraction & complimentary factors of concept utilization in pairing of objects, 5–11 yr old normal vs retarded children, 54:3417
developmental differences, comprehension of reversible vs nonreversible passive sentences, 3–8 yr olds, 55:6795
developmental differences, concept of love, preschoolers & 2nd & 5th & 8th & 11th graders & 20–65 yr olds, 58:11403
developmental differences, egocentrism in conceptualizing others' point of view, 2–6 yr olds, 54:11421
developmental differences, logical implication & deductive reasoning tasks, 4–13 yr olds, 57:12537
developmental differences, memory search of categorized lists, female 3rd & 6th graders, 58:5159
developmental differences, processing of incidental information about attributes during discrimination tasks, kindergarten vs 2nd vs 6th graders, 56:3829
developmental differences, rating structural importance of linguistic units of prose passages, 8 vs 10 vs 12 vs 18 yr olds, implications for problem of metacognitive development, 58:7183
developmental differences, spontaneous seriation, kindergartners vs 1st vs 2nd vs 3rd graders, implications for past long term memory research, 54:806
developmental differences, transposition of trajectories between spatial structures, 3–6 yr olds, 58:7216
developmental differences, understanding proportions vs formal operations, 1st vs 3rd vs 5th graders vs college students, 57:905
developmental level determined by performance on Piagetian tasks, learning & use of LOGO computer programing language, 4th graders, implications for teaching of programing to children, 55:3032
developmental level in performing Piagetian angle tasks, achievement in learning angle measure, 4th–6th graders, 55:1453
developmental levels of behavioral responses to common objects, evaluation of cognitive behavior, young nonverbal children, 58:9717
developmental levels of concept formation, speaking autistic female 8.9–14.4 yr olds, 55:854
developmental needs of 6–12 yr olds & behavioral objectives, framework for establishment of elementary school guidance program, 57:11579
developmental order of spatial concepts of conservation of area & distance & concept of horizontality, 1st & 3rd & 5th & 7th graders, Tanzania, 56:3836
developmental ordering of syllable & phoneme segmentation, preschoolers & kindergartners & 1st graders, implications for reading acquisition, 53:4920
developmental patterns, categorizing behaviors, average vs slow learning children vs average vs schizophrenic adults, 55:4290
developmental rates of change, verbal processes & cognitive & subjective components of imagery, 1st–5th graders, 54:2697
developmental sequence of skills leading to conservation, male vs female kindergartners, 57:12549
developmental stage & presence vs absence of cues, categorical clustering ability during free recall, 4–6 yr olds, 56:2138
developmental stage of differentiation between visual perception & memory, 5 vs 6 vs 7 yr olds, 58:3108
developmental stages, comparison of L. S. Vygotsky's & Piaget's proposals, 53:11424
developmental stages, decision-making processes, primary school children, 53:2873
developmental stages of conceptions of justice & age, development of operational reasoning, 4–8 yr olds, 57:872
developmental stages, psychosexual concepts & attitudes, 53:11407
developmental stages, strategic reasoning, 58:7224
developmental stages, volumetric space concept, 6–15 yr olds, 53:7024
developmental study, conceptual ability as assessed by 2 rule-learning tasks, 2nd & 4th & 6th graders & adults, 55:5998
developmental study of quantitative neo-Piagetian model, mental processing aspects of 2 formal operational tasks, 8–10.1 vs 10.2–12.1 yr olds vs graduate students, 57:9995
developmental study, understanding of biblical parables, 7–11 yr olds, 55:11925
developmental trends, conception of organization & recall assessed by composition of word lists that would be easy to recall, kindergartners & 3rd & 6th graders, 54:2726
dialectical aspects of moral development, 53:861
dialectical perspective in theory & research, memory development, 58:5156
dialecticism & structuralism, philosophical foundation of Soviet psychology & Piagetian cognitive developmental theory, 54:10809
diary studies, assessment of individual strategies in reading acquisition, 53:12487
dietary modification, symptom alleviation, 2 hyperactive 4 & 5.5 yr old males with severe cognitive & emotional problems, 57:8593
differentiation of syntactic & semantic features in empty grammars, evidence from empty form usage, 55:536
dimensional combination & preference, Piagetian classification tasks, 6 vs 7 vs 8 yr olds, validity of Piaget's horizontal decalage concept, 56:7649
dimensional preference, optional reversal shifts, college students, developmental implications, 55:6734
dimensions of behavioral measures, degree of differentiation in handedness, male college students, significance for motor & cognitive development, 53:4870
discontinuity theory of psychological development, application to problem solving tasks & loss of skill under stress, 17–21 & 11–26 yr olds, 57:12480
discovery vs reception teaching method & operational learning stage, achievement & retention of social studies material, 4th vs 8th graders, 58:8251
discriminability of object & dimensional preference of speaker, label selection with objects possessing multiple verbal codability, 9–12 yr olds, 57:12518
discrimination & reversibility in conservation, 5 yr olds, 56:498
displays varying in seriation level, long term memory recall vs recognition & role of operative knowledge, 4 vs 5 yr olds in nursery school, 58:5185
distribution characteristics of EEG half waves on simple auditory RT task, correlations between distributions & RT during growth & development, 5–17 yr old males, 55:4284
doctrine of invariant sequence in cognitive development, dream concept, Hausa children, Nigeria, 55:6939
doll vs person as other observer, perspective taking performance, 6 vs 7 vs 9 yr olds, implications for task methodology, 58:7150
dolls & blocks as objects in naming task, learning of distinction between common & proper nouns & syntactic marking of distinction, 17–25 mo olds, 57:2921
dramatic play, cognitive development & role taking ability, 3–5 yr olds, 58:795
drawings of "a house with a tree behind it", assessment of synchronous development from intellectual to visual realism, 39–78 mo olds, 58:840
dual encoding theory context, nonverbal imagery vs verbal processes in encoding & manipulation & retrieval of information & sequential processing, preschoolers & elementary school students, 58:11435
dual-modality coding process, paired associate learning, kindergartners vs 2nd vs 5th graders, 55:11968
early attainment of common & proper names & later conceptual notion of names, 6–8 yr olds, 58:3129
early childhood education, cognitive development, prekindergartners, 56:4798
early conservation measured in kindergarten, prediction of later reading, 54:2695
early day-care intervention, intellectual development, 7 & 18 mo old infants at-risk for mental retardation, 58:5986
early experience, cognitive development, 12–24 mo olds, utilization of Piagetian approach, 57:10001
early intervention, adult mental growth status, mentally retarded, 21-yr follow-up study, 53:7712
early intervention project, maternal self esteem & locus of control & infant mental development, mothers & 6 mo to 2 yr olds, 56:4802
ecological approach & role of rehabilitation counselors, promotion & maintenance of cognitive functioning, aged, 55:7480
ecological demands, cognitive structures, psycholinguistic profiles of kindergartners & 1st graders from isolated coastal communities, Labrador, 53:11427
education, mental & personality development, 54:7181
educational framework, concept & model of adulthood applicable to technically advanced & highly industrialized societies, 58:10205
educational-therapeutic groups, day care program, disadvantaged 3–6 yr olds, 53:4065
ego capacity to verbalized awareness of psychological causality, choice of psychopathological symptomatology, 5–11 yr olds, 55:4732
egocentricity & attainment of sociocognitive perspectivism, 9–11 yr olds with identified learning disabilities, 57:10585
egocentrism altering treatment, conservation ability, children classified as nonconservers vs transitional conservers, 58:3088
egocentrism measured by role taking & referential communication tasks, real & ideal self image density, 4th–6th graders, support for cognitive/developmental theory of self concept, 57:9946
elaborative prompt condition & cognitive developmental level, performance of addition problem, kindergartners, 58:9266
emergence of strategy of negation, learning of antonymic relations as derivative phenomenon, 4–6 yr olds, 55:6757
emotional & interpersonal maturity, Comprehension & Picture Arrangement subtest scores of WISC, 5th graders, 54:791
emotional adjustment & sex, conservation performance, normal vs institutionalized emotionally disturbed 12 yr olds, support for interdependence of affective & cognitive development, 57:8396
empirical evidence of nonconservation of discontinuous quantity & weight, concrete operational 4–10 yr olds, 53:9285
encoding strategy developmental stages, short term memory capacity, Black 7–17 yr olds, 58:9251
encoding vs cuing conditions, free recall task performance & subsequent sorting task performance, 1st vs 3rd graders, 56:7669
environment & age & socioeconomic level, utilization of perceptual & abstract bases for equivalence grouping, 1st & 3rd & 5th graders of varying urbanization & social class, Colombia, 55:6736
environment & early experiences, cognitive & motivational development, infants, book, 54:824
environmental differentiation & familiarity, memory for spatial location, 3–5 & 7–8 yr olds, 54:4983
environmental pressures, imbalance in integration of complementary cognitive modes of 2 cerebral hemispheres, 56:7174
environmental stimulation at home, early cognitive development through sensorimotor stage, deaf 23–38 mo olds, 57:13037
equation of stimulus novelty of both objects in training trials, Moss-Harlow effect in 2-object discrimination with positive or negative information trials, 3 & 5 yr olds, 56:3821
Erikson's 8 stages of developmental psychology as psychoanalytic theory of development, relationship to goals of education, 55:11891
estimate of recall content & time of estimation, memory estimation accuracy & appraisal & strategies, kindergartners through 2nd graders & college students, 57:5545
ethnic origin & urbanization & schooling, perception & conservation of length, French Canadian & Rwandese 6–15 yr olds, 56:9686
Euclidean geometric operative level, imaginal task performance, female 4–13 yr olds, support for Piaget & Inhelder's imagery development theory, 58:811
evaluation of attribute-treatment interaction model employing cognitive development theories, conceptualization of learner differences & instruction adaptation to those differences, college students, 57:6806
evolution of number concept in describing mathematical set, 4–7 yr olds, 54:11390
existence or nonexistence of ordered hierarchy in successful completion of selected Piaget-type conservation tasks, formation of thought patterns characteristic of adults, general education physical science college students, 58:2104
existing knowledge & ability to acquire new information & process-level differences, cognitive development using balance scale problems, kindergartners & 1st & 4th & 5th & 8th & 9th & 11th & 12th graders, 57:5568
experience & age, development of death concepts, 3–12 yr olds, 58:3103
experimental methods, development of identity & equivalence conservation, review, 54:11383
experimental methods in providing information to S, class inclusion performance, 6–7 yr olds, 54:11382
experimental nursery school program based on Piagetian theory vs conventional nursery school, development of logical operations abilities, 3–5 yr olds, 2-yr longitudinal study, 57:11308
exposure time to model, development of adaptive & maladaptive problem solving behavior, male vs female 8 & 9 yr olds, 58:5145
exposure to modeled nurturant interaction & social reward for imitation, imitation of task relevant vs irrelevant behaviors & negative set, kindergarten vs 2nd grade females, implications for Piaget's theory on developmental stages in imitation, 58:819
expression in native language vs school language of English, expression of concept formation & conceptual level, 6th graders, Ghana, 53:7021
facedness & complexity of visual stimuli, attention, male vs female infants during 1st 12 wks of life, 56:7623
facial expression & identity categories of photographs in left-to-right array, use of component patterns of faces in recall of array location, 6 yr olds, support for perceptual salience interpretation of development of problem solving, 57:2944
factor analysis, nature of perceptual & cognitive processes required by Piagetian tests in terms of dimensions identified in Raven Coloured Progressive Matrices, 1st–3rd graders, 58:99
false recognition of true premise & inference sentences following story presentation, constructive memory effect, kindergartners & 2nd & 4th graders, 57:965
familiar object pictures viewing with recall vs recognition preparation strategies, free recall of object names & picture recognition memory, kindergartners vs 3rd vs 5th graders, 57:989
familiar vs formal materials, Piagetian classification & formal operational abilities, highly educated 30–38 vs 57–82 yr olds, 56:9695
familiar vs unfamiliar faces & paraphernalia & expression manipulations, age differences in recognition accuracy for faces in memory & simultaneous presentation conditions, 5–16 yr olds, implications for encoding processes, 58:5133
familiarity & cognitive synthesis tasks, reading achievement, kindergartners, 56:6772
family ego patterns of coping & defense functions, ego processes & IQ scores & moral & cognitive development, adolescents, 56:9636
family size, learning readiness patterns, socioeconomically disadvantaged black 2–3 yr olds, 56:3844
field dependence & independence, conservation of mass & weight & volume, 1st & 3rd & 5th graders, 56:493
first terms of reference & change in meaning of terms with development, children, 57:2889
formal thinking & paired associate learning & creativity, 6th & 10th graders, 55:6796
formal thinking development, high & average achieving adolescents, 53:11419
formation of mental picture of story vs looking at text illustrations vs background picture of story scene, developmental differences in comprehension of prose, 1st vs 4th graders, 58:4311
formulation of classroom questions, suggested teacher techniques & relationship to child's mode of thinking, 57:13841
formulation of model of social cognition, processes involved in social cognitive inferences & intervention techniques, 6th graders, integration of R. L. Selman's & J. H. Flavell's models, 58:765
framework of J. P. Guilford's structure-of-intellect model, evaluation skill development, 10–15 yr old delinquent males, 58:9710
free vs constrained word categories & use of categories derived from other Ss & age differences, recall performance, 3rd vs 8th graders, implications for development of verbal memory processes, 57:7963
French immersion vs regular English programs, reading & other language skills & mathematics performance & cognitive development, 3-yr evaluation from kindergarten to 2nd grade, Ottawa, Canada, 57:4316
French immersion vs regular English programs, reading & other language skills & mathematics performance & cognitive development, 3-yr evaluation from kindergarten to 2nd grade, Toronto, Canada, 57:4317
Freud's psychodynamic vs Piaget's developmental vs A. Ellis's arousal-seeking theories of play, applications for exceptional children, 57:9960
friendship-expectation development, Anglo Canadian vs Scottish 6–14 yr olds, 58:7147
function of language & imagery, development of formal operational thinking, 11–12 yr olds, 57:2955
functional fixedness, 6 & 7 vs 9 & 10 vs 13 & 14 yr olds, educational implications, 55:2177
functional measurement analysis, development of dimensional coordination, kindergartners vs 2nd vs 4th vs 6th graders vs adults, 57:10000
functional theory of intellectual development, performance models for Piagetian tasks, 6–8 yr olds, 53:7020
game vs lecture methods & mediation by cognitive/conceptual orientations, positive attitude change toward urban poor, white high school students from large metropolitan area, 55:12667
games, development of analytic thinking & problem solving skills, 1st graders, 58:2037
generalizability, Concept Assessment Kit-Conservation, 1st graders, Canada, 58:4616
grade & academic achievement, concept formation, 1st–5th graders, 53:4893
grade & age & sex & levels of left-right conceptualization & teaching of concept of integers as a directed distance, achievement, 3rd–5th graders, 57:13718
grade & sex & socioeconomic status & scholastic aptitude & school achievement, formal operations attainment, 7th–9th graders, 55:2193

grade & time & high vs low frequency words, use of sequential spelling strategies for lax & tense vowels, 1st vs 2nd graders, 57:6811
grade level & IQ & sex, scores on 6 Piagetian-type tasks & unidimensional scaling of scores, 1st–3rd graders, educational implications, 58:9247
grade level & positive direction & reading achievement, logical thinking ability & syntactic comprehension, lower class 3rd & 4th graders, 56:5775
grade level, cross sectional similarity of factor structure of affective & cognitive classroom environment variables, 8th & 11th graders, 56:10720
grade level, list discrimination task performance using unrelated & categorized pictures, 2nd vs 5th graders, 57:2949
grade placement feasibility of advanced program involving equality & inequality concepts, 3rd grade children, 55:3057
grammatical class of stimuli words & age, paradigmatic associations as measure of associative structuring in Slovak vs other languages, 1st–9th graders vs adults, 56:7655
group experience & interaction, decline of egocentric thought, kindergarten & 3rd grade Israeli boys, 55:11907
group language development program, developmental factors, normal preschool children in day care centers, 55:13257
group training in imaginative play vs extra free-play activity vs control, social role conservation & understanding of kinship relation & imaginativeness of free play, kindergartners, 58:766
Head Start & socioeconomic status, cognitive & affective development, disadvantaged preschoolers, 55:10727
health & birth problems, verbal conceptual & figure drawing skills & socieconomic status, disadvantaged Spanish-speaking 5 yr olds, 55:11941
height- & volume-reversal judgments by inversion, 3- vs 4- vs 5-yr-old nonconservers, 53:4903
hierarchical model of science concept attainment levels, 6th graders, 56:488
historical & theoretical discussion, problems in development of thinking, 57:12552
home & background cultural differences, concepts of reading & writing, non-Indian vs Indian Canadian kindergartners, 55:9408
home environment & age, conservation & classification & role taking abilities & verbal egocentrism, 7–9 yr olds in rural environments, Hungary, comparison with Norwegian children in M. Hollos & P. A. Cowan's study, 57:7953
home environment, development of formal operational ability, 15 yr old junior high school students, 56:9662
home environments during 1st 2 yrs of life, mental test performance, 54 mo olds, followup study, 58:801
home visiting intervention program, interaction with & stimulation of mental development of their 3 yr olds, Jamaican mothers, 55:10464
home-based program with verbal interaction techniques, stimulation of child's cognitive & language development, low income mothers & their preschool age children, 58:8004
hostile & violent environment, social attitudes & cognitive functioning, Catholic & Protestant 6–10 yr old males, Ireland, 56:3878
hypothesis for difficulty in ability to evaluate contradictions & tautologies, 1st–3rd & 6th & 10th graders, 56:7665
identification of cognitive subprocesses from computer simulation & process training vs additional task practice & grade level, performance in letter series completion problems, 1st–6th graders, 57:2372
identification using Piagetian tasks, concrete & formal operational children, 2nd & 4th & 6th & 8th graders, 53:11397
identity-difference vs similarity vs similarity-difference oddity problems, sequential transfer, nursery schoolers, 58:5175
identity-equivalence decalage in Piaget's conservation problems, 4 vs 5 vs 6 yr olds, 57:906
Illinois Test of Psycholinguistic Abilities & Concept Assessment Kit—Conservation, psycholinguistic & conservation abilities, 5 yr olds entering kindergarten, 55:1608
Illinois Test of Psycholinguistic Abilities, prediction of Jensen's levels-of-learning, educable mentally retarded, implications for educational planning, 55:12525
imagery movement representation, RT, 5 vs 8 yr olds, 55:6773
implementation of system approach model, Piagetian sequence of cognitive &/or moral development, 10 yr olds, 58:761
indirect/open vs direct/closed home & classroom environment, divergent thinking, girls vs boys, 57:4336
individual differences in adaptive coping, numerical conservation understanding, kindergartners vs 1st vs 2nd graders from low income Mexican American families, 58:11472
individual identities vs dimensional values, judgments of "same" & "different," kindergartners & 3rd graders, 53:4900
individualized teaching in mathematics & grammar emphasizing development of successive thought structures, elementary school students, 54:10477
induced attention & encoding variability in semantic orienting tasks, level of free recall & consistency across trials & category clustering, kindergartners vs 2nd graders vs college students, 56:9706
induced subjective uncertainty & M space & cognitive style, responsiveness to conservation training based on M. Lefebvre & A. Pinard's conflict procedure, 5–8 yr old nonconservers, 58:5127
induction from & identification of incomplete pictures, development of information seeking behavior & utilization of information, 4 & 6 & 8 & 10 yr olds, 57:5521
infantile experiences & mother-child interaction & emotional & parental needs & society's need for conformity, individuality of cognitive & emotional composition, children, 57:7890
inference use ability development, 6th grade students, 55:3013
influence of schools & schooling, images of political authority figures as potent & benevolent, 9–15 yr old recent immigrants & acculturated children, Canada, 55:507
information load, identification capacity, 3 vs 7 vs 9 yr olds, 57:12519
information presentation method, developmental changes in use of verbal & nonverbal & spatial/positional cues for memory, kindergartners vs 2nd vs 4th graders, 57:12513
information processing & psycholinguistic theories, comprehension & learning development, children, book, 54:7227
information processing demands, combinatorial reasoning task performance, 8–12 yr olds & adults, implications for J. Pascual-Leone's theory, 58:7230
information processing model, cognitive development, book, 57:2924
information theoretic memory model, classification sorting & recall behaviors, 9th graders, 55:9410
innerdirected vs task oriented & information seeking & cue dependent vs approval seeking task approaches & use of relevant external cues, self perceptions in achievement task situations, kindergartners to 5th graders, 55:9381
instruction & sex, comprehension & perception of horizontality, male vs female 8–9 yr olds, 55:4263
instruction employing concrete semi-concrete abstract experiences vs abstract experiences only & S's Piagetian developmental level, mathematics achievement & retention, 5th graders, 57:13765
instructional conditions, concepts generated & strategies & ideational fluency in storytelling, 1st vs 3rd vs 5th graders, 58:11470
instructional formats of increasing complexity & choice of specific comparatives, Piagetian classificatory abilities, 2nd–5th graders, 58:11434
instructional set & social reinforcement, generalized imitation, 4–6 yr olds in nursery school, 58:5168
instructions about relevant dimensions of task & perceptual salience of task dimensions, recall of relevant & incidental dimensional values in tasks, kindergartners vs 6th graders, 58:5160
instructions to look at stimuli with vs without instructions to remember & conceptual vs perceptual vs unrelated stimulus representation, selective learning, 1st vs 6th graders, 58:830
instructions to "look" vs "remember" & presence vs absence of semantic category cues, constrained vs free recall & discrimination between perceiving & memorizing, 2nd vs 5th graders, 57:5576
instructions to pick wanted row of candies vs "which row has more" questioning, nonverbal assessment of conservation of number, kindergartners, 57:7974
instructions to remember vs listen to words & age, recall & concomitant pupil size, educable mentally retarded students, 58:7723
instrumental motoric activity, role in Stage IV error in Piaget's theory of object concept development, 9 mo olds, 56:490
integrated cognitive structures, educationally mentally handicapped 13–16 yr olds, 53:12520
intellectual growth in relation to CA, implications for continuing remedial education for retardates, 58:3572
intelligence & cognitive development, 2nd & 3rd graders, longitudinal study, 55:2186
intelligence & creativity & school achievement & personal variables, development of formal reasoning, 10–12 yr olds, 58:806
intelligence & personality traits & self concept & family background & sex role preference & attention & development patterns, children of schizophrenic mothers at risk for emotional disorder vs normal Ss, 58:5509
intelligence, concrete & formal operations, very bright 6–11 yr olds, 53:7057
intense program to aid learning & spatial & temporal concepts, measured intelligence, preschool age children, 55:3071
interaction of conceptual development of parents & teachers, creativity & home play conditions, 4–5 yr olds, 55:12006
interactive vs categorical cognitive strategies & age, paradigmatic word association & classification behavior, 3–10 yr olds, 58:817
intermodality relationship of auditory & vision perception, developmental aspects of information processing in CNS, 57:12481
internal vs external objects, object relationships & separation anxiety & object constancy & symbiosis, 53:903
interpretations of conservation expression instructions, 5 yr olds, 54:11416
interpretive vs factual questions about visual vs auditory vs reading stimulus, oral language production, 2nd vs 4th graders, 56:3846
interstimulus interval & age differences, identical visual & same name matching, kindergartners & 3rd graders & college students, 53:4912
intervention program training parents to provide organized environmental learning situations, facilitation of sensorimotor concept acquisition, cognitively delayed infants, 58:3128
intraindividual variability of development of human figures & tree drawings, 4 & 6 & 8 & 10–12 yr olds, longitudinal study, 58:7239
intrapair differences, infant behavior ratings & cognitive skills in early & middle childhood, multiracial group of twin pairs, Hawaii, 53:836
intrinsic vs extrinsic disposition to learn, perceptions of faculty & peer reinforcements for autonomous learning, college students, 56:4856
introduction of visual cues to task characteristics, Stage 6 sensorimotor means-end problem solving, 20–27 vs 28–33 vs 29–34 mo olds, 57:2926
irreversibility vs reversibility argument, resilience in cognitive development, 55:6760
item-pairs & sex differences, free recall of 2-item lists, 29–35 mo olds, 53:367
joke vs story &/vs real event presentation of weight conservation incongruity & rate of fantasy & joke cues, ratings of incongruity surprise & humor & realistic possibility, conserving 5th graders vs nonconserving 3rd graders, 54:9313
knowledge of premise relationships & number of transitive inferences explicit in passage & grade & directionality of passage relationships, knowledge of verbal transitive inferences, 2nd vs 4th vs 6th graders, 56:2154
Kodaly music training, cognitive development, 1st graders, 53:3981
Kohlberg's cognitive-developmental stages of moral reasoning, classification of sharing decisions, 5–13 yr olds, 55:9386
lack of age-appropriate social skills; social decentering & locus of control, 10–13 yr olds attending therapeutic summer camp, 54:9379
language & action & perceptual stimulation, preoperational & transitional stages of cognitive development, 4–6 yr olds, 58:9259
language & cognitive development based on Piagetian concepts, 53:9266
language & cognitive development, analysis of J. Bruner's contributions, 57:892
language & cognitive development, evolution of J. Piaget's thinking & research, 57:958
language & conceptual development & language comprehension, spontaneous development of moral concepts, 57:5609
language & nonverbal communication roles, cognitive & affective processes, deaf Ss, literature review, 53:7383
language code & level of cognitive operations, academic achievement, adolescents, 58:4308
language, concept formation, 1st & 4th graders, 55:11918
language development, numerical concept formation & abstraction & integrative abilities development, 5–19 yr olds with Down's syndrome, 53:3426
language development pattern, operational level of thinking, children, 54:9341
language, role in cognitive development of children, 53:896
language used for verbalization & grade level & bilingual vs monolingual classroom instruction, learning rate of 2-stimulus transposition task, kindergarten through 3rd grade native Spanish speakers with conversational knowledge of Spanish & English, 56:4765
laterality & developmental problems of cognitive & motor functions, review of studies, 56:7601
learning & cognitive approaches to language, 53:5286
learning & development from Piagetian basis, critical historical analysis of Geneva's research program, 58:5105
learning process in childhood, textbook, 56:7670
learning set procedure incorporating substance conservation & subordinate concepts, accelerated conservation on acquisition & IQ gains, blind 8–13 yr olds, 56:3029
learning set training procedure, concept formation, blind vs sighted 5–6 & 8–13 yr olds, 55:4925
learning theory & psychoanalysis & cognitive developmental theory, concepts of justice, 55:9546
learning 2nd language, linguistic & operational development, German-speaking 5–9 yr olds, study of linguistic system for series construction, 58:7182
length conservation & speed concepts, organizational disequilibrium training between concepts, middle class Israeli 6–7 yr olds, 54:9354
length constraints & reduction rules & holophrastic processes, word combinations, children, 53:2823
length cues to number, development of ordering & correspondence operations, 3–5 yr olds, 53:4935
length of words vs pronounceable nonwords vs random letter sequences, word recognition, 5th vs 7th vs 9th vs 11th graders, 58:9281
"less-more" training, "less" comprehension & conservation performance, kindergartners, 57:2917
level of cognitive analysis, incidental learning, 3–5 yr olds, 54:5007
level of conceptual symbol identification, physical ability & athletic performance & academic achievement & intelligence, 15 yr old athletes, 55:2901
level of descriptive competence & language training seriation, lower working class & middle class 5.6–6.1 yr old males, 58:11451
level of formal operations, precocious cognitive development, 5th & 7th graders, 56:500
level of maternal formal education & aspects of home environment, cognitive task performance, 2 yr olds, 55:2178
level of thought displayed on Piagetian tasks, adult male non-paranoid schizophrenics, application of Piaget's theory of cognitive development to understanding & treatment of schizophrenia, 58:5527
levels of abstraction & Piaget's stages of development, analytic grid method applicable to educational planning, 57:9964
liking for object, judgments of weight & volume, 3–5 yr olds, 58:3112
linear & areal scale concept development, urban Caucasian elementary school students, 55:4247
linguistic & cognitive development interrelationship, language acquisition, critical review of E. V. Clark et al, 53:4887
linguistic & cognitive development interrelationship, language, children, 53:4934
linguistic & cognitive factors, answering questions about perceived events & pictures & statements, kindergartners vs 2nd graders, 56:3839
linguistic context, processing of lexically ambiguous sentences, 4 vs 6 vs 8 yr olds, 58:9260
linguistic subsystems & concrete operations, developmental cross cultural comparison, Geneva data results vs 1st–3rd grade Greek-English bilingual vs English monoglots, Australia, 57:2965
list organization & retrieval cue factors, retrieval strategies in free recall task with categorized lists, 5th graders vs college students, 56:3818
locus of control & cognitive development & source status & expertise relevance, conformity to social influence, 57:3294
locus of control & moral judgment, age trends & moral judgment training as cognitive intervention & subsequent locus of control changes, 1st–5th graders, 57:7865
logic, perceptual development, preschoolers to 5th graders, 54:11423
logical abilities measured by Piagetian tasks & verbal intelligence, performance on intra- & extradimensional shift problems, 3–12 yr olds, 55:4248
logical operational limitations, development of moral judgment, 11–13 yr olds, 55:6692
logical priorities connecting aspects of sensation & action & object, 55:11931
logical structures & information quantity & code used to express information, operational strategies during development, 55:9400
logical vs arbitrary & E vs self composed sequences, recognition & reconstruction & recall of narrative sequences, preoperational kindergartners & 2nd graders, 57:901
MA & IQ, problem solving & helplessness, 5 vs 7 vs 9 yr olds, 58:11487
MA & perceptual development, stage & rate of progress in logical number concept formation, children with MAs ranging from 4–8 yrs, 56:9668
MA, moral judgment & cognitive performance, cultural-familially retarded vs nonretarded children, 54:9978
malnutrition & childrearing practices, intellectual & cognitive development, 6–36 mo olds, Philippines, 56:7638
malnutrition in early life, mental development, young infants, implications for mental retardation prevention, 58:3110
malnutrition in infancy, mental development, 54:7194
malnutrition, physical growth & mental development, 58:3651
manikin assembly performance, understanding of representational significance of body parts & nonoccurrence of syncretism, 2–4 yr olds, discussion C. Golomb's study, 57:8009
manipulatory grouping experience with vs without teacher-child interaction, classification skill development, 4–6 yr olds, 55:9430
maternal childrearing practices & parental attitudes & life goals, verbal & quantitative & spatial abilities & perceptual speed & field independence, adopted 5–7 yr olds, 57:7934
maternal use of "distancing" behavior during mother-child interaction, child's representational skills, 3–4 yr olds, 58:5134
mathematical analysis, Piaget's hypothesis concerning topological relations in spatial representation, 4 & 6 & 9 yr olds, 57:9984
maturation & cognitive development, responsiveness to auditory stimulation during REM vs NREM sleep vs waking, 2 hr to 5 day olds, 56:475
meaningful & structured behavioral antecedents of semantics & syntax in language, preverbal infant observed from 6–12 yrs of age, 58:11464
means on Peatling Scales of Religious Thinking, cognitive development, children & adolescents & adults, 54:11412
measurement of development of concept of temporal extension, 7 & 9 & 13 yr olds, 55:11975
measurement of maturation of instrumental functions, application of new DL 4-5 test, 5 yr olds, Brussels, utility for identification of learning problems, 58:143
measurement of polygonal paths, 1st & 2nd & 3rd graders, 55:11922
medical & dental & psychological characteristics, Growth Study, 4–14 yr olds, longitudinal study, 53:11387
melodic vs prosodic vs monotonic sound pattern of lists, ordered recall of auditory digits, 4 & 7 & 9 & 11 yr olds, 56:3827
memory & cognitive skills & their development, reading acquisition, curricular significance, 57:13792
memory & intelligence & learning, Black vs White lower vs middle class 6 vs 7 vs 8 yr olds, 58:5232
memory for inferential relationships in prose, developmental progression in performance & underlying cognitive operations, school age children, 57:5562
mental & personality domains of development, low & high-achieving gifted 9th–11th graders from disadvantaged environments, 53:4023
mental age & IQ, attentional habituation & problem solving, normal vs mentally retarded, 53:1476
mental age vs sex vs vocabulary vs chronological age vs IQ, conservation of volume scores, 10–13 yr old American black students, 55:6725
mental capacity & conservation task type, conservation reasoning ability, 4–6 yr olds, 57:946
mental development, phenylketonuric children who were on vs off their special diet after age of 6 yrs, 57:3669
mental development, preterm 27–31 vs 32–34 vs 35–37 vs 38–44 wk olds, 1-yr longitudinal study, 58:7205
mental development, psychological epistemology of J. M. Baldwin, 57:4624
mental growth & physiological maturation relationship, middle-class 5th–8th graders, 53:866
mental manipulation of spatial information, spatial visualization, 4–12 yr olds & 11th graders & college students, 53:7049
mental maturity as process of merging positive subconscious with positive conscious & promotion by learning of values, 55:6790
mental operations observed through circumstantial complements of time & place & manner & motive & purpose, ability to articulate syntactic constructions, 8–12 yr olds, 55:2175
mental processing capacity & anticipatory & retroactive abilities & development of concrete-operational structures as measured by performance on criterion logic tasks, 1st & 2nd graders, 57:9969
mental strategy & capacity & instruction, neo-Piagetian theory of development for prediction of digit placement task scores, 6–10 yr olds, 53:9258
methodological issues, longitudinal study of malnutrition, 53:5696

methodological issues, psychology of aging & cognitive processes & perception & psychophysiology & personality & attitudes, literature review, 54:2800
methodological study, perceptual & conceptual perspective taking, 1st & 3rd grade boys, 57:2878
methodology based on metaphor interpretation, metaphoric process, 5–12 yr olds, 58:9270
methodology for observating developmental sequence of ordination before cardination in number concept development, note on alternative to C. J. Brainerd's procedures, 56:7687
methods following Piagetian theory in classroom learning process vs traditional teaching methods & age & GPA & aptitude for accounting & logical reasoning & IQ, formal operations ability, 15–19 yr old high school accounting class students, 55:13104
mirror image response development, 6 & 12 & 18 mo old female infants, 54:794
misconceptions & continuing education programs, psychological & motivational changes in midcareer, conference papers, 54:2788
mixed print configuration & order of presentation, development of word recognition processes, kindergartners vs 1st vs 5th graders, 58:9248
mixed-age grouping, standard conservation task performance, British vs American 5–7 yr olds, implications for organization of classrooms & schools, 57:6745
modalities of intellectual activity, acquisition of knowledge, 4th graders & college students, 53:8802
model of critical thinking ontogeny, college students in different curricular areas, 55:13282
model of development of concept of seriation based on information processing paradigm, recognition & reconstruction length seriation tasks with number of stripes & shapes varied, kindergartners vs 1st vs 2nd vs 3rd graders, 58:3085
modeling, hypothesis-scanning & constraint-seeking interrogative strategies, 6 vs 8 vs 10 yr olds, 56:9658
models of cognitive deficit vs developmental deficit in affective processes, preference for affective cues, autistic children, 55:9964
modification of Boehm Test of Basic Concepts, usefulness in programs for disadvantaged preschoolers, 55:1581
modification of directed forgetting paradigm, development of control over memorial processing in recall of pictorial paired associates, 1st & 6th graders & college students, 58:836
modification training, physiognomic sensitivity, male vs female 4 vs 6 vs 8 yr olds, 58:7231
moral & cognitive development, psychopathic & neurotic & subcultural delinquent male adolescents, 57:3573
moral development assessed by Kohlberg's criteria & cognitive development indicated by Piaget-type tasks, 2nd vs 5th graders, 58:779
moral judgment, relationship between L. Kohlberg's cognitive development stages & M. L. Hoffman's social learning moral orientations, male adolescents, 56:3857
moral maturity & cognitive reasoning levels & MA & CA, moderately vs mildly retarded vs nonretarded 4–69 yr olds, 58:3583
Mother-Child Home Program of modeling verbal interaction, IQ, low income mothers & their children, 58:846
mother-child interaction, cognitive ability & attachment & contingency learning, 7 mo olds, 55:9389
mother-child relationship & etiology & sex & socioeconomic status, predictive validity of low infant intelligence test scores, 5–7 yr olds with mild developmental delay in infancy, 57:5540
mother-child relationship, fantasy & mental presentations & sensory impressions as precursors of symbolization, 57:12511
mother–infant relationship, motor & cognitive & social development, infants in urban Zambia, 53:7097
mother's psychological functioning & cognitive differentiation & childrearing behavior, child's functioning, deaf mothers & their hearing adolescents, 58:11480
motivation for identification of moral character & conceptual organization, theoretical model of identification based on conceptual development theory of O. J. Harvey et al, 56:3809
motor & cognitive development, educationally high risk vs normal 24 mo olds at completion of Piaget's sensori-motor stage, 58:791
motor & mental development, cerebral palsied infants in home training program who did vs did not undergo surgery, 58:8058
motor activity & sentence production, visual imagery generation, 4 vs 7 yr olds, 57:949
motoric vs verbal responses on Piagetian rate-time task, nursery school & 2nd-grade children, 53:870
multi-age vs same-age grouping, spatial egocentrism & cooperation & relationship to conservation development, 5–7 yr olds in US vs England, 57:11463
multiplicative classification & inductive reasoning, 9-yr-olds, 53:11393
multiplicative classification, cognition, 4–7.5 yr old deaf vs hearing children, 53:12032
multivariate model, age-related changes in cognitive structure, 53:7019
multivariate model of early infant competence, prediction of mental & motor development, 2.5–6 mo olds, 58:9225
musical tasks based on Piagetian theory of child's time conception, age differences & stages in understanding & identifying meter in music, 5–12 yr olds, 58:839
naming & sorting of drinking vessels, learning vagueness of category boundaries, 3 & 6 & 9 & 12 yr olds, 54:9327
naturalistic observation, cognitive & social flexibility development, 3 & 4 yr olds, 56:9634
nature or pattern of thinking about lower stage reasoning, 7th & 9th & 11th graders, 56:5773
need achievement & risk levels & Piagetian stage of cognitive development interrelationships, 4th & 6th graders of high vs low socioeconomic status, 55:4208
negation & syntactic ordering in given conditional &/or assertion form of proposition to be inferred, inference of valid conclusions/logical equivalents from given conditional assertions, 4th & 8th & 12th graders, 55:9429
neo-Piagetian training, mental growth as stage-like process, criticism of S. Strauss's conclusion, 53:2852
neurophysiological factors & linguistic processes, spatial representation development, book, 54:11395
nominal predication of nonsense syllable by superordinate term, inferences about attributes of word, 5–7 yr olds, 54:9344
nonegocentrism, development of comprehension & production of spatial deictic terms, 2.5–4.5 yr olds & college students, 53:9259
nonverbal assessment of Piagetian concepts in evaluating young children's abilities, 56:7658
nonverbal discrimination of cards with more vs fewer elements, 50–61 mo old prekindergartners & kindergartners, 56:5783
normal & dysfunctional child development & learning processes, book, 54:1413
normal development of sight & hearing vs blindness & deafness & sensory stimulation, development of personality & behavior & cognitive processes, 53:7736
normative & developmental data, cognitive styles & differentiation, 4.5–10.5 yr olds, Italy, 53:7039
number conservation criterion, emergence of number concept from ordination to natural number to cardination, kindergartners & 1st graders, examination of C. J. Brainerd's findings, 55:4228
number of dimensions & pretraining in attending & memorizing, concept learning & attentional broadening, 6 yr olds, 57:974
number of objects & nonlinear vs linear arrays & arrangement of harder & easier trials, facilitation of attention to number & conservation of number & density & length, kindergartners vs 3rd graders, 57:7972
number of pictorial stimuli & recognition alternatives, recognition memory in forced choice test, 3 vs 7 yr olds vs adults, implications for attribute-storage hypothesis, 57:7951
nutritional deficiencies & physical growth & mental development & medical history, adaptive significance of small body size, 9–10 yr old rural peasants, Mexico, implications for detecting children at risk for protein-caloric malnutrition, 58:11982
object & place recall task, 5–7 yr olds in US vs Guatemala, 53:7032
object drawing series based on color vs conceptual category, dimensional salience & free or cued recall or clustering & role as organizing principle in memory, nursery schoolers vs 2nd vs 5th grade Israeli Ss, 58:5157
object permanence using Piagetian tasks, profoundly & severely & moderately retarded 1–6 yr olds, longitudinal study, 54:3452
object vs container frame of reference, orientation in unfamiliar room, 3 vs 4 vs 6–8 vs 10 yr olds, 56:9653
objects vs collections vs classes, part-whole comparison difficulty in modified Piagetian class inclusion paradigms, nursery school & kindergarten & 1st & 2nd grade children, implications for internal organization & holistic properties, 57:5554
observation of model in which exact sequence of responses was not observable, performance of novel pencil maze task, 1st & 3rd & 5th & 9th &12th graders, 54:7196
observation of puppet reward/punishment in 2-choice discrimination task & natural or reversed S-consequence imitation condition, responsiveness to vicarious reinforcement, 2–5 yr olds, 57:9990
occlusion & reappearance of novel vs familiar stimuli, visual tracking of moving object & cardiac deceleration, 20–24 wk olds, assessment of status of object concept, 57:7947
occupational therapy treatment program, cognitive-perceptual-motor development problems, children, 54:3866
oedipal vs latency vs adolescent stage, primary process thought as reflected on Rorschach, 4 & 5 vs 8 & 9 vs 13 & 14 yr old females, 57:12493
ontogenetic changes, classification behavior, 3.5–19 yr olds, 53:9269
ontogeny of cognitive ability in linear patterning in enactive vs iconic vs symbolic modes, inner-city 4–7 yr olds, 55:6724
operant analyses, intellectual behavior in old age, 53:7129
operational development, performance of imaginal tasks involving object movement, 4–13 yr old females, 58:9253
operational stages, learning graphic representation of volume, Ss aged 6–12 yrs & older, 56:5778
operative level in comprehension of horizontality & correct vs incorrect stimulus characteristics, correctness of long term memory of horizontal stimuli, male vs female 5th graders, 57:2933
operatory development levels, spatial orientations task performance & anticipatory imagery types, 1st–5th graders, 56:5776
optical displays specifying collision vs approach of real object, collision avoidance & tracking vs defensive nature of postural changes, 1–9 mo olds, 58:7249
ordinal position of preterm infants, caregiving behaviors & early cognitive development, mothers & infants at 1 & 3 & 8 mo of age, 58:7342
ordinal scales of psychological development, assessment of cognitive development based on Piaget's description of sensorimotor intelligence, infants, implications for remedial interventions, 58:834
organismic & task variables, relationships between perceptual & representational processes, male 5 & 9 yr olds, 56:7682
organismic-developmental approach, short term training to induce cognitive development & learning from Stage I to next, children, review, reply to C. Brainerd's criticism, 55:11995
organization of language concepts, 4–9 yr olds, 55:6716
oscillatory behavior in seriation task, 8–14 yr olds, 55:11932
outer-directedness level during object assembly & IQ changes over 6 mo, preschoolers, 57:7915
overt responding to internal chain components & time-out contingency following errors & instructions concerning impending change, acquisition of behavioral chains in marking & naming tasks, 4-yr-olds, 53:4936
paired associate task, development of mediation, 4 & 6 & 8 yr olds, 55:6777
paradigm incorporating correlational methodology into experimental context, sufficiency of frequency theory in accounting for verbal discrimination learning, 5th & 6th graders vs high school juniors & seniors, 58:4803
parent & child discussion of school episodes involving black-white interaction, social structure comprehension & symbolic reasoning systems, 6 yr old black elementary school children, 56:10717
parent & teacher & counselor guidance, cognitive & attitudinal & social development, preprimary & primary children, India, 55:13588
parental age & education & income & birth weight & birth order & maternal diet during pregnancy, mental development patterns, 30 mo olds tested from birth, 56:2146
parental education & IQ & age & exposure to conceptual model, conceptual problem solving strategies, 3rd vs 6th graders, 57:12541
parental involvement in early development, normal health & mental development after early deprivations, poverty-level children, 54:2663
parental ratings of general health & peer relations & mental development & emotional health, 12–17 yr olds, national survey, 53:2892
parent–child communication, development of categorization styles, preschoolers, 53:851
participation in longitudinal intervention program using intensive language & cognitive development stimulation, patterning of structured mother-child teaching interaction & maternal & child behavior, black 3–5.5 yr olds, 55:8018
participation in teacher aide program, attitude change & cognitive development & self concept & skills & role perceptions, education majors, 58:1965
participation vs demonstration of counting & motor behavior as training methods, conservation of number, nursery school age children, 57:9992
part-whole recall organization, recall amount & recall-acquisition patterns on transfer task, 1st vs 4th vs 7th graders vs college students, 58:11460
passages with concrete vs abstract organizers, recognition & recall of connected discourse, 7–11 yr olds in early concrete vs abstract operational stage, 58:3116
paternal deprivation & feminized classroom, cognitive functioning, children, 53:4885
perceptual & cognitive & affective dimensions of role taking, intentionality & restitution in moral judgment, 5 & 7 yr olds, 55:4219
perceptual & cognitive & behavioral competencies, reading readiness, 53:804
perceptual & conceptual development & achievement levels, male children with specific learning disabilities, educational implications for early diagnosis & treatment, 58:9746
perceptual attentive view vs Piaget's construction theory, object concept, infants, exploratory descriptive observational study, 55:4268
perceptual features & semantic aspects manipulated by verbal contexts, distinguishing animate & inanimate items, children, 58:9291
perceptual motor & symbolic function development, language development, infants, 2-yr longitudinal study, 58:9256
perceptual motor vs physical conditioning training, physical fitness & perceptual motor skills & cognitive development & academic readiness & functioning, educable mentally retarded 8–12 yr old students, 57:4425
perceptual requirements of children's classification & seriation & Piagetian characterization of operational thinking during concrete operational stage, 57:9961
perceptual salience & cognitive set & age, recall of relevant & incidental dimensional values, kindergartners & 3rd & 6th graders & college students, 54:5008
perceptual salience, cognitive style, 1st & 3rd graders, 56:7702
perceptual salience, problem solving tasks requiring cognitive operations associated with conservation problems, 3rd graders & college students, 55:6787
perceptual support & preoperational & transitional & operational stages of cognitive development, performance of multiple classification tasks, 4–9 yr olds, 58:9243
perceptual training employing nonreinforced same-different judgments to dowels varying in height &/vs brightness, facilitation of height & brightness seriation, kindergartners, 57:8005
perceptual-cognitive tests, prediction of reading achievement in 1st grade, kindergartners, 55:1605
perceptual-motor skills & conservation ability, school readiness, kindergartners & 1st graders, 53:842
performance in Piagetian class inclusion tasks, ability to solve missing addend computation & verbal problems, 1st graders, 55:9423
performance on conservation & transitivity tasks, preference for visual vs auditory learning modality, 2nd graders, 55:11929
performance on perceptual & conceptual tasks & validation of Kagan's construct of conceptual tempo, reflective vs impulsive 2nd vs 5th graders, 58:9290
performance on Piaget-based Uzgiris-Hunt scale between 12 & 24 mos of age & subsequent Stanford-Binet performance at 32 mos of age, 57:8008
personality & cognitive & emotional & social development, deaf vs hearing children, literature review, 57:3697
personality traits & field dependence-independence, initial closure shown by concave parabolic curve, 7–10 yr olds, 55:2172
personality traits & level of mental development, town vs country 4 mo to 15 yr olds, 53:2863
personificative cues, development of causal cognition, 2nd–6th graders, 55:6817
perspective-taking feedback & practice, spatial egocentrism, middle class 61–88 yr olds, 55:11992
photographs of upright vs inverted faces & varying characteristic features of unfamiliar faces, face recognition, 6 vs 8 vs 10 yr olds, support for role of development in configurational coding, 58:5125
photos of adult male faces & pose variants, recognition of invariant facial features, 7 mo olds, 57:5532
physical & cognitive development, children of low income working vs nonworking Black mothers, 8-yr followup, 58:7149
physical & mental & emotional development & school & home adjustment, female 9.5 yr old, 56:2118
physical & mental development, mongoloid boy from birth to 14 yrs old, book, 53:1502
physical size & birth variables & sex & parent income & education & mental & psychomotor development, tempo & sophistication of toy play & exploratory & locomotor activity, black infants, 57:883
Piaget curricular elements integrated into traditional Head Start, development of classification & seriation skills, children, 55:1515
Piaget-based vs traditional preschool curriculum, verbal IQ & MA & seriation & conservation, disadvantaged children, Canada, 56:4790
Piagetian cognitive task performance, selected subtests from WISC, achieving vs learning disabled 1st–3rd graders, 58:12729
Piagetian concept applicability, physical conservation, 6–18 mo old, 53:7034
Piagetian concepts, application to work of school psychologist, 53:12381
Piagetian concepts of cognitive development, study of language acquisition, 56:3833
Piagetian conceptualization, visuo-spatial aspects of reading, 2nd graders, 55:9464
Piagetian curriculum & social class & ethnicity & sex, Piagetian task behaviors, Black vs White 12 mo olds in developmental day care program, 57:2918
Piagetian developmental stage & age, development of retrieval & storage in verbal learning, 5–9 yr olds, 58:9250
Piagetian logical thinking tasks, subtraction ability, 1st vs 2nd vs 3rd graders, 55:6807
Piagetian measurement, contributions to diagnosis & prognosis & research of children's mental development, 53:11402
Piagetian number concept, arithmetic achievement, normal vs mentally retarded vs congenitally blind 6–10 yr olds, 58:7637
Piagetian number concept development & transition from nonconservation to conservation of quantity, 5–7 yr olds, book, 53:4908
Piagetian perspective, child development & education, book, 57:13553
Piagetian principles & findings & terminology, book, 56:5779
Piagetian principles, developmental approach to sociology instruction in high school & college, 58:2015
Piagetian psychology & education, 58:12354
Piagetian reasoning task performance, mentally retarded vs nonretarded Ss, longitudinal study, reply to J. R. Weisz's & W. E. Kappauf's methodological criticisms, 58:3580
Piagetian reasoning task performance, mentally retarded vs nonretarded Ss, longitudinal study, criticism of B. Stephens & J. A. McLaughlin's use of covariance adjustments for CA & MA, 58:3584
Piagetian reasoning task performance, mentally retarded vs nonretarded Ss, methodological criticism of B. Stephens & J. A. McLaughlin's longitudinal study, 58:3611
Piagetian stages of cognitive development, model for teaching religious concepts to children, 55:4185
Piagetian stages of cognitive development, model for development of religious concepts & maturity, 55:4193
Piagetian study, spatial-temporal concepts, adult males who never attended school & adolescents, African village, 55:4226
Piagetian task performance & acquisition of mathematics concepts, Nigerian 5–7 yr olds, 57:1965
Piagetian tasks of formal operations, brightness & cognitive developmental precocity, bright vs average 5th & 7th grade males, 57:940
Piagetian tasks of number concept, performance & interrelationship between number concept aspects, 1st graders, 54:9342
Piagetian temporal operations & time instructions, ability to wait for highly valued rewards, 2nd graders, 55:4212
Piagetian theory & implications for helping professions, conference proceedings, book, 53:11378
Piagetian theory, developmental reading comprehension model, 54:5003
Piagetian view, thought & language, birth to 2 yrs, 53:4925
Piaget's cognitive development theory, application to explanation of language development, 55:9445
Piaget's concepts of concrete & formal operations, expansion of upper levels of Gagne's hierarchy of intellectual skills, junior high school students, 58:11453
Piaget's concrete operations, understanding of social events & institutions, 5–11 yr olds, 58:9324
Piaget's decentering concept, family process & therapy, 53:11462
Piaget's developmental concepts, application to sensorimotor & cognitive development in children, book, 54:11413
Piaget's developmental theory, analysis & contribution to school learning, 53:11381
Piaget's equilibrium theory, use of "learning loops" in analysis of "problem-solving" vs equilibration learning method, 58:5163

Piaget's model of conceptual development of space, spatial organization, perceptually handicapped children, 53:11945
Piaget's model of sequential strategies for deductive reasoning vs P. N. Johnson-Laird & P. C. Wason's model of natural "thought," deductive reasoning, 53:2337
Piaget's provoked & spontaneous correspondence tests, number conservation, lower & middle class preoperational children, 54:802
Piaget's stages of cognitive development, significance for psychoanalytic theory & therapy, 57:1577
Piaget's theories, criticism of interpretations of his writings, 53:11388
Piaget's theory, behavior modification & development of Learning Behavior System, learning disabled adolescents, 53:12396
Piaget's theory, implications for behavior modification with children, 53:12220
Piaget's theory, methods for identifying & changing stage-specific cognitive structures, 58:3090
Piaget's theory of cognitive development & basic educational tenets, visually impaired children, literature review, 57:3735
Piaget's theory of infantile egocentricity, development of search & object permanence during infancy, 56:7639
Piaget's theory of mental development in areas of realism & animism & artificialism, egocentric & subjective & objective thinking, 5–10 yr olds, 53:11429
Piaget's theory of number & use of class logic as basis for mathematical education, reply to C. J. Brainerd's criticism, 57:7964
Piaget's theory of number, criticism of J. Macnamara's analysis & conclusions concerning inadvisability of using class logic as basis for arithmetic instruction, 57:7926
pictorial detail & stimulus elaboration, retention of paired associates, 4 & 5 yr olds, 56:3825
place & size vs color cues in 4-choice delayed reaction task, memory for locating hidden object, 18 vs 24 vs 30 vs 36 mo olds, 57:912
planned educational play activities focusing on auditory & tactile sensory system stimulation, perceptual & cognitive development, blind retarded children, 58:2205
plasticity of intellectual development in later life, implications for adult educational psychology, 57:1887
play, social & emotional & cognitive development functions, 54:9380
"PlayMobile", provision of stimulating environment for cognitive & motor skill development, blind infants, 57:6177
"Poem of the Mind" of W. Whitman, analysis as poetic expression of cognitive development, 56:7581
position &/vs form information, parallel processing of multiple-form arrays, 5–6 yr olds vs college students, 57:12504
positive vs negative reaction of initial person toward stimulus person, subsequent evaluation of stimulus person, girls in concrete-operational vs formal-operational stage, 55:6770
possession of code & quantity of information, operational proportion & use of strategies in proportion problem solving, 5–8 yr olds, 57:9962
possibilities & limitations, stimulating socio-emotional & motor & perceptual & cognitive development at preschool age, 58:5113
post-linguistic & precategorical storage systems, developmental changes in auditory short term memory, 3rd & 5th & 7th graders, 55:4243
poverty, cognitive development & acquisition of selected function words, 6–8 yr olds, 55:6753
poverty during infancy & early childhood, intellectual functioning, implications for intervention & public policy & early education, 57:5508
pragmatic & grammatical factors, comprehension of universal affirmative propositions, 6 & 7 & 8 vs 11 & 12 yr olds vs adults, 57:7928
preconcepts of conservation of weight & voluminosity & density, children, 55:11928
prediction using prekindergarten tasks vs teachers' ratings, individual differences in cognitive development & scholastic achievement in 1st–3rd grades, prekindergartners, longitudinal study, 56:8729
preferences & abilities in use of organizational cues in free recall, kindergartners vs 3rd vs 6th graders, 58:11430
preoperational & concrete & formal operational stages of Piagetian cognitive development, concept of human reproduction, children, 55:4223
preoperational & concrete & formal operational stages, cognitive development of children's dreams, 57:5577
preoperational vs operational stage & visual attentional training, recognition of paired association, kindergartners vs 1st vs 5th graders, implications for dual encoding hypothesis, 58:3124
preschool attendance vs nonattendance & sex & age, cognitive & social development, kindergartners, 57:5487
preschool attention & classification curriculum, facilitation of thinking skills, day care & early childhood centers, 54:6235
preschool education, cognitive test results, 5 yr olds, 54:6206
preschool experience, performance on Piagetian tasks, 1st graders who attended kindergarten vs Head Start vs nonattenders, 55:5526
preschool intervention programs, autonomy & cognitive ability, Mexican-American & Negro preschoolers, 53:3948
preschool programs, cognitive effects, different types of children, 55:13143
presence of model & logical vs arbitrary order of picture sequences & lag between viewing & reconstruction, ability to construct & reconstruct ordered sequences, preschool children, 55:6722
presence vs absence of crisis period & occupational & political & religious & sexual code & belief commitment, ego identity status & cognitive differentiation, 58:7164
presentation condition, semantic processing time for pictures & words, 2nd vs 5th graders, 58:11474
presentation of multiplicative relations matrix & identification of dimensions, prediction vs choice of picture fitting intersections of 2 dimensions, kindergartners through 2nd graders, 58:7206
presentation of pictures involving seriation & horizontality & verticality & level of operational development, long term memory for pictures, kindergartners & 4th graders, 55:6769
presentation of word parts with single letters vs letter clusters vs whole word & semantic equivalence of picture word pair task, development of word recognition strategies, adults vs children reading on 1st & 2nd & 5th grade levels, 58:5172
presuppositions inherent in Piaget's theory, epistemological consequences & ontological aspects & implications for early childhood education, 55:1250
pretraining on counting & ordering objects, mental operations on number symbols, 4–6 yr olds, 53:2860
preverbal concepts & acquisition strategies & parental-acceptance patterns, interaction model of language learning process & 1st word acquisition, 1–2 yr olds, longitudinal study, 53:4927
problems involving typical vs atypical exemplars, class inclusion performance, 7–10 yr olds, 58:805
problems of object constancy & moral development & developmental stages, comparison of older & newer works of Freud & Piaget, 57:9944
problems requiring formal operations for solution, determination of level of logical thinking, female vs male 1st yr college students, 55:4278
procedural inequality & age & task complexity, cognitive performance, hearing vs deaf 7 & 8 vs 11 & 12 vs 15 & 16 yr olds, 56:6291
processing time & rehearsal training & sex, recall, 8 vs 12 yr olds, 58:11466
program to teach mothers to stimulate their babies, prevention of cognitive retardation, low socioeconomic level infants, Chile, 54:11415
programed material, cognitive development & creativity, advanced high school students, 55:5484
protein-calorie malnutrition, cognitive development, 58:5166
proximal & distal indicators of family socialization processes, adolescent cognitive affective behavior, secondary school students & their parents, 58:5100
psycholinguistic theory of cognitive development in mental retardation, review, 58:5635
psychological & biological changes & mental functioning & genetic factors & mortality & individual differences, aging, 54:5067
psychological development characteristics, premature children through 1st 3 yrs of life, 54:4974
psychological mindedness & language usage & age & education & husband's presence & environmental stress, experience of time & relationship to infant's cognitive development, Black mothers of infant sons, 57:5685
psychological processes, role in acquisition of syntax, children, 54:11387
psychometric & operative intelligence, American Indian school children, 57:984
psychometric & Piagetian assessments of mental ability, transition from concrete to formal operations, 6–8 vs 10–12 yr olds, 55:11961
psychoneurological learning systems, implications for intervention programs for learning disabled children, 58:9727
public school kindergarten experience vs no experience, readiness & basic skills & personality development & mental ability, 1st graders, 55:10833
quality of play & intellectual functioning, 4–6 yr olds, 55:4233
quantitative invariance development, empirical test of alternative claims by P. E. Bryant & Piaget, 3–4 yr olds, 57:7960
quantitative neo-Piagetian & task analysis model, investigation of sources of difficulty in formal operational tasks, 53:11421
quantitative vs qualitative differences in development, attribution of life-like traits to non-living objects, 3–5 yr olds, 55:9443
quasi-simplex & alpha factor analysis, Piaget based logical operations, 57:12516
race & differing degrees of isolation & estrangement from white society, cognitive competence, Indian vs white 1st–3rd graders, 56:2135
race & sex & reexamination of Piaget's & Voyat's theories, developmental stages for qualitative identity, children, 55:4279
racial & social class membership of stimulus figures & locus of control, attribution of adjectives to stimulus figures, Black & White working class & middle class 4 vs 8 yr olds, 57:3008
Rasch model, test of Piaget's hypothesis that concrete & formal operational tasks require different skills, 2nd vs 4th vs 6th vs 8th graders, 55:4239
rate of habituation, response to discrepancy as evidence of developmental differences in encoding, 17 wk olds, 56:7631
reactions to passive & active separation experiences, development of object constancy, infants during different stages of development, 56:2117
reading & mathematics achievement, comparisons of speeds of moving objects & distance predictions as measures of development of quantification of concept of speed, 7th vs 9th vs 11th graders, 58:9272
reading comprehension skill, single word decoding skills & semantic processing, 3rd vs 5th graders, 56:7637
reasoning about moral & sex dilemmas, adolescents, extension of Kohlberg's cognitive development approach to moral judgment, 56:540
reciprocity vs reversibility vs discrimination training, induction of linear-order concepts, kindergartners, 53:886
recognition memory development, 2–4 yr olds, criticism of M. Perlmutter & N. Myers' experiment, 55:4222
reconstructions of horizontal & vertical & oblique settings on rod apparatus, nursery school children, 53:7014
reference scales established during prior experience, categorization of social stimuli, 4–9 yr olds, 57:7941
reflection mediating evolution, 4 evolutionary stages of human mind, 58:4552
reflective abstraction, cognitive vs biological processes of assimilation & accommodation, discussion of Piaget's theory, 57:2935
reflective vs impulsive conceptual style as correlates, cognitive & psychomotor & affective domains, 4–5 yr olds, 58:9227
rehearsal vs no training, number of items rehearsed together & corresponding free recall performance & transfer & presence of primacy effect, 2nd vs 6th graders, 58:857
reinforcement schedules, developmental trends in shift learning, kindergartners & 1st & 5th graders & college students, 53:2870
relational concepts in language & thought, hearing vs deaf 3–6 yr olds, 55:9460
relational terms & comparative sentences & age, comprehension, 2.1–5.0 yr olds & adults, 57:7921
relational understanding, 3 vs 4 vs 5 yr olds, 57:5560
relations with parents, cognitive abilities, 4th–6th graders, China, 55:9401
relationship & verbal & visual conceptions of likes & dislikes in own homes as reflected in interviews & drawings, 5 yr old black preschoolers, Florida, 56:468
relationship among measures of cognitive development & learning proficiency & reading & mathematics & spelling achievement & IQ, low socioeconomic status Black male 7th graders, 58:4456
relationship between cognitive-developmental theories of Piaget & transactional analysis theories of E. Berne, development of ego states, 54:11375
relationship between conceptual & affective development in Piaget's theory, diagnosed emotionally disturbed public school males, 55:4730
relationship between Piagetian theory & fluid & crystallized intelligence, cross sequential assessment of quantitative & qualitative changes in cognitive behavior across life span, 57:2963
relationships between members of pairs of common objects, memory for pictorial stimuli, 3 & 4 yr olds, 56:516
relationships with mothers & fathers, moral reasoning maturity based on Kohlberg framework, support for cognitive-developmental approach to moral reasoning, 57:9948
relativism & emergence of formal operational thought & regressive strategies for accommodation, sense of isolation & estrangement, adolescents, 56:487
religion & age & sex, development of concept of God & scientific concept of rain, 4 & 7 & 11 yr old Roman Catholic & Protestant & Conservative Jewish boys & girls, 55:6765
REM latency, perceptual-cognitive development, neonates, 57:955
remodeled instructions & test procedures of Piaget's experiments, ability to perform systematic combination operations in formal thinking, 5–11 yr olds, 55:532
repeated exposure to frustrating puzzle situation, cognitive regression & subsequent changes in moral judgment, White male 11–14 yr olds, 57:5484
repetitions & reversals during development of perceptual-motor & cognitive abilities, psychological growth as continuous & additive process, children, 58:760
reproduction of horizontal vs vertical vs oblique lines on square background from immediate memory, preschoolers, 56:7619
research & developmental proposals for cognitive & affective skills learning, socialization to adulthood, 53:2895
respective composition & reverse operations emergence, predictions of Piaget's groupement model of emergence of speed & time concepts, 1st–3rd graders, 57:993
retelling of Caldecott stories, appraisal of Caldecott books by Piaget's theories about thought processes, low vs high socioeconomic status kindergartners, 54:9312
retrieval of recently learned information, spontaneous & requested use of category structure algorithm & list structure control skills, kindergartners vs 2nd graders vs college students, 58:865
reversibility, conservation on Piagetian tasks & reading readiness, 1st graders, 54:9328
role of cognitive & emotional development, failure to perform normally in various task situations, learning disabled children, 58:3609
role of eidetic imagery, early development, reply to C. R. Gray & K. Gummerman's study, 58:9263
role of language, conservation development, deaf children, 54:12105
role potential of TV as instructional medium for conceptual learning & cognitive growth, "Sesame Street" & "The Electric Company", 54:8339
role taking & referential communication accuracy task performance, 4th graders, 57:7901
role taking ability & egocentricity & cognitive complexity & conservation, relation to behavioral measures of altruism, 7 & 11 yr olds, 56:476
RT & response accuracy & verbal protocols to questions about verbally described furniture arrangements, congenitally vs adventitously blind vs sighted Ss, implications for development of a 2-dimensional symbol structure of spatial representation, 56:6280
S control of item study & postcue duration in cued forgetting paradigm, development of ongoing temporal storage patterns & subsequent recall, 1st vs 4th vs 7th graders, 58:11444
same vs different vs novel toy found in Piagetian object notion task, search & memory processes, 8 vs 12 vs 17 mo olds, 54:2720
scalogram analysis, development of use & comprehension of "because" concepts, 3–7 yr olds, 57:909
schematization & schema correction in memory for common object, 3rd graders vs adolescents vs adults, 55:11952
school attendance, cognitive skills & intellectual development, Hausa 6–13 yr olds attending vs not attending school, Nigeria, 57:918
school life & performance & psychological growth, teachers & parents of cerebral palsied children attending regular schools, survey, 53:4062
school performance & IQ, long term divergence of associative vs nonassociative responding, 5th & 6th graders, 4-yr longitudinal study, 55:520
schools with different organization & teaching concepts, cognitive development, 7th–9th graders in comprehensive school, 56:8723
selection of level of thinking & depth of meaning in complex vs simple reading materials, cognitive maturity, 3rd & 6th graders, 54:8411
selective dropout & retesting, assessment of ontogenetic changes in mental abilities, adolescents, implications for internal & external validity of longitudinal designs, 57:2927
self administered rating scale & observational schedule, assessment of beliefs & practices in relation to Piagetian cognitive developmental & operant learning theories, early childhood teachers & programs, 54:8321
self concept & delay of gratification & self control & risk taking, growth in school readiness, 3–4 yr old male vs female migrant children, 55:11947
self generated elaborations, developmental analysis of verbal mediator production & processing in paired associate recall task, kindergarten vs 2nd vs 4th vs 6th graders, 57:7965
self generated vs thematic vs taxonomic classification schemes, organized free recall & clustering, 2nd vs 5th graders, 57:8013
semantic factors, judgments of active-passive synonymy, kindergartners to 2nd graders, 56:513
semantic mastery of color information, 4 yr olds in Head Start vs 4 yr olds in nursery school, 54:7213
semantic mastery of position information, 4 yr olds in Head Start vs 4 yr olds in nursery school, 54:7209
sensory deprivation & impoverished environment, development of conservation of liquids, rural vs urban normal vs deaf mute 6–13 yr olds, 58:11958
sensory functions & perception & attention & habituation & learning & memory & affect, neonates & infants, literature review, 58:9220
sensory-motor intelligence & constraints on expression of relational meanings, concepts of possessive relations between persons & objects & attributes of objects & use of apparently experiential verbs, young children, 53:11399
separation of response & object location & absolute spatial position of infant, hidden object search, 9 mo olds, evaluation of egocentric response vs place perseveration hypothesis, 58:5121
sequencing & qualitative differences of cognitive approach in adult cognitive development, discussion of P. K. Arlin's criteria & possibility of 5th stage, 57:919
sequential training using operant & cumulative learning hierarchy principles, modification of concept identification performance, 63–83 yr olds, 55:6800
serial integration, early arithmetic achievement, 1st & 2nd graders, 55:8169
seriated stick array, age differences in recognition vs memory drawing & encoding & comprehension of seriation, 3–9 yr olds & adults, 58:9295
seriation level & arbitrary vs logical features of stimuli & evocation repetition, operational level & memory organization, 5 vs 6 vs 7 yr olds, 57:936
set size & speed emphasis & visual vs auditory stimulation, search rate in short term memory probe task, 2nd vs 7th vs 12th graders, 58:5144
sex & age, cognitive development & role playing ability, 7 & 9, & 12 yr olds, 54:821
sex & age, understanding & use of affect terms, 6 vs 9 vs 12 yr olds, 58:7190
sex & content & context of arguments, development of ability to assess validity of conclusions of deductive arguments in class & conditional logic, 3rd vs 5th vs 7th vs 9th vs 11th graders, Ethiopia, implications for mathematics instruction, 55:11914
sex & problem outcome & grade level, science problem solving, 1st–12th graders, 57:5534
sex & race, cognitive & semantic mastery of number, 4 yr old Head Start & nursery school children, 54:11403
sex, cognitive performance & organization of spatial abilities, aged, 58:3091
sex differences in sensory & perceptual processes, cognitive abilities, literature review, 58:780
sex differences in spatial ability, Piaget's water level task performance, 5th vs 12th graders, 57:5538
sex differences, spatial performance, elderly, applicability of operational psychogenetic structuralism, literature review, 58:5128
sex differences, transition from concrete to formal thinking patterns, 9 & 11 & 13 & 15 yr olds, 55:6746
sex role identification as cognitive development, elementary & middle school children, 53:2859
sex, verbal-performance discrepancies on Wechsler Preschool & Primary Scale of Intelligence, 4.5 yr olds, 58:11440
sex-role development & father–child relationship, cognitive development & academic behavior, 53:11365
short term memory task, clustering & class inclusion ability, kindergartners vs 2nd graders, 58:9255
silent language of inquiry as Piagetian mode of questioning children in preoperational stage, 3.5 yr old girl, 54:7217
simple vs complex situation, adaptive use of cues, 1–5 yr olds, 58:3096
single- vs 2-error choice methodology, comprehension of words "more" and "less", preschoolers, 57:7961

single word usage & cognitive development & beginnings of combinational speech, 16–21 mo olds, book, 56:5798
small group counseling, cognitive growth, bright underachievers, 55:8411
social & cognitive factors, development of moral judgment, 6–11.3 yr olds, 57:5610
social & concrete reinforcement &/or cognitive disequilibrium & restructuring, increased use of intention in moral judgments, 1st–3rd graders, 58:3072
social class & ethnicity, relative importance in human social & cognitive development, 57:12478
social class & maternal level of conceptual development & maternal regulatory styles, level of abstract concept formation, 10 & 11 yr olds, 55:9437
social class differences, semantic mastery of common objects & color & shape & picture vocabulary test performance, Black 4 yr olds, 58:11433
social class, paired associate learning, lower & middle class kindergartners & 1st & 3rd graders, 55:11923
social class, repertoire of task-related & general executive schemes & mental space & field independence needed for performance on Piagetian task, upper vs lower class 6–12 yr olds, 55:523
social conditioning of development of speech & thinking & subsequent modification of elementary school curriculum, kindergartners & elementary students, Poland, 1952–68, 58:774
social interaction training & personal variables, development of formal reasoning, 9–12 yr olds, 55:9402
social isolation, development of logical operations & role-taking abilities, 7–9 yr olds from rural Norway, 53:862
social learning & cognitive development, pattern of choices of exemplars of social speech functions, 2nd & 4th & 6th graders, 55:6708
social learning interpretation of Piaget's theory of moral judgment development, comment on A. Bandura & F. J. McDonald's viewpoint, 56:9651
socialization & children's altruistic behavior, generality of altruism across situations & age & cognitive-developmental variables of moral judgment & role taking & reinforcement & modeling, literature review, 57:8042
sociocultural factors, cognitive development within framework of Piaget's theory, 54:2694
sociodramatic play vs exploration training vs free play, cognitive functioning, preschoolers, 57:5523
socioeconomic status & sex, performance on Piagetian-based tests measuring simple & complex learning & language & short & long term memory & intelligence, 5–6 yr olds, support for operativity as measure of cognitive functioning, 57:12526
solubility & blending & flotation of bodies varying in density, children, 55:11983
solving arithmetic problems & formation of concepts "greater than" & "less than", 1st graders with delayed psychological development vs normals, 56:4281
sorting paintings by style & style training regimens, style sensitivity & relationship to perceptual & performing skills, 5th graders, 57:5569
spatial & communicative egocentrism, children vs adults vs aged, 53:11420
spatial concept acquisition, 3–5 yr old retarded children, 53:11958
spatial egocentrism & abstract conceptualization, sharing behavior, 1st & 2nd graders, 57:12473
spatial order & temporal duration & simultaneity concepts as reflected in linguistic structures, 3 vs 5 vs 7 yr olds, 58:820
spatial relations ability, developmental levels of urban cognitive mapping, high school students, 58:11465
spatial representations as indices of cognitive development & psychopathology, 54:7658
specific cognitive training in nursery & home settings, intelligence & linguistic competence, preschool children, 57:1954
speed instructions, microgenetic development of word associations, 1st & 3rd & 5th grade males, 55:6761
spelling strategies & word spelling demands, cognitive development measured by Piagetian concept of decentration, 1st–4th graders, 58:9316
spontaneous cognitive sets, pictorial discrimination learning, kindergartners to 6th graders, support for J. S. Bruner's view of cognitive development, 55:4252
spontaneous measurement during comparison of depth, 5 & 6 yr olds, 56:2133
spontaneous use of cumulative rehearsal strategy & recall of 1- vs 2-syllable items, nursery school students vs kindergartners vs 1st vs 3rd vs 5th graders, 56:3817
stage of cognitive development, moral dilemma solutions, female 6th graders vs college students, 57:3011
stage of concrete operational thinking, development of concept of development, 2–8 yr olds, 57:5549
stage of formal operations, understanding of determination in linguistic material, 10.5–12yr olds, 54:11411
stage of spatial development, comprehension & production of spatial locatives, 2.5–7.5 yr olds, 57:12550
stages of children's cognitive development, guide to planned intervention by caretakers, 55:5191
stimulus contiguity & redundancy & irrelevant information, geometric figures comparison performance & analysis of processing strategies in card sorting task, 2nd–8th graders, 58:5169
stimulus differentiation training with vs without feedback, hypothesis sampling systems, preoperational vs concrete operational kindergartners, 56:495
stimulus distortion, Piaget's conservation of number paradigm, normal & educable mentally retarded kindergartners & 1st graders, extension of discrimination-learning theory based on stimulus intensity as mechanism of cognitive development, 53:876
stimulus exposure time & shape vs letter comparison & standard multidimensional stimuli, number of dimensions used in same-different classifications, 1st vs 3rd vs 5th graders, 58:875
stimulus generalization & classification preferences & age, free recall, 1st–3rd & 5th graders & adults, 57:2973
stimulus matching & component selection task performance as measures of changes in attention to stimulus components, 3.5–6.5 yr olds, 57:2914
stimulus suffix paradigm & age, changes in precategorical acoustic storage system, 3rd vs 5th vs 7th graders, 57:2906
stimulus-response hypothesis testing, Piagetian interpretations of conceptual behavior, 5 & 9 & 13 yr olds, 56:503
stories about unequal work performance & difficulty of equal division of reward & number ability, equal vs equitable reward allocation, 3 & 4 yr olds, 57:7899
strategic & semantic aspects, answers to class inclusion problems, preschoolers, Piagetian logical model vs problem processing model, 56:3850
strength & endurance & psychomotor coordination & cognitive performance, hypnotic susceptibility, adults vs children, 56:1839
stressful life change events & locus of control attributions, cognitive aspects of mother-child interaction, black mothers & preschool age children, 55:12003
structural developmental theory & interactional aspects of cognitive organization, 55:4258
structuralism, cognitive developmental psychology, 54:10788
structuration of space & learning potential, normal & mentally retarded children, 54:3425
structure & hierarchical ordering of stages & rate of concrete operational development, Canadian Eskimo vs Australian Aboriginal vs European 6–14 yr olds, 58:7189
structure of mathematics & structure of cognitive development, preschoolers, 54:7199
structure of thinking about heat & temperature & cognitive development, 9–13 yr olds, 57:9999
structured concrete vs abstract situations, acquisition of logico-mathematical concepts, 6th graders, 58:5151
structured task administration & praise, use of functional or action based concepts, educable & trainable mentally retarded vs nonretarded children, 56:2513
student conceptual level & inductive & synectics & role playing teaching methods, teaching–learning process in K. Lewin paradigm, 54:8405
student-activity vs traditional vs combined teaching method, preparation of students in cognitive & affective areas of citizenship, 12th grade social studies students, 55:8008
subitizing & counting abilities, number invariance task performance, 4–7 yr olds, 57:12551
subjective task difficulty & horizontality concept, orientation errors in reproduction of model patterns, 10–16 yr olds, Ghana, implications for cross cultural differences in development of concept of horizontality, 57:937
subordinate & superordinate class inclusion tasks, kindergartners vs 1st vs 2nd graders, 57:9998
subsistence economy, conservation-of-mass task performance, 7–13 yr olds in agricultural vs herding culture, Kenya, 56:3900
succession of direction of movement in filmed simple action sequence, reconstruction of action, 4 & 9 & 13 yr olds, 55:530
superordinate hierarchical model, developmental shifts in semantic organization, 6 vs 11 yr olds, 56:2153
symbolic elaboration & thematic context & integration of affect & intellect & enactment of idealized self & distinction between reality & fantasy & modes of interpersonal transaction, cognitive implications in children's spontaneous role play, 54:9332
symbolic vs perceptive response & perceptive vs abstract response, attitude dualities, 4–6 yr olds vs adolescents, 53:11394
synonym & antonym relationships, developmental changes in memory organization, 1st vs 2nd vs 5th graders, 57:5552
synonym-antonym or subordinate-superordinate or part-whole relationship of probe word to sentence word, probe recognition & latency performance, 5 vs 7 vs 9 vs 11 yr olds vs college students, support for development of semantic feature systems, 58:5153
syntactic & semantic complexity of instructions & cognitive development, Piagetian seriation task performance, normal-language vs delayed-language nursery schoolers vs kindergartners vs 1st vs 2nd graders, 58:10562
syntactic constraints, reading, 3rd & 4th & 5th graders, 55:4276
syntagmatic-paradigmatic shift in children's word associations, review of research & theory, 57:12531
synthetic judgment, acquisition of conservation concept, kindergartners & 1st graders & mentally retarded children, 53:2869
systematic presentation of face-voice incongruities of mother & stranger, perceptual-cognitive development, 5 & 8 mo olds, 55:4235
tactile kinesthetic stimulation for 1-mo period, neurological development & weight & length & head circumference & mental & motor development, premature 4 mo olds, 58:5106
tactile-proprioceptive feedback, verbal memory for articulatory gestures, misarticulation-free 3rd graders, 57:12540
target sets composed of category labels vs exemplars from same vs different categories & target & probe similarity in abstraction level, RT to verify probe presence/absence in target set & retrieval of semantic & episodic information, 4th vs 8th graders vs college students, 58:3109
task complexity & age level, syntagmatic–paradigmatic shift in paired-associate learning, 2nd & 4th graders, 53:888
task complexity, orienting responses to onset & offset of visual stimuli, 4 vs 7–8 yr olds vs college students, 58:5142
task difficulty & amount of practice, age differences in categorization, 23–28 yr olds vs 65–80 yr olds, 55:4282
task difficulty, product & process in cognitive development, 5–15 yr olds from New South Wales & Australia & Papua New Guinea, 53:9278
task requiring transposition & discrimination of right-left relations, preference for body vs external object, 1st graders, 55:4291
tasks given in longitudinal/cross-sectional design, measuring development of object permanence, 5–32 mo olds, evidence for Piaget's task ordinality, 57:942
teachers' level of inferred self concept, student cognitive growth, 3rd grade students & teachers, 54:10562
teaching concept of weight, shift process from visual-motor thinking to visual-figurative & verbal thinking, kindergartners, 53:2872
teaching letters discriminations with stimulus fading vs reinforcement-only procedure, errorless performance, nursery schoolers, 58:6218
teaching methods emphasizing cognitive skills, development of cognitive interests, 2nd & 4th graders, 55:3022
teaching process vs evaluation procedure in educational research, discussion of Skinner's & I. Illich's learning theories, 53:3922
temporal integration of letters into words, accessibility & deferred response, 7 vs 9 vs 11 yr olds, 58:11468
temporary father absence & subsequent maternal childrearing attitudes, numerical ability & field dependence, male 4th–6th graders, 56:7651
test expectation & rehearsal content, recall & recognition, 3rd vs 6th graders, 58:11467
test-teach questioning strategy using multisensory exploration & discovery in learning, development of cognitive-linguistic skills, developmentally retarded children, 58:10516
thematics in fantasy play training, social & cognitive development, culturally disadvantaged preschoolers, 53:1925
theoretical & empirical importance, 2-stage hypothesis of formal operations suggesting existence of problem solving & problem finding stages, 55:521
theoretical background & assessment, infancy psychological development, book, 54:2687
theories of Piaget vs J. Bruner vs new models, development of judgmental ability & reality, children, book, 54:7223
theory of component-by-component acquisition as alternative to developmental stage theories, conceptual development, 53:2850
theory of natural concepts in human languages & development of logical abilities, children & adolescents, book, 58:5162
therapeutic instruction in artwork creation, cognitive & artistic development, 7–15 yr old brain damaged, 54:12256
thermal biofeedback, fingertip temperature control performance, learning- vs non-learning-disabled male vs female 7 vs 8 yr olds, 58:1397
tip-of-tongue & feeling-of-knowing experiences in name recognition task, kindergartners vs 1st vs 3rd graders, implications for development of memory monitoring, 58:7243
Topological Constructive System task, developmental changes in transformation of visual information according to nonverbal syntactical rules, children, 57:2900
traditional procedures & developmental theory, free recall, 53:2861
traditional vs discovery classroom types, development of classification skills, 3rd graders, 56:10628
training & set size, judgments of number vs length, 3–5 yr olds, 55:522
training employing verbal feedback contingent upon judgment responses, acquisition & transfer of transitivity & conservation & class inclusion of length, 4–5 yr olds, 57:2894
training in asking effective questions & supplied item groupings vs identification of individual items & transfer game with vs without memory aid, acquisition of transferable problem solving strategies, 3rd graders, 56:1394
training in use of double-function words, understanding & trainability of words with visual & tactual referents, 1st–3rd graders, 55:537
training procedure in combinatorial problem solving based on "programed discovery" principles, performance on combinatorial tasks different from training items, 12–14 yr olds, implications for development of formal reasoning, 55:6717
training to conserve 1 or 2 yrs prior to normal development, 3rd grade achievement, 3rd graders, 54:12567
training to respond in concrete vs functional vs abstract manner using verbal learning set & social reinforcement & prompting, modification of cognitive levels, kindergartners, 56:501
training, understanding temporal constructions, kindergartners, 56:2149
training with feedback instructions, use of cognitive strategies in hypothesis testing task, kindergarten children, 58:9246
training with Piagetian tasks, attainment of formal operative level, 12.3–15.1 yr old male educable mentally retarded, 54:7888
transformations, memory for visual forms, kindergartners vs 2nd vs 6th graders, 55:9391
transposition, response latencies, preschool vs school age children, 55:6774
troubled adolescent females as counselors in developmental day camp for preschoolers with severe problems in social & cognitive & motor development, 57:1755
T-unit measures, oral language maturity & Piagetian stage of mental development, 1st graders, 55:11913
type & onset of father absence & stepfather presence, cognitive development, white lower-class 3rd & 6th graders, 53:7121
type of description & sentence complexity & number of & relationship between sentences & age, ability to form verbal concepts, 4–9 yr olds, 57:8012
understanding of logical quantifiers "all" & "some", male vs female 8 vs 9 vs 10 vs 11 yr olds, 57:927
understanding of system of definite & indefinite articles in story telling tasks, 3 vs 4 yr olds, 57:2936
understanding of temporal relationships measured by comprehension of sentences containing clauses linked by "before" & "after," 4–5 yr olds, 54:2705
unusual responses to observed movement, 7 & 10 yr olds, 53:9272
use of negation to justify correct judgments of conservation, conservation acquisition, male 1st & 2nd graders, 58:9315
use of sorting task & similarity estimation task, cognitive structure measurement, kindergartners, 57:923
utility of ordinal scales of development based on Piaget's observations, 57:9973
validity & reliability & longitudinal sensitivity & nosological & prognostic discriminations, Colour-Form Preference Test, evaluation of arousal-related cognitive disturbance & cognitive style in terms of early maturation stages, 18–47 yr old schizophrenics, 56:802
validity & reliability of Colour Form Representation Test, developmental method for measurement of cognitive dysfunction, 18–47 yr old schizophrenic subtypes vs nonpsychotics, 56:803
varying conditions of necessity &/vs sufficiency, causal inference task performance, 5 vs 8 yr olds, 58:870
verbal & nonverbal subtests of WISC, lateral dominance & development of cerebral specialization, left- vs right-handed 5–6 yr olds, 53:11400
verbal & picture sorting concept formation tasks, strategies, low vs high ability readers in 3rd vs 6th grade, 58:12630
verbal mediation in sequential recall of visual stimuli, mediation vs production deficiency hypothesis of mediational ability during transition to verbal functioning, 5 vs 7 yr olds, 56:7667
verbal thinking ability & memory ability & cognitive development, structural change of intelligence, children, reanalysis of H. Kano's 9 yr followup study, 55:2184
verbal vs pictorial presentation, class-inclusion performance & number conservation, kindergartners to 6th graders, 53:4943
verification speed for contradictory sentences, 1st & 3rd & 5th graders, comparison with adults, 58:7199
vernacular test instructions, cognitive development test performance, highland children of Papua, New Guinea, 54:9346
video instruction, ability in use of toys & learning episodes to teach their children perceptual & cognitive skills, mothers of 3–4 yr olds, 58:12478
videotape observation study, logical operations in nonverbal behavior, kindergartners & 2nd & 4th & 6th graders, 53:11416
videotaped vs auditory feedback, acquisition of swimming flutterkick, 4–6 vs 6–8 yr olds, relationship to Piagetian stages of development, 57:7309
visual & conceptual category relationships between pictorial study & probe stimuli & lag time, developmental trends in response latencies in recognition memory task, 4 vs 8 vs 16 yr olds, 58:868
visual imagery & type of mediation & sex & age & stimulus attribute, paired associate learning & memory, 6th vs 8th graders vs college students, 58:5177
visual imagery vs verbal context mnemonic strategies & age, visual vs verbal recognition in paired associate learning, children, 58:2685
visual memory aids & directed instruction, responses to direct & inverse order questions, kindergartners & 2nd graders, reanalysis of Piaget's cyclic movement problem, 58:11483
visual perceptual ability & conservation development, normal children vs educable mentally retarded Ss with MA of 7–8 yrs, 55:4858
visual scanning & sensorimotor schemata & developmental course of cognitive deficits, anorexia nervosa patients, 58:9765
visual vs auditory modes of presentation, paired associate learning, 3 vs 8 yr olds, comparison of cognitive developmental & learning theories, 57:7922
visual vs auditory presentation of equivalent letter sequences varying in complexity & meaningfulness, response speed & errors, good vs poor readers in 2nd vs 6th grade, 58:3130
visual vs auditory similarity of stimuli, visual & verbal coding processes in pictorial short term memory task, preschoolers, 58:7184
visual vs auditory stimulus presentation & rate of presentation, use of evaluative dimension in encoding as determined by release-from-proactive-inhibition technique, 2nd vs 4th vs 6th graders, 58:7192
visual vs verbal stimulus presentation, age differences in memory organization & recognition performance for presentation mode, 1st vs 4th graders, 57:910
visual vs visual & motor vs visual & verbal vs visual & motor & verbal training experiences, concept development, 3 vs 5 yr olds, 56:7661
visual-holding cues & simultanizing strategy, operant acquisition of manipulative response, 6- vs 9-mo-old infants, 53:11412
weaknesses in J. Piaget's theory of formal reasoning, development of advanced reasoning abilities, 57:9983
Wechsler Preschool & Primary Scale of Intelligence, cognitive patterning & development, monozygotic vs dizygotic twins at 4 & 5 & 6 yrs, 54:823
weight & height, development of abilities, children, longitudinal study, 53:840
within-pair similarity, Bayley's Infant Behavior Record composite scores related to primary cognition & extraversion, 3 mo old identical vs fraternal twins, longitudinal study, 56:5756
word recall & clustering, 4th–6th graders, test of A. L. Jensen's developmental hypothesis of mental abilities, 58:11490
words drawn from 1 vs more semantic categories, short term memory, 5–9 yr olds, 58:11489
words with masculine or feminine connotations, sex role preferences in short term recall of words, male & female 7 & 10 yr olds, 56:3828

Ypsilanti-Carnegie Infant Education Project, learning processes, economically disadvantaged children, 54:1943
yrs of schooling in Yugoslavia vs Australia, concrete operational performance vs multiple classification task performance, 9–13 yr old Yugoslav immigrants in Australia vs Australian children, 53:9265
2- vs 3-dimensional stimuli & representation mode & age, match-to-sample task performance, lower class Black 2–5 yr olds, 58:824
2- vs 3-dimensional stimuli on Boehm Test of Basic Concepts, performance, 53–71 mo olds in Head Start program, 58:12725

Cognitive Discrimination

ability to encode & decode difference between pairs of objects & class inclusion, 4.5–5.5 yr olds, 55:1823
abstracting ideas from sentences measured by discrimination between probe & acquisition sentences in recognition test, 54:357
affirmative vs negative form & correct vs incorrect configuration description, verification of truth or falseness of sentences, 53:6587
age & sex differences & educational influences, information differentiation & independent decision-making & resistance to authority & propaganda, male & female 1st & 3rd & 5th & 7th & 9th graders, 53:426
age & syntactic sentence structure differences, ability to discriminate standard & Black nonstandard dialect forms, Black 6 vs 8 vs 10 yr olds, implications for dialect language programs, 58:9261
all-same vs all-different condition, matching of 4-digit numbers in same-different RT paradigm, college students, 54:259
ambiguous cue technique & 3-cue probe trials, approach-avoidance tendencies in discrimination learning, 62–72 mo old children in special class for culturally disadvantaged, 56:502
attention controlling factors, cue function in trigram verbal discrimination learning, retarded 9–38 yr olds, 54:5561
attention, discrimination shift behavior, 20–68 yr old psychiatric patients, 53:3331
attribute identification & role-learning techniques, facilitation of complete concept learning, adults, 55:3785
breadth, pictorial & verbal encoding modalities, bilingual college students, 53:2414
card sorting analog to Sternberg's item recognition task, procedure for research on recognition memory retrieval, college students, 53:2405
classification abilities, discrimination learning & transfer, kindergartners & elementary school children, 55:9461
cognitive style, susceptibility to alternate forms of conservation training, kindergartners, 55:4289
comparative judgments, locus of semantic congruity effect, college students, 53:10868
component vs compound discrimination training, transfer performance, mental retardates, 55:7405
conceptual behavior, normal vs brain damaged vs emotionally disturbed children, 55:4684
conceptual tempo, verbal mediation & discrimination aquisition & shift behavior, 2nd graders, 56:1769
contingent associations, double-function verbal discrimination, college students, 54:8863
continuous & intermittent reinforcement during extinction procedure, discrimination learning, mentally retarded 7.25–13.7 yr olds, 55:10065
cues, discrimination learning ability, 5th graders with high vs low WISC picture arrangement scores, 56:1789
degree of specificity of semantic properties, reaction-time task, 53:1163
difficulty determinants, discrimination shift learning, 3–7 yr olds, 56:7219
direction of relational judgment, speed of judgment with remembered stimuli, college students, 56:1687
discrimination among word pairs based on print color &/vs words, selective attention, college students, 53:4509
discrimination learning set training, control of conservation response, conserving vs nonconserving 5 yr olds, 55:2176
discrimination learning vs verbal rule method, conservation, educable mentally retarded children, 56:4903
discrimination reversal context, Moss-Harlow effect presence, 3 & 5 yr olds. 55:6728
discrimination training on number vs length vs number & length problems, number & length conservation, preschool age children, 57:2967
discrimination training, stage of spontaneous moral judgment, college students, 56:4132
drive level & task complexity interaction, verbal discrimination learning, college students, 53:4462
encoding strategies, double-function verbal discrimination learning, college students, 53:10906
errorless discrimination training vs traditional reinforcement-extinction methods, alphabet letters discrimination, preschool children, 53:10424
experience, concept formation within framework of F. Klix's theory, 55:3682
factor analysis, category & magnitude scales of electronic circuit complexity, journeymen electronics maintenance personnel, 56:3100
fading vs nonfading technique, word discrimination learning, institutionalized mentally retarded adults, 58:7729
familiarity & practice & stimulus variability, naming latencies for photographs of objects, college students, 53:300
field articulation level, latency & accuracy of true-false judgments of sentences varying in grammatical & semantic complexity, college students, 55:11434
fixed vs decreasing vs increasing delay of reward, self control & discrimination learning after prior exposure, male 1st graders of 2 socioeconomic levels, 56:7097
fixed vs gradually decreasing vs increasing delays of reward, discrimination learning & later delay of gratification, male 1st graders, 56:537
free-recall familiarization task, verbal discrimination transfer repairing decrement, college students, evidence for associative mechanisms, 53:324
frequency judgments in word discrimination learning task, retarded vs nonretarded Ss, 58:5629
frequency of occurrence of list items, perceived frequency of implicit associative responses, college students, 53:6594
frequency theory, verbal discrimination & acquisition & transfer & retention, literature review, 53:2303
functionally- vs perceptually-based conceptual discrimination training procedures, subsequent acquisition of verbal class labels, developmentally delayed vs nondelayed toddlers, 57:5571
genetic constancy & stability & transitivity of paired comparison preference, 5–6 & 8–10 & 9–10 yr olds, 53:869
geometric fractionation & reading ability & grade level & sex, tendency to fractionate verbal material, 3rd–5th graders, 55:1824
high & low frequency words & orthographically legal nonwords & random letter strings, RTs in simultaneous visual matching task, college students, evidence for lexical access, 54:10951
hypothesis testing assessment using discrimination learning problem, educable & trainable mentally retarded adolescents, 58:5643
imagery-memorability sentence context & list cohesion, list discrimination & recognition memory, 58:8783
implicit associative responses, verbal discrimination learning, college students, 53:2348
individual & cognitive operations in picture-sentence comparison paradigm, 58:10944
information content of distracting stimulus, discrimination learning, hyperactive vs nonhyperactive children, 57:10572
instructions inconsistent with response consequences, discrimination training, 4th graders, 55:8860
integration of inconsistent information, cognitive organization, 55:6096
intensity of auditory stimuli & presence vs absence of noncontingent electric shock, learning of 4-way discrimination task, autonomically labile & stabile male college students, implications for personality, 56:142
interpretation of learning set data, use of matrix problem & modification of stochastic theory of discrimination learning, 57:9515
interstimulus interval & 2nd word length, semantic encoding measured by RT in same-different judgments of meanings of adjective pairs, college students. 56:1774
interval measure vs real-time criterion strategy, duration of discrimination using single stimulus many-to-few method, adult males, 58:6754
judgments of differences in magnitude & ratios of pairs of numerals, college students, 55:3705
language, relationship between discrimination learning & conservation task behavior, 7 yr olds, 56:5256
matching task performance involving conceptual analysis & covert naming, aphasic & nonaphasic brain damaged & chronic schizohrenics, 58:5683
matching to sample & differentiation training methods, perceptual learning, impulsive 5–6 yr olds, 53:839
material reward/cost contingencies, discrimination learning styles, prekindergartners & kindergartners, 57:4982
mental retardation level, serial discrimination reversal performance, patients, 55:10047
mismatch in logical subject or verb or logical object of sentence, response latencies in sentence–picture verification tasks, college students, 56:1780
modification of teaching styles of mothers, effects of task arrangement on match-to-sample task performance, preschool age retarded children, 57:13001
object naming & sorting tasks requiring recall & recognition, incidental learning & short-range memory, moderately retarded & organically impaired Ss & normal kindergartners, support for M. R. Denny's hypothesis, 53:1468
operant analysis, conditioned discrimination learning using size & shape & color dimensions, college students, 58:2703
order of presentation of sentences, discrimination of sentence keys, 10–12 yr olds, 58:11484
overt participation & observation, discrimination learning & shift performance, white male 1st graders, 55:8905
overtly vs silently studied items & presence of distractor items, discrimination of target item & interference in paired associate learning, college students, 56:5324
pictures vs words as stimuli & same vs different list-types, conceptual frequency judgments, 6th–7th graders & college students, 57:349
preexperimental associations between rights & wrongs, verbal discrimination learning, college students, 57:438
presence vs absence of neurotic symptomatology, relationship between discrimination of emotion & perceptual-cognitive style, Ss, 55:9997
presentation of instances belonging vs not belonging to common category, errors in & rate of discrimination learning, male vs female 2 yr olds, 57:2898
presentation of visually different but auditorally same vs visually & auditorally different stimulus word pairs, RTs for same-different judgments & homonym pairs, 55:4557
prior right vs wrong items in verbal discrimination, single-item recognition, college students, 54:6796
procedure & timing & task difficulty, effect of vocalization of choices during discrimination learning, 3rd graders & college students, 53:810
program & apparatus for teaching receptive vocabulary & color & shape discriminations, 58:8623
quantification of statements by "all" or "some," reaction time to verify semantic-memory statements, college students, 53:2383
recall of related & unrelated word pairs, college students, test of single-continuum theory of memory, 56:1794
reinforcement & instructions & need for approval, verbal discrimination, college students, 55:179
reinforcement conditions, discrimination learning task, impulsive vs reflective male 1st graders, 53:819
relative size, differential effects on same-different judgments with words & nonwords, 55:11415
repairing items after training to various criterion levels & knowledge of repairing, verbal discrimination & transfer, college students, 54:6777
reward for correct responses vs punishment for incorrect responses vs reward & punishment for correct & incorrect responses & sex of E & S, 2-choice discrimination learning, 1st & 4th & 8th graders, 53:4939
reward &/vs punishment & socioeconomic status & sex, discrimination learning, 4th graders, 55:8987
reward vs reward-punishment vs punishment & test anxiety & achievement & sex, discrimination learning, 5th & 6th graders, 58:9304
rule learning & irrelevant categories, discrimination shift behavior, college students, 54:356
saccadic vs nonsaccadic eye movements while counting repetitive pattern of closely spaced bars & visual imagery & attention, counting performance, 58:6753
schematic exemplars as right or wrong items, multiple item recognition learning, college students, 55:6165
segment size & spatial position & sequence, word recognition with forced serial processing, adults, 53:2312
semantic vs visual vs acoustic targets detection in meaningful prose, college students, 53:10766
set theory model, verbal mediational processes in discrimination shift learning, college students, 53:2330
sex differences, free-operant directional head turn response differentiation, 10 wk olds, 53:900
similarity among concept profiles, assumption of distance in interconcept space using semantic differential technique & token manipulation, graduate students, 54:6725
social desirability & sex differences, discrimination learning, 3rd vs 5th graders, 55:11862
social desirability levels & social reinforcement, discrimination learning, 3rd & 4th graders, 53:4889
social reinforcement histories, subsequent effectiveness of social reinforcement in discrimination learning performance, school age children, 56:7252
spatial imagery ability, recognition of verbal vs nonverbal stimuli, 55:3579
spiral-type expanding cognitive discrimination process, acquisition of flying skills, student pilots, 53:8450
spontaneous cognitive sets, pictorial discrimination learning, kindergartners to 6th graders, support for J. S. Bruner's view of cognitive development, 55:4252
stage of ego development & training program, ability in discrimination & communication of empathetic understanding, counselor education graduate students, 55:2890
stimulus context, time required for choosing larger vs smaller of 2 digits, college students, discussion in terms of adaptation level theory, 54:285
stimulus dimensionality & prereversal criteria, acquisition & reversal learning performance, mentally retarded 4–10 yr olds, application to Zeaman & House's discrimination & learning model, 57:3630
stimulus interaction, transfer of discrimination, 2nd–4th graders, 54:2341
stimulus persons varying in race & occupation & father's occupation, stereotype attributions & cognitive differentiation & attitudes toward blacks, white paid volunteers, 56:2340
stimulus presentation & class of verbal responses, judgment of length & shift in presence of anchor stimulus, preschoolers, 55:6799
subjective differences between magnitudes of 2 concepts, decision time in comparing magnitudes of pairs of concepts from semantic orderings of time & quality & temperature, college students, 56:7178
symbolic comparisons of picture vs word pairs, semantic & perceptual processes, adults, support for linguistic coding, 58:10927
task complexity & verbal reinforcement combinations & grade level, acquisition & extinction of discrimination learning, kindergartners vs 6th graders, 55:3774
teaching methods, identification & transfer of principle, boys & girls, 53:12472
training conditions, 2 cue learning, 3 & 4 & 7 yr olds, 55:3725
training exercises to nurture discrimination & generalization operations, concept attainment using Silverman Triple Mode Test of Categorization, severely & profoundly hearing impaired children in residential school, 55:1534
training in sorting words into conceptual categories, subsequent memory for instance vs categorical properties of task stimuli, college students vs 7 yr olds, 55:4285
training on color relevant oddity problem, cross-dimensional form oddity transfer, preschoolers, 55:8930
transactional analysis training vs no training, ability to discriminate game from nongame behavior & classify games according to life position scheme, college student volunteers, 58:9872
translations as interpair right & wrong items in double-function verbal discrimination learning, bilingual college students, 56:1806
utilization of blank-trial vs verbal probes in discrimination learning, problem solving performance, 2nd vs 6th graders, 57:9532
verbal pretraining & overt verbalization, discrimination learning, preschoolers, 54:331
verbal reinforcement combinations, 3-alternative discrimination & shift learning tasks of color & form, 2nd graders & mentally retarded children, 53:7707
verbal reinforcement conditions, 3-alternative discrimination learning & extinction, kindergartners, 53:2342
verbal vs tangible reinforcement with middle vs lower class male vs female Ss, 2-choice discrimination task, preschoolers, 55:11890
visual criteria to pairs of words vs nonwords, same-different RTs, college students, 55:5978
volumetric cues, sameness-difference judgments, male squirrel monkeys, application of Piaget's theory & methods, 55:6257
word frequency & meaningfulness, discrimination learning & free-recall learning, 4th & 6th graders, 53:10898
2- vs 3-dimensional stimuli & representation mode & age, match-to-sample task performance, lower class Black 2–5 yr olds, 58:824
2- vs 4-choice task & verbal reinforcement for correct responses vs punishment for incorrect responses & complete vs incomplete instructions, discrimination learning, 4th–6th graders, 54:2716

Cognitive Dissonance

acquisition of artificial implicational rule, cognition & recall of confirmatory vs contradictory vs incomplete vs irrelevant items, college students, 57:2350
affective dissonance & primary socialization, development of theory of incest avoidance, 55:6993
aggressive vs incongruous incidents, judgments of humor, 1st & 2nd graders, 56:5761
agreement to proselytize vs tape record & belief-relevant vs belief-irrelevant cues, attitudes toward stricter controls on water pollution, male college students, support of self perception theory, 56:3983
ambiguous & uncertain experience without operation of strong experimental sets, judgmental movement in direction of stabilization & orderliness, college students, reply to paper of C. H. Alexander & L. G. Zucker & C. L. Brody, 54:10966
ambiguous identifications of objects in scene, scene labeling by relaxation operations, 56:3461
amount of exposure to positive &/vs negative messages & initial attitude toward pornography censorship, subsequent voluntary exposure to messages, college students, 55:4473
anger arousal & type of expression & communication destiny, anger & cathartic value of self expression, college students, 55:9787
antecedent contexts & consequence awareness & valence in persuasive communication setting, mand & tact attribution, clarification of incentive-dissonance controversy, 58:1039
application of dissonance & motivation theory concepts, analysis of intent of vocational persistence, seminarians planning to leave vs stay in training, 57:11617
arousal properties of dissonance manipulations, literature review, 58:1057
attitudes toward candidate before vs after voting, post-decision dissonance reduction, voters, 57:10297
attitudes toward counselors & discrepancy between cognitions of ideal vs real counselor, 9th graders & teaching faculty, 55:13587
attitudinal & behavioral consequences of objective & subjective status inconsistency, male college graduates, 57:8168
attribution models, comparison with & augmentation of cognitive dissonance models, 58:1200
attribution of arousal, dissonance reduction process, female college students, 53:10984
attribution of external causality, dissonance reduction, college students, 54:6723
attribution theory analysis, attitude change in forced compliance paradigm, 55:9754
balance theory interpretation, cognitive dissonance, 56:2290
behaviorally engineered school program, attitude change, male delinquents in juvenile correctional facility, 56:4595
beliefs & intentions concerning continued smoking, consistency restoration, college & graduate students, 53:5111
career decision as foreign missionary vs other future plans, perceptions of missionary family behavior & missionary work & dissonance, students of Christian institutions born of missionary parents, 57:8103
choice & source attractiveness & discrepancy size, exposure to discrepant messages & message acceptance, college students, 53:5202
choice manipulation on writing counterattitudinal essay & arousing vs dull picture stimulation, dissonance reduction through attitude change in direction of essay, male college students, 56:674
choice to hear counter-attitudinal communication & interruption, attitudinal change, college students, 53:5239
cognitive complexity, distortion of filmed episodes of incongruous interpersonal behavior, 2nd & 3rd & 5th & 6th graders, 57:5824
cognitive complexity, experienced conflict in decision making, college students & appliance purchasers, 58:1255
cognitive conflict, American vs Western European college students, replication of study of K. R. Hammond et al, 53:9603
cognitive conflict created by social interaction, performance on conservation of length task, 6 yr olds, 57:5558
cognitive conflict vs concept formation vs didactic training & logical similarity between tasks, transfer of formal thinking, college students, 56:5321
cognitive consistency & repression-sensitization & moral judgment level, attitudes toward Watergate scandal, college students who did vs did not vote for R. Nixon, 56:2177
cognitive consistency theory, prediction of Ss' evaluation of instructors' effectiveness & course & grade expectations, college & graduate students, 56:1430

cognitive discrepancy & identification, observational learning, 5 yr olds, 55:6758
cognitive dissonance & achievement, prediction of attrition, college students in teacher certification program, 55:8197
cognitive dissonance & attribution theory interpretation, confidence shift-performance on achievement tasks, 57:443
cognitive dissonance & behavioral freedom in forced compliance paradigm, college students, 55:3694
cognitive dissonance & threats to self esteem & self esteem & persuasive message, value & attitudinal & behavior changes, college students, 55:12270
cognitive dissonance, alpha frequency activity, 56:3611
cognitive dissonance arousal & intervening mood-enhancing experience, subsequent helpfulness, female college students, 56:4005
cognitive dissonance due to differences in attitudinal & partisan proximities, defection or abstention from voting & amount of initiation of communication for support & proselytizing, voters in 1968 presidential elections, 58:1000
cognitive dissonance due to negative depiction of Negroes, change in racial attitudes, equalitarian open- vs closed-minded social studies teachers, 57:1906
cognitive dissonance, neurotic 9–13 yr olds, 55:2474
cognitive dissonance paradigm, effectiveness of team treatment approach, admission & discharge committee members responsible for placement & treatment decisions involving exceptional children, 56:8800
cognitive dissonance theory, application to handling misconceptions about family member's illness, families, 54:3608
cognitive dissonance theory, psychological reaction to traumatic surgery, amputee patients, 55:2532
cognitive dissonance theory, resistance to change, 55:8527
cognitive dissonance, values, New York City police officers, 55:5764
cognitive dissonance vs impression management theories, prediction of attitude change resulting from forced compliance paradigm, college students, 56:4035
cognitive dissonance vs self perception theories, inconclusiveness of crucial cognitive tests, 55:4554
cognitive dissonance vs self perception theories, review of 1965–74 literature, 56:3991
commitment to consonant act & discrepant vs extremist vs 2-sided vs no persuasive communication, cognitive structure & attitude change, male college students, 58:1052
completion vs rating task paradigms, test of F. Heider & T. M. Newcomb's balance & attitude theory, college students, 53:9510
concept clarification, derogation of source & relationship to source credibility, applicability to dissonance studies of attitude, 58:1168
connotations & cognitive conflict, criticism of findings of C. E. Kuhlman et al, 56:2282
conscious wish to change self–ideal-self trait discrepancy, dream reports rated for target trait, college students, 53:1177
consistency & accuracy & utility of information, selective exposure to behavioral information following initial impression, 56:7968
consonant vs dissonant attitudinal advocacy, initial attitude saliency & attitude change, female college students, 54:7532
context prior to reminder & timing of reminder of initial attitudes, attitude change in forced compliance paradigm, college students, 57:10334
counterattitudinal advocacy for minimal vs substantial justification, immediate postmanipulation endorsements & accuracy of recall of original attitude structure, college students, 58:3285
counterattitudinal advocacy paradigm in laboratory & field, validation of dissonance vs impression management theory of attitude change, college students, 58:1161
counterattitudinal advocacy, stress reduction, male college students, 53:11606
counterattitudinal advocacy to liked vs disliked targets, dissonance & attitude change, female college students, 56:7971
counterattitudinal description of pleasant vs unpleasant task & monetary justification, cognitive dissonance resolution, male college students, 57:10228
cross cultural differences, preference for control & perception of locus of control, rural Mexican vs urban Anglo American 7–9 yr olds, implications for Rotter's social learning theory & Festinger's dissonance theory & comparisons of childrearing practices, 58:955
damage & adult vs child transgressor & videotape vs verbal presentation & cognitive conflict, moral judgments, kindergartners, 55:6849
degree of choice of stimulus person in making statements, judgment of true opinion of persons on militaristic–pacifistic dimension following inconsistent statements of opinion, college students, support for integration theory, 54:9597
degree of post-decision anxiety, cognitive dissonance level in mail order purchase, consumers, 55:11206
development of cognitive dissonance theory, book, 57:4655
differential justification for undergoing placebo injections for alleviation of painful radiant heat stimuli, pain perception & GSR & attitudes toward injections, college students, implications for cognitive dissonance & placebo effect, 57:7695
disconfirmation vs confirmation of high vs low performance expectations, performance satisfaction & perceived effort & expectations on subsequent problem solving trials, female college students, 58:377
discrepant information, stereotypes of & attraction to factory workers based on written descriptions, college students, 57:5840
dissonance & attribution theories, ascription of responsibility for event, 54:7519
dissonance & contractual manipulation within self control framework, cigarette consumption & nicotine addiction, smokers, 55:10544
dissonance & positive reinforcement as feedback mechanisms, changing humanistic behavior, student teachers, 55:10716
dissonance created between intrapersonal values & attitudes, behavior & attitude change, airmen trainees, 55:2388
dissonance in classroom setting, teacher job satisfaction & student expectations of teachers & achievement & school satisfaction, 58:8327
dissonance vs self perception analyses, forced compliance, 55:9697
distraction from & attention to toy during temptation period, self control processes in forbidden toy paradigm, nursery school children, 54:828
distraction task controlled by E vs S, acceptance of counterattitudinal message, 57:12776
dogmatism & confidence, selective exposure following induced cognitive dissonance, 53:5227
dogmatism & self esteem, preference for consonant information, female college students, 58:9564
ego defense & dissonance reduction, environmental evaluations, elderly people, 55:8543
ego involvement & attitudinal commitment & task interest, hedonic reactions to disconfirmation of product performance, college students, 57:2136
ego involvement & commitment in persuasion & discrepancy in opinion, boomerang effect, college students, 54:11725
embedding in conjoined cognitions, cognitive processing load, 56:133
E's definition of S's behavior, self perception, interactional approach to forced compliance experiment, 55:9689
E-S interaction in forced compliance cognitive dissonance experiment, changes in cognitive & conative & affective attitude measures & dissonance effect, college students, 55:9698
essay writing & other's opinions of proposition, belief in logically related propositions, college students, 53:9553
expectancy & achievement motivation & confirmation vs disconfirmation of expectancies, recall vs forgetting during performance, college students, 54:1018
expectancy & feedback & disconfirmation as independent factors, outcome satisfaction, college students, 53:430
expectational disconfirmation, life satisfaction, retired older adults, testing of consistency theory, 53:941
favorability of "fait accompli" & finality of decision & hindsight, dissonance & dissonance reduction, female Ss, 55:178
fictitious negative results on intelligence test performance, evaluation of intelligence test & cognitive dissonance, 15–17 yr old high school students, 55:11423
focus of attention on actor vs actor's situation, attributions of attitude to actor in simulation of forced compliance cognitive dissonance experiment, college students, 58:5368
forced compliance, attitude & behavior change, female college students, implications for dissonance theory, 58:7488
formal & theoretical model of decision making processes & cognitive consistency approach, conformity, 55:4482
formal program of attitude change toward instructional activity, achievement & improvement in attitude, college students, application of cognitive dissonance theory, 58:10375
high vs low inhibition & target similarity & high vs low attack, aggression, 17–28 yr olds, 56:6039
homogeneity of phenomenal field & effectiveness of situational symbol & balance & conformity as components of deductive model, consequences of cognitive imbalance analysis, 54:6731
"I can't quit smoking" belief, quitting smoking, cigarette smokers, 54:1268
imbalance between motivation & ability in learning situation, expectations of behavior & perceived dissonance of target children, college students, 56:7979
implicational principle, cognition of confirmatory & contradictory & incomplete & irrelevant information, college students, implications for study of cognitive consistency, 56:131
individual & dyadic status consistency with respect to education & occupation & income, marital adjustment & stability, 55:636
individual differences & field independence, attitude change following counterattitudinal behavior, college students, 54:11707
induced writing of counterattitudinal statement & expectations of no vs positive vs negative arousal effects of previously ingested pill, attribution of arousal to pill & subsequent attitude changes for dissonance reduction, college students, 57:12798
inductive & deductive presentation modes & dissonant & consonant feedback, information-seeking behavior, high school students, 55:10792
information expectations & unexpected information concerning occurrence of unwanted consequences, timing of self justificatory attitude change following forced compliance, college students, 57:3239
initial attitude importance, attitude change, female college students, test of dissonance vs self perception theory, 55:12198
initial inconsistency among cognitions during formative stages & increase in need for consistency with close temporal contiguity between elicitation of 2 related cognitions, 55:6120
initiation, subsequent liking for group, impression management vs dissonance resolution, 55:4573
intent-action discrepancy & student performance feedback, behavior change, teachers, 55:5461
introversion-extraversion, tolerance of cognitive inconsistency, college students, 58:1261
justification for compliance & cognitive change, bibliography of forced-compliance research, 56:2284
locus of control, score enhancement vs decrement behavior in achievement setting, 56:760
Machiavellianism, response to dissonant situation & attitude change following attitude-discrepant behavior, 58:9584
magnitude of dissonance & differentiation & self-esteem, reduction of cognitive dissonance, 53:7321
mathematical model based on cognitive dissonance theory, changes in interaction in closed human groups, 56:7907
met & unmet expectations, subsequent job performance, 16–22 yr old female trainees in Job Corps YWCA extension residence program, 56:10860
methodological issues & attribution & dissonance theories & learning & social judgment theory, attitude & opinion research, review of 1971–1973 literature, 54:3020
methodology & mathematical formula, use of Ss discarded due to unpredictable performance in cognitive dissonance research, 53:6409
misleading vs mistreating another person, self justificatory attitude change, college students, 56:6018
monetary reward magnitude & choice freedom, opinion change, Japanese female college students, examination of theory of cognitive dissonance & incentive, 58:1199
multivariate analysis of ego involvement & source credibility & message discrepancy, measures of attitude & authoritativeness & character dimensions of source credibility, college students, 55:12197
natural dissonance as expectancy–performance discrepancies, cognitive & affective effects, 5th & 6th graders, 54:10952
order & familiarity & reversibility of dissonance reduction modes, mode preferences, 54:5238
ordinary language, approach, cognitive dissonance theory & dissonance reduction, 53:5287
perceived age, initial impressions & normative role expectations, young adults vs middle aged vs elderly Ss, 55:9791
perceived consequences & Machiavellianism & locus of control, attitude change in forced compliance task, attribution vs dissonance theory explanations, 57:8189
perceived O presence & status & knowledge, attitude change in forced compliance paradigm, discussion of cognitive dissonance vs impression management theory, 55:9780
perception & use of nonimmediate mode of expression, conflict-producing verbal communication of inconsistency between attitudes held & expression, college students, 57:1224
performance of unpleasant task under high vs low external justification conditions, opinion conformity as impression management tactic, college students, 58:9535
personal involvement & communication discrepancy & source prestige, reactions to communications on separatism, college students, 56:2304
personality, experience & tolerance & resolution of cognitive inconsistency, 55:8846
preapplication attitudes toward firm attractiveness, job application & choice behavior & postdecision dissonance, accounting students, 57:11615
predecisional cognitive processes, cognitive dissonance theory & conflict theory & choice-certainty theory & reactance theories, 53:6604
provision of inconsistent trait information about photo-persons, impression categorization, college students, 57:10288
queue position & rate of decrement & salience, entrapment in waiting situations, college students, 54:8915
real vs anticipated attitude-discrepant behavior & high vs low reward, dissonance reduction in forced compliance paradigm, 57:8178
reinforcement vs cognitive theoretical predictions, attraction toward 2 strangers, female college students, 55:12260
relevancy between attitudes, cognitive dissonance theory, 53:5236
repression-sensitization level & distraction from vs attention to counter-attitudinal behavior, attitude change & resolution of cognitive dissonance, college students, 58:3352
response generating mechanisms in social behavior & dissonance reduction, 55:2313
response generating mechanisms of social behavior, response to R. Rogers's criticisms of R. Totman's dissonance model, 55:2314
reward conditions & group consensus, attitude change among group members, high school males, test of self persuasion model vs cognitive dissonance theory, 57:10249
role playing discrepant moral positions, changes in moral judgments & attitudes, 11–12 yr olds, 56:5821
salience of initial attitude & magnitude of incentive, attitude change in forced compliance paradigm, college students, 57:1223
selection & scoring & validation of items in construction of cognitive dissonance index, 55:5934
selective exposure to presidential campaign appeal, seeking of consonant & avoidance of dissonant information, 53:5059
selective perception vs reinforcement vs cognitive dissonance, media awareness on family planning adoption, Catholic male & female respondents, Philippines, 54:5131
self acceptance & disconfirming feedback, performance of gross motor skill, college students, 55:11348
self esteem & motive to avoid failure & presentation order of results, acceptance of discrepant vocational interest inventory results, males, 55:11055
self esteem, cognitive dissonance & attitude change, candidates for admission to doctoral psychology program, 56:726
self esteem, correlations between job & need satisfaction & job satisfaction & group approval, black male factory workers, South Africa, test of A. K. Korman's thesis, 56:8882
self monitoring & extremity of counterattitudinal behavior, acceptance of attitude-discrepant behavior, college students, 57:8331
self perception & importance of original attitude, commitment to attitudes after manipulation, male 12th graders, 56:7990
self theory & cognitive dissonance & product attributes & pupillography & gaze direction, perceptual roles in consumer response to advertising, 55:3400
sexual defensiveness & trait ratings of lustfulness of favorable vs unfavorable other after viewing pornographic material, test of psychoanalytic vs cognitive dissonance hypotheses of projection, college students, 58:5401
similarity & spatial proximity to negatively described other, negative impression change, male freshmen dormitory students, 57:1192
simple discrepant role playing, evaluative changes effecting negative outcomes for audience & attitude-related overt behavior, male high school students, discussion of dissonance theory vs response contagion theory, 56:5982
smoking behavior development & modification, analysis of reference group & cognitive dissonance & psychoanalytic interpretations, smokers & ex-smokers, 58:1023
social & concrete reinforcement &/or cognitive disequilibrium & restructuring, increased use of intention in moral judgments, 1st–3rd graders, 58:3072
social discrepancy, evaluation of & information seeking about ethnic groups & members, English Canadian & Jewish Ss, 57:1134
Socratic effect generality, college students, implications for cognitive organization processes, 53:2315
Socratic questioning about specific behaviors in analog psychotherapy situation, self perception of achievement motivation & confidence in ratings, male college students, applicability of cognitive dissonance & causal attribution, 57:6259
stress conditions, performance, 53:10986
success vs failure feedback & ego involvement, subsequent motor maze performance, male college students, test of level-of-aspiration & dissonance hypothesis, 58:235
team development training, change in leadership & decision making & expression of feelings & participation norms, work groups, 55:7086
theory of cognitive dissonance, reactions to unfulfilled prophecies, Japanese prophet sect & members vs US cases, 55:12108
threatening forewarning of counter-attitudinal message & cognitive bonding of attitudinal position to relevant values, resistance to attitude change, 55:3699
time & education, need for cognitive consistency, Indian pre- and post-high school students, 54:5335
timing of justification & insufficient justification & task unpleasantness, arousal of cognitive dissonance, college students, 54:5264
timing of original attitude reminder, attitude change in forced compliance essay writing, 58:9534
treatment utilizing high cognitive dissonance & low public commitment, change in attitude toward anxiety levels of children from different racial-socioeconomic backgrounds, preservice teachers, 55:2923
turbulent decision making environments, incongruity adaptation capability, college students, significance for management training, 55:5795
uncertainty in strings of words & sentence grammaticality, humor judgments, college students, 57:2490
use of psychological midpart as anchor & discrepancy of position, attitude change, 56:636
verbal & nonverbal cues & intuitive perception & sensitization, utilization of incongruent communication & rated "client" anxiety, 57:3174
verbal conditioning & suggestion & Hawthorne effects & cognitive dissonance & other nonverbal effects, contribution to efficacy of clinical & educational behavior modification, 57:13276
videotaping of consonant or dissonant student attitudes about instructional activity, attitude change & influence on achievement & effort, college students, 57:6908
violation of expectancies & stimulus intensity in weight judgment task, humor response, college students, 55:6204
withdrawal of monetary incentive as decommitting S from future dissonance-arousing behavior, dissonance reduction reversal, male college students, 53:6705
workshop employing affective dissonance & simulations/games, awareness of attitudes toward low socioeconomic status groups, educators, 56:1316

Cognitive Generalization

age & teaching method involving manipulative activities vs traditional method, quantitative thinking & transfer & generalization of problem solving capabilities to other mathematics tasks & interelationships among achievement measures, 1st–5th graders, 58:1945
degree of stimulus organization, dial-like concept acquisition & generalization, 4th graders, 56:7671
detailing & inferring & generalizing underlying inductive problem solving method, development of critical reasoning skills & curriculum, educable mentally retarded children, 54:12607
differential transfer, poor & normal 4th–6th grade readers, 54:3446
forward vs backward learning of behavioral chain, training of shoe-tying, 3 & 4 yr olds, 58:333
generalizability of verbal mediation, performance on category clustering & paired associate & intermediate-size transposition tasks, 3rd graders, 54:283
generalization between levels as set-subset relations among object sets to which concepts refer & coordinate generalization as proportion of properties shared by 2 concepts, cognitive generalization implications for syllogistic research, college students, 53:4453
generalization of verbally conditioned self acceptance & acceptance of others, female college students with very high vs very low rated self acceptance or acceptance of others, 57:1140
instructional information on principle of refraction, transfer of previous learning to subsequent task, Black 6th grade male, 58:8782

instructional variables & individual differences, structural learning tasks, college students, 55:1892
learning concept of painting style, college students, 55:13337
match-to-sample training with class stimuli, subsequent name acquisition & generalization, developmentally delayed vs nondelayed preschool children, 58:11477
modalities of intellectual activity, acquisition of knowledge, 4th graders & college students, 53:8802
motor reproduction of geometric designs, generalization of categorization principle, 5th graders, 55:2182
observational learning of quantity conservation & Piagetian generalization tasks, 1st graders, 56:7627
peak shift, failure of R. B. Purtle to attend to influence of underlying perceptual categories, 53:4319
pictures vs words as stimuli & same vs different list-types, conceptual frequency judgments, 6th–7th graders & college students, 57:349
play, associative responding, middle-class preschoolers, 53:6998
rational-emotive therapy using A-B-C-D-E technique, treatment of emotional suffering stemming from overgeneralizations of rationales of problems, 57:8608
saliency of political stereotype attached to nonsense syllables, concept-mediated generalization, college students, 57:2397
training exercises to nurture discrimination & generalization operations, concept attainment using Silverman Triple Mode Test of Categorization, severely & profoundly hearing impaired children in residential school, 55:1534
verbal vs nonverbal conditions & particle use vs nonuse & normal vs reversed word order & number of words & age, conceptual generalization, 4–5 yr olds, 54:798
verbalizing methods in discovered generalization, subsequent ability to use generalization, college students in elementary mathematics method course, 58:10377

Cognitive Mediation

conceptual structure of original & interpolated lists, retroactive inhibition in recall of original list, college students, 56:1817
actual vs misleading cue fragments of nonsense line drawings & structural similarity & verbal mediation, redintegrative power in recall, college staff & students, 56:9182
age & reading ability, role of imagery in mediated transfer, 7–9 & 11–13 yr olds, application to reading education, 56:519
age differences, learning sets for simple concept identification & reversal shifts, kindergartners & 1st graders, 54:2714
age differences, phonetic mediation in A-B & A-B prime transfer, 4–6 yr olds, 56:3834
age, induced labeling & production & mediation deficiency in short term picture-word recognition, preschoolers vs 5th graders vs college students, 57:2952
age, mediational processes in verbal & motor paired associate learning, kindergartners vs 2nd vs 4th graders, 58:7218
age, production & mediation deficiency in free recall, kindergartners & 3rd & 6th graders, 55:3775
age, RT for matching verbal descriptions to geometric shapes, 63–78 vs 17–25 yr olds, 56:7660
age, use of verbal mediators in paired associate learning & speed of sentence formation & incidental learning, college students vs aged, 57:12530
aversive conditioning & cognitive mediators & anxiety, subjective responses to alcohol vs nonalcohol related stimuli, male alcoholics, 55:7799
bigram pairs presented with constant vs varied word code & massed vs distributed spacing, recall, college students, 55:1882
bilingual vs English-only instructions, size discrimination task learning & transposition, bilingual Spanish-speaking 1st–3rd graders, 56:10617
categorized vs nonword labeling training for set of figures, recall by drawing shapes, test of Whorf-Sapir hypothesis of linguistic influence on visual memory, 55:1880
category name meaningfulness & item frequency & use of category names as cues, free recall of categorized lists, college students, implications for mediation model of free recall, 56:7228
cognitive factor tests, prediction of use of imagery as mediation strategy in paired associate task, college students, 53:8772
cognitive mediation, operant conditioning of palmar galvanic skin response, 53:329
cognitive mediation, originality & creativity & letter-frequency hierarchy, college students, 55:173
cognitive mediation-induced affect states, depressive behaviors, college students, 54:7819
cognitive mediators, aversive conditioning, male alcoholics, 55:12841
cognitive transformation of pictures into real rewards & rewards into pictures & actual reward stimulus, delay of gratification, 4–5 yr olds, 57:10374
cognitively-induced mood states, behaviors commonly associated with clinical depression, college students, support for cognitive mediation theory of depression, 56:1833
concentration on word meaning vs sound by detection of repetition vs rhymes vs words from same category, detection probability & retention of phonemic vs semantic features, college students, 57:373
conceptual tempo, verbal mediation & discrimination aquisition & shift behavior, 2nd graders, 56:1769
consonant-verb-consonant paired learning with use of natural language mediators, recognition & decodability of own vs other mediators, college students, 56:9241
cue-overload theory & method of interpolated attributes, recall retrieval cues, college students, 56:5332
cuing to spatial test, information recall & discrimination of information answers in multiple choice task & visual memory for place on page after reading lengthy prose passage, 54:400
descriptive sentences & mediation mnemonics supplied by S vs E vs simple repetition, retention of word-pairs, college students, 53:10934
developmental changes, ability to shift from 1 mode of representation in encoding to another mode of decoding, 1st & 4th & 7th graders, 55:9388
developmental level & relevant vs irrelevant label training & spontaneous vs conventional observation training, recognition of representative vs nonrepresentative features of shapes, kindergartners & 2nd graders, 55:6783
developmental level, mediation in paired-associate learning, 4- & 6- & 8-yr-olds, 53:4924
dialectical approach, moral judgment & self esteem & mediation, 56:535
dimensional preference & dominance, mediated learning & transfer in optional intradimensional-extradimensional shift paradigm, kindergartners, 57:2444
evaluative meaning vs word imagery, concurrent & independent conditioning, college students, 56:9217
expectancies of success & perceived scholastic ability & causal attributions, over- & underachievement, male vs female adolescents, 58:10442
expectancy, associative facilitation in lexical decision task, 58:2669
experimental instructions & vicarious reinforcement schedules, resistance to extinction using barpressing task, 2nd & 3rd graders, implications for efficacy of mediational processes vs reward consequences, 58:327
fate of information in brief visual presentations, support for independence of position & items performance, refutation of hypothesis of mandatory verbal encoding, 55:3692
FI vs FR conditioning histories, collateral behavior mediating DRL performance, female college students, 58:6877
foreign language teaching emphasizing symbolic nature of activity, 55:3028
forward & backward recall analysis of structural relationships between natural language mediators & paired associate components, college students, 53:8790
game vs lecture methods & mediation by cognitive/conceptual orientations, positive attitude change toward urban poor, white high school students from large metropolitan area, 55:12667
generalizability of verbal mediation, performance on category clustering & paired associate & intermediate-size transposition tasks, 3rd graders, 54:283
identical S-generated & E-supplied verbal mediators, paired-associate learning, college students, 53:6628
imagery & verbal mediation instructions, reduction of A-B & A-C paired-associate interference, college students, 55:8873
imagery & verbal mediation, memory processes, deaf vs hearing children, 58:11944
imagery level of noun pairs & imagery vs verbal mediation instructions & auditory or visual interference at recall, selective interference during retrieval of visual images, college students, 57:12032
imaginal vs verbal mediation, observational learning, 2nd–4th graders, 56:3383
incidental vs intentional mediation instructions vs standard or repetition instructions, recall of paired associates & production of associative mediators, college students, 54:358
initial task criteria of learning & task difficulty, mediated-shift learning speed on verbal discrimination task, college students, 58:357
instructional & temporal & spatial & S & E auditory cues, short term memory, college students, 55:8953
instructions to add 1-word mediator, recall of word pairs, college students, 53:2371
instructions to determine use of imaginal vs verbal mediation for encoding verbal material, paired associate learning & recall, college students, 54:8891
instructions to produce written verbal labels for target portraits & expectation of subsequent recognition test, accuracy of recognition & recall of verbal labels, female college students, 56:5286
interaction among pictorial components, recall of picture captions, college students, mediation interpretation, 55:8864
internal hierarchies in originality & creativity, mediation in solution of word anagrams, college students, 57:357
interrogative formats, verbal elaboration productivity in paired associates recall task, nonretarded kindergartners & educable mentally retarded with mean age of 7.5 yrs, 57:8006
introductory material & examples & rules as verbal mediators, 3 levels of transfer of mathematical concept, 7th graders, 57:4990
labeling & grouping effects, recall of pictures, 4–12 yr olds, 53:857
language development from dumping messages to role playing attitude, reconciliation of communicative obstacles arising from speaker-listener discrepancies, 55:541
latent verbalization, form & size discrimination & attempted replication of N. O'Connor & B. Hermelin's results, 54:3439
learning materials & instructions, selection of verbal or imaginal mediators during recall, 55:8928
lexical & syntactic characteristics of triplets composed of nouns & verb in all possible orders, coding strategies in production & retention, 14–15 yr olds, 58:10956
long term mediational transfer training, moderately retarded children with mean age of 12.34 yrs, 55:10078
mathematical model, stability of causal attributions as mediator in changing expectations for success, male evening graduate students, 56:7883
mediated stimulus generalization, anti-Negro attitude change, Caucasian kindergartners, 55:1049
mediating response, reversal & nonreversal shift learning with verbal materials, 2nd graders, 54:334
mediation instruction, tactile recognition, college students, 55:174
mediation procedures, learning under cardiac feedback procedure, male college students, 56:303
mediational response chaining in anagram problem solving, development & test of mathematical model, 56:7177
mediator words of high imagery & motor arousal capacity, choice of mediator word in paired associate learning & subsequent learning rate, 57:12061
memory attributes, performance during specific memory task, college students, 53:10933
mental imagery instructions vs picture mnemonics accompanying aurally presented sentences, free vs cued recall vs retention of sentences, 1st vs 4th graders vs college students, 55:6759
mental vs active vs no practice, mirror drawing task performance & rotary pursuit, college students, 55:6014
modeling & reinforcement of true vs untrue sharing reports & praising, verbal mediation of social behaviors, preschoolers, 58:3164
motor & verbal modes of mediation, encoding of images, 4–5 yr olds, 58:5178
narrative stories, recall of words with lists differing in interitem associative strength & delayed recall intervals, female college students, 53:10957
natural language mediation, response recognition following paired associate learning, college students, 54:4581
nature of odor memory, interference effects & mnemonics & verbal labeling & "tip-of-the-nose" state, college students, 57:12044
number arguments & time between opposing communications, persuasion & recall & thoughts, college students, 56:5973
observation vs active participation with vs without film of strategy's usefulness during acquisition, transfer of mediational strategy employing prepositional relationships between paired associate objects, nursery school & 1st graders, 57:7375
operation of implicit mediating process, time-order error & cross-over effect in comparative judgments of loudness, college students, 55:142
organization of learning material, part-whole transfer in free recall learning, college students, 57:433
overinclusive thinking, mediation in concept identification task, psychiatric patients, 57:1324
overt illustration of selection content during oral prose, oral recall of passage content, 1st graders, 55:5566
overt rehearsal & interlist interference, phonetic effect & validity as verbal mediation index, preschoolers vs adults, 58:11450
paired associate & category & intermediate size transposition performance & generalizability of T. S. Kendler & H. H. Kendler's model of reversal shift behavior, 3rd graders classified as verbal mediators vs nonmediators, 57:2348
phenomena of mediation & interventional interpretations, mediational effects, 54:2321
phenomena vs interpretation of phenomena, cognitive mediation, 53:288
picture viewing with verbal description before vs after presentation vs no description, recognition memory, 1st vs 5th graders, 57:7919
pictures & their verbal labels as target stimuli & arrays, visual search speed, 53:2307
placement of other demands on attention, encoding of verbal material in short term memory, 55:3758
practice of compare-contrast strategies to identify words & nonwords, correct pronunciation of words & nonwords, 2nd grade readers, test of synthesized theory of mediated word identification, 57:7379
prepositional mediators & training distribution, long term transfer of mediational strategy in paired associate task, moderately retarded children, 57:3647
presentation modes utilizing increasing degrees of imagery/verbal mediation, learning rate & retention of sight words, 2nd graders, 57:6770
pretraining in labeling & parents' education, serial recall of random shapes, kindergartners vs 2nd vs 5th graders, 55:6797
priming technique application, cognitive representation generated by superordinate semantic category names, college students, 55:172
reading vs audio vs audio/slide as mediated approaches in learning, comprehension & retention, rural 5th graders, 55:13247
rehearsal skills, short term recall deficits measured by effect of proactive interference, learning disabled 8–13 yr olds in 4th–6th grades, 58:9718
rehearsal vs elaborative strategy & word association value, prediction of tip-of-the-tongue phenomenon in cued-recall task, comparison of memory search models, 58:349
relationship between Jensen's 2 level hierarchal theory of basic learning ability & intelligence & Kendler's 2 stage developmental mediation theory based on optional shift choice behavior, kindergartners, 56:5804
repetition & mediation training, paired associate learning & practical memory, 60–68 yr olds, 56:7213
reversal shift phenomenon, acquisition of discriminations among letters b & d & p & q, kindergartners, 55:6809
self generated elaborations, developmental analysis of verbal mediator production & processing in paired associate recall task, kindergarten vs 2nd vs 4th vs 6th graders, 57:7965
self-instructional strategy training, compensation for cognitive deficits in aged, 53:7131
sentences &/or pictures as mediators, paired-associate learning, college students, 53:10894
sequential patterns of ordered events & hierarchical & nonhierarchical series in serial pattern learning, digit prediction & transposition & mirror image & inversion & temporal symmetry operations, college students, 56:7193
set theory model, verbal mediational processes in discrimination shift learning, college students, 53:2330
sex & age & item presentation mode & instructional modeling & response mode, acquisition & use of imaginal & verbal associative learning mediation processes, middle class black & white grade schoolers, 55:9419
S-generated vs E-provided word strings linking nouns & prompted vs unprompted conditions & comprehensibility of provided sentences, noun pair learning, 2nd graders, 55:8896
S-generated vs E-supplied mediators for noun paired associates & intentionality, expended processing capacity & recall accuracy during initial processing & recall, college students, 56:1797
socioeconomic status & race, mediation of academic concepts, black & white 4th graders, 56:6762
spatially separated vs interactive imaging of concrete noun pairs, taken from scene descriptions with single vs restricted vs unique relational mediators, cued recall performance, 56:7207
specific auditory memory vs mediational strategies, interference effects in short term memory task, retarded readers, 57:6123
spontaneous flexibility & field dependence & vividness of imagery & visualization & spatial orientation, prediction of imaginally mediated paired associate learning, college students, 55:11417
spontaneous private speech, mediation of behavior on formboard & delayed match-to-sample tasks, city vs suburban kindergartners, 57:4933
spontaneous private speech, mediation of behavior in resistance-to-temptation paradigm, kindergartners, 57:5001
spreading-activation theory of semantic processing, cognitive representation of semantic categories, criticism of research style of E. Rosch, 55:166
state & trait anxiety, social defensiveness in mediating performance, male Ss, 55:9848
stimulus & response meaningfulness & stimulus similarity, mediation effects in paired associate learning, college students, 54:8852
stimulus heterogeneity & spontaneous verbal labeling, visual recognition of pictures, 3.5–5.5 yr olds, 55:4287
stimulus imagery, mediation vs differentiation theory of paired associative learning, college students, 57:434
stimulus type & mediational set, short term memory, retarded & normal children, 55:4867
stimulus variations & verbal & motor mediation, teaching techniques for facilitation of verbal learning, trainable retardates in public schools, 55:3207
story character with S's own vs best friend's vs unfamiliar name, cognitive restructuring of recalled story & role of egocentricity, 1st & 3rd & 5th graders, 55:2188
structure & content, cognitive representations of semantic categories, reply to E. F. Loftus, 55:1840
symbolic vs motor rehearsal, acquisition & retention of modeled activities varying in organizational complexity, 57:12033
syntactical mediation, paired-associate learning, mentally retarded children, 53:7710
tactics training exercises &/or strategical instruction, logical proof problem solving, 57:2390
test anxiety level & spatial separation of stimuli & instructions for overt labeling of central stimuli, attention & encoding & information processing as measured by central & incidental learning, 2nd & 4th & 6th graders, 56:7633
test stimulus & memory items differing in schematic faces of 3 features, role of left vs right hemisphere in discriminations & Gestalt matches, college students, 55:115
thought with reality constraints present vs absent vs distraction, attitude polarization, male vs female college students, 56:3989
training & extinction & prohibition of overt precurrent behaviors, arithmetic problem solving behavior, preschoolers, 55:8933
training conditions in 2-choice discrimination, establishment of dimensional mediating response, mentally retarded children, 58:10559
training in comparing unknown words & nonwords to already known words, criterion/delayed retention word pronunciation task & use of cognitive word store to mediate word identification, 2nd graders, 57:4916
training of cognitive & somatic mediators alone or in conjunction with exteroceptive feedback, physiological control & self reported fear during rest & stress, high school males, 55:3979
training procedure, acquisition & retention of object construct, institutionalized severely mentally retarded, 56:6220
training procedure, acquisition & retention of mediational strategy for paired associate learning, educable mentally retarded children, 56:6221
training to form associations, mediation learning with verbal labeling, 5–7 yr olds, 55:6158
verbal & imaginal mediation strategies, paired associate learning, educable mentally retarded preadolescents & adolescents, 55:7410
verbal & spatial questions, initial gaze shifts, right-handed adults, 53:1122
verbal instructions & overt verbalization with vs without visual referent vs overt visualization, discrimination of geometric shapes, 6–12 yr olds, 54:8810
verbal labeling process, role in coding pictures serving as paired associate stimuli, college students, 56:1768
verbal labeling, short term & incidental memory, Mexican 7–8 & 10–11 & 13–15 & 20–21 yr olds, contrast with earlier findings using American Ss, 55:12001

verbal mediation & language intervention program, visual sequential short term memory, 1st graders, 58:347
verbal mediation in sequential recall of visual stimuli, mediation vs production deficiency hypothesis of mediational ability during transition to verbal functioning, 5 vs 7 yr olds, 56:7667
verbal mediation, learning & transfer of complex perceptual skill, college students, 53:135
verbal mediation, perceptual distortion on Poggendorff illusion, 6th graders, 56:3342
verbal mediation vs nonmediation in optional shift discrimination task & relationship to performance on paired associates & category-clustering & intermediate size transposition tasks, examination of Kendler model of optional shift behavior, 55:8804
verbal rehearsal & time delay & age & sex, imitation of aggression & observational learning, 5 vs 7 yr olds, 57:5544
verbal study strategies, free recall & recognition of concrete vs abstract nouns, college students, 58:4796
verbal vs pictorial stimuli, association processes, college students, 56:9152
victim awareness & recipient relevance & adequacy of compensation as mediators, transgression & compliance, 55:9813
visual & verbal code mediation, retention of pictures & concrete words, test of A. Paivio's dual-coding hypotheses, 54:4509
visual imagery & type of mediation & sex & age & stimulus attribute, paired associate learning & memory, 6th vs 8th graders vs college students, 58:5177
word imagery, paired associate learning & vocal emphasis patterns during reading, schizophrenics with vs without flat affect, 58:5474
word pairs varying in associative strength & taxonomic relatedness, organization in & amount of recall, thought disordered vs non-thought-disordered patients, 57:8416
word verbal imagery & aggressive connotation, memory-induced mediation of aggressive behavior, college students, 56:6013
3-stage mediation condition, errors & recoding in recall of Stage 2 associations following Stage 3 learning, college students, 57:7419

Cognitive Processes [See Also Abstraction, Anagram Problem Solving, Associative Processes, Choice Behavior, Classification (Cognitive Process), Cognitive Contiguity, Cognitive Discrimination, Cognitive Generalization, Cognitive Mediation, Concept Formation, Connotations, Contextual Associations, Decision Making, Divergent Thinking, Group Problem Solving, Ideation, Imagination, Inductive Deductive Reasoning, Inference, Logical Thinking, Management Decision Making, Problem Solving, Reasoning, Semantic Generalization, Thinking, Transposition (Cognition)]

ability to read & comprehend & summarize text passages, 12 & 15 yr olds, 54:9358
abnormal proficiency in reverse spelling & tachistoscopic performance, female student with exceptional visual imagery ability, 53:2302
abstract syntax & islands & nondiscrete grammars, proposed research areas for cognitive psychology, 54:301
academic level, error level & response latency in semantic memory verification of binary statements, 1st–8th graders, constituent comparison model analysis, 57:947
acceleration information, arrest of pendulumlike system & transfer to speeded simulation, male college students, support for stimulus recognition schemata, 58:10869
accessory visual stimulus compatibility & intensity & task load, auditory sensitivity, 58:219
accuracy in decoding emotional meaning from vocal cues, paranoid- vs nonparanoid-process vs reactive schizophrenic male inpatients, 58:7674
accuracy in remembering & evaluating information about complex situations involving Negroes & attitude toward Negroes, white college students, 55:9706
accuracy level & cognitive functioning, test of clinical vs actuarial prediction, 55:5336
accuracy vs speed instructions & stimulus probability, RT & error rates in naming alphanumeric stimuli, college students, 57:11999
acoustic encoding processes in short term memory task, 7–11 yr old poor vs average reading males, 57:4368
acoustic structure variations of dichotic CV syllables, identification responses, college students, implications for prototype model assuming dichotic integration of information between stages of auditory & phonetic processing, 58:2651
acquisition function of mastering skill of reading geometrically inverted text, consequence for memory of skill at reading, college students, support for operational basis to memory–pattern-analyzing procedures, 55:3751
acquisition of artificial implicational rule, cognition & recall of confirmatory vs contradictory vs incomplete vs irrelevant items, college students, 57:2350
activation theory & cognitive approach to personality dynamics, defense mechanisms, 58:5396
active vs passive sentences, recognition memory, college students, implications for syntactic memory hypotheses, 58:337
actual vs misleading cue fragments of nonsense line drawings & structural similarity & verbal mediation, redintegrative power in recall, college staff & students, 56:9182
acute alcohol intoxication, letter recognition accuracy & memory search & verbal reaction time, male 21–38 yr olds, 53:9118
adaptation of affective-cognitive consistency theory of M. J. Rosenberg & R. P. Abelson to geometric framework, application to attitude change in voting behavior, 58:3335
adaptive process in schizophrenia, segmental set characterized by inconsistency within cognitive-conative-affective components of information processing or their integration, 58:9669
adding task complexity, modification of knee-jerk reflexes, female college students, 54:2326
addition of extraneous stimuli to tachistoscopic pattern, cognitive & sensory lateral masking, adult students, 53:4363
adjusted air temperatures & light vs heavy clothing, mental performance & subjective ratings of effort & arousal & fatigue, 18–25 yr old male & female college students, 55:1689
advance identity cues, image generation in picture recognition using RT picture, 57:400
age & interstimulus interval, sequential integration of visual stimuli, 18–28 vs 51–62 yr olds, implications for stimulus persistence model, 57:12522
age & maladjustment & action–thought orientation, self image disparity, maladjusted vs nonmaladjusted 5th & 8th grade boys, 55:563
age & practice & increasing number of targets, letter-canceling task performance, 20–25 vs 35–40 vs 55–60 yr olds, 56:9693
age & reading ability, coding written letters or words into sound & detection of small visual differences & processing speed, 7–12 yr olds, 54:4501
age & sex & intelligence & social class & auditory & visual association & sequential memory, word groups & definitions & associations, 6–9 yr olds, 55:4288
age & sex, dichotic right ear advantage & phonetic confusions & information processing, children, 53:6994
age & sex differences, critical evaluation of information & resistance to one-sided influence, 5th & 7th & 9th graders, 53:9518
age & word frequency, visual duration threshold & matching-response & object-naming latencies, 6- & 9-yr-old males, 53:4866
age differences, temporal limits of human information processing, adults & children, 53:4942
age differences, thought processes during problem solving, 53:7042
age, errors & latencies on Matching Familiar Figures Test & visual recognition memory & prose learning performance, 4th & 5th & 8th graders & 18–87 yr olds, 57:9967
age, factor analysis of performance on cognitive tasks, healthy educated 20–80 yr old males, 56:9689
age simulation by instructions to imagine age progression to 80 yrs, perceptual & cognitive functioning, college students, 55:3578
age, strategies in production of 3-dimensional relationships on 2-dimensional surface, 5–10 yr olds & college students, 58:11441
age, use of verbal mediators in paired associate learning & speed of sentence formation & incidental learning, college students vs aged, 57:12530
aging, choice & RT, 16–66 yr old males & females in jobs dealing with long distance information reporting, 54:5063
aims & methods of psychophysiological research, 54:11118
aircraft-type noises, human sleep & performance & cognition & verbal behaviors & hearing loss & psychological connotations of danger & fear, symposium report, 57:7082
alcohol & task modality, hemispheric functional asymmetry in sensory or cognitive functions & inhibitory motor control, human Ss, 57:12427
alcohol, circadian variations in cognitive performance, male medical students, 53:9070
alcohol dosages, verbal social communication & emotional behavior in male-female social interaction & stress response & disruption of cognitive processes, 58:7105
alcohol drinking rate, motor control & central processing of information, 21–40 yr old male moderate & heavy drinkers, 56:5691
alcohol intoxication vs sobriety, organizational processes in memory, 25–50 yr old male alcoholics vs heavy vs social drinkers, 56:4257
alcohol vs placebo beverage consumption & blood alcohol concentration & novel vs familiar tachistoscopically presented stimuli, letter identification response time, 21–30 yr old males, 53:9069
algebraic & geometric symbolic mode preference & task mode, rate of learning & strategies employed in mathematical structure tasks, college students, 57:4914
algorithmic & heuristic vs "constructive" approach to analysis of thought processes, application to teaching, 58:298
algorithms employed by operators, development of training method for influencing process of cognitive structural formation, 56:10838
alterations in internal sentence patterns, assessment of sentence grammaticality, sensory & motor aphasics & brain damaged patients, 56:10190
alternation vs preservation, concept identification tasks, 3 vs 5 yr olds, role of attending & encoding processes, 55:9459
ambient heat stress, psychomotor & mental performance, review of laboratory studies since 1958, 58:6751
ambiguous & uncertain experience without operation of strong experimental sets, judgmental movement in direction of stabilization & orderliness, college students, reply to paper of C. H. Alexander & L. G. Zucker & C. L. Brody, 54:10966
amount & location of stimulus redundancy, immediate recall performance in stimulus prefix vs suffix conditions, college students, 57:2429
amount of available rehearsal time & random polygon association value & complexity, short term recognition memory, implications for rehearsal of pictorial material, 57:7420
amount of information, memory span for digits, college students, support for reduction of redundancy explanation, 56:9240
amount of information per symbol & inter-symbol correlation, short term memory span for visually presented redundant stimuli, 57:410
amount of information processing in concept learning, skin conductance response & heart rate, college students, 56:5536
amount of material received & direction of message & ego involvement, cognitive activity & attitude change & stability following pro- vs counterattitudinal information on abortion, female college students, 58:5319
analog vs digital information presentation, reading & mental arithmetic task performance, operators & research psychologists, 54:2316
analysis of contrasting orientations to visual information processing & consideration of alternative direct realism orientation, 58:2591
analysis of learning process & degree of abstraction demanded, identification of problems in learning electronics, 57:6830
analysis of Piaget's logico-mathematical model, description of formal thought, 55:11971
analysis of self-referent decision stage & response selection stage in responding to personality items, 53:5356
analysis of underlying structure of simple stories, implications for recall, 58:299
analytic vs aesthetic modes of viewing dots on card with embedded face & visual interference, reproductions of identifiable patterns, college students, 57:9413
analytical perceptual task performance, consistency of lateral eye shift, 4.5–6 yr olds, implications for role of field dependence & incomplete cerebral dominance, 58:6759
anatomy & physiology & biochemistry, auditory processing, 55:1955
anchoring, absolute judgments of cognitive stimuli using social prestige judgments of job titles, college students, 56:7197
angular discrepancy between tactile form stimuli, RT for same-different judgments, congenitally vs adventitiously blind vs blindfolded sighted adults, support for independence of mental rotation & visual imagery, 57:3706
answering almanac-type questions & prior vs subsequent provision of correct answers, perceived informativeness of facts & bias of "knew-it-all-along", 58:10937
anthropological & psychological studies, socialization of cognitive activities, 55:6907
anticipation of free recall vs serial recall vs recognition tests of retention, encoding, female student nurses, 55:177
anxiety & motivation involved in learning situation, mental performance during problem solving, high school students of differing strength & equilibrium of nervous system, 53:10873
anxiety, differential processing of neutral vs anxiety-provoking sexual stimuli, males, 57:449
application of aptitude–treatment interaction to cognitive processes & research on communication media, 55:4163
application of biomedical engineering concepts to signal analysis & pattern recognition & information processing by human CNS, book of papers, 57:5180
application of information processing models to social psychology & methodological issues & research on decision consequences, 58:11629
apprehension in writing, message encoding strategies, college students, 54:996
arbitrarily related queries, sequential effects in recognition memory latencies, 58:11025
arousal/retrieval model based on 2-stage memory theory, accounting for difficulties in sleep learning & dream recall, 57:7524
arrangement of displays & controls when in spatially compatible vs noncompatible layout, mental activity as measured by pupil size, 12–36 yr olds, 54:341
articulatory & constituent phrases & phrase & sentence cues, word identification decisions, college students, 53:1140
aspects of visual information processing, significance to clinical optometric practice, 56:1154
assimilation & accommodation & manipulation of cognitive equilibrium & differential effects of instructional strategy on cognitive structure, open system model of learning, 54:6781
assimilation theory of anxiety & relationships between anxiety & cognitive processing & conditioning & arousal & novelty-seeking motivation, implications for psychopathology & psychotherapy, 58:2724
association of potency dimension to decreasing size of plastic chips vs prevention of association, perceived size of chips, male police officers, empirical verification of cognitive accentuation theory, 54:8820
associative memory & verbal comprehension & general reasoning & spatial scanning & ideational fluency & inductive thinking, college students, West Indies vs US, 58:10959
asymmetric integrality with dimensions of visual pattern, interference between dimensions on speeded classification tasks, 56:1688
attention & relative stimulus intensity & lateralization in cerebral hemispheric processing of verbal & nonverbal material, 55:8698
attention, memory for & processing of visual vs kinesthetic information, 58:238
attention switching between auditory digit & secondary pursuit tracking tasks & signalled switches & attended channel voice cue, information processing patterns, 57:346
attention vs cognitive experience, interhemispheric synchrony of parietal-occipital alpha rhythms, 53:445
attentional &/vs relaxation treatment, emotionality & worry, test anxious college students, 58:7944
attitude & belief changes following Watergate affair, resolution & tolerance of cognitive inconsistency in field situation, male & female college students, 54:9584
attitude of judgment & RT, estimation of size at distance, college students, 55:3597
attribution theory & information processing psychology, application to parole decision process, 58:11592
auditory & visual & abstract coding, recognition & recall errors using presentation of long strings of letters, 55:6137
auditory & visual information processing, flying skill acquisition, student pilots, 54:4315
auditory & visual perception of simultaneous verbal & nonverbal stimuli, 58:6777
auditory imagery training, original verbal imagery & use of visual & auditory & organic modalities, male vs female college students, 58:295
auditory matching &/or tracking task & task importance, age trends in time-sharing performance, 7 vs 10 vs 13 yr old males, 57:5509
auditory vs visual input mode, cumulative vs active-passive vs free rehearsal strategy, college students, 53:333
auditory vs visual similarity, probability of correct response & response confidence in short term recall & recognition performance, college students, support for single-trace model, 56:3405
automated programed self instruction, cognitive psychomotor tasks, college students, 53:4005
autonomy vs intelligence level, cognitive functioning & development, kindergarten students, 57:7935
average storage load amounts in letter–number spatial–color identification tasks & pre- & post-exposure cues, transformation from sensory register to short term storage in recall, female college students, 54:6791
averaged evoked potentials & RT, auditory vs phonetic levels of processing in speech perception, 55:6091
averaged visually evoked potential, information processing & cerebral lateralization of function, 55:9131
awareness of learning steps, performance gains in concept conditioning, 6th graders, 55:3792
background cues & figure arrangement, polyphasic pictorial perception, white Canadian 6th & 7th graders & African primary school children & tradesmen, 53:7140
backward auditory masking, sensory storage & processing rates, normal vs educable mentally retarded Ss, 56:10130
backward masking, interference with processing of brief visual displays, college students, 53:6541
baseline effects & processing stage & semantic memory, retrieval processes in paired associate recall using RT paradigm, college students, 56:3440
Bayesian information processing approach, belief change in role playing situation, 58:9497
Bayesian procedure to separate storage & retrieval forgetting components, analysis of recall & recognition performance in Brown-Peterson task, college students, 57:2411
behavioral conceptualization of intentionality & mental states, commentary on J. Margolis' paper, 58:2434
behavioral objectives classified according to major levels of cognition in independent study materials, initial learning & retention of social studies content, high school students, 55:1381
bigram & trigram cues varying in letter frequency & versatility & cue position in word, retrieval processes in selection of word using cue letters from unrestricted vs E-restricted pool, 58:2684
bilateral neural involvement in spatial processing, proposed interference with left hemisphere processing of specialized functions & resultant deficiency in linguistic sequential cognitive processing, 6–14 yr old right handed males with developmental dyslexia, 58:4790
bilingual right & wrong items, dual criterion model in multiple-item recognition learning, quasi-bilingual & unilingual college students, 57:393
biofeedback training, decreased systolic blood pressure & relationship to cognitive functioning, 35–68 yr old essential hypertensives, 55:1031
biological basis, mental & emotional activity, book, 54:9013
bisensory information processing models, predictive validity for auditory & visual & audiovisual signal recognition in sustained monitoring, 18–30 yr old males, 56:7104
bisociation as discovering previously neglected similarities, creative process, 58:5377
brief exposure to symbolic constraint-seeking vs change model behavior & locus of control, information-processing strategies, 4th graders, 54:2703
brief movements & cognitive-attentional tasks, heart rate, males, 57:7677
brightness & perceptual ambiguity, cognitive paradigm explanation of contours in 2 new configurations, 56:1711
caffeine & ethanol, perceptual & cognitive & motor functions, student volunteers, 56:399
captivity experiences & demographic variables, cognitive & emotional/social dysfunction at repatriation, US Navy & Marine returned prisoners of war, 58:5422
career experience & academic records & information processing strategy & results, prediction of tactical military decision quality in SIMTOS environment, Army officers, 53:10615
cartoon tests, identification of semantic transformation in heuristic structure of intellect, 54:4563
categorical relationship between context & test words & semantic expectancy, access to word presentations in memory, college students, 58:4823
category theory, interpretive framework of cognitive structures, 53:4388
central adrenergic functioning, role in normal cognitive functioning & learning disability & depression & drug addiction & stress, implications for therapeutic use of gonadal steroid hormones, 57:5190
central processing uncertainty, choice reaction time, college students, 53:2301
cerebral dominance & sensory integration skills & dichotic listening task performance, good vs poor readers vs reading disabled kindergartners vs 2nd vs 4th graders, 58:1406

cerebrally lateralized visual input of concrete vs abstract words & imagery strategy, information coding, 58:10955
chlordesmethyldiazepam vs amylobarbitone sodium, self rating of hypnotic effect & test anxiety & performance expectation & behavioral & subjective & psychological test performance, male postgraduate students, 57:5422
chlorpromazine, visual information processing, college students, 53:4757
chronic carbonic disulphide exposure, intellectual state, industrial workers, 58:10740
cigarette smoking, performance of internal vs external tasks, light & heavy smokers, 55:11777
classic Jacobson-Wolpe instructions vs/& EMG feedback vs EMG feedback & monetary reward in relaxation training, EMG & self report measures of relaxation, college students, 55:357
classification & class inclusion of Piaget vs equivalence paradigm of Bruner & mode of stimulus presentation & stage of representational development effects on equivalence responses, 1st & 4th graders, 55:4250
classroom therapy offering scheduled academic courses, preparation for adjustment to schedules & information processing for return to jobs, psychiatric patients, 55:966
coding & retrieval processes in list learning, schematic model, 57:2381
coding of temporal vs spatial patterns, short term memory, young adults, 55:8903
cognition & attitude & level of commitment regarding special education, supportive professional special education personnel, 55:10669
cognition & social behavior, book, 58:11627
cognitive & adaptive processes & tested intelligence, book of papers, 57:4938
cognitive & emotional & psychiatric characteristics, XYY males, 55:939
cognitive & noncognitive factors, adult learning, middle & aged, 55:5408
cognitive & operant & psychomotor & psychophysiological behaviors & demographic characteristics & life history, prediction of length of psychiatric hospitalization, nonpsychotic vs nonparanoid vs paranoid patients, 58:10049
cognitive & personality variables, religious knowledge, junior high school students, 56:5877
cognitive abstractness vs concreteness, use of feedback cues in continuous vs partial reinforcement, male college students, 54:8821
cognitive activity, ongoing manual task, 9–12 yr olds, 55:8836
cognitive "anchoring" & feedback, remembered-reconstructed probabilities of prior predictions, college students, 53:361
cognitive approach & modeling, language therapy treatment program, schizophrenic children, 54:1513
cognitive approach, comprehension, 54:286
cognitive aspects, determination of pronoun antecedents, college students, 58:10957
cognitive behavior on selected mathematics tasks, 4th & 6th & 8th graders, 55:5556
cognitive complexity & religious orientation, information processing, 11th graders, 53:7444
cognitive complexity, information utilization in social judgments, 55:6113
cognitive complexity-simplicity & information processing abilities, perceptions of dramatic productions, college student audience members, 55:2382
cognitive conditions, acquisition & use of sensorimotor skills, 57:4847
cognitive control, alcoholics & nonalcoholics, 55:7359
cognitive control principles & sex, cognitive structure, college students, 55:164
cognitive criteria for effective audiovisual production in teaching profession, 54:10548
cognitive demands of performance task, evaluation of strategies for coding sentences, 55:8802
cognitive development, enjoyment & comprehension of joking riddles, 1st vs 3rd vs 5th graders, 58:7244
cognitive development, nature of information extracted from stimuli & coded into memory & transfer ability, 24–27 vs 28–31 vs 32–36 yr olds, 57:2962
cognitive differentiation & compatibility between members, social interaction in patient-therapist & student-teacher relationships & small community action discussion groups, 58:1081
cognitive disharmony & dyscalculia in children & adolescents, panel discussion of symptomatology & treatment, 54:3423
cognitive error, transference, 54:3601
cognitive factors, drinking behavior, alcoholics, 58:5578
cognitive framework application, rigidity & creativity & anxiety & adjustment, college students, 55:4624
cognitive geography model, 53:6591
cognitive labeling, self perception of bodily states, review, 58:4837
cognitive limitations & motivational ascriptions, attitudinal conflicts concerning Vietnam War & human potential assessment, 58:11527
cognitive manipulation of boredom, 53:2426
cognitive maturity & sex & stimulus characteristics & information-processing systems, development of organizational behavior, children, 58:832
cognitive model, development of depression, 53:7512
cognitive model, evaluation & design of instructional procedures, 53:8323
cognitive model, musical sight-reading, 18–62 yr old pianists, 56:5276
cognitive model, normal & pathological mourning & grief in adults, 57:1272
cognitive operations in 2 measures of handling emotionally relevant material, 18–40 yr olds, 54:4621
cognitive orientation variables, prediction of ambiguity intolerance & identification of behavioral cluster referents, high school students, 57:10364
cognitive performance & survival & distance from death, understanding terminal drop concept, 57:2874
cognitive performance, Raven's Coloured Progressive Matrices & incomplete figure recognition test & auditory letter span measure, young vs old Ss, 53:5011
cognitive performance under stress & nonstress conditions, hospitalized patients with hysterical conversion reaction, 57:5964
cognitive performance, WAIS & Wechsler Memory Scale & Shipley Institute of Living Scale for Measuring Intellectual Impairment, patients with combat-incurred penetrating missile wounds of brain vs Vietnam evacuees with no psychiatric or neurological problems, 53:5697
cognitive process approaches, models of foreign policy decision making, 57:10158
cognitive process model, foreign policy decision making process, 57:12661
cognitive process required for answering questions, ocular motility, right handed adults, 56:1781
cognitive processes & societal risk taking focusing on policy making for nuclear power & natural hazards, 58:11534
cognitive processes, experimental anxiety as measured by GSR, college students, 54:10961
cognitive processing, time perception, college students, 54:2239
cognitive psychology, education, 54:10481
cognitive psychology principles, processes of reading, book, 54:7205
cognitive representations, imaginal & verbal memory codes, 56:153
cognitive role differentiation, dyadic problem solving, 55:734
cognitive sets of receiving & transmitting information & task preference, RT & perceptual organization & cognitive "tuning", 54:6728
cognitive skills, optimal performance in judgment tasks, 58:6820
cognitive states & message locus & message content, self-disclosure, college & high school students, 53:1076
cognitive strain & random vs ordered instances, use of successive scanning vs conservative focusing strategies, college students, 57:2396
cognitive strategy manipulation utilizing name vs shape instructions, hemispheric dominance in letter memory performance, 57:12056
cognitive structure of emotionally stressed voices, schizophrenics vs normals, 55:4758
cognitive structures in human story comprehension & memory, book, 57:4946
cognitive style & stimulus complexity, quantity of processed information, male 6th graders, 55:1841
cognitive style & task & organizational complexities, information processing & decision making behavior, business managers, 57:2085
cognitive task difficulty, humor ratings of captional cartoons, female college students, 56:5341
cognitive theory, classical conditioning, humans, 54:312
cognitive use of language, disadvantaged vs nondisadvantaged 6th graders, 57:12449
cognitive value of auditory stimuli established by different reinforcement histories, arousal during 2 types of sleep, college students, 57:9759
cognitive variables, nature of explanations of human behavior, concrete & formal operational children, implications for Piagetian theory & attribution theory & development of personal perception theories, 58:9292
cognitive variables of application & belief & attention, modification of smoking behavior by classical aversive conditioning, smokers, 58:12288
cognitive vs behavior theory, conditioning process, 54:315
cognitive vs spatial orientation tasks requiring motor & verbal estimates of point location in triangle, metric of haptic space, congenitally vs adventitiously blind vs sighted blindfolded vs nonblindfolded Ss, 57:11864
cognitive-developmental model, career development, adaptation of W. Perry's scheme, 58:6455
cognitive-motivational variables, clinical practice of hypnosis, review of behaviorally oriented research, 55:1097
cognitive-perceptual treatment, specification of & compensation for information processing deficits, 7 yr old autistic male, 57:13138
cognitive-stage approach, perception, textbook, 56:1682
cold water immersion under hyperbaric conditions, motor & cognitive performance, 27–42 yr old US Navy divers, 56:6941
color & line orientation & numbers as cognitive reference points, linguistic & spatial metaphorical tasks, college students & adults, 55:6118
color of stimulus material, recall of nonsense syllables & familiar words using release from proactive inhibition paradigm, college students, implications for charting encoding dimensions from release data, 57:2418
color specificity knowledge & related semantic effects, recognition memory, preschoolers vs college students, 57:7986
color words & lists of associated words, locus of interference in Stroop color naming task, 57:11976
color-form responding, relation to J. Kagan et al theory of cognitive impulsivity & information processing, 54:6729
coma duration & post-coma assessment time, long term neuropsychological deficits, 16–37 yr olds hospitalized for accident-incurred traumatic head injury, 57:5129
comparative judgments, locus of semantic congruity effect, college students, 53:10868
comparison & ranking & attribution tasks with unfamiliar paintings, logical invariants underlying thinking, art historians vs Ss untrained in art history, 57:5446
comparison of alternative models, pattern processing by random adaptive module system, 58:10926
comparison of church-related educational systems, concrete & abstract religious thinking, 4th–12th graders, 54:2717
comparison of line drawing vs photograph pairs & visual similarity & name equivalence of pairs & object name frequency, levels of coding, college students, 57:7372
comparison of weights across variations of stimulus range in information integration task, college students, 56:1764
competition of active processes for limited processing resources, effects on performance, 54:10964
completion of text interruptions & sentence composition & word & concept association tasks, schizophrenics vs normals, 56:10063
complex visual discriminations, cultural familial retarded & normal children, 53:5681
component processes of overt acquisition strategies, locus of facilitation due to rehearsal in sequential memory task, 1st graders, 56:5784
componential analysis, intelligence & information processing & analogical reasoning, 58:10958
compositions of ideals, generation of human perception & cognition & activities, 58:8551
compound probability assessment in judicial context normativeness of probability estimates & information strategies from "lens" model approach, law students, 57:7388
compound probability assessment in judicial context application of "think-aloud" technique, normativeness of probability estimates & thinking & information processing strategies, law students, 57:7389
comprehension of & response latencies to relative vs contrastive vs absolute adjectives in standard vs comparative contrasts, preschool children, 53:7374
computer developments & applications & federal funding & tabulation of journal articles, cognitive psychology research, 56:5105
computer program for intragroup interaction analysis based on spatial dynamics, macaques, 53:6960
computer simulation of natural language processing, cognitive process model of person evaluation & impression formation, 58:6629
concentration & cognitive functioning at high levels of stressful aversive stimulation, success of systematic desensitization vs implosive therapy, phobic females, 58:1671
concept of memory imagery & problems associated with self report assessment of imagery vividness & controllability, college students & male naval trainees, 58:10952
conception & thought processes concerning physical phenomena, 11 yr old girl, implications for science education, 55:162
concepts & issues, cognitive psychology & learning, book of selected papers, 54:10954
concepts formed in imaginal-concrete vs verbal mode & semantics vs syntactic memory structure, time of information processing & sentence comprehension, 14 yr old females & 16–17 yr old students, 56:9158
concrete vs abstract prose descriptions, thematic organization & memory retrieval, college students, 53:4427
concrete word &/or picture pairs & interstimulus interval & identical vs mirror-image pairs, same-different RT for physical & semantic matches, 57:353
concreteness of subject noun phrase, probability of recognition & recall of predicate following subject phrase recognition, college students, discussion of conceptual peg hypothesis, 58:2659
conditions associated with coding of target words, retrieval cuing effectiveness of strong & weak rhymes & synonyms, college students, 53:6665
configural formats & task similarity sequence, temporal course underly ing transformational system & saliency of generative representation systems, 58:312
conflicting command dichotic listening task performance, developmer of interhemispheric transfer of information, male vs female 3 vs 4 vs yr olds, 58:11445
conjoint-measurement models, investigation of theory about probabil ties information processing, college students, 57:7294
connectedness of propositions & propositional fan, probe RTs & erro rates for positive/negative responses, college students, support fo intersecting activation process in long term memory search, 58:477
conservation & seriation & classification abilities, acquisition o mathematics achievement, male vs female Nigerian 4–8 yr old 58:12617
consistency mechanisms & control of evaluation of reliable information 54:10956
consonant recognition using Peterson & Peterson design & recognitio in immediate memory, analysis of time-course of recognitio employing latency functions of signal lag, 57:7486
construct validation methodology, application to 3 measures o cognitive structure, 54:12663
construct validity, test items assessing information acquisition from lin graphs, 58:6835
construction & design of chessboard apparatus, measurement o cognitive thinking & problem solving & decision making & conceptu al space & memory & attention, 54:2311
construction & use of internal representations for rapid problem solvin during playing of board games, computer simulation model o internal representation, 57:7141
construction of measures of conceptual tempo & comparison t conventional measures of reflection-impulsivity & calculation o conceptual efficiency, educable mentally handicapped vs nonhandi capped children, 58:5637
construction of visual images in judgment of appropriateness of qualitie for given animals, representation of information in mental images 57:11981
constructive theory & linguistic perception & analysis-by-synthesis, taci vs explicit perceptual identification, 54:307
contemporary issues in speech perception & judgment & models of shor term memory & cognitive structures, book, 55:3588
content of research on cognitive processes, papers presented at 18t International Congress of Applied Psychology in 1974, Montreal 55:1825
context & comprehension & semantic flexibility, theoretical & method ological implications, 57:2351
context effects, processing strategies for recognition of rotated forms 55:3709
context, processing time in sentence reading, college students, 57:36
context similarity & intensity, word vs nonword decision time, colleg students, support for spread-of-excitation hypothesis of D. E. Meye et al, 57:11995
context varied by set of number responses & mentioning of 7 by E a example of response, predominance of number 7 & spontaneity o numerical choices, 57:345
context-induced processing operations, semantic information acquire from discourse, college students, 54:6719
contextual dependency, problem solving set & functional fixedness 55:6102
continued stimulus processing at deep vs shallow level, retention, colleg students, 53:10954
continuous epileptic discharges, mental alterations, case histories 55:2525
control & expectation levels & cognitive adaptation processes & sel esteem, skill oriented risk taking, disadvantaged 4 yr olds, 57:1256
control mechanisms in visual system & processing visual information i brain & retina, problems in creation of visual substitution systems 55:5179
control processes as attentional demands of task & process appropriate ness for task, memory, 57:12025
control processes in serial acquisition, serial learning & paralearning book, 54:10993
control strategies & retention interval length & cue placement in iten presentation, information processing in short term memory, mentally retarded vs normal 8–10 yr olds, 56:6236
correlates & origin of cognitive style features of analyticality & reflexivity-impulsivity, research review of J. Kagan's theory o cognitive functioning, 58:778
correlation of cognitive tests with rod-&-frame test, alcoholic patients 56:10118
creative & intellectual & EEG feedback tasks, creativity & cortica activation, male college students, 55:3960
creative studies program, structure-of-intellect factors, college students 56:8696
creativity, thought sequences in problem solving, college students 56:5255
criterion measure based on Bloom's cognitive taxonomy in evaluation effectiveness of individualized instructional systems in producing achievement & changing attitudes, college students, 55:8025
critique of logical positivism & cognitive theory of epistemology & scientist's need for autonomy in pursuing knowledge, collection o essays, 54:8822
cross-modal functions, criticism of D. Freides's article, 55:5992
cue onset time & categorical distinctiveness of to-be-remembered & to be-forgotten items & solution type in pictorial paired associate task RT in probed recognition test, college students, proposed search & decision model, 56:9203
cue utilization, cognitive model of quality perception, consumers 55:5856
cue utilization in multiple-cue probability learning, college students 55:1845
cuing conditions, storage & retrieval of verbal information, college students, 55:3756
cultural differences, cognitive processes & women in psychology, book 54:3194
current practices & methods, study of learning theories with emphasis on cognitive processes & material, 57:362
current theories, information processing & cognition, book, 54:10974
curved lines & line & random dot stereograms, adaptation to curvature implications for eye movements vs cortical analyzer theory & information processing approach, 57:4895
data- & resource-limited processes, issues concerning D. A. Norman & D. G. Bobrow's distinction, 57:9496
decision making strategy & responsibility for others & reputation & socially valued riskiness, cognitive structure of choice dilemma decisions, 54:4564
decision rules & information processing strategies, choices among multiattribute alternatives, 58:2677
decoding & meaning assessment & text organization strategies, good vs poor comprehenders, review of studies in reading comprehension, 57:2368
decoding & phonics & representing thought in language, 55:10749
deep vs shallow processing & subsequent test expectancy, facial recognition memory, college students, 58:4828
deficient language acquisition strategies, conceptual framework for analysis of severe language deficiency, 58:5647
delimitation, fields of application of conditioning & information processing models, 57:179

delineation of phrase units by physical vs structural markers, visual processing in music reading, 22–30 yr old keyboard musicians, 58:10857
density of noise field & delay times, information processing of patterned inputs, 56:7096
depth of information processing & functioning of human memory, current research review, 57:2357
depth of processing & functioning of recognition & recall processes, empirical & theoretical issues, 57:11984
depth of processing & retrieval cues & uniqueness of encoding, recall performance, college students, 57:4980
depth of processing from passage exposure duration & context, information memory capacity & specificity, college students, 58:6874
depth of processing manipulated by task instructions & prose exposure duration & contextual cues influencing interpretation of ambiguous paragraphs, recall & recognition, college students, 58:4783
depth of processing pictures of faces, recognition memory, college students, 53:4479
description & study of semantic memory, 58:320
descriptive statement of multidimensional stimuli vs subsequent visual presentation & delay time, decision processes, 58:10930
descriptive vs person pyramidal construing & cognitive integration level, interpersonal prediction & construct organization of responses to Role Construct Repertory Test, college students, 58:7603
detection & identification cognitive processes, visual search, 55:8818
development & outline of fundamental assertions, cognitive-learning trend in psychotherapy, implications for psychotherapist training, 58:10150
development & test of model, free recall & ending process, 57:4911
development of Biotic System for evaluation of reality on objective/subjective bias, 58:4528
development of cognitive approach to psychopathology & psychotherapy, emotional disorders, book, 56:8303
development of phrase & clause decoding ability, children at 3 developmental levels, 54:815
development of psychological theories of illusions & spatial perception & brain localization & memory & instinct & thought & child development & dreams & emotion & motivation & personality & mental illness & social psychology, book, 53:6408
development of situational frequency task, measurement of individual differences in frequency coding of verbal material, 4th graders vs college students, 58:9293
developmental study of quantitative neo-Piagetian model, mental processing aspects of 2 formal operational tasks, 8–10.1 vs 10.2–12.1 yr olds vs graduate students, 57:9995
developments in clarification of skills & abilities & perceptual & cognitive processes, comprehension & production of art, 54:9718
diastolic hypertension & errors on psychological test for cognitive dysfunction, male essential hypertensives, 53:11991
diazepam, cognitive & psychomotor performance, review, 55:6589
dichoptic backward masking paradigm, age differences in central perceptual processing, 18–23 vs 60–68 yr olds, 56:3849
dichotic listening task employing numbers & words & list length, pre- vs postperceptual processing of & memory for nonattended material, 57:12064
dichotically presented time compressed digits & visual report cue delay, immediate poststimulus processing, implications for multiple trace memory model & processing level, 57:7414
dichotomous feature dimensions of form & opening & line & origin, eye movements during differentiation of matched & unmatched pairs of letterlike symbols, kindergartners vs 3rd graders, 53:881
different conceptual categorization of target & field items, knowledge of target location without identification in visual search, college students, 57:11848
differential classical eyelid conditioning & RT performance, right vs left cerebral hemisphere information processing, 57:11978
differentiation of speed into primary functional capacities, identification of conceptual speed in cognitive domain & independent variation of performance accuracy & speed in tests of higher mental functions, 54:10976
differentiation taxonomy of patient & therapist conceptual levels in psychotherapy, 54:5788
difficulty of backward thinking vs forward thinking in problem solving, college students, 55:8819
digit symbol performance & visual choice RT task performance, acute schizophrenics, 57:5996
digital & analog representations of external world, acquisition of knowledge, 53:3
digital vs graphic presentation, polynomial perception of exponential growth, criticism of W. A. Wagenaar & S. D. Sagaria's conclusions, 58:6828
digital vs graphic presentation, polynomial perception of exponential growth, reply to criticism of G. V. Jones, 58:6840
dimensional analysis approach, organization in memory through recall, 57:2383
dimensional relevance of 2 or 3 binary-valued abstract cues, configural information processes in decision making when predicting binary-valued criterion, 57:2363
dimensional vs holistic evaluation strategies, eye fixation analysis of choice & judgment with multiattribute stimuli, college students, 57:11992
directed forgetting, reaction time performance & concurrent encoding & retention & serial recall of word lists, college students, 53:6611
direction of causality, assignment of 2nd-clause subject pronouns, college students & junior high school students, 56:7175
direction of gaze as index of cerebral lateralization of cognitive function, literature review, 53:282
disambiguating prior contexts, lexical access during sentence comprehension, college students, 58:4786
display & spatial-temporal variables, depth of visual information processing, 54:8797
display luminance & retinal target locus & target positions & stimulus degradation by superimposition of dot grid, identification RT in tachistoscopic speeded letter recognition task, graduate & college students, 58:6749
disproportionate disability, symptoms of cognitive deficit, 36–64 yr old people referred for psychiatric evaluation by Workmen's Compensation Board, 54:5493
distances among words in semantic space, encoding space in short term memory using proactive interference release scores, college students, 57:12077
distraction or interference with cognitive processing of erotic material, sexual arousal as measured by changes in penile tumescence, male college students, 56:9409
distraction, persuasion in information processing, 55:8855
distraction stress, information processing, college students, 54:8837
divided visual field test, cerebral dominance for process of arithmetic calculation, 9–11 yr old right handed boys, 58:10953
dominance instances & word frequency, RT in categorization task, 58:303
double-reference-point context effects, verbal descriptions of numerical frequencies, college students, 54:299
dual encoding theory context, nonverbal imagery vs verbal processes in encoding & manipulation & retrieval of information & sequential processing, preschoolers & elementary school students, 58:11435
duration & amplitude & orientation of eye movements, cognitive elaboration of spatial relations in recognition of visual patterns, 56:7145
duration of illness, cognitive dissolution as analyzed by connotative language, hebephrenic-catatonic schizophrenics, 54:12000
duration of picture exposure & mask delay, postexposure processing time & recognition memory accuracy, college students, 56:5297
duration reproduction task, analysis of Weber's law vs proportional variance class of models of counting processes in human timing, 57:9412
E presence & task difficulty & anxiety level, WAIS coding task performance, college students, 58:1049
E- vs S-determined standards, codability of kinesthetic extent cues, college students, 55:105
early vs late onset of motor epilepsy, WAIS performance & neuropsychological responses, adults with early vs late onset of motor epilepsy vs brain damage, 54:7934
ecology of competence methodology, cognition research, Eskimos, 54:9438
EEG & evoked potential asymmetry, index of hemispheric specialization of cognitive processes, right-handed Ss, 53:11007
ego synthesis & integrative disjunction of thought & cognition & semantic aspects of language, borderline personality patient, case history, 54:3265
elaborative processing strategies & subsequent restricted rehearsal, clustering & serial position in recall of conceptually related words, college students, 57:2407
electrotonic processing of information by brain cells, role for neuronal local circuits in higher brain function, 56:5500
elements of cognitive rhetoric & symbolic evocation, 57:2831
elicited & spontaneous imitation as learning strategy, acquisition of new words, 14–30 mo olds, 56:5800
embedding in conjoined cognitions, cognitive processing load, 56:133
emotional behavior & personality changes, cognitive reduction & regional cerebral blood flow, presenile dementia patients, 55:10114
empirical derivation of equations, subjective textual information prediction, application to human information processing research, 53:10901
empirical investigation of symbolic imagery hypothesis, computer simulation of production system in visualization tasks, 57:352
empirical test of hypotheses of encoding based on semantic vs generative processing models, college students, 57:11957
encoding & rehearsal processes, recall of repeated & nonrepeated items, college students, 54:2348
encoding & storage & retrieval of information, pupillary changes, college students, 55:11343
encoding effort & variability, spacing effect in free recall, college students, 55:11466
encoding including details & distinctions in senses of words, sentence recall given certain cue, college students, implications for sentence comprehension process, 54:6714
encoding levels of information in picture & words, speeded-up inference task, adults, 56:3374
encoding processes, memory deficits, aged Ss vs college students, 55:9397
encoding strategies, incorporating quantitative information into linear ordering, college students, 53:2308
encoding strategies, recognition for sentences, 58:2680
encoding strategy & presentation modality & scoring method, short-term memory of meaningful trigram interpretations, psychology students, replication of L. R. Peterson & M. J. Peterson's experiment, 53:4494
encoding strategy developmental stages, short term memory capacity, Black 7–17 yr olds, 58:9251
encoding variability of right & wrong items, verbal-discrimination learning, 53:335
enriched input, abstracting ability, nonpsychotic vs acute vs chronic schizophrenic mental hospital patients, 55:4759
environmental pressures, imbalance in integration of complementary cognitive modes of 2 cerebral hemispheres, 56:7174
environmental stimulation level, activity level & academically-related task performance, hyperactive 7–11 yr olds, 57:8572
epistemological structure imposed upon set of concepts by their definitions, memory, 56:157
equal vs unequal stimulus exposure, item retrieval, college students, 53:394
establishment & empirical verification of test battery, human information processing performance assessment, 57:2244
evolution of brain processes & behavior in vertebrates, book, 58:4526
evolving models of mind & mental processes, 54:6744
exercise & bedrest & napping, performance decrement during 40 hrs on measures of addition & vigilance & mood & oral temperature, male naval volunteers, 56:5550
expectancy & consistency & subtractive cognitive theories of motivation, 55:8985
expectancy of physiological vs behavioral drug effects & bogus heart rate & pursuit rotor performance feedback, information integration in judgments of placebo drug effectiveness, 57:9865
expectations concerning marihuana effects & suggestibility level, cognitive task performance after smoking marihuana, marihuana-experienced college students, 57:2726
expectations of self efficacy & cognitive processing of efficacy information, explanation & prediction of psychological & behavioral change in different treatment modes, 58:5733
experimental manipulation of expectancy & value components of cognitive structure, change in overall cognitive structure & attitude using consumer buying paradigm, implications for advertising & consumer protection, 55:11205
experimental manipulation of systems of informational processing, frequency of cognitive response classes, 55:3685
explicitness of task requirement, accessibility of cognitive strategies in abstraction & categorical clustering & sorting tasks, educable mentally retarded adolescents, 57:8483
exposure time of letter display, visual information processing, presenile dementia patients, 58:9784
exposure to dry temperatures, attention & cognitive performance & body temperature & weight & heart rate & blood pressure measures & subjective reports, 25–35 yr old male iron workers, 57:9746
exposure to hypnotic induction procedure vs task motivational instructions with vs without goal directed fantasy suggestions, overt vs subjective responses to suggestions, college students, 57:7535
extraction of references to termination of treatment while paying attention to complex psychoanalytic session, heart rate changes, therapists & therapists in training & college students, 53:3233
extralist cuing of list items, encoding specificity in recall, exploration of generation-recognition recall theory, criticism of E. Tulving & D. Thomson's research, 54:6803
extraneous added memory set, item recognition, college students, test of parallel- vs serial-dependent models, 55:11471
extraversion & neuroticism as indicators of arousal, organization of verbal material in memory, college students, 55:2416
extraversion & neuroticism, individual differences in heart rate & skin resistance during information processing, male Ss, 54:11809
eye fixation research, role in cognitive psychology, 56:5258
eye fixation sequence & duration during cognitive tasks, right handed females, 57:4925
eye movements & information processing, fading of stabilized retinal image, 53:10824
eye movements & information processing, mentally retarded children, book, 54:9958
factor analysis, composition of visual & kinesthetic & cognitive modes of information handling, 55:11416
factor analysis, nature of perceptual & cognitive processes required by Piagetian tests in terms of dimensions identified in Raven Coloured Progressive Matrices, 1st–3rd graders, 58:99
factor analysis of brain damage tests, 1st & 2nd order factors & brain correlates, 16–65 yr old patients with brain damage, 57:13084
factor analysis of teacher trait ratings by students, types of rater cognitive organization, female high school students, 57:10341
falsification at pre-operational level, adults, 54:10997
familial left handedness, EEG asymmetry during self generated cognitive & affective tasks & biofeedback training, male vs female college students, 56:5535
familiar vs unfamiliar faces & set size & exposure duration, recall capacity & speed of recognition in short term memory task, 5 yr olds vs adults, 57:5519
familiar words vs pseudo words consisting of familiar vs unfamiliar syllables, reading processes revealed by pronunciation latencies & errors, 8 yr olds, 58:10942
familiarity & organization, category terms in semantic memory, college students, 58:4809
familiarity & physical plausibility & belongingness, interrelating objects into organized scenes, college students, 53:2306
familiarity effects, visual information processing, literature review, 55:5989
familiarity, visual processing of words, college students, 55:6061
familiarity vs list search responses, R. C. Atkinson & J. F. Juola's model of recognition responses in reaction time task, college students, 53:2384
familiarity with letters & words & nonwords, apparent duration of tachistoscopic flashes during prerecognition processing, college students, 55:1797
fate of information in brief visual presentations, support for independence of position & items performance, refutation of hypothesis of mandatory verbal encoding, 55:3692
feature-matching model for semantic generalization, application to phonetographic-semantic shift, male 3rd graders & college students, 58:10939
feature-synthesis model, comprehension of metaphorical sentences, 57:11985
feedback control analysis, time-delay & noise-addition effects of time sharing on performance of information processing tasks, 58:6760
feedback, weights & subjective values in information integration model, college students, 58:302
feelings & covert talking & images as behavior-controlling private events, verbal behavior, 58:7127
figure drawings, cerebral functions test, 54:6747
film depiction of stressful event, intrusive & repetitive cognitive representations of event, male & female college students & Navy hospital corpsmen, 53:6690
finding semantic similarities & differences in related & unrelated word pairs, cued recall performance immediately after incidental learning task & at 5 & 21 day delay intervals, college students, 56:9193
Fitt's law tapping task & serial digit-naming tasks, single- & simultaneous-task performance, college students, 53:270
fixed vs random intermittent unpredictable noise of various intensity & duration, arithmetic task performance & proofreading, male college students, 57:11845
flashbacks, frequency & seriousness & relation to cannabis & LSD & other drug usage & degree of clinical & social incapacitation, young drug abusers receiving psychiatric hospital treatment, 58:7696
following line vs color directions, analysis of line figures, 1st vs 2nd graders, 54:11420
forced formation of imaginal representation due to elimination of visual feedback during task reproduction vs intermittent elimination of visual input from eye closure during image formation, memory for verbal & nonverbal materials, males vs females, 57:406
forced serial processing of words & letter strings, recognition, college students, 56:1777
foreperiod countdown procedure, simple & choice RT, college students, 54:4548
formulation of combination rules, confidence & performance in multiple-cue probability learning, 57:2402
forward & backward associations in cued recall, test of encoding specificity principle with single items, college students, 55:3745
free recall task using categorized word lists, item exposure durations & interresponse times & recall accuracy & category output size, temporal flow of information through human information processing system, 55:8890
free vs controlled word association tests vs tree-construction test, methods of mapping cognitive structure, graduate science students, 55:6115
free vs sequential vs semantic recall instructions following listening to lists of categorizable words, short term memory recall performance, college students, support for semantic recall as retrieval phenomenon, 57:7500
frequency analysis, hemispheric EEG asymmetries during cognitive task performance, right-handed adults, 53:2443
frequency of instance as concept exemplar & semantic similarity of concepts & context, judgments of logical propositions & limits of D. E. Meyer's 2-stage theory of long term memory information retrieval, 57:11961
full sort procedure, acquisition & integration of information in complete learning concept identification performance, 57:381
functional & morphological analysis, cerebral hemispheres, 53:2434
functional asymmetry of great hemispheres & differential psychophysiology, literature review, 58:4929
functional disconnection in pure alexia & color-naming deficit, 67 yr old male with hemianopia resulting from cerebrovascular accident, 56:950
functional measurement methodology, subjective probability model of cognitive organization, test of R. S. Wyer & L. Goldberg's model, 53:8633
game vs test conditions, information processing, low & high test-anxious 2nd vs 4th vs 6th graders, 55:527
Gaussian noise loudness, nonsymbolic auditory information processing, 53:8666
general framework & application of social judgment theory, analysis of interpersonal conflicts caused by cognitive differences, 55:715
general vs particular term cue conditions, sentence recall, college students, test of instantiation hypothesis, 58:4767
generalized learning curves, concept attainment strategies, college students, 55:3755
generation & falsification of superordinate & encoding of instance, making negative semantic memory judgments, college students, 53:8805
generative model, cognitive model of human learning, 54:4592
genetics instruction, cognitive characteristics thought to be involved in genetics learning, high school students, 55:5549
glance at jumbled and coherent scenes, extracted information, 53:4403
goal formation processes in mental problem solving, 54:11007
grammatical class & concreteness of cues, generality of encoding specificity effect, 57:7411
grammatical complexity, comprehension & recall & processing & conception of semantic relations in reading, 3rd & 4th grade average & high achievers, 54:5010
guesses & strategies in identification of environmentally familiar pictorial stimuli, 6 vs 12 vs 18 yr olds, 55:6743

habituation of visual fixations & subsequent discrimination learning & visual information processing, 4 mo olds, 55:4195
heat stress, psychomotor & mental performance, sedentary Ss, 58:4701
hemispheric differences in processing visual patterns, analysis & test of verbal-visuospatial & serial-parallel & analytic-holistic distinctions, students, 57:11838
hemispheric specialization & bilateral integration of cognitive processes, paranoid vs nonparanoid schizophrenics vs nonpsychotic psychiatric inpatients, 58:3518
heuristics & biases, judgment under uncertainty, 53:10914
high speed scanning of nonalphanumeric symbols, reaction time, cultural-familial retardates & nonretarded 2nd & 5th & 8th graders, 53:1495
higher order stability conditions, mathematical models of sociometric or cognitive structure, 56:9831
historical developments, shift from behavioristic to cognitive paradigm in psychology, 53:8575
historical event dates & proportions & people's ages & seriousness of disease & life events & monetary values, role of task characteristics & number magnitudes in subjective equivalence judgments, college staff & students, 57:9478
history & definition & methods & theoretical & heuristic value, neomentalistic approach, 55:8589
home environment, cognitive & affective performance, educationally disadvantaged kindergartners, 56:3805
homeostatic information processing theory development, durations of input & output information restriction in conversation, 55:7054
homogeneity of phenomenal field & effectiveness of situational symbol & balance & conformity as components of deductive model, consequences of cognitive imbalance analysis, 54:6731
homographs & homophones embedded in context & biased content, written recall using Brown-Peterson paradigm & dual semantic encoding, college students, 57:7418
human cognition & learning, introductory textbook, 58:2675
human information processing, bilingual Ss, review, 57:4917
human learning & motivation research, overview, book, 57:9411
hyperactivity, diagnosis & measurement by evaluation of classroom behavior & arousal level & information processing, applicability to planning remedial interventions, 58:6404
hyperbaric HeO sub 2 & task complexity, psychomotor & RT & memory & cognitive task performance, diver-technician volunteers, 54:6444
hyperbaric oxygenation treatment, cognitive functioning, organically impaired elderly, critical review of experimental designs, 58:1511
hypnotic & waking instructions to ignore stimulus, visual-choice reaction time task, college students, 53:2299
hypnotizability & imaging ability & hypnotic induction vs relaxation instructions, respiration & heart rate & eye movement & duration & vividness & control of imaging concrete & abstract & action nouns, 57:7386
hypodiploidy & mental status in elderly, critical review of biobehavioral hypothesis & suggestions for future research, 57:2853
hypothesis behavior in concept identification, undifferentiated chronic schizophrenic male adults, 57:12917
hypothesis of "passive" process of thinking, 58:4788
hypothesis revision strategies in cognitive processes, 57:11979
hypothesis testing in development of conceptual structures, 57:11983
iconic memory, support for G. Sperling's model of visual information processing, 53:6647
identification & measurement of intellective load carrying thresholds, 54:4562
identification of cognitive subprocesses from computer simulation & process training vs additional task practice & grade level, performance in letter series completion problems, 1st–6th graders, 57:2372
identification of high- vs low-probability masked words ending sentence, paranoid vs nonparanoid schizophrenics vs hospital aides, test of Magaro's integration defect theory of schizophrenia, 55:7305
identification of integral stimuli, test of holistic processing model, 58:6832
identity, RT in same-different judgments of letter arrays, college students, 57:288
illumination during verbal presentation of poetry vs random digits vs dead space intervals, spontaneous eyeblinks, college students, 58:6755
illumination period, motor perception & information processing & eye movement behavior in ball catching skill, college students, 56:1705
image size distortion & imagery instructions & irrelevant memory load, size comparison of objects from memory, college students, 58:334
imagery & meaningfulness ratings of sentences, reliability & relationship to learning, college students, implications for dual-coding hypothesis, 58:4586
imagery & synchronic thinking, implications for encoding & storage & retrieval of organized cognitive information, 55:1839
imagery ability & face generation &/or name abstraction training & name & visual confusability, RT in match decision for name-face pairs, implications for task attentional demands, 57:7409
imagery mnemonic instructions & successive vs concurrent problem presentation, concept identification strategies & performance, college students, 57:7444
imagery vs repetition instructions in double-function associate & verbal discrimination learning & transfer tasks, provision of sequential or positional information & comparison of association & frequency vs mental imagery theory predictions, college students, 57:7421
images of whole animal vs propositional representations, verification of properties of named animals, college students distinction between imagery & other forms of internal representation, 56:3385
imaginal representations of auditorily presented direction words, recall of spatial words, implications for processing spatial information, 57:336
imaginative continuity ordering thought & perception, use of ego-invented narratives to bring forgotten & unused objects into harmony with autobiographical narrative of self, 53:7422
impaired visual & auditory language processing associated with normal hemispheric lateralization & visual responsivity, 11–18 yr old right handed male dyslexics, 57:1464
impairment & prediction of cognitive functioning, acute & chronic schizophrenics, 58:11823
implicit contiguity of related items with physically disparate list presentations, registration in memory & retrieval, college students, 53:4493
impulsivity-reflectivity, information processing in perception & thinking, 55:2418
incentive vs structuring manipulation, cognitive performance, schizophrenics, 57:3456
incidental learning of positively vs negatively toned words, college students, test of differential acquisition & response bias hypotheses, 54:345
incidental vs intentional memory instructions & interpolated task & study & test list presentation modality & list word concreteness vs frequency, memory for modality & recognition decisions, support for propositional code hypothesis, 57:4977
increases in information processing demands, responses in short term memory task, consideration of additive stage theory & capacity sharing model, 58:292
individual & cognitive operations in picture-sentence comparison paradigm, 58:10944
individual conceptual systems, view of organizational climate & willingness to leave organization, workers, 55:8525
individual differences analysis of J. D. Carroll & J. J. Chang, method of differentiating cognitive structures of concepts, 54:10850
individual differences analysis, interdimensional additivity in multidimensional scaling, college students, usefulness of approach for selective attention & information processing studies, 53:363
individual differences in perceptual-information processing, accident & driving behavior, commercial drivers, 58:8457
individual differences in speed of phonemic analysis & visual analysis, reading, college students, 54:10950
individual differences in subjective organization, whole–part & part–whole free recall transfer, college students, 53:6602
individual differences, simultaneous & successive cognitive processing, 1st & 4th graders, 54:8840
individual receiver operating characteristics, processing strategies in vigilance, enlisted naval men, test of D. E. Broadbent & M. Gregory's study, 58:6898
induced attention & encoding variability in semantic orienting tasks, level of free recall & consistency across trials & category clustering, kindergartners vs 2nd graders vs college students, 56:9706
induced use of categories & category hierarchies, information search, 4–5 yr olds, 53:879
information & age, uncertainty of verbal responses, preschoolers vs 1st graders vs adults, 53:2838
information & experience variables, preference for complexity, college students, 55:5987
information & information processing theory, sequential prediction of stochastic-ergodic series of symbols, 18–26 yr old students, 55:1829
information analysis of verbal discrimination learning, S as processor of information in verbal learning experimentation, 53:10883
information collection & analysis & decision making stages, resting time during problem resolution, 53:6618
information integration, compound probability assessment, 22–37 yr old college students, support for 3-model theory, 58:6824
information load, information processing, adults, 54:10977
information load varied in terms of brand numbers & amount of information per brand, brand choice behavior, housewives, 53:6283
information per item, ability to randomize sequences, college students, 53:290
information performances, time & short term visual storage in target detection performance, paranoid & nonparanoid schizophrenic patients, 55:4773
information processing & scientific generalization from data inferences, model, 53:4393
information processing & sensory modality, reply to R. Rudel & H. Teuber's criticism, 55:5984
information processing analysis, visual search & memory scanning, 58:10933
information processing approach to cognitive psychology, phenomenologist vs cognitive psychologist's point of view, criticisms by H. L. Dreyfus, 55:3704
information processing approach to human memory, introductory book, 56:3432
information processing approach, interpretation of actions of others, 58:11710
information processing approach, small group interaction in coalition formation game, 55:9725
information processing approach, study of motivation & comparison to expectancy theory procedure, college students & business employees, 58:6449
information processing approach, visual dominance origins & significance, 56:1689
information processing, causal attributions for success & failure, 58:11696
information processing deficits measured by choice RT tasks, interpretation of tests of schizophrenic thinking disorder, patients with acute schizophrenia & with depression, 56:10017
information processing demands, combinatorial reasoning task performance, 8–12 yr olds & adults, implications for J. Pascual-Leone's theory, 58:7230
information processing during sleep, finger plethysmograph & heart rate & EEG K-complex responses to "own name" & "other name" & tone stimuli & persistence of conditioned discrimination acquired during wakefulness, male college students, 55:11667
information processing, estimation of short time intervals, 55:3611
information processing framework analyses of human memory, book, 54:11024
information processing, heart rate changes, overweight vs underweight male college students, 55:3982
information processing in sentences, late positive components of averaged visual evoked potentials, college students, 54:439
information processing levels, expectations concerning therapists' characteristics & preferences for therapy environment, college students & applicants for therapy at mental health clinic, 55:4994
information processing load during retention & interpolated task modality, short term memory for visual & tactual patterns, 56:7210
information processing model, perceptual independence of pitch & loudness in 2-alternative temporal forced choice experiment, college students, 55:181
information processing model of spelling performance, analysis of typical school spelling task, 56:8727
information processing models of sentence-picture verification tasks, implications for sentence comprehension, critique of P. Carpenter & M. A. Just's model, 56:9167
information processing of knowledge of results in motor skills contexts, critical analysis of relevant studies & methodological problems, 58:217
information processing psychology & educational process, 54:1815
information processing strategy & distraction, RT & contingent negative variation measuring cortical activity at vertex, 58:9024
information processing tasks of name accessing & code arousal & sensitivity to order & processing speed, college students with high vs low verbal ability, 54:6727
information processing workloads imposed by varied landing approaches, endocrine-metabolic effects using stress battery of urinary determinations, US Air Force instructor pilots, utility for instrument display research, 57:7079
information representation in visual images, college & graduate students, support for constructivist notion & idea of images as analogs to percepts, 55:165
information retrieved about events & processing rules reflecting order events occurred, memory for temporal sequence, 57:7425
information seeking behavior, consumers, 58:12853
information sequencing & interstimulus interval, response latency & search rate in metered-memory search task, college students, 56:9161
information supply & man-machine compatibility, human information processing, 56:7195
information theory, learning & memory, 56:9225
information-processing approach, application to judgments of subjective worth of verbal bets, college students, support for multiplying model, 53:4399
information-processing model of learning, problems of learning disabled child, 58:5615
information-processing theories, problem solving & verbal & serial pattern learning, 53:4464
information-processing vs linguistics based approaches, sentence comprehension, 56:9150
initial cognitive ability & level of education at 64 yrs, intellectual performance, octogenarians, 20 yr followup, 54:7268
initial presentation position & number of intervening items before wor repetition, proactive inhibition in short term memory & analysis item availability or accessibility differences, college studen 57:12062
initially imposed organization of word list, reminiscence in final fr recall, high school seniors, 56:5331
insertion of lexical unit in sentence as decision process, experiment support for serial scanning vs hierarchical sorting model & relation memory organization & retrieval process, 58:2695
insight & cognitive processing models, explanation for reasoning ta difficulty, 58:279
instructed forgetting procedures, analysis of active & intention characteristics & processes concerning enhanced retention of to-b remembered information, 57:9485
instruction in probability, learning of probability structure vs cogniti structure, high school students, 56:2858
instructions & passage organization & stimulus contiguity & abilit learning quantitative rule & information relevant to rule & incident information in passage, high school students, 58:2693
instructions to image vs to comprehend proverbs during acquisitio facilitation of recognition of proverb interpretation, implications f dual coding & conceptual propositional storage hypotheses, 57:740
integrated analysis of research & theory, formation & change of belie & attitudes & information processing of man, book, 54:310
integration & attention to motivational problems & recognition behavior controlled by symbolic processes, alternative to Skinneria approach, 54:8084
integration of inconsistent information, cognitive organization, 55:609
integration of occupational information, high school students, applic tion of N. H. Anderson's averaging model, 58:8464
integration of psychopathology & psychotherapy with disciplines information processing, book, 56:6149
integration theory approach & functional measurement, attractivene judgments of pairs of toys, 5–13 yr olds, 53:808
intellectual & perceptual motor & personality functioning after 5 vs vs 60 days of treatment, 25–62 yr old male alcoholics, 54:12268
intellectual abilities & disabilities as measured by Meeker's WIS templates, determination of patterns of group intellectual characteri tics as identified by Guilford's structure-of-intellect theory, male 1 15 yr old educable mentally retarded, 58:7728
intellectual vs recreational activity, subjective assessment of warmth comfort of environment, 16–20 yr olds, 54:2224
intelligence & basic processing abilities & motivation & English readin ability, Hebrew decoding ability, 3rd & 4th graders in Jewis education classes, 57:11423
intention of actor & value of outcome of action to recipient, mor judgment, college students, advantages of information integratio theory approach, 56:2362
intentional forgetting instructions & memory set size, memory for ton in choice recognition-time task, college students, implications f selective search & memory strength explanations, 56:9189
intentional vs incidental learning conditions, object & location recall automaticity of coding of spatial information, kindergartners vs 3r vs 6th graders vs college students, 58:4780
intentional vs incidental verbal learning tasks, unlearning & interferenc effects & processing aspects revealed in transfer performanc 57:12014
intentionality & mental states & linguistic behavior, reply to B. Lahren criticism, 58:6568
interactive visual imagery & memory search for words & picture college students, replication of J. G. Seamon's experiment, 57:739
interactive vs categorical cognitive strategies & age, paradigmatic wor association & classification behavior, 3–10 yr olds, 58:817
interference between spatial position & word meaning processing i Stroop-like task, graduate & college students, 55:3701
interference, coding efficiency in verbal vs visual short term memor 55:8958
interference of nonattended visual material, & hierarchical stages i visual information processing, 58:291
interfering with ability to scan ahead, disruptive effects on immediat recall of printed sentences, college students & staff, 54:6798
interitem patterns of rehearsal & retrieval, memory search, 55:3744
intermittent aperiodic noise, mental arithmetic performance & arousa level, male college students, 53:11042
intermittent to moderate marihuana smoking, long term effects o intellectual functioning & perceptual motor skills, college student 56:404
internal coding of problem during its solution, students, 54:340
internal instructor frames of references, rating of teacher's behavio college students, 54:4021
internal representation of external states, indirect validation approac to psychophysics, 58:6750
internal representation of numbers, college students & staff members 54:10973
internal representation of risky tasks & human decision making, 55:610
internal representation of 3-term series problem, college student 55:8840
internally generated stimuli, memory for partial sums & operators use in arithmetic tasks, students, 57:7441
interpolated tasks & exposure to chess positions vs nonsense trigram using Brown-Peterson paradigm, recall performance & interferenc effects, support for chunk encoding & storage & retrieval basis fo interference, 57:7430
interpresentation interval of repeated items & number of repetitions, la effect in free recall & study time & differential encoding v differential rehearsal analysis, 57:7446
interpresentation lag & retention interval & relationship of retrieval cu to encoded information, monotonicity in lag effect, 57:2419
interruption of word shape & boundaries & filling of right side of text & contextual manipulations, peripheral & central visual perceptua processes in reading & search, 57:239
interspersed organizer vs randomly selected statements in text & statement position, recall patterns & processing effects of advanc organizers, college students, implications for reading instruction 57:2461
interstimulus interval & age differences, identical visual & same nam matching, kindergartners & 3rd graders & college students, 53:491
interstimulus interval, coding process in matching visually or acoustical ly confusable letter pairs, college students, 56:3325
interstimulus interval, RT to clicks & psychological refractory period, 8- 11 yr olds vs college students, proposed single channel model o information processing, 57:12546
intra-pattern transformation structures, goodness judgments of 2-di mensional patterns, 57:9460
intraserial repetition & acoustic contrast in letter strings & presentatio lag & retention interval of random digits, short term memory performance, adults, tagging hypothesis interpretation, 57:7469
intuitive judgments of frequency of mental translation & memory fo communication language, bilingual information processing, hig school & college students, Puerto Rico, 54:10971
irrelevant auditory cue & cue/response position correspondence & visual stimulus quality, analysis of processing stages effects employ ing S. Sternberg's paradigm, female college students, support fo response selection stage effects, 57:9410
irrelevant qualifiers in question, question response & role of subjectiv interpretation, 53:6605
isobaric oxygenation, 68–69 yr olds with cognitive impairment, 54:1759

isolation of effects of sensory similarity & subprocesses in coding paired associates, college students, 55:3700
item availability & processing level, associate symmetry tested by free vs cued word recall following incidental vs intentional paired associate learning instructions, college students, 58:6858
item presentation time & interitem interval & pictures vs words as items, processing rate measured on recognition test, college students, 53:386
item recognition task, direct access trace strength model of short term memory store, 56:9234
item vs order information, short-term memory, young adults, 53:8815
judgment of generosity & gift size & income of stimulus person based on information about remaining dimensions, cognitive algebra of judgment, college students, 53:4394
kinetic depth perception research guided by J. J. Gibson's approach, cognitive psychology, 54:297
known & not known answers to simple questions, meaning representations & retrieval & decision processes in semantic memory, 57:2426
label relevancy & retention interval & practice, facilitation & biasing effects on motor short term memory, support for strategy provision & cognitive nature of memory code, 58:2710
laboratory induction of mood states, cognitive & social behavior, female college students, 56:1830
lag & frequency & set size, RT in positive vs negative trials, implications for Sternberg's high speed scanning notion, 57:7394
lag & retention interval in continuous paired associate task, encoding variability theory & spacing effect, college students, 57:7376
lag interval in repeated word task, developmental changes in free recall performance, 4th vs 8th graders vs college students, test & modification of differential encoding hypothesis, 57:998
landmark features, mental rotation times for same-different judgments, college students, 58:4703
language & memory & thought, theory of & experimental tests of human cognitive functioning embodied in computer simulation model, book, 57:7130
language & nonverbal communication roles, cognitive & affective processes, deaf Ss, literature review, 53:7383
language interdependencies, bilingual Ss, 55:9337
language written without forms of "to be" vs reading same communication in ordinary grammar, cognitive change measured by semantic differential, college & graduate students, 57:4944
language-task assessment using RT, language representation in right hemisphere, right handed college students, 56:1766
latency & RT & number of words & syllables & interpersonal agreement as codability measures & intensity of meaning using semantic differential, English-speaking monolingual & French-American bilingual college students, 55:492
lateralization of information processing vs response strategy, dichotic task performance, male college students, 58:10918
lateralized input & dual system of information flow, cerebral hemispheres, 54:2379
lead poisoning, cognitive functioning & activity level & neurological development, children with elevated lead levels, 56:8255
learning & cognitive processes, attention & memory, handbook, 57:7383
learning & conditioning & behavior theories, implications of animal studies for human learning & behavior, book, 56:1569
learning complex rules in probabilistic inference tasks, interpretation of performance from hypothesis-sampling vs hypothesis-construction theory, college students, 58:2664
learning made-up fantasy facts about well-known public persons, verification time for actual facts, female college students, 56:7183
learning to learn cuing conditions manipulating identicalness & semantic similarity of input/output word cue, recall performance & encoding specificity hypothesis, 57:11986
left vs right frontal vs posterior lesions, cognitive & verbal & nonverbal performance, patients with penetrating missile wounds of brain, 57:3665
left vs right hemispheric projection of digit & shape stimuli & test probe, RT in memory scanning task, college students, application of dual processing notion, 57:11964
left-to-right vs ends-first vs peripheral-foveal order of scanning of letter &/or digit configurations, test of visual information processing hypotheses, 57:11858
length & pattern regularity of sequence runs & arrangement of odd- vs even-numbered runs, learning performance & cognitive organization of regular sequences, 56:7176
length of exposure to high altitude, immediate memory for objects & sorting efficiency & perceptual speed & efficiency of routine mental work & concentration, healthy male adults, 56:5271
letter array size & concurrent nonvisual activity, visual search performance, college students, support for automaticity of perceptual processing, 58:4705
letter identity & phonemic processing in word comparison, relative ordering, 57:7415
letters presented in word context vs embedded in nonwords vs alone, identification processes, 55:157
letters with distorted line segments, holistic & analytic processes in same-different judgments of letter pairs, college students, 57:9468
level & type of processing, repetition effect in free recall, high school & college students, 55:8885
level of analysis & type of semantic processing task, mnemonic consequences, college students, 57:2399
level of processing & level of outcome, nonverbatim learning, college students, 56:160
level of redundancy & number of equational steps in conserving operations, speed & errors in card-sorting & coding tasks, 7–8 yr old good conservers vs poor conservers & nonconservers, 57:337
level of thought displayed on Piagetian tasks, adult male non-paranoid schizophrenics, application of Piaget's theory of cognitive development to understanding & treatment of schizophrenia, 58:5527
levels of nitrogen narcosis, selective impairment on digit copying & mental task performance, divers, 56:2086
lexical & syntactic characteristics of triplets composed of nouns & verb in all possible orders, coding strategies in production & retention, 14–15 yr olds, 58:10956
lexical dominance as measured by RT to coding stimulus words in 2 languages, bilingual females, 57:2822
lexical markedness, time to verify & transform marked/unmarked word pairs of oppositional adjectives & singular-plural noun pairs, 57:11988
lexical status of outcomes, frequency of spoonerisms, college students, 55:4165
lexical structure of present tense verbs, response time for retrieval of past tense, college students, implications for organization of internal lexicon, 56:3434
lifetime coherent sequences expected by & involving individual, attitude formation & decision making, 58:11624
linear order mode of representation for comparative processes & inference making, kindergartners & 3rd graders, 58:11473
linear ordering of objects from sentence information, representation of individual sentences & holistic ideas, college students, 57:12045
linguistic analysis, psychological analysis of mental processes, 53:4390
linguistic areas vs linguistic concept of structuralism as proposed areas of research for cognitive psychology, 54:298
linguistic complexity, psychological complexity of syntactic transformations, students, 58:8766
linguistic constraints in sentences, length of eye-voice span, 3rd vs 5th graders, 55:12734
linguistic feature analysis of verbal protocols associated with responses to standardized measures of reading comprehension, 7th graders, 55:8384
list cues, recognition & recall of target words on lists of cue-target word pairs, college students, 55:3790
list length & instructions to forget reaction time in paired-associate list learning, college students, test for selective search explanation of intentional forgetting, 53:370
literary works, behavioral & cognitive effects, college students in psychological interpretation of literature class, 53:1185
lithium carbonate vs placebo, cognitive functions, normal male Ss, 58:9129
location & viewing time of bar indicator prior to multiletter display presentation & proximity to test bar indicator, letter-naming RT & programing of selective encoding, 57:2355
locus of categorized response set, retroactive inhibition, college students, test of L. Postman & K. Stark's response-set interference theory & J. A. Petrich's retrieval model, 57:7431
locus of control & trait anxiety, information processing measures in stressful condition, graduate & college students, 58:6834
logic relations, integration of ideas & memory of disjunctive & other relationships, 55:8845
logical processing of set inclusion relations in meaningful text, college students, 57:11973
logical requirements of intellectual tasks & similarities between computers & people in problem solving, cognitive viewpoint, 54:4551
long range levodopa therapy, cognitive & perceptual effects, parkinsonian patients, 56:8450
long term marihuana use, intellectual functioning & attention, users vs nonusers, 58:7405
low blood alcohol concentration, repeated performance of coding vigilance task, 19–28 yr old males, 57:12437
MA & CA & grade, incidence of concrete vs abstract thinking in interpretation of 3 Bible stories, 4th–12th graders in Episcopal Church schools, 55:13331
MA & IQ & complexity & trial blocks, response latency, retarded vs nonretarded children, 56:886
malnourishment vs adequate nourishment, cognitive functioning, 5–6 yr olds, Guatemala, 57:12521
marihuana dosages, verbalization & thought processes in response to TAT cards, 19–31 yr olds, 57:12372
marihuana smoking, projective test productivity & learning effectiveness & relaxation of expression & control, 21–30 yr old teachers, 53:6810
matching stimuli of 1 vs 4 letters & auditory vs visual probes, capacity limitations in information processing, college students, support for perceptual & postperceptual limitations, 57:11998
match/mismatch between reinforcement history & success or failure, valence of success or failure & attribution of responsibility for success or failure, 9–13 yr old boys, 57:3163
mathemagenic activities & reading time, criticism of Carver's arguments, 53:2357
mathematical model, paced serial addition, college students, 56:9034
mathematical model, question answering & human semantic memory, 56:9026
mathematical probability programed text mapped with directed graphs, representation of mathematical structure in students' cognitive structures & achievement, 8th graders, 54:6240
mathematical task performance, cortical evoked responses, adults, 54:8956
meaning, interrelations of higher mental processes, 54:287
meaningful & nonmeaningful Go game patterns, pattern reproduction & pauses in recall using interresponse time distributions, skilled vs beginner player, 56:7237
meaningful vs nonmeaningful diagrams vs single letters, perceptual thresholds, implications for model of feature analysis in parallel processing of incremental visual information, 58:260
meaningfulness of final item in auditory memory list & verbal vs noise suffix conditions, free & ordered recall performance, college students, significance for preliminary stages of acoustic analysis & encoding, 56:9235
meaningfulness value of pair units & dimension direction in pair & test vs training lists & sex, transposition of meaningfulness dimensions in verbal discrimination task, 58:2674
meaningless vs meaningful sentences, abstraction of linguistic ideas, college students, relationship of J. D. Bransford & J. J. Franks's linear effect to semantic processes, 53:4428
measurement & community factors & mental illness, intellectual functioning, aged, book, 54:2799
measurement & description, class of individual mental reasoning processes, 55:3498
measurement & psychophysics & neural information processing, symposium on progress in mathematical psychology, book, 53:4278
measurement of intelligence & conceptual thinking, clinical psychology, 56:2542
mechanism underlying knowledge of spatial relationships, learning of positions of circles after examination of array of circles located in different positions on background, college students, 54:6780
mechanisms in rostral portions of 2 subcortical systems, control of arousal & activity & exertion, 58:11138
medazepam & alcohol, cognitive & motor skill used in driving, male college students, 53:2653
memorization of names of stimulus persons & identifying attributes, organization & retrieval processes in long term memory, college students, 58:2713
memorizing vs systematically looking at codes, eye movements during simple coding task, 20–29 yr old males, 58:6819
memory & attention & human information processing, textbook, 56:7190
memory & cognitive skills & their development, reading acquisition, curricular significance, 57:13792
memory & display search, binary classification RT, 56:1686
memory & oddity discrimination & other cognitive process variables, prediction of reading & arithmetic test performance, educable mentally retarded adolescents, 57:6917
memory & visual search tasks given meaningful words vs pronounceable nonwords, RT & error performance, 18–28 yr olds, 56:5289
memory load & organization, information processing in short term memory, 55:8876
memory scanning, review of experiments studied with RT procedures, 54:390
memory search for lexical & semantic information, college students, modified replication of J. F. Juola & R. C. Atkinson's study, 57:12036
memory set of category items & parallel vs separate scanning, scanning for category membership or physical identity, college students, 56:1754
memory set size & presentation rate & probe delay & presence vs absence of test probe in memory set, serial position effects & relationships to self terminating & exhaustive search, 57:7481
memory set size for letter vs dot-pattern stimuli, analysis of number of memory representations for perceptual concepts, college students, 57:11994
memory set/probe category similarity & familiar vs unfamiliar translation schemes using familiar vs recently learned 1st & last names & negative/positive probes, recognition RT, college students, 58:280
memory skills deficit vs perceptual deficit for labelable & nonlabelable visual information, 12 yr olds with reading disabilities, 58:11920
menstruation, locus of control orientation & attitudes toward one's body & reasoning task performance, single nulliparous college females, 58:7014
mental activity with concomitant meaningful sounds or loud noise as stress & nervous typology membership, right temporal & occipital area EEG activity, college students, 58:593
mental arithmetic & RT tasks & rest, stimulus-response & individual-response specificity of heart rate & skin conductance & respiration, monozygotic vs dizygotic twin pairs, 58:11120
mental elaboration, cognitive performance, black 4th & 6th & 8th graders, inplications for learning strategies, 54:2723
mental imagery concept & cognitive representation, implications for research, 57:2360
mental images & role in perceptive & cognitive processes, recent research review, 54:2309
mental manipulation of spatial information, spatial visualization, 4–12 yr olds & 11th graders & college students, 53:7049
mental representation of events & verification of temporal order information, analysis of retrieval & coding & comparison processes as separate contributions to response time, 58:283
mental rotation of random 2-dimensional shapes, college students & staff, 54:10953
mental rotation processes, review, 53:285
mental search processes in solving multiple-solution problems, sampling vs sampling without replacement strategies, female college students, 55:11431
mental tempo, native Akita Prefecture vs Tokyo college students, 54:2336
mental &/vs physical load in mental subtraction task, heart rate & sinus arrhythmia as measure, male graduate researchers, 53:470
meta-Aristotelian general semantics training & age & sex, "allness" orientation, 10th–12th graders vs college undergraduates vs graduates, 57:4931
metaphor formation & varieties & functions, normal & pathological thought processes, 53:7614
metatheoretical criteria for what is known & how it is known & nature of knowing-agent, cognitive psychology, 54:303
methodological problems, investigation of mental load & application to work setting, 58:2289
methodologies & models, human information processing research, book, 53:8767
methodology of protocol analysis to assess judgment process in management students' evaluation of learning experience, graduate business students, 55:3684
methods for examination of subject-matter structure in prose materials & in students' memories, validation of structural interpretations, 54:6277
microanalysis of industrial work processes, parallel & sequential information processing in hand movement response, 58:6500
Mini-Mental State, serial testing of cognitive state & hospital admission, neurogeriatric patients with dementia or depression or depression with cognitive impairment, 56:785
minor hemisphere dominance in perception of part–whole relationships, commissurotomized man, 54:548
misspelled words & syllabic length of word, semantic vs phonological decision response time for word pairs, college students, support for direct access to semantic representation, 57:11972
mixed list of digits & letters & probe category precue & repetition, memory search of list for probe presence/absence, college staff & students, proposal for partially selective search model, 57:7433
modality effect in single-trial free recall, 3-component analysis, college students, 58:4835
model development & application, optimal allocation of cognitive resources to spatial locations, college students & faculty, 58:10856
model of explanatory process, application to judgments about human action, college students, 53:2298
model of game playing, analysis of Ss' actions in game of "Gomoku", 55:8828
model of image formation & expression & role of linguistic structures in perception & performance & communication, 58:7129
model psychoses vs psychotic-like symptoms & hallucinatory experience induced by psychodysleptic drugs & mescaline & LSD, biochemical & neurophysiological & psychopathological processes & interdependency of emotional & cognitive structure, 58:5006
models for integration of information, judgments of utility of gambles, criticism of L. Sjoberg's & N. Anderson & J. Shanteau's & A. Tversky's studies, 55:6125
models or mental representations of poker players, decision & inference in stud poker, 56:9160
model-systems approach, biological bases of mental functioning, book of readings, 54:9015
moderate vs low dosage methadone maintenance, WAIS performance, heroin addicts, 55:10548
moderate vs low methadone maintenance dosages, cognitive functioning as measured by WAIS performance, patients, 57:1803
modes of adult explanation, measurement of perceived meaningfulness of & satisfaction with explanation, 57:4950
modification of cognitive vs emotionality responses using covert positive reinforcement, test anxiety, college students, 58:9937
modified invariance & constant longitudinal memory span hypotheses, relationship between material presentation time & information input amount, 57:9512
modified multistage betting game, estimation of number of stages in planning horizon while performing decision task, 55:8827
monotonic vs dichotic forward vs backward masking presentation, forward & backward masking interaction, implications for similarity of mediating neural processes, 58:269
moral development, recognition of sentences with moral themes & recall organization from integration model basis, 7 yr olds, 57:8020
motivational model of information processing intensity, 58:8708
motor & intellectual functioning, 21–69 yr old normals vs Ss with multiple sclerosis, 58:1431
motor & verbal modes of mediation, encoding of images, 4–5 yr olds, 58:5178
motor response variations & duration of response, choice RT & response programing time, college students, 57:4927
multicomponent theory of perception, feature extraction & response decision in complete visual identification experiment with equilateral triangle, young adults, 57:11937
multidimensional & individualized analysis, indices of cognitive functioning & socio-political ideology, college students, Sweden, 57:8130
multidimensional scaling approach, concept sets operationally defining cognitive structures & stability & utility for predicting classroom performance, college students, 57:9066
multidimensional scaling solutions to paired-comparisons similarity estimation study, solution sensitivity to cognitive strategies, college students, 56:9027
multiple attribute model & 1st & 2nd order cognitive effects of persuasive advertising message, cognitive & attitude change, female Ss, 55:1704
multiple vs selected retrieval processes, spacing effect in free recall, college students, 58:10986
multiple vs single retrieval paths, long-term free recall, 53:393
multiple-cue judgments using fictitious medical-diagnosis task, information integration & subjective weights, college students, 57:4915
multivariate analysis, intrinsic individual differences in conceptual behavior, female college students, 56:3390
multivariate model, age-related changes in cognitive structure, 53:7019

muscular relaxation treatment &/vs deep breathing exercises vs lectures on relaxation treatments, state anxiety reduction & changes in personality & cognitive measures, neuropsychiatric patients & male college students & 8th–11th graders in physical education, 57:13307
musical contexts, perceptual & cognitive rule learning, 56:155
mutual masking, sequential processing of iconic information, college students, 54:8817
naming & recognition of written symbols, male right handed aphasic & posterior & anterior alexic inpatients, 58:1446
natural dissonance as expectancy–performance discrepancies, cognitive & affective effects, 5th & 6th graders, 54:10952
natural order in cognizing, clause order in sentencing of conjoined expressions, 55:8839
nature & temporal course of interference provided by nonattended visual material, college students, 55:11380
nature of suprasegmental prosodic feature of rhythm in sentence-length units of discourse, test of pattern distribution vs word distribution hypothesis, male college students, support for information processing model of speech production, 55:8821
N-desmethyldiazepam vs amylobarbitone vs placebo & residual effects, insomnia & cognitive & motor performance, 10–63 yr old anxious-neurotic inpatients, 53:3702
need for information & expectations about information relevancy & message value as information source, tendency to process message & relationship to belief change, 58:6821
negative vs affirmative & particular vs universal phrases, RT for true-false estimation & phrase comprehension, implications for 2-stage memory retrieval model, 57:2447
nervous activity & psychological characteristics, children with delayed development, 53:7754
nervous system properties, information coding in memory tasks, 18–20 yr olds, 58:6860
network strength theory of storage & retrieval dynamics, application to recall & recognition & semantic memory & reading, 57:9507
neurological impairment, WAIS performance, 45–85 yr olds with multi-infarct dementia vs dementia due to Alzheimer's disease vs vertebro-basilar insufficiency with dementia, 56:4332
neurophysiological & information processing analysis, auditory & phonetic levels of processing in speech perception, 19–24 yr olds, 54:213
neurophysiological analysis of encoding & decoding of verbal communication & structure & mechanisms & clinical forms of aphasia, book, 58:6830
neurophysiological mechanism for unconscious processes, cerebral hemispheric specialization, implications for psychiatry, 53:4536
neuroticism, form differentiation in drawings, college students, 58:5406
noise & task significance level, performance on information processing tasks, heart rate & GSR & respiration, 19–45 yr olds, 54:4556
noise, performance on continuous addition task, female college students, 55:3822
nonattended items in dichotic listening, interference with attended-ear material & memory lack & learning intention & item repetition, college students, interpretation based on levels-of-processing approach, 57:7501
nonmotivational information processing model, attributed responsibility as function of congruence & prior expectancy, 58:3315
nonrandom errors in recall, distinctive feature codes in short term memory, 6 & 7 yr olds, 54:4995
nonverbatim learning, theoretical & methodological notes, 56:9219
number of different symbols per string & symbol rotation & symbol recognition vs reproduction output mode, perceptual chunking of symbols in memory span & occurrence in input vs retrieval stages, college students, 57:9530
number of pairs per trial & positive vs negative trials & display position of mismatched pairs, RT in symbol-element recognition task, female college students, implications for sequential search processes in long term memory, 57:2379
number of repetitions of short term memory contents, long term memory word retention & storage & retrieval processes, 57:9539
number of stimulus features & 1st-stimulus components & interstimulus interval, integration of features in comparing multifeature stimuli, college students, 56:1762
number of tenable hypotheses & hypothesis generation order & solution word frequency, prediction of anagram problem difficulty & S-generated letter order cues, college students, 57:7401
number of to-be-remembered items, memory search processes, 12–18 vs 25–35 vs 60–75 yr olds, 57:9519
number reversal task performance while driving in rural & city traffic, psychological stress while driving, civilian & military vehicle test drivers, 53:10918
object-drawings naming, dyslexic vs minimally brain damaged 8–10 yr olds, 56:2508
objective information amounts & cognitive & memorial processes, persuasion in simulated jury trial, 53:3011
observing schematic faces with vs without labeling & attention, recognition memory, college students, implications for encoding & storage processes, 57:2445
open vs traditional elementary schools, achievement & personality & cognition, 5th graders, 55:13265
optimum contingencies, measurement of cognitively induced changes in electrical coupling between areas on human scalp, 57:591
oral delta-9-hydrocannabinol, sensory & perceptual & motor & cognitive functioning & subjective reports, 21–34 yr old frequent & occasional marihuana users, 58:11332
order & category relatedness of word pair members, RT in same-different paradigm & multidimensional scaling solutions of semantic similarity, college students, support for feature comparison model of semantic memory, 57:4941
ordering of information & semantic coherence of content & text vs filmed information presentation, open problem solving performance at initial & mastery learning stages & forgetting, 16–17 yr old high school students, 57:11371
orderly performance of mental operations, relationship to problem solving success, industrial studies students, educational implications for inquiry & composition skills, 55:3075
ordinal & interval distances between referants of compared symbols & size differences, mental processes & speed involved in memory comparisons, college students, test of symbolic distance effect, 56:5263
organismic & task variables, relationships between perceptual & representational processes, male 5 & 9 yr olds, 56:7682
organization of perceptual information into hierarchical part structures, visual discrimination performance, 58:216
organizational structure as psychological artifact, "One Day In The Life of Ivan Denisovich", 54:11760
organized visual stimuli & set size, probed recognition RT, college students, implications for parallel & serial memory search processes, 57:7439
organized vs unorganized complex pictures & presentation rate, picture recognition with inventory vs spatial location vs descriptive vs spatial composition information variations, college students, 56:9218
organizing as communicating, relation of equivocality of information to number of behavior cycles, critique & test of K. Weick's model, 58:8760
organophosphate pesticides, neurochemistry & behavior, humans, 57:769
orientation of alternating 3-dimensional object, cycle duration required for perceptual illusion of apparent rotational movement, exploration of perceptual mechanism roles in mental rotation, 57:2288
orientation of pictured spatial forms & availability of rectangularity & symmetry within form, angle estimates & order-imposing process, college students, 57:11922
orientations in picture plane & presentation of palm or back of either hand, mental transformations in identification of left & right hands, college students, 53:10772
orienting responses in cognitive tasks, book, 55:11604
orienting tasks & knowledge about relevant context, word recall & sentence recognition, 56:9245
orienting tasks manipulating nature of word encoding & word context variations, within-list distributed practice effects, college students, 57:12048
orienting tasks requiring different types & levels of cognitive processing, French language learning achievement, college students, 57:6814
orthographic error types & auditory discrimination & memory & decoding predictor variables, 2nd graders, 53:4843
orthographic structure & lexical meaning, same–different judgments for pseudowords & nonwords & words, college students, 53:6584
orthographic variation & semantic vs nonsemantic levels of processing, frequency judgments of words, college students, 53:8825
orthographic vs graphic stimuli & association value & exposure rate, visual language processing abilities, brain injured adults exhibiting apraxia vs dysarthria of speech, 57:3743
overinclusion & editing tasks, schizophrenics vs normal controls, 56:2456
overprinting paradigm with elimination of storage & retrieval, memory vs visual mechanism in interference in visual information processing system, 57:174
overt actions, inference of evaluations, support for active internal information processing, 54:2310
overt vs covert rehearsal, cognitive activities on memory tasks & serial processing & study time requirements, college students, 53:10902
overtraining in reversal shift task, overlearning-reversal effects & conceptual vs nonconceptual solution modes, college students, 57:2443
paired associate vs sequential probes, dichotic memory, college students, 54:11039
pairs of pictures vs words, memory size & pronounceability comparisons between & within conceptual categories, college students, 55:11479
papaverine hydrochloride, EEG & cognition & mood & psychological test performance, healthy 60–79 yr old volunteers, 54:6994
paragraphs describing set inclusion structure, reproductive vs productive recall of set inclusion information, college students, 58:8792
passage organization & use of locative information, memory for location of sentence in passage context & retrieval of content information, college students, 57:9484
pattern recognition & abstraction & concept learning, representation & organization & acquisition & use of structured knowledge in perception & cognition as fundamental mechanisms of intelligence, 58:289
pattern recognition problem in speech modality, 54:292
pattern rehearsal & problem solution, average evoked potential, humans, 55:6380
Pavlovian studies in Soviet universities, relationships among strength & equilibrium & mobility of neural processes, 54:11073
percept-genetic test manipulating stimulus exposure time sequence & placebo pill instructions of relaxation vs attention-increasing effects, drawing recognition & generative qualities of perception, young adults, 57:7355
perception of normal communication & role of telepathy & clairvoyance, 58:25
perceptual & categorical & semantic processes & interaction between innate & cultural factors, color perception, 57:2325
perceptual & classificatory recognition processes in diagnostic processes, experienced diagnosticians, application to use of X-rays in diagnosis of cardiovascular disorders, 56:8588
perceptual & cognitive factors, distance perception, 54:4526
perceptual & thought processes, schizophrenics vs normals, 57:6004
perceptual cohesiveness of pattern & set size & grid cuing, pattern recoding in block design task, college students, 58:2589
perceptual grouping of letters & digits, short term memory, 58:11009
perceptual latency & attention-switching models, relationship between judgments of successiveness & order discrimination tasks, Os, 54:10860
perceptual motor & cognitive & emotional characteristics, Ss at risk for Huntington's disease, 57:13097
perceptual tuning & conscious attention, input regulation systems in visual information processing, literature review, 57:7516
performance mode & differences in achievement on Scholastic Aptitude Test verbal vs math sections, males, implications for determination of intellectual operations involved in processing verbal & math codes, 58:6405
performance variability in naming objects & activities, aphasic patients, 54:3422
perinatal factors & supplementary stimulation, neonatal cognitive behavior, premature infants, 55:9420
persecutory delusion & primitive decentering, male patients, 57:6034
personality & cognitive & psychophysiological parameters, classical galvanic skin response conditioning, 53:2506
personality & cognitive correlates, daydreaming & stream of consciousness, 54:8826
personality & sociocultural correlates & modification techniques & cognitive-attentional mechanisms, delay of gratification, critical review, 55:8978
personality traits & stress, random letter generation styles, 54:1134
phonetically identical vs nonidentical word choices, flexible coding in word recognition, college students, 57:338
phonological phases & conceptual chunks, speech production processing, 55:487
phrase context & level of processing, phrase comprehension, 57:2388
phylogenetic theories of ESP, emphasis on promoting memory retrieval & productive thinking & connecting meaning-related & meaning-complementing cognitive contents, 53:8643
physical exertion, mental performance & arousal level, 53:10892
physical identity & name & semantic category commonality of word & picture pairs & pair repetition, same-different response times & recall & recognition & relationship to processing depth, college students, 57:11962
physical setting & psychological demands of situation & situational characteristics of social learning vs milieu treatment, consistency of social interaction & cognitive dysfunction, institutionalized chronic psychiatric patients, 58:1789
physiological changes, mental functioning, aged, 53:5016
physiological studies of higher brain function, literature review, 57:9718
physiology of eye movements & related psychological & perceptual & cognitive processes, book of papers, 57:4882
pictoral & verbal stimuli & presentation order, paired associate learning, kindergartners & 1st & 3rd graders, application in reading & special learning areas, 55:2191
pictorial vs verbal presentation of concept identification task, development of hypothesis testing process, 2nd vs 4th graders, 57:9978
picture & sentence sequences & semantic relevancy & modality of intervening items, recognition, significance for constructive memory process, 58:11014
picture vs concrete vs abstract noun series & number of recall trials, hypermnesic memory functions, college students, support for qualitative differences in imagery, 57:9552
picture vs label pairs & conceptual & schematic similarity & presentation rate, conceptual interferences & pictorial superiority effect in recognition, college students, 56:9227
play therapy, transition to secondary process thinking & reflective & conceptual & communicative speech, borderline psychotic children, 54:5814
pleasantness-unpleasantness of words & affective encoding behavior, free recall, schizophrenics & nonschizophrenic psychiatric patients, 56:2465
polymorphemic & polysyllabic words, lexical storage & retrieval, 58:4787
position &/vs form information, parallel processing of multiple-form arrays, 5–6 yr olds vs college students, 57:12504
positive & negative reversible sentences pertaining to picture pairs, competence in processing negation, trainable mentally retarded 10–21 yr olds, 57:6109
positive cognitive set, conditioning in aversion therapy, alcoholics, 57:3917
possession of code & quantity of information, operational proportion & use of strategies in proportion problem solving, 5–8 yr olds, 57:9962
postexposural directional scanning & cerebral dominance, lateral differences in tachistoscopic recognition, 58:4747
posthypnotic dissociation, performance of interfering cognitive tasks, highly hypnotizable Ss, 56:9268
practice, age differences in central perceptual processing speed during dichoptic masking paradigm, aged vs young adults, 56:7641
praxis & quasi-rationality in psychological theory, 56:10
preattentive processes, segregation of incoming stimuli into regions & 2-stage perceptual selection process, 58:8706
preconscious activity level & defensiveness & open vs evaluative environment, ideational fluency & originality, male college students, 55:3707
predecisional cognitive processes, cognitive dissonance theory & conflict theory & choice-certainty theory & reactance theories, 53:6604
predecisional information integration strategy, cognitive conservatism in probability estimation task, college students, 53:292
prediction & control as mediators of differences in causal attribution for success & failure, actors vs Os, literature review, 56:9858
predictive value of intelligence & defense mechanisms & signs of organicity during hemodialysis, patients with chronic renal failure, 53:7743
predictor variable for choice reaction time using S. Sternberg information reduction task, survey of research from 1966 to 1973, 53:2300
preference for perspective vs diagrammatic drawings, actual drawings as reflection of representation of objects in memory, nursery school students & 1st & 3rd & 6th graders, 58:10945
preferences in elaborators & stimulus- vs response-related elaborators, long term retention of paired associates, college students, 58:4806
premenstrual anxiety & depression, cognitive function, 30–45 yr old women, 56:6076
preoperational vs operational stage & visual attentional training, recognition of paired association, kindergartners vs 1st vs 5th graders, implications for dual encoding hypothesis, 58:3124
preparatory processes, selectivity between speed & accuracy, 53:2311
presence vs absence of hereditary left handedness in family, visual cerebral dominance in language processing, right vs left handed junior high school students, 57:9488
presentation condition, semantic processing time for pictures & words, 2nd vs 5th graders, 58:11474
presentation frequency of nontarget study items, recognition memory & judged frequency of target items, college students, implications for involvement of encoding processes, 58:4816
presentation method & set & stimulus dimensions, same–different reaction times to random shapes, students, 53:8694
presentation modes, strategies for solving 3-term series problems, college students, 58:8765
presentation of patterned masking stimulus, impairment of recall at all positions of letter rows when recall of single letters is cued by bar markers, college students, 55:8767
presentation order of sentences, construction of linear orders, college students, 55:11433
presentation to left vs right visual field & backward visual masking, iconic musical symbol recognition thresholds & critical interstimulus intervals, college students with formal music training, 58:4707
pre-sleep ingestion of nitrazepam & butobarbitone vs placebo, subsequent performance on perceptual-motor & cognitive tasks, healthy Ss, 53:11147
pressurization in 6 days to 49.48 atmospheres absolute for 7 days & decompression in 19 days to surface, postural equilibrium & vestibular function responses, 54:8527
presupposition in comprehension of negative sentences, college students, 55:168
primary & property dominance, true-false RTs to property statements & retrieval from semantic memory, college students, support for A. M. Collins & M. R. Quillian's semantic memory model, 57:7423
primary process as form of cognition & thought, application to interpretation of myths & dreams & sensory aspects of awareness, 54:8828
primary process thinking manifest in Rorschach & TAT production & relation to personality, 6–10 yr olds vs young adults, review, 54:11782
primitiveness vs cognitive processing differences, anthropological ESP research, 53:145
prior context, perception of lexically ambiguous vs unambiguous sentences, college students, support for processing of alternative word meanings, 58:4775
prior encoding, residual effects on subsequent encoding of hypothesis presented words, discussion of trace recovery, 57:331
prior familiarity & cognitive complexity, information processing rules in brand evaluation, respondents, 55:1705
prior presentation of upper- vs lowercase letter & interval between prior & test letters, test letter classification accuracy, female college students, support for internal image generation, 57:9495
prior sleep & subsequent waking memory, analysis of interference & encoding efficiency hypotheses, 58:367
priority instructions, processing hypercapacity sequential inputs of pictures & words & recognition memory, college students, 53:4397
proactive inhibition & categorical encoding in short-term memory, deaf & hearing 8–12 yr olds, 53:5715
proactive interference release procedure, encoding & differential encoding & relative dominance of encoding attributes in short term memory, young children, 58:10995
probe position & list length, RTs to locate presence or absence of test item in searching memorized lists of spoken digits, college students, support for serial exhaustive search, 55:6190
probe recall & short term memory, male college students, evidence for nonlinear search strategies, 55:11462
probes following sentences with homophones irrelevant to both homophone interpretations vs irrelevant to present & relevant to other interpretation, judgments of homophone relevance to sentence, college students, 53:10881
problem review & encouragement vs problem drill, treatment of functional fixedness in problem solving, high school students, implications for teaching, 58:6193
problem solving theories & processes & problem identification, extension of Gestalt approaches, 57:2376

processes of speech production & perception & syntactic rules, formation of syntactic structure, 56:7173
processing & recall of auditory &/or visual signals, heart rate & GSR reactivity, normal Ss vs Ss with primary vs secondary reading deficits, 58:3589
processing capacity requirements, stimulus encoding on primary task, graduate & college students, 55:1835
processing events at input & during retention interval & output, information loss in short term memory, college students, 57:366
processing modality, imagery encoding hypothesis, college students, 57:344
processing multiple recognition probes, long & short term memory, female college students, 54:4603
processing of complex embedded sentences in Chinese & Norwegian & English, verification latencies for sentences, native Chinese speaking college students & staff, 54:10959
processing of emotional films, emotion-induced rejection of input, female college students, 54:414
processing of phonetic symbols for syllables & nonphonetic logographic symbols, Japanese aphasics, 54:12145
processing of successive data, recognition of graphic & semantic identity of names & drawings, 54:2330
processing of unattended message, difficulty of shadowing attended message using pupil dilation as measure, college students, 57:12094
processing of visual information & model of storage system of memory, reading process as illustration, 55:1842
processing strategies & organization, retrieval of information on attributes & names from semantic memory, 56:7232
processing strategies, recall in memory span tasks, 5 yr olds vs adults, 58:11429
process-trace & mathematical model approaches to human judgmental processes, cognitive process as multistage discrimination procedure model, 53:4395
producing simple utterances, parallel & serial speech-planning processes, college students, 57:7846
production frequency, verification of quantified statements, college students, 53:280
programed instruction, criticism of P. Y. Galperin's theory of stage-by-stage formation of mental activity, 54:12547
prolonged deprivation, cognitive processes, urban vs rural Ss, 58:8779
properties of automatic & controlled processing & interrelationships & development of automatic detection & attending & role of practice & categorization, theory of information processing, 58:4785
proportion of "right" & "wrong" responses on prior trial & memory of previous responses &/or outcomes, response repetition in paired associate learning task, college students, support for independent storage & retrieval of response & outcome, 57:7436
proposed 2-process theory of controlled & automatic human information processing, analysis of application to detection & search & attention phenomena, 58:305
propranolol, physiological correlates & perceptual & cognitive & motor task performance, college students, 56:3733
provision of explicit grammar information before vs during vs after exemplar presentation, implicit & explicit learning processes in artificial language rule apprehension, 58:2673
"pseudo motor noise" modification of optimal control model for pilot/vehicle systems, human control & information processing in tracking tasks, 57:9251
psychoanalytically oriented theory of creativity & creative process & cognitive style & state, 57:3382
psychocybernetic analysis, information processing in total perception system containing double motor systems, 55:6005
psycholinguistic approaches to language & thought, 1972 Tokyo symposium, 55:6663
psychological & demographic attributes of decision-makers, contributions to decision processes, male industrial managers, 53:6374
psychological & sociocultural & cognitive factors & ethological considerations, feeding behavior, 58:573
Psychological Refractory Period paradigm, investigation of role of speech control in human information processing, male students, 57:360
psychoneurological learning systems, implications for intervention programs for learning disabled children, 58:9727
psychophilosophical reorientation in Western experimental study of cognitive processes & dialectical perspective in history of Soviet psychology, 55:11245
psychophysics of numerical vs other physical stimuli, 55:8716
pulvinotomy vs ventrolateral thalamotomy, receptive & expressive verbal performances & face-matching, surgical patients, 56:3676
qualitative differences, learning processes & strategies & outcomes, college students, Sweden, 57:401
qualitative-nominal & quantitative-metric & deterministic-stochastic & discrete-constant concept formation based on relational constant characteristics, human information processing techniques, 54:4555
question wording, eyewitness reports, college students, 55:8916
random vs ascending order presentation of 2-digit numbers & serial position cues, free vs ascending order recall, college students, 56:9202
rapid changes in speed-accuracy tradeoff strategies, sequential information processing performance, 57:2377
rater agreements, assignments of Stanford Binet Intelligence Scale items to Guilford's structure-of-intellect operations categories, school psychologists, 55:3244
readability of text & variations on task-induced processing, reading rate during word matching task, high school students, 56:2848
reading occasions & new vs reread typographically inverted text & time between readings, reading speed & classification of pages as to reading occasion, college students, 56:9212
reading of unrelated paragraphs with simultaneous vs successive actions & new vs old vs noncase test recognition sentences, recall of paragraph ideas & recognition of identical form vs identical meaning sentences & confidence ratings, significance for human storage, 56:7172
reading stories containing pairwise sentiment relationships among 4 people in complete vs incomplete & balanced vs nonbalanced forms, recall of stories, college students, support for encoding model of social information storage, 55:1875
realistic noise levels, intellectual task performance, college students, 53:6357
reality vs selective attention vs criteria for success models, information processing strategies associated with self evaluation, 55:8854
recall & length & dreamlike quality & intensity of preawakening mentation in sleep stages 2–4, human males & females, 53:192
recall & recognition, discussion of discontinuity vs continuity hypotheses, college students, 53:2413
recall & recognition processes, discussion of 2-stage theory & episodic ecphory theory, 57:12000
recall vs recognition instructions & auxiliary task performance, encoding processes for recall vs recognition, college students, 58:8801
recent & possible development of knowledge of the mind, implications & issues of social & psychological processes, book, 54:63
recent psychological models of cognitive representation, 58:10934
recoding from reading to speech before vs after lexical access vs never, 55:4169
reconstruction of topographic features from numerical information, implications for sign models & their role in formation of mental acts, 58:4772
re-creation of arithmetic task processing details as recognition cue, representation of mental operations in memory trace, 57:11993
reference-field organization, verbal memory, college students, 56:9222
reflection & impulsivity, conceptual strategy, 7–8 yr olds, 53:852
reflection mediating evolution, 4 evolutionary stages of human mind, 58:4552
regional abnormalities of cerebral blood flow, cognitive reduction in presenile dementia, adults, 57:1484
rehearsal vs elaborative strategy & word association value, prediction of tip-of-the-tongue phenomenon in cued-recall task, comparison of memory search models, 58:349
rehearsed words vs mental image as contents, scanning of short term memory, college students, 54:11041
reinforcement theory of cognitive learning, 53:4465
relation of probe word to sentence word, recognition of probe word as included in previously heard sentence, 5 vs 7 vs 9 vs 11 yr olds vs college students, development of semantic future systems, 57:952
relationship between cognitive & perceptual activity, revised definition of cognition, 55:11435
relationship between learning strategies & cognitive abilities, rural 3rd–12th graders, 54:10996
relationships between types of intellectual behavior & psychopathic & neurotic & well balanced personality types, epileptic 5–18 yr olds, 56:8237
relaxation, alpha percentage in EEG & alpha feedback & anxiety scores & changes in heart rate & cognitive processes, 20–30 yr olds, 54:6894
relevant vs irrelevant information, information processing RT, retarded vs nonretarded 13–15 yr olds, 56:8215
remediation program, cognitive strategies, low achieving 3rd & 4th grade Indians, Canada, 58:4383
remembered-restuctured probabilities of original outcome likelihoods made after event's occurrence, college students, discussion of cognitive "anchoring" & outcome feedback effects, 57:11971
remembering & response times in processing congruent vs incongruent sentences, female college students, 53:7362
reorganization of cognitive components & opportunity for peripheral structural interactions, illusion magnitude, adults, 55:120
repeated vs nonrepeated items across lists, specified list vs free recall, college students, support for list differentiation interpretation, 56:9205
repetition of addition task, influence of memory during reprocessing measured by eye fixation duration, 57:12066
reports of introspective information as evidence about underlying thinking processes, criticism of G. Quinton & B. J. Fellows' conclusion, 58:285
representation of simple line drawings in memory, theory of pattern recognition, 58:10940
representativeness heuristic in human judgment, apparent violations of theory predictions & relationship to Piaget's concrete thinking, college students, 57:4935
reproduction of narratives in full vs only main points, 2nd & 3rd graders, 55:1849
residence & socialization & educational level, cognitive conservation tasks, aged residents of dependent care facility, 53:7127
residual capacities in natural language & cognitive functioning & memory & acquisition of artificial language system, global aphasics, 56:10161
residual dimension of psychoses & clinical & cognitive & personality defects, patients with cycloid psychoses & hebephrenia, 58:9661
residual judgment, cue definition in naturalistic studies, clinicians & pathologists, 53:2325
resistance to interference measured on cognitive test battery, potential use as diagnostic dimension in assessing personality disorders, 54:6722
resolution vs incongruity information, creation of verbal humor, college students, 54:304
resource-limited tasks, analysis of performance operating characteristics, 57:11987
respiration, intra-S variation in visual & auditory information processing, females, 57:617
response conditions in double stimulation, test of unitary assumption of B. H. Kantowitz's response conflict model, female college students, 53:6590
response dependence in simultaneously learning A–B, A–C lists, college students, 54:2327
response dimensions & cognitive processes, reasoning by analogy, college students, 55:6127
response mode instructions, concept identification task performance, female college students, 57:2416
response selection bias, problems with reaction time as measure of memory search, left- vs right-handed college students, 53:8811
response transformations, information integration tasks with different models supported for different response scales, 57:396
response vs stimulus uncertainty with vs without distraction, attention & information processing time, acute schizophrenics vs depressives, 57:1336
responses to Rorschach test & reaction to & behavior in treatment, thought organization & object relations, schizophrenic patients, 54:3264
restricted verbal associations, fluent vs nonfluent adult aphasics vs brain damaged patients without aphasia vs chronic schizophrenics, 58:7624
retention interval duration & interpolated task activities & information processing, storage & retrieval losses in short term memory, 56:9186
retrieval depth & component processes, levels-of-processing interpretation of learning during retrieval, 58:6881
retroactive inhibition, encoding & retrieval processes & same-different effect, college students, 57:4928
revised pandemonium-like model of visual feature processing, hierarchical levels of feature analysis in card sorting task, adults, 57:11938
rhythmic organization of speech material, speech processing, 58:2652
role in food socialization process & cognitive mode preference & confidence in resolving food conflicts & channels of information & dimensions of food meaning, urban residents & college students, 58:1048
role of A. R. Luria's dimensions of simultaneous & successive synthesis in fixation & extinction of Uznadze haptic illusion, 10th graders, 58:6764
role of cognitive processes, estimation of size of public squares, significance for development of psychophysical urban scale, 55:3617
role of cognitive processes in audience effects, induction & reduction of anxiety, review of drive theory, 57:8180
role of letter stems, analyses of processes in identification of printed words, college students, 55:6668
role of right cerebral hemisphere following left cerebral insult resulting in aphasia, linguistic processing, 55:12571
roles of consolidation & encoding processes, spacing effects in memory, 57:2468
roles of perceptual & memory processes, laterality effect in recognition of nonverbal materials, right handed college students, 57:9415
Rorschach test, measure of self & object representations under general areas of object relations, 55:4657
RT in naming of picture in categorically related vs unrelated pairs, priming effect as measure of category knowledge & relationship to category usage, mentally retarded 7–22 yr olds, 58:3607
RT task involving verbal naming of visually presented materials, transfer of cerebral dominance from right to left hemisphere, adults, 57:4921
rule-governed behavior as psychological process, cognitive psychology, 54:4561
S & touring & environmental & map variables, cognitive transformation of information from urban geographic fields to mental maps & model of cognitive processes, research review, 57:4586
S control of item study & postcue duration in cued forgetting paradigm, development of ongoing temporal storage patterns & subsequent recall, 1st vs 4th vs 7th graders, 58:11444
sadness-arousing film viewing, activation of intrusive & repetitive thought, college students, 55:216
salient & relevant cognitive content about behavior, attitude inferences concerning religion & college course behavior, college students, 55:7166
same vs different conceptual category of target & field letter & digit items, visual search performance, college students, support for partial processing hypothesis, 57:11844
same vs different semantic category of target & context words & target set size, target presence or absence search rate, college students, 56:7181
schematic exemplars as right or wrong items, multiple item recognition learning, college students, 55:6165
schools' & teachers' stated & derived cognitive educational objectives in American history classes, 55:8036
science & anthropology & psychoanalysis views, cognitive processes, 54:2324
scientific & philosophical analysis, exploratory behavior & higher cognitive functioning, humans & animals, 54:8825
segment size & spatial position & sequence, word recognition with forced serial processing, adults, 53:2312
selection difficulty defined as display size & physical similarity between target & irrelevant items & exposure time, target location accuracy & icon formation, college students, support for U. Neisser's conception of 1st stage processing in visual search, 57:287
selective & focused attention & visual search & memory scanning tasks, analysis of primary modes of automatic vs controlled search, 57:11856
selective preparation affecting choice reaction time, nonsensitivity of temporal order judgments, students, 53:10972
self knowledge & psychological knowledge, teaching psychology from cognitive point of view, 54:12471
self report technique, order of information processing in verbal joke & cartoon appreciation, college students, 54:305
self schemata, processing information about the self, female college students, 58:7587
self-instructional strategy training, compensation for cognitive deficits in aged, 53:7131
semantic & acoustic & orthographic orienting activities to words, incidental memory & encoding, 1st vs 3rd vs 5th graders, support for extension of levels of processing theory to children's memory, 57:926
semantic & nonsemantic orienting tasks & their characteristics, release from proactive inhibition & role of item differentiation in retrieval, college students, 58:4769
semantic & perceptual factors in processing of comparative sentences, college students, 55:156
semantic & syntactic constraints, processing of natural language stimuli, adult female chronic schizophrenics vs psychiatric aides, 58:3445
semantic constraints & ambiguity resolution, 2-process decision model of language perception, 57:7848
semantic dimensions relevant & irrelevant to word meaning, recall in intentional & incidental learning tasks & analysis of predictions from cognitive space memory model, college students, 57:7467
semantic integration & inference, reconstruction of logical narrative sequences, preschoolers to 4th graders, 56:5770
semantic integration in sentence memory, analysis of instructional set vs probabilistic model explanation, 57:7447
semantic integration of sentences & prompted vs free recall conditions, retrieval methods in recall, nursery schoolers vs 1st vs 3rd graders, 57:12523
semantic judgments of word pairs to focus attention on particular semantic attributes & influence coding, usefulness of interitem relations in recall, 58:8804
semantic processing & organizational activity, free recall, recognition performance for noun lists, college students, 57:2406
semantically supported vs neutral self embedded sentences & self embedded complexity, errors in sentence recall & encoding processes, college students, 57:328
semantics & sentence voice & presentation order of sentences & pictures & interstimulus interval, processing strategies in picture-sentence verification tasks & stages in processing sequence, 55:11437
sensory & cognitive processes, reading comprehension, fast vs average readers, 55:8824
sensory & information overloads, behavioral & somatic pathology of technological societies, literature review, 53:3507
sensory & verbal coding strategies, recognition memory for tone frequency, college music students with & without absolute pitch, 53:406
sensory overload vs neutral movies vs sensory isolation, behavioral & biochemical responses, 58:11154
sentence concreteness & voice & distractor type & unrelated vs synonymous noun vs verb phrase cues, recognition memory for elements of sentences, college students, support for semantic encoding model, 57:2460
sentence pairs with vs without word cue identifying preceding word string as verb & agent, processing load as measure of case role identification & integrative sentence meaning processing, college students, 58:2672
sentence repetition in identical or paraphrased form, frequency judgment for underlying meaning, college students, 55:1827
sentence transformations & semantic relationships, ease of sentence processing using cued recall tasks, test of explanations in theory of transformation grammar vs theory of 1st-noun saliency, 55:1826
sentence voice & reversibility, encoding & comparison strategies in picture-sentence verification tasks, college students, 53:2314
sequences of numerical information varying in distributional information, use of probabilistic information in making predictions, college students, discussion of possible encoding mechanisms, 57:4936
sequential dependencies & response range, cross modality matches of duration vs loudness, college students, 55:3680
serial & within-stage independent parallel model equivalence on minimum completion time, 58:2534
serial bias control, priority effect in free-recall learning, preschoolers & 2nd & 6th graders & adults, 53:7035
serial memory scanning interpretation, multiple predictions in choice reaction time, college students, 53:6654
serial recall of words vs word recognition, memory for remembered events, college students, implications for continuous output monitoring & memory performance, 57:4976
serial reconstruction task requiring sequential processing vs recognition task, verbal vs imaginal code processing of high- vs low-image words & random shapes & photographs, 58:6822
serum immunoglobulin levels, intellectual functioning as measured by vocabulary test, 83–100 yr olds, 57:12278
set size & word types & list structure & dimension & temporal cues, selective vs tagging strategy in long term recognition memory of probe in cued set, 58:2686
set size, response time to decide whether probe is member of recently rehearsed set, female college students, discussion of multiple entry search in long term memory, 54:2345

set to integrate vs differentiate story information & evaluative distinctiveness of characterization & S's conceptual relatedness level, comprehension of social situations, college students, 57:10223
severe head injury, cognitive recovery measured by serial testing on WAIS, head-injured adults, 55:10127
severe head injury, cognitive recovery measured by WAIS performance during post-traumatic amnesia, head-injured adults, 55:10128
sex of story character & age & subject, perceptions of affective responses & intrapersonal behavior in story sequences, white lower-class 3 & 4 yr olds, 53:7090
sex role stereotypes, perceptions of performance on mathematical & mechanical & spatial & verbal tasks, college students, 56:1765
sex, spatial visualization & egocentricity & field dependence, Black vs White 18–28 yr old criminal nonaddicts vs drug-free criminal addicts vs addicts maintained on methadone, 58:9681
S-generated vs E-supplied mediators for noun paired associates & intentionality, expended processing capacity & recall accuracy during initial processing & recall, college students, 56:1797
shape & size stimulus pair combinations, RT for same/different shape judgments, college staff & students, support for dual process model, 57:7374
shared reading & counting task, late positive component of auditory evoked potential, male college students, 53:8880
shift from anticipation to memory as determinant of meaning of present events, phenomenological analysis of change of mind, 5-yr-old, 53:7029
shifting time in circadian rhythm of habitual sleep, performance on vigilance & calculation tasks & mood, male college students, 53:293
short term memory task, clustering & class inclusion ability, kindergartners vs 2nd graders, 58:9255
short term memory techniques, human performance evaluation with different types of high capacity alpha & numeric & alpha-numeric coding systems, 22–60 yr old females, 55:6160
short term tobacco abstinence, complex vs simple mental task performance, college students, interpretation based on inverted U performance-arousal relationship, 58:5018
similarity between target & irrelevant items, visual information processing, college students, 55:3711
similarity vs uniqueness of language processing mechanisms to other cognitive processing strategies, reply to M. M. Richards' critique, 57:333
Similes Test, cognitive synectics approach to measurement of metaphor & homologue, 54:10839
simple simulation programs, efficiency of coding strategies & differences in intelligence, 57:11980
simulation model of psychological epistemology & function programs explicating styles of rationalism & empiricism & metaphorism, implications for behavioral study of acquisition of knowledge, 56:3189
simultaneous & serial presentation, processing of deviant information in inference & descriptive tasks, college students, 56:5260
simultaneous & successive syntheses model of A. Luria, processes underlying cognitive abilities structure, 53:8765
simultaneous attention to 49 spatial positions, criticism of claims of R. M. Shiffrin et al concerning perceptual processing & selective attention, 57:453
simultaneous auditory & tactile stimuli, performance in perceptual tasks, college students & faculty member, 55:3581
simultaneous presentation of auditory & visual & tactile identical vs different information, RT in processing multimodal signals, 54:6708
simultaneous presentation of letter vs word vs letter/1st letter of word pairs & presentation delay & physical identity of stimuli, same/different RTs, college students, implications for levels-of-processing hypothesis, 58:4781
simultaneous processing of visual/verbal multiple stimulus dimensions, paranoid & nonparanoid schizophrenic inpatients, 57:12915
simultaneous sentence picture comparison vs later comparison of sentences with pictures, verbal vs pictorial encoding, Hebrew-speaking college students, 54:10975
simultaneous translation, interference between receptive & productive processes of speech, postgraduate students, 55:6086
simultaneous 3-channel signal detection & signal frequency, performance & criterion as function of order of report, female students, support for role of cognitive processing stages in multichannel listening tasks, 57:9477
single & multiple training strategies, grouping-conservation framework on far transfer, children, 55:9396
single & pairs of ambiguous written descriptions of emotional states, message interpretation & decision making time, 58:6839
single vs multiple presentation of lists & related vs unrelated list words, information storage & retention & retrieval in standard & extended free recall situations, college students, 57:4969
S-initiated trials in classical GSR conditioning & interstimulus interval & pseudoconditioning & hypothesis testing instructions, response magnitude & percentages with vs without probe stimulus & arousal level, 58:2885
situation structures & preferences of Ss & problem complexity & difficulty & presentation order & spatial preferences, probability assessment & search processes, 10–11 yr olds, 55:1818
situational & attitudinal & functional & experiential aspects & environmental symbolism–cognitive processes interaction, perceptions of function of public areas, public forest recreation users, 54:2315
slow vs rapid deep compression, manual dexterity & visual choice RT & number ordination, divers, 57:7305
smoked cannabis, dose effects on cognitive & motor functions, young adults, 55:6535
sober vs alcohol intoxication conditions, cognitive processes, alcoholic vs nonalcoholic male volunteers, 53:9096
social deprivation-satiation & recovery, task performance, 6 yr olds, 55:1830
social interaction, inferred characteristics of man's mind, 53:2978
socialization level & amplitude of unconditioned electrodermal response, cognitive-perceptual vs response system determinants, sociopaths vs nonsociopaths, 58:9712
sociocultural correlates, cognitive diversity, Baganda of East Africa, 54:8823
sociodramatic play vs exploration training vs free play, cognitive functioning, preschoolers, 57:5523
socioeconomic status, cognitive functioning, 3–5 yr olds, 53:9273
socioeconomic status inconsistency, cognitive/attitudinal inconsistency with respect to political attitude objects, 55:12143
Socratic effect generality, college students, implications for cognitive organization processes, 53:2315
sodium pentobarbital, state dependent learning for shock avoidance task, rats, implications for retrieval failure & memory storage hypotheses, 56:9545
solution of simple additions, identification of heuristics employed, normal ability 3rd graders vs poor ability 5th graders, 58:6284
somatic & emotional processes & self-regulation, viewpoint of cognitively oriented psychologist, 54:4616
source & acceptance of messages, persuasive effects of communication, female college students, 55:757
source credibility & ego involvement & facilitative vs nonfacilitative cognitive response expression conditions, attitude change toward discrepant communication, college students, 55:4574
source credibility, information integration, college students, implications for understanding social judgment, 56:3372
spatial & semantic transformation of written text, time needed to read vs search passage & word recognition errors & comprehension, implications for information processing model for reading & reading-like tasks, 57:9489
spatial & verbal cognitive activity, lateralization of unimanual skill, right- vs left-handed college students, 55:9115
spatial abilities & serial processing, 12–22 yr old females with Turner's syndrome, 58:5714
spatial ability, sex differences in field independence & mental arithmetic, college students, 55:797
spatial frequency processing, threshold visibility, picture recognition, 58:8711
spatial representations as indices of cognitive development & psychopathology, 54:7658
spatial single-item bar marker procedure vs single item probe, extraction of information from briefly presented arrays of letters, college students, 53:6661
specific information effect, probability estimation, college students, 55:6108
specificity of operations, sentence recognition, college students & English-French bilingual adults, 55:491
spectral analysis, sinus arrhythmia during mental loading, 54:9014
speech-motor encoding measured by digit naming speed, reading ability & memory span, dyslexic vs normal 6–12 yr old males, 58:9743
speed & information load of paced serial-choice response task, performance during paroxysms of spike wave activity & during normal EEG background activity, epileptic 15 yr old girl, 55:916
speed-accuracy tradeoff strategy in double stimulation paradigm, psychological refractory period effect & 2nd response, college students, 57:11874
speed-accuracy trade-off vs RT, information processing dynamics, 58:6842
split-span memory task & memory search, input & access to short term memory, replication & extension of Broadbent's & Sternberg's experiments, 55:3724
spontaneous shift in encoding dimensions on release from proactive inhibition task, elderly community vs rest home residents vs college students, 58:3111
stages of output processing & nature of codes in each stage, form of typing error & its latency, 54:10972
staging dimension reflecting prominence of information segments, recall from prose, implications for reading models, 58:12586
static-dynamic & simple-complex environmental attributes & cognitive processes & organizational expectations & managerial experience, individual variation in uncertainty perception, corporate division managers, 58:10699
statistical entropy & psychic activity, 58:6845
stimulus blocking & constrained free recall, storage & retrieval processes in free recall, 2nd graders, 58:2719
stimulus complexity & similarity, mental transformations & visual comparison processes in discrimination of previously learned "standard" versions of shapes from randomly perturbed distractor versions, college students & staff, 57:2356
stimulus complexity & time available for input serial processing, visual search behavior, process & reactive schizophrenics, 56:824
stimulus duration or visual noise masking interval following display of dots, dot numerosity perception, college students, 55:6051
stimulus encoding & response clustering, recall in retroactive inhibition paradigm, college students, 57:9497
stimulus encoding, transfer of stimulus differentiation in A-B–A-D paradigm, 53:2326
stimulus familiarity, alertness vs encoding components of attention in RT paradigm, 1st graders, 57:9979
stimulus integration produced by relevant pretraining & trigram pronunciability, component selection strategies & paired associate learning, 4th & 6th graders, 58:11447
stimulus material & spatial location, levels of perceptual processing, college students, application to U. Neisser's theory of preattentive mechanisms & focal attention, 56:9156
stimulus meaningfulness & serial position & structural vs semantic orienting tasks in incidental learning, recall & recognition memory, college students, implications for processing depth & encoding spread, 57:7491
stimulus position as encoding variable & interval length between stimulus offset & tone, recall of letters briefly presented tachistoscopically, adults, 58:353
stimulus presentation method, processing during encoding of semantic vs structural information in meaningful vs random condition, college students, 53:10888
stimulus presentation methods, recognition of 1 idea vs overlapping ideas sentences, college students, hypotheses concerning J. D. Bransford & J. J. Franks's linear effect, 53:4429
stimulus probability & quality, encoding processes in memory scanning tasks using alphanumeric characters & nonsense figures, college students, 57:7402
stimulus quality & relative stimulus frequency & stimulus-response compatibility, RT in number-naming task, college students, test of S. S. Sternberg's additive factor method of RT analysis, 55:6095
stimulus significance & detection & response requirements, cardiac activity & information processing, college students, 55:6097
stimulus similarity & uncertainty regarding 2nd-stimulus modality & name vs pictorial code instructions, pictorial & verbal encoding revealed by RT to name vs face only vs name & face pairs, 6 vs 7 vs 8 yr olds, 58:9287
stimulus uncertainty, RT for stimulus identification & matching with verbal & manual responses, college students, 57:4826
stimulus value & speed vs accuracy instructions, comparison vs computation response times in mental addition & subtraction tasks, 58:2665
stochastic theory of matching processes for serial & parallel models & derivation & application of parallel-serial testing paradigm, 57:9420
storage network & control processes, recognition memory, 53:355
story understanding & recall, analysis of schema application & reconstructive memory processes, 57:11958
strategies in solution of verbal arithmetic problems, 6th graders, 55:10858
strategy selection, attribute identification of unidimensional & conjunctive concepts, college students, 55:8833
strategy-contingent recoding vs modality-specific encoding, confusion & intrusion, visual & auditory recognition & recall, college students, 53:4480
stress & creativity measured by Barron's Revised Art Scale, cognitive performance using Watson-Glazer Critical Thinking Test, 55:4649
stress, rate & error scores on tests of discrimination & memory & logical thinking, college students with anxiety neurosis, 55:2471
stress-elicited epinephrine & cortisol, task performance, 53:2609
strong vs weak associates of to-be-remembered words & cue timing, retrieval cue effectiveness in cued early vs later recall, 57:7489
structural developmental theory & interactional aspects of cognitive organization, 55:4258
structural organization & processing & coding information, generative model of mathematics learning, implications for teaching mathematics, 58:11026
structural realism & coalitions & relationship of Gibsonian constructivist & Buddhist theories of perception, 54:22
structural specificity of semantic memory & experimental replication with different material & new variable, complementary relationship between H. P. Bahrick's theory of associative continuity & E. Tulving's theory of encoding specificity, 58:324
structural stimulus complexity & background masking paradigm, clarity of visual representation & processing of visual information, college students, 56:9088
structural vs semantic word categorizing in incidental learning task, recognition memory & stimulus-processing mechanisms, 8 vs 10 vs 12 yr olds, 56:9698
structure & content manipulations, memory & comprehension of prose passages & cognitive structures, college students, 58:361
structure & content variables, story comprehension & memory, process model interpretation based on encoding in hierarchical organizational framework, 58:10960
structure & experience in matching & reproduction of chess positions, strong & weak chess players, 55:6098
structure & future of cognitive social psychology & research paradigm & contributions, 58:11636
structure of artificial categories & frequency of presentation of category items, typicality effects in ease of item learning & classification speed & ratings of typicality & learning order & priming, college students, 57:2393
structure of intellect & psycholinguistic concepts, application to reading comprehensibility measurement, 54:6420
structure of interrelationships of intellectual functions, 18–35 yr olds, 54:11834
structure underlying types of set operations & relations & concepts & patterns & logical connectives, relationship to studies of concept formation & logical thinking, 53:8779
structured objects & perceiver & interaction at sensory & perceptual & cognitive levels, pattern perception, 54:6641
structure-of-intellect abilities, achievement in Mechanical Energy Sequence from Conceptually Oriented Program in Elementary Science, 6th graders, 55:1459
subjective organization of memory materials, limited capacity for processing information, students, 58:6844
subjective organizational ability & good vs poor passage organization, reading comprehension & fact recall & inference task performance, college students classified as good vs poor readers vs Ss with good vocabulary & poor comprehension, 57:11427
subjective probability distribution, direct estimation of posterior probabilities vs likelihoods & subsequent aggregation, 58:304
subliminal perception effects & encoding in average evoked response, test of H. Shevrin's hypothesis, 54:8966
subliminal perception effects & encoding in average evoked responses, criticism of M. Schwartz & M. A. Rem's study, 54:8968
subproblems & symmetries in problem structure & state space problem representation, problem solving behavioral effects, college educated adults, 57:2382
substance & functioning of memory structures in human purposive activities, 57:9506
successive & simultaneous presentation of visual & auditory signals, divided attention & order of report effects in recognition efficiency, British Navy men, discussion of input & storage models, 57:2516
summary of cognition & social behavior symposium & relationship between cognitive & social psychology & requirements for cognitive social psychology, 58:11635
survey of cognition in handicapped children, implications for educational applications, 54:7963
suspected vs documented neurological dysfunction, cognitive & academic & behavioral findings, children with mean age 8–9 yrs, 56:4310
syllabic vs ideographic symbol processing, 43-yr-old right-handed man exhibiting alexia with transient agraphia, 53:11960
symbol &/vs response repetitions, serial RT in digit classification task, 58:10936
symbolic comparisons of picture vs word pairs, semantic & perceptual processes, adults, support for linguistic coding, 58:10927
synchronization within & between serial patterns, perception & learning, 58:10860
syncretism & flexibility & exactness aspects of cognitive action, retention & creativity & Gestalt Completion Test performance & subliminal perception, 22–63 yr olds, 58:6827
syntax & hemispheric dominance, representation in propositional & operational memory, 55:204
systematic procedure for estimating human attribute requirements of occupations in cognitive & psychomotor & affective domains, 56:10817
systematic rational desensitization & rational emotive problem simulation to identify & dispute irrational cognitions, 55:2602
systems approach, hierarchical & functional organization of human informational processes, 56:135
tachistoscopic presentations of nonsense words to left vs right of fixation point, letter identification, college students, evidence for serial processing of patterns, 56:9110
tachistoscopic recognition of words & nonpronounceable trigrams & judgments about 3-letter sequences, test of unitization hypothesis of word apprehension effect, 55:3580
tactile presentation of letters varying in phonetic similarity & spatial location, recall error rates, college students, support for shape coding in short term memory, 57:7465
tactual & visual information differences, perceptual organization, blind children, 54:7957
target duration & interstimulus interval & forward vs backward masking & target-mask combination & mask duration, recognition of synthetic speech under diotic vs dichotic presentation, implications for consonant processing in natural listening setting, 58:6818
target letters embedded in words vs nonwords & S knowledge of critical display identity & position, information processing with single target vs redundancy conditions, research staff members, role of familiarity in perceptual processing, 57:7412
target set size & sameness vs differentness of probe & last rehearsed target item, letter probe identification time with vs without rehearsal, college students, implications for role of generative processes in probe encoding time, 57:11997
target sets composed of category labels vs exemplars from same vs different categories & target & probe similarity in abstraction level, RT to verify probe presence/absence in target set & retrieval of semantic & episodic information, 4th vs 8th graders vs college students, 58:3109
target word vs letter presented simultaneously vs 3 sec apart with display word in same vs different case, identification of words & letters within words, 58:8771
target-noise similarity, visual information processing, male schizophrenic & nonschizophrenic inpatients, 53:7537
task characteristics, cue combination strategies in clinical judgment, experienced high school guidance counselors, 53:6248
task characteristics, formulation of combination rules in multiple-cue probability learning performance, 57:2401
task characteristics, patterns of selections & performance characteristics on on-line computer terminal on concept attainment tasks, college students, 55:198
task component training & task solution with vs without assistance or prompting, skill assembly in solution of Wertheimer's parallelogram area problem, test of information processing model of invention, 57:7403
task demands, human information processing, 53:10890
task demands, pupillary size change during information retrieval from long term memory, 55:11661

task difficulty & high vs low frequency words, allocation of attention during visual word recognition, college students, 57:2506
task difficulty, optokinetic nystagmus eye movements during visual imagery & mental arithmetic task performance, female college students, 58:6748
task difficulty, right ear advantage for processing of linguistic stimuli in sentence recall task & verbal & nonverbal interference tasks, 57:340
task interference in hypnotic dissociation, highly hypnotizable college students, 55:1897
task-induced learning algorithm, erosion effect on nonverbatim learning, 19–36 yr old students, 57:403
taxonomic similarity of concurrent visually presented interfering list & auditorially presented learning list & orthographic & semantic processing of interfering list & category knowledge, free recall learning & retention, college students, 57:12016
taxonomic similarity of words within & between triads, buildup & release of proactive interference, application to retrieval model utilizing encoding dimensions, 57:2415
teacher-student cognitive interaction, learning, high school home economics students, 55:8163
temporal & spatial order variation, short term memory for letter sequences, 57:384
temporal & spatial structures of words & pictures, short term retention, volunteers & college students, 58:318
temporal course of perceptual closure in syntax recognition, 55:3786
temporal information processing, schizophrenics & nonpsychotic nonorganic Ss & organic patients, 55:4714
temporal precision of coding, laterality effects in retention of dichotically presented verbal auditory stimuli, 54:362
temporal properties of stimulus pattern, sequencing task performance, educable mentally retarded 9–14 yr olds in special classes, 55:3222
temporal separation of English letter & random dot arrangement pairs viewed under correlated vs uncorrelated noise conditions, same-different RT & decision errors, high school students & staff, support for visual encoding, 57:2385
temptation-inhibitng vs task-facilitating self instructional plans, time spent working & amount of completed work as measures of self control, 3–5 yr olds, implications for cognitive processes which mediate successful resistance to temptation, 56:2423
test expectancy & preliminary practice & study time, encoding for free recall vs recognition of relatively unrelated words, 57:7390
test-retest & split-half & parallel-form reliability, Visual Imagery Questionnaire vs Gordon Test of Visual Imagery Control, French-speaking 16 & 17 yr olds, 56:9003
text's descriptive style & sentence construction & presentation speed & social class background, decoding success, trade union school vs business school students, 57:11359
thematic vs nonthematic portions of sentences, accuracy of memory for linguistic information, college students, 58:354
thematized vs non-thematic concepts, speed & accuracy of verifying information in discourse, 57:2362
theoretical formulation & empirical validation, construct of creativity, college students, 55:3252
theoretical investigation, depression as extreme defense reaction to intense anxiety resulting from hypersensitivity to environment & accompanying blocked information processing, 54:9861
theories for integration of psychophysiology & cognitive psychology, 58:594
theorization & experimentation in cognitive psychology, 56:7182
theory & mathematical aspects of fuzzy sets, applications to cognitive & decision processes, book of papers from US–Japan seminar, 54:8831
theory of scientific creativity, A. Einstein's processes in discovery of theory of relativity, 54:3114
think aloud instructions, intransitive preferences & decision making strategies in gambling choice situations, college students, replication of A. Tversky's experiment, 56:7187
thought process based on structural property of opposition, Janusian thinking in diversity of types of creative processes, 58:1268
tilt & color cues, selective visual processing of letter arrays, college students, 58:214
time & duration perception & coding processes, book, 55:8735
time pressure & distraction, weighting of positive vs negative information in decision making, male college students, 53:4472
time sharing ability, performance in complex tasks comprised of perceptual & motor & cognitive tasks, men, 58:2392
time stress & stimulus-response set size, detection of involvement with suppressed information through use of forced number-guessing technique, Hebrew college students, 56:9051
timing of interresponse intervals, tandem process vs associative element chaining model, 57:9423
tracing on top of picture vs from memory, discrimination learning, 5th graders, interpretations based on processing depth & dual coding & frequency, 58:7214
trait adjective & adverb combinations, analysis of "favorability" judgments & comparison of models of psychological processing of evaluative meaning, college students, 58:7514
trait adjective descriptions of extravert & introvert characters & explicit identification of character types, operation of personality traits as conceptual prototypes using recognition memory paradigm, college students, 58:5296
transcoding between spoken & written language structures, aphasic patients, 56:6295
transfer of spatial encoding strategies to different formats requiring performance of same task, community college students, 56:3441
transformation of letters & groups of letters from visual representation to form usable by memory, 55:8852
transformational sequence vs sequence endpoints, perceptual motivation for discovery of structure, 53:4398
transition structure vs commitment in sequential subjective probability revision, male college & graduate students, 56:9154
transitions between & within sentence constituents & memory storage vs retrieval process availability of sentence paraphrases with probe latency technique, college students, 57:394
transitive inference task, representation of comparative relations, 3rd graders, 57:968
translation stages & coding processes, compression & classification cost effectiveness indexes, 58:8778
trials prior to category shift, release from proactive interference, college students, 53:4477
true & false affirmative & negative sentences & digit inclusion, encoding & comparison processes in sentence verification tasks, 58:306
true hypothesis behavior estimation from inconsistent response patterns, discussion of B. R. Williams's model, 53:4435
true hypothesis behavior estimation, probability of cue-defined choice combination in M. Levine's method of blank trial probes, 53:4470
true-false judgments vs 2-choice response procedure & interitem distance & proximity to end term, information retrieval from linguistic series, college students, 57:12059
type of problem & solution required, orientation of mental functions in problem solving, literature review, 58:287
types of incubation periods, associative process of creativity, college students, 58:1203
types of word retrieval behavior in conversation & production of intended words, aphasic adults, 57:13074
uncertainty & importance & semantics & cognitive & noncognitive personality, information acquisition behavior in decision making processes, 54:4553
uncompounded vs positively correlated compounded symbols, selective & integrated attention in serial verbal response task, college students, implications for multiple random walk model of information processing, 58:6837
underlying processes & efficiency & methodological issues, recall & recognition of list membership, 57:11960
understanding & planning & coding, model of cognitive behavior in writing code for computer programs, implications for teaching programing, 58:8579
undertraining & criterion training & overtraining on nonsense figure sets, category selection & encoding, male & female college students, 54:8858
unidimensional stimulus pairs of perceptual attributes & dimensional constancy over stimulus presentation blocks, time & central processing capacity requirements assessed by same/different matching performance, 58:10951
unilateral brain damage, processing of speech sounds, 54:12138
unimodal deficit in operational thinking, 41 yr old male with global aphasia, 54:12115
unrelated words & isolation effects & selective attention, free recall, humans, 56:5284
use of imagery as explanatory construct & propositions & form of internal representations, 58:297
use of semantic vs sign verbal coding strategies, paired associate learning, severely hearing impaired students, 56:4330
validity of object representations in dreams & projective tests, mental patients, 54:3316
validity of Rorschach Genetic Level Score, measurement of cognitive & perceptual functioning levels, 54:3137
variation of levels of processing spoken prose, immediate recall, college students, 55:8920
varied set memory task, visual information processing, 3rd grade good vs poor readers, 57:7380
varying number of times words are presented & tested, influence of internally generated events on judged frequency of externally generated events, college students, 58:4812
varying positions of rod in square frame, processing time in perception of apparent vertical, postgraduate student volunteers, implications for 2-stage serial vs parallel information processing, 57:11974
verbal ability, sensitivity to order & semantic information recall performance, 58:10977
verbal coding & short term recognition memory for figural vs spatial orientational information, brain damaged & schizophrenic inpatients, 56:769
verbal memory functioning, model & implications for neuropathology, 57:2405
verbal output, cognitive task, 12th grade girls, 55:8823
verbal reports of concept as representation of underlying concept-learning process, college students, 56:9170
verbal vs pictorial presentation mode & elaboration technique, storage vs retrieval effects in recognition memory for nouns &/or picture pairs, 2nd & 3rd graders, 56:9210
verbal vs spatial questioning & high vs low anxiety situation & face-to-face questioning, lateral eye movement direction, males, implications for trait & state approaches, 58:2587
verbal vs spatial questions, reflective eye movements, male lawyers vs artists vs college students, 53:2305
verbalization of newly acquired mathematical concepts, interference with ability to use concept, college students, 55:1416
verbal-numerical analytical tasks vs visual imagery tasks, electrodermal activity in right vs left hand, male graduate students, 55:6435
videotaped critics of Ss' persuasive speech using threatening vs supportive vs neutral modes to evaluate speech, information processing, high school speech students, 54:9642
viewing drawings of labelable objects & number of syllables in label, duration of eye fixation & implicit labeling & pronunciation readiness in perceptual processing, college students, 57:275
viewing familiar vs novel motor prototype, movement analysis proficiency, college physical education teachers vs junior high school teachers vs college students enrolled in biomechanics course, 58:8160
viewing geometric & random designs with subsequent visual vs auditory interference task, recall accuracy & encoding processes in visual short term memory, 8–10 yr old eidetic imagers vs noneidetic Ss, 57:2446
visual & auditory encoding & stimulus duration, short-term retention of visual digit sequences, 53:390
visual & auditory information processing skills, pilot training, college students, 54:4319
visual & verbal code mediation, retention of picturēs & concrete words, test of A. Paivio's dual-coding hypotheses, 54:4509
visual attention & amount of discrimination training, recall of incidental material, 10–11 yr olds, 57:7503
visual forms, spatial & temporal mnemonic integration, 58:6757
visual indicator, rate of visual search, college students, evidence for processing control, 53:219
visual information processing & burst-pause pattern of nonnutritive sucking, 2–4 day olds, 57:7970
visual information processing speed, reflective vs impulsive 8 & 10 yr olds, 57:8010
visual noise masks designed to improve or impair target identification & backward & forward masking, adequacy of erasure vs temporal integration theory, college students, 58:4711
visual perception ability, performance in understanding percepts & concepts & linguistic coding auditorially, institutionalized mentally retarded vs normal children, 58:1410
visual prototype formation with discontinuous representation of variability dimensions, framework of prototype-distance model & attribute frequency theory, 58:10949
visual scanning & sensorimotor schemata & developmental course of cognitive deficits, anorexia nervosa patients, 58:9765
visual signal detection, parallel vs sequential processing of stimulus-independent thought, 58:8768
visual vs auditory & prothetic vs methathetic task, consistency of information processing, male college students, 56:3391
visual vs auditory presentation mode & ordinal position of similarity in paired-associate list, processing of graphic & phonetic features, college students, 53:336
visual vs semantic vs acoustic distractors presented with line drawings, recognition performance as measure of attribute dominance, 1st vs 6th graders, 57:956
visual vs verbal stimulus presentation, age differences in memory organization & recognition performance for presentation mode, 1st vs 4th graders, 57:910
visually presented picture vs word stimuli, recognition & recall of word vs picture sequences, hearing impaired vs normally hearing children, significance for information processing ability, 58:1459
visual-motor tutoring, improvement of cognitive functioning, trainable mentally retarded 7–17 yr olds in public school, 55:13510
visual-oral treatment & verbal & visual recall tasks & age, memory processing of visual information, 5 vs 9 vs 13 yr olds, 55:9413
vocal-verbal encoding behaviors, scores on Test of English as Foreign Language, foreign students, 55:1810
voluntary vs involuntary control of perceptual & motor & cognitive functions, 11–13 yr old functional stutterers vs normals, 53:11909
vowel & consonant syllable pairs, application of distinctive feature analysis to RTs in auditory discrimination task, 57:7366
watching of picture with words characterized by class vs property vs no relationship to picture, choice performance as measure of semantic field, Ss with Broca's vs Wernicke's aphasia, 58:5656
whole-to-part list free recall transfer task, subjective organization, college students, 58:4833
word & nonword letter strings & presentation regularity, analysis of recognition & same-different responses within proposed processing model framework, 57:9500
word blocking according to semantic category & presentation rate, ordered recall performance, 3–5 yr olds & 1st graders & college students, support for automatic processes based on structural organization of semantic memory, 57:4974
word class, sentence processing & storage, college students, 53:4400
word components in compound stimuli of paired-associate lists & constant vs variable order word presentation, learning difficulty & stimulus selection in recall, college students, 53:2356
word frequency & meaningfulness & word associate strength, RT in paired associate recall, college students, implications for exhaustive vs self-terminating search models, 57:2456
word frequency & phonemic similarity, word avoidance task performance & phonemic coding, 57:9504
word frequency effect, 58:8762
word imagery & signability & sign language vs visual imaging coding instructions, immediate & delayed recall, deaf students with hearing vs deaf parents vs hearing students, 57:10592
word lag & delay & availability of semantic information, dual vs single encoding in recognition memory, college students, assessment of C. Winograd & S. R. Raines's view, 57:7382
word meaning & input language, acquisition & forgetting in bilingual episodic memory & information representation, bilingual college staff & students, 57:4978
word meaning relations, speed of printed word recognition & sentence comprehension, mental processes & memory structure, 57:408
word rhyming & semantic categorization & mental imaging orienting tasks, recall & recognition analysis based on attribute coding at different processing levels, 16–17 yr olds, 57:11967
word sequences following hesitations occuring within phonemic classes, relationship between number of words in utterance & word frequency of occurrence & hesitation duration as encoding features in spontaneous speech, college students, 58:5061
word syllable number & word vs pictorial representation, RT for same-different judgments, college students, support for A. Paivio's dual-coding hypothesis, 56:9168
word vs letter stimuli, recognition performance & memory code processes, 58:4800
words visually masked by own homophones vs word associates, mask delay time for accurate target report, implications for parallel perception & vocalization processes, college students, 57:11847
working memory utilization during sentence verification, short term memory features of limited storage capacity & speech-coded information use & executive capacity for information processing, college students, 57:12030
year of school enrollment, seriation & classification & conservation task performance, Montessori vs traditional nursery school 4 yr olds, 58:4284

Cognitive Style [See Also Cognitive Complexity]

abstract vs concrete conceptual functioning, information handling & application of sanctions in classroom, elementary school teachers, 55:7914
academic growth & motivation & cognitive style & social adjustment prior to assignment & 2 mos after assignment to regular classes & at end of school year, educable mentally retarded, 56:10741
acculturation, field dependence of cognitive style, 1st & 4th & 6th grade Mexican Americans & their mothers, 53:11486
adaptive regression Wild's Cognitive Shift measure, relation to hypnotic susceptibility, 56:9922
adjective clustering as measure of differentiation, cognitive structure & synonymity across domains of objects & political & personal figures & self as stimulus objects, low vs high dogmatic college students, 54:11791
admission grades & academic & learning styles transition, personality & degrees, chemistry college students, 53:4016
aesthetic preference & divergent & convergent thinking & personality, attitudes toward subject matter & instructional methods, college students, 53:1961
affective cognitive consistency, attitude-behavior relation, college students, 54:7648
age & conceptual tempo, errors in recognition of semantically vs phonetically related words, reflective vs impulsive 3rd vs 6th graders, 57:2886
age & education & intelligence, formal operations, 25–74 yr olds, 55:9421
age & educational level, scale-checking styles on Semantic Differential scale, Ss over 60 yrs & college students, 54:2787
age & sex & life experiences, conceptual style & classification, middle aged vs elderly, 53:5005
age & sex & race & socioeconomic status & self perception, cognitive or preferential styles in categorizing external stimuli, Black vs White 2nd vs 5th graders, 58:2244
age & sex, susceptibility to & effects of field dependence training, 11 & 14 & 18 yr olds, discussion of cognitive style of "illusion" interpretations, 57:957
age, changes in categorization & conceptual styles measured by object-sorting task, 5–7 & 19–21 & 60–69 & 70–79 & 80–89 yr olds, 57:7933
age, errors & latencies on Matching Familiar Figures Test & visual recognition memory & prose learning performance, 4th & 5th & 8th graders & 18–87 yr olds, 57:9967
age, levelling-sharpening principle of cognitive control, 14–32 vs 50–90 yr olds, 56:7683
age of entrance into 1st grade, cognitive style of reflection-impulsivity, 2nd & 3rd vs 6th & 7th graders, 57:5850
ambiguous & analytical instructions, ability & preference for analyzing, female college students, 55:6122
amount of curved contour & degree of contour dispersion, number of associations to random polygons & their curvilinear transformations, college students, 54:192
analytic & reflective cognitive styles, cognitive strategy of focussing in concept attainment, 3rd graders, 55:4240
analytic vs global cognitive style, self concept & expressed willingness to help others, college students, 56:2429
analytic vs nonanalytic conceptual training, reversal shift performance, 4 & 6 & 8 yr olds, 53:855
analytic/global dimension of cognitive style, effectiveness of instructional strategies varying in amount of written guidance, 8–9 yr olds, 57:4354
anxiety level & cognitive style, pursuit rotor learning under massed practice conditions, male college students, 54:8808
anxiety-free vs anxiety-provoked test conditions & impulsive vs reflective vs incisive vs withdrawn cognitive styles, intelligence & reading & arithmetic achievement & visual motor development & auditory discrimination & classroom behavior, kindergartners & 1st–4th graders, 58:4314
aptitudes & cognitive styles & personality characteristics, facilitation & differentiation of creativity, college students majoring in art vs mathematics vs music vs writing, 56:731
articulateness of field, cognitive styles, postgraduate students, 53:1192
aspects of divergent intelligence & visual stimulus complexity preferences as cognitive style & auditory acuity, prediction of artistically gifted individuals, visual & musical artists, 57:12828

attention deployment training & cognitive style, RT & error rate in reading achievement task, advantaged vs disadvantaged 3rd graders, 55:13164
attitudes toward authority & dogmatism, heads of rural households vs health science students, 56:9888
attitudes toward sexual deviance & related public policy, relationship between labeling & cognitive consistency, respondents, 55:4818
auding quotient & cognitive style & teacher assessment of pupil progress & reading level/grade level index, self concept growth, boys enrolled in remedial reading clinic, 55:8292
authoritarianism, nonrecognition of perceptual ambiguity, 55:9891
autonomy of imagery, production of original verbal images, male vs female college students, 57:5897
cartoons varying in cognitive & affective salience & incongruity &/or resolution elements & Ss' conceptual tempo, humor comprehension & appreciation, male 6 vs 8 vs 10 yr olds, 57:12505
categorizing & conceptualizing styles, college students vs older adults, 53:5012
changes in cognitive style & value orientation, college students at end of freshman year, 55:10893
child's preferred learning style, methods of teaching word recognition skills to children with severe reading disabilities, 7–8 yr olds, 56:3016
classification as impulsive vs reflective on Matching Familiar Figures Test, recognition accuracy & response bias & response latency on visual running-memory-span task, 7–8 yr olds, discussion of limits of J. Kagan's distinction, 56:3424
classification training & language ability & age, style of thinking in classification, lower class 5–7 yr olds, 55:6811
cognitive & administrative styles, patterns of conflict in role expectations, school administrators, 55:5427
cognitive & personality & demographic variables, world organizing systems measured by World Hypothesis Scale, implications for interpersonal communication, 57:5846
cognitive abilities & problem-solving dynamics, 18–28 yr olds, 53:286
cognitive complexity & person-space differentiation & assumed similarity & stereotype accuracy, peer & O ratings of socioemotional skill, T group members, 57:1614
cognitive complexity & preference evaluability, ideological constraint, adults, 54:5278
cognitive concreteness-abstractness, social competence measured by interpersonal self perception & ease in experimental situation, 58:3275
cognitive consistency & utility of Toulmin model of argument in persuasion, college students, 56:9824
cognitive control exercises in reading skills development program, reading achievement, 1st graders with reading deficiencies, 55:3210
cognitive control leveling-sharpening, learning & attention & recall & assimilation of paired associate lists, 57:4929
cognitive control principles & sex, cognitive structure, college students, 55:164
cognitive controls & defense mechanisms & interpersonal variables, personality integration development, adolescents, 55:4311
cognitive controls leveling-sharpening & field articulation, pain responsiveness & tolerance, 55:9825
cognitive domain & structural properties of cognitive systems, cognitive integration styles, college students from US & Japan & New Zealand, 53:3154
cognitive impulsivity, role-taking skills, 4th graders, 55:6698
cognitive impulsivity vs reflectivity, DRL performance, male 3rd graders, 54:3166
cognitive learning style components, achievement on computer simulation games & pre- & postgame content mastery, college students, 57:6857
cognitive level of differentiation, reading achievement, 1st graders, 55:5553
Cognitive Preference Test as measure of cognitive preferences, college students, 54:12671
cognitive preferences & GPA & American College Testing scores & sex distribution & class rank & attitudes, college students majoring in science vs mathematics vs engineering, 58:10503
cognitive processes & thought disorders & regression, schizophrenic vs manic patients vs normal 6–10 yr olds vs adults, 56:778
cognitive response styles & interpersonal competence level, behavioral response to emotional stress, college students, 56:9935
cognitive rigidity & flexibility, differential diagnosis of organic brain damage, 25–65 yr old male brain damaged schizophrenic vs depressed patients, 53:3494
cognitive sets, awareness of environmental problems & perceptual control & judged pleasantness of scene, college students, 54:2895
cognitive sets of receiving & transmitting information & task preference, RT & perceptual organization & cognitive "tuning", 54:6728
cognitive similarity of client & therapist, quality & outcome of psychotherapeutic relationship, therapist & female junior college students, 55:4976
cognitive similarity of group members, group laughter, college students, 54:11690
cognitive skills & style as measured by specialized brain hemisphere processing abilities, learning disabled vs normal male 7–12 yr olds, 57:8490
cognitive strategy variables, performance prediction on transfer task of word recognition, 2nd graders, 55:9406
cognitive structure as reflected in free word associations, Chinese 4–6 & 18–24 yr olds, 54:6738
cognitive structure of abstractness, goal characteristics & life satisfaction, males rendered paraplegic or quadriplegic due to spinal cord injuries, 58:1436
cognitive structure, perception of product quality based on intrinsic & extrinsic product attributes, consumer college students, 55:13755
cognitive style & achievement test scores, male 25–58 yr olds, 58:11397
cognitive style & affect communication, left vs right temporal lobe epileptic young adults, 58:3645
cognitive style & audiotape instruction varying in difficulty level & speech rate, criterion test performance, high school students, 58:8259
cognitive style & cognitive appraisal of stress situation, skin potential & conductance response & level & heart rate, 55:3999
cognitive style & college major, college students, implications for counseling, 56:4952
cognitive style & developmental level & type of problem, strategies used in solving problems with equiprobable solutions, reflective vs impulsive 7 & 9 & 11 yr olds, 55:6111
cognitive style & hemispheric specialization & finger dexterity & WAIS Digit Span & Digit Symbol subtest scores, males vs females vs preoperative male transsexuals, 57:12962
cognitive style & instructional methods using sequencing & manipulative materials, mathematics achievement, 6th graders, 55:7993
cognitive style & intelligence, aided reading comprehension, 1st graders, 55:10875
cognitive style & intelligence, immediate memory span for nonsense syllables after auditory &/vs visual input, 9–10 yr olds, 57:10350
cognitive style & logical deductive reasoning, Matching Familiar Figures Test, 6- & 7- & 11-yr-olds, 53:6175
cognitive style & North American values, Christian doctrine, 54:7340
cognitive style & perceptual skills, 28–56 yr old master artists vs kindergartners vs 5th graders vs 10th graders vs 27–52 yr olds, 54:8743
cognitive style & personality & demographic & academic achievement-proficiency variables, academic achievement prediction, Black & Oriental American & American Indian & Spanish surnamed & female engineering students, 57:4460
cognitive style & personality traits & perceptions of clients & professional role, graduate students in school vs clinical psychology, 57:1875
cognitive style & psychological problems & cognitive psychotherapy, hard science professionals, 57:1557
cognitive style & stimulus complexity, quantity of processed information, male 6th graders, 55:1841
cognitive style & task & organizational complexities, information processing & decision making behavior, business managers, 57:2085
cognitive style & trust, hypnotic susceptibility, female college students, 55:7201
cognitive style & visual vs nonvisual imagery, heart rate & respiration, 18–24 yr old males, 55:11671
cognitive style, advice choice in task situations, volunteers from Stanford Executive Program, 55:8535
cognitive style, analysis of EEG activity during verbal & gestalt & analytic perceptual tasks, normal Ss, implications for hemispheric differentiation, 58:7005
cognitive style as measured by verbal analogies, school learning as reflected by standardized achievement test, 5th graders, 58:2107
cognitive style, creativity, field dependent vs independent college students, 58:7594
cognitive style dimensions, reading abilities, 2nd–5th graders, 53:8332
cognitive style, emotionally disturbed internal vs external adolescents, 53:9830
cognitive style, figurative language production, 57:8305
cognitive style, holistic characterization of personality, 54:11844
cognitive style, intellectual maturity & conservation ability, 1st grade boys, 55:11986
cognitive style, learning strategies in paired associate learning, college students, 53:8788
cognitive style, male managers & technicians in 22 nonwestern developing countries, 55:6918
cognitive style, maternal childrearing practices, 3–5 yr olds, 58:9385
cognitive style, measures of achievement & ability, deaf vs hard-of-hearing adolescents, 55:4930
cognitive style, Perky effect, 20–25 yr old males, 58:5390
cognitive style, personality characteristics & vocational choice, Vietnam era veterans & comparison of schizophrenic & nonschizophrenic veterans, 55:4602
cognitive style, prediction of academic achievement from didactic film, teacher education students, 55:13080
cognitive style, prediction of learning from simulation games, 5th graders, 55:13286
cognitive style, reactions to expected vs unexpected feedback about themselves, counselor trainees, 58:11752
cognitive style, school learning, 5th graders, 53:8346
cognitive style, solution strategies for categorization in mathematics concept attainment task, 6th graders, 54:10596
cognitive style, susceptibility to alternate forms of conservation training, kindergartners, 55:4289
cognitive style vs cognitive level, field dependence–independence on Children's Embedded Figures Test, 9 & 12 yr olds, 54:5020
cognitive style, 9–11 & 13–15 yr old Mexican school children from traditional vs less traditional communities, 53:887
cognitive styles & intelligence & field independence & spatial & perceptual abilities & predictability of cognitive style in school achievement, male 10–11 yr olds, 55:6121
cognitive styles, gifted vs average intelligence 7th & 8th graders, 58:9559
cognitive styles in infancy & development in early childhood, book, 57:5547
cognitive styles, Israeli male adolescents, 53:3131
cognitive styles measured on rod-&-frame test, Anglo- & Mexican-American & black 4th graders, US, 53:5046
cognitive styles of field dependence & reflectivity-impulsivity & reading readiness interrelationship, kindergartners, 55:5587
cognitive tempo & creativity, 4–5.5 yr olds, 57:5594
cognitive tempo & memory aid, conjunctive concept attainment, male Black educable mentally retarded 9–12 yr olds, 58:8390
cognitive tempo & selective attention, reflective vs impulsive learning disabled children, 56:10138
cognitive tempo, mode of representation, emotionally disturbed & normal children, 54:9898
cognitive use of language, disadvantaged vs nondisadvantaged 6th graders, 57:12449
cognitive vs behavioral coping strategies, reappraisal of stressful social situations, male & female 7th & 8th graders, 55:7488
cognitive-affective relationships as representations of overlapping stylistic consistencies, review, 54:9734
cognitively organized network of representative persons in social environment, perceived needs of environmental persons & behavioral consequences, female high school students, 58:1164
color & form & function preference, sorting flexibility, preschoolers, 56:5789
color stimuli, performance on visual discrimination tasks varying in difficulty, impulsive vs reflective 5th graders, 57:12472
color-form responding, relation to J. Kagan et al theory of cognitive impulsivity & information processing, 54:6729
combined instances of cue trait & judgments, impression formation, college students, 53:10900
concept of "set", Georgian school of psychology, 53:2113
conceptual functioning, preferred responses to interpersonal situations, college student workers vs volunteers vs nonvolunteers for telephone help line, 57:6482
conceptual impulsivity, implications for test interpretation & establishment of norms, children, 57:9179
conceptual level, achievement & attitudes, high school students, 55:10864
conceptual structure matching in school desegregation workshop, satisfaction with outcome & bussing attitudes, parents, 53:3956
conceptual styles, suicidal psychiatric patients, 55:4810
conceptual system & situation & trait anxiety, aspiration- or goal-setting setting behavior, 55:8989
conceptual system, therapeutic communication in counselor analog, graduate student counselor trainees, 53:3815
conceptual tempo & ability to regulate tempo, teacher's rating of school performance, 1st graders, 56:10662
conceptual tempo & activity level & diagnostic category, concept learning, normal vs hyperactive 8–12 yr olds, 55:7444
conceptual tempo & cartoons varying in cognitive complexity & affectivity level, spontaneous mirth & humor comprehension & appreciation, 8 & 10 yr old males, 55:6721
conceptual tempo & problem solving strategies, hearing impaired vs normal hearing 1st & 3rd graders, 56:942
conceptual tempo & socioeconomic status, academic achievement & IQ & locus of control scores, 4th graders, 58:2085
conceptual tempo & verbal comprehension & achievement motivation, level of moral development, high school students, 58:1212
conceptual tempo dimension of impulsivity-reflectivity, teacher-student verbal interaction, students & teachers, 57:6876
conceptual tempo, verbal mediation & discrimination aquisition & shift behavior, 2nd graders, 56:1769
conceptual tempos of teachers & Ss, reading achievement, educable mentally retarded students, 57:4428
concreteness-abstractness, structural properties of cognition & conceptions of health & illness, college students, 58:1207
concurrent validity of Hill's educational cognitive style model, use o model as prototype for successful academic programs, lower clas high school graduates, 58:10343
confounding effects due to pooling latency & error scores, conceptua tempo research, 56:3185
conjunctive vs disjunctive concepts vs lists of instances vs complexity deductive problem solving, college students, 53:342
consistency of parental discipline & sex of disciplining parent durin childhood, complexity of adult affective & analytic styles, colleg students, 56:9641
construct organization & content & theological conservatism, Luthera pastors from 2 opposing groups, 57:8069
construction & reliability & validity, inventory to distinguish adminis trative & organizational problem solving modes, innovators v adaptors, England, 57:7044
construction of measures of conceptual tempo & comparison t conventional measures of reflection-impulsivity & calculation o conceptual efficiency, educable mentally handicapped vs nonhand capped children, 58:5637
contextual dependency, problem solving set & functional fixedness 55:6102
convergence of social-cognitive schemata & formal causal inferences & linguistic universals, information implied in interpersonal relation ships, 53:7328
coping & cognitive styles, psychophysiological response to stress children, 55:4002
correlates & origin of cognitive style features of analyticality & reflexivity-impulsivity, research review of J. Kagan's theory o cognitive functioning, 58:778
creative tempo or reflection/impulsivity, creative problem solving in ar school age children, 55:6705
creativity & intelligence & functional fixedness, 5th & 6th graders 58:1278
cross cultural analysis, prolonged adolescence of parents leading t assaultive & neglectful treatment of offspring & early identification o children with nurturing vs threatening adults, Apaches of Mescaler Indian Reservation, 58:942
cross cultural theoretical model, integration of ecological & cultural & behavioral dimensions of human experience, book, 57:3018
culture & acculturation, formation of cognitive style, native vs non native high school students, Canada, 58:872
degree of match between counselor-counselee cognitive & counselin styles, educational counseling outcomes, community college student & counselors, 57:11551
demographic factors, patterns of cognitive control functioning, adoles cent delinquents, 58:3551
dependence & cognitive style & verbal ability, private speech in maze & puzzle tasks & relation to social communication skill, 4–5 yr olds 58:3068
descriptive vs person pyramidal construing & cognitive integration level interpersonal prediction & construct organization of responses t Role Construct Repertory Test, college students, 58:7603
development & evaluation, curriculum designed to foster problem solving strategy, infants, 58:10323
developmental & sex differences, performance on brief Conceptual Styl Test, 1st & 3rd & 6th graders, 55:6763
developmental analysis of attentional & cognitive strategies, impulsive & reflective behavior, children, 55:11949
developmental differences, egocentrism in conceptualizing others' poin of view, 2–6 yr olds, 54:11421
developmental differences in conceptual tempo preferences, regula class vs learning disabled vs slow learning 4th vs 6th graders, 58:9721
developmental group counseling, reflectivity/impulsivity, 4th graders 56:4982
diagnosis & knowledge of patient's symptoms & anxiety & methods o coping with stress & intelligence & imagination & flexibility & style of thinking & grasp of reality & self & social perception, selecting proper therapy, clinicians, 54:10078
differential cognitive styles & modification through instruction empha sizing visual detection strategies & inhibition of impulsive responses hyperactive boys in special education vs normal Ss, 58:2190
differential vs nondifferential discrimination training, acquisition o successive visual discrimination & stimulus generalization, impulsive vs reflective male 3rd graders, 56:164
differentiation & articulation & integration of interpersonal conceptual structure, emotionally disturbed vs normal boys, 53:1391
dimensions of reading attitude, reading achievement & scholastic aptitude & classroom behavior & cognitive style, 4th–6th graders, 57:1958
dominance differentiation & level of cognitive flexibility & verbal output, interpersonal basis of consensus on emergent leadership, small discussion groups, 57:3198
ecological demands, cognitive structures, psycholinguistic profiles o kindergartners & 1st graders from isolated coastal communities, Labrador, 53:11427
educational cognitive style, learning from simulation games, 5th graders, 58:10407
educational cognitive style, selected elements of general semantics, college students, 58:1937
educational cognitive styles & career maturity & guidance counseling, sex bias in educational programs, males vs females in vocational & academic high school programs, 58:2012
educational development & reading levels & listening skills & cognitive style, Mexican American & Puerto Rican 4th & 5th graders in bilingual program, 55:8136
educational level & sex & cognitive style, persistence & perseveration & stimulus boundedness in heuristic problem solving, 18–30 yr old White Americans, 57:4932
educational science of cognitive style, prediction of group leadership within orientation program, college students, 55:5730
educational set & subsumption theories & sequencing of receptive lecture materials, learning & retention, college students, 57:4338
ego identity status, reflective vs impulsive conceptual tempo, college students, 53:1229
ethnicity & sex & urbanism, field dependence-independence, 14–15 yr olds from 6 ethnic subcultures of Trinidad, 58:7593
etiology & role of cognitive-perceptual style & treatment, anxiety phobic depersonalization syndrome, 58:9629
experienced task failure & social reinforcer type & sex, outer-directedness exhibited in problem solving tasks, 2nd grade nonretarded vs 5th & 6th grade educable mentally retarded, 57:6111
exposure time, recognition memory for pictures, evidence for feature-analytic basis of cognitive style, reflective & impulsive college students, 55:6103
factor analysis of selected dimensions of cognitive styles, significance for adapting instruction & course content to student characteristics, 57:3321
factor analytic study, social intelligence measured by Guilford & role playing ability measured by Feffer & analytical-global dimension of cognitive style measured by Witkin, college students, 55:4609
factorial analysis & cross validation, opinion justification, 55:3703
failure games with positive vs negative comments vs no games, outerdirectedness, nonretarded 2nd graders vs mentally retarded 5th & 6th graders, failure to replicate J. Turner & E. Zigler's study, 58:3591
families' social code, form & content of communication to sighted & blindfolded listeners, 6-yr-old middle-class children, 53:7082

feedback from students' description of teachers' behavior, changes in behavior & perception, 4th–6th grade teachers with concrete vs abstract conceptual systems, 57:6679
feedback of quiz results & intellectual orientation, economics achievement, college students, 56:1364
feedback on perceptual judgments, modification of differentiation level of cognitive structures, accuracy of interpersonal perceptual responses, college students, 56:2380
field dependence & A–B therapist type, dyadic communication & attraction, college students, 54:11684
field dependence & body articulation, creativity, urban 7th graders, support for relationship between analytic-global cognitive style & creativity, 58:5410
field dependence & openmindedness, creation & comprehension & appreciation of humor, college students, 57:10373
field dependence, relative speed reasoning, college students, 53:142
field dependence-independence, social perception & influences, male college students, 55:4545
field independence & wide-range thinking & flexibility to change sets & reality distance, creativity, college students, 58:9620
field independence of cognitive style, 1st vs 2nd vs 3rd generation Mexican American 2nd & 3rd graders, 56:3885
field independence vs dependence & experimentally induced success-failure expectancies, anagram problem solving performance & success expectancies, 12–13 yr old students, 56:1779
figural vs verbal stimuli & stimuli mixture & cognitive style, free-sorting of stimuli into categories, college students, 55:1820
film exploring relationship of kinesthetic conceptualizing to working & thinking & communicating & school experiences, 58:12476
following line vs color directions, analysis of line figures, 1st vs 2nd graders, 54:11420
forced delay in test administration vs standard testing & cognitive tempo & socioeconomic status, WISC subtest scores & response time, 8 yr olds, 58:10643
functional fixedness, 6 & 7 vs 9 & 10 vs 13 & 14 yr olds, educational implications, 55:2177
generality & topic specificity, cognitive styles, US vs Japanese college students, 55:12326
global-analytic style & female role orientation & fear of success, problem solving behavior, female college students, 55:8809
Goldstein-Sheerer Object-Sorting Test performance, conceptual style, creative writers vs manic & schizophrenic patients, 54:1260
Group Hidden Figures Test scores, correlation with seasonal field-goal & free throw basketball shooting efficiency, male & female varsity college athletes, 55:11362
group training program & cognitive style composition, mother-child interaction, mothers of 1–3 yr olds, implications for delivery of childhood educational services, 58:5237
habitual presence vs absence of visual imagery in relation to childhood & adult abilities & behaviors & experiences & attitudes & academic specialization, college student visualizers vs nonvisualizers, 57:12849
heuristic & algorithmic thinking, 54:10999
high level correctional education, development of prosocial attitudes & moral judgment & change toward more analytic cognitive style, penitentiary inmates, 57:6537
home background & sex & ethnic origin & school performance levels & social class, field articulation & locus of control, Anglo & black & Mexican-American 9 & 10 yr olds, 55:9515
home background & sex & ethnicity & school performance, cognitive style & conceptual tempo & preferred mode of perceptual organization & conceptual categorization, Anglo & black & Chicano 9 & 10 yr olds, 55:6814
homogeneous vs mixed set presentation of verbal vs numerical vs spatial vs musical questions, lateral eye movements, male vs female right-handed college students, 53:276
husband & wife similarity in values & role expectations & cognitive style & sibling constellation, marital adjustment, couples participating vs not participating in marital counseling, 58:7348
identification & use of educational cognitive style as vehicle for providing information to personalized biology course, 9th graders, 55:13228
implicational principle, cognition of confirmatory & contradictory & incomplete & irrelevant information, college students, implications for study of cognitive consistency, 56:131
imposed & preferred number of categories, form & interpretation of category recall, female college students, 54:2361
imposed response latency vs impulsive responding on Piagetian tasks of conservation & class inclusion, performance quality, middle & lower class 1st & 2nd graders, 56:2150
impulsive or reflective conceptual tempo, auditory perception & reading readiness & intelligence test performance, kindergarten boys & girls, 55:11970
impulsive vs reflective cognitive style, internal vs external locus of control, emotionally disturbed boys, 53:11858
impulsive vs reflective cognitive style, behavior problem differences, emotionally disturbed male 9–13 yr olds, 56:6146
impulsive vs reflective conceptual tempo, auditory-visual integration & reading readiness test performance, kindergartners, 56:9645
impulsive-reflective response style, verbal arithmetic problem solving ability & ability to estimate, 4th graders, 55:1462
impulsivity & academic achievement motivation & test anxiety & extraversion, correlation with reflection-impulsivity assessed on Matching Familiar Figures Test, 5th graders, 56:8001
impulsivity as measured by average latency on Matching Familiar Figures Test & Bender-Gestalt errors, 1st graders, implications for validity of J. Kagan's theory, 56:8077
impulsivity-reflectivity & tendency toward hostile &/or aggressive behavior, right vs left temporal lobe epileptics, 58:11970
impulsivity-reflectivity, information processing in perception & thinking, 55:2418
in-depth drawing instruction as visual perceptual training, cognitive perceptual factors, 6th graders, 55:8071
individual cognitive styles, judgment of document relevance, graduate students, significance for document retrieval systems, 58:281
individual conceptual systems, view of organizational climate & willingness to leave organization, workers, 55:8525
individual differences in cognitive style & anxiety level & extraversion-introversion, susceptibility to distraction, 55:8702
individual differences in cognitive style, hypothesis testing, 3rd graders, 57:359
individual orientation, research effectiveness, scientists in US Forest Service, 58:1907
induced subjective uncertainty & M space & cognitive style, responsiveness to conservation training based on M. Lefebvre & A. Pinard's conflict procedure, 5–8 yr old nonconservers, 58:5127
inductive & deductive sequences & cognitive styles interaction, acquisition of higher order concept in English literature, college students, 55:13341
information processing style as measured by task performance, schizophrenics with vs without family history of schizophrenia vs normals, 55:9932
inhibition as underlying process for problem solution transitions, reflective vs impulsive 6 vs 8 yr olds, 57:12479
inkblot method, assessment of intellectual functioning by measurement of language & mode of perceiving & organizing & responding to familiar & unfamiliar problems, 9–15 yr old males with IQs of 43–106, 54:11767
inner directed vs information seeking vs cue dependent task approach vs relevant vs irrelevant external cues, concept identification task performance & self perception, kindergartners through 5th graders, 57:7904
instructional designs matched to individual differences in cognitive styles, concept learning in geometry, 3rd graders, 58:12496
instructional variation in perceived similarity & student conceptual level & primacy effect, change in international understanding, 5th & 6th graders, 55:10871
instructions to observe model's situation from intellectual vs phenomenological perspective, emotional empathy, female college students, 57:8232
integrative complexity, favorability of impression, 53:5197
intellectual & motor skills & attitudes & verbal information vs cognitive strategies, framework for viewing task analysis, 53:1874
intelligence & cognitive style, leadership in group situation & self concept, 6th graders, 58:9578
intercorrelations, cognitive style constructs of reflection-impulsivity & field dependence & locus of control & fantasy predisposition, middle class 5th & 6th graders, 54:12650
internal-external locus of control, cognitive pattern toward value, 57:5894
interpersonal correlates based on teachers' ratings of classroom adjustment & peers' sociometric preferences, cognitive impulsivity, male vs female 4th graders, implications for adjustment & remediation, 57:4391
interpersonal differentiation & locus of control & cognitive style, alcoholics, 53:9864
interrelations between cognitive & personality characteristics & teacher judgments of students & academic performance, 12 yr old students, longitudinal study, 55:8237
introversion-extraversion & thinking- vs feeling-orientation & intuitive- vs sensation-orientation & anxiety level, cognitive controls, college students, 58:1204
introversion-extraversion, tolerance of cognitive inconsistency, college students, 58:1261
intuitive computer system, cognitive approach to management learning process, 55:13684
involvement in feminist movement & cognitive style & attitudes toward student activism & social class background, female college students, 58:8354
IQ & cognitive & personality rigidity, concept learning ability, college students, 53:1179
knowledge of perceived learning style, self concept & attitudes toward educational process & achievement, community college students, 56:3007
Lamaze training & anxiety level & coping style & conflict levels, mental preparation & identification with perceived authority in coping with childbirth, primiparous married women, 57:1081
language abilities & short term memory & outerdirectedness & intelligence & hypothesis testing, concept attainment skills, mentally retarded children in special classes, 58:7731
learner's cognitive style & free recall learning task presentation style, optimal learning, compulsive vs reflective children, 55:1869
learning environments with high vs moderate structure & Ss' conceptual level, integration & application of knowledge, preservice teachers, 57:6690
learning style of teacher & student, academic achievement, high school students & teachers, 55:13351
learning styles & preferences for teacher behaviors & instructional methods & ratings of teacher's & own personal adjustment & grades, ratings of teachers, students, 57:8964
leveling-sharpening ability & high & low interest level product categories, recall of product comparison differences, consumers, 55:13747
leveling-sharpening, diagnostic group & symptoms, psychiatric patients, 58:1320
locus of control & cognitive style & imagery value, prediction of free recall memory, inner city 5th grade boys, 55:6132
locus of control & cognitive style & knowledge of severity of illness, prediction of S coping response to treatment & hospitalization, chronically ill 4–11 yr olds with fatal vs nonfatal prognosis, 57:6161
locus of control & cognitive style & self esteem & defensiveness & success vs failure feedback, causal attribution for success or failure, 58:11732
locus of control & flexible thinking & demographics, risk taking, black vs Puerto Rican male vs female disadvantaged 11 yr olds, 55:3814
locus of control & impulsivity-reflectivity &-questions interspersed before vs after each paragraph, learning from text, elementary & junior high school students, 57:11428
locus of control & vicarious reinforcement vs vicarious nonreinforcement, outerdirectedness & imitation, 1st graders, 57:8029
Machiavellianism & external locus of control & cognitive style, college students, 58:1253
Matching Familiar Figures Test, measurement of reflection-impulsivity, rebuttal to J. Kagan & S. B. Messer's criticism, 54:1100
Matching Familiar Figures Test, measurement of reflection-impulsivity, criticism of paper of J. Block et al, 54:1125
matching of S's cognitive style to cognitive style of instructional mode, anxiety reduction, community college students in science course, 57:11401
matching to sample & differentiation training methods, perceptual learning, impulsive 5–6 yr olds, 53:839
mathematical theory of cognitive consistency, test of implications of hypotheses that cognitive inconsistency creates anxiety, 57:2166
maturity level & cognitive style, ability to correctly identify pictorial stimulus materials of varying information levels & color, 2nd vs 6th graders, 57:7976
memory support, concept attainment, reflective & impulsive white 4th graders, 55:6775
mental age vs IQ, index of developmental variance of impulsivity–reflectivity, preschoolers, 54:2731
methodological development for cross cultural study of subjective social identity, 58:7618
MMPI Size Estimation test & rod-&-frame test performance, paranoids vs paranoid schizophrenics, 56:4208
model of cognitive style, individual decision making process, MBA students, 55:13689
modification of conceptual tempo, test behavior, educable mentally retarded boys, 55:8314
mother-child nonverbal behavior & cognitive abilities & style & departure situation, children's responses to brief separations from mother, middle vs lower class mothers with male vs female 2 yr olds, 57:3123
multidimensional & individualized analysis, indices of cognitive functioning & socio-political ideology, college students, Sweden, 57:8130
multidimensional scaling of cognitive control principle-equivalence range, 6th graders, implications for reading comprehension, 57:9073
multitrait-multimethod analysis, relationship between measures of conceptual tempo & intellectual functioning, male 3rd graders, 56:7196
multivariate analysis of cognitive style elements, mathematics achievement & aptitude, community college students, 55:13295
noncontingent warmth from adult & impulsivity-reflectivity, imitative donation & rescue effort behavior, male 1st graders, 56:7987
normative & developmental data, cognitive styles & differentiation, 4.5–10.5 yr olds, Italy, 53:7039
open mindedness, indiscriminate antireligious orientation, adolescents attending Catholic parochial & Sunday schools & their parents, 54:7344
outer-directedness level during object assembly & IQ changes over 6 mo, preschoolers, 57:7915
own vs provided constructs, cognitive complexity & differentiation scores on Kelly's Role Construct Repertory Test, education students, 53:11733
parental acceptance & Ss' self concept & perception of parental acceptance, cognitive style, kindergartners, 57:5454
parental influence, cognitive style, 11–15 yr olds, 56:7663
participation in substance abuse rehabilitation program, self actualizing characteristics in cognitive style & attitudes toward illegal substances, high school students, 56:2702
passive vs active personality profiles & differences in inclusive behavior, 21–64 yr old psychiatric clinic outpatients, 58:5496
patterns of cognitive function & communication, offspring ego development & field dependence, families of 6th graders, significance of parental experience disorder in offspring thought disorder, 58:994
perceptions of desirable vs undesirable consequences, attitude & attitude change toward proposals, college students, implications for persuasive communication, 54:9598
perceptual cognitive styles & personality & demographic variables, community college students who changed vs remained in major area of study chosen at time of college entrance, 55:10920
perceptual mode & conceptual style & speech code as interrelated components of cognitive style, college students, 58:11720
perceptual salience, cognitive style, 1st & 3rd graders, 56:7702
"perceptual" vs "thinking" strategies, 3-term series problem solving, college students, 54:4584
performance on Matching Familiar Figures & Hidden Figures Test, adult males, 55:7188
performance on perceptual & conceptual tasks & validation of Kagan's construct of conceptual tempo, reflective vs impulsive 2nd vs 5th graders, 58:9290
performance on picture vs word search tasks, cognitive traits, college students, 55:11430
personality & cognitive structure, humor appreciation, college students, 55:11829
personality characteristics & social position & cognitive style & educational conditions, creative functions, male vs female 3rd & 4th graders, 57:3298
personality correlates, semantic habits, deaf male vs female college students, 58:11945
personality, experience & tolerance & resolution of cognitive inconsistency, 55:8846
personality integration, cognitive control behavior in field dependence & ambiguity & flexibility tasks, 57:5869
personality traits & attitudes toward hypnosis & cooperation & characteristics of everyday imaginal activities, responses to auditory & visual hallucination suggestions during hypnosis, college students, 57:7534
personality traits, college students rated high vs low for creativity & elaboration, 56:8033
personality traits, syllabus-free vs syllabus-bound 6th formers, 54:1124
personality variables & associative vs relational responding, manifest anxiety & repressiveness & social desirability & problem solving attitudes & ego functioning & time estimation & delay of gratification, 5th & 6th graders, 57:5597
physiognomic responsiveness, primary process thinking & creativity, art vs accounting students, 57:8312
preliminary validation of Counselor R Scale, measurement of degree of counselor restrictive-nonrestrictive cognitive orientation, counselor trainees, 55:11317
preschool Head Start experience, reflectivity-impulsivity, disadvantaged kindergartners, 53:12365
presence vs absence of neurotic symptomatology, relationship between discrimination of emotion & perceptual-cognitive style, Ss, 55:9997
problem solving strategies in hypothesis testing as shown by eye movements, cognitively impulsive vs reflective 8–10 yr olds, 55:8856
problem solving styles & intellectual structure, English- vs Afrikaans-speaking research scientists, 54:4590
procedure of contrastive classification, perceptual set induction, 4 & 5 yr olds, India vs US, 58:7176
psychoanalytically oriented theory of creativity & creative process & cognitive style & state, 57:3382
psychopathy, weak automatization cognitive style as measured by restructuring & automatization task performances, incarcerated psychopaths vs nonpsychopaths, 55:12499
racial attitudes & level of conceptual functioning & candidate evaluations, voting behavior, White college students in varying geographical areas, 57:10152
random vs blocked presentation of categorizable word list with vs without instructions, clustering & free & cued recall, 4th & 5th graders identified as fast/inaccurate vs slow/accurate responders, 58:2712
ratings of classroom behavior of reflective & impulsive 2nd grade males & females, 2nd grade teachers, 54:12503
recognition memory, reflective & impulsive black preschoolers, 53:830
reflection & impulsivity, conceptual strategy, 7–8 yr olds, 53:852
reflection-impulsivity & anxiety & fear of failure, emotionally disturbed vs normal children, 57:1359
reflection-impulsivity & field dependence-independence & locus of control, interrelationships of measures of fantasy predisposition to cognitive style constructs, 5th & 6th graders, 58:1254
reflection-impulsivity & locus of conflict, emotionally disturbed 7–14 yr olds, 54:3332
reflection-impulsivity & locus of control, persistence behavior, emotionally disturbed children, 55:838
reflection-impulsivity & sex, facial affect measurement of pleasure associated with cognitive mastery, 3rd–4th graders, 57:7872
reflection-impulsivity, convergent vs divergent problem solving, 3rd & 4th graders, 56:9672
reflection-impulsivity, field dependence-independence & internal external control, black 1st & 3rd graders, 54:2738
reflection-impulsivity, literature review, 58:1257
reflection-impulsivity on Matching Familiar Figures test, visual search strategies, Japanese 3rd graders, 54:11840
reflection-impulsivity, reliability of Matching Familiar Figures Test, emotionally disturbed children, 53:11857
reflective vs impulsive conceptual style as correlates, cognitive & psychomotor & affective domains, 4–5 yr olds, 58:9227
reflective vs impulsive conceptual tempos & reading achievement level, language abilities & disabilities, rural 3rd graders, 57:5515
reflective-impulsive response style, intelligence scores & ability to inhibit motor activity & performance on Raven's Coloured Progressive Matrices & responsiveness to cognitive demand, male 2nd graders, 55:11883
reflectivity & impulsiveness & perceptual salience & age, performance differences on matching tasks varying in salient dimensions, 1st vs 3rd vs 5th graders, 57:7887
reflectivity training vs extended reading activities vs both, reading test performance, 2nd–4th graders, 55:10859
reflectivity-impulsivity & field dependence vs independence & spatial orientation & density arrangements of stimuli, discrimination of letterlike symbols, 1st graders, 55:6124
reflectivity-impulsivity of cognitive tempo, children, implications for classroom behavior modification in special education, 56:4902

reinforcement conditions, discrimination learning task, impulsive vs reflective male 1st graders, 53:819
reinforcement value in mixed & unmixed lists, recall for liked vs disliked words, underachieving vs overachieving female college students, 58:10424
relational & analytic cognitive styles, learning environment & life-style preference, graduate students, 56:6957
relationship between developmentally determined personality & associated thought styles & tachistoscopic exposure time, resolution of passive-aggressive conflicts, 58:1252
relationship between mother-child cognitive tempos & use of mothers in child modification training, cognitive tempo changes, impulsive 1st graders, 58:9942
relationships between personality traits & cognitive style, college freshmen, 57:10375
relevance of cognitive strategy, pain threshold with arm immersed in ice water, student nurses with high vs low pain thresholds, 55:6015
relevant self verbalization of instructions, resistance to temptation behavior, impulsive & reflective children, 58:7154
reliability & administration & scoring & normative data & construct validity, Physiognomic Cue Test as measure of cognitive control, book, 54:10841
response accuracy & tempo, problem solving & academic achievement, 7 & 9 & 11 yr olds, 57:9493
revised WISC & subtest scores, reflective vs impulsive 8–11 yr olds, 58:7551
rigidity tendency, discrimination learning, mildly retarded, 55:898
role in food socialization process & cognitive mode preference & confidence in resolving food conflicts & channels of information & dimensions of food meaning, urban residents & college students, 58:1048
rotation of pictures into unfamiliar orientation & general vs specific category names, individual differences in perceptual processing in matching words-to-pictures task, college students, 56:3381
rule-orientation & sex, originality & elaboration, college students, 53:1214
school environment & teachers' curricular bias & curriculum & subject matter, cognitive preference style, students, 55:10950
self disclosure, cognitive complexity & differentiation & level of motivational explanation & degree of differentiation & level of organization in impressions of model from advanced class, beginning speech students, 54:7437
self-involvement & anticipation of interaction, F. Heider's theory of cognitive balance with triads, soldiers, 53:7293
semantic differential ratings, suicidal behavior & emotional state & cognitive style, suicide attempters vs threateners vs psychiatric patients, 56:8196
sensory-motor training, conceptual tempo, 1st graders, implications for school programs, 57:1927
serum uric acid & intellect & personality, college students, 55:6416
severity of alcoholism, cognitive style & intellectual performance, hospitalized alcoholics, 53:9834
sex & achievement & major field of study & career expectations, cognitive style preference in science, college freshmen, Canada vs Israel, 58:12699
sex & age & IQ & personality differences, cognitive styles, preschoolers & schoolchildren, literature review, 54:11429
sex & age & reflection-impulsivity, self regulatory behavior, 38–64 mo olds, 58:7296
sex & age & socioeconomic status & conceptual tempo & play settings, choice & use of toys, Montessori preschoolers, 55:5527
sex & school environment & curriculum & teacher attitude toward inquiry-oriented curriculum, cognitive preference & biology achievement, high school students, Israel, 57:1970
sex difference in social norms, perceptual sensitivity & cognitive style, self image & cognition of outer world, neurotics, 55:7329
sex differences & culture & task variables, cognitive consistency, Greek vs American high school students, 53:7411
sex differences, Primary Mental Abilities Test Spatial Relations subtest & California Psychological Inventory & H. Witkin's rod-&-frame test, 9th graders, 53:5345
sex differences, spatial problem solving styles, college students, 53:8768
sex differences, stability of reflectivity-impulsivity, 5 yr olds, 56:5808
sex, originality & personality & response style, college students, 58:1237
sex role attitudes & cognitive rigidity & tolerance for ambiguity & authoritarianism, attitudes toward homosexuals, college students & faculty, 53:9332
sex-typing & parental distance & cognitive style, college students & their parents, developmental implications, 58:9214
short term stability, error & latency scores of reflection-impulsivity on Matching Familiar Figures Test, college students, 58:1206
sibling structure & older sibling's aid, conceptual style during sorting task, younger 2–4 yr old siblings, 53:4969
single cue vs compound cue problem with conditioned vs color rule & global vs analytical cognitive style, concept learning, female high school students, 54:6753
size estimation & perceptual recognition tasks, attentional & information processing styles & heart rate, acute paranoid vs nonparanoid schizophrenics, 58:11824
social class & IQ & cognitive style & control & affect, mother-preschooler interactions recorded on videotape, middle vs working class mothers & 3 yr old sons, 55:2270
social cognitive structures, book, 53:6588
social intelligence abilities & cognitive style, differential diagnosis, paranoid vs nonparanoid schizophrenics vs nonschizophrenics, 56:8128
social perception processes, normal vs learning disabled 7–12 yr olds, 57:8488
social vs cognitive interaction strategies, motivation to achieve, kindergarten students, 55:5560
sociocultural factors & age, mode of categorization & recall, 6–12 yr olds & adolescents & adults, West Africa, 53:6673
socioeconomic status & intelligence, primacy vs recency effect in serial recall, inner city disadvantaged vs suburban children, replication & extension of A. Jensen's work, 58:338
sociometrically selected peer models, cognitive styles, impulsive 4th & 6th graders, 53:917
spatial & communicative egocentrism, children vs adults vs aged, 53:11420
specialization in arts & science & subject interest & occupational interests & attainment & syllabus-boundness, convergence–divergence, college students, 53:9648
speed & flexibility, figural & verbal & semantic & grammatical cognitive closure, US Naval Aviation Cadets, 53:10877
speed vs accuracy on Matching Familiar Figures-like problems, measurement of cognitive style, 4th graders, 58:6651
spontaneous cognitive sets, pictorial discrimination learning, kindergartners to 6th graders, support for J. S. Bruner's view of cognitive development, 55:4252
spontaneous use of rehearsal & quantitative strategies during memory task performance & quantitative problem solving, Zambian 7–10 yr old school vs 5–10 yr old non-school children, 55:6764
statistical characteristics of Matching Familiar Figures Test, methodological problems in reflection-impulsivity research, 56:7027
statistical methods, determination of individual differences in strategies in probability learning tasks, high school students, 58:10989
stimulation-seeking motive, conceptual category breadth, college students, 53:314
stimulus characteristics & racial attitude & cognitive differentiation, attribution of racial & occupational stereotypes, white college students, 54:11698
stimulus contiguity & redundancy & irrelevant information, geometric figures comparison performance & analysis of processing strategies in card sorting task, 2nd–8th graders, 58:5169
strategy training &/vs verbal self instruction, Matching Familiar Figures & sorting task errors & response times, impulsive 1st & 2nd graders & educable mentally retarded special education students, 56:10739
stress & cognitive style & trait anxiety, computer simulation game-produced state anxiety, 8th & 9th graders, 53:7510
stress, cognitive appraisal pattern differences & heart-rate self-rating, male nonparanoid process vs paranoid reactive schizophrenics, 53:3349
stress conditions with instructions emphasizing more accuracy of performance, modifiability of reflectivity-impulsivity, female college students, 54:11846
structure & encoding & storage processes, memory, 53:397
structure & integrative complexity & locus of control & religious orientation & impulsivity-reflecting correlates, 11th graders, 57:12844
student & teacher conceptual tempo, student attention in classroom, 3rd–5th graders, 55:13387
students' educational cognitive style mapping as feedback, classroom behavior, teachers, 58:12639
style of client description presentation & S's conceptual tempo, social acceptance of emotionally ill client & assimilation of factual information, college students, 57:1217
suicide intent, dichotomy of evaluations & depression, suicide threateners vs attempters vs psychiatric patients, 58:7721
susceptibility to hypnosis & difficulty of hypnotic task, modification of response as it indexes cognitive flexibility in hypnotic S, college students, 54:11831
symbolic vs perceptive response & perceptive vs abstract response, attitude dualities, 4–6 yr olds vs adolescents, 53:11394
syncretism & flexibility & exactness aspects of cognitive action, retention & creativity & Gestalt Completion Test performance & subliminal perception, 22–63 yr olds, 58:6827
systematic desensitization vs cognitive modification, high test anxiety, high emotionality & high worry college students, 57:1657
systematic desensitization vs instruction in test taking & constricted vs nonconstricted learning style, test anxiety reduction, college students, 57:10882
task complexity & instructions, ability to regulate conceptual tempo as predictor of school success, kindergartners, implications for early detection of learning problems, 57:6809
task complexity & use of strategy instructions & partial reinforcement, concept attainment task performance, hyperactive boys vs boys with impulsive vs reflective conceptual tempos, 57:6143
task complexity levels & sets of instructions, ability to modify conceptual tempo, educationally high risk kindergartners, 55:13460
task difficulty & anxiety levels & cognitive style & reflectiveness vs impulsiveness, speeded task performance, 4th graders, 55:550
teacher-student cognitive style similarity, ratings of videotaped learning performance & intelligence & predicted school performance & overall preference, student teachers, 57:11285
teaching methods emphasizing mathematical structural properties & reflective intelligence, mathematics learning, 8th graders, 55:10768
theoretical transfer hypothesis, learning-to-learn & Einstellung & partial reinforcement extinction effect & reversal–nonreversal shift effects, 53:331
therapist's cognitive style, inference process with clinical material, clinical psychology graduate students, 58:7849
training & set size, judgments of number vs length, 3–5 yr olds, 55:522
training experiments for cognitive impulse approach vs reflectivity, children, 54:7229
training in brainstorming & convergent thinking tasks, conceptual tempo, impulsive vs reflective 3rd graders, 58:2064
training in feature scanning, long & short term effects on cognitive tempo, 4th graders, 56:2840
tutoring, modification of associative response style, 5th & 7th graders, 57:4349
understanding & learning strategies & cognitive styles & transfer effects, analysis of dialogue & behavior used in learning tasks, students, 57:1966
validity & reliability & longitudinal sensitivity & nosological & prognostic discriminations, Colour-Form Preference Test, evaluation of arousal-related cognitive disturbance & cognitive style in terms of early maturation stages, 18–47 yr old schizophrenics, 56:802
validity & reliability of Educational Cognitive Style Inventory, 5th & 6th graders with impaired decoding vs comprehension vs reading skills, application for use in planning teaching strategies, 58:2220
verbal instruction variations & cognitive style, facilitation of concept problem solving performance & quality of hypotheses utilized, 18–23 yr olds, 57:9499
verbal mediation vs nonmediation in optional shift discrimination task & relationship to performance on paired associates & category-clustering & intermediate size transposition tasks, examination of Kendler model of optional shift behavior, 55:8804
verbal vs figured modes of programed instruction & sex & cognitive factors, mathematics achievement & retention, 9th graders, 56:2940
verbal vs spatial questions, reflective eye movements, male lawyers vs artists vs college students, 53:2305
visual discrimination exercises with vs without extended verbal reinforcement by teacher, modification of conceptual impulsivity, educable retardates in primary-level classes, 53:1969
visual discrimination training, reading readiness test performance, impulsive 1st grade males, 56:6737
visual discrimination training, relationship of reading readiness skills to reflection-impulsivity, male 1st graders, implications for classroom evaluative & instructional procedure, 58:2062
visual disembedding, uninjured vs injured but not disabled vs injured & disabled college football players, 56:7147
visual information processing speed, reflective vs impulsive 8 & 10 yr olds, 57:8010
visual-motor scanning & verbal monitoring strategies in training, fostering reflective problem solving style, cognitively impulsive children, 58:8290
warm-up & fatigue effects, joke ratings, conceptually concrete vs abstract male college students, 54:1131
written & visual surveys, congruency of Aristotelian & Newtonian cognitive models of physical world with perceptual assessments, college students, 57:181

Cohabitation
attitudes toward & incidence of cohabitation, college students, 54:2903
attitudes toward current sexual relationships & historical & current sexual behavior patterns, cohabiting college couples, 57:8135
automatic interaction detector, socioeconomic status background measures & sexual permissiveness, college students, 58:11596
conditions for development of personal identity & stability in marriage relationship, married & unmarried young adults, 57:3078
contract cohabitation vs marriage, book, 53:7261
demographic & religious characteristics, attitudes toward & actual cohabitation, male vs female college students, 58:3247
development of Dyadic Adjustment Scale, assessment of quality of marriage & other dyads, White married & divorced Ss, 57:122
MMPI profiles, cohabitating college students, 56:4093
perceptions of cohabitation, married couples vs heterosexual vs gay male vs lesbian cohabitants, 58:11616
personal & family characteristics, cohabiting & noncohabiting college students, 55:12163
sex & behaviors involved & social context, attributional conflict, married & dating & cohabitating couples, 58:1175
sociocultural & personality characteristics, cohabiting vs legally married males vs females, 55:12059
territoriality & privacy, married vs unmarried cohabiting couples, 55:6968

Cohesion (Group) [See Group Cohesion]

Coitus [See Sexual Intercourse (Human)]

Coitus (Animal) [See Animal Mating Behavior]

Cold Effects
cold bath to forearm, maximum handgrip strength, female college students, implications for rehabilitation, 58:8720
cold pressor stimulation, cutaneous vasomotor responses, college students, 53:483
cold stress, delayed increase of adrenal tyrosine hydroxylase & phenylethanolamine-N-methyltransferase activities, male mice, 55:2012
cold stress-induced changes, uptake distribution of radio-labelled magnesium in brain areas & pituitary gland, male rats, 53:11360
cold water, cognitive efficiency, divers, 55:8805
cold water immersion under hyperbaric conditions, motor & cognitive performance, 27–42 yr old US Navy divers, 56:6941
cold-induced anesthesia before & after aversive conditioning training task, selective avoidance behavior & memory phases, Drosophila, 57:518
cold-induced vasodilatation onset, manual dexterity capabilities during whole-body cold exposure, male US Army volunteers, 53:10860
cool air reinforcement, operant GSR conditioning, male college students, 55:6166
cooling preoptic area, airlicking, thirsty female rats, 55:11681
cooling vs warming of preoptic & anterior hypothalamic region, behavioral thermoregulation & vasomotor tone & core temperature, male monkeys, 57:12324
cortical hypothermia, functional interconnections of visual cortical areas, male cats, 58:9038
dextroamphetamine, hyperthermia induced by tail's exposure to cold temperature & thermal sensory role of tail, male rats, 53:11244
early cold stress, emotionality, mice, 55:9007
ECS vs carbon monoxide narcosis vs nitrogen narcosis vs cooling after learning, retrograde amnesia, honeybees, 57:633
environmental cold, feeding & food-motivated behavior & gastric clearance of food, female rats, 56:5519
exposure to cold & heat & noise stressors before or during skin wound healing, healing progress, mice, 58:2901
hypothalamic temperature & injections of norepinephrine into preoptic region & anterior hypothalamus, rate of behaviorally obtaining radiant heat & body temperature, cold-exposed male monkeys, 58:11182
"in vivo" emotive imagery training, tolerance for coldness, male vs female college students, therapeutic significance, 56:10318
initial level of vasomotor tonus, cutaneous blood volume response to 1-min cold immersion of extremity, 20–30 yr old males, 54:11123
interval between acquisition in Skinner box & minimum temperature, deep hypothermia, male mice, 53:4595
intra- vs interregional differences, activity & defecation & climbing latency & jumping in open field & temperature preference & cold & heat stress & nest-building, offspring of wild mice, 53:513
intracisternal administration of hypothalamic peptide neurotensin, hypothermia & intolerance to cold, male mice, 57:709
ipsilateral & contralateral counterirritation, experimentally produced itch, female college students, 54:10870
local cooling in region of globus pallidus, performance of learned flexion-extension elbow movements without visual information, monkeys, 58:2912
localized cooling in centromedian area of thalamus, recovery of cortical responses, cats, 57:12326
LSD & psilocybin & mescaline & amphetamine & cold water swimming stress, metabolism of norepinephrine in brain, rats, 56:448
mobile apparatus for rapid cooling of caged animal, applications for studies of physiological & behavioral thermoregulation, 56:8962
norepinephrine & hypothalamic thermosensitivity, obtaining radiant heat in cold environment & body temperatures, male monkeys, 57:7802
parameter of ambient & cold stress & signal duration & strain differences, ultrasonic recording for mean peak frequency & duration & signals rate, 53:667
preoptic/anterior hypothalamic lesions, recovery from thermoregulatory cold-defense deficits, rats, 58:11217
propranolol & dextropropranolol & practolol, cold- & isolation-induced hyperactivity & raised urinary excretion of methoxy-4-hydroxyphenylglycol, male rats, 56:7540
rate & level of lowered finger surface temperature, manual performance, Army enlisted men, 53:10863
recovery rate from deep body cooling by rewarming, retrograde amnesia & retention on passive avoidance trial, male rats, 56:5587
relaxation & stress levels using cold pressor test & hypnotic induction, with analgesia instructions, heart rate changes, high school & college students & highly hypnotizable Ss, 53:8909
sex & cold stress, ultrasonic signaling & vocalization & maternal behavior, 1–7 vs 8–14 vs 15–21 day old rat pups & mothers, 57:5103
social stress situations & cold chamber, renal & adrenal response, adult students, 54:11110
stocking rates before vs after shearing in winter, grazing time & organic matter intake, sheep, 56:7347
subcutaneous fat, cold exposure responses, Hawaiian-born Japanese vs Caucasians, 55:9158
torsion swing & ice-cold caloric irrigation, nystagmus response, small vs average vs large birthweight infants, 53:8980

Colitis [See Also Ulcerative Colitis]
alternating mechanisms of incorporation & projective identification & alternation of hemorrhagic symptoms, 4.5 mo old female & her mother with rectocolitis, 58:5664
behavioral coping strategy to counter stress events, colitis, 22 yr old female, 55:1059
mercurous chloride laxatives, dementia & erethism & colitis & renal failure & cerebellar granular cell loss, 56 yr old man & 63 yr old woman, 54:1449

Coll Ent Exam Bd Scholastic Apt Test
analysis of error types, selection of minority college students using Scholastic Aptitude Test, Blacks & Mexican Americans, 57:9169
College Entrance Examination Board Scholastic Aptitude Test scores, mathematics achievement prediction, college freshmen, 54:6390
comparison of scores on College Entrance Examination Board's English Composition Test & final examinations in rhetoric, prediction of college English composition course grade, college students, 56:8775
consistency of high school GPA & Scholastic Aptitude Test verbal & mathematical sections, prediction of college performance, 8-yr study, 57:7221
decline in predictive validity of Scholastic Aptitude Test & high school achievement, prediction of college freshmen grades, 57:7198
father absence in early vs middle childhood vs adolescence & reason for absence & presence of surrogate father & sex, ego identity &

femininity & intimacy & isolation & Scholastic Aptitude Test performance, college students, 58:3340
high school GPA & Scholastic Aptitude Test scores & ethnic group membership & major field, prediction of college GPA, Black vs Chicano vs Oriental vs White college students, implications for culture fair selection, 57:13989
high school GPA & verbal & mathematical scales of Scholastic Aptitude Test, prediction of college GPA, Mexican American vs Anglo American college students, 57:6964
high school grades & college entrance examination scores, college performance, junior & senior college students, implications for developing admissions & counseling criteria, 58:2269
long term predictive validity of Scholastic Aptitude Test, prediction of college achievement for entire attendance period, college students, 55:8398
performance mode & differences in achievement on Scholastic Aptitude Test verbal vs math sections, males, implications for determination of intellectual operations involved in processing verbal & math codes, 58:6405
predictive validity & correlations with chemistry grades, verbal &/vs mathematics section of Scholastic Aptitude Test, college freshmen, 54:12656
predictive validity, American College Testing Program vs Scholastic Aptitude Test, college vs US Air Force Academy students, 55:5710
selected school characteristics, validity of high school grades & Scholastic Aptitude & Achievement Test scores as predictors of academic success, college freshmen, 57:11558
validity of Scholastic Aptitude Test scores & high school GPA, prediction of freshman course grades & overall college GPA, college freshmen, 54:12622

Collaboration [See Cooperation]

Collective Behavior [See Also Riots]
altered responsibility & cognitive set & aggressive modeling, physical aggression & internal deindividuation, male college students, support of P. G. Zimbardo's deindividuation theory, 53:11566
alternative models of individual contributions for collective goods supply, 55:585
analysis of & prevention, individual vs collective child abuse, 55:4795
antimobbing group, treatment of mobbing in schools & education course for prospective teachers, students, 54:4120
application of psychoanalytic ideology & technology to large groups, review, 55:2317
behavior analysis techniques, analysis of sports spectator behavior, 58:1045
clarification of conceptual definition, hysteria & hysterical group reactions, 57:10447
collective bargaining, advocacy of university faculty unionization & alliance with national labor movement, 54:12499
collective behavior & open social system model of J. S. Mill & pluralistic society, 55:4335
collective behavior & professional colleagueship & negotiation, community mental health center, 56:6922
collective behavior & social policy propositions for war on poverty, 54:5113
collective behavior, bibliography, book, 56:5847
collective behavior, book, 54:11657
collective defenses of repression & denial, violence, Tarahumara Indians of northern Mexico, 54:2836
collective dissociation interpretation, group resistance to treatment innovations, institutionalized chronic patients & custodial & nursing staff, 58:3999
creative process, production of significant behavior change, intensive small groups, 55:9742
crowd size & initial discrepancy from unanimity, contagion in crowds, male high school students, 56:7942
decision making participation & trust & rank & salary & administrative position & academic specialization, attitudes toward collective faculty bargaining at Cornell, full-time faculty, 57:8975
decontamination technique, involvement of multiple ego states of problems turned into social issues, 55:799
Delphi Technique, variability & central tendency of group factual & value judgment, industrial education faculty & undergraduates & recent graduates & school administrators & employers of graduates, 55:3461
design & guidelines & situational applications, collective creativity workshop, book, 53:9477
determinants of intraorganizational conflict in collective bargaining in public sector, 54:12747
economic panic, investigation of "run" on Hindmarsh Building Society, Australia, support for N. J. Smelser's theory, 57:5631
friendship groups in collective behavior, persons celebrating football victory, 58:9466
group membership, feelings of anonymity & facilitation of group antisocial behavior, college students, 58:1107
group norms concerning cooperation, group cohesion & reaction to conflict between individual & collective interests, Ss in Prisoner's Dilemma-like situations, 57:5781
group production of psychical phenomenon through collective will, 56:1578
group provision of step goods analyzed as binary choice game, 56:3973
group size & member ability, social decision schemes on intellective task, college students, 54:1002
group size & stimulus ambiguity, conformity, female college students, 55:7085
group success in goal-oriented pursuit, personal commitment in game simulations, 53:11593
human figures drawing, expressions of cooperation & group values & attitudes, 11–12 yr old Australian vs Canadian vs English vs New Zealander vs US children, 55:7092
hypotheses of individual preferences & collective choice, 58:7473
informal organization, 53:1072
interaction opportunity, task-oriented small groups, 55:7067
intrasystemic regressions in body image & regressions of superego system, outbreak of crowd violence, 57:1033
methodological issues & recent approaches, collective behavior, book, 53:1034
morality, responsiveness to perceived needs of dissatisfied group, 55:591
new approaches to conceptualizing & studying collective behavior, literature review, 58:11667
origins in 19th century France, crowd theory, book, 54:8662
post threat situation, group perspective formation & strategies of identity, residents of small summer cottage housing area, 55:4584
precipitating factors, group glee & laughter during lessons & teacher's reactions, nursery school students, 57:1991
projection theory of Freud, psychological definition of charisma & examination of followers of Judaic prophets & Jesus & Hitler, 55:12055
range of behavior & attitude alternative & group size variation & probability of particular behavior & attitude occurrence, group conformity influence, housewives, 55:7082
reinforcement schedules, group responding, female rats, 53:2742
reinforcement/feedback procedures, affective verbalizations in experimental or therapeutic groups, 17–45 yr old college students, 53:8776
self-determination of personality within a group & concepts of conformity & stable personality & collectivism, 54:5328
soccer as dramatization of sexual & aggressive collective unconscious impulses & provision of catharsis, players & spectators, 58:5321
social categorization & collective interaction, preparing for & implementing intergroup negotiation, 56:6002
social dilemmas & their simulation & paradoxes of collective behavior, social decision making, 54:9539
social structuring & restructuring in groups of perceptions & evaluations & action possibilities & decision procedures & likely interaction patterns, achieving cooperation in groups & higher levels of social systems, 53:5160
sociological assessment, attitudes & combat behavior, American combat soldier in Vietnam, 56:557
Soviet social psychological theory development, groups & collectives & member personality, 57:11727
stimulus–response interactional model, process of eruption of violent acts, 53:11592
style of deviance, antipornography campaigns & community response, development of Durkheimian formulation of collective behavior, 54:5130
themes in popular cinema, index of mass fantasy, France, 1919–1929, 53:11666
theory of individual apolitical striving vs unified political efforts, leadership for nonwhite opposition movement, South African blacks, 54:2835
togetherness & conformity & herd-mindedness as social behavior forms acting as surrogate for individual, social pathology, 53:1459
understanding conflict & war, the conflict helix, sociocultural dimensions of individuals acting in & as part of groups, book, 57:8214
variables affecting crowd behavior at basketball games, implications for improving crowd behavior, 58:1108

College Academic Achievement
ability/achievement & interests & personality, selection & persistence in technical academics, female college students, 55:10898
academic & interpersonal & intrapersonal dimensions, utilization of pass-fail grading system option, college students, 55:8243
academic & nonacademic college success, success as officer 6 & 10 yrs after graduation, US Military Academy graduates, 58:2350
academic & personal characteristics, prediction of changes in physical science courses designed for nonscience majors, college students, 55:1439
academic & personal–emotional problems & external environmental pressures, student attribution in 1st 5 yrs, college dropouts, 53:4036
academic & personality variables, college attrition during 1st 2 yrs, college students, 55:8275
academic achievement & activities following graduation & university experience satisfaction & institutional origin & employment & volunteer experience & academic major & graduate school attendance intentions, vocational indecision, college graduates, implications for vocational counseling, 56:6788
academic achievement & grade level & sex & family size & nativity of father, task persistence, college students, 55:10845
academic achievement & locus of control, interpersonal trust at completion of freshman year, specially admitted disadvantaged college students vs regularly admitted students, 53:6184
academic achievement & potential for success, welfare mothers attending urban community college, 58:4320
academic achievement & psychological needs, college student marihuana users vs nonusers, 53:7254
academic achievement & sex & academic aptitude, anxiety, mathematics vs non-mathematics majors, 55:8247
academic achievement at each class level, hearing impaired vs nonhearing-impaired college & graduate students, 56:6766
academic achievement level & vocational orientation, motivational profiles, community college students, 58:6294
academic achievement variables before & after onset of marihuana usage, college student light vs heavy users vs nonusers, 55:4455
academic anxiety as measure of adjustment to academic work, academic achievement, college students, 56:2953
academic functioning & cooperativeness selection criteria & human resource development training, effectiveness within residence hall environment, college student resident hall assistants employed at university, 57:6710
academic major & interdisciplinary course attendance, evaluation of learning using Word Association Test performance, college students, 58:12764
academic performance, attention & short-term memory, college students, 53:8816
academic performance, need for & use of & orientation to counseling & health services, college students, 57:8835
academic performance, students spending 2 yrs at community college vs 4 yrs at University of Northern Colorado, 56:4810
academic performance, Vietnam veteran & nonveteran college students, 54:1911
academic risk level & life changes & locus of control & need for achievement, academic achievement, college students, 58:10433
academic vs nonacademic factors, academic success prediction, black students in predominantly white university, 55:10860
achievement & femininity factors, prediction of career commitment, female college seniors, 56:3061
achievement & personality characteristics, prediction of observed behavior in reading practicum course, college elementary education majors, 56:2797
achievement pretesting with vs without branching over instructional module sections, completion rate for module & retention, college students, 58:2049
actuarial vs admissions committee prediction accuracy, academic achievement in 6-yr BA-MD program, 58:1867
addition of Robinson-Hall Reading Tests & Wescott problem solving test to conventional GPA & Medical College Admission Test, accuracy in prediction of academic problems, medical school students, 58:1900
adjunct questions vs review statements, learning from & retention of audiovisual materials, college students in nursing, 55:3088
administration & political problems in implementation, college credit granted on basis of achievement of competencies, 54:6294
admission testing vs open door policy at Utah Technical College, academic success, college students, 56:6852
admissions tools scores, performance in major sequence areas as measured by grades, social work graduate students, 55:1213
affective vs associative meaningfulness learning styles & academic standing, memory for liked vs disliked materials, male vs female Chicano vs Anglo college students, 58:8306
age & enrolled university & pre-university preparation, achievement levels in psychology & statistics, graduate students in master's programs, 53:8331
age & school adjustment & parental education & motivation & childhood & home & social factors, academic achievement, college students who failed university examination, India, 56:10684
age & sex & credits & grade point average & fields of interest & occupational use of major & occupational choice reasons & graduate work intentions & graduate program acceptance, college students majoring in psychology, 53:3927
age & sex & race & marital status & level of certification sought & size of home community & parents' education & mother's work background & GPA, relationship between self concept & management aspirations, prospective teachers, 56:2997
age & socioeconomic status & school size & aptitude & achievement, development of economic understanding & attitudes on economic issues, freshmen vs sophomore community college students, 57:13785
all-freshmen vs freshmen & upperclassmen living environment, emotional maturity & problem perception & academic achievement, female college students, 55:13386
all-or-none vs proportionate grading systems, motivation & attitudes & academic performance, college students, 53:1993
American College Testing Program scores, prediction of achievement & attrition, disadvantaged vs regular college freshmen, 55:11034
American College Testing Program Examination vs Opinion Attitude & Interest Survey scores vs high school average, academic achievement prediction, black male vs female college freshmen, 55:13532
anticipated success-failure & confidence & test importance, classroom examination cheating behavior, college students, 58:6310
anxiety & academic ability, academic achievement, college freshmen women, 55:5588
appraisal interview style & goal setting & differential feedback, satisfaction & motivation & test performance, college students, 58:12359
assertive training & leadership role & experience & sex & class standing & paraprofessional vs professional trainers & assertiveness level, self concept & self expression, college student leaders, 57:6976
athletics vs other extracurricular activities, role in educational attainment process, male vs female high school sophomores, longitudinal study, 57:11424
attendance at predominantly white vs black college, perceived sources of academic difficulties, black college students, 56:8745
attendance at state-related vs state-owned vs private colleges & universities, characteristics of Ss preparing to be high school social studies teachers, college students, 58:12393
attitudes toward academic grade inflation & standards erosion & student achievement levels & cognitive learning emphasis & relationship to innovative program implementations, community college instructors, 57:8986
attitudes toward assessment & study behaviors & frequent vs infrequent quizzes, final examination scores, college students, 57:1962
attitudinal & situational & mental health correlates, academic achievement, college students, 54:10563
audio-tutorial vs conventional teaching methods, student characteristics & performance, college biology students, 56:6731
background & academic performance variables, participation in tutorial vs traditional classroom formats, graduate students, 54:12544
background aspects, academic achievement, students at teachers college, 56:2832
background characteristics & academic performance & interest trends in primary care specialties, medical students selecting family medicine vs other specialties, 58:8119
background variables & self conceptions & values & nonacademic achievements & curricular patterns & admissions test scores & grades, prediction of 1st yr graduate & professional school grades, 55:13523
background variables used to select foreign students, prediction of GPA vs on-the-job effectiveness, Honduran educators who studied in US, 54:6386
behavioral rehearsal of campus & classroom social skills, academic achievement, high risk college freshmen in summer remedial education program, 57:1940
behavioral self control procedures, additions to treatment for study behavior & study skills advice, exam scores, college students, 54:12659
behavioral self control procedures, study behavior & academic achievement, college students, 57:13836
belief in just world, allocation of grades with information concerning Ss' aptitude & home environment, college students, 54:7544
biographical & personality characteristics & academic achievement & preferences, specialty preference & success, medical technologists, 57:6558
biographical characteristics & academic achievement & interests & occupational value, evaluation of undergraduate psychology curriculum, graduates of BA program in psychology, 58:12686
biographical information & prior knowledge of US culture & higher education & happiness & adjustment & success & attitudes toward US people & self & other Iranian students, Iranian students at US university, 57:6895
birth order & age of emigration, later college acceptance, brothers who separated upon emigrating from Morocco to Israel or France vs Rumanian immigrants in Israel, replication of M. Martan's study, 57:4277
birth order & social class, college attendance, 53:8340
Black studies participation, self concept & academic performance, Black college students on White campuses, 58:12481
Black- vs White-oriented lessons, attitude change & aesthetic taste & cognitive learning in art appreciation, students in predominantly Black southern college, 58:12488
brief psychiatric counseling, academic performance, college students with high risk for academic failure, 55:12628
California Psychological Inventory & Personal Orientation Inventory & GPA & age & sex differences & semester hrs completed, student assistant effectiveness in residence halls, college students, 55:12974
career & personal group counseling & high school achievement, retention rates & self actualization, college students without academic major, 57:6982
Challenge Program to provide opportunities to pursue higher education, college entry & success & self image & attitude toward education & degree of community participation, Mexican American college students, 56:2860
changes in cognitive & affective dimensions, student teachers & teacher graduates, 55:10712
class & age & sex & marital status & GPA & living accomodations & working hours, self concept, students attending Seventh Day Adventist vs public supported colleges, 57:9118
class & sex & GPA, attitudes toward academic majors of marketing & management & accounting & finance, business students, 55:13443
clinical counseling, academic achievement, college students, 53:4111
cloze procedure in reading instruction, business concept achievement & reading skills, junior college business students, 55:1386
cognitive & affective & demographic & school-related variables, prediction of academic achievement, Black vs White vs Mexican American vs Oriental community college students, 57:6836
cognitive & affective & demographic variables, individual differences in & prediction of academic achievement & time spent in completion of self paced individualized course, college students, 58:10412
cognitive behavioral objectives, achievement & attitudinal development in music appreciation course, college non-music majors, 55:13358
cognitive dissonance & achievement, prediction of attrition, college students in teacher certification program, 55:8197
cognitive learning style components, achievement on computer simulation games & pre- & postgame content mastery, college students, 57:6857
cognitive organizer format & position in relation to instructional presentation, learning achievement, college students in biology class, 55:8115
cognitive preferences & GPA & American College Testing scores & sex distribution & class rank & attitudes, college students majoring in science vs mathematics vs engineering, 58:10503
cognitive style & personality & demographic & academic achievement-proficiency variables, academic achievement prediction, Black & Oriental American & American Indian & Spanish surnamed & female engineering students, 57:4460

collaborative counseling, patterns of enrollment & curriculum choice & achievement, community college students, 56:4942
college & class & GPA & sex, perception of social status careers & occupational egocentrism & occupational awareness, college students, 57:11606
college academic & personal achievement improvement, self-help manual, book, 53:1937
college academic achievement & subsequent career success, graduates of West Point, 58:4433
college choice decision making process from rational-irrational model framework, college attendance patterns & relationship to demographic characteristics & academic achievement, high school seniors, 2-yr followup, 57:11502
college credit by examination, number of credit hours & graduation date & GPA, college students, 55:1435
College Criteria Questionnaire, behaviorally anchored scales describing student performance & correlations with admissions variables & GPA, most vs least successful college students, 57:4774
college entrance with vs without high school vocational agriculture-business experience, academic achievement in agriculture, college freshmen, 56:8720
college level compensatory program, aspiration & motivation & academic achievement, black disadvantaged college students, 55:5663
college reading program, reading comprehension & test-taking strategies & GPA, male vs female transfer vs 1st-yr college students scoring below 550 on verbal achievement test, 58:12720
college reading programs, grade point average, research review, 53:8312
college satisfaction & psychosocial orientation & academic achievement, male vs female part-time evening college students, 58:12571
college-level course placement, limitations of expectancy data, 58:6409
comparison of methods for smoothing expectancy tables, actual vs predicted GPA, records of entering college freshmen, 58:206
comparison of scores on College Entrance Examination Board's English Composition Test & final examinations in rhetoric, prediction of college English composition course grade, college students, 56:8775
compensatory curriculum, academic achievement, high risk college students, 56:6817
competency based teacher education vs traditional education program & attitudes toward cheating & self actualization & achievement & scholastic aptitude & sex & age & academic classification, cheating behavior, college students, 55:13453
completion of program & GPA & Graduate Record Examination scores & teacher's rating, teacher education students who repeated vs did not repeat examinations, 56:6684
comprehensive achievement monitoring, academic achievement, college students in teacher preparation program, 57:11394
computer assisted feedback, performance in televised course, college students, 58:10376
Computer Assisted Study Management System, individual study of instructional materials, college students, 54:12517
computer-assisted testing system, examination performance, medical students, 56:8584
concept & training procedures, college-based student-operated program for self modification of academic behavior, trainer's manual, 57:11407
consistency of high school GPA & Scholastic Aptitude Test verbal & mathematical sections, prediction of college performance, 8-yr study, 57:7221
consistent occupational preferences defined by congruent & incongruent & undecided college major choices, academic adjustment, male vs female college students, 56:4885
content specific vs general abilities test, prediction of final grades in introductory psychology course, college students, 53:8420
contingency avoidance in programed student achievement procedure, academic achievement, college students, 54:4100
contingency managed instruction vs independent study vs lecture-discussion method of teaching child psychology course, test performance & child management efficiency & study time & attendance & course attitudes, college students, 57:11312
contingent vs no vs noncontingent credit on weekly quizzes, mean quiz performance, college students, 56:2937
contract grading, academic achievement & attitudes & time devoted to course outside of class, college students, 55:3067
conventional methods vs independent study, teacher-made test performance, college students, 53:10450
cooperative work experience program, attitudes & persistence & performance, community college students, 55:3005
correlation between instructor's & student's self concept, final course grade, community college students, 58:6317
counseling & instruction & mentoring, academic & personal & adjustment difficulties, low achieving disadvantaged college students, 58:4443
counseling, academic performance, rejected freshman applicants vs those accepted with low scores on American College Testing Program Examination, significance for accuracy of admissions standards, 57:13978
counseling in study strategy & immediate feedback & motivational approaches, examination performance, open enrollment college students, 54:8515
counselor activities & counseling problems, change in counseling attitude & academic performance, college student clients, 55:3288
counselor as developmental instructor, personal growth & subject matter mastery, college students, 54:8385
counselor race & S sex & academic level, perceptions & expectations of counselors, Black college students in predominantly White university, 58:12746
course interest & grade expectations, evaluation of course teacher, college students, 58:6309
creative ability & achievements, probationary vs average vs distinguished vs undecided college students, 58:10478
creative potential, academic achievement & specialty choice, medical students, 56:6594
creative thinking ability, academic achievement, junior college students, 58:10413
creativity test scores & freshmen English grades, black college students, 55:1441
cross cultural differences, academic success in primary school associated with extraversion & in university associated with introversion, Black & White adolescents & college students brought up in Western vs non-Western cultures, 57:4369
cross-validated comparison of linear & nonlinear models, prediction of graduate admissions committee decisions, applicants to graduate industrial relations program, 57:4821
culture shock, academic achievement, American college students in Israel, 57:11432
cumulative GPA & preservice practical experience & presence of handicapped relative in family & sibling rank & sex & marital status, observed classroom performance, student teachers, 56:2819
data on task completion time, performance in media course, college students, 53:12480
day of the week & morning vs afternoon class meeting times, attendance & grades, college students, 58:8308
decentralized basic science program, academic achievement, medical students, 56:6585
decision making processes, disadvantaged college students, application of Holland's theory of vocational behavior, 55:8140
declared vs undeclared major & orientation class, academic achievement & changes in college major, female college students, 55:8346
decline in predictive validity of Scholastic Aptitude Test & high school achievement, prediction of college freshmen grades, 57:7198
democratic-authoritarian family climate & parental education & income, academic achievement, college students, Pakistan, 57:11411
demographic & academic & health & psychological factors, collegiate persistence vs nonpersistence, vocationally undecided male college students, 56:1445
demographic & academic variables, perceptions of college environment, Chicano vs Anglo college students, 57:4389
demographic & nonscholastic & scholastic factors, academic failure, college freshmen, Saudi Arabia, 55:13272
demographic & personality characteristics, academic success, minority group students attending university community & technical college, 56:10688
demographic & social & academic characteristics, prediction of disciplinary group membership, male disciplinary college students, 54:3974
demographic & vocational & psychiatric & outcome variables, college & postcollege performance, Ss with psychiatric history who were clients of state rehabilitation agency, 58:3473
demographic characteristics & admission record & personal questionnaire & counselor interview data, differentiation of accepted & rejected student classifications & prediction of GPA, college applicants, 57:11439
demographic characteristics & sources of college financing & academic achievement & education-employment status & attitudes & values, occupational & speech & physical therapist students, 55:7827
descriptive profile of academic & demographic characteristics & counseling aid vs academic aid vs no treatment, grades & reading scores & attrition, low income college freshmen, 56:1416
development & evaluation of empirical scales of personality items, adjustment of ability-based predictions of college achievement, male engineering students, 55:11045
Differential Aptitude Test reasoning scales & Davis Reading Test scores & attitudes toward psychology & self ratings of abilities & course grade, prediction of performance in psychological research course, college students, 57:7214
differing criteria for unit exam mastery, test performance, college students, 56:1414
direct & indirect effects of personality & subculture identification & scholastic aptitude, GPAs, college students, 56:10669
eating patterns, graduation GPA, female junior college students, 57:6815
educational aptitude & exam preparation time, achievement on 1st-yr exams, college students, 58:12633
educational attainment process, Black vs White males in 2nd yr of college, comparison with 1969 study, 58:8314
educational set & subsumption theories & sequencing of receptive lecture materials, learning & retention, college students, 57:4338
ego development level, differences in personality traits & coping mechanisms & interests & academic achievement & school adjustment, freshman medical students, 57:4251
elementary music methods classes using teaching techniques of contingency-managed instruction &/vs lecture discussion vs independent study, course attitudes & achievement & teaching skill performance, college students, 58:2048
empirical keying approach, academic prediction with Guilford-Zimmerman Temperament Survey, college students, 58:12748
empirical method, estimation of validity of course prerequisites, 53:4114
enrollment in 1 yr psychology course, participation in active sports vs personality & attitude & social class & sex & previous school involvement in sports & academic achievement, college students, 55:10913
enrollment patterns & academic achievement, nontraditionally aged community college students, 58:12583
entry qualifications & social class, academic performance & graduation failure vs success, college students in engineering vs physical sciences vs languages, 53:10493
environmental correlates, radical change in academic performance, college students, 58:4309
essay vs multiple choice response modes to lecture material, performance reflecting knowledge & comprehension & application & analysis, college students, 57:6810
esteem construct generality using global & specific & task-specific measures, academic performance, college students, 55:13612
ethnic & socioeconomic background & past academic achievement & sex & job experience & career preference & high school diploma type & attitudes & personality traits, academic success, college students enrolled in SEEK program, 55:8133
ethnography techniques & correlational quantitative analysis, clique membership & relationship to academic achievement & school attitudes, Black & White college students, 58:4328
examination instrument K 121, evaluation of achievement of engineering students, 57:6961
expectancy statements, academic performance, high vs low ability college students, 54:10605
expectation about course & related test content & test anxiety, anxiety & academic achievement, college students, 55:13325
expectations about ability to achieve, attitudes & academic achievement, minority community college students selected for special experimental admission & remedial program, 58:6144
expected vs obtained grades, teacher evaluation & attribution of performance, college students, 55:8270
exposure to cognitive & aggressive humor stimuli & GPA, self disclosure & creativity, college student, 57:5866
exposure to noninformational cues, examination performance in English & mathematics & biology, college students, 55:11019
extent & variety of feelings of alienation, scholastic achievement & personality, male vs female Black college students, 57:9115
extraversion & neuroticism measured by Eysenck Personality Inventory, academic achievement & attrition, 1st-yr college students in architecture & planning, 58:12597
facilitative vs nonfacilitative teacher behavior, student attitude & art achievement, college teachers & students, 57:13883
factor structure stability & relationship to college grades, Satisfaction Questionnaire scales, junior college students, 57:2029
factors in graduate student performance in chemistry & English & psychology departments, 58:8320
factual vs applied oral presentations, expressed opinion toward statistics & achievement, college students, 55:8014
faculty advisors vs centralized advising center advisors & interest in counseling, academic achievement & attitudes toward advisor & advisor activity differences, freshman college students with declared vs undeclared majors, 57:11570
failure &/vs success in the 1st half &/vs 2nd half of concept formation task, attribution of ability, Os, 54:7504
feedback of quiz results & intellectual orientation, economics achievement, college students, 56:1364
field dependence-independence & self instructional program with vs without feedback & sex, performance achievement, college students, 56:2954
field independence & impulsiveness & type of previous high school education, academic achievement, college students, 57:11419
field independence & study habits & attitudes, academic performance, Black & White freshmen in predominantly White university, 57:6842
filmed modeling problem solving training, problem solving ability & improvement in grades, college freshmen provisional students, 58:8264
final exam exemptions criterion, academic performance, college students in behavior course, 53:3968
final examination failure, "graduation phobia," Japanese college students, 54:1290
financial assistance & counseling, educational progress, minority students in urban public university, 57:14010
formal program of attitude change toward instructional activity, achievement & improvement in attitude, college students, application of cognitive dissonance theory, 58:10375
frequency of regular tests on psychology textbook material, final test performance, college students, 53:8404
Glasser peer group counseling, academic performance & self satisfaction & esteem & personal worth & social interaction, low achieving female college freshmen, 55:11031
goal value attributed to academic achievement & evaluative attitudes to grades, relationship between locus of control & grades, college students, 55:13279
GPA & achievement test scores & personality traits, success in student teaching, student teachers, 57:11288
GPA & athletic participation & presence vs absence of girl friend's picture, display of Playboy pictures, male college dormitory residents, 54:2955
GPA & expected grade & course difficulty & course required vs not required & course in vs not in major field, analysis of variance of Course Evaluation Instrument in assessing instructor & course effectiveness, graduate & college students, 55:3728
GPA & Graduate Record Examination scores & rate of degree completion, students' perceptions of courses & teacher effectiveness & teachers' perceptions of courses & students, doctoral students taking classes on- vs off-campus, 58:10198
GPA & socioeconomic status & sex & level of extracurricular activity & academic major & home residence, perceptions of urban educational institutional environment, college students, 55:5631
GPA & supervisor & principal & other professional ratings, prediction of teacher performance appraisals, beginning school teachers, 56:10564
GPA in required & elective college prenursing courses & rank in high school graduating class, prediction of achievement in nursing school, junior & senior nursing majors, 54:12645
GPA vs departmental examination results vs Service of Admission to College & University test battery scores, predictors of university GPA, Canadian 12th graders, 54:4162
grade contingency & test score & behavioral inventory information feedback, achievement in peer teaching, college students, 57:13724
Graduate Record Examinations Aptitude Test Verbal & Quantitative scores & undergraduate GPA, predictive validity in educational psychology master's degree program, graduate students, 55:13526
group & individual "hands-on" use of videocassette prelaboratory instruction, mastery of chemistry lab objectives, college students, 55:5502
group approach emphasizing student development, academic performance & psychosocial adjustment, high-risk college freshmen, 55:8351
group desensitization vs negative practice, test anxiety & subsequent grade obtainment, college students, 56:8413
group discussion participation as supplement to audio-tutorial presentation of college biology & cognitive & personality characteristics, academic performance, college students, 55:13103
group goal setting training, success & attitudes toward success in college, disadvantaged college students, 58:10537
group systematic desensitization vs group counseling, test anxiety & academic achievement, college students, 56:8381
group treatments, academic performance, college underachievers & bright failing underachievers, 53:6250
groups of individuals & pairs & trios, cognitive & psychomotor achievement in electronics laboratory stations, college students, 55:1455
high school & college academic achievement & aptitude, severely disabled vs nonseverely disabled vs handicapped college students sponsored by Vocational Rehabilitation Service vs nonhandicapped college students, 58:4297
high school & college grade averages & prerequisite course grade & self prediction of academic achievement, correlation with actual performance, college students, 56:2942
high school achievement, performance in associate degree program in business & office education, students, 55:1463
high school GPA & Scholastic Aptitude Test scores & ethnic group membership & major field, prediction of college GPA, Black vs Chicano vs Oriental vs White college students, implications for culture fair selection, 57:13989
high school GPA & sex & change in major field frequency & socioeconomic status, college GPA, Pahlavi college students, 54:8404
high school GPA & verbal & mathematical scales of Scholastic Aptitude Test, prediction of college GPA, Mexican American vs Anglo American college students, 57:6964
high school grades & college entrance examination scores, college performance, junior & senior college students, implications for developing admissions & counseling criteria, 58:2269
high school grades & intelligence & efficiency reports, college achievement prediction, college freshmen, longitudinal study, Germany, 57:6825
high school percentile rank & School & College Ability Test scores & 1st semester grade point average, disadvantaged black college students admitted to special education opportunities program, 53:1962
high school psychology course, achievement in college-level course, college freshmen, 55:3019
high school scores, differential predictability of college performance, male vs female college students, 53:4090
high vs low academic achievement & correlation with nonacademic traits, college students, 57:11437
high vs low intensity penalty in programed instructor-paced psychology course, test performance & course attitudes, college students, 57:4321
human development program with group discussion, writing performance, college students, 55:5504
human potential counseling vs group guidance, achievement & academic behaviors, high risk junior college students, 58:10621
human potential seminar, self concept & academic achievement & social adjustment, community college students, 55:3307
humor vs no humor during lecture & level of anxiety & intelligence, subsequent retention test performance, college students, 56:10692
immediate positive reinforcement, course examination achievement, college students, 57:9068
immediate vs delayed feedback, delayed retention effect in multiple choice test performance, college students, test of interference/perseveration hypothesis, 58:4307
incongruency of vocational self perception, GPA & change in academic major & dropouts & counseling initiation, male 1st-yr engineering students, 58:4130
increased personal relevance, attendance & participation & academic performance, college students, 56:8751
indices of instructional productivity, teachers in open enrollment colleges, 54:12513
individual differences in orienting response magnitude of skin resistance, correlation to cumulative GPAs, college students, 54:6920

individual vs group counseling techniques vs study aids materials, academic performance & personality factors, male vs female reverse-transfer community college students, 57:14005
individual vs group self control counseling vs traditional counseling, academic behaviors, college students, 57:11586
individual vs small group learning with computer assisted instruction, cognitive criterion test performance & attitudes & length of study time, college students, 57:9041
individualized progress vs traditional method of teaching intermediate typewriting, achievement & attitudes, college students, 55:13186
individualized self paced learning programs & Ss' interests & aptitudes & motivation, attitudes & achievement & learning efficiency in introductory physics, college students, 56:10634
individualized vs conventional instruction & general & mathematical ability & introversion-extraversion & neuroticism, chemistry achievement, college students, 56:8721
inductive vs deductive teacher- vs student-centered instruction, cognitive gain & satisfaction in engineering design seminar, college students, 57:1952
instructional objectives & learner personality, achievement in audio-tutorial instruction, college students, 55:1368
instructions to use mnemonic system vs no instructions & spontaneous use of mnemonics, recall of nouns & GPA, college students, 56:147
integrated vs isolated living environments & race, academic achievement & college life satisfaction & personality change & change in racial perceptions, black vs white college students, 56:10712
intellective & nonintellective characteristics from domains of academic background & attitude toward profession & aptitude, prediction of success in professional preparation program, college students in dietetics program, 57:9176
intellective & nonintellective predictors, predicting multiple criteria of college success, liberal arts freshmen, 55:13299
intellective & nonintellective variables, student attrition, regular vs open enrollment community college persisters vs dropouts, 55:13373
intellective & personality variables, prediction of college withdrawal, college freshmen, 58:10449
intellectual ability, EPPS performance as predictor of academic achievement, college students, 57:9181
intelligence & achievement & personality test scores & grades, prediction of graduate studies success, graduate students, 57:6835
intelligence & anxiety, academic performance, college students, 58:10425
interactive causal influence of trait anxiety & state anxiety, academic achievement, graduate students, 57:9067
interdisciplinary approaches, promotion of critical thinking skills & academic achievement & self actualization & attitudes, college students, 57:6760
interest patterns on SVIB, normative data & relationship to persistence in university curriculum, male college students, 57:8958
internal external locus of control, study habits & attitudes & academic performance, college students, 53:6190
internal-external control, achievement when using programed learning materials, college students, 55:13357
internal-external locus of control & overt vs covert responses to questions during study, achievement in programed instruction medical course, associate degree nursing students, 58:8131
internal-external locus of control, academic choice behavior & anxiety, college students, 57:4266
internal-external locus of control, attribution of own & others' classroom test performance, college students, 55:4618
interrater reliability, condensation of education achievements into profiles, US Air Force officer candidates, implications for computing educational suitability indexes, 56:6903
Interrupted Education Withdrawal Questionnaire, self report of problems encountered during university experience, students withdrawing from college, 55:5633
Jewish identification, academic achievement, college students, 55:1434
judgers' vs perceivers' personality type & classroom structure, performance in study skills course & course satisfaction & GPA, college students, 58:12625
knowledge of perceived learning style, self concept & attitudes toward educational process & achievement, community college students, 56:3007
knowledge of quiz results & achievement & affiliation motivation & test anxiety, persistence & performance & satisfaction in introductory psychology course, college students, 57:6818
laboratory education using team development training, morale & productivity, college students in student-centered psychology class, 58:2032
learner type & method of quasi-programed instruction, achievement & retention & ratings of difficulty & satisfaction in statistics course, graduate students, 56:10646
learning contracts, achievement & students' evaluations, college students, 53:3962
learning package with instructional objectives, achievement & retention, college students, 57:11313
lecture method vs self paced instruction & exam frequency & grading methods, academic performance, college students, 55:10802
lecture only vs lecture/laboratory biology instruction, achievement & attitude toward science, community college students, 58:12491
lecture seduction & content coverage, lecturer ratings & test performance, college & graduate students, 56:2916
lecture vs F. Keller psychology course, achievement, college students, 53:12398
lecture vs personalized instruction, achievement & anxiety, college students, 56:6723
lecture-discussion vs self pacing teaching methods & aptitude, learning & retention, female college students, 56:6718
lecture-laboratory vs audio-tutorial method for teaching biology, achievement & attitudes, nonscience major college students, 55:1408
lecture-laboratory vs lecture-lecture vs lecture-research-discussion methods & weekly vs midterm-final testing, achievement & evaluation of course, college students, 56:2857
length of time-out during instruction & time-out preference, performance in self paced individualized instruction, college students, 58:4252
licensing examination scores & college academic achievement & age & marital status, prediction of on-the-job performance, nurses, 58:1842
life change & trait anxiety & dogmatism, academic performance, college freshmen, 55:13276
life change, attitudes toward self & others & mental health & academic role performance, college students, 57:5942
linguistic & motivational & orientational factors, achievement in acquisition of English as foreign language, college & graduate students, Spain, 55:13271
"Live & Learn" program, academic progress & wanted & expressed social interactions, "Live & Learn" vs Honors college students, 55:1369
locus of control & academic self concept & reading ability grouping, academic performance & defensive behavior, male vs female Black community college students in remedial reading, 58:8376
locus of control & parent education, attitudes toward academic achievement, male vs female black college students, 54:8425
locus of control & self concept & self actualization, cognitive & affective outcomes of instruction, college students, 55:8178
locus of control & social conformity vs independence & sex, academic performance, college students, 54:1156
locus of control & teaching discipline, performance & satisfaction, college students, 55:7879
locus of control & traditional vs contract-for-grade instruction, academic achievement, college students, 58:8238
locus of control, performance in personalized system of instruction course, college students, 54:4097
locus of control, relationship between estimated course grades & evaluations, college students, criticism of M. M. Page & R. E. Ray's study, 56:2968
locus of control, relationship between estimated course grades & evaluations, college students, reply to T. Blass' criticism, 56:2995
long term group counseling, academic achievement & noncognitive personality variables, college students, 55:3300
long term predictive validity of Scholastic Aptitude Test, prediction of college achievement for entire attendance period, college students, 55:8398
low income & English difficulty & denied regular college admission & high school underachievement & high IQ, prediction of college success in program of special directed studies, Mexican American disadvantaged students, 54:1917
low vs high achievement in secondary school, educational experience & progress, college students, 53:8338
mail implemented counselor support program, perception of intellectual-social-cultural climate of college & academic achievement, community college students, 58:2265
majors congruent with Holland Vocational Preference Inventory typologies, persistence in pursuit of educational goals, college students, 55:3272
manifest needs on EPPS & personal problems on Mooney Problem Check List & manifest anxiety on Taylor Manifest Anxiety Scale & aptitudes on American College Testing Program, correlations to GPA, black college students, 55:13623
manifest neurotic anxiety, academic achievement, college students, 53:9613
match between perceived & preferred affective course conditions, course grade, 2nd-term engineering students, 58:12572
menstruation, academic performance, high- vs low-motivated female college students, 55:13278
mental ability & reading skills & self prediction of grades, semester GPAs, college students, 57:13797
midquarter examinations vs frequent quizzes in introductory psychology course, achievement & ratings of method of study & evaluation, college students, 56:1518
minority group status & bias in college admissions criteria, analysis of T. A. Cleary's & R. L. Thorndike's definitions, Black vs White vs Jewish students, 57:8557
mixed dominance, learning conflict as reflected in lower academic achievement, male left handed junior college students, 56:10666
mixed vs unmixed dominance, academic cumulative average, male left handed college students, 58:12580
model for predicting academic success, high school students seeking admission into associate degree programs of community colleges, 58:12758
moderator effect of undergraduate GPA, prediction of success in graduate education, 55:13541
modification of locus of control, confirmation-disconfirmation of expectations of academic performance & college satisfaction, freshman year college students, 58:6338
modified writing style of certain topics in calculus, achievement & attitudes, educationally disadvantaged college freshmen, 57:11422
multiple choice vs fill-in test items, student academic performance & study behavior, college students, 57:9077
multivariate analysis, influence of student's grade on student ratings of faculty, college students, 58:6395
need achievement level revealed by recalled childhood stories, academic achievement, female college students, 58:8309
noncognitive personal variables, academic success, disadvantaged college students, implications for college admission, 56:2948
nonintellectual variables, prediction of GPAs, black college students, 54:4265
norm vs criterion referenced grading system, academic achievement, college students, 54:10675
norm- vs criterion-referenced testing conditions, achievement & guessing & risk taking behavior, college students, 58:8409
objective-based diagnostic tests & help sessions, physical science achievement, college students, 58:12504
occupational interests & mental health & attitudes, academic achievement, college students, 57:4357
open admission, academic adjustment, Vietnam veteran college students, 54:1922
openmindedness & quality point averages, oral & written feedback preferences & relationship to course scores in competency/performance-based teacher education course, college students, 57:6756
openmindedness & sex & grade expectations & major & elected vs required course & time of day of lecture, perception of instructor, college students, 57:13882
open-mindedness & study time & self scoring & perceptions of learning module & required participation, mastery of learning modules, college students in nursing theory vs clinical courses, 56:1399
opportunity to earn points toward options vs noncontingency condition on quizzes, academic performance, college students in psychology of exceptional students course, 54:6252
optional vs mandatory brief prelecture quizzes, performance on regularly scheduled tests & class participation & student evaluation of lectures, college students, 57:11369
order of sequentially experienced study group & T group analogs, order effects on in-class based & small group oriented & teaching related attitudes & performance measures, college students, 56:10636
organizing strategies, retention & GPA, college students, 58:12587
orientation &/or feedback & motivation & sex & need achievement & need affiliation & manifest anxiety & expectation of program benefits, attendance & performance & satisfaction in study skills program, college students, 57:4360
orienting tasks requiring different types & levels of cognitive processing, French language learning achievement, college students, 57:6814
paradigmatic language & reading achievement & intelligence & performance ability, academic & vocational junior college students, 54:6309
paragraph organization & abstract & summary presence, academic achievement & attitude toward content & study time, college students, 55:3128
participation in off-campus field study internship program, learning process & outcomes, college students in liberal arts curriculum, 57:6757
past & expected intellectual behavior & personality characteristics & peer choices, intellectual commitment, college freshmen, 57:6838
patterns of college grades across curricular areas, implications for GPA as criterion, 55:11046
patterns of college preparatory work in high school, college achievement, college freshmen, 58:8296
patterns of student characteristics, learning college algebra, college students, 58:10401
patterns of test frequency & delay of test results, calculus achievement, college students, 54:12595
peer monitoring procedure vs traditional grading, academic performance, college students, 58:12593
perceived causality of examination success vs failure, affective reactions to & future expectations of examination performance, college students, 54:1897
perceptions of academic environment of former junior college & Auburn University, academic aptitude & achievement & specialization, transfer students, 56:4851
perceptions of college environment, academically successful vs less successful Black minority college students, 57:13857
perceptions of death & feelings of powerlessness & cognitive preoccupation with death & GPA & linking of sex & death, college students with high vs low vs repressed vs sensitized death concern, 56:9898
perceptions of formal & informal educational experiences which form basis for successful achievement on General Examinations of College Level Examination Program, junior college students, 57:11425
perceptions of student class performance at mid-semester vs end-of-semester grades, teachers vs Black vs White academically disadvantaged college students, 58:2166
performance contingent points & rules with examples & knowledge of correct response, course grade achievement, college students, 57:1923
performance proficiency requirements, examination scores & study time, college students with high vs low GPAs, 57:13710
performance vs non-performance objectives, cognitive learning, teacher education students, 58:6174
performance-contingent points under varying instruction conditions, final course grade, college students, 58:8304
persistence & graduation rate & academic achievement, low income college students receiving vs not receiving Educational Opportunities Grants, 58:2071
persistence in school & GPA, college student users & nonusers of counseling & psychiatric services, 5-yr study, 54:8481
personal control over salient decisions about recitation section & conduct, achievement in psychology course, college students, 53:12495
personal counseling vs study habits fact sheet vs counseling letters, attitudes toward educational environment & academic performance, college freshmen with lower scores on study habits & attitudes survey, 58:6432
personal environment congruency, academic performance & satisfaction with college, college students, 57:4379
personal goal setting for course, instructor critique & course critique & relevance of text & classwork & grades & affective level, college students, 56:1405
personal growth group counseling, self concept & academic achievement, college students, 58:8417
personal intrinsic & extrinsic motivational dispositions, GPA in courses rated as most or least challenging, college students, 54:4157
personal orientation & study habits & educational attitudes, GPAs, college students, 56:10668
personal traits & perceptions of remedial courses & college GPA, open admissions college freshmen, 55:1380
personality & ability variables, academic success, disadvantaged community college students, 55:5548
personality & athletic background & scholastic differences, college male intramural sports participants vs nonparticipants, 55:7876
personality & attitude & social class & sex & previous school involvement in sport & college grades, amounts of movement behavior, male & female college students, 56:1697
personality & mode of assessment, academic achievement, postgraduate education students, 54:10601
personality & socio-personal characteristics & academic achievement, satisfaction, students attending public vs private church-related colleges, 57:6885
personality characteristics & student aptitude & classroom participation & peer & teacher-student interaction, affective & cognitive outcomes of instruction, college teachers & students, 58:12628
personality characteristics, academic achievement, college students, Argentina, 54:1902
personality characteristics, choice of accounting as major & success in courses, college students, 57:4384
personality differences & demographic characteristics, persisters vs withdrawers vs academic withdrawers vs returners at small women's college, 57:13892
personality factors & college GPA & age & possession of teaching certificate & years of teaching experience & sex, case study analysis, intern school psychologists, 57:13588
personality inventory vs cognitive & application data, prediction of graduation from medical school, medical school graduates & academic & nonacademic dropouts, 55:5357
personality profiles & age & sex & birth order & academic achievement & number of changes of declared major, students in professional phases of baccalaureate programs in medical technology vs nursing vs occupational vs physical therapy, 57:13838
personality traits & Individual Paced Instruction vs Lecture-Discussion-Demonstration methods, academic achievement, college students, 56:4771
personality traits & personal & social values & academic ability, achievement, Black college students, 58:2090
personality traits & satisfaction with college environment, academic achievement, black male vs female open admissions college students, 56:2934
personality traits & shorthand achievement, college students, 58:2114
personality traits, academic achievement, black & white college freshmen, 53:4038
personality traits as measured by California Psychological Inventory, prediction of GPA, urban college freshmen, 57:9063
personality traits, self rated academic success, academically successful vs unsuccessful college students, 54:10590
personality traits, structured group counseling, differential gain in GPA, college students, 55:11009
personality variables & grades during 2 yrs of course work, prediction of success in physical therapy program & use of linear vs joint multiple regression models as predictors, college students, 57:6962
personalized system of instruction with proctor's grade contingent vs not contingent on S's grade & bonus vs no bonus for completion of units, academic performance & progress & student attitudes, college students, 57:11370
personalized system of instruction, relationship between number of unit test attempts & review exam performance, college students in introductory psychology & statistics & child development courses, 54:6291
Personalized System of Instruction using required vs optional vs no unit testing, achievement on course examinations, college students, 56:1390
persons acting as stimulators of positive classroom processes in course discussion sections, achievement & attitude change, college students, 56:1452
physical efficiency, self concept & intelligence & achievement, physical education students, 56:2979
planned stopping out in terms of opportunity to have off-campus experiences in chosen career areas, academic major change & standing, college students, longitudinal study, 58:4275
preadmission academic &/or demographic characteristics, academic survival, high risk college students, 58:8312
precollege aptitude & achievement & interest measures, prediction of GPA & credits earned & major field & graduation in 4 yrs, longitudinal study of college students entering as freshmen, 58:8424

prediction of senior college grades from freshmen entrance information vs freshmen GPAs, reply to P. Mauger & C. Kolmodin's criticism, 56:10674
prediction of senior college grades from freshmen entrance information vs freshmen GPAs, further discussion of P. Mauger & C. Kolmodin's criticism, 56:10675
prediction of senior college grades from freshmen entrance information vs freshmen GPAs, reply to L. Humphreys's methodological criticism, 56:10681
predictive validity & correlations with chemistry grades, verbal &/vs mathematics section of Scholastic Aptitude Test, college freshmen, 54:12656
predictive validity, American College Testing Program vs Scholastic Aptitude Test, college vs US Air Force Academy students, 55:5710
predictive validity of integrated selection test vs pre-medical achievement, subsequent medical school achievement, 54:1906
presence vs absence of crisis & conflict with parents, grades & activities & mood & autonomy & openness to new ideas & willingness to express impulses, college freshmen living away from home for 1st time, 57:5606
presentation of cognitive objectives for study units in computer-managed courses, test item latency & study time & achievement & anxiety, graduate students, 57:13738
previous grades vs concordance between student preference & course conditions vs facilitating anxiety, course performance, college students, 55:10851
primary relationships & GPA, school attendance, regular attenders vs chronic absentees at community college, 57:4400
problem solving in job-relevant situations, baccalaureate vs associate degree graduate nurses, 58:1860
program of counseling & tutoring, academic achievement, Black college students, 58:2227
programed instruction & cognitive ability & personal factors, achievement in psychology, college students, 58:4254
programed student achievement method, teaching & motivating large introductory psychology courses, college students, 54:10513
programed student achievement testing procedure, improvement in performance, college students, investigation of validity of Hawthorne effect, 57:2024
programed student achievement vs total mastery learning teaching approaches, performance on weekly quizzes vs mid-term vs final examination, college students in introductory psychology, 58:4264
progress & unresolved issues, prediction of success in higher education, black students, 54:8420
psychiatric disorders & somatic diseases, delays in & grades at graduation, students taking leave-of-absence from college, 57:8354
psychological adjustment & social effectiveness as measured by GPA & position of responsibility in an organization, college students & prisoners, 58:3363
psychological needs & self description & academic achievement in high school & college, personality differences between caffeine using vs nonusing female college students, 55:7026
psychology background & experience, performance in Keller plan psychology course, college students, 54:10568
psychosocial & architectural environment in dormitories, academic achievement, college students, 55:5544
race & sex & American College Testing Composite standard score & special program & financial aid, cumulative GPA &/or attrition-persistence, Black vs White disadvantaged vs regular college freshman, 57:9079
race & sex & income, academic performance & aspirations, Black vs White college freshmen, 57:13786
race of comparison referent & racial environment, task & academic achievement & aspiration, Black college students, 57:3162
racial composition of school, self concept & relationship to GPA, Black students in predominantly Black vs White universities in southern US, 58:10210
racial identity & financial difficulty & exploitation by others, academic achievement & use of coping behaviors as illustrated by conceptual map, Black college students in special program for socio-academic problems, 57:13894
reading achievement & attitudes toward authority & dogmatism & internality–externality, prediction of academic success, disadvantaged minority college students, 54:6327
reading competence & learning needs & personality characteristics & GPA & textbook readability, college students using special vs nonspecial services, 58:6345
reading skills, medical school achievement, freshman medical students, 58:1853
real vs simulated experiments, academic learning, introductory psychology students, 55:8058
realistic & nonrealistic color cuing in visual instructional materials & color differences between instructional & evaluational materials, achievement & interaction with dogmatism, college students, 58:2009
reflective instructional strategy in social science curriculum, achievement & attitudes & interest, college students, 55:10766
regression discontinuity analysis, effect of dean's list on subsequent GPA, college students, 56:8725
reliability of Ss' own reports of examination grades vs university records, college students, 57:9084
repeated course, grades earned, college students, 53:1989
required counseling, academic achievement, transfer college students admitted on probation, 55:8357
required sequential mastery of textual material & contingent remediation, later quiz & retention test performance, college students in experimental psychology course, 55:1363
residence hall living, academic participation & achievement, 1st-yr law students living in school residence hall vs commuting students, 57:9096
residence hall size & roommate's race & proximity of room to residence hall staff member, prediction of academic achievement, black & white college students, 55:3136
residence hall staff members in residence units & counselor vs administrator orientation, GPAs & maturity development, male college students, 54:1854
residence in single-sex vs coed dormitory vs parents' home, academic & social attitudes & activities & academic performance, college students, 57:11506
residency & sex & major & attitudes toward instruction & faculty & personnel services & administration & extracurricular activities, academic achievement, college students, 55:8177
resultant achievement motivation scales of H. J. Herman vs A. Mehrabian & relationship to academic performance, male college students, 57:7240
return to 4-yr university following attendance at 2-yr community college after dropping out of 4-yr university, academic achievement, college students, 56:8714
role of counselor, financial incentives for academic performance, black & Chicano high school & college students, 55:3100
role relationships & role performance, married vs single male college students, 55:644
roommate personality, achievement, male dormitory roommates, 56:6752
scholastic & biographical correlates, differential achievement subsequent to group counseling for academic improvement, college students on academic probation, 57:6988
scholastic aptitude & perception of university climate, GPA & estimated probability of graduation, black vs white college students, 56:1428
scholastic aptitude & personality variables & academic major, achievement, male college students, 55:8153
Scholastic Aptitude Test, prediction of grade point averages, Anglo-American & Mexican-American college students, 53:1994
scores on cognitive tests from Kit of Reference Tests, chemistry success as measured by attainment of behavioral objectives, college students, 56:4832
screening index model for selection, application to prediction situation using ACT college admissions battery tests as predictors & high school GPA as prior criterion & college GPA as posterior criterion, 57:2018
secondary school academic performance & aptitude test scores & English proficiency & achievement test scores, prediction of college academic success, foreign college students in US, 58:2118
selected student characteristics, prediction of academic success, college students, 58:6428
selection of random sample of questions in college contingency-managed course, 58:8260
selectivity of applicant's undergraduate institution & adjusted GPA, prediction of applicant selection & success in medical school, medical students, 57:11112
self actualization & mother's occupation & heterosexual relationship & campus activities & achievement, motive to avoid success, college women, 55:7200
self actualization level & GPA, attitudes toward grades & grading, adult education students in evening college, 56:10718
self concept & GPA & attrition, male vs female military vs community college students, 58:2128
self concept & intelligence & academic achievement, student teachers in primary vs elementary vs secondary vs special education, 57:8998
self concept & program of study & sex & IQ & family social status & number of semester credits & class absences, GPA after 1 yr of study, college students, 58:10426
self control training including self monitoring & self reward, study skills & academic performance, college students not doing well in introductory psychology, 57:9065
self development program, self actualization & academic achievement, college students, 55:5738
self esteem measures & sex & age & class year & American College Testing Program composite scores, GPA prediction, teacher education students, 57:6837
self evaluation of previous academic effort, prediction of college grades, college freshmen, 54:4164
self modification of academic behavior & roles & training of peer counselors, manual for college staff members, 57:11344
self monitoring & self reinforcement of studying, time spent studying & class examination scores, college students, 58:6285
self monitoring vs immediate vs delayed self reinforcement, studying time & test performance, college students, 58:2116
self monitoring vs self modeling methods, GPA, college students, experimental analysis of self reinforcement, 57:4342
self paced college, personality & intellectual change, college students, 58:4249
self paced visualized instruction & level of reading comprehension, multifactor analysis of achievement on different educational tasks, college students, 58:12541
self perceptions of quality student as characterized by learning in class & study habits & attitudes & peer & student-instructor relationships & physical & emotional needs, high vs low achieving college students, 56:1446
self-appraisal & task appraisal, achievement & self-assessment of achievement & expended effort, college students, 53:6178
Self-Directed Search for Educational & Vocational Planning, identification of unsuccessful college students with vocational training potential, 53:4176
self-reported & pre–post measures of academic growth in simple & complex cognitive & attitudinal areas, college students, 53:2005
semantic differential comparison, attitudes & achievement, elementary & secondary & special education majors, 55:5452
sequences of instructional units & forms of control for within-unit experience sequences, achievement & attitudes, college biology students, 55:13158
sex & academic field, relationship between birth order & achievement, graduate students, 57:13783
sex & achievement & major field of study & career expectations, cognitive style preference in science, college freshmen, Canada vs Israel, 58:12699
sex & age & class standing & family income & religion & college residence & geographical background & political affiliation & major, alienation, Black students at small private liberal arts colleges, 57:11464
sex & age & socioeconomic status & city vs province residence & college entrance examination & intelligence test performance, prediction of academic success, freshman college students, Thailand, 58:8421
sex & college class & college within university & level of preparation & GPA, attitudes toward modular program in foundations of education, college students, 54:6172
sex & course exam results, achievement motivation, college students, 54:1926
sex & creativity & life history & academic achievement, perceptions of college instruction, college students, 53:10491
sex & fear of success, academically-related perceptions & performance, law school students, 55:10843
sex & grades & year in school & training in use of category scale & general ratings of teaching effectiveness, estimation of frequency of classroom verbal behavior, college students, 55:1487
sex & personality traits & academic attitudes & behavior patterns & satisfaction with college environment & grade level, academic achievement, black college students, 56:4827
sex & role orientation & locus of control & achievement value & academic & social achievement, community college students, 58:8359
sex differences & structure-of-intellect factors, verbal vs figural mode of presenting programed units in teaching mathematical relation, college students, 55:3041
sex, locus of control & academic adjustment & achievement, college freshmen, implications for counseling, 57:13863
sex of counselor & professional vs nonprofessional assistance & vocational counseling approach & client GPA, client satisfaction & career information, college student counseling requestors, 58:2240
sex, perceived self & typical male vs female student intelligence & motivation & achievement, male vs female college students, 55:4588
sex role attitudes & fear of success & GPA & academic major & future career & marriage plans, unmarried female college students, 58:1022
sex role attitudes & fear of success, female verbal preformance in mixed-sex individual vs team competition & academic achievement & career aspirations, college age dating couples, 58:1066
sex role awareness group experience, fear of success & verbal task performance & sex role attitudes, upper class college females, 58:3789
sex role identification & self esteem, fear of success, male vs female college students, 57:5934
sex, self perception as quality student & academic achievement & change in self perception, college & graduate students, 58:4333
short term preventive experiential group counseling, GPA, residential vs commuter college students, 55:13598
short term telephone psychotherapy vs telephone assistance for study problems vs monitoring study time, number of problems & mood & affect & grades, college students, 57:8599
single sex vs coeducational residence halls & sex, behavior & perceptions & personality characteristics, college freshmen, 58:12661
small group discussions vs large lecture groups & instructor vs S set, course content, personal learning & personality changes, educational psychology, 57:1918
social & emotional maturity & academic & social adjustment in college, single vs married college students, 54:10567
social systems & peer group culture, academic & personal orientation, experimental vs traditional college freshmen, 55:5705
socioeconomic status & academic achievement & personality traits & support for criminal justice system, performance & perceptions of volunteer experience in criminal justice program, college students, 58:1926
sociopsychological themes underlying psychopathology & educational process, 17–20 yr old outpatients with academic problems, India, 56:10038
special services program, self concept & academic achievement, college freshmen, 56:10610
standardized final examination performance, evaluation of computer programing course, college students, 55:8244
structured vs unstructured learning materials, academic achievement, internal vs external college students, 57:6729
student & instructor characteristics, learning in introductory economics course, college students, 56:10685
student academic achievement & background factors & job values & career decisions vs job values of professors vs employers, college students & staff & employment recruiters, 57:11605
student attitudes & final grade & units completed & time needed to complete unit, prediction of achievement & attitudes in audio-tutorial physical science course, nonscience college majors, 55:13330
student control of course content, achievement & attitudes in reading improvement program, college students, 58:10397
student status & required vs elected course & rating course of own vs different college & grade expected & college attended, evaluation of instruction & instructors, college students, 55:13391
Student Tutorial Program, achievement & self esteem, low achieving college students, 55:1354
student vs faculty curriculum advising attitudes toward advisors & 1st-yr academic progress, freshman college students, 54:6362
student vs traditionally determined curriculum, health knowledge & interests, college students, 55:10796
student-centered vs traditional lecture-discussion teaching methods, academic performance & self concept, college students in child psychology course, 56:6735
students' vs instructors' perceptions & evaluations of organizational features of courses, achievement & attitudinal reaction to course, college students, 58:4327
students-tutoring-students project & counseling using techniques derived from J. B. Rotter's theory, internal-external locus of control & success expectancy levels & academic progress, disadvantaged college students, 55:8367
student-teacher agreement about presence & importance of course organizational features & student locus of control & demographic characteristics, evaluations of courses & final grades, college students, 58:2130
study habits & mental abilities & achievement motivation, academic performance, college students, 58:12588
study skills course varying in structure, study skills knowledge & use & satisfaction & GPA, college students classified as judgers vs perceivers, 58:12550
study time & part-time work & study habits, academic achievement prediction, college science & engineering majors, 56:4837
subgroup & individual differences employing Owen's quasi-actuarial assessment of behavior, longitudinal prediction of college experiences from life history data, applicability to industrial & educational & clinical prediction settings, 57:7256
summation of instructional cues in modalities of textual & pictorial & auditory information, achievement, college students, 55:10750
supervised experimental program of instruction, self concept & GPA, college students on academic probation, 57:6798
SVIB patterns & law school achievement, 1st-yr male law students, 58:8319
sylbism & study orientations, personality & academic performance, college students, 55:1456
systematic program of assistance in environmental interaction, academic success, college students, 55:10856
systemic vs traditional counseling techniques, attitude & academic achievement, educationally disadvantaged black college students, 55:1566
systems approach & noncompetitive grading in test & measurement course, mastery of basic concepts, college students, 54:8328
tangible items, achievement in graduate course in plant structure using audio-tutorial approach, college & graduate students, 56:6738
teacher counselor intervention based on interpersonal theory & counseling model of C. Rogers, classroom climate & student attitudes & learning, college language teachers & students, 58:12369
teacher response style in preteaching student interview, achievement & ratings of interviewer, college students, 58:2142
teacher vs self paced group vs traditional lecture-discussion group & written vs oral evaluation groups, examination performance & withdrawal rate & long term retention, college students, 58:10279
teacher-student need compatibility & verbal ability, course grade & expressed course satisfaction, college students, 58:2121
teacher-student personality combinations, achievement in psychology course, college students & teachers, 55:3107
teacher-student verbal interaction, critical thinking ability & achievement, college students in introductory biology course, 55:1476
teaching anatomy laboratory classes using vs not using behavioral objectives, learning & concept development & retention, college students, 57:6800
teaching style preferences & grading attitudes, student power & academic destandardization, college students, 57:9101
technique for comparing college grading standards between major fields, implications in validating of evaluation of college achievement, 57:9170
teletutorial instruction vs conventional lecture method, achievement & attitudes & personality & preference for learning, college students in teacher education program, 57:13770
tests vs written exercises, final examination performance, college students, 57:13719
textbook reference during examinations, learning & retention, college child psychology students, 54:10595
time-shortened degree program, academic performance & social adjustment & personal identity, freshmen college students advanced to junior status, 56:1388
traditional classroom vs experimental learning approaches to human ecology course, college students, 55:13161
traditional courses vs self-directed learning, achievement, college students, 53:3984
traditional lecture-examination teaching method vs individualized instruction, performance on multiple choice vs short answer vs essay tests & attitudes toward method, college students, 56:2870
traditional teaching vs learning modules, academic achievement, college students, 56:1378
traditional test scores & undergraduate GPA & letters of recommendation & interview ratings & biographical information, applied psychology subdoctoral program success prediction, 54:6382

traditional vs individualized teaching method & reading ability & personality type, achievement & search initiative in problem solving & attitudes toward school, accounting community college students, 55:8015
traditional vs weekend tutorial classroom modes, academic achievement in basic statistics courses, college students, 53:12433
training college students as leaders of peers in process groups, freshman orientation & adjustment, college students, 55:1550
training in personal adjustment techniques & study habits as part of regular course work, GPA & personality & study habit test scores, junior college students, 58:10290
training in self monitoring & self reward & systematic planning as aids to self control, study habits & GPA, college students, 57:6967
training in use of behavioral objectives & level of knowledge of results, achievement in mastery learning course in speech communication, college students, 55:10728
training in use of behavioral objectives via programed instruction, achievement, college students, 56:2842
trait & state anxiety, academic achievement, graduate students, 56:2945
trait anxiety & anxiety change, career maturity & relationship to American College Test scores & GPA, male vs female college students, 58:8345
transactional analysis group counseling vs client-centered individual counseling, academic achievement, college freshman admissions risk students, 55:13594
transfer to university from 2- vs 4-yr institutions, academic achievement & graduation rate, college transfer students, 57:11415
trends in academic performance & American College Testing program test scores, high school & college students, 10-yr longitudinal study, 56:2936
tutorial mode, academic performance, graduate vs college students, 54:8347
tutorial vs traditional teaching modes in evening classes, academic performance, graduate students, 55:13187
tutoring, academic achievement & self concept & study habits & attitudes, male college student athletes, 58:10289
tutoring with missed quiz questions vs by-objective feedback procedure, test performance & time expenditures, college students in behaviorally-taught course, 57:6786
type of comments permitted during examination, relationship between anxiety & performance, college students, 55:13558
undergraduate ability & achievement groups, later attainment of advanced graduate & professional degrees, college graduates, 53:4030
undergraduate GPA & college attended & Medical College Admission Test, prediction of medical school success in preclinical yrs, minority medical students, 55:5350
undergraduate GPA vs Undergraduate vs Advance Education Record Examination scores, prediction of GPA in graduate program, graduate students in school of education, 58:2237
undergraduate vs graduate GPA, Black graduate students who attended predominantly White vs Black colleges, 58:8311
underlining behaviors, learning from prose, college student habitual vs nonhabitual underliners, 58:12595
unit size & mastery test strategy, mastery learning & study behavior & attitudes & grades & attendance, college students, 58:10364
university climate & academic ability, academic performance & persistence to degree, black vs white college students, 55:5576
University College London Study Questionnaire with scale for syllabus boundness & neuroticism questionnaire scores, academic success & study difficulty, college students seeking help for emotional problems vs normal students, 58:2143
university degree results, students from coeducational vs single-sex schools, 53:10405
Upward Bound program in high school, self report & achievement & aspiration level, disadvantaged college students, 54:4111
use of small task-oriented groups to alter classroom social structure, cooperative achievement of joint educational goals & attitudes toward groups, college students, 56:10632
use of synthetic models & MMPI, ego mechanisms & college achievement, college students, 56:9910
use vs nonuse of learning resources center, personality & academic characteristics, freshman college students, 55:5586
utilization of peer counselor services in developmental education office & contact frequency & client age & sex & place of residence, GPA & student retention, minority college students, 57:6948
validity as measures of achievement motivation, Need Achievement scale of Personality Research Form & Debilitating Anxiety scale of Achievement Anxiety Test, graduate students, 55:11299
validity of Beirut trial aptitude battery, prediction of college grades, college freshmen at American University of Beirut, 54:12615
validity of College Level Examination Program General Examinations, estimation of number of credit hours likely to be earned & relationship to end-of-year achievement, college students, 54:12667
validity of Scholastic Aptitude Test scores & high school GPA, prediction of freshman course grades & overall college GPA, college freshmen, 54:12622
validity of Scholastic Aptitude Test Verbal & Mathematical scores & high school grades, prediction of college achievement, college students, 53:12484
validity of 4 subscales of Survey of Study Habits and Attitudes, relationship to course examination scores & use of released class time, Black college students, 57:7230
value hierarchy development since senior year of high school, participants in college laboratory for superior students., 56:4826
values in selection of & reactions to major & achievement & work experience in field & commitment to & immediate employment within field, career choice, college students majoring & graduating in social work vs sociology vs psychology, implications for social recruitment, 58:2147
values of intrusive counseling, changes in scholastic performance, college students, 54:12629
variations in feedback formats, response confidence & correct responses & posttest performance, college students, 56:2899
various combinations of traditional & personalized instruction, final exam scores, college students, 58:4288
verbal instruction only vs with color photographs vs black & white line drawing, facilitation of specific geographic learning, college students, 57:13760
verbal vs pictorial versions of computer assisted instruction in interactive graphic analogies, learning of concepts in electro-chemistry as measured by recall tests of knowledge & comprehension & application, college students, 56:4789
verbal/visual feedback & realistic detail in visualized instruction, achievement of educational objectives, college students, 57:11324
video feedback in group counseling, grade point average, underachieving college freshmen, 53:8414
videotaping of consonant or dissonant student attitudes about instructional activity, attitude change & influence on achievement & effort, college students, 57:6908
visualized instruction, academic criterion test performance, college students, 56:10591
vocational choice theory constructs of J. Holland, prediction of initial academic achievement, male vs female college freshmen, 58:4398
vocational maturity & competence & academic achievement & aptitude variables, congruent vs incongruent vs undecided occupational choices, female college sorority students, 55:5768
voluntary vs semivoluntary peer monitoring programs, academic performance, college students, 58:12573
weekly vs no quizzes prior to class lecture, midterm & final examination scores, college students in educational psychology course, 58:2025
Wonderlick Personnel Test & Van Wagenen Rate of Comprehension Scale & Costello-Comrey Need Achievement Scales & age & sex & last completed grade, prediction of GPA & dropout rate, lst term college freshmen, 55:3241
written communication vs discussion prevention program & program preference, dropout rate & GPA & psychological symptoms & subsequent use of psychological services, college freshmen, 58:2255

College Degrees [See Educational Degrees]

College Dropouts
ability to meet & fulfill academic standards & reasons for leaving school of 1st choice & choice of community college & socioeconomic variables, female college students who transferred to 2 yr college after dropping out of 4 yr college, 55:8283
academic & personal–emotional problems & external environmental pressures, student attribution in 1st 5 yrs, college dropouts, 53:4036
academic & personality variables, college attrition during 1st 2 yrs, college students, 55:8275
academic vs health & family vs financial vs school environment reasons, withdrawal from academic institution, teachers' college vs state university dropouts, 53:4019
American College Testing scores & race & sex & socioeconomic status & financial aid & employment, prediction of achievement & attrition, disadvantaged vs regular college freshmen, 58:4305
career & personal group counseling & high school achievement, retention rates & self actualization, college students without academic major, 57:6982
coed living, participation in social & cultural activities & impulsive behavior & self concept & aspirations & career choice & dropout rate & use of health center, male vs female college students, 56:1455
college attrition vs graduation, SVIB scores, Ss at midwestern university, 56:4997
counseling by peer &/vs certificated counselors, course withdrawal, community college students, 57:9193
descriptive analysis, room personalization & relationship to dropping out of school & processes of imitation & modeling of decorations among roommates, college students occupying dormitories, 58:6307
descriptive profile of academic & demographic characteristics & counseling aid vs academic aid vs no treatment, grades & reading scores & attrition, low income college freshmen, 56:1416
drug usage, subsequent attrition rates, college students, 56:3959
educational status incongruence between mother & father, self esteem & perception & evaluation & locus of control & attrition rate, Black college males, 57:4396
extraversion & neuroticism measured by Eysenck Personality Inventory, academic achievement & attrition, 1st-yr college students in architecture & planning, 58:12597
group counseling, short term attrition rate, community college freshmen, 57:2030
human potential counseling vs group guidance, achievement & academic behaviors, high risk junior college students, 58:10621
incongruency of vocational self perception, GPA & change in academic major & dropouts & counseling initiation, male 1st-yr engineering students, 58:4130
initial attitude differences, achievement in personalized system of statistics instruction, successful vs procrastinating vs "withdrawn-from- course" college students, 56:2950
intellective & nonintellective variables, student attrition, regular vs open enrollment community college persisters vs dropouts, 55:13373
intellective & personality variables, prediction of college withdrawal, college freshmen, 58:10449
interest patterns on SVIB, normative data & relationship to persistence in university curriculum, male college students, 57:8958
Interrupted Education Withdrawal Questionnaire, self report of problems encountered during university experience, students withdrawing from college, 55:5633
multivariate analysis of personality & academic variables, discrimination among persisters & transfers & dropouts, male & female college students, 53:6187
original group assignment & yrs of college education & college transference & present employment status, self concept change & remaining in vs dropping out of college, underachieving college freshmen, 4-yr followup, 57:4413
outreach counseling strategy, persistence, college freshmen, 57:4463
peer counseling program, reduction of student attrition, 1st-yr college students, 58:10611
perceived institutional obstacles related to discontinuance of education, male vs Black vs White female college dropouts at southern urban university, 57:6887
persistence & graduation rate & academic achievement, low income college students receiving vs not receiving Educational Opportunities Grants, 58:2071
persistence within college environment & residence & employment & attendance at orientation session, college environment perceptions, incoming college freshmen who dropped out vs maintained enrollment, 57:6889
personality characteristics & background information, differentiation between persisters vs dropouts, college freshmen, 57:6892
personality differences & demographic characteristics, persisters vs withdrawers vs academic withdrawers vs returners at small women's college, 57:13892
personality inventory vs cognitive & application data, prediction of graduation from medical school, medical school graduates & academic & nonacademic dropouts, 55:5357
psychiatric disorders & somatic diseases, delays in & grades at graduation, students taking leave-of-absence from college, 57:8354
race & sex & American College Testing Composite standard score & special program & financial aid, cumulative GPA &/or attrition-persistence, Black vs White disadvantaged vs regular college freshman, 57:9079
religious & political beliefs, admissions & low achievement & early attrition, disadvantaged college students, 56:2957
return to 4-yr university following attendance at 2-yr community college after dropping out of 4-yr university, academic achievement, college students, 56:8714
Scholastic Aptitude Test & high school percentile rank & GPA as academic predictors, Chicano college students who persisted vs voluntarily withdrew vs were dismissed, 58:6275
scoring method for College Auto-Biographical Inventory, prediction of early attrition from college, entering college students, 56:3074
self concept & GPA & attrition, male vs female military vs community college students, 58:2128
sex & ethnicity & academic ability & curriculum, personality needs, dropouts vs persisters in community 2-yr college, 57:13843
short term group counseling, credits accrued & attrition rate & attitude toward nonintellectual educational objectives & knowledge of academic procedures, disadvantaged community college freshmen, 55:8401
statistical analysis of College Autobiographical Inventory, development of diagnostic profiles, college dropouts, 56:10792
utilization of peer counselor services in developmental education office & contact frequency & client age & sex & place of residence, GPA & student retention, minority college students, 57:6948

College Environment
academic & personal–emotional problems & external environmental pressures, student attribution in 1st 5 yrs, college dropouts, 53:4036
academic prestige of school, organizational alienation, black college students from large urban predominantly white university vs medium-sized college vs small 2-yr urban center, 54:1811
academic vs health & family vs financial vs school environment reasons, withdrawal from academic institution, teachers' college vs state university dropouts, 53:4019
age & rank & academic area & type of control of college, reports of campus problems, college faculty members, 55:1309
age & sex & years in administrative position & college size & department organization & values, attitudes toward educational innovations, physical education administrators, 57:13687
age, self perception & expectations of university environment, adult vs average-age college women, 57:4390
alternative goals of higher education, implications for evaluation of learning, 54:8391
anxiety & perceptions of college environment & stressful experiences, nursing students grouped according to core clinical course, application of primary mental health prevention model, 58:8105
attendance at predominantly white vs black college, perceived sources of academic difficulties, black college students, 56:8745
attendance at traditionally Negro vs predominantly white colleges, attitudes & racial ideology, black students, 55:13365
attitudes about academic environment, anxiety, college students, implications for grading methods, 58:2138
attitudes toward & types & functions of paraprofessionals in student counseling centers, college counseling center directors in 1970 & 1973, 54:6372
attitudes toward residence hall environments, college students, 55:13421
attitudes toward selected campus organizations, resident military veteran college students, 58:8349
attitudes toward student-operated "extra-establishment" mental health services, college mental health service directors, 53:8098
attitudes towards university & political structure & reform, college students, 53:6131
availability of technical information processing resources integrated into decision making structure, organizational adaptability to environmental change, small midwestern college, 56:4735
catharsis-producing techniques, evaluation of brief psychotherapy in university health service setting, 53:3607
changing relationships between university & student, implications for classroom & student personnel work, 58:1922
characteristics of college & university attractiveness to bright prospective college students, 56:8734
class-year integrated housing, peer relations formation & environmental perceptions, freshmen college students, 55:13433
cluster analysis, development of taxonomy of university student living groups, 54:3992
coed vs unisex dormitory choices, black women & parents' attitudes, white vs black male & female college students, 55:13447
college environment & acceptance or rejection of instructional innovations, college teachers, 55:13058
college environment, marital stress & satisfaction, graduate student husbands vs wives, 58:3218
college institutional factors & social life, social satisfaction relating to leisure time associates, female college students at small woman's college & large coed university, 55:8216
communication factors in organization of university, employees in office of registrar, implications for theory of organizational development, 57:4563
community psychological approach, prevention & psychologist as administrator in university setting, 53:3842
commuter vs residential institutions, attitudes toward aspects of college environment, college juniors, 57:13876
competency-based principles training, student activities programing managers, 54:6198
conflict resolution, college campus, 54:12469
consultation approach using faculty workshop, identification & modification of environmental factors adversely affecting college campus community members, 57:13979
crash model, college counseling, 54:1991
criticism of cutbacks in student services in higher education, 54:8311
current status & future direction, urban affairs activities on college & university campuses, 55:3049
curricular irrelevance & increased student participation & student apathy, student discontent, college students, 55:3176
degree of teacher-student informal interaction, accuracy in projecting students' perceptions of institutional climate, college faculty, 57:1902
demands of funding organization & university & external policy making groups, problems of social research in university, 54:9516
demographic & academic variables, perceptions of college environment, Chicano vs Anglo college students, 57:4389
demographic characteristics, self concept & coping strategies, Black graduate vs undergraduate females at predominantly White university, 58:6342
demographic history, past experiences & emotional problems, college student helpseekers, 55:9979
descriptive analysis, room personalization & relationship to dropping out of school & processes of imitation & modeling of decorations among roommates, college students occupying dormitories, 58:6307
development & application, College Experience Inventory, college student, implications for counseling & placement, 54:8243
development & functions & theories & problems, college psychiatry & role of college psychiatrists, 54:8467
development & reliability & validity, inventory to measure perceptions of college environment, medical students, 57:7227
development & use & validation, University Residence Environment Scale, college students, 53:6257
development & use of evaluation model for residence hall environments & sex & academic classification & type of living unit, perceptions of residence hall environment, college students, 56:3006
development & validity, Learning Climate Questionnaire, students from business & professional schools, 53:12735
development of practical curriculums & occupational guidance & training, reorganization of university, 55:12967
development of Semiprojective Scales of Institutional Evaluation & predictor scales, measurement of positive & negative connotations of educational institution & students' personal & organizational orientations, 55:1579
differences in values & perceptions, community college professional staff, 55:1311
emotional adjustment to college community, college students in college counseling centers, 55:10938
emphasis of differing student living groups, personal & social development, college freshmen, 57:13877
environment description techniques, British Commonwealth university characteristics & correlation with national characteristics, 53:1902
environmental & educational factors, satisfaction with instructional climate, community junior college students & faculty, 53:3957
environmental factors & adaptability, psychiatric help requests, 18–25 yr old students vs nonstudent outpatients, 57:10444
environmental press perceptions & self expressed personality needs, disadvantaged vs dominant college freshmen vs seniors, 57:4402
expectations of college environment, college freshmen vs transfer students, 56:10735
goal perceptions & preferences at regional universities vs' public community colleges vs private liberal arts vs evangelical-fundamentalist colleges, faculty & administrators, 56:4722

GPA & Graduate Record Examination scores & rate of degree completion, students' perceptions of courses & teacher effectiveness & teachers' perceptions of courses & students, doctoral students taking classes on- vs off-campus, 58:10198
GPA & socioeconomic status & sex & level of extracurricular activity & academic major & home residence, perceptions of urban educational institutional environment, college students, 55:5631
group counseling & group counselor functioning, changes in perception of college environment, college students, 55:8413
growth & development of peer counseling program in university environment, 53:8399
high- vs low-rise building design, psychosocial climate of university residence hall environments, college freshmen, 56:8760
history & need for religious counseling on college campus, 58:4452
identity conflicts in college experiences, minority college students, 56:1462
improvements in supportive programing, changing sociological perspectives, black students at predominantly white colleges, 54:12496
indices of instructional productivity, teachers in open enrollment colleges, 54:12513
institutional involvement, psychological well-being, college students, 53:12481
institutional perceptions & college factors & financial & family support & responsibilities, maintenance of college attendance, married female students over age 25, 58:6330
institutional pressures vs student characteristics, college climate & environment, comparison of A. W. Astin & G. G. Stern's views, 53:10407
issues & problems, black students on white campuses, 54:8315
leadership development in higher education, 55:2893
level of dissatisfaction with college & vocational choice & certainty of vocational choice & degree of self-ideal self discrepancy, changes in perceived self-college similarity, college students, 57:1989
mail implemented counselor support program, perception of intellectual-social-cultural climate of college & academic achievement, community college students, 58:2265
marital dissatisfaction, married college students living in university family housing, 56:1449
mental health programs, survey of Illinois colleges, 53:3846
mini classes & social activities & communication workshops, adaptation to college classroom & community & self exploration, college freshmen & upperclass student leaders & faculty, 56:1461
mode of college residence, perceptions of psychological climate at university, college residents of female vs male residence halls vs sororities vs fraternities, 55:13413
model of adaptive education vs traditional selective approach, integration of academic & student services in undergraduate education, 54:8291
newsletter vs orientation program for information dissemination, knowledge & attitudes & perceptions of university environment, parents of incoming college freshmen, 53:6102
Omnibus Personality Inventory, personality development in various college environments, college freshmen, 54:12484
parental & school & student influences, campus behavior problems, college students, 55:5627
participation in residential experimental undergraduate unit, alienation reduction, college students, 55:1510
participation in self directed vs traditional learning environments, locus of control, college students, 57:6880
participation in small group discussions for formulating recommendations concerning university policy vs for expression of feelings, change in expressed satisfaction toward campus environment, college students, 56:4848
patterns of drug usage in state systems, college vs junior college students, 55:7031
peer group communication & church attendance norms & diversity of religious expressions & family training & background, religious beliefs & behavior, students at small religious liberal arts college & large public institution, 57:5647
peer pressure & college fields of study, attitudes, college graduates, 56:6803
peer-advising program & peer group effect, early college environmental perceptions, incoming college freshmen, 56:1520
peer-taught developmental seminar, perceptions & alienation, college student, 56:4783
perceived control of environment & self actualization attitudes, perceived career success & job satisfaction, male college professors, 57:4289
perceived institutional obstacles related to discontinuance of education, male vs Black vs White female college dropouts at southern urban university, 57:6887
perceived intellectual-social-cultural climate, college students, 58:10461
perceived student-college fit & personality change interrelationship, college freshmen, 55:5616
perception of pressures & sources of help & college psychological services, commuting vs residential college students, 56:8736
perception of university environmental experiences, black college students, 55:5606
perceptions & attitudes toward college environment & general education program & class level, college students in special vs regular programs, 58:10497
perceptions of college environment, academically successful vs less successful Black minority college students, 57:13857
perceptions of college environment, college students vs student personnel administrators, 53:6124
perceptions of community college environment, faculty vs counselors vs male vs female White vs Black college students, 57:11204
perceptions of institutional functioning & responsiveness toward student pressures for change, college students in 4 yr schools, 55:1530
perceptions of organizational characteristics of engineering college, satisfaction, students vs faculty, 56:4689
persistence within college environment & residence & employment & attendance at orientation session, college environment perceptions, incoming college freshmen who dropped out vs maintained enrollment, 57:6889
personal & situational variables, role conceptions & community college counselors, 55:5410
personal characteristics & environmental factors, utilization of campus mental health agency, college freshmen, 57:4077
personal counseling vs study habits fact sheet vs counseling letters, attitudes toward educational environment & academic performance, college freshmen with lower scores on study habits & attitudes survey, 58:6432
personal drug use & environmental perceptions, college students, 54:921
personal environment congruency, academic performance & satisfaction with college, college students, 57:4379
personality & attitude measurement, prediction of successful personnel selection, campus police officers, 57:4511
personality characteristics & environmental perceptions during freshman year, education, college students, 55:1474
personality, community college vs state university teachers, 55:5443
personality differences & demographic characteristics, persisters vs withdrawers vs academic withdrawers vs returners at small women's college, 57:13892
personality pattern & type & resemblance to Holland's model personality types, vocational maturity & satisfaction with college, male college students between ages of 17 & 21 yrs vs over 25 yrs of age, 57:4395
personality traits & satisfaction with college environment, academic achievement, black male vs female open admissions college students, 56:2934
personality traits, blacks attending predominantly white vs black college, 56:2973
person/environment interaction theories, college environmental research, 54:6218
planned informal approach, college community program dealing with students' illegal drug use, 53:8058
political issues, organization & operation of student services, 54:8318
practical utility, measures of college environments, 53:8383
predicted vs actually observed behavior of others in familiar campus settings, college students, 57:9256
psychological consultation, evaluation of impact of design changes in communal dining area of high-rise dormitory, implications for role of counselor as environmental consultant, 58:10601
psychological needs & college press & college environment perception, student activities involvement & satisfaction, college students, 58:10463
psychosocial factors associated with alienation, college freshmen with high academic potential, 56:10730
race of comparison referent & racial environment, task & academic achievement & aspiration, Black college students, 57:3162
racial & sexual differences, interpersonal relations in integrated setting, black & white faculty at traditional black state institution, 54:7329
racial composition of school, self concept & relationship to GPA, Black students in predominantly Black vs White universities in southern US, 58:10210
real vs ideal perceptions of university environment, college students, 54:6201
recognition of age 18 as legal adulthood, attitudes toward university's parental role, college freshmen vs their parents, 57:6872
relationship between parental financial support & family problems & living conditions & employment problems, college freshmen, 54:5185
residence in different resident halls & personality, perception of college environment, sorority vs traditional female vs fraternity vs traditional male college students, 56:2965
residence in dormitory with andragogical vs pedagogical administration, dorm attitudes & behavior, male college freshmen, 55:13359
responsibilities to student health advisory boards, college faculty advisors, 53:8204
role & relationship with clients & counselors & projection of center, receptionist in college counseling center, 54:6031
role changes for faculty & student affairs staff, new members of student services profession, 54:8288
role of experienced & mature adult who returns to school, change & growth of university & humanization of scientific progress, 55:5628
satisfaction & attitudes & knowledge of health service, choice & utilization of services, college students, 53:3806
satisfaction with major field environment, college students, 55:1468
scholastic aptitude & perception of university climate, GPA & estimated probability of graduation, black vs white college students, 56:1428
school & sex & congruency level & consistency & differentiation, college satisfaction prediction, college students, 53:12561
selection & organization & accessibility of relevant information, learning environment design for infants & caretakers & college students, 57:4590
self concept & interpersonal relationship, Black college students on predominantly Black vs White campus, 58:10469
self concept & personality variables, college student elected officers vs nonofficers, 58:10462
self selection vs assignment to living-learning center for arts & reference group identification, aesthetic & religious interests & satisfaction & traditional academic behavior, college students, 58:8332
self-administered survey of physical & mental health problems, health services planning, college & graduate students, 53:3805
sensitivity training, personality & attitude change over 1-yr period within educational milieu, college students, 58:1635
sex & age & class standing & family income & religion & college residence & geographical background & political affiliation & major, alienation, Black students at small private liberal arts colleges, 57:11464
sex & age & social class differences, reasons for attending college & feelings about college experience & future plans, community college students under 21 & 21–30 & over 30 yrs of age, 55:8280
sex & degree objective & marital status & perceived student-faculty relations & academic environment, satisfaction with graduate education, graduate students, 57:4408
sex & personality traits & academic attitudes & behavior patterns & satisfaction with college environment & grade level, academic achievement, black college students, 56:4827
sex & socioeconomic status, perceptions of college environment concepts, Anglo American & Mexican American high school students, 58:12682
sex, perceptions of home vs university environment along personalization & social & affect dimensions, college freshmen, 58:8542
sexual therapy group program, sexual dysfunction & conflict, clients at university counseling center, 53:3741
social change in West German universities, student disorientation & new therapeutic methods for student mental health care, 58:7813
social class origins, academic careers & vocational choices, freshmen & senior students at elite college, 56:4849
socioeconomic status & proximity to university campus, transfer of political & economic & aesthetic & social & religious values, high school students & teachers, 55:2903
special facilities & services for handicapped students, Hawaiian colleges, 55:3187
stress of college environment, choice to live in college residence, 1st vs last born college students, Canada, 56:8741
stress reduction program in early training period, West Point cadets, 53:8349
student characteristics & college environment & student-faculty & student-peer interactions, value change & socialization & personality development, college students, 58:8342
systematic program of assistance in environmental interaction, academic success, college students, 55:10856
teaching approaches & departmental environments for learning in graduate departments of psychology, 1st-yr graduate students, 57:13486
three-dimensional consultation intervention model, intervention in college community, counselors, 55:13540
training program, leadership behavior & perceptions of college environment, male vs female college students selected to work in orientation program, 58:2144
type of work & position & yrs of employment & urban vs rural campus orientation, attitudes toward employment, non-academic college employees, 56:10883
university climate & academic ability, academic performance & persistence to degree, black vs white college students, 55:5576
university climate perceptions, black & white college students, 53:6125
university crisis, psychiatric disorders, college students, 54:11991
university health services programs, change in academic & living environment on campuses, college students, 53:10574
utilization of campus counseling & psychiatric services, Asian-American college students, 53:8412

College Major [See Academic Specialization]

College Students [See Also Community College Students, Dental Students, Graduate Students, Junior College Students, Medical Students, Postgraduate Students, ROTC Students]
professional role titles, perceptions of counselors vs counseling psychologists vs guidance counselors, male college students, 56:1447
abbreviated assertive training, verbal & nonverbal assertiveness, female college students, 56:4978
ability groups, student generated learning hierarchies, college students, 53:4041
ability/achievement & interests & personality, selection & persistence in technical academics, female college students, 55:10898
abstinence & love & fun & double standards, professed vs practiced premarital intercourse, Canadian college & vocational school students, 54:2882
academic & interpersonal & intrapersonal dimensions, utilization of pass-fail grading system option, college students, 55:8243
academic & personal characteristics, prediction of changes in physical science courses designed for nonscience majors, college students, 55:1439
academic achievement & activities following graduation & university experience satisfaction & institutional origin & employment & volunteer experience & academic major & graduate school attendance intentions, vocational indecision, college graduates, implications for vocational counseling, 56:6788
academic achievement & grade level & sex & family size & nativity of father, task persistence, college students, 55:10845
academic achievement & locus of control, interpersonal trust at completion of freshman year, specially admitted disadvantaged college students vs regularly admitted students, 53:6184
academic achievement & psychological needs, college student marihuana users vs nonusers, 53:7254
academic achievement & sex & academic aptitude, anxiety, mathematics vs non-mathematics majors, 55:8247
academic achievement, college students vs transfer students, 54:4170
academic achievement variables before & after onset of marihuana usage, college student light vs heavy users vs nonusers, 55:4455
academic advisement model, integration into counselor training & overall student services, 54:6376
academic aptitude & lateral eye movement consistency, college students, disconfirmation of W. Weiten & C. Etaugh's finding, 55:5672
academic aptitude & sex & age & educational level, irrational beliefs as measured by Irrational Beliefs Test & psychological adjustment as measured by California Psychological Inventory, college student clients vs nonclients of university counseling service & psychiatric patients, 58:1336
academic associated stresses, cigarette smoking & urine acidity, college students, 58:7022
academic functioning & cooperativeness selection criteria & human resource development training, effectiveness within residence hall environment, college student resident hall assistants employed at university, 57:6710
academic major & interdisciplinary course attendance, evaluation of learning using Word Association Test performance, college students, 58:12764
academic ombudsmen, student–administrator relationships following student uprisings, 53:3950
academic performance, students spending 2 yrs at community college vs 4 yrs at University of Northern Colorado, 56:4810
academic prestige of school, organizational alienation, black college students from large urban predominantly white university vs medium-sized college vs small 2-yr urban center, 54:1811
academic rank of professor & academic ability of student, halo effect in students' ratings of instructors, college students, 55:13366
academic risk level & life changes & locus of control & need for achievement, academic achievement, college students, 58:10433
academic self concept, attitudes toward teachers, high school & college students, 56:1450
academic support system with group counseling & academic advisement & tutoring & educational & career seminars, academic achievement & control of forces affecting college success, college freshmen, 56:3077
academic training setting, factor analysis of subscales of Sensation Seeking Scale & Novelty Experiencing Scale, preflight students vs college males, 57:7239
academic vs nonacademic factors, academic success prediction, black students in predominantly white university, 55:10860
acceptance of American values & beliefs & ethnic trust & self esteem & affiliative desires & demographic & personal characteristics, attitudes toward & interaction with African students, Black college students, 57:1978
acceptance of blacks & approval of desegregation & decreasing social distance between races & rejection of racial roles, 4 surveys at 3-yr intervals, white college students, 53:5043
acculturation & mental illness & role on campus, Chinese college student, 55:10891
achievement & femininity factors, prediction of career commitment, female college seniors, 56:3061
achievement & personality characteristics, prediction of observed behavior in reading practicum course, college elementary education majors, 56:2797
achievement motivation level, affective reaction & causal attribution to mid-term exam performance & anticipated performance change on final exam, college students who were successful vs unsuccessful on mid-term exam, 57:13837
achievement need & fear of success & extrinsic personal motives, choice of credit vs no credit courses, female college students, 57:6650
achievement orientation & intellectual responsibility measures, differentiation between degree & nondegree course students, British teacher education students, 53:4115
achievement pretesting with vs without branching over instructional module sections, completion rate for module & retention, college students, 58:2049
action oriented intervention techniques involving practice dating & dyadic interaction & conversational skills training & group discussion, alleviation of dating inhibition, infrequently dating college students, 58:3884
action plans approach, facilitation of behavioral modification, college students in marriage education courses, 53:6169
activation & enrollment in various mathematics courses, logical inference performance, part-time college students employed as police officers, 55:7871
active vs passive instructions in autogenic training, test anxiety, female college students, 53:8343
active vs passive participation in Life Planning Workshop for Women, changes in attitudes toward & knowledge & expectations related to careers & life style preferences, college women, 55:4432
Activities Index & College Characteristics Index needs & press scores, students in teacher education program, 1961 vs 1971, 55:12989
adaptation of principles & technology of therapeutic community, college behavioral science course design, 54:10476
adaptation-level theory, explanation for differential standards in college grading, college students, 57:6965
adjunct postquestions & expository advance organizers vs programed instruction format, problem solving from prose text, college students, 55:8019
adjunct questions & lecture vs review & question conditions, relevant & incidental learning, college students, 55:10748

adjustment problems, transfer vs native college students, 57:4383
adjustment to predominantly white campuses & academic programs & political activism, black college students, 53:4033
administration of program involving Ss in service roles in correctional settings, college students in community psychology, 56:1238
administrator & colleague & student & self ratings, evaluation of college teacher performance, 54:8256
admission grades & academic & learning styles transition, personality & degrees, chemistry college students, 53:4016
admission testing vs open door policy at Utah Technical College, academic success, college students, 56:6852
admissions test battery development & reliability & predictive validity, nonverbal academic aptitude measurement, college applicants, Philippines, 55:11026
adventure training program emphasizing challenge response in remote forest area, development of social modeling competencies & increase in understanding & application of group process skills, college resident assistants, 56:1401
aesthetic preference & divergent & convergent thinking & personality, attitudes toward subject matter & instructional methods, college students, 53:1961
affective-humanistic educational experience, intra- & interpersonal growth at college level, college students, 55:8046
affinity for self management concepts, college students receiving vs not receiving counseling, 57:8774
age & appearance similarity & candidate preference & expectancy, evaluation of presidential campaign speakers, college students, 54:5252
age & background variables, internal-external control, college students vs their mothers & fathers, 56:733
age & elimination of cue & dimensional dominance, reversal & extradimensional shift performance, 1st vs 2nd graders vs college students, 57:7977
age & field of specialization & contact with adult students, attitudes toward adult students, college faculty, 57:13678
age & marital status & sex & religion & ethnic background, attitudes toward childbearing, college students who have not borne children, 55:12135
age & school adjustment & parental education & motivation & childhood & home & social factors, academic achievement, college students who failed university examination, India, 56:10684
age & sex & credits & grade point average & fields of interest & occupational use of major & occupational choice reasons & graduate work intentions & graduate program acceptance, college students majoring in psychology, 53:3927
age & sex & marital status & socioeconomic status & attitudes about academic purposes & goals, levels of achievement in developmental tasks using Developmental Task Scales for College Students, college students, 55:13596
age & sex & race & marital status & level of certification sought & size of home community & parents' education & mother's work background & GPA, relationship between self concept & management aspirations, prospective teachers, 56:2997
age & sex & race & peer-group orientation & parental permissiveness, marihuana usage of offspring, college students, 54:5122
age & sex differences, self-perception of scholastic ability, 4th & 8th & 12th graders & college students, 53:1936
age, effort & ability attributions, 1st vs 3rd vs 5th graders vs college students, 57:9976
age, self perception & expectations of university environment, adult vs average-age college women, 57:4390
alcohol drinking patterns, college students, 1970–75, 58:3268
alcohol usage attitudes, prediction of self estimated alcohol consumption, college students, 57:1125
alcohol usage, life styles, college students, 53:7243
alienation, internal vs external locus of control & occupational & academic preference, upper class college students, 56:1516
alienation, university students from different fields of study, 58:10475
all-freshmen vs freshmen & upperclassmen living environment, emotional maturity & problem perception & academic achievement, female college students, 55:13386
alternative life-style experiences, academic commitment & self acceptance, re-enrolling college students, 55:8218
alternative positioning of open-ended questions in multiple-choice questionnaires, elicited responses, black high school & college students & white college students, 53:8395
American College Test Interest Inventory, validity for classification of Ss into appropriate educational majors, black & native American & Oriental American & Spanish-surnamed Americans & white college students, 56:5184
American College Testing Program scores, prediction of achievement & attrition, disadvantaged vs regular college freshmen, 55:11034
American College Testing Program Examination vs Opinion Attitude & Interest Survey scores vs high school average, academic achievement prediction, black male vs female college freshmen, 55:13532
American College Testing scores & race & sex & socioeconomic status & financial aid & employment, prediction of achievement & attrition, disadvantaged vs regular college freshmen, 58:4305
amount & distribution of study, F. S. Keller's Personalized System of Instruction vs lecture course, college students, 53:6141
amount & nature of student-faculty advising & referrals to other student personnel agencies, college students & faculty advisors, 57:6983
amount of correct & incorrect underlinings on reading materials & limited reading time, reading comprehension, Black college students, 57:9070
amounts of professional training & experience, prediction of drug usage attitudes of freshmen, guidance personnel workers at Montreal college, 57:4299
analysis of critical life incidents, female college students, US vs Latin America, implications for counseling, 58:4416
analysis of personal problems, male vs female college freshmen, 1950's vs 1960's vs 1970's, 58:2135
analysis of power patterns, token economy behavior modification program on locked mental hospital ward, female schizophrenic patients & college psychology professors & students, 55:12201
analytic & intuitive dimensions of cognitive functioning, selection of college major, college students, 55:10841
analytic exploration based on Jung's psychological types, teacher-student perception & cognition, college students & teachers, 55:8253
annual variations in locus of control scores for college students, suicide rates in different age groups & total US population, 1966–73, 58:3524
antecedent life history, behavior in college, male college students, longitudinal study, 58:6301
anticipated success-failure & confidence & test importance, classroom examination cheating behavior, college students, 58:6310
anxiety & academic ability, academic achievement, college freshmen women, 55:5588
anxiety & depressive reactions & mental health status, college freshmen, 58:11754
anxiety, career decisiveness & satisfaction with career choice & college major, college students, 55:13574
anxiety factors & sex & success-failure experiences, persistence on psychomotor tasks, college students, implications for teaching techniques & educational planning, 57:6862
anxiety level & sex role identity, male & female college students, 57:3131
anxiety level & task difficulty & threatening vs nonthreatening instructions, reading comprehension task performance, female college students, 57:6854
anxiety reduction clinic in college counseling center, treatment of students' anxiety reactions & training in systematic desensitization for clinical psychology graduate students, 57:11098
application for college admission & appearance for registration & payment of 1st & 2nd term fees, punctuality as unitary trait, freshmen college students, 54:9672
application level & content selection strategy & instructions pertaining to adjunct questions, facilitation in learning from text in applied instructional environment, college students, 57:6831
application of need press paradigm to socio-psychological adjustment, counseling vs noncounseling freshman college students, 55:13412
applied relaxation & systematic desensitization & relaxation only, test anxiety, test-anxious college students, 56:3049
appraisal interview style & goal setting & differential feedback, satisfaction & motivation & test performance, college students, 58:12359
aptitudes & cognitive styles & personality characteristics, facilitation & differentiation of creativity, college students majoring in art vs mathematics vs music vs writing, 56:731
aptitudes & preinstructional experience & instructional method & differences among posttest items, acquisition of understanding & computational skill, college students, 54:4110
assertive training & leadership role & experience & sex & class standing & paraprofessional vs professional trainers & assertiveness level, self concept & self expression, college student leaders, 57:6976
assertiveness, drug use patterns, college students, implications for drug education, 55:4458
assessment instrument development, diagnosis of deficiencies in understanding statistics concepts, college students in behavioral sciences, 58:12730
assimilation vs black nationalism, history of southern black student activism, college students, 55:2259
associative memory & verbal comprehension & general reasoning & spatial scanning & ideational fluency & inductive thinking, college students, West Indies vs US, 58:10959
attendance at college of choice vs not of choice, personality & study frustration, 1st-yr students at teacher's college, 55:10680
attendance at predominantly white vs black college, perceived sources of academic difficulties, black college students, 56:8745
attendance at predominately Black vs White institution, attitudinal development, Black college students, 57:6901
attendance at state-related vs state-owned vs private colleges & universities, characteristics of Ss preparing to be high school social studies teachers, college students, 58:12393
attendance at traditionally Negro vs predominantly white colleges, attitudes & racial ideology, black students, 55:13365
attending behavior & self disclosure, advisee satisfaction, college students in advisor-advisee conferences, 58:8418
attitude changes toward specified student behavior, college students vs faculty vs student personnel staff, 58:12683
attitude scale construction based on facet analysis, racial attitudes, 1st-yr college students, Kenya vs Nigeria vs South Africa vs US, 58:6711
attitude similarity, attitudes toward & desire for membership in college fraternity or sorority, college students, 53:1943
attitude similarity of student & instructor, evaluation of instructor, college students, 57:9093
attitude similarity to faculty & administration, attraction to university, college students, 55:8217
attitude toward dating & mate selection, Chinese college students in 1959 & 1974, 54:11578
attitude toward parents & demographic data, reverse transfer community college vs 4-yr college students, 58:6303
attitudes & behavior toward drugs, college freshman & transfer students, 54:914
attitudes & career choice, survey of college freshman, follow-up study 4 yrs later, 53:4017
attitudes & motivation & sensation seeking & belief in ESP, creativity in class projects & measured creativity, college students in creativity class, 57:11417
attitudes & values & reactions to social change, content of autobiographies, middle-class & above average educational background Zambian secondary & college students, 53:7137
attitudes about academic environment, anxiety, college students, implications for grading methods, 58:2138
attitudes about childrearing responsibility & parental blame for psychopathology & perceived severity of psychopathology in children, college students vs parents vs mental health trainees, 56:5909
attitudes, decision to use professional medical services & type of service, college students, 53:10541
attitudes toward & assessments of married student housing, college student occupants, 57:9275
attitudes toward & incidence of cohabitation, college students, 54:2903
attitudes toward & perceived effects of sensitivity training, police officers vs college students vs group dynamics students, 58:9919
attitudes toward abortion, factor analysis, college students, 54:9468
attitudes toward authority & dogmatism, heads of rural households vs health science students, 56:9888
attitudes toward being working wives & mothers, Ghanaian vs British female college students, 57:3029
attitudes toward commencement policies & procedures, college students & alumni & administrators & parents & faculty, 57:11222
attitudes toward current sexual relationships & historical & current sexual behavior patterns, cohabiting college couples, 57:8135
attitudes toward death, college students, 58:12702
attitudes toward education & politics & minorities & society & social changes, college seniors administered questionnaires in 1969 vs 1970 vs 1975, 57:11474
attitudes toward education, college students vs practice teachers, 53:8239
attitudes toward education courses, college & graduate education students, 55:5592
attitudes toward education for women, urban vs rural male college students, India, 57:10063
attitudes toward federal government vs private industry employment, college students, 54:10694
attitudes toward interracial ratios & proximity in dormitories, white & black college students, 53:9336
attitudes toward issues & concepts relevant to higher education, college students & parents, longitudinal study, 55:3172
attitudes toward issues of university life, incoming college students vs their parents, replication of J. R. Dorris & C. William's study, 57:6907
attitudes toward marihuana usage, college students at southern colleges, 54:11645
attitudes toward mathematics, achievement, disadvantaged 1st yr college students, 55:8228
attitudes toward mathematics, ratings of mathematics courses & teachers, college students, 58:10457
attitudes toward medicine & amount of parental use of medicine & self use of medicinal & nonmedicinal drug use, "drug-oriented society" explanation of nonmedicinal drug use, college students, 54:2862
attitudes toward mental illness at beginning of abnormal psychology course, college students, 54:10442
attitudes toward mentally retarded, female college students in social welfare courses, 54:5572
attitudes toward modern status & equal rights for women, male vs female college students, Iran, 58:7397
attitudes toward modernization, college students, India, 54:9470
attitudes toward necessity of childbearing for marital happiness, freshmen & sophomore college students in 1971 vs 1973, 54:7261
attitudes toward objectives of education about drugs & alcohol, high school vs college students vs teachers vs youth advisors vs supervisors vs consultants, 57:1130
attitudes toward pass–not pass grading, college students, 53:6107
attitudes toward personal adjustment & intellectual growth & college & university experiences, residential vs nonresidential college seniors, 54:1839
attitudes toward personal use of contraception & demographic characteristics & living arrangements & sexual history, contraceptive behavior, male vs female unmarried college students, 58:1016
attitudes toward physical activity, college females in required physical education classes vs college female champion basketball players, 58:2129
attitudes toward physical activity, physically handicapped vs nonhandicapped college students, 55:1481
attitudes toward psychiatric disturbances & patients & psychiatry, college students, Warsaw, implications for high incidence of psychiatric help seeking, 57:6037
attitudes toward residence hall environments, college students, 55:13421
attitudes toward sale & use of tobacco & alcohol & marihuana & heroin & barbiturates & amphetamines & hallucinogens & cocaine, high school students & their parents & college teachers & students & school teachers, 54:2863
attitudes toward school counseling services, Black students attending predominantly Black university, 58:6419
attitudes toward science & society & science as career & self perception of science proficiency, Black college students with science vs non-science-related majors, 58:12649
attitudes toward selected campus organizations, resident military veteran college students, 58:8349
attitudes toward sports & athletic participation & scores on revised Philosophies of Human Nature scale, male vs female college students, 57:5912
attitudes toward various sexual behaviors & own feelings of sexuality, physically disabled vs nondisabled college students, 57:13052
attitudes toward working wives, male & female college students, 53:11494
attitudes toward world food crisis, freshmen vs senior college students, 56:7732
attitudes towards university & political structure & reform, college students, 53:6131
attitudinal & situational & mental health correlates, academic achievement, college students, 54:10563
audible auditory stimulation, autokinetic visual perceptual discrimination & values as exemplified by watercolor paintings, college art education students, 55:8121
audience & recruiter & program characteristics, lecture recruitment of volunteers for juvenile corrections program, college students, 57:6556
audio feedback shaping & discriminative cue vs immediate reinforcement for target behaviors with vs without discriminative cue, verbal response modification, female college student "counselors", 58:1884
audiotaped vs live therapist presentation of abbreviated method of systematic desensitization, test anxiety reduction, college students, 55:13546
audio-tutorial vs conventional teaching methods, student characteristics & performance, college biology students, 56:6731
audio-tutorial vs slide-tape instruction vs flowcharted method of self instruction, effectiveness for teaching machine calculation of business problems, college students, 55:1414
auditory compressed speech, reading skill, college students, 55:5491
authoritarian attitudes, perception of college control structures, graduate & college students, 54:8390
authoritarian personality traits, American college graduates in post-Kent State vs post-Hitler era, 58:1280
authoritarianism & ethnocentrism, female White Afrikaans-speaking college students, 57:12821
authoritarianism & manipulation, attitudes toward sex, junior & senior health & physical education majors in Virginia, 55:9663
authoritarianism & sex, attitudes toward feminism, college students vs business employees vs fundamentalist church members, 57:10190
authoritarianism, factor structure & relationship to moral judgement stages, college students vs rural adults, 57:3389
automated programed self instruction, cognitive psychomotor tasks, college students, 53:4005
automatic interaction detector, socioeconomic status background measures & sexual permissiveness, college students, 58:11596
autonomy & succorance & nurturance & change & aggression & deference & exhibition & dominance & abasement & order scores on EPPS, female therapy students, Australia, 57:5842
availability of behavioral objectives & goal orientation, mathematics learning, college students, 57:9083
awareness & call rates, effectiveness of college phone help line, college students, 56:8782
background & demographic characteristics & educational variables, social activity & relationships & attitudes, international students attending US university, 57:9121
basic information on drugs of abuse & group discussion approach, coping with student drug use, campus ministers, 53:7272
behavior modification program, reduction of disruptive noise in college dormitories, college students, 58:2407
behavioral components of vocational maturity, academic major & 1st employment congruity, college graduates, 56:4979
behavioral intentions & social desirability, attitudes toward instructors, college students, 54:4050
behavioral modification scheduling program, studying difficulties, college students, 53:8291
behavioral rehearsal of campus & classroom social skills, academic achievement, high risk college freshmen in summer remedial education program, 57:1940
behavioral rehearsal with feedback technique in assertiveness training, assertiveness, nonassertive college students, 58:9922
behavioral self control procedures, additions to treatment for study behavior & study skills advice, exam scores, college students, 54:12659
behavioral self control procedures, study behavior & academic achievement, college students, 57:13836
behavioral time-sampling vs paper-&-pencil self report measures of test anxiety, behavioral measures of "in situo" test anxiety, college students, 57:4731
behavioral treatment program using study counseling & multiple experimental instructional applications, alleviation of test anxiety, college students, 55:8354
behavioral vs cognitive-field attitudes, anticipatory performance, prospective teachers, 57:13602
biographical history data, moral maturity on newly developed objective measure of moral judgment, college freshman vs sophomore vs senior males, 55:9517
biographical information & prior knowledge of US culture & higher education & happiness & adjustment & success & attitudes toward US people & self & other Iranian students, Iranian students at US university, 57:6895
biological & social & pathological factors, handedness, elementary & college students, Taiwan, 57:5501

birth order & family size & sibling sex, approval dependency, college females, 56:7795
birth order & personality & scholastic aptitude, college students, 58:12610
birth order & sex & sex of siblings, work values of occupational choice & personality factors, college counseling clients, 56:3085
birth order, marriage while in college & attendance of graduate school, college students, 55:12132
birth order, need for achievement, tribal vs nontribal college students, 58:9608
birth order, psychoactive drug use, 4th grade through college students, 56:9810
birth order, roommate compatibility of same-sex dyads, college students, replication of W. Toman's study, 57:6904
birth order, susceptibility to recruitment pressure for volunteering for participation in psychological experiments, college students, 56:3980
black consciousness & acceptance, relevant attitudes & practices in Big Eight football, white vs black athletes & coaches, 55:13410
black peer counseling program, training black student paraprofessionals to provide counseling & advising & referral service for black students, 56:10538
Black studies participation, self concept & academic performance, Black college students on White campuses, 58:12481
black studies vs traditional curriculum, knowledge of Negro culture & personalities using Afro-American Knowledge Inventory, white vs black college students, 53:10453
Black- vs White-oriented lessons, attitude change & aesthetic taste & cognitive learning in art appreciation, students in predominantly Black southern college, 58:12488
body & self concepts, gross motor task performance, physical education students, 55:5528
body image satisfaction, evaluations of social situations involving Blacks, White students at urban nonresidential college, 57:8174
brainstorming vs confluent or humanistic vs traditional teaching methods, creative personality traits, college students, 55:13220
brief communications skills program using facilitative responding & self disclosure training, interpersonal effectiveness, student volunteers in college residence halls, 55:5725
brief psychiatric counseling, academic performance, college students with high risk for academic failure, 55:12628
building of dwelling & collective living, group cohesiveness & intimacy & intra- & interpersonal competence, college students, 56:7885
California Psychological Inventory & Personal Orientation Inventory & GPA & age & sex differences & semester hrs completed, student assistant effectiveness in residence halls, college students, 55:12974
California Psychological Inventory correlates of Ss' projected number of children, female vs male college students, 58:7578
campus participation & housing type, identity achievement, female college students, 58:4359
canonical analysis, Holland's Vocational Preference Inventory, & 16PF, college students enrolled in education courses, support for Holland's theory of vocational choice, 56:5171
canonical analysis, Survey of Study Habits & Attitudes & Vocational Preference Inventory scales, college students, 53:6261
career & personal group counseling & high school achievement, retention rates & self actualization, college students without academic major, 57:6982
career attitudes & decision making & curricular & extracurricular activity priorities & study habits & attitudes, college athletes, implications for counseling activities, 57:7014
career awareness miniseminars, enhancing career understanding & avoiding dissatisfaction with college-major choices, community college psychology students, 54:10643
career choice patterns, female 2-yr college students, 1969-73, 56:4945
career counseling, degree-major change, college students, 58:12731
career counseling, intercorrelations among indices of vocational maturity, junior college students, 53:12552
career development model & career counseling programs & resources in higher education, 58:12727
career development workshop, career planning factors mentioned, volunteer freshmen college students, 54:10636
career exploration workshop, personality factors & career maturity & decision making & career-implementing behaviors, student wives, 58:10610
career group counseling, undecided college students, 53:4188
career guidance strategies employing decision making &/vs multimedia materials, career maturity, college freshmen & sophomores with no declared major, 57:6977
career life planning seminar, state-trait anxiety as predictors of career decidedness & validation of Goodstein's constructs of indecision & indecisiveness, vocationally uncommitted college students, 58:10615
career logs vs simulated games vs written occupational briefs, career maturity & selected behaviors, lower class Black college students, 57:9190
career orientation, spatial visualization, male vs female college students, 58:6127
career plans, female college students, 53:12540
case profiles for determination of physiological parameters & personality traits & personality dynamics, running performance, college track athletes, implications for coaching techniques, 55:6018
caste & father's education & occupational level, occupational choices, female college students, India, 57:11620
categorization & graphically plotting errors by categories on multiple choice examination, subsequent test performance, advanced college students & graduate students, 56:3090
central concerns & positive & negative values of personal characteristics, British college students, 58:4350
certainty of career choice at 1st interview & frequency of career advisory interviews, early career decision making, college graduates, 57:9168
chain length & backward vs forward vs whole teaching strategy, acquisition & retention of serial motor & numerical tasks, female college freshmen, 53:4044
Challenge Program to provide opportunities to pursue higher education, college entry & success & self image & attitude toward education & degree of community participation, Mexican American college students, 56:2860
change & stability in orientations toward sexual equality & education & family & work, college females, 1969 vs 1973, 57:11494
changes in attitudes toward authority during transitions from home to college & college to employment, youth, reply to D. R. Matteson's criticism, 57:12477
changes in attitudes toward authority during transitions from home to college & college to employment, youth, criticism of P. S. Fry's studies, 57:12487
changes in cognitive style & value orientation, college students at end of freshman year, 55:10893
changes in modern family, needs & relationship with faculty, male & female college students, 54:4012
changes in nature of superstitious beliefs, college females, comparison with data over 50 yr period, 55:12051
changes in physical self concept, attitude toward physical education, female college students, 55:13419
changes in schedules of reinforcement, frequencies of correct verbal responding to curricular performance items, college students, significance for use of operant model in academic settings, 55:1457
changes over 9 yrs, self concept, entering college freshmen, 1965–73, 56:6105
characteristics & activities & opinions & expressed needs, married college students, 58:12673
characteristics & problems & change & coping, disadvantaged Black students in predominately White college, 58:4358
characteristics of effective applied music instructors, college & graduate students, 55:1465
characteristics of internship experiences, student attitudes, home economics college students, 55:10887
characteristics of volunteers for innovative course, college students, 55:10923
choice between official & unofficial definition of situation, processes used in negotiating for reality, male college students, 55:8264
class & age & sex & marital status & GPA & living accomodations & working hours, self concept, students attending Seventh Day Adventist vs public supported colleges, 57:9118
classroom anxiety, examination performance, test anxious college students, 54:4163
classroom diagnostic instructional model, attitudes toward & achievement in mathematics, prospective elementary school teachers, 58:6164
classroom instruction in questioning skills, question asking behaviors & reactions to being taught "process" in "content" course, college literature students, 57:13701
classroom interactions & critical thinking, college students, 58:12696
classroom seating, self reported psychopathology, college students, 56:768
classroom teaching & developmental theory, critical thinking skills, high school & college students, 55:7990
classroom verbal behavior & student perceptions of effective college teaching, college students & instructors, 57:6878
class-year integrated housing, peer relations formation & environmental perceptions, freshmen college students, 55:13433
client-centered groups emphasizing self experience, capability of coping with student-life pressures, student counseling center participants, 58:2275
clinical social work for middle-class college students, 53:10321
clothing attitudes & styles & social/political beliefs, male college students, 57:10229
cloze procedure, literal understanding of text materials, post-secondary deaf students, 55:13182
cloze technique, reading comprehension measurement, college freshmen, 58:8438
cluster analysis, development of taxonomy of university student living groups, 54:3992
coaches' personality, personality & self concept, varsity wrestlers at college, 56:4883
coaches' subjective ratings vs Sport Competition Anxiety Test vs State-Trait Anxiety Inventory A-Trait scale, prediction of state anxiety in competitive situations, female college volleyball & high school basketball players, 58:4633
coed living, participation in social & cultural activities & impulsive behavior & self concept & aspirations & career choice & dropout rate & use of health center, male vs female college students, 56:1455
coed vs unisex dormitory choices, black women & parents' attitudes, white vs black male & female college students, 55:13447
coeducation, occupational perception, women undergraduates, 53:1870
cognitive & affective & demographic variables, individual differences in & prediction of academic achievement & time spent in completion of self paced individualized course, college students, 58:10412
cognitive & logical aspects, self awareness training in educational psychology courses, college students, 54:12552
cognitive behavioral objectives, achievement & attitudinal development in music appreciation course, college non-music majors, 55:13358
cognitive complexity, response style as within-S variance across course evaluation items, college students, 58:10502
cognitive conflict, American vs Western European college students, replication of study of K. R. Hammond et al, 53:9603
cognitive consistency & repression-sensitization & moral judgment level, attitudes toward Watergate scandal, college students who did vs did not vote for R. Nixon, 56:2177
cognitive consistency theory, prediction of Ss' evaluation of instructors' effectiveness & course & grade expectations, college & graduate students, 56:1430
cognitive continuance & adherence to church-expected beliefs & behavioral commitment, commitment to Catholic church, practicing Catholic students, 55:9574
cognitive development, students in introductory college science courses, 55:6748
cognitive dissonance & achievement, prediction of attrition, college students in teacher certification program, 55:8197
cognitive learning style components, achievement on computer simulation games & pre- & postgame content mastery, college students, 57:6857
cognitive modification treatment vs progressive relaxation training vs combination of treatments, test anxiety reduction, college students, 55:13560
cognitive moral development, premarital sexual standards, unmarried college students, 55:685
cognitive organizer format & position in relation to instructional presentation, learning achievement, college students in biology class, 55:8115
Cognitive Preference Test as measure of cognitive preferences, college students, 54:12671
cognitive preferences & GPA & American College Testing scores & sex distribution & class rank & attitudes, college students majoring in science vs mathematics vs engineering, 58:10503
cognitive style & college major, college students, implications for counseling, 56:4952
cognitive style, prediction of academic achievement from didactic film, teacher education students, 55:13080
cognitive tutoring program for children with learning problems as experiential-based educational opportunity, college students, 55:13119
cognitive &/vs behavior therapy, test anxiety, college students, 58:9958
college & class & GPA & sex, perception of social status careers & occupational egocentrism & occupational awareness, college students, 57:11606
college & major field & academic level & sex, attitudes toward ROTC, college students in Washington, DC, 55:5617
college attrition vs graduation, SVIB scores, Ss at midwestern university, 56:4997
college choice characteristics & goals, low-income college students, 53:12492
college counselor biographical data & attitudes, counselor effectiveness as measured by client satisfaction, clients differing in problem & sex & year in college & number of counseling sessions attended, 57:6236
college course with students as volunteers at Hebrew home for aged, attitudes toward aged & dying, female Roman Catholic college students, 55:7987
college credit by examination, number of credit hours & graduation date & GPA, college students, 55:1435
College Criteria Questionnaire, behaviorally anchored scales describing student performance & correlations with admissions variables & GPA, most vs least successful college students, 57:4774
college developmental reading programs, survey, 54:6247
College Entrance Examination Board Scholastic Aptitude Test scores, mathematics achievement prediction, college freshmen, 54:6390
college entrance with vs without high school vocational agriculture-business experience, academic achievement in agriculture, college freshmen, 56:8720
college experience & type, etiology of attitudes toward appropriate role of women in society, freshmen & upperclass females, 57:5743
college experiences, analytic-intuitive dimension in thinking orientation toward career planning, college students, 55:8341
college faculty interest in counseling activities, self reported advising experiences of their students, 54:4271
college institutional factors & social life, social satisfaction relating to leisure time associates, female college students at small woman's college & large coed university, 55:8216
college level compensatory program, aspiration & motivation & academic achievement, black disadvantaged college students, 55:5663
college major & demographic factors, attitudes toward business, college business vs nonbusiness majors, 55:13415
college major & religious preference & personal & parents' political position & protest activities & impact of social control violence, participants & nonparticipants in sit-in ending in arrest, Kent State University, 54:949
college majors, students who consult psychological services center for personal counseling & therapy, 56:4941
college reading program, reading comprehension & test-taking strategies & GPA, male vs female transfer vs 1st-yr college students scoring below 550 on verbal achievement test, 58:12720
college satisfaction & psychosocial orientation & academic achievement, male vs female part-time evening college students, 58:12571
college speech courses, changes in self concept, novice & advanced students, 54:12594
college sports, development of self esteem & cooperation & leadership, college students, 54:8418
college student diversity, changes in evaluation of educational purposes & programs, 54:8322
college student tutors & parent participation in behavior modification workshop, deficient language & social behavior, children in day treatment program, 53:12280
college type & student's sex & college class & satisfaction with college & reason for college choice, value patterns, college students, 55:1485
College-Level Examination Program General Examination & Scholastic Aptitude Test Verbal & Mathematics scores, GPA, college students, 54:6365
community psychology course curriculum, critical examination of community interventions & integration of course materials with experiences in field, college students, 58:4247
commuter vs residential institutions, attitudes toward aspects of college environment, college juniors, 57:13876
comparability of cross-sex scores in Strong-Campbell Interest Inventory, entering college students, 56:5160
comparative analysis of perspectives concerning student participation in governance of private liberal arts colleges, college students vs faculty vs administrators, 58:4206
comparative intrafamily study, existence & universality & specific locus of generation gap, female & male college students & their fathers, 56:5906
comparative judgments of elapsed time & length of chronological intervals, male university research associates, 54:8758
comparative validity, Mandler-Sarason Test Anxiety Questionnaire & Achievement Anxiety Test, college students, 54:4464
comparison of attitudes & personality traits, college students in teacher education courses, 54:12515
comparison of listening skills & performance in mother tongue vs second language, English-French bilingual college students, 55:8182
comparison of modes of computer assisted instruction, attitudes & classroom performance, college students, 55:13113
comparison of scores on College Entrance Examination Board's English Composition Test & final examinations in rhetoric, prediction of college English composition course grade, college students, 56:8775
compensatory curriculum, academic achievement, high risk college students, 56:6817
competence in women as threatening, college males in dating relationships, 55:9887
competency based teacher education vs traditional education program & attitudes toward cheating & self actualization & achievement & scholastic aptitude & sex & age & academic classification, cheating behavior, college students, 55:13453
competitive & cooperative learning environment, comprehension of cognitive task, college students, 54:4150
composition of group based on Achievement via Conformance & via Independence personality scale scores, maximizing satisfaction & effectiveness in small academic groups, college students, 58:12689
comprehension of parents as sexual beings & estimation of parents' sexual behavior, college students, 58:7360
comprehension of textbook vocabulary, 1st-yr college students, 56:4824
comprehensive achievement monitoring, academic achievement, college students in teacher preparation program, 57:11394
comprehensive study assistance program, achievement of counseling center visibility & credibility, students, 58:6417
computational method of local regions to optimally determined roommate selection, incoming female freshmen, 58:121
computer assisted feedback, performance in televised course, college students, 58:10376
computer assisted instructional strategies varying in information content of correctional feedback & mathematical ability & prerequisite knowledge & anxiety, acquisition of introductory calculus concept, preservice elementary school teachers, 55:13181
computer content analysis, student characteristics, college students, 55:13563
computer simulated workshop, teaching informal reading inventory techniques, college students, 56:10641
computerized simulation game, realization of future educational possibilities, college students, 53:1912
computer-presented verbal vs graphic analogies of complex concepts, acquisition & application of concepts & attitudes toward graphics version, college students in chemistry course, 56:2898
concept & growth & policies & training & procedural manual, university student-operated & community-oriented hotline telephone service, 53:12284
concept organization & visual stimulus availability & art application task, art conceptual behavior, college students, 55:13229
conception of task & reading for meaning vs for facts, qualitative differences in recall, college students, 57:1961
conceptual clarity & item wording of teacher rating scale reliability & level of teacher ratings, college students, 56:4688
conceptual functioning, preferred responses to interpersonal situations, college student workers vs volunteers vs nonvolunteers for telephone help line, 57:6482
conceptual level & didactic vs experiential classroom environments, vocational decision making process, male college students, 57:9225
concrete vs abstract task & time, verbalizations during problem solving, creative vs noncreative college students, 54:10576
concurrent assignment schedules & differential reinforcement of high rates contingency, study behavior & test performance, college students, 55:10894
confidence in responses to individualized instruction program questions & feedback on answer correctness, effectiveness of feedback as measured by immediate & delayed test performance, college students, 56:10626

conflict theory analysis, reactions to draft lottery in terms of post-graduation career alternatives, male college seniors, 54:11597
congruence between faculty & student educational orientations, students' satisfaction with academic program, college students, 58:10480
congruence between instructor-provided & student-perceived course behavioral objectives & awareness & use of objectives as study aides, college students, 57:13695
congruence of major with personality & differentiation & internal consistency of personality & age & sex, prediction of stability of academic major choice, college students, 58:8173
congruence-incongruence dimension of Holland's theory of vocational choice, prediction of academic achievement & course satisfaction, college students & faculty, 55:1427
consciousness vs unconsciousness of hidden answers, clairvoyance on academic examination, college students, 56:1573
consensus of peers' ratings of helpful behaviors in psychotherapeutic groups & behavioral correlates of ratings, mental health professionals & college students, 58:5844
conservatism, sexual experiences & reasons for nonparticipation, college students, 57:10185
consistent occupational preferences defined by congruent & incongruent & undecided college major choices, academic adjustment, male vs female college students, 56:4885
construct & predictive validity of structured interview, identification of successful college football players based on motivational traits, utilization of Fear's interview model, 57:7189
construct validation through correlation with measure of debilitating anxiety, Herman's achievement motivation measure, male college students, Holland, 56:3227
construct validity of J. L. Holland's Vocational Preference Inventory for potential school dropouts, high school students in special learning center vs college students, 58:10521
construct validity, taxonomy of reading comprehension using test based on levels I-IV of Bloom's taxonomy, high school & college students, 57:2038
construct validity, true-false self report scale to assess academic curiosity, college students, 56:7065
construction of allness orientation measure & influence of meta-aristotelian training on orientation, high school & college students, 58:6698
construction of independent masculinity & femininity scales on California Psychological Inventory, scale scores & implications for Bem's androgyny concept, male vs female college students, 57:7195
construction of item scale, survey of religious sentiments, college students, 58:6699
contemporary Black literature & music in group counseling, self concept, Black college freshmen & sophomores, 57:13225
contemporary theory & research & developmental aspects of late adolescence, behavior of college students & implications for higher education, 57:7889
content & severity of presenting problems, college students in psychological counseling at clinic, 57:3818
content & symptom expression & interpersonal effect of symptom, college students, 1955 vs 1970, 56:4152
content-neutral instructions, nonverbatim learning of textbook material, college students, 54:1918
contingency managed instruction vs independent study vs lecture-discussion method of teaching child psychology course, test performance & child management efficiency & study time & attendance & course attitudes, college students, 57:11312
contingent self reward, reinforcement, college students, 55:3812
contingent vs no vs noncontingent credit on weekly quizzes, mean quiz performance, college students, 56:2937
continuing sources of discrimination in white colleges & universities, black students & faculty & administrators, 53:12362
continuity of instruction in child development, attitudes toward young children, college students, 55:10930
contract grading, academic achievement & attitudes & time devoted to course outside of class, college students, 55:3067
contract in traditional teaching methods, mathematics achievement & attitude, college students, 56:1392
correlation between instructor's & student's self concept, final course grade, community college students, 58:6317
correlation between ratings of teachers, students & alumni, 53:3942
correlation between value orientation & daily activities, college freshmen, 56:723
correlation with Chemistry Placement Exam & independent Piagetian measure, validation of alternative electronic analog task for Combinations of Chemical Bodies Piagetian task, college chemistry students, 58:2571
correlations among achievement motivation measures, TAT Need Achievement scale & Achievement scale of EPPS & 2 new tests developed by H. J. Hermans & A. Mehrabian, college students, 55:11325
correlations between attitudes toward religion & science, legislators vs lecturers vs administrators vs students, evidence for cognitive consistency, 58:9588
counseling & instruction & mentoring, academic & personal & adjustment difficulties, low achieving disadvantaged college students, 58:4443
counseling & psychotherapy & demographic variables, alienation & its severity among diagnostic categories, college students seen at university mental health clinic, 58:9877
counseling, academic performance, rejected freshman applicants vs those accepted with low scores on American College Testing Program Examination, significance for accuracy of admissions standards, 57:13978
counseling continuance, perceptions of & information about counseling center & program effectiveness & intake interview, dropouts vs continuers at university counseling centers, 57:11581
counseling for academic & personal success, urban commuter college students, 54:6388
counseling, GPA & satisfaction with counseling situation, student athletes during 1st year of college, 58:10645
counseling in study strategy & immediate feedback & motivational approaches, examination performance, open enrollment college students, 54:8515
counseling, motive to avoid success, college students, 55:11015
counseling-learning theory approach, foreign language learning & personal orientation & attitude toward learning, college students, 56:10615
counseling-oriented vs administratively-oriented residence hall staffers, maturity development, male college freshmen, 55:8438
counselor activities & counseling problems, change in counseling attitude & academic performance, college student clients, 55:3288
counselor as developmental instructor, personal growth & subject matter mastery, college students, 54:8385
counselor eye contact & speech fluency & form of address, preference for counselor, college student clients, 57:6994
counselor internal locus of control behavior & statements & problem solving skills, group counseling effectiveness, college students, 58:6421
counselor race & S sex & academic level, perceptions & expectations of counselors, Black college students in predominantly White university, 58:12746
counselor's sex & age, anticipated verbal interaction with counselor & counselor preference, college students in hypothetical situation, 58:10471
counterconditioning vs self control paradigm of systematic desensitization, test anxiety, college students, 55:7629
course allowing early involvement with retarded & nonretarded children, freshman & sophomore special education students, 53:6100
course content & lecture vs group discussion method, attitudes toward student-teacher relationships, college students in educational psychology course, 55:8035
course description & student perceptions concerning psychology of death, college students, 54:10517
course in current health problems, changes in contraceptive knowledge & attitudes & behavior, college students, 56:6739
course in physical science for nonscience students, improvement of problem solving skills, college students, 58:10389
course in psychology of personal adjustment, personal adjustment & growth, college students, 57:11402
course interest & grade expectations, evaluation of course teacher, college students, 58:6309
course selection in nonrequirement program, college students, 53:12430
course size & level & student knowledgeability & sex, evaluation of instruction, college students, 57:13856
coverant conditioning, reduction of depressive thoughts, male vs female college students with neurotic depression, 57:1620
covert positive reinforcement, test anxiety, college students, 57:8702
covert reinforcement, test anxiety reduction, college students, 55:11017
creative ability & achievements, probationary vs average vs distinguished vs undecided college students, 58:10478
creative ability levels, black vs white college students, 56:2407
creative studies program, structure-of-intellect factors, college students, 56:8696
creativity & curiosity, antisexism, male vs female college students, 56:4112
creativity & intelligence, vocational interests, college students, India, 58:8351
creativity & personality traits & educational attitudes, students enrolled in art courses, 57:13902
creativity measurement by performance on word association tests, college honor engineering students & industrial research scientists, 56:30
crisis counseling model, college women with unwanted pregnancies, 54:6025
criterion measure based on Bloom's cognitive taxonomy in evaluation, effectiveness of individualized instructional systems in producing achievement & changing attitudes, college students, 55:8025
critical incident technique, identification of teaching & advising competencies, special education professors & graduate & undergraduate students, 55:5442
cross cultural application of I. L. Reiss's Premarital Sexual Permissiveness Scales, American college students vs Chinese college students in Hong Kong vs US, 57:3142
cross cultural differences, academic success in primary school associated with extraversion & in university associated with introversion, Black & White adolescents & college students brought up in Western vs non-Western cultures, 57:4369
cross cultural differences, 16 PF, US vs New Zealand male college students majoring in physical education, 54:9732
cross cultural education, attitudes toward US, Asian students on US campuses, 55:1492
cross validation, Achievement Motivation Scale, college students, 58:174
cross validation, American College Testing Program Interest Inventory, graduating seniors in 32 majors & professional programs, implications for counseling & vocational exploration, 57:4750
cross-country activity, running performance & metabolism, male college students, 56:4772
cross-cultural analysis, alienation, Middle Eastern vs American college students, with & without professional background, 53:9366
cross-cultural differences, seriousness of criminal offenses, Papua New Guinea military personnel & college students vs Australian police personnel & military trainees & college students, 53:7138
cross-national interpersonal contact & family socioeconomic status, prejudice, US vs Taiwanese college students, 54:950
cross-validated comparison of linear & nonlinear models, prediction of graduate admissions committee decisions, applicants to graduate industrial relations program, 57:4821
cue-controlled relaxation, test anxiety, 18-yr-old college female, 53:5939
cultural & sex differences, attitudes toward contraception & abortion & family planning & population management & modernity & number of children wanted & expected, American vs Swiss vs Italian college students, 57:12581
cultural background & sex & class & college major, school adjustment problems, Chinese vs US college students, 55:1477
cultural background, post-training ratings of audiotaped verbal classroom behavior, urban black vs white vs rural white college students, 56:10713
cultural backgrounds, personality & attitude & value differences, college students, Pakistan vs US, 56:6081
Cultural Capsules, identification & change in attitudes towards Navajos, non-Indian college students, 56:4869
cultural events, interests & attitudes, college students, 1923–1970, 53:5122
cultural test bias & different vs single classes grading, validity problem in GPA prediction, college students, 55:8370
culture shock, academic achievement, American college students in Israel, 57:11432
culture shock, weakening of authoritarian attitudes, Black vs White college students in predominantly White college, 58:10445
culture similarity & sex & organizational affiliation & residential propinquity, social relations & communication patterns, international student dormitory residents from 38 countries, 57:8066
curricular irrelevance & increased student participation & student apathy, student discontent, college students, 55:3176
curriculum combining humanistic psychology & literature, self actualization, college students, 55:5508
day of the week & morning vs afternoon class meeting times, attendance & grades, college students, 58:8308
dealing with gay college students, perspectives for mental health professionals, 53:3833
death & dying course, death attitudes, college students, 56:1354
death education, attitudes toward death & dying, college students, 57:4334
death education course, conscious thinking & communication about death, college students, 56:1386
death education for elementary school & college students, necessity for thoroughly trained personnel & knowledge of students' backgrounds & motivation, 53:6158
death-related attitudes & feelings & experiences, thanatology students vs national sample, 56:545
decision making, employment interviews, college students vs interviewers, implications for generalizability of results based on college student samples, 54:2025
decision making group based on Bross' model vs encounter group participation, increased ability to solve personal & emotional problems, college students, 56:10278
decision making potential, social-psychological analysis of high-level manpower development, college students in Kenya, 55:9524
decision making processes, disadvantaged college students, application of Holland's theory of vocational behavior, 55:8140
declared vs undeclared major & orientation class, academic achievement & changes in college major, female college students, 55:8346
Defining Issues Test, stability & pre- & posttest performance change following ethics or logic or religion or art class participation, 17–20 vs 21–44 yr old college students, 58:10829
degree credits for informal learning, college students, 55:3085
degree of convergence among measures of managerial personality traits, college students vs business managers, 56:9933
delayed feedback in applied instructional setting, retention of initially learned & unlearned items, college students, 53:3997
deletion schemes for reducing science & news & fiction materials, comprehension & reading time & rate, college students, 58:10400
demographic & academic & health & psychological factors, collegiate persistence vs nonpersistence, vocationally undecided male college students, 56:1445
demographic & academic background & degree aspirations & time in which degree is completed, over vs under 20 yr old freshmen college students, 53:12491
demographic & academic characteristics & social & personal & academic difficulties, adjustment to life in US, Iranian students attending college in US, 58:4343
demographic & behavioral variables, prediction of academic achievement, adults in college, 56:1419
demographic & family characteristics, abortion attitudes, Catholic college students, 58:3166
demographic & nonscholastic & scholastic factors, academic failure, college freshmen, Saudi Arabia, 55:13272
demographic & personality characteristics & drug history, hallucinogenic drug use, female college students, 53:2973
demographic & personality characteristics, younger & middle aged female college students in teacher preparation program, 55:5424
demographic & personality characteristics, academic success, minority group students attending university community & technical college, 56:10688
demographic & religious characteristics, attitudes toward & actual cohabitation, male vs female college students, 58:3247
demographic & social & academic characteristics, prediction of disciplinary group membership, male disciplinary college students, 54:3974
demographic & social characteristics, college student drug users, literature review, 54:5102
demographic & social factors, drinking habits, college seniors, 1970–71 survey, 58:5286
demographic characteristic changes, utilization of campus psychiatric services, college students, 1964 & 1972, 53:8099
demographic characteristics & admission record & personal questionnaire & counselor interview data, differentiation of accepted & rejected student classifications & prediction of GPA, college applicants, 57:11439
demographic characteristics & fashion attitudes & social activities, "innovative communicators" of fashion in college subculture, single male college students, 54:8525
demographic characteristics & number & kind of personal problems & attitudes toward counseling center & self concept, college students with personal problem utilizing vs not utilizing counseling center, 58:10577
demographic characteristics & origin of suggestions for drug usage & intensity of & reasons for use & effects, drug use, college students, 54:9499
demographic characteristics & sexual knowledge & heterosexual dating, college students, 58:7396
demographic characteristics, ethical discrimination ability, undergraduates in rehabilitation program, comparison with graduate student data, 58:12677
demographic characteristics, moral & spiritual values, Filipino college students, 53:7168
demographic characteristics, role expectations for decision making in academic matters & campus facilities & professional personnel & financial & student affairs & university programs, college students, 55:1506
demographic characteristics, self concept & coping strategies, Black graduate vs undergraduate females at predominantly White university, 58:6342
demographic history, past experiences & emotional problems, college student helpseekers, 55:9979
demographic variables, abortion attitudes & abortion knowledge, college students, 56:9794
demographic variables, attitudes toward severely disabled, vocational rehabilitation counselors vs disability determination examiners vs facility workers vs full-time graduate vs undergraduate rehabilitation counseling students, 58:10110
demographic variables, patterns of & attitudes toward drug use, college students, 53:9442
demographic variables, traditional vs egalitarian sex role attitudes & expectations, college students, US vs France, 57:5728
demographics, spontaneous selection of color & number, evening college students vs full time students of previous studies, implications for "blue-seven phenomenon", 56:5214
derivation & use of new conversions for Mini-Mult, juvenile delinquents & college students, 57:111
description & design & execution & evaluation of course in behavior modification, advanced college students, 58:6203
description of project work approach in school learning, architecture approach, 58:10355
descriptive analysis, room personalization & relationship to dropping out of school & processes of imitation & modeling of decorations among roommates, college students occupying dormitories, 58:6307
descriptive profile of academic & demographic characteristics & counseling aid vs academic aid vs no treatment, grades & reading scores & attrition, low income college freshmen, 56:1416
descriptive-analytic study, motivating factors, college students, 55:5569
desensitization vs/& rational emotive therapy, test anxiety, college students, 55:11027
design & evaluation, dating behavior training programs using response acquisition &/ vs cognitive self-statement modification techniques, male college students, 57:3956
design & implementation & evaluation, group experience for increasing Black identity & consciousness, Afro American college students, 57:5878
design & validity & generalizability, studies of evaluations of teaching, students, 55:5463
determinants of career choice, female college freshmen responding to questionnaire in 1959 vs 1974, 57:4410
determination of empirical links between counselor techniques & attitudes & client's evaluations of counseling relationship, clinical & counseling psychologists & guidance counselors & personal adjustment college students, 55:12632
determination of perceived advising needs & insertion into theoretical model for academic advising, industrial arts & history & social studies & music majors, 58:2273
determination of troubled untreated students, evaluation of campus mental health program delivery effectiveness, 55:5192
determination of 2nd-stratum personality traits, graduate & undergraduate physical education students, 58:3404
development & application, College Experience Inventory, college student, implications for counseling & placement, 54:8243

development & application of Instructional Improvement Questionnaire providing student evaluation feedback to instructors about teaching, college students, 57:14014
development & evaluation of overhead transparency series, use in large group instruction of introductory college psychology course, 55:13248
development & evaluation of social skills training program using contract management, changes in social activity & competence, socially withdrawn male college students, 55:12714
development & evaluation of Swarthmore's Extern Program, off-campus career experience with liberal arts curriculum, college students & alumni, 58:10334
development & implementation & evaluation, humanistic career development group model, college students, 58:10683
development & integration & testing of method of suggestion, foreign language learning & hypermnesia, college students, 58:12544
development & pilot & survey data, University of Texas Alcohol & Drug Related Survey questionnaire, 56:7834
development & reliability of brief rating scale, assessment of impact of team teaching, college students, 58:10614
development & use & validation, University Residence Environment Scale, college students, 53:6257
development & use of evaluation model for residence hall environments & sex & academic classification & type of living unit, perceptions of residence hall environment, college students, 56:3006
development & use of evaluative methodology, evaluation of reading & study methods course, underachieving college freshmen, 56:2852
development changes, word recognition strategies, kindergartners vs 1st–6th graders vs college students, 56:2148
development of Delphi Inventory of Behavioral Objectives, definition & evaluation of behavioral objectives for student personnel programs, college trustees & top level administrators & faculty & student personnel administrators & alumnae & students, 55:13553
development of diagnostic syndrome classification for individual counseling, assessment of emotional problems of college students, 58:3720
development of psychographic profile, female health & physical education & recreation majors, 55:8377
development of psychosocial identity, heterosexual relationships & future outlook, female college students, 58:7267
development of self concept & attitudes, economically & educationally disadvantaged vs advantaged male vs female college students, 1968–72 longitudinal study, 55:9512
developmental changes in objects & modes of dependent behavior, female junior high & high school & college students, 55:819
developmental stages of same sex friendship, male & female college roommates, 58:11656
developmental theories of E. Erikson & K. Keniston, prediction of way of articulation & organization of perceptions about universe of problems using latent partition analysis, college students, 55:13448
developmental theory of drug using behavior, cross sectional analysis of attitudes & experience & knowledge about drugs, college students at 4 educational levels, 57:8161
diagnosis & treatment, psychic disorders, college students, East Germany, 53:9761
diagnostic questioning & corrective feedback & instructional feedback, concept attainment, college students, 57:6782
diagnostically irrelevant stimuli, labeling bias in judgment of mental illness, college students & mental health service workers, 55:2480
diagnostic-prescriptive training, multisensory imagery & lesson planning & competence of mathematics teaching to handicapped children, college students in performance-based teacher training program, 57:11275
diazepam vs scopolamine, storage & retrieval & organizational processes in memory, college students, 55:9270
Dictionary Game played under 1-to-1 vs 1-to-2 interpersonal vs 1-to-1 intergroup competition conditions, cognitive learning outcome, college students, 57:13717
differences & changes, self perception, college freshmen-graduate students, 54:10574
different instructions concerning intended use of rating results, ratings of instruction, college students, 58:4406
Differential Aptitude Test reasoning scales & Davis Reading Test scores & attitudes toward psychology & self ratings of abilities & course grade, prediction of performance in psychological research course, college students, 57:7214
differential combinations of modeling & feedback, complex novel motor skill learning, male college students in physical education classes, 57:6733
differing criteria for unit exam mastery, test performance, college students, 56:1414
dimensions of Ss' evaluation of instruction, college students, 56:2970
direct & indirect effects of personality & subculture identification & scholastic aptitude, GPAs, college students, 56:10669
discovery vs expository teaching method, learning expressive performance & aural achievement & knowledge of music facts & vocal skills, nonmusic-major college students, 54:10522
discrepancy between instructor & student evaluations of instruction, changes in teaching, college teachers & students, 55:13423
discrete-point vs simulated communication testing, development of communicative proficiency in beginning French classes, college students, 57:11448
discriminant function analysis, prediction of applicants' acceptance to medical school, implications for admissions procedures, 56:2716
disparity between student & faculty attitudes toward educational process, early transfer from college, transfer vs remaining students, 57:1997
dissimilarity between self descriptions of personality traits & descriptions of instructors, attraction, college students, 55:7136
divergent thinking, art- vs science-oriented college students, 53:8224
diverse students & educational options & self development as goal of education, role of counselor & college advising program, 54:8475
dogmatism & acceptance of authority & self esteem, motivational characteristics of disadvantaged students, freshmen enrolled in compensatory program for minority university students vs regularly enrolled students, 54:4172
dogmatism & belief in one truth & cause & alienation & virtuous self denial & self proselytization & authoritarianism, liberalism & conservatism, college students & parents, 56:8070
dogmatism & trait anxiety, state anxiety & errors during computer assisted learning of difficult mathematics problems, female college students, 56:4831
dogmatism, education students at Weber State College vs Utah State University, 1968–72, 55:1323
dogmatism, political knowledge, male vs female college students in education, 57:5896
drinking behavior & attitudes, English college students, 53:9427
drug attitudes, drug usage patterns, college men, 55:12181
drug knowledge & usage & quantity used, college students & staff & faculty members, implications for drug education programs, 55:4448
drug usage & sociopsychological correlates, rural junior & senior high school & college students, 56:618
drug usage during 6-mo period, college students, 53:9390
drug usage, emotionally disturbed college students, 53:7548
drug usage frequency & attitudes, university & community college & high school students, Florida, 54:5110
drug usage, subsequent attrition rates, college students, 56:3959
drug use & psychiatric problems, college students, 53:5565
drug use patterns & attitudes concerning drug abuse education & prevention, college vs community college vs high school students, 56:5958
dynamics & distinguishing characteristics, attitudes toward motherhood, female college students & wives of college students, 56:7790
E biasing information, tutor teaching behavior & children's learning performance, kindergartners & female college students as tutors, test of self fulfilling prophecy, 55:1399
early exposure to pupils & teacher duties, self concept & attitudes & belief systems, education majors, 55:8032
early recollections, prediction of educational & vocational preference, male college students, application to vocational guidance, 55:5671
ease of interpretation in context vs isolation, graphic symbols for vehicle & equipment operation, male mechanical engineering students, 54:4281
eclectic human relations training, helping skills, graduate & undergraduate counseling & guidance students, 57:6562
economic recession, attitudes toward school & test anxiety, public vs private college students, 56:8738
education & alienation & nonacademic activities, political attitudes, students attending small college, 56:7815
educational & vocational planning motivation & verbal reinforcement & modeling in group counseling, career information seeking behavior, college students, significance for occupational counseling, 58:8435
educational aptitude & exam preparation time, achievement on 1st-yr exams, college students, 58:12633
educational attainment process, Black vs White males in 2nd yr of college, comparison with 1969 study, 58:8314
educational background, dogmatism & social desirability, Australian college students, 53:7434
educational cognitive style, selected elements of general semantics, college students, 58:1937
educational set & subsumption theories & sequencing of receptive lecture materials, learning & retention, college students, 57:4338
educational status incongruence between mother & father, self esteem & perception & evaluation & locus of control & attrition rate, Black college males, 57:4396
education/discussion groups using rational-emotive psychotherapy, rational thinking & anxiety & self reported problems, college students, 56:10778
effectiveness of California Psychological Inventory as screening device, selection & success prediction of resident hall assistants, college students, 56:1323
effectiveness of college adjustment counseling, motivation & needs & degree of emotional disturbance & further help seeking, college freshmen, 53:10553
effects of adjective placement on Stapel Scale values, college students, 54:8680
efficacy of errorless fading procedure vs trial & error method, learning complex verbal statements, college students, 58:4246
ego development stages, college football players, 58:7586
ego development, structure of political reasoning, leftist students, 53:7183
ego perception & social intimacy of closest friendships & friendship group structural characteristics, male & female Black college students, 57:10265
ego strength & anxiety reactions, college students, 55:2380
ego-involvement situations, "level of aspiration," university students, 53:3126
elementary music methods classes using teaching techniques of contingency-managed instruction &/vs lecture discussion vs independent study, course attitudes & achievement & teaching skill performance, college students, 58:2048
emotional adjustment to college community, college students in college counseling centers, 55:10938
emotional stability & self confidence, performance of simple motor task in stressful environment, female physical education students, implications for athletic success, 55:7995
Emotions Profile Index Scores, Japanese college students, comparison with US college student norms, 56:724
empathy & therapeutic orientation, paid & volunteer crisis phone workers & professional therapists & college students, implications for selection of volunteers, 54:9768
emphasis of differing student living groups, personal & social development, college freshmen, 57:13877
empirical derivation & conversion tables, estimation of Holland's Vocational Preference Inventory scores from standard scores of Strong Vocational Interest Blank Scales, male college students, 53:2143
empirical development of achievement motivation measure, college students, 57:14008
empirical keying approach, academic prediction with Guilford-Zimmerman Temperament Survey, college students, 58:12748
empirical method, estimation of validity of course prerequisites, 53:4114
empirical test of hypotheses of encoding based on semantic vs generative processing models, college students, 57:11957
encoding & external vs personal memory devices, note taking & subsequent recall, college students, 56:1411
English-as-2nd-language approach, teaching English, hearing-impaired college students, 54:1937
enrollment in arts vs science course & extraversion–introversion scores on Eysenck Personality Inventory, Watson-Glaser Critical Thinking Appraisal scores, male vs female college students, 54:6421
enrollment in 1 yr psychology course, participation in active sports vs personality & attitude & social class & sex & previous school involvement in sports & academic achievement, college students, 55:10913
environmental attitudes, technical school students, 53:7248
environmental correlates, radical change in academic performance, college students, 58:4309
environmental influences, social health problems, disadvantaged black college students, 53:10244
environmental press perceptions & self expressed personality needs, disadvantaged vs dominant college freshmen vs seniors, 57:4402
EPPS & SVIB scales, prediction of success in secondary teacher preparation program, graduating college seniors, 55:13527
EPPS original vs recent norms for college men & women, shift of needs, 55:4635
E-provided vs S-generated underlining of sentences least vs most important to passage structure vs reading alone, prose recall, college students, 55:8091
essay vs multiple choice response modes to lecture material, performance reflecting knowledge & comprehension & application & analysis, college students, 57:6810
essay vs objective test, validity for basis of excusing students from composition courses, freshman college students, 55:11007
estimation of types of problems males vs females would present at counseling center, male vs female college students, 55:5690
ethical judgments of social research involving experimental deception, social & clinical & counseling psychologists & research ethics committee members & academicians in social sciences & humanities & law professors & college students & members of League of Women Voters, 57:8945
ethnic orientation, perception of student-counselor rapport, Puerto Rican college students, 58:12770
ethnography techniques & correlational quantitative analysis, clique membership & relationship to academic achievement & school attitudes, Black & White college students, 58:4328
evaluating procedures for screening & selection for human sexuality discussion groups, college student leaders, 55:7854
evaluation & effectiveness of counseling service functions in dealing with student problems, college presidents & counselors & student government presidents, 58:8436
evaluation, experiential stress-challenge environmental education course, college students, 55:13162
evaluation, introductory psychology course, college students, 53:12412
evaluation of attribute-treatment interaction model employing cognitive development theories, conceptualization of learner differences & instruction adaptation to those differences, college students, 57:6806
evaluation of career planning & placement services & kinds of student data & best times to use student data, college recruiters & placement directors, 58:12747
evaluation of descriptions of lawbreaking acts as criminal &/or mentally ill, advanced law students & mental health professionals & college students, 56:9966
evaluation of social psychology textbooks, social psychology students, 57:11397
evaluation of volunteer field placements in types of community developmental facilities, developmental psychology students, 54:10540
evaluative procedures of precision teaching vs traditional method, retention, college students, 54:8074
evolution over 5-yr period, student-oriented contingency management system for course work & grading, college students, 57:13740
exemplar-category vs prototype training vs traditional paired associate learning technique, acquisition of Chinese character exemplars & prototypes, 58:4255
existence or nonexistence of ordered hierarchy in successful completion of selected Piaget-type conservation tasks, formation of thought patterns characteristic of adults, general education physical science college students, 58:2104
expectancy beliefs & ability & self esteem & locus of control & dogmatism, prediction of academic achievement, male college students, 57:9069
expectation about course & related test content & test anxiety, anxiety & academic achievement, college students, 55:13325
expectations of college environment, college freshmen vs transfer students, 56:10735
expectations of sex education programs in school, college students vs parents vs experts, 53:10422
expectations, reduction of test anxiety through systematic desensitization, college students, 57:1662
expected vs obtained grades, teacher evaluation & attribution of performance, college students, 55:8270
experience in field study program in youth serving agencies, tolerance & self confidence & attitude change toward encountered groups, college students, 58:10363
experience with life events & ethnicity, ratings of readjustment to life events, 16–43 yr old college students, 54:3152
experienced effort & estimated importance of success for future career, expectancy of examination results, male vs female college students, 57:8342
experiential learning, personality development, college students, 55:13428
experiential learning program involving interaction with psychiatric patients, attitude change toward mental illness, college students, 57:1137
experiential learning technique in management education setting, empathic interpersonal communication skills & related attitudes, college students, 57:11350
experiential vs traditional learning models, attitude change during studying health problems, college students, 55:10732
experimental laboratory program, training as paraprofessionals employing behavior modification techniques, college students, 56:8416
experimental program using group meetings with faculty, acceleration of development of emotional independence as factor in autonomy, junior college students, 55:1351
experimenter competence, evaluative perceptions, male vs female psychology students, 53:1296
explanations for declining admissions test scores, college-bound students, 10-yr longitudinal study, 56:1299
exposure to information about vocational & social capabilities of disabled adults, attitudes toward disabled, beginning education students, 55:13031
exposure to live vs video vs audio presentations of discussion on physical disability issues conducted by visibly disabled panelists, attitude modification, college students, 58:5668
exposure to programed discussion of theoretical rationale underlying helping skill, subsequent use of helping skill in simulated counseling interview, college & graduate students, 58:10181
exposure to Western-type collegiate setting, changes in authoritarianism, Arab college students, 4 yr longitudinal study, 55:10899
expressed feelings about marriage & family & occupation & friendships & social life & academics & self image & self satisfaction & certainty about future, expressed feelings of identity, female college students, 55:7187
expressiveness of lecture delivery & variation in substantive teaching points covered & incentive to learn offered before vs after lecture, validity of instruction ratings, college students, 55:8285
extended art experience in art appreciation class, selected personality factors, college students, 55:8003
extensive drug usage, perception of parents as correlates, college students, 54:5115
extent & variety of feelings of alienation, scholastic achievement & personality, male vs female Black college students, 57:9115
externally-paced testing, cognitive achievement after externally-paced mathematics instruction & attitudes, college students, 55:3087
extraversion & introversion, accuracy of self estimation of reading skills, college engineering students, 58:12674
extraversion & neuroticism & conformity, college students, India, 58:3408
extraversion & neuroticism & scholastic ability interrelationship, Igbo college students, 54:10585
extraversion & neuroticism measured by Eysenck Personality Inventory, academic achievement & attrition, 1st-yr college students in architecture & planning, 58:12597
extraversion & neuroticism, nicotine & caffeine & drug intake, female college student smokers, 54:9674
extraversion-introversion & neuroticism, intended & actual social science vs engineering majors, 55:10916
facilitative interpersonal skills training, encounter group interaction, college students, 55:1595
facilitative vs nonfacilitative teacher behavior, student attitude & art achievement, college teachers & students, 57:13883
facilitator training for consciousness raising groups in academic setting, undergraduates & psychology graduate students, 58:6235
facilitator training using Education through Student Interaction & lecture-discussion methods, facilitator effectiveness in classroom group discussion & training method preference, college students, 57:6732
facilitator-led vs tape-led vs leaderless human relations training groups, personal development, college students, 58:7913

factor analysis, College Student Questionnaire, college freshmen & sophomores & seniors, 53:12564
factor analysis, Kuder Occupational Interest Survey, male vs female college students, 57:9356
factor analysis of Adjective Check List & self concepts, college freshmen, 1965–73, 57:1278
factor analysis of EPPS & Guilford-Zimmerman Temperament Survey responses, education trainees vs business administration majors, 56:6836
factor analysis of Life Style Analysis inventory & item analysis across normal & clinical groups, incarcerated felons & alcoholics & college students & chronic undifferentiated schizophrenics, support for Adlerian & Horneyan theory, 56:8980
factor analytic structure of patient internal states, 18–24 yr old college counseling clinic patients & clinical psychology, graduate students as therapists, assessment of generalizability of results of study of K. I. Howard et al, 56:8338
factor structure, Teaching Analysis By Students, college students, 57:116
factored scales, measurement of impact of seminar & laboratory instructional formats in higher education, college students, 57:7184
factorial composition of existential states, incarcerated felons vs committed alcoholics vs unwed mothers vs chronic schizophrenics vs psychology vs objectivist philosophy students, 55:12327
factorial composition of Life Style Analysis responses, incarcerated felons vs alcoholics vs unwed mothers vs college students vs chronic undifferentiated schizophrenics, 56:8977
factorial structure of femininity based on Femininity Study responses, female alcoholics vs college students vs chronic schizophrenics, 58:5473
factorial structures of cognitive & feelings components of attitudes toward death, male vs female white vs black college students , 55:2405
factorial structures, responses on Femininity Study, alcoholic vs schizophrenic vs college females, 58:4644
factorial validity, Student Evaluation of Teaching, college students, 54:4457
factors used as basis for selection of teaching as career, freshman college students, 56:4700
factual vs applied oral presentations, expressed opinion toward statistics & achievement, college students, 55:8014
faculty advisors vs centralized advising center advisors & interest in counseling, academic achievement & attitudes toward advisor & advisor activity differences, freshman college students with declared vs undeclared majors, 57:11570
